BARNSLEY v. LUTON TOWN (League Division 3)

A Disappointing Result

by Mr. JOHNNY STEELE

I was very disappointed to receive the reports I did after our home game against Southend United which I missed.

The worst feature about the game was apparently the listlessness of our team. This is no time for any side which is trying to clear itself from the foot of the table to get into that state.

Determination and power must be our allies in these trying times at Oakwell.

And this, let me say, here and now is being firmly impressed upon the players. So I am hoping that this afternoon we shall see a completely different state of affairs.

The loss of the two home points was a tragedy for it is essential that we hold every point possible.

One other thing. The club is making every effort to strengthen the side but this is not always so easy as it sounds.

But one thing is certain: any new player must be the man we want and need.

Oakwell Echoes....

Pride of place this week must go to our juniors who scored such a splendid win over Sheffield Wednesday in the third round of the F.A. Youth Cup on Monday night by two goals to one. Alan Bradbury was our scorer but the whole team deserves credit for their wonderful fight, particularly after Wednesday had taken the lead. Our team was Walters, Shaw, Booker, Holland, Howard, Duerden, Thomas, Ogley, Campbell, Bradbury, Raggatt. We meet Hull City in the fourth round of the competition on Tuesday night, February 2nd with a 7.30 p.m. kick-off. So don't forget to come along and give the lads plenty of encouragement.... The music which you will be hearing this afternoon comes from gramophone records which have been kindly loaned to the club by Messrs. Top Rank, Ltd., Market Street, Barnsley.... Alan Bradbury, who joined us from Barnsley Boys to become an apprentice professional, signed as a full time professional on Wednesday.
