City's Hopes Rise

SIX successive victories have made Bristol City real promotion prospects.

In five weeks the club has risen from ninth place, where they were considered rank outsiders, to fourth.

City's away record makes impressive reading, and well up to promotion standard, with 20 points from 19 matches.

Victories at Exeter on Saturday and Grimsby on Tuesday, brought their number of successes away from home to eight.

Brian Clark scored his 22nd goal of the season in the 1-0 win over Exeter in a hard game.

Goals by Terry Bush and Chuck Drury—his first for the City—backed by a magnificent defensive display, enabled City to win 2-0 at Blundell Park, Grimsby.

This was a particularly fine achievement as Grimsby are always a tough proposition on their own ground.

It was Grimsby's first defeat at home, and they have dropped out of the promotion race after being among the leaders for more than half the season.

The City players have some tough games ahead, including two with promotion rivals, Mansfield Town and Carlisle United.

Both games are away, on March 20th and April 16th, respectively.

Luton Town, today's visitors are experiencing the leanest spell in their history. Only six years ago

they were in the First Division, and reached the final of the F.A. Cup.

Luton's fall from grace started in 1960. Until then they had the proud record of never having been relegated.

They went down into the Second Division with Leeds United, at the same time as Bristol City were relegated from the Second Division.

At the end of the 1962-63 season Luton took the plunge into the Third Division with Walsall.

Luton were the first club in the South of England to employ professionals, and they started in the Southern League in 1894.

They were elected to the Second Division of the Football League three years later, but failed to gain re-election in 1900.

After another spell in the Southern League they joined the Third Division in 1920, the Third South a year later, and in 1937 they won the championship.

Luton won their way into the First Division in 1955, when they finished runners-up in Division Two.

Dave Pacey and Ron Baynham, who were members of the side beaten in the Wembley Cup final in 1958-59 by Nottingham Forest by two goals to one, are still with the club.

City won both games against Luton last season: The first meeting between the clubs at Kenilworth Road this season, in October, ended in a goalless draw.

OUR congratulations go to John Atyeo on reaching his 600th game for the Club when they played at Grimsby on Tuesday. A truly remarkable record of one club loyalty. It is our sincere wish that John will be playing in many more games yet.

The team with six consecutive wins are now back with a glorious chance of promotion and next Saturday's match at Mansfield is a most important one. To encourage supporters to travel to give the team vocal support the Club is operating a very cheap trip departing from the ground at 7 a.m.

Bookings can be made after today's game at the office situated near the ringside entrance, daily in the Club offices or on Thursday and Friday evening in the Clubroom.

Agents are urgently required in the Filton and Horfield area for our lottery.

A limited number of tickets are available for the England v. Scotland International to be played at Wembley on April 10th. Members who

want to participate in the ballot for these tickets must make their application on the official form which can be obtained at the Club offices. Closing date: Tuesday, March 30th.
