### CLUB NOTES — continued

four League matches arranged are at home.

Many clubs have expressed concern about the rowdyism that has developed among a small section of their supporters and, in some cases, have taken strong action.

Recently, there was a circular from the Football Association to all clubs on the subject, with particular mention to the nuisance caused by the throwing of toilet rolls on to the pitch.

In the replay with Romford, we had an outbreak of this particular stupidity from behind the Oak Road goal and we would ask the assistance of the adults in the crowd to help us by restraining the youngsters who seem addicted to this sort of behaviour which only leads to unnecessary trouble.

### Club Notes

IN view of the fact that the team was not due to play at home until a week on Saturday, tonight's Cup replay with Corby Town is a welcome addition to the fixture list and, if it turns out as well as did the one with Romford, it will be rewarding financially, too.

And, from our point of view, any extra revenue is doubly welcome in view of the heavy overheads of present day football.

We welcome Corby for what is probably as near to a local derby as we shall come this season and, unashamedly we say that they gave us a first-class scare last Saturday when only a late goal from the penalty spot gave us the chance of a second attempt at knocking out the gallant Southern Leaguers.

Naturally, we hope that there will be no mistake tonight and it is a pity that the reward for the winners was not more generous when the draw for the third round was made.

A long journey to Plymouth was not the sort of pairing either team would have chosen but, providing that we get through tonight, we shall certainly not despair of our chances of earning at least a replay for the third consecutive round.

Over the course of the years, both in the Third Division and the Second Division, we have had many battles with the Devon club and, on their Home Park pitch, our record certainly bears a second look.

First things first, though, and there is tonight's hurdle to be overcome. That will be no easy task, we are well aware after Saturday's hard match. Unfortunately, it seemed yesterday unlikely that

Allan McBain, who spent two seasons at Kenilworth Road, would be in the Corby line-up because of the injury that nearly caused him to miss the first match in which he experienced some discomfort in the closing stages.

However, another of our former players Bob Riley, is in the side and he had a very useful game on Saturday.

While progress in the Cup is very desirable, no one is losing sight of the fact that the hunt for League points must remain just as intense.

After two good results at Doncaster and Lincoln, we go into League action again on Friday night at Stockport with considerable confidence.

After that, we stage a League match here for the first time for a month a week on Saturday when Bradford City will be the visitors.

Then comes the difficult Christmas programme, at least travel-wise, with away and home matches with Southport.

With the away pairing in the Cup, January looks grim from the travel point of view, too, but we should come into our own in February when three of the

The ball for today's match was kindly donated by a customer of "The Old Bell" who wishes to remain anonymous, whom we thank most warmly.

Several others are in hand, but we would still welcome the gift of a football or a donation towards one.
