### "ALL THE YEAR ROUND" PLANTING

#### CLUB NOTES — continued

By beating Oldham last Saturday, we kept out of the dreaded last four at the bottom of the League table and, with the imminent return to the team of John O'Rourke, we hope that, shortly, the shadow of relegation will be wiped away.

So impressive was the display of Ken Barton in this match that the Directors decided to offer him a contract for the remainder of the season, which he accepted on Thursday and we regard him as a notable addition to our playing strength.

While on the subject of full backs, Dick Edwards, who has been with us both as an amateur and a part-time professional, has now signed on a full-time basis and we wish him luck in his new career.

This afternoon, the second of the cars, an Austin Mini de-luxe which is given in conjunction with our Pools scheme every 10 weeks, is being drawn for at half-time by the Mayor of Luton, Cllr. Frank Beckett.

### Club Notes

WITH a feeling of poignancy, we recall that Sunderland were our last visitors in the Second Division and that victory for us in that match, as things turned out, would have saved us from relegation.

However, it was not to be, because the Wearside team won worthily enough by 3-0 to exact some measure of revenge for some heavy thrashings they had received on this ground in the past.

Narrowly, Sunderland missed gaining promotion that season to the First Division which they graced for so many years, but they atoned by winning the honour last April.

Since then, they have been faced with something of a struggle, mainly because results have failed to come their way on opponents' grounds.

Recently, there have been signs of an improvement in their away form but, even so, they are faced with something of an uphill struggle in order to retain their newly regained status.

Not that they will allow their anxiety about the League position to undermine their determination this afternoon because every club in the country wants the glory that the Cup can bring. We go into this tie hopefully, but with the full knowledge that this will be the biggest test of the season for our team and that they will be meeting players a cut above in class the majority of those in the Third Division.

However, the Cup is a great leveller and under trainer-coach, Charlie Watkins our boys have trained hard to meet the biggest task that has come their way for a very long time.

It was way back in 1937 when the teams last met in this competition and then the Town caused a shock by building up a two goals lead by half-time through goals by Freddie Roberts.

In the second half, there was a distinct change in the frozen hard going and Sunderland came back to earn a replay at Roker Park the following Wednesday which they won 3-1 and which, if memory serves us right, was watched by a crowd of 55,000.

Sad to relate, news arrived in this country this week, that our goalkeeper in those two matches, Bill Dolman, died in Canada just before Christmas and we offer our condolences to his family.

Incidentally, after their scare in that fourth round tie, Sunderland went on to win the Cup.

Should a replay be necessary, it will take place at Roker Park on Wednesday, kick-off 7.30, and stand tickets at 11/6 and 9/6 will be on sale at the club offices from Monday morning.

Supporters should note that the home match with Shrewsbury Town which should have been played today, has not yet been re-arranged.

In the past, it has been normal for teams engaged in Cup-ties on the Saturday to play their re-arranged League match in the following mid-week.

However, with both ourselves and Shrewsbury having to face the possibility of a replay, it was felt that the position was altogether too confused for anything hard and fast to be arrived at, and it is likely that the game will be held over until the better weather later in the season.
