## LUTON TOWN

## Welcome TO WHITE HART LANE

This evening we welcome Luton Town as another season at White Hart Lane comes to a close.

There can be no doubt that the past campaign has been disappointing on the field. Yet the summer break will ensure that we return in August with renewed optimism as the rebuilding plans of Terry Venables continue in earnest.

In welcoming our friends from Kenilworth Road we must pay tribute to their recent success in lifting the Littlewoods Cup after staging a remarkable comeback against Arsenal in the Final at Wembley.

### EAST STAND

The following pages of this programme contain details of our proposals for the future of the East Stand. A planning application has been lodged with the local authority seeking permission to upgrade and improve this side of the ground but, as we say overleaf, we want you the supporter to play your part in deciding how this necessary re-appraisal should take shape.

We have already had a meeting with representatives of the Spurs Supporters Club whose members have made their feelings known. For our part, we reiterate that our plans for that area of the ground are for the common good and indeed have been largely forced upon us by the inescapable fact that the structure has come near to the end of its lifespan.

We know that supporters will appreciate that fact and the reasons presented overleaf and, in that respect, are encouraged by these words in the recent edition of The Spur, the 'fanzone' available from the Supporters Club. The author comments: "It has been put to me that the decision can only really be for the good of the Club and, besides, who likes change anyway? This is a valid point, here the Club have an opportunity to make more money to improve our chances of success on the field by the purchasing of new players."

Full details of our proposed plans are featured overleaf. In conclusion, all that remains is for us to thank you for your greatly appreciated support this season. We look forward to seeing you back at White Hart Lane in August. Have a good summer.

# THE · FUTURE · OF · THE · EAST · STAND ?

Change and progress are inevitable and whilst the East Stand has stood proud for nearly 60 years, it is now nearing the end of its lifespan and a decision on the future has to be made.

The alternatives are to either demolish and completely re-build or a mixture of renovation and upgrading together with partial development within the existing frame which will afford the opportunity of retaining the building's existing character.

Either alternative would need to contain a number of new box facilities which would substantially subsidise the works to be undertaken with the total development option culminating in an all-seater

stand similar to that of the West Stand.

The alternative proposal would give us the option of retaining a standing area with a capacity for 8,000 supporters fully under cover, the Police having agreed to remove the East Terrace perimeter fence giving an unhindered view of the playing area. This concession has been granted by the Police on condition that there are no disturbances or encroachment on to the field of play in that area of the ground whereupon they would review the position.

The upper East Stand seating area would be

completely renewed, replacing the original timber flooring and seats with modern materials. Whilst, at the moment, approximately one-third of the seats have an obstructed view due to the existence of six supporting pillars, this number of disadvantaged seats would be greatly reduced by the reduction in the number of columns to two which would support a new roof of similar construction to that which exists on the West Stand.

In front of the new boxes, which would be

located on the Upper East Terrace, new seats for approximately 2,000 spectators would be installed.

A new floodlighting system would be incorporated above the East and West Stands which would replace the existing pylons, having been installed in the early 1950s and now sadly lacking in comparison to modern standards.

Refreshment areas, concourses and staircases, together with toilet facilities will be substantially upgraded, a new souvenir shop will be included, and the entire stand will be brought into line with the recommendations as laid down by the Safety of Sports Grounds Act 1975. The whole safety aspect will be much improved by the increased availability of fire-fighting equipment and other measures, such as the enclosure of stairways into protected shafts and access for fire engines onto the perimeter track, which have been incorporated into the overall design.

Looking even further ahead, a comprehensive long-term ground plan has been drawn up by the Club's architects to eventually replace the existing North Stand with a 'Kop' area for approximately 13-15,000 people with seating above. The entire area being covered by a roof design similar to that of the West Stand and proposed East Stand and at a similar height.

Incorporated into the design would be a totally segregated standing and seated section for the Family Area and Club Members.

A planning application has been lodged for the second alternative and your views would be welcomed as to which of the two proposals would be more acceptable together with any other suggestions you may have. **No final decision will be taken by the Club until all relevant views have been considered.**

Obviously our determination to purchase new players when appropriate will not be hindered by this major investment.

### RAY CLEMENCE

HERE is no need to press White Hart Lane's goalkeeping panic button in the wake of Ray Clemence's retirement. Who says so? None other than the great man himself.

Bobby Mimms may have had his critics since signing in February, but he receives a vote of confidence from Clem, who believes he has left the Spurs number one jersey in safe hands.

"Bobby has the potential to become a very good buy for the club," says Ray, who was forced to quit through injury five weeks ago.

#### IMRESSED

"In goalkeeping terms he is still quite young, though he gained a great deal of experience at Everton. He played against Liverpool in the 1986 F.A. Cup Final, and I was very impressed whenever I saw him play.

"At Goodison Park he always had the advantage of playing behind a secure defence, who were full of confidence. Unfortunately he joined Spurs at a time when the team lacked confidence. Subsequently he has been a little exposed.

"However I am sure next season, when he will have moved down and settled into a new house, we will see the potential everybody knows he has."

Clem, with 61 England caps to his name, is worth listening to. For twenty years he was at the top of his trade, and he fully appreciates the pressure of keeping goal for a top side.

Sadly he can do so no longer, though nobody will hear the 39-year-old former England and Liverpool keeper bemoaning his ill fortune.

"It is a shame that injury forced me to retire, but I was lucky that it came towards the end of my career, not in the middle," says Ray.

At least football fans will remember Ray at his peak. Last season he was playing as well as ever, never falling below the high standards he set himself.

#### OPERATION

The crunch came when he broke down in a Combination match at Brighton in March. An operation was needed on the ruptured achilles tendon which had kept him out of the first-team since October.

A specialist advised Ray not to play again, warning him if he attempted a comeback he might never walk properly again.

Clem is still on crutches and will remain in plaster until mid-June. Few would have thought Tottenham's 2-1 defeat at Norwich City on October 10, 1987 would prove to be Ray's last competitive match.

He has many fond memories, though. With Scunthorpe, Liverpool, Spurs and England, he established himself as one of the world's greatest post-war goalkeepers.

He set a British record of playing more than 1,100 competitive games and won countless honours.

"Season 1981-82 was the highlight of my time with Tottenham," says Ray. "We won the F.A. Cup, we reached the semi-finals of the European Cup Winners' Cup and the Final of the League Cup. Apart from that, we were also challenging for the title!"

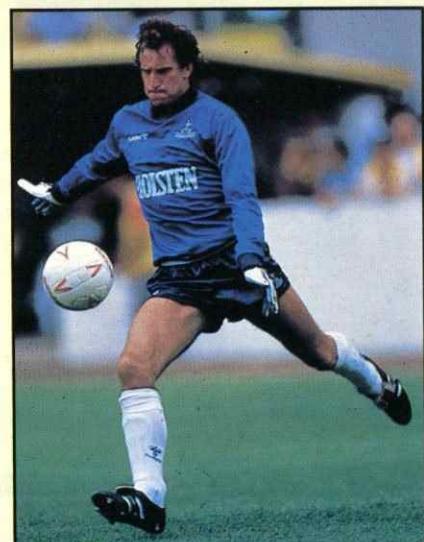

#### PRIDE

For personal satisfaction nothing could match the sense of pride Clem felt when he led England out at Wembley against Brazil in 1981. And from a team point of view he picks Liverpool's 1977 European Cup win against Borussia Moenchengladbach as one of his career's high spots.

Few could even dream about what Ray has achieved, and he has not ruled out the possibility of staying in the game as a coach or manager.

For the time being Ray has been kept busy with his own building business and regular visits to White Hart Lane to maintain his general level of fitness.

Ray and his family will not be moving from the London area, and he will always be guaranteed a warm welcome at Tottenham. Few people have given better service to football.

## LUTON TOWN

# Diary

*A detailed look at our visitors on a day-to-day basis over recent months.*

BRIAN STEIN

### JANUARY 1988

- 1: A goal apiece for the Stein brothers and one from Mick Harford avenge Luton's 3-0 defeat away to Chelsea earlier in the season, as the scoreline is reversed.
- 2: Luton visit a rain-soaked Upton Park and Mark Stein's goal earns them a point.
- 9: Luton begin their FA Cup campaign with a 2-1 victory at Fourth Division Hartlepool. Micky Weir and Darron McDonough are the Town's scorers.
- 16: McDonough is on target again as Luton beat Derby by the odd goal at Kenilworth Road.
- 19: Bradford are the next visitors to Luton for a Littlewoods Cup quarter-final. Steve Foster's free-kick 11 minutes into the second half sets the home side on their way, and nine minutes later Harford's header seals their place in the semi-finals.
- 30: FA Cup action again as Southampton go to Kenilworth Road for a fourth round tie. With just seven minutes remaining the Town find themselves a goal down, but late strikes from Ian Allinson and Brian Stein give them victory.

### FEBRUARY

- 6: An extraordinary match at Kenilworth Road as Luton beat Oxford 7-4. Mark Stein hits the first hat-trick of his career, aided by Harford (2), McDonough and Brian Stein.
- 10: Oxford are again the opponents, this time in a Littlewoods Cup semi-final at the Manor Ground. A superb strike from Brian Stein and a penalty save by Les Sealey earn the Town a 1-1 first-leg draw.
- 14: Luton suffer their first defeat since Boxing Day, when they go down 2-1 at Arsenal. Mark Stein hits their consolation goal.
- 16: Rookie striker David Oldfield scores twice as the Hatters defeat League champions Everton 2-1 at Goodison Park in the Simod Cup.
- 20: A Harford header forces a draw at QPR and sends their FA Cup fifth round match to a replay.
- 24: An own goal from Warren Neill is enough to send Luton into the quarter-finals of the FA Cup as they beat Rangers 1-0 in the replay.
- 28: Luton reach Wembley for the first time in 29 years as they beat Oxford 2-0 at Kenilworth Road in the second leg of the Littlewoods Cup semi-final. Brian Stein and Ashley Grimes are the scorers.

### MARCH

- 1: Double strikes from Harford and Brian Stein earn Luton a place in the Simod Cup semi-finals as Second Division Stoke are overpowered 4-1 at Kenilworth Road.
- 5: Back to League action and Luton visit Wimbledon and are beaten 2-0.
- 8: Luton qualify for another Wembley Final as they defeat Swindon 2-1 (after extra-time) to reach the Simod Cup Final. Once again, the Stein brothers are on target with a goal each.
- 12: Goals from Danny Wilson, Mark Stein and Harford earn Luton a comfortable 3-1 victory in the F.A. Cup Sixth Round.
- 15: Luton are defeated 4-0 by last year's F.A. Cup winners, Coventry, at Highfield Road.
- 27: Luton are defeated by Second Division Reading in the Simod Cup Final at Wembley. Harford gives the Hatters an early lead but they are beaten 4-1.
- 29: The Town salvage some pride by thrashing Portsmouth 4-1 at Kenilworth Road. The Stein brothers and Wilson are on target, along with Paul Mariner who scores in his own net.

### APRIL

- 2: Luton concede four goals for the successive time away from Kenilworth Road as they are beaten 4-0 by Newcastle.
- 5: Sealey and McDonough are both injured as Luton draw 2-2 at home to Sheffield Wednesday. McDonough and Brian Stein are the scorers.

9: Luton's last visit to White Hart Lane ends in heartache as Wimbledon come from behind to beat them 2-1 in the F.A. Cup semi-final. Wembley beckons when Harford fires the Hatters into a 48th minute lead, but a John Fashanu penalty and a late Dennis Wise strike put an end to Luton's Twin Tower dreams.

12: Luton suffer an F.A. Cup hangover at Old Trafford where Manchester United win a re-arranged League match 3-0.

16: Luton make their second appearance at Wembley this season and lose again, to Manchester United 2-0 in the first round of the Mercantile Credit Centenary Festival.

19: The Hatters receive a timely boost for their Littlewoods Cup Final against Arsenal, when they beat QPR 2-1 at Kenilworth Road. It is Luton's first win in six competitive games.

23: Influential midfielder McDonough is ruled out of the Littlewoods Cup Final when he is injured in training just 24 hours before the big match.

24: Luton stage one of the most remarkable recoveries in Wembley Cup Final history to score twice in the last eight minutes and beat Arsenal 3-2 in the Littlewoods Cup Final. They look dead and buried after Martin Hayes and Alan Smith both score to cancel out Brian Stein's early goal and it appears to be the last straw when the Gunners are awarded a 79th minute penalty. But man-of-the-match Andy Dibble saves Nigel Winterburn's spot-kick to spark off an amazing finale with goals by Wilson and Brian Stein clinching Luton's first major honour in their 103-year history.

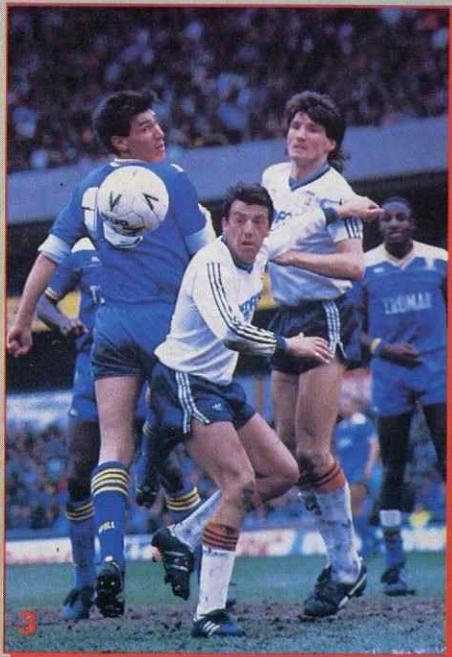

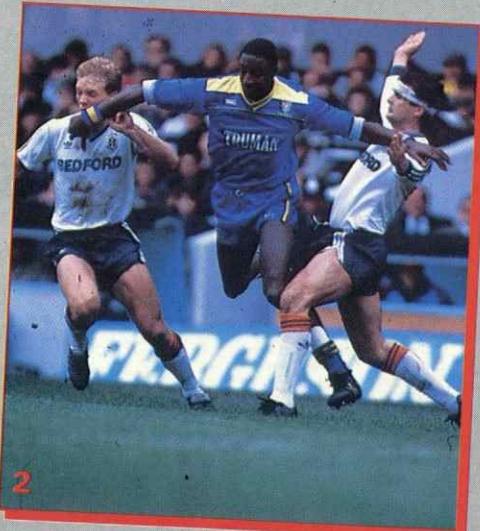

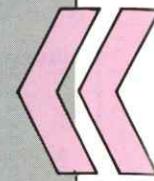

Luton Town's last visit here ended in agony as their dreams of reaching the F.A. Cup Final were shattered by Wimbledon at the semi-final stage. Having already lost the Simod Cup Final to Reading, it was a nightmare for the Town's Wembley hat-trick hopes but they came good in the Littlewoods Cup Final.

Mick Harford gave Luton the lead against Wimbledon but the South Londoners equalised from John Fashanu's penalty and then

# CHAMPIONS . . . AGAIN!

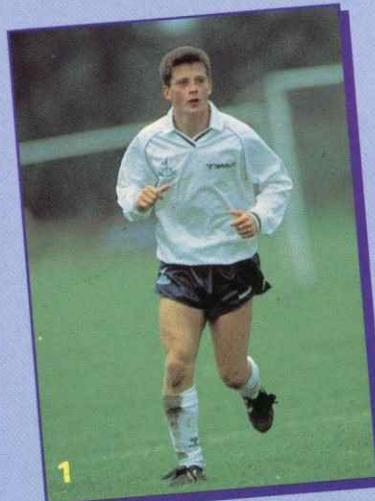

Congratulations to our victorious Youth team who have retained the South East Counties League Division One Championship title after another sparkling season. The lads did it in style with games in hand and are at Southampton tonight defending a 2-1 lead in the second leg of the League Cup Final.

Manager Keith Blunt's squad also did us proud in the prestigious F.A. Youth Cup where they reached the semi-final but lost 3-2 on aggregate to a Doncaster Rovers side

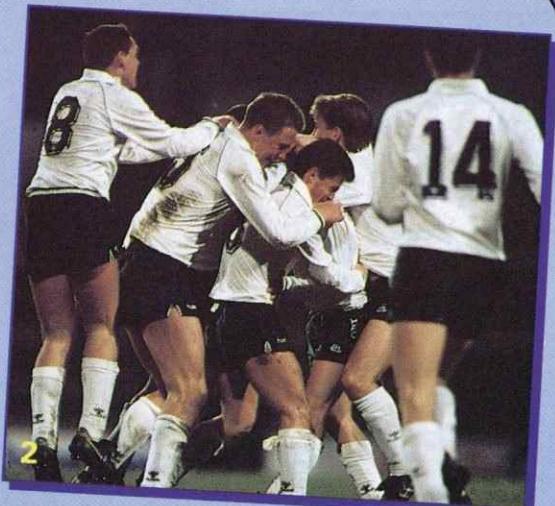

boasting six players with League experience. That game went to extra time at White Hart Lane before Rovers scraped home.

# LOOK BACK

By Andy Porter

Luton Town visit Tottenham for a Football League encounter for the nineteenth time tonight. Eleven of the prior meetings have been in the top flight, the first being on Christmas Eve, 1955.

A 41,168 crowd turned up for a morning kick-off which marked the Spurs' debut of Bobby Smith, signed a few days previously from Chelsea.

On a rain-soaked pitch, Tottenham took the lead through Len Duquemin's first goal of the season when his cross-shot passed over the head of Ron Bayham in the Luton goal. A rather fortunate goal by Johnny Brooks extended our lead before the interval. He mis-kicked, slicing the ball on to an upright and into the net!

Luton pressed for much of the second half but could only net once, 10 minutes from time, when Bob Morton — whose 494 League appearances still stands as a club record — set up a chance for Gordon Turner to score.

The two teams that morning were: Tottenham — Reynolds, Norman, Hopkins, Blanchflower, Clarke, Marchi, Dulin, Brooks, Duquemin, Smith, Robb.

Luton — Bayham, Dunne, Ahearn, Pemberton, Owen, Shanks, Cullen, Turner, Morton, Pearce, Adam.

Before the kick off last season's corresponding encounter — played on October 4, 1986 — new signing Nico Claesen was introduced to the 22,738 people present. Both sides could have done with his firepower as Clive Allen, Mick Harford and Brian Stein were among the absentees from this fixture.

Chances were created at both ends throughout but Ray Clemence and Les Sealey both put on impressive performances to each achieve a clean sheet.

The two sides last season were: Tottenham — Clemence, Thomas D., Thomas, M., Roberts, Gough, Mabbett, Howells, D., Allen, P. (Ardiles), Waddle, Hoddle, Galvin. Luton — Sealey, Johnson, Grimes, Nicholas, Foster, Donaghy, Hill, Stein, M., Newell, North, Preece.

The opening day of the 1982-83 League season was red

letter day for two current Spurs' players who made their First Division debuts on opposing sides.

The date was August 28, 1982, the venue, White Hart Lane, the players, Gary Mabbett of Spurs and Paul Walsh of Luton.

Each had served their apprenticeships with lower division clubs — Gary at Bristol Rovers and Paul at Charlton Athletic — before stepping up the League ladder by moving clubs in the summer of 1982.

The match saw Gary open his top-flight goalscoring account with a third minute header from Glenn Hoddle's free kick. Mike Hazard netted our second after rounding visiting 'keeper Jake Findlay but by half time Luton, whose coach was involved in an accident en-route to White Hart Lane, had pulled one goal back. Brian Stein's shot rebounded from Ray Clemence to Ricky Hill whose header deflected off Spurs' defender John Lacy into his own net.

The second half saw David Moss put Stein clean through to net past Clemence for the Hatters' equaliser.

The two teams, watched by a 39,180 crowd, were: Tottenham: Clemence, Hughton, Miller, Lacy, Hazard, Perryman, Mabbett, Archibald (Brooke), Galvin, Hoddle, Crooks.

Luton — Findlay, Stephens, Money, Horton, Goodyear, Donaghy, Hill, Stein, Walsh, Antic, Moss.

Eleven players have been involved in transfers between Tottenham and Luton.

Left-half Bill Crump was the first when he left Spurs for the Hatters in May, 1898. At that time we were in the Southern League while Luton had a three-year spell in Division Two of the Football League between 1897 and 1900.

Two Spurs' players moved on to Luton in 1905, right-back Bill McCurdy and winger Alf Warner. McCurdy made a dozen appearances in a Spurs' shirt during his year here but spent five years at the Bedfordshire club where nearly 150 matches were played.

Warner had scored 12 goals in 51 matches for Tottenham since signing from Notts County in May, 1902 and added another 11 in 47 appearances in his two years at Kenilworth Road. May, 1908 saw Harry Stansfield transferred to Luton. An outside-right, his 48 Southern League games at Tottenham yielded nine goals and in four years at Luton he scored 25 goals in 136 matches.

George Bowler became the fifth Spurs' player to join the Hatters around 1914 and in June, 1919 Jimmy Chipperfield was the first Luton player to leave for Spurs. An outside-left, he scored six goals in 15 matches in his first year here but failed to regain a first team place and moved on to Notts County in December, 1921.

Three players joined Luton from Spurs during the inter war years; John Pearson in June, 1923; Jimmy Armstrong in July, 1930 and David Colquhoun in March, 1935.

More recently we have made two purchases from the Bedfordshire outfit in defenders Paul Price and Mitchell Thomas. Paul joined us in June, 1981 and made 62 appearances before being released in 1984. Since leaving he has played for Swansea City and is now with Peterborough United, although born at St. Albans he gained 25 full caps for Wales, 11 while at Luton and 14 when a registered Spurs' player.

Goalkeeper Milija Aleksić joined us from Luton in December, 1978 and played in our 1981 F.A. Cup-winning side.

## Hi there!

Welcome to all Junior Spurs members for tonight's final game at White Hart Lane for this season.

All Junior Spurs members should by now have received their Spring Newsletter. I hope you found it interesting, especially the two competitions inside.

The Spurs Roadshow competition in the newsletter is running throughout the summer and I hope to see all of you attending as many of the Spurs Roadshow venues as possible. Details of where it is appearing can be found on page 8.

What a great day we had last Sunday at White Hart Lane! The Junior Spurs Open Day was attended by hundreds of members and they were treated to a performance by the Spurs Roadshow and involved in coaching sessions with the Spurs players. I am sure you will join me in thanking all the staff and stewards of the Club for making the day such an enjoyable one for all concerned.

At our last home game, we staged the Junior Spurs penalty kick championship finals for 1988. Congratulations to our under 10 winner, Lee Millward, and our under 16 winner, Paul Lamb. The standard of penalty takers impressed our Manager, Terry Venables, who did not only take an interest in the event but also presented the winners and finalists with their commemorative trophies. I am pleased to announce that there will be a repeat of the competition next season.

Today's Junior Spurs page is the last under this present format. Next season, we are pleased to announce, Barclays Bank is sponsoring us. Very soon, you will be receiving your renewal forms for membership for next season. When you have completed and returned your form to us, you will receive your Barclays Junior Spurs membership card and pack which will include some very special items from Barclays Bank plus news of what is planned for you as members of Barclays Junior Spurs next season.

Have a fantastic summer, hope to see you at the Spurs Roadshow but, above all, we look forward to seeing you back at White Hart Lane at the start of next season.

Bye for now! *Junior.*

**RESERVES — FOOTBALL COMBINATION**

**Fulham 2, Tottenham Hotspur 1**

We were a goal down within five minutes at Craven Cottage but equalised midway through the first half through Philip Gray. Neil Ruddock flicked on Chris Waddle's corner and Philip headed home at the far post.

Fulham took the lead again just before half-time from the penalty spot. David Howells was fouled in the area in the second half, but Neil missed the resulting penalty.

We missed chances after that to equalise and Chris hit the post with a curling free-kick.

*Parks, Hughton, Manuel, O'Shea, Gormley, Ruddock, Moran, Waddle, Gray, Moncur, Claesen (Howells D. 55).*

**Saturday, April 9**

**YOUTH — DIVISION ONE**

**Tottenham Hotspur 2, Cambridge United 0**

An excellent game with an even first half. Despite plenty of possession it took a fine save from Kevin Dearden to keep the scores level at 0-0 at the interval.

We went ahead in the 64th minute through Stephen Smart when he cut in from the left wing to beat the keeper. The Cambridge number one went on to have an excellent game and made several important saves, before Jason Cook added our second from the penalty spot after Che Roberts had been fouled, in the 78th minute.

A good all round team performance.

*Dearden, Roberts, Hall, Polston A., Butters, Cook, Murray (Edwards 80), Garland, Tuttle (Theodosiou 45), Gilzean, Smart.*

**Tuesday, April 12**

**RESERVES — FOOTBALL COMBINATION**

**Tottenham Hotspur 1, Norwich City 2**

In blustery conditions at White Hart Lane, visitors Norwich took the lead in the 15th minute and extended it to two goals 10 minutes after the break.

Philip Gray pulled a goal back on the hour, a cross from the left by Paul Moran finding Clive Allen, his shot on the turn was parried by the keeper and Phil knocked the ball home at the far post.

There were possible claims for a penalty in the 65th minute and Neil Ruddock went close with a free-kick five minutes later, but Norwich held on to take maximum points.

*Parks, Hughton, Thomas M., O'Shea, Howells D., Ruddock, Allen C., Gray, Moncur J., Waddle. Sub: (not used) Manuel.*

**Thursday, April 14**

**YOUTH — FAYCSF2L**

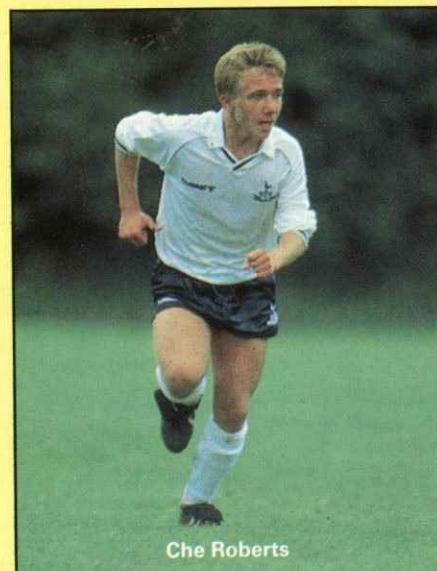

**Tottenham Hotspur 1, Doncaster Rovers 1.**

(Doncaster win 3-2 on aggregate)

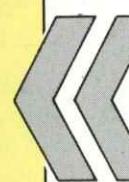

A well fought game against a strong, physical Doncaster side ended in disappointment at White Hart Lane for Keith Blunt's team.

Stephen Smart scored a cracking goal on the hour, to bring the aggregate scores level at 2-2, after good work by Ian Gilzean.

**By Ashley Weller**

**Che Roberts**

keeper and his corner gave Neil Ruddock the chance to head in the second before the interval.

*Parks, Hughton, Manuel, O'Shea, Theodosiou, Ruddock, Moran (Anton 55), Gormley, Gray, Moncur, Howells D.*

**YOUTH — DIVISION ONE**

**Tottenham Hotspur 1, Norwich City 0.**

A single second half strike by Tommy Fitzgerald was enough to give Keith Blunt's lads victory at home to Norwich City.

*Dearden, McDonald, Roberts, Polston A., Butters, Cook, Murray, Carney (Gasser 60), Gilzean, Fitzgerald, Smart.*

**Thursday, April 21**

**RESERVES — FOOTBALL COMBINATION**

**Tottenham Hotspur 2, Swindon Town 0.**

It was a hard fought game against Swindon at White Hart Lane and two second half goals by Philip Gray sealed victory. His first came from a free-kick mid-way through the second half when Tim O'Shea flicked the ball on and then ten minutes from time, Philip played a one-two with substitute Robert Anton before firing in our second.

*Parks, Hughton, Manuel, O'Shea, Polston A., Ruddock, Moran, Gormley, Gray, Moncur (Anton 75), Howells D.*

**Saturday, April 23**

**RESERVES — FOOTBALL COMBINATION**

**Tottenham Hotspur 7, Charlton Athletic 2.**

After a shaky start, we found ourselves 2-0 down with just 20 minutes gone, but we were level before the interval. Paul Moran tapped in a corner from close range and Guy Butters netted the second from Billy Manuel's long throw.

We went ahead after the break through Paul, using his pace down the middle of the park to slot past the keeper. Philip Gray netted the fourth, thundering in a free-kick, touched-on by Tim O'Shea. Philip grabbed his second, Spurs fifth, before Paul added two more.

*Parks, Roberts, Manuel, O'Shea, Butters, Polston A. (Gilzean 30), Moran, Gormley, Gray, Anton, Murray.*

**YOUTH — DIVISION ONE**

**Tottenham Hotspur 10, Portsmouth 0.**

The Youth team clinched the Championship with an impressive double figure tally over Portsmouth. Five goals for Tommy Fitzgerald, two apiece for Matthew Edwards and Kenny Gasser and a single strike by Steve Carney completed the scoring without reply.

*Dearden, McDonald, Smart, Hendon, Theodosiou, Cook, Edwards, Carney, Gasser, Fitzgerald, Gilzean (Tuttle 60).*

**YOUTH — DIVISION TWO**

**Bristol Rovers 1, Tottenham Hotspur 1.**

A scrappy game on a bumpy pitch in windy conditions saw a young Spurs side collect one point away from home.

We fielded five 16-year-old boys on loan from Sutton United because of injury and call-ups. Our goal came at the start of the second half through an own goal, a 50-yard back pass going through the keeper's legs. Rovers' equaliser came two minutes into injury time.

*Howells G., Smith N., Hackett, Bullen, Costello,*

*Jenkins, Capone, Clifton (Smith K. 2), Seagroatt, Fulling, Barnard.*

**Wednesday, April 27**

**YOUTH — SECL CUP FINAL, FIRST LEG**

**Tottenham Hotspur 2, Southampton 1.**

Spurs came back after falling behind to set up what should be a cracking return at the Dell tonight.

In driving rain, it was a tribute to both sides that so much excitement was produced and a tribute to our lads that they hit back so convincingly against useful opposition.

Shaun Murray had already tried a couple of long range shots in the knowledge that conditions made goalkeeping difficult and he received his reward when another good effort slipped through the 'keeper's grasp.

Stephen Smart maintained his recent goalscoring form when he cracked in a second half winner.

*Dearden, Roberts, McDonald, Theodosiou, Butters, Cook, Murray (Tuttle 80), Edwards (Carney 75), Fitzgerald, Gilzean, Smart.*

**Thursday, April 28**

**RESERVES — FOOTBALL COMBINATION**

**Tottenham Hotspur 3, Queens Park Rangers 2.**

We took an early lead through David Howells, his header beating the keeper from David McDonald's rebound. Rangers equalised midway through the half to bring the scores level at the interval.

Paul Moran's run behind the defence at the start of the second half was halted in the area and David stepped up to convert the spot-kick.

We extended our lead following Tim O'Shea's corner, Neil Ruddock flicked the ball on at the near post and Philip Gray nodded the ball over the line.

Rangers pulled another goal back with five minutes remaining, but we held on for victory.

*Parks, Garland, Manuel, O'Shea, McDonald, Ruddock, Moran, Gormley, Gray, Anton, Howells D. Sub: (not used) Cook.*

**Saturday, April 30**

**RESERVES — FOOTBALL COMBINATION**

**Arsenal 3, Tottenham Hotspur 2**

We hit back from trailing 3-0 at the break through goals from Paul Moran and Philip Gray but a string of fine saves by the Arsenal 'keeper and clearances off the line denied us an equaliser.

Yet victory over Millwall on this ground tomorrow afternoon could see us retain the Championship.

*Parks, Hughton, Manuel, O'Shea, Butters, Ruddock, Moran, Gormley, Gray, Cook, Howells. D. Sub (not used): Roberts.*

**YOUTH — DIVISION ONE**

**Charlton Athletic 0, Tottenham Hotspur 4**

We fielded four schoolboys in this game and produced a good team performance to round off a successful League season. Tommy Fitzgerald (2), Kenny Gasser and Robert Anton were our scorers. Howells G., McDonald (Tuttle 50), Smart, Hendon, Theodosiou, Garland, Anton, Smith, N., Gasser, Fitzgerald, Edwards.

The Youth team finished seventh in the Youth Tournament in Dusseldorf recently. Two victories, two drawn matches and a defeat in the five games saw some great team performances by our lads.

Guy Butters again picked up the award for 'best defender' of the tournament and the team also retained the Fair Play trophy for the most sporting and disciplined team.

# VISITORS

**LES SEALEY (Goalkeeper).** Transferred from Coventry City to Luton in August, 1983. He's a Londoner from Bethnal Green and a cousin of Alan Sealey, the former West Ham United winger. Les had developed through the apprentice ranks at Coventry, and had made his debut away to Queen's Park Rangers in April 1977. Back in season 1984-85 he played six League matches on loan to Plymouth Argyle.

**ANDY DIBBLE (Goalkeeper).** A full Welsh international who has also played for the Under-21s. He was born at Cwmbran and made his name with Cardiff City, who transferred him to Luton in July, 1984. He developed from Cardiff's apprentice ranks and made his League debut in the Welsh club's home match with Crystal Palace in May, 1982.

**TIM BREACKER (Defender).** A native of Bicester, he is a product of Luton's apprentice ranks and has been a full professional with them since August, 1982. He made his league debut away to Ipswich Town in March, 1984, and has since established himself as a senior player. Made 29 League appearances for Luton last season.

**STEVE FOSTER (Defender).** Trans-

ferred to Luton from Aston Villa in November, 1984. He was born at Portsmouth and developed through the apprentice ranks of the Portsmouth club to full professional status, later moving to Brighton and Hove Albion. As a Brighton player, he attained full international status, making three appearances for England, and was in Brighton's F.A. Cup final team of 1983. He moved from Brighton to Villa in March 1984.

**MAL DONAGHY (Defender).** A well-established Northern Ireland international who was born in Belfast and joined Luton from Larne, the Irish League Club, in June, 1978. His first appearance for Luton was in the home match with Oldham Athletic on the opening day of the following season. His full first name is Malachy.

**ASHLEY GRIMES (Defender).** A full Eire international, who was born in Dublin and made his name with Manchester United. Previously, he had played for the Bohemians, who transferred him to the Old Trafford club in March, 1977. He left United for Coventry City in August, 1983 and made the further move to Luton in August, 1984.

**RICHARD HARVEY (Defender).** A 19-year-old, born in Letchworth, Hertfordshire, and a product of the apprentice ranks at Luton. Made his League debut in the No. 3 shirt at home to Queen's Park Rangers in November, 1986.

**DANNY WILSON (Midfield).** Transferred to Luton from Brighton and Hove Albion last July. He's a well-travelled player with varied experience acquired in the service of a number of clubs. He was born at Wigan and started his League career with Bury, for whom he made 90 League appearances before signing for Chesterfield. After playing in a hundred League games for Chesterfield, he joined Nottingham Forest and later signed for Brighton. He was at one time a loan player with Scunthorpe United. Played for Northern Ireland in the recent game with Poland. Scored one of Luton's three goals against Arsenal in the final of the Littlewoods Cup last week.

**DARRON McDONOUGH (Midfield).** Transferred from Oldham Athletic to Luton in September, 1986 and made 18 First Division appearances in his first season at Kenilworth Road. His first League appearance for Luton was as substitute at home to Norwich City in October, 1986. A product originally of Oldham's apprentice ranks, he has settled well with Luton. He was born in Antwerp. Unfortunate to suffer injury on the eve of Luton's Littlewoods Cup Final triumph.

**ROB JOHNSON (Midfield).** Was drafted into Luton's League team two seasons ago and has since established himself as a First Division player. He was born at neighbouring Bedford and can therefore be classed as a local discovery. He was signed as a full contract professional in August, 1985 and has made rapid progress.

**IAN ALLINSON (Midfield).** He's the former Arsenal player, whose career has seen quite a bit of change over the last year. Last June he signed for Stoke City after a spell of service at Highbury that had started in the summer of 1983 following his release on a free transfer from Colchester United. Four months after his arrival at Stoke, he was transferred to Luton. He comes from the Stevenage district and started his career as an apprentice with Colchester.

**DAVID PREECE (Midfield).** Born at Bridgnorth and established himself as a League player with Walsall. Developed through the apprentice ranks at Walsall, making 111 appearances for the Staffordshire club before moving to Luton in December, 1984. Atones for lack of physique with skill and effort.

**RICKY HILL (Midfield).** A full English international, he was born in London and developed through Luton's apprentice ranks to achieve full professional status in May, 1976. At that time he had already made his League debut as a substitute in a home match with Bristol Rovers in the preceding month. He celebrated that debut with a goal in a 3-1 win. Has made three appearances in the full England team.

**BRIAN STEIN (Forward).** Attained full English international status four seasons ago. He was born in Cape Town and joined Luton as a full contract

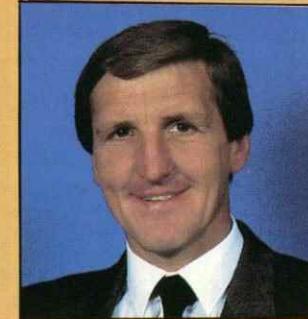

professional in October, 1977, having previously played for Edgware Town. Made his League debut for Luton as substitute away to Mansfield Town in the Second Division in November, 1977. Scored two of Luton's three goals against Arsenal in the final of the Littlewoods Cup last week.

**MARK STEIN (Forward).** Younger brother of Brian Stein and also born in Cape Town. First signed as a Non-Contract Player for Luton in July, 1983 and first appeared in their League team in the No. 9 shirt at home to Everton in April, 1984. Made two League appearances on loan to Aldershot two seasons ago.

**MICK HARFORD (Forward).** Has played in the full England international team this season. Luton signed him from Birmingham City in December, 1984. He had joined Birmingham from Bristol City in an unusual "three-club" deal just before the transfer deadline in March, 1982. He had signed for the Bristol club from Newcastle United in August, 1981 and it was necessary for him to be registered again with the Tynesiders before the transfer to Birmingham could be complete. He was born in Sunderland and started his League career with Lincoln City.

**KINGSLEY BLACK (Forward).** A 19-year-old player, who was born in Luton and joined the Town club straight from school. He's been a full professional with Luton since July, 1986 and has been introduced to League football this season. He came on as substitute against Reading in the Simod Cup at Wembley in March and also played in the final of the Littlewoods Cup against Arsenal last week. Made a successful international debut for Northern Ireland against France last Wednesday.

**DAVID OLDFIELD (Forward).** He's a 19-year-old from Perth in Australia, who has been introduced to first-team football by Luton this season. He was groomed in the apprentice ranks at Luton but has been on a full professional contract with them since May, 1986. His two second-half goals dealt Everton the knock-out in the Simod Cup at Goodison Park.

## THE MANAGER

RAY HARFORD has been manager of Luton Town since June of last year, when he was offered the post vacated by John Moore.

Ray, who was born in Halifax, has proved a good choice. As coach to Luton he already had a detailed knowledge of the playing staff at Kenilworth Road, and this made his promotion to manager smoother than it otherwise might have been.

A man of several clubs, Ray's varied experience in the lower reaches of the League has given him a deep insight into the ways of footballers and a good sense of values. A half-back, he played for Charlton Athletic, Exeter City, Lincoln City, Mansfield Town, Port Vale and Colchester United.

He became coach to Colchester and later filled the same post for Fulham under the management of Malcolm Macdonald. That was a step towards the managerial job he later filled at Fulham.

Mr. Seville commenced refereeing in the Birmingham works football league in 1962, progressing to the West Midlands Regional League as a linesman and later a referee. He became a linesman for the Football League in 1974, progressing to Supplementary Referee in 1976, and Referee two years later.

Mr. Seville's hobbies include crown green bowls.

## FLASH BACK

### 5 years ago:

Goals from Alan Brazil and Gary Mabbutt gave us a 2-1 win over Southampton at The Dell. David Armstrong netted for the Saints.

Luton, in danger of relegation, were grateful for the points collected from a goalless draw with Stoke at Kenilworth Road.

### 10 years ago:

The situation, as we travelled to Southampton for our final match of the season, was that both clubs needed a point to ensure we returned to the First Division. In the circumstances, the 28,846 crowd forgave the negative play — they were happy with a 0-0 draw.

Godfrey Ingram gave Luton the lead in their Second Division game at Burnley but Paul Fletcher conceded an own-goal to put the Clarets level before the interval. Malcolm Smith won the game for Burnley with a goal ten minutes after the break.

### 20 years ago:

Top-of-the-table Manchester City went into a 2-0 lead at White Hart Lane with a goal either side of the interval from Colin Bell. Jimmy Greaves reduced City's advantage from the penalty spot but Mike Summerbee made certain of a visiting victory with a goal in the 74th minute.

Luton had already won the Fourth Division Championship so few tears were shed over their 1-2 defeat at Crewe. Bruce Rioch scored the Luton goal.

## GOALS POWER ➤

### LUTON TOWN

Most of the action takes place in the second-half where Luton are concerned. Of 16 goals scored in their ten games leading up to the holiday, 10 were scored during the closing 45 minutes. They also concede so many more after the break — 16 of 24 going into their net during the second-half.

## MEMORY JERKER

By WILLIE MORGAN

DURAN DURAN

Some records that reach the Top of the Charts are considered to be 'standards' and some are not, but what is more infuriating than a 'standard' getting bogged down in the Number Two position when above it is a song which is a little less memorable? Well, I hope that fans of DURAN DURAN will forgive this observation, but exactly four years ago Simon Le Bon and friends had "The Reflex" at the Top, whilst "Against All Odds" by Phil Collins peaked in second position.

So, for this final edition of the Spurs Memory Jerker of this season, at 7.30pm we go back to this week four years ago, when in preparing for our UEFA Cup Final, we faced Norwich City here at White Hart Lane in a League match. Top of the Charts that week, according to the Guinness Book of Hit Singles, were DURAN DURAN.

Many thanks to all those who have taken the trouble to write in throughout the season, and I look forward to playing all your requests at the start of next. All the records I play at White Hart Lane are available from branches of OUR PRICE RECORDS, all over the country.
