Before today's match a happy ceremony will take place when Gigi Peronace, eminent General Secretary of the Anglo-Italian tournament, will present skipper Bobby Thomson with the Good Behaviour Cup. Luton were selected from the 16 clubs in the tournament as the English club with the fairest players and the fairest supporters. Fiorentina won the award on behalf of Italy. We are grateful to our players and to you our supporters for upholding fair play and sportsmanship. We also extend our thanks to the sponsors and to the President, Gianni Agnelli, and his brother Umberto.

Front Cover: Luton's Irish striker Tom Finney soars above the Blackpool defence to head for goal during our recent 3-0 victory.

Obviously after such a good run in the League this season we were disappointed at only being able to draw against Grimsby Town in the League Cup on Wednesday.

It would be easy to try and make excuses, but I'm certainly not going to do that—we didn't win because Grimsby beat us at our own game.

In the League this season we've moved the ball about well, played attacking football and it's paid off, but for some reason we didn't do that on Wednesday.

In fact it was Grimsby who strung together the passes, especially in the second half, and they deserved a replay.

But it's no use getting on to the lads. They know what it's all about and they're just as sick about it as I am.

I think a lot of it is an attitude of mind. Although you try and impress on players that all

# HARRY HASLAM'S TOWN

matches will be hard even against third or fourth division clubs they subconsciously seem to take things a bit easy.

But now the lads know what they are up against and I just hope they don't fall into the same trap in Tuesday night's replay.

Grimsby are a good side—they proved that on Wednesday—and the lads know now that they are

not infallible. And, at least, I'm glad that this disappointing performance came in the middle of a League Cup run and not in the middle of the league.

On page 11 of this programme there should be a photograph of Jimmy Ryan. If the photograph doesn't appear then you have won the £100 holiday voucher and you will be presented with it in the Kenilworth Suite at half-time.

## When Harry Haslam needs a check-up he sees Dr. Hanley....

... so does Luton Town Secretary Bob Readhead ... and Chief Scout Paddy Sowden ... and Coach Roy McCrohan ... and Commercial Manager David Roberts ... to name just a few. The reason is they all drive Vauxhalls. And when their cars need expert servicing they come to Albert Hanley at Shaw & Kilburn Ltd. Albert is our Service Supervisor—one of the best in the business. He's part of the team that has made S & K the top name for Vauxhall in Vauxhall's home town. Whether you're a big name in local football or one of the fans, you'll get the best Vauxhall service at

career were: "playing for the England Youth team and signing for Luton from Fulham two years ago."

**Continuing our great new series, Town Focus today turned the spotlight on full-back Don Shanks. We talked to him about his likes and his dislikes.**

As well as being one of our most gifted players, Don puts in a tremendous amount of work helping and coaching to youth teams—Kilburn and Rangers Youth Club—near his White City home.

It's therefore not surprising that 21 year old Don did so well himself as a youngster, signing schoolboy forms with Fulham when only 12.

Although he represented West London Schoolboys, Don reckons the biggest breaks in his

of the Little World Cup. "And like most of my team-mates, my biggest disappointment was losing to Sunderland in the FA Cup last year."

Don made his debut for Luton against Preston in August 1971 and, of course, played in the Anglo-Italian tournament last season.

His hobbies are horse-riding, swimming and, naturally, coaching schoolboys.

His favourite colour is blue and he likes to dress in anything that is fashionable.

Gilbert O'Sullivan is his favourite male singer, while Suzie Quatrc takes the honours amongst the females and Slade amongst the groups.

Big John Wayne is the tops with Don as far as film actors go and his favourite footballer is Scotland and Manchester City star Denis Law.

Surprisingly, Don's favourite meal is Wimpey chips and beans and his favourite drink is a shandy—after matches.

Naturally, being involved in soccer so much, Don loves to win, but hates to lose—he should have plenty to shout about this season.

# INTRODUCING . . . SWINDON TOWN

Swindon manager Les Allen has been facing a few problems this season, a recent run of six games without a win putting his team in a precarious position close to the foot of the Second Division.

Yet Swindon have the potential to do far better. One of the danger men in Swindon's attack is Republic of Ireland international Ray Treacy, a bustling centre-forward who began his League career with West Bromwich Albion. He moved to Charlton in 1968 and in 1971/72 was their top scorer with 19 goals. Last season he topped Swindon's list with 14.

Swindon's other chief striker is likely to be either Richard Legg, a local discovery, or Mike Collins, a South African-born forward who was signed from Wolves this summer. He didn't play in Wolves' first-team but made his League bow against Notts County recently.

On the left wing will be David Moss, who has now taken over from Don Rogers, who moved to Crystal Palace last season.

Moss paid a club record £50,000 fee to Southampton for

is another Swindon discovery. An injury to Mick McGovern gave Chris Porter his chance to return to the side, but he broke a collar bone in the Nottingham Forest game and another mid-field injury victim is Terry Hubbard.

Tom Jenkins, Ray Bunkell and David Syrett are other midfield players. Porter was spotted playing for Bridgwater Town and made his League debut for Swindon in 1970-71. McGovern joined Swindon from Queen's Park Rangers, where he had won only occasional runs in the first team, last season.

Hubbard, who made his debut in 1970-71, is a player who appears destined for the very top. And, following an injury-imposed lay-off Tom Jenkins has been displaying the type of form that made him a force in the First Division—though he has now switched from outside-left to midfield.

Swindon paid a club record £50,000 fee to Southampton for

Tom last season. Once discarded by West Ham and Orient, Tom drifted into non-league football with Margate until given a come-back chance by Reading in 1969. Within weeks he was the subject of a £60,000 transfer to Southampton.

Bunkell won England youth honours when he was with Spurs though he didn't get a game in their League team. He satisfied his ambition for League soccer soon after joining Swindon in 1971. Syrett is a Swindon product, still serving his apprenticeship. He played at Preston and against WBA as substitute on each occasion.

One of Swindon's best-known players is Welsh international defender Rod Thomas, who played in the recent World Cup clash in Poland. Frank Burrows, Joe Butler, John Trollope, Ken Stroud and Ron Potter are all top class defenders too.

Burrows first entered English football with Scunthorpe in 1965 after serving Raith Rovers. Swindon

Tom signed him in 1968 and only injuries have since kept him out of the side. Butler, who was signed from Newcastle in 1965, has played in several positions for Swindon, proving one of their most valuable players over the years. He recently shifted again from defence to midfield. Trollope has been on parade—apart from a short injury absence—continually for 12 seasons. He is now nearing 550 League appearances for the club and in one unbroken run he played 368 consecutive games.

Stroud is another of Swindon's own discoveries while Potter was signed from West Bromwich in 1970.

## CHIT-CHAT

As you will have already gathered this afternoon's match against Swindon Town has been sponsored by Vauxhall Motors in conjunction with Shaw and Kilburn.

This is the first time that a match at Kenilworth Road has been sponsored, but we feel sure that it will be a huge success.

Several Vauxhall cars are on show around the ground, but that's certainly not the end of it.

On Thursday—between 12.30 and 2.00 pm—the entire Luton Town team will visit the Arndale Centre for a Motor Show.

They will be signing autographs and viewing the cars on display.

Today also sees the presentation of the Anglo-Italian tournament's "Good Behaviour Cup" awarded to Town for the sportsmanship they showed during last year's competition.

Town skipper Bobby Thomson will receive the cup from Gigi Peronace, general secretary of the Anglo-Italian tournament.

There'll also be another presentation—special pennants to the captains of both Luton and Swindon Town.

Add to all this the music and the marching of the Blues and Royals, led by Captain G. E. Evans and appearing by kind permission of H. D. A. Langley, MBE, Lieutenant Commanding Household Cavalry, and this afternoon promises to be a bumper time for the fans.

And don't forget if Jimmy Ryan's picture on page 11 is missing—you can collect a £100 holiday voucher from the Kenilworth Suite at half-time.

But even if you are lucky or unlucky—enjoy yourselves on this bumper afternoon.
