# RAY'S REVIEW

A very special welcome this afternoon for our Bank Holiday fixture with our near neighbours Watford. It is our first home match since that memorable day at Wembley on April 24 when we won the Littlewoods Cup and before I mention anything else I must thank all our many supporters for the fantastic backing we received at Wembley and the reception we have had since bringing the cup home to Luton. Watford, however, who were promoted with us in 1982, have experienced a season of entirely different fortunes and will kick-off in the Second Division in August. For the sake of our healthy and friendly rivalry, let us all hope they are able to bounce straight back.

## Credit the players

Wembley against Arsenal was a fabulous day for everyone connected with Luton Town. I was delighted not only that we won, but that we won in the right manner and style. We wanted to play to our own strengths, to attack and to entertain and, for me, it was very satisfying to see the team perform so well. Our performance certainly helped to wipe out the memories of our earlier visits to Wembley and I was thrilled that we could give everyone who has supported the club so long something to really shout about. I always felt confident that the players had the skill, ability and knowledge to win. They have been a credit to the club all season with their level of professionalism and the Littlewoods Cup win proved how well they can play away from home on a natural grass surface.

It was a team performance and, for that reason, I do not want to praise individual players. They all played a full part on a day when I felt we devised the right tactics and deserved to gain a result. It is easily the greatest achievement of my career. To win in such a way in a major cup final at Wembley is something that can never be beaten. Let us hope our spirited and skilful team can carry on in the same vein today - I write these notes before our visit to Norwich - and produce more memorable football. Enjoy the match. Thank you for your support.

### THE FOOTBALL GROUNDS IMPROVEMENT TRUST

During the past thirteen years, over £35 million has been spent by the Football Grounds Improvement Trust on safety and improvement work at League grounds throughout Britain. This money has been raised entirely from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers. FGIT's primary objective is to bring Britain's football stadia up to the highest level of safety possible. We take this opportunity to trace the progress of the organisation.

Last month Tom Wharton, Chairman of the Football Grounds Improvement Trust, announced that grounds in the United Kingdom had reached their highest ever level of safety. Commenting upon the progress made, Mr Wharton confirmed: "Three years ago, shortly after the Bradford City disaster, it was suggested that many League clubs would have to close. As a result of our safety programme, not one ground has been closed and football has come through perhaps its most serious period in relation to spectator safety."

Having invested £35 million, the Football Grounds Improvement Trust has become an integral part of the professional game. During the past three years alone, no fewer than 2,500 applications for grant-aids have been serviced, with every single League club throughout the

United Kingdom offered assistance in their endeavours to raise the level of safety and comfort at grounds.

The work of FGIT is visible throughout the League with the new stands at Watford, covering at Everton and Sheffield Wednesday and disabled facilities at a number of clubs including Hartlepool each a testament to the pools funded organisation.

The Football Grounds Improvement Trust was formed by the PPA in 1975 as a direct response to Parliament's passing of the Safety of Sports Grounds Act after the 1971 Ibrox Disaster in which 66 football fans were killed. "We're proud of our role," Chairman Tom Wharton stated. "We've gone a long way in helping our clubs make grounds safer and more comfortable for supporters."

The progress made has not been restricted to the professional game. Spotting-the-Ball contributes over £9 million each year to provide for the benefit of football at every level. Initiatives such as building pitches, providing changing accommodation, safety at non-League grounds, research into hooliganism, closed circuit television, the cost of policing League matches and sometimes even paying for park team kit is all funded by the sister organisation The Football Trust.

## EEE AYE ADDIO

### Arsenal 2 Luton Town 3

Brian Stein and Andy Dibble were the Town heroes on April 24 when the club enjoyed its finest hour in 103 years by beating holders Arsenal to win the Littlewoods Cup at Wembley.

In front of 95,732 fans, the Hatters produced a performance to grace the national stadium on a sunlit spring afternoon and a finish to leave everyone gasping for breath. "This is it," said chairman David Evans, MP, afterwards at the club's celebration dinner at the Savoy Hotel, "this is the greatest day in the club's history."

Brian Stein, in his benefit year, shot the Town in front after 13 minutes when a David Preece free-kick was half-cleared from Mick Harford's challenge to Steve Foster. His short oblique pass sent Stein into space and a low shot beat John Lukic.

Arsenal had nothing in response and could have been two or three behind when, after Mick Harford had limped off injured on the hour, they stormed back on terms. In a 10-minute spell, substitute Martin Hayes and striker Alan Smith scored and Dibble made three brilliant saves, including a penalty stop from Nigel Winterburn.

But Luton were not out and in a spirited late revival drew level at 2-2 when Mark Stein, Kingsley Black and Brian Stein helped create the chance for Danny Wilson to head the equaliser. It was all over with only seconds remaining when substitute Ashley Grimes did superbly to make room and cross, with the outside of his left boot, from the right wing. Brian Stein moved first and his crisp half-volley clinched the Littlewoods Cup for the Town.

**Teams:** Arsenal - Lukic, Winterburn, Sansom, Thomas, Caesar, Adams, Rocastle, Davies, Smith, Groves (Hayes 60), Richardson.

**Luton** - Dibble, Breacker, Johnson, Hill, Foster, Donaghy, Wilson, B. Stein, Harford (M. Stein 60), Preece (Grimes 77), Black.

## Mal Donaghy Testimonial Year

A provisional calendar of events has been arranged by the Mal Donaghy Testimonial Year committee for the new season starting in August. The highlight is planned to be a testimonial match against the Northern Ireland international team. Other planned events include a Dinner and Dance in September, a Sportsman's Night with a celebrity sporting speaker, an Irish evening with Brendan Shine and Irish dancing groups, a Boxing Night on March 1, 1989, at the Queensway Hall, Dunstable, and a Golf Day on Dunstable Downs on April 27, 1989.

## Brian Stein Benefit Match Luton Town v Aberdeen

This match was scheduled to take place last week but was postponed because of international commitments. The Brian Stein Benefit Year committee now plan to arrange the fixture for August, 1988. Brian's two-goal match-winning performance for the Town against Arsenal in the Littlewoods Cup final highlighted his loyalty and dedication to the club for a decade and the committee hope all the club's fans will be able to support his testimonial match. The Aberdeen team is one of the strongest in Scotland and, of course, includes our own former midfield favourite Peter Nicholas.

# THE TOWN

## NO SUPERLATIVES LEFT AFTER OUR WEMBLEY TRIUMPH

No-one attached with Luton Town in any capacity, whether a fan, on the staff, a player or a steward, could fail to have felt elated by the victory at Wembley. It was a superb moment for us all and one that we shall all remember for the rest of our lives.

Players win cups and we cannot thank our team enough for their great efforts in not just the final but the run all season to reach the final. I am sure all our fans feel the same, particularly those who have followed the club for a long time and been on fruitless journeys to such outposts as Rochdale, Darlington or Torquay in our Fourth Division days.

### Fixture pile-up

The style of the victory was splendid and satisfying, but we now have the job of working our way through seven fixtures in a short space of time, as I write. It is the penalty of success! Then we can look forward to a tour of Florida, a youth tour in Holland and a pre-season tour of Sweden.

One other excitement was the interest shown by two international managers, Bobby Robson of England and Billy Bingham of Northern Ireland, in Kingsley Black. Kingsley talked things over with our manager and showed great maturity before electing to join his two colleagues Danny Wilson and Mal Donaghy.

Our youth side were not able to retain the Southern Junior Floodlit Cup, but did everything possible in

an honourable exit at Loftus Road to hang on. Following that, Neil Poutch has won a call-up to the Republic of Ireland youth squad to meet Finland on May 10.

In the aftermath of Wembley, we have been delighted with congratulations, but one in particular we enjoyed came in a telegram from Raddy Antic in Yugoslavia. It was nice to be able to respond by congratulating him on his appointment as manager of Real Zaragoza for next season in Spain.

Finally, the Littlewoods Cup itself, which was unfortunately damaged. I noticed it had an apparent weakness when we received it and it did not stand up to the stress of victory. The stem broke, but it has been sent to professional repairers by Littlewoods who, like the Football League, fully understood the problem.

### Sponsors

Today marks the launch of the Luton Town Corporate Club (LTCC) – a new initiative developed specifically for local businesses by the Luton Chamber of Commerce and Luton Town Football Club.

By working together, the LTCC aims to increase season ticket sales and demonstrate to companies the benefits of using the football club's facilities on non-match days.

For further information on the LTCC please telephone Anne Lacey on 0582 416943.

## CAPTAIN'S DIARY

STEVE FOSTER

### Great day

What a tremendous day it was for everyone at Wembley when we won the Littlewoods Cup against Arsenal. I hope the occasion has well and truly wiped out the disappointment of the earlier visits and set the club on course for the future. It was a tremendous team effort and our supporters were fantastic.

We proved what we wanted to – that we can play well anywhere and beat the best – and we did it in the best possible way. It was a very emotional occasion as well as exciting and, as I am sure a lot of people saw on television, Ray Harford, our manager, got so excited he ended up in the bath!

### Fightback

At one stage, it didn't seem it was going to be our day after we had done so much to control the game, but we fought back brilliantly. It is a great triumph for the club after so long in the hunt for a major trophy.

On Monday last week we had the tour of the town in an open-top bus and the civic reception. The turnout in the town centre to greet us was absolutely fantastic again and all the lads really appreciated it. I hope we are able to set up another big occasion feeling today. Get behind us again and enjoy the match.

# Introducing 5-wheel drive.

As you can see, this is not some new kind of vehicle for negotiating rough terrain.

It is, in fact, Saginaw Tilt Wheel Steering.

A special feature that can alter the way a car fleet is run.

The wheel adjusts to five separate positions.

So, from a driver's point of view, it can make life more comfortable.

In turn, making driving far safer.

(Added to which, a unique Saginaw energy-absorbing column comes as standard.)

Changing the angle of the wheel takes no effort whatsoever.

By moving a small lever on the steering column, it can be set to the ideal position.

Tilted down, it's easy to imagine what a fast sports car feels like.

Tilted up, it's like being behind the wheel of a London bus.

This last position also provides more leg room, so getting in and out of a car becomes a much simpler exercise.

But it's not only the fleet driver who benefits from Saginaw Tilt Wheel Steering.

Fleet Managers do, too.

Because every car it's fitted to will adapt to many more people.

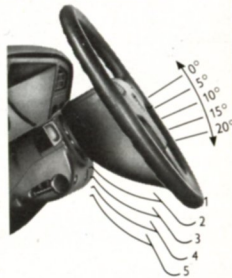

Allowing drivers and cars to be inter-changed quite easily.

And giving a fleet greater flexibility.

There aren't many extras that can do that. And certainly not for just £82 (plus Car Tax plus VAT).

So give us a call on 0800 626171.

And find out more about 5-wheel drive and how it handles.

**Degrees more comfortable. Degrees safer.**

AVAILABLE AS STANDARD OR OPTIONAL EQUIPMENT ON MOST NEW VAUXHALL CARS.

# WEMBLEY EXTRA

## How we won the cup!

- **On their way:** Ray Harford and Steve Foster lead the team out at Wembley.

- **The captains meet:** Steve Foster and Tony Adams shake hands before the start.

# THE ACTION FROM OUR LITTLEWOODS CUP WIN

- **Number one:** Brian Stein in his testimonial season, is mobbed by his team-mates after putting the Town ahead.

- **Unlucky:** Ricky Hill, back after his broken leg, fires narrowly wide during our dominant opening to the second half.

- **Back on terms:** Brian Stein fires in his shot and John Lukic saves...

- ...but Brian manages to recover and get in another cross towards the middle...

- where Danny Wilson stooped to equalise with a header which made the score 2-2.

# CELEBRATION TIME!

• That wonderful winning feeling after 103 years: Luton Town capture the Littlewoods Cup.

# WEMBLEY QUOTES

**Ray Harford:** "That finish took my breath away. I feel strange. I find this all hard to handle. I cannot sort out my emotions. I cannot smile, laugh or joke. The photographers came up to me and I just couldn't react for them. I'm delighted but I don't know how to celebrate. It's like a dream. Really weird."

"This means everything to Luton, European football and new players. We have knocked the knockers who said we couldn't play away from our plastic pitch."

**Brian Stein:** "It is the greatest day of my life. I've been here for 10 years and I've been waiting for something like this. It is tremendous. Fantastic. We wanted to do ourselves justice at Wembley after our disappointments here and we have done that."

**Andy Dibble:** "I knew it would have been curtains for us if I had not stopped the penalty. We would have been finished. But this has all been a fairytale. Until today, it was a heartbreak for me ever since I moved from Cardiff two years ago. I just haven't been able to get into the side."

"The boss told me on Saturday he had not made up his mind who to play in goal. Les who was almost fit, or me. So I rang home to tell my parents that I didn't think I was in. When I was picked I couldn't believe it."

"After the game, I just ran round Wembley trying to pick Mum and Dad out in the crowd... Now I want first team football. I am looking forward to that next few matches. This is all like a dream come true."

**Ray Harford:** "When the penalty came, I thought we were dead, but we deserved to win. It would have been a bigger gamble to play Sealey than Dibble and it was an even bigger gamble to play young Kingsley Black. But Black was sensational. He takes my breath away because he has so much talent."

**Brian Stein:** "I couldn't believe it when I scored the winner. I asked the referee how long was left and he just blew the whistle."

**Ricky Hill:** "It's a dream come true. I was actually looking forward to extra time when we got the winner. I didn't know how long was left. I asked the ref and he said 30 seconds. I couldn't believe it."

"Then I asked him again at the kick-off and he said 15 seconds. I knew that was it. They couldn't come back. It is absolutely great for everyone connected with the club."

**Mal Donaghy:** "We have waited a long time for something like this. It was a really great team performance and is obviously the highlight of my career."

**Mick Harford:** "This is the best. The tops. When the season began, I had two dreams, two ambitions – to play in a cup final for Luton at Wembley and to win an international cap for England. I've achieved both and it is magic. The fans were really great."

**Kingsley Black:** "It is a very great day for everyone at Luton, I had a lot of nerves and butterflies before the game and I was looking forward to playing. It was a really great occasion and we deserved to win."

**Former Luton Striker Malcolm Macdonald:** "Amazing. An incredible finish and a great match. One of the best finals I have ever seen. I feel very proud for the club and the town. It's been a long time coming, but is very well deserved."

It has always been our policy to encourage and assist local charities and in addition to the financial support from the sponsoring companies, we shall be adding further support with a collection today around the ground. All proceeds are towards a Special Intensive Care Baby Unit for the Luton & Dunstable Hospital. I hope all our supporters will recognise the worthiness of the appeal and we at Kenilworth Road can give the appeal every encouragement and our usual generous backing.

## COACHES' CORNER

### YOUTH TEAM GO DOWN FIGHTING IN SOUTHERN JUNIOR FOOTLIT CUP FINAL

Our youth team were unable to retain the Southern Junior Floodlit Cup they won last year when they were beaten 1-0 on aggregate in the final against Queen's Park Rangers last month. The home tie on April 14 was the decisive one, a last-minute goal in injury time earning Rangers the victory that won them the trophy.

Overall the Town youngsters looked like the better side in both legs, but luck was not with them and during the second leg, which they dominated for long spells, it was impossible to find the net. They hit the post and forced the Rangers defence to desperate measures but could not score.

Even the Rangers officials admitted afterwards that the impressive Town players had done enough to earn a result. Coach John Faulkner said: "The main thing is that we showed we have a lot of good young players with a very bright future."

*The club wish to thank  
our youth team sponsors –*

**Richardson & Bottoms Ltd.**

The reserves also suffered a disappointment in their last outing when they went down 4-1 at Southampton on April 23. A solitary David Oldfield goal was scant reward for a lot of good football and long periods in which the young Hatters dominated the match.

Oldfield struck in the first half to equalise the Saints opening goal, but the Town forwards were unable to score again despite having much of the game.

Team: Lansbury, Poutch, Pembroke, McEvoy, Barker, James, Rees, Allinson, Oldfield, Scott, Tighe. Sub: Hughes.

# INTRODUCING...

## WATFORD

Today we welcome a Watford side destined to return to Division Two after six seasons during which they have established themselves as a First Division outfit in terms of the success and respect won on and off the pitch, writes *Geoff Allmann*.

Founded in 1898, from two earlier clubs, Watford joined the Southern League in 1903 and topped the table in 1915 before becoming founder-members of Division Three (South) in 1920.

They had to apply for re-election in 1927, but were in the top half dozen in the table in each of the last five seasons before the war and in this period between the wars some well-known players wore their colours, amongst them Frank Barson of Aston Villa and Manchester United fame and prolific striker Tommy Barnett.

### 'Pat Jennings began his career at Vicarage Road'

They had to apply for re-election again in 1951, alongside Crystal Palace, slipped to Division Four in the reorganisation of 1958 and then won promotion in 1960 with Cliff Holton amongst the goals. Soon afterwards Pat Jennings began his illustrious career at Vicarage Road and then after several seasons as a leading Third Division club they climbed to Division Two for the first time ever in 1969.

They stayed up for three seasons, slipped to Division Four again in 1975 and then, with the arrival of Graham Taylor in 1977, embarked on the most successful period in their history.

During Graham's ten years at the helm they climbed out of Division Four in 1978, out of Division Three in 1979, and out of Division Two in 1982 to reach Division One for the first time ever.

There they ended up runners-up to Liverpool in 1982-83 before reaching the FA Cup final a year later and losing 2-0 to Everton at Wembley. They have finished 11th, 11th, 12th and 9th in the last four seasons but things have not been the same since Graham Taylor's move to Aston Villa last May.

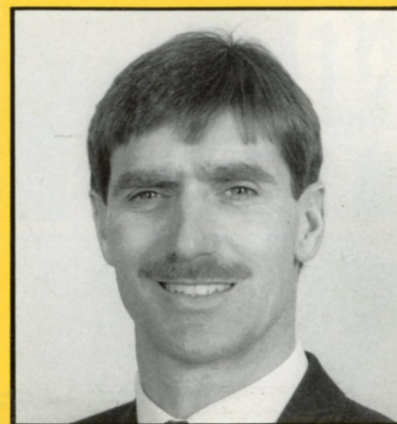

### 'Consistent success has eluded both Dave Bassett and Steve Harrison'

Neither Dave Bassett, who was in charge at the start of this season, nor Steve Harrison, Graham Taylor's former assistant, have achieved any consistent success and they have won only seven games up to the time of writing though interestingly they have done the double over both Arsenal and Wimbledon.

They also of course succeeded in the FA Cup in January and went on to beat Port Vale in round five before going out at Wimbledon.

Back Row: Kenny Jackett, Gary Chivers (now at Brighton & Hove Albion) Glyn Hodges, Tim Sherwood, Iwan Roberts, Trevor Senior (now at Middlesbrough), Steve Terry, Dean Holdsworth, Peter Hetherston (now at Sheffield Utd). Middle Row: Worrell Sterling, Malcolm Allen, Mark Morris, Cliff Powell (now at Sheffield Utd), Tony Coton, David Holdsworth, Mal Rees, Paul Rumble, Luther Blissett, Chris Pullan, Nigel Gibbs. Front Row: Kevin Richardson, Wilf Rostron, Tony Agana (now at Sheffield Utd), Steve Harrison (Manager), John McClelland (Club captain), Tom Walley (First Team Coach), Gary Porter, Liburd Henry, Neil Doherty.

Born in Blackpool on December 26th, 1952, Steve Harrison began his career as an apprentice with his home town club, and was taken on as a professional on his 18th birthday.

A defender, he made 141 League appearances at Blackpool, before being released to join Vancouver Whitecaps in Canada. In the autumn of 1978 he returned to England to join Watford, making his debut in a 4-2 home win over Oxford United on Saturday, September 23rd. Steve went on to make a total of 27 appearances for the Hornets that season.

He was later given the Watford captaincy and finished his Watford playing days at the end of the 1980-81 season, with 101 senior appearances. He then joined Charlton Athletic where he played for one season before returning to Watford - this time on the coaching staff.

Trevor Senior, signed from Reading during the close season and now at Middlesbrough, got the winner at Coventry in the FA Cup-tie while another big signing recently has been Stuart Rimmer from Chester.

He may be looking for goals today as may long-serving Luther Blissett, who first played for Watford in 1975-76 and is now in the third season of his second spell since returning from AC Milan.

Welsh international Malcolm Allen has been seen as substitute recently while another Welsh cap Kenny Jackett netted in the recent 1-1 draw against Newcastle. He is likely to be linking up with Martin Kuhl (signed this season from Birmingham) and home-grown Chris Pullan.

In defence, John McClelland cost a six-figure fee from Glasgow Rangers four years ago and he is likely to be linking up with former Wimbledon man Mark Morris in the centre with Nigel Gibbs, an England Under-21 cap and Wilf Rostron, a former Arsenal and Sunderland man, with over 350 games for Watford behind him, on the flanks and Tony Coton in goal, in his fourth season since moving from Birmingham. Coton, athletic and agile, is rated as one of the top keepers in the country.

# JUNIOR HATTERS!

**BY BRIAN STEIN**  
**WE HAVE WON THE CUP**

Well, we have done it. We won the Littlewoods Cup Final at Wembley! What a day it was for me – scoring the winning goal to make this the first major cup that Luton has won in the clubs history. The lads really enjoyed the day and we thought our fans were great

Once we got over the butterflies in our tummies we started to play good football, and on the day I thought we deserved to be the winners although we left it a bit late with the winning goal scored in injury time.

On Saturday May 7th the Junior Hatters are running a coach to Southampton to see us play and the Junior Hatters football team will be playing the

Junior Saints of Southampton in the morning.

So come and have a day out and support both teams. Book from the Souvenir Shop in Oak Road.

Tonight's lucky Junior Hatters membership number is J004965. The lucky member should contact Bev Tyler in the Souvenir Shop in Oak Road with his or her membership card for two free tickets to one of our home games.

It was nice to see so many of you in the Town centre on Monday for our homecoming with the cup. The lads were delighted with the turnout.

Today we give a warm welcome to Watford and Ann Swanson with the Junior Hornets who are our guests for today's game. Please make them welcome.

## ARSENAL SHOWN THE WAY TO PLAY

Our victory at Wembley over Arsenal earned the team and the club a generous ration of praise from the national media. In Views from the Media today, we reflect them in the column written by James Lawton for the Daily Express of Monday, April 25, 1988.

"Let's kill one myth after a great Littlewoods Cup final.

It is the idea that victory for underdogs Luton can be explained only in terms of courage and emotion.

Luton won because they played superior, more varied football. They passed to feet. They got wide. When the physical pressure of Arsenal allowed they played creatively out of defence. They did many of the things that Liverpool do with their much greater resources – and Arsenal don't. In the end they gave Arsenal, a club so rich in playing strength, a biting lesson. They showed that power without subtlety may give you a high place in the League, more wins than losses, but it will not take you to the high ground of the game on a consistent basis.

Luton manager Ray Harford made a series of risky decisions. He played Ricky Hill and David Preece with no guarantees that they would survive anything like a substantial part of the action.

He sent out teenager Kingsley Black in the full knowledge that he could well turn to jelly in the great stadium.

Harford picked Hill and Preece because they are skilful passers of the ball.

He chose Black because the kid loves to run wide, take on defenders and put in the hurtful crosses. He knew he couldn't beat Arsenal with power. But with skill, a little subtlety, well, he might just have a prayer.

It's true that Arsenal came on formidably – especially after the arrival of Martin Hayes – and that Luton's goalkeeper Andy Dibble kept his team alive late in the second half. But let's not forget that Luton came so close to killing off Arsenal early in the second half, John Lukic saving superbly from Brian Stein and then being at the mercy of his brother Mark.

# LUTON TOWN GOALDEN OLDIES

## TRAUMA OVER AS TOWN AIM FOR THE TOP IN 1978-79

After the traumas of 1978-79 when David Pleat's new side narrowly escaped relegation to Division Three it was hoped that without the injury problems that had dogged the Town for more than six months something better could be expected in the new term, *writes club statistician Roger Wash.*

The summer signings included Mike Saxby from Mansfield and, in one of the first tribunal set decisions, Tony Grealish from Orient. With David Moss fully fit again the squad had a rather more powerful look about

it especially in midfield and defence where the injury list had been the longest in the previous season.

We did not start off too well, drawing with Cambridge at Kenilworth Road in the opening game, and then losing at Bristol Rovers. Three straight wins then remarkably put the Town top of the table for the first time since 1954-55.

The home win over Orient was unremarkable, the away win at Leicester well earned but the 5-0 thrashing of a Swansea side that was rampaging

• **Tony Grealish:** Midfield signing.

through the Divisions caught the imagination as the team played in the true 'Pleat style' for probably the first time.

### 'A fine win which had all the hallmarks of our cavalier approach'

A pair of 0-0 draws then followed but the Town bounced back with a 3-1 win at Fulham which bore all the hallmarks of the cavalier approach we were all to enjoy many more times before the season ended.

Typical of this approach were the two home wins over Bristol Rovers and Sunderland with the Town 3-0 up at half time against Rovers after producing a scintillating performance and then beating the 'Wearsiders' 2-0 before the TV cameras in a game where David Moss could do no wrong.

Back at the top of the League the following week was the Town's reward for a fine 2-1 win at West Ham with the position being maintained for a month despite a spate of home draws which included a 1-1 result against QPR and producing the highest crowd of the season at that stage - 19,619.

As Christmas approached the Town went off the boil a little and the home record went when Birmingham won 3-2 at Kenilworth Road. This defeat was quickly followed by a 3-1 defeat at Wrexham and a 1-1 draw at home to Newcastle which pushed the Hatters down to third place.

Bouncing back yet again Charlton were seen off at home and with only seconds remaining in the Boxing Day derby game at Vicarage Road, full-back Kirk Stephens stole in on the far post to convert Bob Hatton's long cross for probably the sweetest victory of the season - it was also 'Bashers' first goal for the club.

The cavalier approach was probably best typified in the 3-3 home draw with Chelsea on New Years day 1980. The Town could have had six but for the post bar and dubious offside decisions but despite all that Chelsea were allowed to escape with a point we could ill afford to lose. Wonderful for the fans but Pleat was probably beginning to age considerably.

The home draws were still arriving with annoying regularity through February and March but by now the away wins that had compensated earlier in the season

• **Mike Saxby:** Stalwart defender.

were not forthcoming leaving the Town in a supporting role amongst the promotion contenders.

If one particular game can be pointed to as the reason for failure to win promotion that season then the home defeat by Cardiff on March 14th was it. A miserable evening, poor refereeing, clogging opposition which produced the only major injury crisis of the season and missed chances made it a game to forget.

### 'Easter saw a fine victory at Charlton' and a 1-0 win over Watford'

A ray of light shone through in the next away game when the Town recovered from a 2-0 half time defeat at QPR to snatch a point but this was followed by yet another home draw, this time with struggling Burnley.

Easter saw a fine 4-1 win at Charlton followed by what was to be the ritual 1-0 win over Watford and then with the last seconds tucking away at Stamford Bridge with the Town leading through an early Grealish goal Chelsea equalised after a scramble which saw the ball hit just about every player on the pitch and the woodwork.

The next away game proved to be the decider with the Town visiting promotion favourites Birmingham for a four pointer. In a remarkable game of missed penalties and missed chances the Blues stole the points with a 1-0 win.

The Town pushed everyone up in the last fifteen minutes and how the Birmingham goal survived only Jeff Wealands could tell you. A brave performance by the Hatters but a result that meant eventual promotion for the 'Blues' and a sixth position for ourselves.

After the injury problems of David Pleat's first season in charge it is remarkable to note that no fewer than eleven players made 39 or more League appearances in 1979-80.

• **Kirk Stephens:** Vital goal at Watford.
