Colchester United v. Luton Town

PEN PICTURES OF SOME OF THE PLAYING STAFF OF LUTON TOWN

Ron Baynham (Goalkeeper). Has been with Luton Town since 1951. Was secured from Worcester City. He has represented England on several occasions. Played for the Football League on two occasions and also for England "B" Team versus Yugoslavia "B". Was a member of the F.A. Touring team to South America in 1959.

John Bramwell (Full Back). Joined Luton in October, 1960 from Everton and has proved a very capable player worthy to be considered for International honours. Played at Wing-half on several occasions last season, proving equally successful.

Graham Caleb (Centre-half). This youngster signed as an Apprentice Footballer for us in December, 1961, although he has three "A" levels. Settled down very well and showed such promise that he was offered full Professional Registration in April, 1963.

Robin Chandler (Centre Forward). A local lad who made a name playing for his County Youth Team. Also holds England Schoolboy caps. Is apprenticed to a local firm and thus is still a part-time player.

Alan Clarke (Wing Half). Another local lad who has played considerably well since he joined us as an Amateur in the 1957-58 Season. Signed as a part-time Professional in October, 1961.

Alan Daniel (Full Back). A player of considerable promise who gained a place in the First team last season. Signed Professional for Luton in January, 1958, when 18. Son of Mel Daniel who played for us during and immediately after the war.

Michael Fairchild (Outside Right). Came to Luton from Lowestoft in November, 1960. Can be brilliant at times which makes us have great hopes for the future.

Gordon Fincham (Centre Half). Transferred from Leicester to Plymouth 4 years ago and then to Luton in July, 1963. Is the dominating Centre Half we hope will strengthen our defence

WERE you one of the fortunates who saw that very pleasant match the other Wednesday evening, Neil's XI v. U's ? If not, what a pity, because you really missed something. Of course, some of the promised "big names" let Neil down badly—but then some of them always do, don't they ? Others, did more than their share. For instance, I don't think it's blabbing out secrets to say that Jimmy Hill, in spite of having badly blistered feet, through playing in a similar sort of game only a couple of days before, insisted on honouring his promise. Jackie Milburn, hearing that Neil had been let down brought over a couple of the Town players, just in case they were wanted. The Town, you would think had troubles enough of their own, but they took the trouble to help out a rival Club—a gesture which I know you will greatly appreciate. It's nice to think that there is still time (amongst some) for a bit of friendliness, in spite of all the talk of "no sentiment in football today"—even if there ever was !

Supposing you get a real stinker of a day, wet, cold, windy—the sort of day when nobody but a madman (and me !) would come to a football match, who, apart from the players and officials, are you sure to find in attendance ? The St. John Ambulance Brigade of course. They are always around, at football matches, race meetings, anywhere where injuries are possible—and they do it all "for free". If there's one organization that deserves the all out support of every sports lover in the country it's St. John's and today you can show your appreciation. A collection is being taken for them, and I only hope there's a decent sized "gate" so that the amount collected is on a level with what they deserve. Incidentally, I think you people who stand behind either end goal should give double—you stand more risk than anybody else !

As I write this it appears we are actually only about 5 points above the "danger line" in the Third Division—what an extraordinary difference from a few weeks ago (it seems) when we were madly counting on our fingers to see whether we were in the running for promotion—still that's football I suppose. All the same, I hope we picked up two points on Wednesday and get two more today, after all a thrilling finish is all very well if you're in a Photo Finish for the first two places—not the last four !

PEN PICTURES—continued

Mark Lownds (Wing Half). Signed from Durham in January, 1960. Became full-timer on completion of his apprenticeship with a local firm. Is a wing half who likes to get on with the game. A tireless worker.

Alan McBain (Full Back). Born in Aberdeen. Played for Carlisle last season when he attracted the Manager's attention. Transferred to Luton in exchange for J. Lornie and A. Ross. A very sound and capable defender.

Thomas McKechnie (Inside Forward). Born Glasgow and came here direct from Rob Roy (Scotland) at the end of season 1960-61. Played consistently in the First Team the past two seasons, except when injury prevented him from playing.

David Pacey (Wing Half). Born in Luton, signed for the Club in 1956. Has played for the F.A. versus the R.A.F. and was also a member of the England under 23 team against Germany and Italy. Very strong player with a liking for getting among the goalscorers.

Gordon Riddick (Inside Forward). Turned Professional in April, 1961 following a short period of Apprenticeship. Tall, with good ball control and a very good shot, much is expected of this lad as he gains more experience. Has already made several First Team appearances.

Gareth Salisbury (Inside Forward). Played for Norwich City last season. When we found he was not being retained we immediately jumped in and signed him. Can play Forward or Half Back, but prefers to be up front.

Barry Scott (Wing Half). Born in Durham and on coming South, played for Hatfield. Was signed by us early in 1962. His progress last season in the Football Combination side augurs well for the future.

Harry Walden (Outside Right). Joined Luton from Kettering in January, 1961 and stepped straight into the First Team. Severely injured at a crucial part of last season's programme which prevented him from taking any further part in the struggle against relegation. It is hoped he has lost none of his skill as a result of that injury.

Our Visitors

It is with much pleasure that we extend a sincere and hearty welcome to our Visitors, Luton Town. Playing attractive football, led by their young centre forward John O'Rourke formerly of Chelsea and John Reid from Northampton, the team is fighting hard to pull clear of the danger of relegation. We look forward to a real hard and sporting match this afternoon.
