CLUB NOTES

Luton Town are comparative strangers to the Deepdale scene with only eight previous league engagements on this ground, despite the fact that the present season is their 39th as members of the Football League competition, and the 36th without a break. Actually our association with them goes back to February 2nd, 1895, when we visited Luton in the First Round of the F.A. Cup tournament.

Luton's first excursion to Deepdale was as recently as January, 1950, in the Second Division, when they defeated us by a lone goal, during a disastrous North End slump of six games without a win including the Watford Cup replay debacle.

Paradoxically the "Hatters" ancestry harks back some 77 years, the Club being founded in 1885 from the remains of two local soccer organisations known as Excel-sior F.C. and Wanderers F.C. Of mutual interest concerning the bygone days is the matter of professional status being forced upon the then reluctant supreme ruling body. In 1891 Luton pioneered this movement in the South, several years after North End had played a similarly successful role in the North. They gained admission to the Football League (Division Two) in 1897, but after two seasons they were not re-elected and so returned to the Southern League. When League Three South was created for season 1920-21 they became one of the elected 22 clubs.

Champions in season 1936-37 with further promotion in 1955 when the Bedfordshire team sampled top class football for the first time. They were relegated at the end of the 1959-60 season to coincide with Tom Finney's last League game on the final day. The Luton record on this ground is won one, drawn one and lost six.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.

MEET THE OPPosition . . .

BAYNHAM, Ron (Goalkeeper). Has been with Luton since 1951. Secured from the Southern League club, Worcester City. He has represented England on several occasions. Played for the Football League on two occasions and also for England 'B' Team versus Yugoslavia 'B.' Was a member of the F.A. Touring Party to South America in 1959

McNALLY, B. (Right Back). Can occupy either full back position. Came from the League of Ireland club, Shelbourne and has been with Luton since May, 1956. Played for Eire 'B' versus Rumania in Dublin in 1957 and also for Eire versus Czechoslovakia.

BRAMWELL, John (Left Back). One of the two players who joined Luton from Everton when Billy Bingham, the Irish International was transferred to that club in October, 1960. Is a very capable player and worthy to be considered for International honours.

MORTON, R. (Right Half Back). Local born and has been with the club since 1948. Played for England 'B' versus Switzerland 'B' team, the Football Combination versus the Dutch XI (on two occasions) and also for the Football Association versus the Army. Was chosen as a Reserve for England at Wembley in 1955 and again when they played Ireland in 1958. Usually a wing half but has made numerous appearances at Centre Forward.

KELLY, Terry (Centre Half Back). Born in Luton. Played for Hitchin Town before joining the Luton club in 1950. Originally played wing half, but was successfully converted into a Centre Half. A very strong player who holds his own with most Centre Forwards.

PACEY, D. (Left Half Back). Born in Luton, signed for the Club in 1956. Has played for the F.A. versus the R.A.F. and was also a member of the England Under 23 Team against Germany and Italy. Very strong player with a liking for getting among the goalscorers.

WALDEN, H. (Outside Right). Joined Luton from Kettering in January last year and stepped straight into the first team at Norwich, making 34 League and Cup appearances last season. Has a very forceful shot.

TURNER, G. (Inside Right). Came to Luton as a Wing Half upon his demob. from the Navy but found his true position in the forward line. Represented the English League versus the Scottish League in 1955 and also played for the F.A. XI versus the Army in 1958. The Town's leading goal scorer for eight seasons out of the last nine. Is a skilled player with a tremendous shot.

GOLDIE, James (Centre Forward). Another player recommended by Dave Hutchison, signing him in April, 1962. His first game, against Arsenal Reserves, showed him to be a player of great potential.

LORNIE, J. (Inside Left). An Aberdonian, he arrived here from Leicester City whom he joined in 1958 as an Inside Forward. Was converted to Centre Forward in which position he played several times in the City First Team.

FLEMING, James (Outside Left). Came to Luton from Patrick Thistle when they transferred Joe McBride, in November, 1960. Is a very capable player with a tremendous shot and good turn of speed.
