WELCOME TO WHITE HART LANE

This afternoon we extend a cordial welcome to Luton Town as we again anticipate what should be a very open and keenly-contested game.

And there will be no need for any introductions on the management side as David Pleat, his First Team Coach Trevor Hartley and Physiotherapist John Sheridan all joined us from Kenilworth Road in the summer as did left-back Mitchell Thomas who has since forced his way into England's senior squad.

Games with the Hatters are usually eminently watchable as both sides share a positive attitude to their play and there have, over the years, been some exciting conclusions to our games, particularly those at Luton.

Yet we have only met 14 times in the League and although we have won 11 of those past encounters and Luton only three, they did have the satisfaction of winning last season's corresponding fixture 3-1. Mick Harford, Brian Stein and Ricky Hill all scored for the visitors with Richard Cooke producing our sole reply.

That was Luton's first win on this ground for 37 years and their first against us — home and away — since 1959. No doubt our players will be keen to re-establish a similar run this afternoon!

Devastating
We certainly showed the right style last Saturday when we defeated Everton 2-0

FRONT COVER PICTURE: The way forward — together

Luton always good value

on this ground thanks to another brace from our leading scorer Clive Allen who is certainly on top of his game. He headed us into a 26th minute lead after a devastating interchange between his cousin Paul and Chris Waddle. And Clive made it two in the 68th minute when he volleyed a long kick from Ray Clemence past Everton goalkeeper Bobby Mimms.

It was an impressive all-round performance in which Clive went close to another hat-trick late in the game following astute work by Glenn Hoddle while Paul saw a good shot well saved by the Everton goalkeeper as we dominated with impressive determination.

Spurs Members and Season Ticket Holders can collect their free copy of the October issue of Spurs News at our home game with Sheffield Wednesday on Saturday, October 18th.

Clive Allen

DAVID PLEAT

Welcome to everyone from Luton Town to White Hart Lane. We hope we will all enjoy an excellent afternoon of good football and sportsmanship together, both on the field and on the terraces.

Our results last week took a slight upswing with a dominant performance at Leicester, a battling win at Barnsley and a more solid looking all-round team effort against Everton. There is much work ahead but the response of the players gives me heart for the future.

ENTHUSIASTIC

I am delighted that the new Members' Club scheme has taken off in a big way with over 10,000 supporters enrolled. The real effect has been shown when we play away where the players appreciate the enthusiastic backing of a large following. As part of the spirit of co-operation, we have invited the Junior Hatters from Luton to stand with Spurs Members and Junior Spurs in their enclosure for today's game.

Congratulations to Clive and Paul Allen on the birth of their children, Oliver Thomas and Camilla Poppy — Bobby Robson was an interested spectator against Everton last week — Gary Stevens hoped to re-start training yesterday after his knee ligament injury — Clive Allen was the winner of the Evening Standard Player of the Month Award — young John Moncur was an outstanding performer on his League debut for Doncaster on loan — Richard Cooke is racing full-backs down Birmingham's right wing — well done to Neil Ruddock, Vinny Samways and David Howells, all selected for England Under-19 training sessions at Lillleshall between October 11-13 — sad to hear of journalist Peter Lorenzo's death, he was a most respected gentleman who loved good football — Bob Wilson has been passing on his goalkeeping knowledge to

our youngsters with regular coaching sessions — Spurs will be again represented in the Daily Express Five-a-Sides on November 19 — the Glory, Glory Nights book, recalling all the great European nights at Tottenham, is now on sale in the Spurs Shop and is a "must" for any supporter.

If everyone plays to maximum ability we should be in for a cracker today. Rome wasn't built in a day and nor was Luton. They have a very good group of Division One players.

Enjoy the game. May the headlines not be about hooligan Chairmen, Manager gossip and slander but entertaining football.

We hope to see you on Wednesday when we entertain Barnsley.

Tribute to Sir Stanley Rous

Chairman Irving Scholar and Secretary Peter Day represented the Club at a Service of Thanksgiving for the life and work of Sir Stanley Rous, C.B.E., J.P., at Westminster Abbey on Thursday, September 25, 1986. Sir Stanley, one of the most distinguished officials in the history of football, died in July at the age of 91. He was a former President of F.I.F.A. and Secretary to the Football Association.

Both the Duke of Edinburgh and the Duke of Kent were represented at the ceremony which was also attended by players and officials, both past and present. Bert Millichip, Chairman of the Football Association, read one of the lessons.

One of the most poignant aspects of the whole tribute to the great man was contained in the Order of Service and it was a quote from Sir Stanley himself in 1984.

"I don't want to look back instead of looking forward, but I do hope football never becomes anything other than a game," he said.

CHAS HODGES

CHAS HODGES didn't have any say in the matter when it came to choosing which team to follow.

"Spurs have been in the family for three generations and I started to come to White Hart Lane when I was a nipper, which was a long time ago, I can tell you," said Chas, whose partner Dave is also a Spurs fan.

But being such a success in the pop world means he cannot get to as many games as he would like.

"Back in the early seventies when I teamed up with Dave, we were concentrating hard on our careers and writing music, and I must admit I did lose a bit of interest in the game.

"Then about six years ago my boy, Nicholas, began to kick a ball about and wanted to go and see a game, so I took him to see Spurs and he's been a fan ever since. He is always asking me to take him along to White Hart Lane.

"That got me re-hooked and now we go to a match as often as we can when we're not touring or recording," said Chas.

Their renewed interest led the duo to record the Spurs FA Cup Final song when we beat Manchester City 3-2 after extra time in that epic contest at Wembley in 1981.

They followed that up with our anthem for the 1982 Cup win over Queens Park Rangers to bring them back into the fold of truly committed Spurs followers.

Chas in recent action at White Hart Lane

"I'm convinced success will return to White Hart Lane this season," said Chas.

"The players have got someone they can look up to and respect in new manager David Pleat, and he has bought very well.

"Richard Gough is a top quality player who dominates the back and he doesn't get pushed around. Mitchell Thomas is in the same mould. He looks very comfortable on the ball and doesn't get ruffled.

"And with Hoddle, Allen, Roberts and the rest in the same side they must be a force to be reckoned with," added Chas from Edmonton.

"Spurs play the kind of football that I like, and from what I've seen of them during the early stages of this season they've got a good pattern.

"Their approach to the game seems to have changed since David Pleat arrived and I'm sure it will lead to success."

SPOTLIGHT ON GLENN HODDLE

By JOHN FENNELLY

GLENN HODDLE clocked up another Tottenham milestone when he made his 350th League appearance in our colours against Everton last week.

And Glenn joined a real White Hart Lane "Hall of Fame" when his name was pencilled in at number ten on the dressing room team sheet because he is only the seventh player to reach that figure in our history.

Former skipper Steve Perryman, who joined Oxford United in March, leads the way with a massive 655 followed by such greats as Pat Jennings (472), Ted Ditchburn (418), Cyril Knowles (401), Jimmy Dimmock (400) and Maurice Norman (357).

GREAT PRIDE

Yet, although Glenn takes great pride in the achievement, he admits that he is more interested in looking forward. And he wants to add a great deal more to his tally before he finally considers hanging up those Hummel boots.

"I'm always looking to the next game and I'm sure that would be the same for any footballer," says Glenn. "Few of us are aware of the exact facts and figures concerning our careers but it is very pleasing when you are told.

"I take great pride in playing for Spurs and I am honoured to join the other six. In fact, if somebody had told me when I was a 16-year-old apprentice that I would play 350 games for the club I would have been very happy.

"Yet reaching that figure does make you stop and look back. I can still remember my first game clearly as if it happened yesterday. It is frightening how quickly the time has passed.

"Now, having knocked up 350, I have to look at the next 100 and more," continues Glenn who has also made 102 appearances in major cup competition for us. Add to that his England caps at senior, "B" and Under-21 levels and the total for first class games reaches 505.

"I still feel that I've got at least another seven years in the game and I certainly possess the

enthusiasm to go on until I'm 35. But then, who knows? You might get to the stage, as Trevor Brooking did, when you suddenly stop enjoying what you are doing and say 'right, that's enough.'

"But that's the furthest thing from my mind at the moment although I'll admit that I am feeling a bit jaded after the World Cup. I take great pride in my performance, even in a five-a-side game, and I am not feeling as sharp lately as I did last season and in Mexico.

"Yet, I can remember feeling the same after the Spanish World Cup when I only had 10 days off and I soon felt my old self so I'm sure that will happen again. I'm certainly not worrying about it because I'm still the same player as last season when I had what was probably my best ever season at White Hart Lane.

"There is something of a mental and physical peak to overcome and I know that I am not playing as well as I can on a consistent basis. Hopefully that will put itself right in the near future because football's a much nicer game and the life's much more enjoyable when you are playing well. It's totally different when you are struggling!

"I know that it will all come back just as quickly as it's gone — it's just a matter of sticking at it.

STAYING POWER

Meanwhile, Glenn has to admire the staying power and consistency of captain Ray Clemence who recorded his 1,000th senior appearance against Newcastle last September having made his League debut for Scunthorpe way back in the 1964-65 season.

"That's some going and represents an incredible 22 years in the game — exactly twice my total," says Glenn. "It's a fact that goalkeepers certainly last longer than outfield players but it is still an amazing figure.

"I know that he claims to be 36 but there have got to be question marks about that!"

WHERE ARE THEY NOW?

DEFENDER Jimmy Holmes was part of the great Spurs squad of the Seventies, a key figure in the back division master-minded by Steve Perryman.

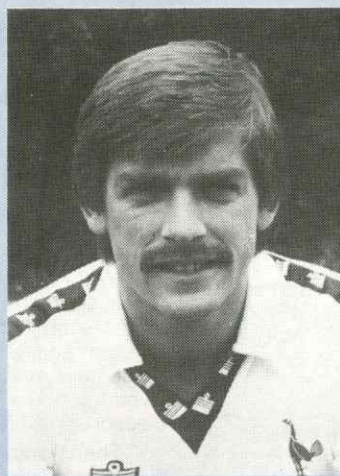

Born in Dublin and capped 30 times by the Republic of Ireland, Holmes remembers the days at Tottenham as among the best in his footballing career.

Jimmy went to Canada after his four seasons at White Hart Lane: "Those were a really good couple of years. I went out to join the Vancouver Whitecaps at the same time as Johnny Giles, another Irishman, and we had a tremendous time. We were certainly the best side in the League. We didn't actually win anything, but I enjoyed every moment of it.

"I've been all over the place since Vancouver. It's hard to remember all the clubs I've been with. I spent a couple of months at Leicester City, then went to Brentford for a while, then back to Coventry, my club before Spurs.

"Then Bruce Rioch asked me down to Torquay and I spent a year with them. I was looking around for something else to get into when John Wile invited me to join Peterborough as Assistant Manager and player. That was good experience for my present

JIMMY HOLMES

job as player/manager at Nuneaton Borough.

"I'm thirty-two now and still enjoying my football. I also really love the management side of the game, but find it incredibly difficult. I suppose it's the same for every manager, but I just keep wishing we had more money.

"That's the direction I'd like to see my career moving in, managing a top-class side. I take great encouragement from the fact that David Pleat started out at Nuneaton Borough. I'll just

have to hope I can follow in his footsteps.

"My favourite memory from my playing days at White Hart Lane has got to be the promotion decider against Southampton when we spent that single season in the Second Division. Southampton were already sure of going up, we were under tremendous pressure, having led the division until just a few weeks from the end. No goals were scored, but what a game, and we got the result that saw us back up. Unforgettable.

"Of all the footballers I've been lucky enough to play with, I'd have to pick Steve Perryman as the best of the lot. He was my captain in those days and he really was special. But I'd also have to find a place for Chris Jones, a forward who I don't think ever really got the recognition he deserved. He did an immense amount of work up front for other players and was a real asset.

"As for remarkable opponents, they were all difficult in the First Division. But I always think of Steve Coppell as the toughest man I had to mark. He was a real handful."

And for the future?

"I think I can go on playing for a while yet, before I have to finally settle into the manager's suit on a permanent basis."

Reserves

PENALTY EQUALISER

Last Saturday the Reserves drew 1-1 in their away Football Combination match with Southampton having led for most of the game.

After only five minutes Spurs made good use of a well-taken short corner neatly worked by Ossie Ardiles and Paul Moran to create the chance for NEIL RUDDOCK to slot the ball home from six yards.

PAUL MORAN

For the first 30 minutes in particular Spurs played some excellent football and during that period of time should have wrapped the game up. We had sufficient chances for a comfortable win, although Tim Flowers was in good form in the Southampton goal.

The home equaliser was delayed until eight minutes from the end, when Southampton scored from the penalty spot.

With five minutes left Danny Maddix came on for Tim O'Shea, who had had a knock. The team was Parks; Hughton, Ruddock, Grenfell, Polston, J., O'Shea (sub. Maddix), Ardiles, Bowen, Close, Moran and Howells, D.

SWINDON SWITCH

Apologies to those supporters who arrived for our Reserve fixture with Swindon Town which was scheduled for Wednesday, October 1, but was re-arranged for the following day. We did notify the Press of this change but unfortunately they did not amend their fixture lists. The change was made on the Tuesday to assist our opponents.

Comments on that Combination match with Swindon will appear in next Wednesday's programme for the visit of Barnsley in the Littlewoods Challenge Cup.

MATCH REPORT

Youth

DIV. 1

VALUABLE POINT

The South East Counties League Div. 1 team collected a valuable point in a goalless draw away to Ipswich Town last Saturday. It was a good performance by our players and it could well have been a win for Spurs if our finishing had been sharper.

In an even first half Ian Gilzean was twice in a situation when he might have scored if he had gone on but unselfishly played the ball to a colleague.

We had played well in the first half but after the break our prospects looked even better, assessed on the pattern of play. It was in finishing, however, that we failed to capitalise on good approach work.

Philip Gray was closest to scoring with two good headers, both well saved by the Ipswich goalkeeper.

This morning the Div. 1 team were due to play Fulham in the S.E. Counties League at Cheshunt.

The team at Ipswich was Banks; Statham, Smart, Butters, Smith, Cook, Clare, Samways, Gray, Gravette and Gilzean.

Youth

DIV. 2

NARROW DEFEAT

The S.E. Counties League Div. 2 team suffered a narrow 2-1 defeat by Southampton in their away fixture last Saturday.

We were given an early lead with a twelfth-minute goal scored by TOMMY FITZGERALD, who netted from close range after Peter Garland had done well to beat his man and lay on an accurate cross.

We had opportunities to increase that early lead but have to acknowledge that we had some narrow escapes ourselves. On the half-hour we were pegged back by an

equaliser headed by MATTHEW LE TISSIER following a corner, and it was in the 70th minute that Southampton's Peter Spargo scored the winner with a shot hammered in from close range.

Some of our players tired towards the end of the game, but we were perhaps unlucky not to have come away with at least a point. Steve Carney replaced Mario Alexandrou in the 80th minute.

The team at Southampton was Howells, G.; M. Bruce, J. Hall, Polston, A., Bickles, P. Garland, Alexandrou (sub. S. Carney), Manuel, Johnston, Fitzgerald and Parsons.

This morning the Div. 2 team were due to visit Bristol Rovers.

THANKS TO HUMMEL

Junior Spurs would like to thank Hummel UK Ltd for donating the full Tottenham Hotspur kit to Tim Jones our mascot for today's match with Luton.

WELCOME!

Junior Spurs welcomes members of Junior Hatters to today's match.

We hope you have a pleasant afternoon here at White Hart Lane.

The answer to Mystery Star in the last programme was Kenny Dalglish.

TODAY'S LUCKY NUMBER

Today's lucky Junior Spurs membership number is 2030. The winning member should contact Lesley Dolling in the Junior Spurs Office.

PAST MASCOT

Pictured right with Junior Spurs President and Team Captain Ray Clemence is Gareth Lovett from Barnsley, Yorkshire, who was mascot for our away match with Barnsley. As a friendly gesture the two mascots exchanged team pennants before the match.

As you know, the result of the match was 3-2 to Spurs.

Today's Mascot

Today's mascot is nine year old Tim Jones from Chingford, Essex.

A Junior Spurs member since the club was formed in 1982 he is also one of our East Stand season ticket holders.

Tim, who attends Whitehall Primary School, Chingford, not only enjoys football and golf but also spends his spare time playing for his School team, also Ridgeway Rovers and has now been picked for his district team Waltham Forest.

Tim's favourite player here at the Lane is Graham Roberts.

THE MANAGER

JOHN MOORE was appointed manager of Luton Town last May and is therefore in his first season of League management.

A determined Scotsman who spent his playing career as a defender, John wore the colours of Motherwell in the Scottish League before leaving the Fir Park Club to sign for Luton at the end of season 1964-65.

He remained on the playing staff at Kenilworth Road until the end of season 1973-74, spending the next campaign with Northampton Town. During season 1972-73 he had a spell on loan at Brighton and Hove Albion from Luton.

Later he was invited to return to Luton by David Pleat in a coaching capacity, after a brief spell at Dunstable Town. John is sure to continue the club on the same progressive lines as previously.

TODAY'S VISITORS

Luton Town

By
LESLIE YATES

LES SEALEY (Goalkeeper). Luton secured his transfer from Coventry City in August, 1983. He's a Londoner from Bethnal Green and a cousin of Alan Sealey, the former West Ham United winger. He developed through the apprentice ranks at Coventry and made his League debut away to Queen's Park Rangers in April, 1977. In season 1984-85 he played six League matches on loan to Plymouth Argyle.

TIM BREACKER (Defender). Born at Bicester and developed through Luton's apprentice ranks to become a full professional in August, 1982. Made his League debut away to Ipswich Town in March, 1984 and has since established himself as a

senior player. Was in the Luton team that beat Spurs here last season.

STEVE FOSTER (Defender). Transferred to Luton from Aston Villa in November, 1984. Born at Portsmouth, he developed through the apprentice ranks of the Portsmouth club to full professional status, and later joined Brighton and Hove Albion. Attained full international status as a Brighton player, making three appearances for England, and was in Brighton's F.A. Cup final team with Gary Stevens in 1983. Left Brighton for Villa in March, 1984.

MAL DONAGHY (Defender). A well-established Northern Ireland international who was born in Belfast and joined Luton from Larne,

the Irish League club, in June, 1978. Made his first appearance in Luton's home match with Oldham Athletic on the opening day of the following season. His full first name is Malachy. Wore the No. 6 shirt in the League match here last season.

ROB JOHNSON (Defender). Drafted into Luton's League team last season and held a regular place towards the end of the campaign. Born at neighbouring Bedford and can therefore be classed as a local discovery. Signed as a full contract professional in August, 1985 and has therefore made rapid progress. Was in Luton's team against Spurs at Kenilworth Road last April.

ASHLEY GRIMES (Defender). A full Eire international who was born in Dublin and made his name with Manchester United. Had previously played for Bohemians, who transferred him to United in March, 1977. Left United for Coventry City in August, 1983 and made the further move to Luton in August, 1984.

ROBERT WILSON (Midfield). Transferred to Luton from Millwall just before this season opened. A Londoner from Kensington, he started his career as an apprentice with Fulham, making 175 League appearances for the Cottagers before moving across South London to Millwall in August, 1985. Made 28 League appearances for Millwall last season, scoring 12 goals.

DAVID PREECE (Midfield). Born at Bridgnorth and established himself as a League player with Walsall. Developed through the apprentice ranks at Walsall, making 111 League appearances for the Staffordshire club before moving to Luton in December, 1984. Atones for lack of physique with skill and effort.

PETER NICHOLAS (Midfield). Transferred to Luton from Crystal Palace in January, 1985 and made his debut for the Hatters against Spurs at Kenilworth Road the same week. A full Welsh international, he was in the team that drew with Finland in

BACK ROW (left to right): Marcus Tuite, David Preece, Mark Stein, Emeke Nwajioobi, Mark North, Ricky McEvoy, Rob Johnson.

MIDDLE ROW: Jim Ryan (Coach), Tim Breacker, Les Sealey, Mick Harford, Stacey North, Andy Dibble, Mike Newell, John Faulkner (Coach).

FRONT ROW: Ray Harford (Coach), Ricky Hill, Mal Donaghy, Steve Foster, John Moore (Manager), Peter Nicholas, Brian Stein, Ashley Grimes, Dave Kirby (Physiotherapist).

Helsinki last month, and is also a former Youth international. Developed through the apprentice ranks of Palace and returned to the Selhurst club after a spell with Arsenal. Was contemporary with Clive Allen as a Palace player. Born in Newport.

RICKY HILL (Midfield). A full English international. Born in London and developed through Luton's apprentice ranks to achieve full professional status in May, 1976. At that time he had already made his League debut as a substitute in a home match with Bristol Rovers in the preceding month. He celebrated that debut with a goal in a 3-1 win. He made three appearances in the full England team.

BRIAN STEIN (Forward). Attained full

English international status three seasons ago. Born in Cape Town, South Africa, and joined Luton as a full contract professional in October, 1977, having previously played for Edgware Town. Made his League debut for Luton as substitute away to Mansfield Town in the Second Division in November, 1977. Currently under suspension.

MIKE NEWELL (Forward). Transferred to Luton from Wigan Athletic last January and made his first League appearance for the Hatters in that month away to Chelsea in the No. 9 shirt. A native of Liverpool and he started as an amateur with the Liverpool club but made his League debut in the colours of Crewe Alexandra. He made 72 League appearances for

Wigan before moving to Luton.

EMEKE NWAJIOBI (Forward). Born in Nigeria but played for Dulwich Hamlet before signing for Luton in December, 1983. Adapted quickly to First Division football, making his League debut in January, 1984 at home to Nottingham Forest and scoring a goal. His first full name is Chukwuemeka.

MARK STEIN (Forward). Younger brother of Brian Stein and also born in Cape Town. First signed as a non-Contract Player for Luton in July, 1983 and first appeared in their League team in the No. 9 shirt at home to Everton in April, 1984. Made two League appearances on loan to Aldershot last season.

STAR OF OLD

BERNARD STRETEN was a great favourite between the posts for Luton.

Although born at Gillingham, he was a product of Norfolk junior football and went on to gain goalkeeping distinction with Notts County and Shrewsbury Town, winning amateur international recognition.

In season 1946-47 he commenced his successful spell of service with Luton and in 1949 gained a full England cap against Northern Ireland on Manchester City's ground. England won 9-2!

Streten served in the R.A.F. during the war and after his League days were over he played for King's Lynn. He played here in the League for Luton against Spurs on a number of occasions in the seasons just after the war.

FLASH

5 YEARS AGO: Two goals from Mark Falco, plus a single from Mike Hazard, gave Spurs a 3-0 victory over Nottingham Forest at White Hart Lane. Luton also achieved a 3-0 victory — away to Orient in the Second Division. Mark Aizlewood, Ricky Hill and Steve White were their scorers.

10 YEARS AGO: We got off to a fine start at West Bromwich, goals from Chris Jones and Peter Taylor giving us a comfortable 2-0 interval advantage. But, after Tony Brown had converted a 52nd minute penalty for the Throstles, they hit back hard. Mick Martin scored twice and Ray Treacy added to the home side's score as Spurs eventually went down 2-4. Luton were beaten in a Second Division game at Plymouth by a penalty scored shortly after the interval.

20 YEARS AGO: A set-back at White Hart Lane when Ian Collard scored for Ipswich in the 16th minute. It wasn't until we were 13 minutes into the second-half that Martin Chivers equalised. Martin Peters scored our winner about a quarter-of-an-hour from the end.

Luton's Second Division game at Hull ended 0-0.

BACK

MEMORY JERKER

It would seem that the record-buying public has always had a special place for groups of youngsters from the same family. In the seventies the Osmonds had great success; then along came the Jacksons. In the eighties, it would appear that Five Star are beginning to assume that mantle, but let's not forget those five young men who burst onto the scene exactly four years ago — achieving a Number One record with their first release: **MUSICAL YOUTH.**

MUSICAL YOUTH

TODAY'S MEMORY JERKER

DJ WILLIE MORGAN presents this afternoon's edition of the Spurs Memory Jerker at 2.45 pm in which we go back to this week four years ago, when our visitors were Coventry City for a match that will long stay in the memory of Garry Brooke, who is now with Norwich City. Top of the Charts that week, according to the Guinness Book of Hit Singles, were **MUSICAL YOUTH.** All records played at White Hart Lane are available from branches of **OUR PRICE RECORDS**, all over London and the South East.

GOALS POWER

Luton Town

Luton are becoming a "second-half" team. Most of their goals come after the interval with a large percentage being scored in the closing 15 minutes — as was last Saturday's winner against Manchester City.

OUR NEXT MATCH

PREVIEW

MISERABLE START BY TYKES

Barnsley will be coming to White Hart Lane looking for some Cup relief to what has been a miserable season so far. The Tykes lost their opening six League matches, they have been on the bottom of the Second Division all season and they were knocked out of the Full Members' Cup at the first stage by Sunderland on penalties.

The Yorkshire side produced one of its best performances against Spurs in the first-leg of the Littlewoods Cup at Oakwell. Spurred by their best crowd (9,979) of the season, they scored twice. Even though they come to White Hart Lane next Wednesday trailing by 2-3, they are expected to have a go at us as they have nothing to lose now.

It was certainly been a worrying season for manager Allan Clarke, the former Leeds and England striker. During the summer he lost two of last season's leading scorers. Ian Walsh and David Hirst scored 24 goals between them and Mr Clarke (pictured) has certainly had a few problems in finding a new combination up front.

Winston Campbell, Rodger Wyld, Steve Agnew and Ian Chandler have all been used at centre-forward and, though Steve Lowndes — the Wales international signed from Millwall this summer — has been playing up front, their most consistent goalscorer has been Stuart Gray, who has been playing in midfield and defence. He got both of their goals against Spurs.

The defence has looked reasonably secure and has been playing together for much of the season. Larry May and Paul Futch are dominating figures in the centre with Joe Joyce at right-back and either Paul Cross or Stuart Gray at left-back. Clive Baker is in goal.

When results continued to disappoint, Mr Clarke signed Jim Dobbin, a midfielder player, from Doncaster and gave young Ian Chandler and Darren Foreman their first taste of League football. Another debutant was Mark Ogley, who played a couple of games at centre-back when May was unavailable.

Barnsley failed to score in any of their opening three away games in the Second Division, going down at Oldham (0-2), Millwall (0-1) and Shrewsbury (0-1).

They did manage to score at Shrewsbury in the Full Members' Cup, a goal from Stuart Gray giving them a 1-1 draw at the end of extra-time. But they then lost 7-8 on penalties.

On paper, Barnsley appear to have little chance of saving the Littlewoods Cup tie for they would need to score at least two goals — and that's double what they managed in their first four away games of the season.

But, of course, we can expect them to change tactics here. They will come looking for an early goal but, by committing more men to attack, they will take the risk of leaving gaps in that usually sound defence.

It promises to be an interesting cup-tie — with the expectation of a few goals. And we shall be looking forward to a big crowd to support the team in its effort to move into the third round.
