CLUB NOTES — continued.

appeal to those young supporters who invade the pitch when a goal is scored, to stop this sort of conduct which could well lead to trouble to the club.

Another nuisance is the throwing of toilet rolls into the goalmouth and, while we are aware that this is not limited to our own fans, we do appeal that this nonsense should be brought to an end. Perhaps the adults in the crowd would

help curb this youthful enthusiasm on both counts.

Tickets for the Cup-tie at Fulham a fortnight today are now on sale at the club's offices where the acting secretary, Bob Readhead, will be glad to deal with your wants.

Finally, before wishing you all, all the best for Christmas, a reminder that club Terylene ties at an attractive price of 15/- are on sale at the club offices, the Bobbers Stand Club and the Pools Office.

Club Notes

MAYBE, the "silly season" has descended upon us prematurely or, maybe, the fact that there has been little racing this week which has left wide open spaces, but half of the National newspapers have been attempting to put football to rights in their own inimitable way.

They must know, as do we, that all their lobbying for super Leagues and 30 or 40 clubs on the scrapheap has little substance in reality although, of course, in the future, there may have to be some trimming of the present set-up.

But in all their planning, they have completely overlooked the fact that this club, despite the fact that they have fallen from grace so far as results on the field are concerned, were probably the first to advocate the necessity for more spectator comfort.

As long as four years ago, we envisaged a completely new, modern stadium for which we have a readymade site waiting and have been held up in our plans only by the fact that planning permission has been denied us so far.

This we expect to receive in the not too distant future and, when that happens, we are committed by a unanimous decision of the Board to provide a stadium with accommodation for 50,000 with car park facilities for all

who require them and easy access from both Luton and Dunstable and from the M.I Motorway, within two years.

This is not fiction, but solid fact and we regard the building of a new stadium as the first requirement to our climb back to the pinnacle on which we were some five years ago. Maybe, when this becomes an accomplished fact, the amateur planners of the game will have a different story to tell because, if, or rather when, our plans materialise, we shall have a ground second to none.

Today, we welcome Reading whom we meet for the third time this season and whom we dismissed from the F.A. Cup after a tremendous battle a fortnight ago.

After our disappointing display at Walsall last Saturday, we badly need both points from this encounter, but know only too well that it will be a hard fight.

However, we hope that, the changes that have brought about completely new forward line, including two players who will be making their debut before the home crowd, John Reid and John O'Rourke, will enable us to finish on the winning end.

While we applaud enthusiasm for the team and, indeed, would like to see a good deal more of it, we do wish to
