CLUB NOTES—continued

especially as the City are still in with a decided chance of gaining promotion and will be keen that there is no slip on their part on this occasion.

Injuries continue to be a bug bear and a drain on our playing strength and the latest blow this week is that Ron Baynham went into hospital on Monday for an operation on a torn thigh muscle that had flaked away from the bone. His operation on Tuesday we are told, was a successful one and the report from the hospital this morning is that he is doing well. I am sure we all wish him well as quickly as possible although it is doubtful whether we shall see him in action again this season. This reduces our Goalkeeping resources considerably but if Colin Tinsley can maintain the form he showed at Hull and keep free from

injury then he can play a vital part in our fight in the coming weeks. At the moment of writing these notes, our Manager is out of town hoping to sign another Goalkeeper to-day, who we think will be quite an asset to the Club so let us hope his efforts are successful.

We are about to inaugurate a new scheme in which we hope our Supporters will participate. This involves the playing of messages and record requests and tunes over our Public Address speakers. We would like to hear from you as to your choice of music and artists and if you will send these requests to the Club Secretary then he will do his best to comply. Let us have these in as soon as you like or at any time in the future and give us every support to make this a friendly and successful venture.

Club Notes

BECAUSE of the bad weather, our last two home matches, against Workington and Barnsley, from which we hoped to take maximum points to make our position in the League table look more healthy, were postponed.

Both have now been re-arranged for next month, with Barnsley coming here on April 7 and Workington on April 29 and, naturally, the hope is that the latter game will not be one into which we shall have to go with the absolute necessity of earning two points to keep our place in Division III.

In contemplating the hectic end to the season with eight matches to fulfil in April, we can only hope that there will be an improvement in the luck that has come our way with injuries.

From the first day of the season, the team has been dogged by casualties and it is a significant fact and perhaps indicative of our present struggling position that the youth stars, David Pleat, John O'Rourke and Ray Whittaker have not been able to play together since early October.

All have had lengthy periods on the injured list and Whittaker and Harber are still out of action which is a handicap in view of the shortage of experienced wingers.

Postponement of the last two home matches has meant that there has been no opportunity to give a welcome to George Martin since he took over as manager. George, of course, has been with the club for some years, during his second spell of service, as the back room boy who has travelled many thousands of miles in his efforts to find material to improve our fortunes.

Soon after his appointment, he made a successful entry into the transfer market, as the result of which Ted Phillips was secured from Leyton Orient and fans have their first opportunity of seeing him wear the Luton colours tonight.

Of course, he is no stranger to Kenilworth Road because he played here several times when with Ipswich Town with whom he had a remarkable scoring record.

George Martin is a great Luton enthusiast and he is determined to do his best to save from relegation the club with which he finished his distinguished playing career.

Time is not on his side, but he is not going to see the club suffer a further drop without a fight and he has called for 100 per cent effort from the players.

That he will get it, we have no doubt and we feel that if only we can get the run of the ball in something approaching the fashion of the end of last season, then the present threat can be staved off.

To our visitors tonight, Shrewsbury Town, who are paying only their second visit to this ground, we extend a warm welcome. Their manager is Arthur Rowley, of Leicester City and Fulham fame who recently decided to call a halt to his playing career and concentrate on management from now on.

Shrewsbury are one of the clubs we have not met this season and we visit them on their Gay Meadow ground on Friday, March 25th, which is the day before the Grand National and the F.A. Cup semi-finals.

On Saturday, we face a tough task in visiting Bristol City at Ashton Gate,
