From the Team Manager's Office . . .

Good Afternoon, Ladies and Gentlemen.

On Wednesday last we entertained Crystal Palace and a goal-less draw resulted. Changes were made in the side when Colin Meldrum was unfit to play and David High took his place, whilst Douggie Webb came in on the left wing in the place of Jimmy Lofty.

After some five minutes play David High received an ankle injury and after treatment returned to the field of play on the left wing for the remainder of the game, obviously in pain.

It was a hard, entertaining game with chances falling to both sides, but neither took advantage of them and generally speaking defenders on both sides gave nothing away.

On Saturday last, we opened our Football League programme at Millwall and were defeated by two goals to nil.

This was a disappointing result for us, more especially after seeing the match versus Oxford United. We played the same team that had opposed the Oxford club, which included four players who were making their first-team debut, Peter Kerr, Rodney Thornhill, Alan Morris and Jimmy Loftus.

The opening exchanges were fairly even, and the first real chance of the game came when Peter Kerr sent Alan Morris away on the wing, but the winger shot over the bar as the goalkeeper came out.

The home side took the lead after some nine minutes' play when Haverty cut in from the left wing and beat Michael Dixon with a cross shot.

Within a few minutes of the resumption, Peter Kerr made a great effort to equalise from Alan Morris's corner kick, whilst at the other end, Michael Dixon saved well from McLaughlin.

At this stage it was anybody's game and with more punch in the attack we must surely have equalised for our approach work was equal to that of the home side. In the closing minutes, the home side went further ahead when McLaughlin scored.

Presenting . . .

LUTON TOWN FOOTBALL CLUB

whose Directors, Officials and Players we welcome to Elm Park this afternoon for our Football League fixture.

This well-known Bedfordshire Club was founded in 1885 and was the first Club in the south of England to employ professional players. The Club was elected to the Southern Football League in 1894, and in 1897, they became members of the Football League Division Two.

They have a well appointed ground at Kenilworth Road, with accommodation for 30,000 spectators.

Manager: Mr. W. Harvey. Secretary: Mr. P. Coley.

Appended are Pen Pictures of the Club's Players.

Ron Baynham—Has been with Luton Town since 1951. Was secured from Worcester City. He has represented England on several occasions.

Alan Daniel—A player of considerable promise who signed Professional for Luton in January 1958 when 18.

John Bramwell—Joined Luton in October, 1960 from Everton and has proved a very capable player.

Bob Morton—Local born and has been with the Club since 1948. Played for England "B" once. Was chosen as Reserve for England at Wembley in 1955 and again when they played Ireland in 1958.

Gordon Fincham—Transferred from Leicester to Plymouth four years ago and then to Luton in July, 1963.

David Pacey—Born in Luton, signed for the Club in 1956. Was a member of the England under 23 team against Germany and Italy.

Harry Walden—Joined Luton from Kettering in January 1961. Severely injured at a crucial part of last seasons programme. It is hoped he has lost none of his skill as a result of that injury.

Gordon Turner—Represented the English League against the Scottish League in 1955 and also played for the F.A. XI in 1958. The Town's leading goalscorer for eight seasons.

Ron Davies—Obtained from Chester in October, 1962 and was an immediate success. Scored 21 goals, including four against Norwich City at Luton last April.

Gareth Salisbury—Played for Norwich City last season. When found he was not being retained we immediately jumped in and signed him.

Fred Jardine—Born in Edinburgh. Played for Dundee for two seasons before coming to Luton at the end of season 1960-61.
