CLUB NOTES —continued.

an upright and the ball was headed off the goal-line on two occasions. The fact is, however, that Watford did get the ball into the net twice, we did not succeed in doing so at all, and so in the end our near neighbours ran out comfortable winners. We are still not having that piece of luck in front of goal after good approach work which could bring the goals and until we do score the goals the position will remain bleak. Our latest capture in Ray Smith showed much promise for the future for he is a great worker with plenty of the skills of the game, and he will undoubtedly be an asset to us. We trust he soon settles down here and will be happy with his new Club.

Our Reserves did well here last Saturday to beat a very strong Bristol Rovers side by three clear goals. Due to injuries our side on paper looked suspect, but newcomers, Richard Barton

(Amateur) and Bruce Riach (Apprentice Professional)—both local lads did very well and gave encouraging displays, as did particularly Colin Tinsley in goal and Graham Caleb in the centre half position. Altogether a very good win.

At the commencement of these notes, Christmas was mentioned and in this vein we would like to draw your attention to what we think would make an ideal present for the men. We are now selling Club Ties, in Terylene, with the Town Crest very nicely interwoven. These make ideal gifts and are obtainable from the Office, price 15/-.

Our lucky Number scheme still continues in a healthy fashion and very shortly (November 11th to be exact) we shall give you even better value for your shilling, when we intend to incorporate a Football scheme into the ticket. This will then have 2 schemes in 1, all for the price of one. Keep your eyes and ears open for further details.

the 1959/60 season they were relegated to the Third Division and we to the Second.

The City have had rather a chequered career since they were elected to the Second Division of the Football League in 1901. In 1905/06 they were Champions of that Division and so were promoted to the First Division, and in that first season in that company they finished in second place to Newcastle United. They never again reached such heights although holding their own until Season 1910/11 when they finished bottom place but one to Nottingham Forest and so accompanied them to the Second Division the following season. They had the honour during that period of appearing in the Cup Final, Season 1908/09 against Manchester United at Crystal Palace, only to be beaten by the only goal scored. They were also Semi-Finalists on two occasions. This season so far for them has been rather disappointing, but on Saturday last they accomplished what no other team has been able to do for eighteen months and that was to come away from Dean Court, Bournemouth, with both points in the bag. According to all accounts it was a well-deserved win, so we shall have to be on our toes this evening to prevent them enjoying their second away win in such a short time.

We should have come away from Watford last Saturday with at least a point, for until half time we feel we were the better side and were most unlucky not to have opened the scoring on three occasions when, before Watford had opened their scoring with a very chancey shot, Tom McKechnie had hit

continued inside front cover

We welcome the City to our Ground this evening, another of the teams we have not met since we left the Third Division in Season 1936/37. This does not mean to say that the City have remained in the Third Division all that time for they were promoted to the Second Division at the end of the 1954/55 Season, the season we were promoted to the First Division, and exactly the same five years we were members of that Division, Bristol City were members of the Second Division when, at the end of
