to take it. Several of these youngsters are showing much promise for the future and every endeavour is being made by the Training Staff to bring them on. We are always pleased incidentally to give any youngster a trial. If any of you know of any youngster who looks promising or any lad here to-day who feels he would like to make football his career he is welcomed to call at the Ground here any Tuesday or Thursday evening from 5.30 and ask for the Trainer in Charge, where every encouragement will be given for him to show his paces.

The Bobbers Stand Club is open before, and after the match and at half time on all match days. Any supporter

from Norwich is cordially invited to call in at the Club where he is assured of being among friends. Our members are always made welcome when they visit Norwich—this is our opportunity to reciprocate, which we are pleased to do.

The Luton Band is not able to perform here to-day and unfortunately another Band whom we contacted are unable to be here to play to us owing to other commitments during the holiday.

We hope all of you here to-day have a very enjoyable Eastertide and that you all witness a thrilling encounter as a good start. If it is anything like the thrills we enjoyed when Middlesbrough played here about a fortnight ago it will certainly set us off on the right foot.

### Club Notes

WE have the pleasure of receiving Norwich City in this Easter Saturday fixture and feel we could not have chosen any better opponents even if we had any choice in the matter. The two battles we had with them four years ago when it meant that one of us would appear at Wembley for the first time in either of our histories still remain fresh in our minds. The Canaries, as they are called, have just missed appearing again in the Semi-finals of the F.A. Cup for after beating such great Cup fighting teams as Blackpool, Newcastle United and Manchester City, each one a splendid performance, they rather surprisingly succumbed at home to Leicester City by two clear goals. Well though Leicester City have been playing everybody expected Norwich to at least avoid defeat before their own crowd and in fact it was only as a result of two well-taken goals quite out of the blue following great pressure by their opponents that Leicester passed safely into the Semi-finals. Norwich had been playing so confidently during this period that they had also established a good position in the League Table and after their decisive win over Chelsea last Saturday by four goals to one there were great hopes at Carrow Road that promotion was still a possibility. Their defeat at Vetch Field last Tuesday evening however has practically killed any such aspirations. However the Norwich fans have had another splendid season of football, and although there will probably be some reaction after the fervour of these last few weeks nevertheless they can look back and remember with pride some very stirring encounters.

We picked up a very valuable point at Walsall last Saturday which, under the very trying conditions, was a good performance for any reward gained from an away match is commendable. We have had quite a few matches cancelled this season because of the snow and ice. If the Referee had declared this match cancelled also because of the very strong wind no one could have blamed him. Controlled and skilful football was entirely out of the question for passes very rarely went where intended, and even goal kicks were difficult to take because the ball would not stay put. To give you some idea of the strength of the wind any player facing it and attempting to make a run with the ball by kicking it forward found that it was not only being stopped by the wind but was coming back to him as if it was on a yo-yo string. When we crossed over at half-time on level pegging with the prospect of having to face this wind no one would have given us much chance of remaining so at the end of the match. That it was so gives great credit to the fighting spirit of our lads and in particular the splendid part played by Ron Bayham. We do not mean by this that all the defence did not play well but times out of number when all seemed lost the wearer of the No. 1 shirt emerged safely with the ball to prevent any further goals "against." On the whole a good all-round performance.

We trust our youngsters gave a good account of themselves yesterday afternoon in their South East Counties League fixture with Brighton. These lads do not often get the opportunity of playing at Kenilworth Road but one occurred yesterday and so it was arranged for them
