Club Notes

After Thursday night's thriller against Doncaster Rovers and the two points which our lads earned so well, we are hoping to see an improvement in the attendance figures for this afternoon's match with Barnsley, who are obviously out to make a brave fight to regain their status.

Along with us, the Yorkshire club, with whom we have been on friendly terms since the Second Division days of before the war, slipped into the Fourth Division at the end of last season, and, like us, they believe that the best time to strike back and regain the lost position is at the first opportunity which, of course, means this season.

With our forwards, and John O'Rourke in particular, having found the way to goal on Thursday, we are looking forward to two more points this afternoon, acquisition of which would make our position in the League table look much brighter.

However, we do not under-estimate the quality of the opposition because Barnsley returned with a point from the very useful Chester side on Wednesday and that underlines their capabilities.

However, with four home wins out of five matches, there is some reason for us to approach this task with confidence and success would also give a boost to our chances of improving the away record against Bradford City at Valley Parade next Saturday.

Before that, we have an engagement at Cambridge on Monday evening when a strong team will be sent to meet the United in a match for the benefit of Jimmy Gibson, whom we signed from the Cambridge club late last season.

When the transfer went through, a promise was made that we would fulfil a fixture for this purpose and the match, which was scheduled originally for Wednesday, has now been brought forward to give the United more breathing space before their important fourth qualifying round F.A. Cup tie with Bedford Town next Saturday.

We hope that this will be the occasion of a bumper attendance because Gibson has proved himself to be a good clubman who has willingly accepted the switching about to various positions which have been necessary since he came here.

Another date to be borne in mind next next week is Thursday evening when

continued on inside front cover

Sometime ago, it was mentioned in the "Saturday Telegraph" and "Green Un" that some clubs were being supported by local business firms giving them a ball for each match and the suggestion was thrown out that some firms in Luton would like to follow suit.

Today, the teams will be playing with the first of the balls so given — by Messrs. V. S. Engineering Ltd., Burr Street, High Town, Luton, manufacturers of special purpose machinery, jigs and fixtures.

They tell us that they have vacancies for toolmakers and tool-room machinists.
