## CLUB COMMENT

### FOUR IN A ROW?

It was perhaps inevitable that some time this season Valley Parade would be the scene of a tussle between two clubs where victory for either side would be a tremendous achievement, quite apart from the fact that two precious points were at stake. This is the fourth visit by a club in the top four promotion places so far. Lincoln City went away pointless with the winner having come five minutes from time; Chesterfield came with an unbeaten League record and returned with it at an end; Crewe Alex came as Fourth Division leaders only to be deposed by ourselves. Three victories out of three visits by top four teams—can we make it four in a row?

This game is even more interesting if only for the fact that Town have won all of their last eight League games—a sterling performance and promotion form by any high standards. These have consisted of five at home and three away, 27 goals have been scored and only six conceded, with the defence not having given away a single goal in no fewer than five of the games.

### LUTON'S FINE ACHIEVEMENT

Luton are having an exceptionally successful season so far, in sharp contrast to that of the last campaign when they could only collect six points away from home all season. Shrewd signings by their manager, Mr. Allan Brown, have helped to put the club well on the way to returning to the Third Division for with two matches in hand they are only two points behind the present leaders, Chesterfield, and are level with us with three games fewer played.

Town have suffered only two defeats so far this season, both being away from home. In fact all Town's loss of points have been while on travel for they have a 100 per cent home record.

Their first defeat was on September 4th at Southend where they crashed 3-0 and the other was rather surprisingly at Doncaster on October 3rd. Since then they have not dropped a point in their eight game victory run. Can we halt it? We shall certainly have a darned good try!

## PICTURE PERSONALITY

### No. 10—BARRY SWALLOW (left half)

Photograph reproduced by  
 courtesy of the Yorkshire Sports  
 under over half a dozen managers, he joined Crewe Alexandra in 1962.

Like father, like son! Following in his father's footsteps is Barry who has been with Doncaster Rovers and Barnsley, two clubs with whom his father, the late Mr. Eric Swallow, played as a full back.

Born in Doncaster, Barry went to Wheatley Technical Modern School, turning out for the school side, during which time he had two seasons with Doncaster Boys and trials for Yorkshire Boys. At the age of 16 he joined the Doncaster Rovers ground staff, Peter Doherty signing him on as an amateur, and then as a professional after a couple of months.

Barry made his League debut in Bradford when aged 18 at Park Avenue, and after two full seasons with the Rovers, with whom he served

He returned to his native Yorkshire in August 1964 when he signed for Barnsley on a two month's trial and in the October was taken on by the club. In the 1965-66 season he missed only one League game, during which he captained the side and in addition to playing wing half and centre half, turned out for Barnsley at centre forward shortly before coming to Valley Parade on February 17th, 1967.

With us he has so far made 38 League appearances, scoring three goals. His debut for us was at Aldershot on February 18th this year and his first goal in the return game the following month.

### CORRESPONDING GAME LAST SEASON

#### Bradford City 2, Luton Town 1

This proved to be a case of the City attack versus the Luton defence for three parts of a very entertaining match. Tony Read was in brilliant form for the visitors and had it not been for five grand saves from him Town would have had a whipping.

Luton took the lead through Bruce Rioch after 12 minutes, with Ken Leek

heading an equaliser 10 minutes before the interval. Afterwards Read kept the City attack at bay until Steve Ingle ran on to a back-headed pass from Derek Stokes to shoot the winner in the 75th minute. John Hall hit the bar with City on all-out attack but Read deserved this bit of luck for his outstanding display.

### MATCH BALL

Once again we are indebted to the generosity of an anonymous supporter for the donation of today's match ball. We are extremely grateful—particularly as the donor is a LADY supporter.

If any person of firm would like to donate the ball for a future match, we shall be pleased to print any acknowledgement in the programme, or of course preserve the donor's anonymity as in this case, if desired.

Anyone interested, please contact the Secretary, Mr. J. Mellor.

### CAR STICKERS—3d EACH

We have had many requests recently for Car Stickers and we have therefore now printed a further quantity which are available from the Secretary's Office.

It has been decided to make a nominal charge of 3d. each for this issue, as we feel that many were wasted by being taken in large quantities last time.

During the week the Stickers will also be available at the **Sporting Club**, or from the Supporters Association.

Chose your slogan, and help to publicise City. The Slogans are:—  
**SUCCEED WITH CITY**  
**JOIN THE CITY MEN**  
**PROMOTE THE CITY**  
**UP WITH CITY**

### TODAY'S MAN IN CHARGE

Making his first ever visit to Valley Parade is Mr. Ron Barker of Crewe. Married with a three year-old son, Mr. Barker, who is 33, is a technical representative with Rolls Royce Ltd., and has been refereeing since 1951, although this is his first season as a Football League referee.

For the past five to six years he officiated in the Central League and prior to that was in the Mid-Cheshire League. Mr. Barker, who started in the Crewe and District Amateur Leagues, is a Cheshire County Referees' Coach and the Crewe and District Referees' Society representative at Cheshire County Referees' Association meetings.

## OUR VISITORS

**Anthony Read** (goalkeeper) was born at Haydock, near St. Helen's, Lancs., and was with Sheffield Wednesday and Peterborough before signing for Town in March 1965. Can also play centre forward and had 12 League goals to his credit in season 1965-66.

**Maxwell Dougan** (right back) came to Luton as a centre half from Leicester in December 1966. Was born in Lanarkshire and was formerly with the Scottish amateur club, Queen's Park, making five appearances for the Scottish amateur International side while with the club.

**Frederick Jardine** (left back) also hails from Scotland. He was born in Edinburgh and played for Dundee for two seasons before moving to Luton as an outside left in 1961.

**Alan Slough** (right half) is local born and has graduated through schoolboy, amateur and apprentice professional ranks, becoming full time in May 1965. Gained County representative honours as an amateur.

**Terence Branston** (centre half) is a native of Rugby and was signed from Northampton Town in June this year. Was formerly an amateur with the Northampton club, with whom he spent nine years as a professional making nearly 250 League appearances.

**John Moore** (left half) was signed from Motherwell in May 1965 after being recommended by the club's Scottish

representative. Was born at Harthill, Lanarkshire.

**John Ryan** (outside right) is Town's latest recruit. This former Tranmere player was snapped up in October from Wigan Athletic.

**Keith Allen** (centre forward) comes from Ryde in the Isle of Wight. He started his League career with Portsmouth, signed for Grimsby Town in May 1964, and for Stockport in June 1965 before moving to Luton in an exchange deal which took Derek Kevin to the County.

**Bruce Rioch** (inside left) hails from Aldershot and was brought up in Luton, representing the town at school and having trials with England Schoolboys. Apprentice professional in August 1963, full time in September 1964 and is joint leading scorer, just one goal short of his total for the whole of last season when he was the club's top League scorer.

**Graham French** (outside left) is a former English Youth International who first came into prominence with Shrewsbury. Also played for Swindon Town, Watford and Wellington Town before joining Luton in October 1965.
