County Chatter

Good evening, ladies and gentlemen, and may we take this opportunity of wishing you all a very happy Easter.

We extend a warm welcome to "The Hatters" from Luton, and thank them for their co-operation in re-arranging this match for tonight.

Like ourselves they are deep in trouble at the wrong end of our Division, and will be fighting very hard this evening.

Among their ranks are such notable performers as England International goalkeeper Ron Baynham, and inside-forwards Gordon Turner and John Reid.

The next visitors to this ground will be Barnsley, who appear here on Saturday next, 28th March, kick-off 3 p.m.

Once again they are a club situated in the relegation area. Yes, this Easter holiday period could solve several of the relegation and promotion struggles up and down the country, and one might say that this is our last chance of survival in the Third Division.

Barnsley, of course, have always been noted for their fighting spirit, and have several useful players on their books, notably left full-back Eric Brookes, a former England Youth International, outside-left Eddie O'Hara, and centre-forward Tony Leighton, their leading scorer.

On Monday next our Reserves will be at home to Luton Town Reserves, kick-off 3 p.m. Incidentally, this is the only first-class match in Nottingham on this day.

The County Cup Final, versus neighbours Nottingham Forest, has been arranged for Tuesday, April 14th, kick-off 7.30 p.m. on this ground.

Usual prices of admission with the exception of the Grandstand, which will be 5/- to all parts. All seats for this match will be unreserved.

The First XI were decidedly beaten at Roots Hall by three goals to one. Southend including many newcomers to the team this season were much more together, and carried far too much craft and experience for County.

The ground, considering adverse weather conditions, was in fine shape, and was ideally suited for good football as proved by the Southend team.

County Chatter cont.

We conceded two goals in eight minutes; rather a heavy handicap to overcome, particularly against a team playing with such confidence and skill as United. A good goal scored by Edwards from clever work by Fry looked likely to give us a chance to have the game, but this was not to be.

Our Reserves against Northampton Town Reserves put up a very weak display, and were soundly thrashed by "The Cobblers" by six goals to one.

The "A" Team scored a grand result over Port Vale Reserves last Saturday by winning by one goal to nil. This victory means that the "A" Team have now won three of their last four games, and are improving from week to week.

Since Port Vale do not run an "A" team this performance means that the result was achieved playing against extremely experienced players, which means that the victory was even more meritorious.

The three newcomers from Scotland played grand all-round games with a particularly outstanding performance from goalkeeper Murray.

We hope to continue bringing these lads down from the north, so continuing to strengthen our playing staff in this manner.

LUCKY PROGRAMME NUMBER COMPETITION

Buy a programme and win two tickets for our next home match. Two tickets will be given for each number drawn.

The winning numbers will be announced over the public address system at half-time, and a notice-board with the numbers written thereon will also be taken around the ground at half-time.

**WINNERS MUST CLAIM THEIR PRIZES FROM THE
OFFICE AT THE REAR OF THE MEADOW LANE STAND**

LUTON TOWN FOOTBALL CLUB

BAYNHAM, Ron (goalkeeper). Has been with Luton Town since 1951. Was secured from Worcester City. He has represented England on several occasions. Played for the Football League on two occasions.

BRAMWELL, John (full-back). Joined Luton in October 1960 from Everton and has proved a very capable player worthy to be considered for International honours.

CALEB, Graham (centre-half). This youngster signed as an apprentice footballer for us in December 1961, although he has three "A" levels. Settled down very well and showed such promise that he was offered full professional registration in April 1963.

McGUFFIE, Alwyn (wing-half or inside-forward). Signed professional forms for Luton in September 1954. Has made quite a number of appearances in the First Team these last three seasons. Is an excellent distributor of the ball with a flair for coming through to have a shot at goal.

MORTON, Bob (wing-half). Local born and has been with the club since 1948. Played for England "B" once and the Football Combination versus the Dutch XI on two occasions. Also for the F.A. versus the Army. Was chosen as Reserve for England at Wembley in 1955 and again when they played Ireland in 1958. Has played in most positions for Luton.

PACEY, David (wing-half). Born in Luton, signed for the club in 1956. Has played for the F.A. versus the R.A.F. and was also a member of the England Under-23 team against Germany and Italy. Very strong player with a liking for getting among the goalscorers.

TURNER, Gordon (centre- or inside-forward). Came to Luton as a wing-half upon his demob from the Navy but found his true position in the No. 8 shirt. Represented the English League against the Scottish League in 1955 and also played for the F.A. XI versus the Army in 1958. The Town's leading goalscorer for eight seasons, he is a skilled player with a tremendous shot.

WALDEN, Harry (outside-right). Joined Luton from Kettering in January 1961 and stepped straight into the First Team. Severely injured at a crucial part of last season's programme which prevented him from taking any further part in the struggle against relegation. It is hoped he has lost none of his skill as a result of that injury.

Centenary Club Notes

Arrangements for the Second Annual Dance and Presentation Night are now in hand and the Sherwood Rooms have been booked for this event which will be held on Monday, 1st June.

Last year the dance was a tremendous success over 900 attending, and it is anticipated that the coming event will be equally successful.

Full details regarding tickets, etc., will be available shortly.

GAMES SECTION

With the end of the season approaching the destination of several trophies is still not settled, and there will be keen competition between branches up to the final fixtures.

Congratulations to a member of Radford Road Branch, Mr. C. Whitlock, who for the second time in four years has reached the Grand Finals of the "News of the World" Individual Darts Championship of England and Wales.

We wish him the best of luck in his attempt to land the Championship.

RECORDS played on the ground today have been kindly loaned by Messrs. A. HINDLEY, Clumber St., Nottm.
