in succession which will entail hundreds of miles of travelling in the course of just over a week.

After all, Manager Bill Harvey decided not to make any changes in his team for tonight's match. There were a variety of reasons for this but, possibly, the underlying one is that he feels that the team, as present constituted, has deserved better results than have been actually achieved in the last four games.

Congratulations to Billy Hails whose wife gave birth to a son on Monday evening and he now has two boys and a girl. Both mother and baby are doing well.

It has been a matter of disappointment to us that Billy has not yet been fit enough for first team duty, but he suffered a bad injury before the season began and is making a brave fight towards 100 per cent fitness which is coming gradually.

### Club Notes

IN the past, Luton Town teams have had some keen tussles with tonight's League Cup opponents, Aston Villa, both in Division I and Division II and we expect no less from this meeting.

Last time, the paths of the clubs crossed in a knock-out competition was in the third round of the F.A. Cup in January, 1956, when we went out in a replay at Villa Park by 2-0 after a 2-2 draw at Kenilworth Road.

Villa still retain their First Division status and although they have not made the most promising of starts to the season, they have a crop of highly promising youngsters and the future for them looks bright.

Their most recent signing whom it is expected will be on duty tonight is John McLeod, for whom they were reputed to have paid £40,000 to Arsenal recently and there is interest in this for us in that, during our desperate bid to remain in Division I a few years ago, we went so far as to agree terms with Hibernian for this fine player, but then found ourselves unable to persuade the player to move south.

Unfortunately, the rosy picture we were able to print in these notes on the occasion of the last home match, has rather faded in the face of three consecutive defeats, two of them by the odd goal and, certainly, we did not expect to crash so heavily at Bournemouth last Saturday.

Although the margin of four goals against gives a completely erroneous idea of the way in which the game went, the plain fact is that goals that were virtually "gifts" were the means of sending the team reeling.

On the actual run of the play, there was nothing between the teams and Bournemouth officials were quick to admit afterwards that they had deserved nothing in the nature of such a sweeping victory.

While that came as some consolation, the plain fact is that points count in these highly competitive days and no team can afford to be quite so magnanimous away from home as we were on this occasion.

After tonight's match, comes another attractive fixture on Saturday when Peterborough United, now managed by Gordon Clark, who has already paid a mid-week visit to this ground, will be the visitors.

In their comparatively short career in the Football League, Peterborough have caused quite a stir and they have their sights set on a higher grade of football than Division III.

To try to bring this about, they have spent big money on such players as the Irish International centre forward, Derek Dougan, who was previously with Blackburn Rovers and Aston Villa and another former Villa player, Vic Crowe, who has earned a string of Welsh caps, who was a close season capture by "Posh" and who was elected team captain.

They include other big name players, too, and with Peterborough certain to bring a big following, this could develop into something in the nature of a local derby encounter.

Points from this match and from the one with Carlisle here tomorrow week, are urgently needed because these two games will be followed by a tremendously hard programme of four away encounters
