NOTES

After a disappointing F.A. Cup exit on our own ground against Barnsley, supporters will be encouraged by the two valuable League points earned from our 1-0 win at Rochdale on Saturday last.

The playing conditions at Rochdale were exceptionally poor and this affected considerably the entertainment value of the game to the spectators. Our team, however, played confidently throughout the game and deserved their win.

Another first-class display was given by City last Monday at Tranmere when we considered ourselves most unlucky not to gain at least one point. A hotly disputed penalty-goal, together with an abnormal goal as a result of a rebound from a Tranmere player gave our opponents a favourable advantage which City just failed to recoup.

Supporters must be heartened by our 1st Team's performances in our last two away games, and this afternoon we look forward to an entertaining fixture with Luton Town who are enjoying a good season at the present time. A cordial welcome, therefore, is extended to the officials and players of Luton Town.

VISITING TEAM—Details

GRAHAM CALEB. (Centre-half). This youngster signed as an apprentice footballer for us in December 1961, although he has three 'A' Levels. He settled down very well and showed such promise that he was offered full professional registration in April 1963.

RICHARD EDWARDS. (Full-back). Was recommended to us by a local scout, and signed amateur forms in October 1963. He gained his place in our Combination side immediately, and held it throughout that season.

BARRY FRY. (Inside-forward). Was signed during the summer on a two months trial. Born in Bedford, he represented England, both as a Schoolboy and a Youth International.

JIMMY GIBSON. (Wing-half). He was born at Belfast, his first English club being Newcastle United. Then after a spell with Cambridge United, he transferred to Luton on 2nd February 1965.

BILLY HARBER. (Forward). Joined Luton from Swindon, where he played inside forward, on a free transfer in September 1964, but made his debut for Luton as a winger, and towards the end of last season held this position.

FREDDY JARDINE. (Full-back). Born in Edinburgh. Played for Dundee for two seasons before coming to Luton at the end of season 1960-61.

HOWARD KETTLEBOROUGH. (Outside-right). Howard graduated through our Youth scheme, during which time he played on a number of occasions for Bedfordshire **TOMMY McKECHNIE.** (Inside-forward). Born at Glasgow, and came here direct from Rob Roy (Scotland) at the end of season 1960-61.

JOHN MOORE. (Wing-half). A newcomer to Luton, having been signed from Motherwell in May 1965.

JOHN O'ROURKE. (Centre-forward). Was previously with the Arsenal and Chelsea from whom we signed him on a free transfer in December 1965. He immediately made his mark at Luton and scored 22 goals in 23 league appearances for us.

TED PHILLIPS. (Centre-forward). Is well known for his high speed kicking and hard shooting. First came into prominence with Ipswich Town, was later transferred, to Leyton Orient.

DAVID PLEAT. (Outside-right). Luton paid a big fee to Nottingham Forest at the beginning of the 1964-65 season, and David has played regularly in the first team ever since.

TONY READ. (Goalkeeper). Born at Haydock. His first club was Sheffield Wednesday, and in 1964 he left them to go to Peterborough, for whom he also played at centre-forward. He was transferred to Luton in March 1965, but unfortunately, owing to a broken bone in his foot he was unable to play for us last season.

JOHN REID. (Inside-forward). Previously played for Bradford and Northampton, to whom we paid a substantial transfer fee in November 1963.

GORDON RIDDICK. (Inside-forward). Turned professional in April 1961 following a short period of apprenticeship. Tall, with good ball control and a very good shot, much is expected of this lad.

BRUCE RIOCH. (Inside-forward). Although born at Aldershot, he was brought up in Luton, and first attracted our attention when playing for Luton Schoolboys. He also had trials for the England Schoolboys team.

ALAN RIVERS. (Half-back). Born at Portsmouth, he migrated to this area and was recommended to us in 1961. Progressed through our junior teams and signed full professional forms in January 1964.

ALAN SLOUGH. (Full-back). Another Luton boy who has graduated through the ranks of schoolboy, amateur and apprentice professional. He gave very good displays last season, and was offered full terms in May 1965, and he is another boy on whom the Club will pin its faith for the future.

COLIN TINSLEY. (Goalkeeper). Born at Middlesbrough, his first Club being Grimsby Town, then on to Exeter City before joining Luton in August 1963.

BOBBY THOMSON. (Full-back). Born at Menstrie in Scotland. He first came into prominence with Partick Thistle, and was later transferred to Liverpool for a big fee. Luton secured his services from the latter club on the 2nd August 1965.

RAY WHITTAKER. (Outside-left). A Londoner from Bow, his only other club being the Arsenal. He gained England Youth International Honours with John O'Rourke in 1962 and 1963, and when we were in need of a left wing he was persuaded to join us, in March 1964.

MATT WOODS. (Centre-half). A native of Skelmersdale, Lancashire. His first club was Blackburn Rovers for whom he made 126 out of a possible 128 appearances, including a Cup Final, before going to Australia in 1963.

SUPPORTERS CLUB NOTES

The "Imps" gained a very welcome couple of points at Rochdale last Saturday, and if only they can have a run of successes, an entirely different complexion will soon be in evidence at Sincil Bank.

We have a reasonably steady defence who are unfortunately as appearance goes, propping up an attack who have only scored seven goals in ten matches. A few more goals from our forwards would soon see City well away from the danger zone.

Our lads did very well on Monday night when going down 3-2 to the leaders of Division IV. Hutchinson, was again the scorer of our two goals and City can be satisfied with the last two performances.

This afternoon we entertain Luton Town F.C., and we hope some of their supporters. After a quiet start to the season, they are now making their presence felt, and we expect them to be in the running for promotion back to Division III. Successive seasons have found them falling from a place in Division I (also as Association Cup holders) down to lowly Division IV.

Founded 1885 by the amalgamation of Luton Wanderers with Luton Excelsior. They joined the Southern League and they were eventually elected to League Division II in 1897. They are popularly known as "The Hatters."

BRAZILIAN WORLD CUP PREPARATIONS

Defence of the World Cup is the prime preoccupation of the Brazilian Football Association. In the hope that they will be able to repeat their triumphs of 1958 and 1962, when the Final Series takes place in England in July 1966, they embarked on the most intensive programme of preparation any team has undertaken for the competition.

During June and early July, Brazil engaged in eight international matches in South America, Africa and Europe, winning six, drawing two, and scoring 15 goals against 1. Leading marksman was the player English enthusiasts will be yearning to see in full flight next year, Pele, who scored eight times, including a hat-trick against Belgium.

The programme continued with August games against Paraguay, three against Uruguay—like Brazil, twice winners of the Jules Rimet Cup—in September; and three against Chile in October.

Three games against Argentina follow in November, and between March and June, when Brazil leave for the final stages of their preparation, another six to eight international matches are projected. Some schedule!
