CLUB NOTES

WE welcome all our supporters to a brand new season and with high hopes that we shall enjoy just as much success on the field as we did last season, despite the fact that we are in a higher grade of football.

There seems no reason to believe that the team will do other than well and the ambition now is to reach the Second Division again with the minimum waste of time.

That means at the end of this season if it is humanly possible and Manager Allan Brown is optimistic about the outcome, especially as he has been able to reinforce his staff with three well-known players.

Total outlay on Brian Lewis (Coventry), Laurie Sheffield (Oldham Ath.) and Mike Harrison (Plymouth) is not far short of £35,000 and can be taken as a measure of the ambitious planning that is going on.

Add to this the fact that over £50,000 has been spent on ground improvements during the close season and it can be seen plainly that the depression that hung over us for some time has been thoroughly shaken off.

Today, we welcome Oldham Ath. who had something of a mixed time last season and, basing judgement on the team displays against Oxford United and Norwich City in pre-season friendlies, there seems every chance of us getting off the mark with a convincing win.

Next Wednesday, comes the big clash with Watford in the first round of the League Cup which could well

boost the attendance figure to above the 20,000 mark. Naturally we are confident about the outcome of this match, too, though recognising that it is certain to be a difficult task because the Hertfordshire side were one of the front-runners in the Third Division for a long time last season.

When Brentford were here for the last match, the programme had to be printed so far in advance that we were unable to include our thanks to the donor of the ball who was, on that occasion, Mr. P. Aiken.

There is the need for lodgings for some of our players and we would be glad if anyone interested would write to the Secretary so that their names can be put on the list for future reference.

A few season tickets for the official car park at £3/3/0 each are available and it would be advisable for anyone wanting this convenience to apply without delay.

Luton Bobbers Stand and Supporters Club Notes

Have you joined

THE SUPPORTERS' CLUB YET?

Last season saw a great increase in membership and activities of our Club—and with success of the Team we hope that more supporters will join.

The advantages of Membership are many—away travel—includes free insurance both home and whilst travelling.

Social Club—Open daily

Games Sections—

Affiliated to National Federation of Football Supporters' Clubs—this enables Members to visit other Clubs when in their area.

The most important advantage is that you can meet in cordial company the people who count—the Supporters.

SUPPORTERS SHOP

We were one of the first in this field and it has now been copied by nearly all League Clubs. During the summer we had a willing band who redecorated our present shop (under the main stand) and we await a visit from you for all your soccer needs. We have many new items for sale—Car stickers 6d. and 9d., Blazer badges 8/6 and Championship Pennants (a must for every Luton supporter 3/-). We shall name one or two items each week for you. There will also be our mobile sellers who will be indentified by our supporters sales badge, they will gladly help you at all times.

To-day we welcome the Supporters of Oldham Athletic and for those who have made the long journey south the welcome mat is out for them at the Club—open 6 p.m. We look forward to seeing some of them.

FRANK SHEPHARD.
