Tonight we face Third Division Grimsby Town in the League Cup, but that doesn't mean that we will be taking them any more lightly than we would Tottenham Hotspur.

After all whether they happen to be First Division Champions or a non-league side, we will still be playing eleven players.

Although I haven't actually seen Grimsby play, our club scout has watched them 2 or 3 times and they are a good side.

Although the match is a cup clash, there has been no difference in the pre-match preparation. Obviously, I cannot change the outlook of eleven players and the coaching staff in three days. The only difference between a cup match and a league game is the number of supporters that turn up. There is always glamour in a cup tie.

I certainly hope that our lads can maintain their impressive league form this season when they face Grimsby tonight.

I was certainly happy with our victory at Crystal Palace. It again

HARRY HASLAM'S TOWN

proved that we are winning by sheer hard work—hard work that we believe in.

Palace played a lot better against us than they did in mid-week. I think they have had a run of bad luck, and I am convinced that given time they will come out of it. But like every other team in the League they have their good times and bad times.

It seems that we are going through a good patch at the moment, and I don't mean just the first team.

The reserve side are also playing well—something that is always difficult when the first team are high up the league table. After a poor start to the season in the mid-week League, our lads have come back well and things are now looking rosy all round. A good cup run will just about complete the picture.

When Harry Haslam needs a check-up he sees Dr. Hanley....

...so does Luton Town Secretary Bob Redhead... and Chief Scout Paddy Sowden... and Coach Roy McCrohan... and Commercial Manager David Roberts... to name just a few. The reason is they all drive Vauxhalls. And when their cars need expert servicing they come to Albert Hanley at Shaw & Kilburn Ltd. Albert is our Service Supervisor—one of the best in the business. He's part of the team that has made S & K the top name for Vauxhall in Vauxhall's home town. Whether you're a big name in local football or one of the fans, you'll get the best Vauxhall service at

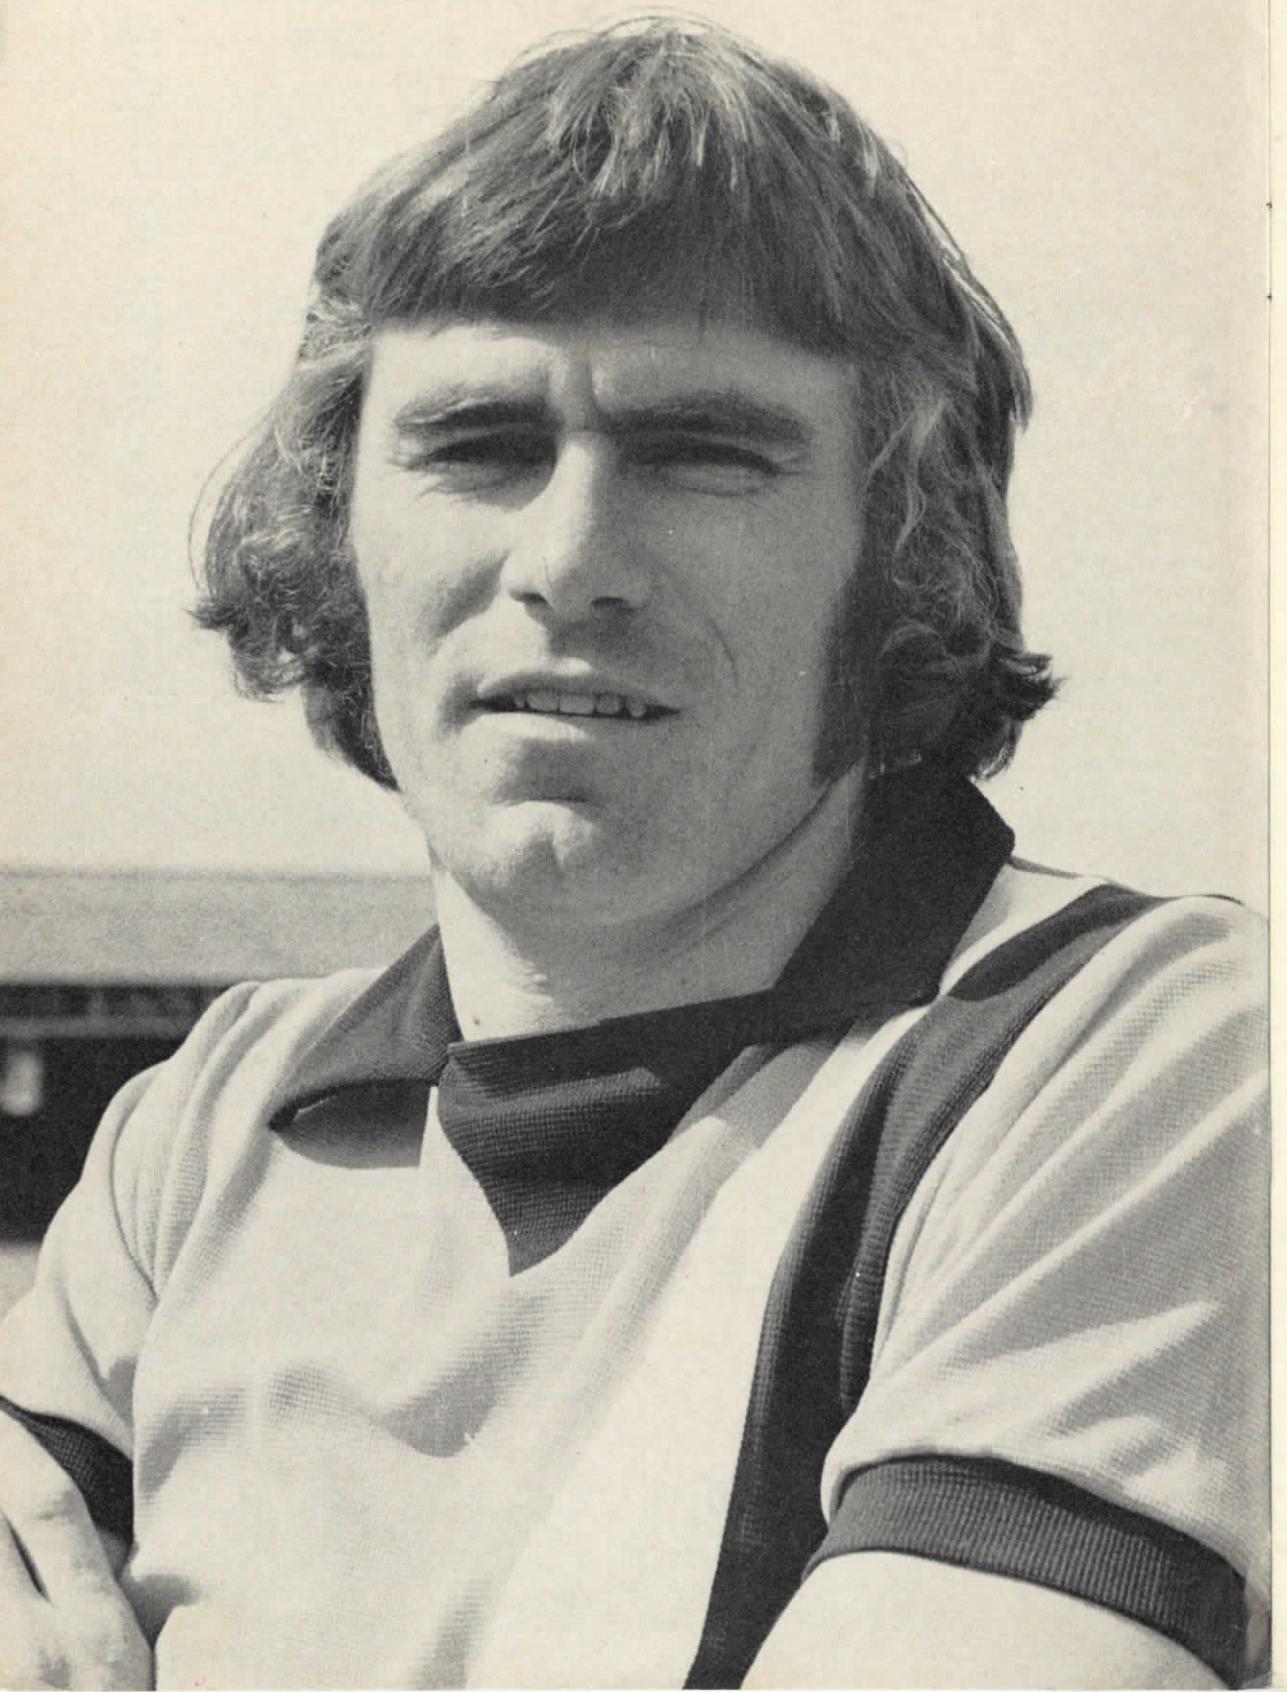

Shaw & Kilburn Dunstable Road, Luton.

T FOCUS W N

Continuing our great new series, town focus this week turns the spotlight on inside-forward John Ryan. We talk to him about his likes, his dislikes and his family.

With Town doing so well at the moment it's not surprising that talk between the players often turns to—dare we say it—promotion.

Obviously they all reckon they can make it—even if there is still a long way to go—and John is no exception.

"I would dearly love to play in the First Division again. When I was at Fulham I played some-

thing like twenty to thirty first team games and it was great". Like our last Town Focus player Graham Horn, John also hopes that one day he may win international honours and play for England.

Unlike most of today's professionals, John didn't start playing football until he was well in his teens.

"I went to Maidstone Grammar School and they only played rugby. Consequently I was 15 when I turned to soccer and I later joined Maidstone United".

After a spell at Maidstone, our tricky inside forward moved to Tonbridge and then to Arsenal. From Highbury he took a trip across town to Craven Cottage and joined Fulham and later signed for Luton.

John's father Sydney—Managing Director of a Haulage Contracting Company—has been a big influence in his career.

"My father and mother gave me a lot of help early in my career and then in 1963 I met Harry Haslam and he really influenced my career".

Like so many Town players, John lists his biggest disappointment at getting beat by Sunderland in the sixth round of the FA Cup last season.

John made his football debut for Fulham against Stoke in 1965 and since then has made around

200 league appearances and last year played in the Anglo-Italian tournament.

When he's not playing football John likes to relax on a golf course or at his country cottage home with his air-hostess wife Kay.

"I also like driving, reading and gardening when I get the chance. "My favourite singers are Johnny Mathis and Barbra Streisand; my favourite composer Burt Bacharach and favourite group—Bread.

When it comes to television and films John plumps for Gerald Harper and Jacqueline Bisset.

Whenever John gets time to go out for a meal with his wife he likes steak, chips and salads washed down with either lager and lime or milk.

John likes casual clothes preferably in his favourite colour of blue.

Ironically his most thrilling experience was becoming Kent amateur **GOLF** champion last year.

There isn't much that annoys him but one is sitting at traffic lights and in traffic jams and another is...cheese.

INTRODUCING...

GRIMSBY TOWN

Grimsby Town, under new manager Ron Ashman, have made a slow start to the season and have yet to win away from home. Yet, if their League form in Division 3 has been disappointing, they got away to a good start in the League Cup when they defeated Northampton 2-1 in the first round.

The Fishermen's three close-season signings—Frank Barton, Frank Sharp and Don Beardsley—have all settled in well. Barton, a midfield player, is a former youth international, who played under Mr Ashman at Scunthorpe in the mid 'sixties. He later moved on to Carlisle where he remained until Blackpool paid £20,000 for his transfer last season.

Beardsley, a defender, was signed from Hull City for whom he had made some 150 first-team appearances in seven years. Last season he spent a short period on loan to Doncaster.

Sharp spent his first-class career with Hearts, entering English football with Carlisle in 1966/67. He moved to Cardiff two years later, put in a short loan period with Southport and arrived at Barnsley in 1970.

Mike Hickman and Phil Hubbard are the most likely players to accompany Sharp in attack. Hickman joined Grimsby from Brighton in 1968 and has recently completed 200 League appearances for the Fishermen.

Phil Hubbard, who scored his first Football League hat-trick

against Notts County at Blundell Park last season, joined the club from Norwich in October last season and scored 10 goals for Grimsby. The Canaries had signed him from Lincoln just under a year earlier.

Stuart Brace and Jack Lewis are other contenders for places in attack. Brace, top scorer for four of his five seasons with the club, led again with 19 last season—including four in one game against Oldham.

Stuart gained his first League experience with Plymouth Argyle but started to make real progress

after joining Watford in 1965. Within weeks he was on the move again, to Mansfield and he later put in half-a-season with Peterborough before settling down at Grimsby in 1968. Lewis had some five seasons with Lincoln City prior to signing for Grimsby in 1970.

Dave Boylen and Lew Chatterley are likely to link up with Barton in midfield. Boylen, a Brimsby discovery, has been a regular first-tearer for six years.

Chatterley has become a much-travelled player in recent times after almost a decade with Aston

Villa. He made his senior bow for Villa in 1962/63 and in 1966/67 was their leading scorer.

Three seasons ago he spent a loan period with Doncaster and later he was transferred to Northampton, but before the 1971/72 campaign was over he moved on again—to Grimsby.

The back four has been fairly constant, with Beardsley, Clive Wigginton, Stewart Gray and David Booth on parade.

Clive Wigginton is a Grimsby discovery who made his first League appearance in 1968/69.

David Booth joined Grimsby for a £12,000 fee in 1972 after spending four years as a regular member of Barnsley's defence. Stewart Gray was signed from Doncaster three seasons ago. He

served his apprenticeship at Belle Vue, making his first League appearance in 1967/68.

Goalkeeper Harry Wainman regained his first-team place last season after returning from a loan period with Rochdale. He made his first League appearance for Grimsby in 1964/65 and now has over 250 League games behind him. He is a former England youth International.

Grimsby's best achievement in the League Cup was in reaching the quarter final in 1965/66. After holding West Ham to a 2-2 draw at Blundell Park, they were only narrowly beaten 0-1 in the replay. They reached the fourth round a year later and, in 1971/72 but last season were beaten in the second round at Bury.

TOWN TALK

Supporters Club News

Last season 48 members of the Supporters Club enjoyed a magnificent four-day trip to Belgium.

It was such a success that we have decided to arrange a similar trip this coming Easter.

Cost of trip will be £27.00—and that includes everything. Anybody interested should contact Mr Mike Ogden, the Supporters Club secretary.

Recently the committee held a meeting and we would all like to thank manager Harry Haslam, his players, and also the reserves for putting up a fine show this season.

Our Dominoes team have now won three out of their last four games and are top of the table.

ROLL UP...

Saturday should be a day to remember—not only for the Luton Town club, but for all their supporters. For the match against Swindon Town is to be sponsored by Vauxhall Motors in conjunction with Shaw and Kilburn and that means there will be plenty happening for the fans.

The afternoon kicks off at 2.25 pm with the music of the Blues and Royals led by Captain G. E. Evans and appearing by kind permission of H. D. A. Langley, MBE, Lieutenant Commanding Household Cavalry.

Introduced on to the pitch will be the new range of

Vauxhall cars for 1974 and the captains of both Luton Town and Swindon Town will receive special pennants.

And on Tuesday, between 12.30-2 o'clock, the entire Luton Town team will visit the Arndale Centre for a motor show. They will be signing autographs and viewing all the new models on display.

But back to Saturday. Town are to be presented with the Good Behaviour Cup for the sportsmanship they showed during last year's Anglo-Italian Tournament. Presenting the trophy will be Gigi Peronace, organiser of the competition.

And for one lucky fan there will be a £100 holiday voucher to be won. He—or she—will be the winner of our lucky programme competition and will be presented with the voucher in the Kenilworth Suite at half-time.

Saturday promises to be a magnificent day for everyone—but roll up early for it all starts at 2.25 pm.

Young Shaun Sowden, son of Town scout Paddy, met up with one of his heroes when we recently played Blackpool—goalkeeper George Woods.

It was Paddy who signed Woods from East Stirling in 1972 and here Shaun is seen pictured with George.
