## HOTFOOT FOR PROMOTION.

Pew ! Things are certainly getting a trifle hot in the Second Division promotion race, and United—we are glad to say—are right in the thick of things.

That wonderful performance at Chelsea on Tuesday night when Don Revie's boys managed to snatch a valuable point means that United now have a better than outside chance of going up.

Few people could have hoped that after narrowly missing relegation last season United would have made such a spectacular revival. But here we are needing only to maintain our present form to have First Division football at Elland Road next season.

It looks like being one of the tightest promotion fights on record and every goal, let alone every point, is obviously going to count in the final reckoning.

Before today's game United were lying fourth in the table but we have games in hand on two of the clubs above us and a good win this afternoon could, providing other match results are favourable, move us up a place.

The leading positions in this neck-and-neck struggle are:

	Goals						Pts.
	P	W	D	L	F	A	
Stoke City	37	18	13	6	67	43	49
Chelsea	39	22	4	13	73	41	48
Sunderland	38	17	12	9	73	50	46
Leeds United	37	17	10	10	69	47	44
Huddersfield Town	37	15	14	8	57	41	44
Bury	38	17	10	11	47	39	44

It is also worth looking at the remaining fixtures for the other four clubs still vitally concerned in the fight for the top two places.

Including today's they are:

**Stoke City** Scunthorpe United (h), Chelsea (a), Bury (a), Luton (h)  
Southampton (a).  
**Chelsea** Stoke City (h), Sunderland (a), Portsmouth (h).  
**Sunderland** Southampton (h), Swansea Town (a), Luton Town (a),  
Chelsea (h).  
**Huddersfield Town** Preston North End (a), Swansea Town (h), Leeds  
United (a), Portsmouth (h), Cardiff City (a).

You'll see from this that there are some intriguing "four pointers" in the offing, particularly those involving the top three clubs.

As you will see from the fixture list printed elsewhere in this programme, United's passage is by no means an easy one. But neither is that of any of the other teams and, judging by the recent performances turned in by United they have a great chance of making their way to the top.

Next Saturday's Elland Road game between United and Huddersfield Town promises to be a real "humdinger" and it looks as though the ground can expect its biggest League gate of the season. Highest so far, incidentally, was the 28,313 for the Bury game in September.

In view of the fact that United, Chelsea, Sunderland and Huddersfield could all finish with a points total of 54 it will probably mean that every goal will be precious for one of the places may well be decided on goal average.

United will, therefore, be all out this afternoon to improve their already impressive goal haul at Elland Road.

But let's not forget that our visitors Luton Town have also something to fight for. They are fairly firmly embedded at the foot of the Division and are just as badly in need of points.

When our two teams met at Kenilworth Road in September the game was drawn, but United were leading 2-0 until Billy Bremner injured an ankle and even then it was not until the last minute that Town got their second equaliser.

Town have, of course, known better times, probably their greatest achievement being their appearance in the F.A. Cup Final at Wembley in 1958-59 when they were beaten 2-1 by Nottingham Forest.

Captain of Town that day was the present United coach Syd Owen. Syd will be watching today's game and will no doubt, have a certain amount of sympathy with his old club.

We think, however, we know who he will be cheering on.

To return for a moment to the game at Chelsea on Tuesday we must mention the two-goal performance of inside right Ian Lawson.

Ian has had only limited first team opportunities this season, but he has taken his chances with both feet during the last three games to score four times. And what valuable goals they were. They made three points difference to United's promotion challenge.

All praise, too, to Jim Storrie who last Saturday achieved a three-goal feat for the second time this season when he cracked in a hat-trick. Jim has certainly lived up to the reputation he had in Scotland for being a goal-getter. His tally to date is 22 in League and Cup.

### WELL DONE, DON!

Our heartiest congratulations to Mr. Don Revie who, the directors announced this week, has been given a new three-year contract as manager of United.

The fact that the board came to this decision while there are still 10 months of Mr. Revie's present contract to run shows that they have already sufficient confidence in his ability to continue with the excellent work he has begun at Elland Road.

UNDER NEW MANAGEMENT

We are sure all United supporters share that confidence. One has only to compare the team's position now with what it was when he took over to realise how well he has tackled a difficult job.

When he was given his first three-year contract in March, 1961, United were a struggling side. They needed a firm hand and an original mind to pull them together.

And Mr. Revie provided both these. Through his policy of building-up the club's playing strength by the development of youngsters he has laid a much firmer foundation than the club has had for many years, probably better than it has ever had.

The performances of young players like Gary Sprake, Paul Reaney and Norman Hunter, who are now regular members of the side, and the high promise of such as Rodney Johnson, Barrie Wright and Peter Lorimer, who have all been "blooded" in the first team this season, have shown how well this policy has succeeded.

Our chairman, Mr. Harry Reynolds, has paid tribute to the wonderful team spirit and enthusiasm that Mr. Revie has built up since he took over the managerial chair at Elland Road.

This new zest and will-to-win has certainly been apparent throughout the club, not only on the field but in the board room and in the offices too. And from the way that the supporters have responded to the efforts of the team we believe that they also have sensed the new energy that Mr. Revie and his staff have injected into the club.

Mr. Revie himself has said that he is delighted with this chance to be able to follow through the work that he has put into building up his youth plan.

We wish him every success with it.
