RAY'S REVIEW

After two defeats in the last week, it is obviously important for us to recapture our best form and collect three points this afternoon against Sheffield Wednesday. But that does not mean we are about to start worrying like mad. We have to remain calm and professional to do the job and it is down to all of us to work hard and pull together to ensure we climb up the league table. Our 5-0 defeat at Liverpool probably sounds worse than it was. They were very much back in the groove on the night and played like champions. But we worked very hard at playing a withdrawn style of play and attempting to work our way out to support Mick Harford. For spells it worked, but Liverpool were in such form we still found ourselves stretched to contain them and the two goals before the interval came at a bad time for us. Even so, I thought we continued to battle well and it was not until the final quarter that we were overrun. Last Saturday, we were very stuttery in the first half, but much more forceful after the interval when I thought we were unlucky not to gain any reward.

Today I have a chance to welcome Richie Barker back to Kenilworth Road with Ron Atkinson and his team. Richie did a good job for us while he was here and we shall all remain very good friends. I hope we are the ones with a result to celebrate tonight. Steve Foster will be available again today after suspension, but I fear we shall be without Roy Wegerle for another week or two. He strained his hamstring against Millwall. It is ironic – and bad luck – of course that Roy should be injured only 24 hours after David Oldfield joined Manchester City. We had accepted two offers for David and were disappointed to see him go, but it is the club's policy to keep players informed of all bids and inquiries. David had not been able to command a first team place and I felt we had plenty of cover in attack with Iain Dowie and the high-scoring youngsters in our reserves. This afternoon, your support could be vital to the team – please give them all the vocal encouragement you can. Enjoy the match.

Ray Harford.

WE'VE ALSO MADE SOME CHANGES TO OUR LINE UP THIS SEASON

Kenilworth Road isn't the only place you can see a new line up this afternoon.

Just down the road in the Arndale Centre, and in our showrooms throughout the U.K., you can see the new additions to our own squad.

The Cameo Collection is making its home debut in what is undoubtedly the most attractive and unbeatable line-up in fitted bedroom furniture in the U.K.

And if that weren't enough you'll find that like Luton Town, we too have proved that you don't need to break the bank to put together a winning combination.

DRESSING ROOM

with Roy Wegerle

Roy Wegerle freely admits he did not expect to be looking forward to a Wembley appearance in his first season at Kenilworth Road after joining the Town from Chelsea last summer. After a frustrating time at Stamford Bridge, he had more limited ambitions as he explains in today's Dressing Room Talk:

Very Excited

"It was something I would not even have dared to dream about last year after moving here from Chelsea, but now it is a reality I have to admit I am thinking about it more and more. To play at Wembley is a great thing for an Englishman but for a foreigner like me it is even more fantastic.

"I have only ever been to the stadium once and that was a couple of years ago to see England play against one of the South American teams so it is obviously going to be a novel experience for me. And, of course, I am very excited by it all.

"I am not a nervous sort of guy so I am not worried about anything from that point of view. I expect there will be a few butterflies on the day of course, but nothing to be too worried about. I am sure I will be alright on the day - if selected.

"I didn't feel too nervy about the semi-finals, but then I suppose the result in the first leg made a lot of difference. I am sure the match is going to be very different in the final as Nottingham Forest are obviously one of the best teams around.

"Their 3-1 win at Arsenal proves that because they and Arsenal are the two form sides for consistency this season. But I am glad we are playing against Forest in the final. It would have been an entirely different thing if we had been playing Bristol City - I think a cup

• **Wembley Dreams:** Roy Wegerle

final needs to have a big-name team there to grace the occasion and this time there will be two!

"Like everyone else, I am really looking forward to it. When I came to Luton I was really just hoping to get a consistent run in the first team and hopefully score some goals. Fortunately, that has worked out for me. The manager has opened the door for me and I have tried to take the opportunity with both hands if you like.

"It has been quite fantastic really because settling in at a new club is a big enough job on its own, but scoring goals and playing regularly has been great for me. Now I am dreaming about other things like the cup final and maybe the World Cup finals.

"My mother is Scottish you see so I am pretty certain I could qualify to play for them, but they have plenty of good strikers already, and my wife Marie is American. That means I could play for them - maybe in the 1994 finals when they are the hosts. That really might be worth looking into seriously!"

THE TOWN

PRAISE FOR A TRULY POSITIVE APPROACH

A warm welcome this afternoon to Sheffield Wednesday and, of course, their recently-appointed chief coach Richie Barker, who was with us until only a short time ago.

When Richie joined us at Kenilworth Road, it was clearly understood that it was not expected to be a permanent arrangement and so, when Ron Atkinson, made his approach, we were not surprised that Richie took the chance to return to work closer to his home in northern England. No-one stood in his way here and we all wish him the very best of luck – but not, of course, this afternoon.

Memories

Last week's home match against Millwall was obviously disappointing for us all but we were not too surprised with the attendance. Our supporters have long memories and many clearly felt there was a chance of unwanted trouble. As it was, the match went off peacefully and we all now have a chance to 'forgive and forget' as the poster in the Oak Stand suggested.

This is particularly appropriate since Millwall made such positive steps themselves to take the possible heat out of the situation on their first visit to Luton since 1985 by relaying the match back to the Den. Their board deserve to be con-

gratulated for their initiative.

On the day, there were two arrests outside the ground and three known trouble-makers were ejected.

Tomorrow is our big day for selling the allocated Littlewoods Cup final tickets and, judging from the letters I have received, it seems our efforts to improve the allocation and distribution have been appreciated.

There are always those who complain about queuing, of course, but I have read just as many who said they felt 'if it is good enough for Harrods or Wimbledon then it is good enough for us' and that is very satisfying.

Same again

Our supporters will once again be accommodated in the west side at Wembley as they were last year and, if two good omens are worth recounting, the team are going to be using the same south dressing room as they had last April.

Supporters hoping to travel to Wembley with our Bobbers Travel Club will be pleased to know we have linked our arrangements together and they will be selling their tickets for travel on April 9 on Sunday from Beech Hill Path by the entrance to the Executive Boxes. Full details of all the arrangements are on pages 6 and 15 of this programme.

JUNIOR STRIKER

• **Chip off the block:** Mick Harford's young son William is pictured developing a taste for some special silverware!

SKINNY INFLATABLE ENJOYS THE VIEW

• **Taking his seat:** Some of our junior supporters have taken the inflatables craze to a skinny extreme – by bringing a life-size skeleton along to the Littlewoods Cup semi-final against West Ham.

• **Big match line-up:** Mascot Stephen Watts poses with Mick Harford, Les Briley and the match officials.

• **Top hatter:** Captain-for-the day Mick Harford is congratulated for his efforts.

• **Sponsors' special:** Our chairman David Evans is pictured with our Millwall match sponsors' Trimoco Group's happy representatives and guests last week.

CAPTAIN'S DIARY

STEVE FOSTER
LOUD CHEERS!

Hello everyone and welcome back for a match we must try to win to boost our league position. I shall be glad to be back in contention after suspension and once again I hope you give us some really loud vocal support.

Last Saturday's result is one we want to forget – and so was Tuesday's at Liverpool – and the best way to do that is to go out and win today. We must all work together with your help.

Richie's return

Today will also see Richie Barker making an early return to Luton after his recent move. I am sure all the lads will be pleased to see him afterwards.

Another farewell last week went with David Oldfield who has joined Andy Dibble at Manchester City. We wish David all the best and hope to see him here again in the First Division next year.

LIONS ROAR ON

Luton Town 1 Millwall 2

Two first half goals from winger Jimmy Carter put Millwall in command and on the way to a comfortable victory at Kenilworth Road last Saturday long before the Town roused themselves to produce a stirring but vain fightback in the second half.

Carter, formerly with Queen's Park Rangers, showed speed, control and accuracy as he volleyed a fine opening goal and then hit his second on the half-hour to leave the Town trailing 2-0.

Long shots from Danny Wilson and Kingsley Black were the Town's only first-half efforts but a change of tactics after the interval changed all that. With Iain Dowie on in attack and the formation switched to 4-2-4, there were several openings after Danny Wilson had pulled a goal back from the penalty spot after David Preece was pushed by Terry Hurlock.

Mick Harford, Dowie three times, Wegerle and Black were all out of luck as Horne dived into action to preserve Millwall's advantage and keep them in the championship race. To make matters worse for the Town, Wegerle was forced to limp off shortly before the end when he pulled a hamstring.

Teams: Luton Town - Sealey, Breacker, Grimes, Preece, (sub Dowie 70), McDonough, Beaumont, Wilson, Wegerle, (sub Dreyer 98), Harford, Hill, Black.

Millwall - Horne, McLeary, Sparham, Hurlock, Thompson, Wood, Carter, Briley, Sheringham, Cascarino, O'Callaghan.

Referee: J.B. Worrall (Warrington).

Attendance: 7,838.

1st Team ACTION

• No joy against Millwall: Our bold second-half revival was not enough to avoid defeat against the Lions last Saturday when Danny Wilson hit our only goal from the penalty spot. Our action pictures today show Mick Harford, Kingsley Black, Ricky Hill and Roy Wegerle in action. Pictures by Josh Levy of Apex Photography, Milton Keynes.

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

HELPING THE GAME

The Football Trust receives £9 million annually from the Sporting the Ball competition run by Littlewoods, Venson and Jiffers and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Torquay, refurbishment at Wembley to repairs at Welling closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England, from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

PLAYER PROFILE

DARRON MCDONOUGH

After a long spell out through injury Darron McDonough has fought his way back to the first team squad this last week and last Saturday took over Steve Foster's number five shirt for the home fixture against Millwall. For Darron, who missed out on last season's Littlewoods Cup final triumph against Arsenal, it was a source of great satisfaction to prove his fitness against after a long fight against injuries.

Born in Antwerp, Darron began his league career with Oldham Athletic where he scored on his debut against Notts County in December 1980. He joined the Town in 1986 and quickly became a favourite for his whole-hearted effort and strong tackling following his 75,000 transfer. After outings in various positions, he settled down to play the defensive midfield role which helped stabilise the team and set up the Wembley run.

Always popular in the dressing room, Darron is noted for his outings on a dance floor and his outgoing personality. He never shirks a challenge and has an infectious affect on the crowd and the players around him. We wish him all the best in steering clear of injuries for the rest of this season.

●Infectious Character: Darron McDonough.

Introducing 5-wheel drive.

As you can see, this is not some new kind of vehicle for negotiating rough terrain.

It is, in fact, Saginaw Tilt Wheel Steering. A special factory-fitted extra that can alter the way you drive. The wheel adjusts to five separate positions.

So, from a driver's point of view, it can make life a lot more comfortable.

In turn, making driving far safer.

(Added to which, a unique Saginaw energy-absorbing column comes as standard.)

Changing the angle of the wheel takes no effort whatsoever.

By moving a small lever on the steering column, it can be set to the ideal position.

Tilted down, it's easy to imagine what a fast sports car feels like.

Tilted up, it's like being behind the wheel of a bus.

This last position also provides more leg room, so getting in and out of a car becomes a much simpler exercise.

But it's not only you who will benefit from Saginaw Tilt Wheel Steering.

Anyone who drives your car will too. Because it will make it more adaptable to any driver's individual needs.

Not many extras make a car so flexible. And certainly not for just £88 (plus Car Tax plus VAT).

Saginaw Tilt Wheel Steering is available as an optional extra on most new Vauxhall-Opel cars.*

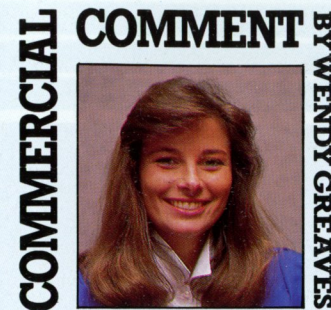

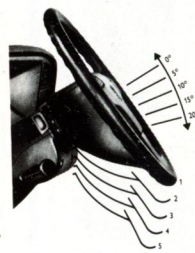

So contact your nearest Vauxhall-Opel dealer for a chat.

He'll be able to tell you more about 5-wheel drive and exactly how it handles.

Degrees more comfortable. Degrees safer.

COACHES' CORNER

YOUTH TEAM KEEP TITLE HOPES ALIVE

A home defeat for the leaders Brentford combined with a bold fightback for a 3-3 draw at Bournemouth meant the Town youth team maintained their fierce challenge for the South East Counties League Division Two championship last weekend.

While Brentford were going down at home to Bristol City, the Town's youngsters proved their grit and character with a great fightback from 3-1 down to grab a point.

Two goals from Mick O'Brien, one from a free kick, and a penalty converted by Mark Pembridge when Kurt Nogan was brought down enabled the Town to keep the scores level for a well-deserved point.

Coach John Faulkner said: "It was a very interesting and entertaining game. I thought the goals we conceded were poor, but we were strong going forward and hit the woodwork three times and could have ended up scoring six goals.

"We started off by trying a new formation with Tim Allpress sweeping behind Darren Salton and Matthew Jackson and with five players in midfield. We dominated the game but were not able to score and were soon 2-0 down before a penalty brought us back to 2-1.

"A long ball down the middle gave them a 3-1 lead but we came back again to finish up drawing 3-3.

The result kept the Town youngsters firmly on the trial of Brentford with an impressive record of 80 goals scored in only 26 matches.

The reserves were without a match last weekend but travelled to play Crystal Palace in midweek. Dealines prevent us bringing you the outcome of their bid to keep among the leading pack in the Football Combination.

LUTON TOWN

Goal'den Oldies

ALWAYS PLENTY OF GOALS WHEN THE OWLS ARE IN FULL FLIGHT

Our first meeting with Sheffield Wednesday – and the last for nearly 40 years – took place at Sheffield on 2nd December 1899 during the last of our ill-fated seasons in the Football League, writes club statistician Roger Wash.

Wednesday were on their way to Division One and we were destined for the Southern League and the scoreline of 6-0 did not fully reflect the "Owls" supremacy as Luton goalkeeper Daw prevented "an even heavier defeat".

The return at Luton four months later summarised the Towns plight with six team changes from the original fixture. The 1-0 defeat was, however, more respectable.

When we finally met again in Division Two immediately before the War results tended to go Wednesdays way as they have done since but we finally broke our duce in a game that is not officially counted in the record books. Only one home game was played by the Town in 1939/40 but a 3-0 win over Wednesday coupled with a victory at Bradford P.A. and a draw at Fulham left Luton proud League leaders as war broke out. A position we were to hold for seven years!

"Mel Daniel hit a hat-trick on our first appearance after the War"

The same fixture list was retained for 1946/47 making Sheffield Wednesday our first visitors after the War and with only two players – Hugh Billington and Horace Gager – still present, a 4-1 win before a crowd of 21,105 was the outcome with Mel Daniel scoring a hat-trick.

During the rest of that decade results tended to favour Wednesday who then became known as the "Yo-Yo" club because of the way they bounced between Divisions One and Two. During one of their spells in Division Two – 1951-52 – Wednesday were hammered 5-3 at Kenilworth Road but that was the only real bright spot.

After our relegation in 1960 we, of course, went through the Divisions and it was not until 10 years later that our paths crossed again with those of the "Owls". We had been to Hillsborough eleven times previously without a win but the Second Division fixture on 10th October 1970 changed all that.

The game, which was televised, had the football world buzzing for weeks because it discovered something we had known for over a year – that Malcolm Macdonald was a natural goalscorer.

MacDonald scored a hat-trick that day aided by the unselfish play of Don Givens who also scored twice on a 5-1 win.

We have not repeated that domination of Wednesday at Hillsborough with only one win since, that being last season when goals from Ian Allinson and Mark Stein put an end to the Owls five match winning streak. We did, however, come close during our promotion season of 1981/82 when a 3-3 draw resulted which partially avenged the 3-0 mauling administered by Wednesday at Kenilworth Road earlier that campaign.

Our home record since returning to the First Division has also not been great with only one win, 1-0 courtesy of a Mick Harford header, in 1985/86 the only shining light. Les Sealey will be glad, however, that Lee Chapman will not be in the Wednesday line-up this afternoon as it was the clash between the pair in last seasons fixture here that resulted in Sealey suffering concussion and subsequently missing the Littlewoods Cup Final.

INTRODUCING...

SHEFFIELD WEDNESDAY

Today we welcome a Sheffield Wednesday side currently in the danger zone in Division One, but there are now signs that Ron Atkinson is getting things together with a win over Charlton and a single goal defeat at Everton in the last two weeks. They will also be taking heart from the fact that they have won one and drawn two of their last four games here though we shall have other ideas on this score, writes *Geoff Allman*.

Founded in 1867 as the cricket section of the Wednesday cricket club, who gave up their Wednesday half-day holidays to sport they won some local cups before playing in the F.A. Cup for the first time in 1880. They joined the Football Alliance (forerunner of Division Two) in 1889 and not only topped the table but also reached the F.A. Cup final in the same season, losing to Blackburn at Kennington Oval. They gained admission to the Football League in 1892 when joining the enlarged 1896 when beating Wolves in the final.

They spent one season in Division Two in 1899/1900, but then topped Division One in 1902/3 and 1903/4. They won the F.A. Cup again in 1907, beating Everton in the final and they were amongst the leading clubs in Division One up to the last season before the First World War. They kept going during the war years, playing in the Midland Section of the wartime competition, but then came relegation in 1920 and this time they stayed down until 1926. 1929 saw them topping Division One again and repeating this success a year later. They then finished third in the next three seasons, then won the F.A. Cup again in 1935 with a Wembley win over West Brom, but this was in fact the end of their major honours.

They were relegated in 1937 and their next upsurge came during the war years when they reached the War Cup final in 1942/3, losing 4-3 on aggregate to Blackpool in the 2-legged final. After the war came a series of ups and downs with promotion for times and relegation three times by 1959. It was during this

period that Derek Dooley netted 46 goals in 30 games in the 1951/2 promotion season only for his career to be ended a few months later after an injury that made the amputation of a leg necessary to save his life.

In 1960/1 they were runners-up to Spurs in Division One and in 1966 they lost a 2-goal lead to Everton in the F.A. Cup final when the trophy seemed to be within their grasp. An 11 year spell in Division One ended in 1970 and the slide continued despite the romance of having Derek Dooley back as manager. 1975 saw them in Division Three for the first time and a year later only a win over Southend in their final game saved them from Division Four.

Jack Charlton led them back to Division Two in 1980 and Howard Wilkinson led them into Division One in 1983. In their first season back there they finished eighth in 1984/5 and a season later they climbed to fifth and also reached an F.A. Cup semi-final, losing again to Everton. In the last two seasons they have ended up 13th and 10th respectively, recovering well last season after picking up only three points from their first eight games.

"Things have gone badly after a good start for the Owls"

They began well this season, beating us 1-0 and then drawing at Nottingham Forest and by the end of November they had won at Southampton and Middlesbrough and had drawn at Norwich and Manchester United. At the end of the year things began to go badly for Peter Eustace, who had succeeded Howard Wilkinson when the latter took over at Leeds and they did not win a league game from the end of November until beating Charlton at the beginning of this month. By this time Ron Atkinson had taken over.

We may be seeing some of Ron's new signing today with **Darren Wood** (from Chelsea) and **Wilf Rostron** (from Watford) in defence and **Steve Whitton** (from Birmingham) up front. **David Hirst** (from Barnsley two years ago) is also likely to be up front while **Siggi Jonsson**, **Tony Galvin** (from Spurs last season) and former Middlesbrough man **Mark Proctor** are goalscoring midfielders. In defence the men to look out for are **Alan Harper** (ex-Everton) and **Nigel Worthington** (ex-Notts County) on the flanks and **Ian Cranson** (ex-Ipswich) and **Nigel Pearson** (ex-Shrewsbury) in the centre with **Chris Turner** in his second spell in goal after service with Sunderland and Manchester United. Substitutes recently have included seasoned defender **Lawrie Madden** (ex-Charlton and Millwall).

Back Row (left to right): **Nigel Pearson**, **David Reeves**, **Colin West**, **Kevin Pressman**, **Chris Turner**, **Ian Knight**, **Ian Cranson**, **Lawrie Madden**. Middle Row: **Albert Phelan**, **Frank Barlow** (Asst. Manager), **Tony Galvin**, **David Hirst**, **Greg Fee**, **Siggi Jonsson**, **David Hodgson**, **Imre Varadi**, **Alan Smith** (Physiotherapist), **Clive Baker**. Front Row: **Gary Megson**, **Alan Harper**, **Mel Sterland**, **Peter Eustace** (Manager), **Nigel Worthington**, **Mark Proctor**, **Steve McCall**.
