### CLUB NOTES

**OUR VISITORS.** This evening we extend a warm welcome to Luton Town on their first visit to Haig Avenue. They have come to town following Saturday's home draw with Leeds United in the second round of the Football League Cup. Luton have several links with Southport. Trainer Frank King used to be a local policeman and fireman after serving Everton and Derby County as a goalkeeper. He played with us during the war until giving up through injury. Our former manager Wally Fielding left us to join Luton as assistant trainer and coach, but is no longer with the Hatters, who also had on their books, local schoolboy product Alec Ashworth, ex-Everton, like Fielding. Ashworth was transferred to Northampton just before the present season started. The Town, like ourselves, have not started at all well and they have only one away point to date. They have just paid a big fee to Arsenal for right winger Danny Clapton to add strength to their attack, and in Saturday's game they rallied well after being two down. In defence former England goalkeeper, Ron Bayham, has recently been replaced by Jim Standen, ex-Arsenal. Lining up are Eire international full back Brendan McNally and former Everton player, while Cup Final leader Bob Morton is at wing half. Left half Dave Pacey also played for Luton in the 1959 Cup Final. Leader Gordon Turner scored 20 goals last season. It promises to be an entertaining cup tie and if our boys can reproduce the form shown at Rochdale last week they must have a chance. But they will have to do far better than at Tranmere on Friday when the defence crumbled in the second half. It was a night to forget so far as we are concerned, but it did emphasise the need to strengthen the staff as quickly as possible.

**FRIDAY'S GAME.** We have another home fixture on Friday when Torquay United will be here. Many people are asking "Why Friday?" The reason is, as previously announced, that the game has been brought forward from Saturday to avoid clashing with Everton's home game. This was the one occasion in the season when a home match of ours clashed with Everton's. This time Torquay come to town as one of the leading sides in the Fourth Division and, as such, we are hoping they will be quite a draw. Their record shows they are a formidable combination, but this is a game from which we simply must extract full points. With only six points to our credit after ten matches we can't afford to sacrifice any more at Haig Avenue just now, but, clearly, our boys will have to work tremendously hard to do the trick.

**RESERVES GAMES.** After a week's break the Reserves resume operations with a visit to Clitheroe on Saturday. It is hoped they can bring something worthwhile back from the trip. They return home on Tuesday evening next week when South Liverpool will be here in a re-arranged match. This game should have been played last Saturday but the Merseysiders were otherwise engaged in the F.A. Cup.
