WHO? Why to  
LILLYWHITES of course!

Duncan — famous names all. They have been Runners-up in Division 1 three times — in 1895/96, 1929/30 and 1935/36 as well as being F.A. Cup Finalists in 1898, 1899 and 1903, and Semi-Finalists on no fewer than 12 occasions.

We have been pleased during the week to invite Mr. Len Hawkins, son-in-law of the late Mr. Charles Jeyes, on to the Board to fill the vacancy caused by the resignation of Mr. Frank Tooley. Mr. Hawkins, who has been pleased to accept, received a good grounding into the intricacies of the football world with his many years' association with Mr. Jeyes and it is felt this knowledge will prove most useful in our future

endeavours, both on the field and for our new Stadium. From all accounts the appointment is a popular one and, we trust, will prove a successful one for himself as well as for the Club in which he has never ceased to show the greatest interest.

The Luton Band we are pleased to say put up a very fine performance at the Royal Albert Hall last Saturday when competing in the National Championship, finishing in eighth place out of twenty-four, in front of such illustrious Bands as Black Dyke, Morris Motors, to mention only two. The Band is again competing in a Competition at Reading

### Club Notes

ALTHOUGH still placed near the bottom of the Second Division Table our recent performances in both League and League Cup matches shows that picture to be a false one and thus giving a very wrong impression. Following our two away defeats first at Swansea and then at Cardiff City by the narrowest of margins when in each case defeat should have been avoided we went to Middlesbrough last Saturday and won by two clear goals against a talented team which has cost a lot of money to build. In that period we have been drawn away to both Southport and Barnsley in the Football League Cup and won on both occasions, no mean feat especially the match at Barnsley who were definitely on the up-grade at the time we met them and who were confidently expecting to repeat their triumph over us of our previous meeting, also incidentally in a Cup Tie. Therefore in our last six matches five of which were away from home our record is

	Played	Goals		
		F.	A.	Pts.
League	4 (3 away)	4	4	3
League Cup	2 (2 away)	5	2	

By any standard this is no mean performance — could have been better of course — but it is good going, and a continuation on these lines will soon see us away from our lowly position, especially as our next two matches here at Kenilworth Road are against similarly placed teams in Walsall and Grimsby Town against whom maximum points can we feel be confidently expected.

Our win at Middlesbrough last Saturday was a great tonic to us all, and particularly as it was well earned. The return of John Groves into the half back line undoubtedly meant a strengthening

in defence and it seems that Alwyn McGuffie, now more used to what is required of an inside forward, played a most important part in the victory. Dave Pacey cut out England centre forward Alan Peacock most effectively, which is a great feather indeed in his cap, and altogether there was a very fine all-round performance from our lads. Ron Davies, whom we welcome to-day in his first match at Kenilworth Road, also played his part effectively without any trimmings, showing that as he gains experience in this higher class of football he will most certainly prove a great asset. John Groves is not playing to-day as he has been at home all the week suffering from a very heavy cold and is therefore not fit. His place as you see is being taken by Mark Lownds who we know will not let the side down. He played in the number 5 shirt at Norwich a fortnight ago playing very well indeed. This is his fourth appearance in the Senior side and he has the honour of having scored a goal on his first appearance in the Football League.

We have pleasure today in welcoming once again Derby County to Kenilworth Road in a Football League fixture. Gone for the moment is the glory that once adorned this famous Club, one of the original members of the Football League when Formed in 1888/89. It is strange to record with so many famous players that they have never won the Championship nor the F.A. Cup except they did win the latter in 1945/46, the season before football proper was resumed following the War. The team which beat Charlton Athletic at Wembley by four goals to one after extra time to win the Cup that year was — Woodley; Nicholas, Howe; Bullions, Leuty, Musson; Harrison, Carter, Stamps, Doherty and Dally

## CLUB NOTES — continued

on the day of our next home fixture. Walsall, and so the opportunity has been taken to invite the Luton Youth Band to play here that day which incidentally, will be their first public performance. The boys and girls comprising this Band are practising very hard with much enthusiasm for the occasion and we feel sure a very nice reception awaits them as they enter the arena.

The Blue Cross Match men are here to-day giving away 10/- Notes. Be sure you have your box of Blue Cross matches in case you are approached by the representative.

Our postponed League II fixture with Huddersfield Town is left in abeyance

for the time being. There is no urgency to play the match and so we hope to arrange it when the nicer weather is with us once more.

We have decided not to hold any more Bingo Sessions this year because of the weather. We shall certainly be resuming as soon as we feel the weather is suitable for many have expressed how nice it is to play in the open. As much notice as possible will be given when we intend holding these Sessions again. We thank all of you who have supported us in this venture which, we feel, has been well worth-while if only for the many friendships which have been made at these meetings.
