## THE TOOL COMPANY

A centre forward has to be able to carry out his role with speed and accuracy. Efficient but controlled use of power is vital. He must be sharp and in top condition, ready to meet the next challenge.....in short totally professional. These same qualities are to be found in the hand and power tool products available from the Draper Tool company.

**For the last few weeks our performances have been better than results. We have played our part in some very entertaining matches, but we are judged on results.**

If we don't win matches we cannot achieve anything in the game. We lost a two-goal lead at Chelsea last Saturday and it's made us examine our philosophy.

The eternal problem for football people is, entertain or results. To get the win do we compromise?

Would you accept time-wasting, acting, feigning injury, kicking the ball into the stand, passing back to the 'keeper? Would you have liked to have seen these tactics at Chelsea when we were 2-0 up?

I believe it is wrong to ask lads like Rod Wallace or Matthew Le Tissier to kick the ball away or time waste.

We have creative players. Sometimes this works against us. At Chelsea, many more professional, street-wise teams would have closed the game up.

We wanted to score again and almost did, but there is no way we can restrict our natural instinct to get forward.

Against Liverpool and QPR we did score more goals, but this attitude cost us a win against Chelsea. I don't think we can be any different.

Welcome to Luton and Steve Williams. They have some interesting players with special ability, like Steve Williams, Kingsley Black on the left wing, while Mick Harford, when fit, is very dangerous on crosses. Roy Wegerle is another forward with speed and skill who we will have to watch very carefully.

Enjoy the game.

## HAMPSHIRE AMBULANCE SERVICE

The Directors and Management of the Club would like to place on record their thanks to the Hampshire Ambulance Service for continuing to provide adequate cover at all our First Team matches during the current national ambulance dispute.

Fees paid by the Club for the service are being donated by the Officers and Crew Members to the Hampshire Ambulance Benevolent Fund.

## END OF YEAR

End the year in style! Saints are laying on a special deluxe day for supporters at the home match against Sheffield Wednesday on December 30.

Supporters can book a champagne reception, guided tour of The Dell, four-course lunch with wine, seat in the Directors' Box, half-time tea and biscuits and a post-match buffet.

The all-in cost is £50, plus VAT, and if you want to cash in on this special offer then hurry! Only a few spaces have yet to be snapped up.

## SEE "TRAMP"

"Tramp," a local band, will be playing at the Saints Social Club next Friday.

The evening, featuring music from the '50s and '60s, will be free to members. Guests will pay £1.50.

A racenight to raise cash for the Cedar School for the Disabled in Southampton is being held at the Social Club tonight.

A similar event in aid of a boys' football team is scheduled for next Saturday, with a racenight for Tannersbrook School in Southampton on December 8.

The recent Halloween Night at the Saints Social Club raised £162 for the Steve Mills Leukaemia Fund.

## CHARITY SAINTS

A special disco and raffle evening, organised by Saints midfielder Glenn Cockerill and attended by his teammates, raised £1,600 this week for the children's unit at Southampton General Hospital. The cash will be split between five wards.

"It was hard work, but the amount of money raised made it all worthwhile," says Glenn. "There was a great turnout by the Saints lads."

The evening was at the Petters Club in Hamble. Three hundred and fifty tickets were sold at £1.50 and 72 prizes were on offer.

Glenn Cockerill's youngest child, Joss, was an inpatient at Southampton General Hospital earlier this year.

● The jeroboam of champagne awarded to Saints manager Chris Nicholl by Barclays Bank as First Division manager-of-the-month for October raised £190 for the BBC Children In Need Appeal. A jeroboam is four times the size of a normal bottle.

## YOUTH CUP VICTORY

The Saints Schoolboy team, challenging at the top of the Hampshire Youth League, clinched a place in the third round of the Hampshire County Youth Cup this week.

Goals by Neil Selby, Ian Savage and Martin Thomas clinched a 3-1 home win over Highcliffe Hawks on Sunday.

Lee Powell scored the goal which earned Saints a 1-0 League win at Havant the previous week. Before that Saints won 5-2 at home to Horndean, the goals being scored by Selby (2), Thomas, Nathan Whitman and Tom Crowley.

Jamie Waters, a striker from Weymouth, has signed schoolboy forms at The Dell. He has been attending the club's Bath Centre of Excellence.

## BELATED BIRTHDAY

John Hughes, our programme writer, always manages to ferret out the news and views here at The Dell, but this time we have news on John! Celebrations took place on Saturday 11th November when 40 guests helped John celebrate his 50th birthday. A special surprise was when daughter Sally arrived back from Germany to join the party.

## SAINTS EX-ROBINS

Two Saints stars will be returning to their old stamping ground in next Wednesday night's Littlewoods Cup-tie at Swindon.

Midfielder Glenn Cockerill once cost Swindon £110,000 from Lincoln and made 26 League appearances for the Wiltshire club.

Striker Paul Rideout started his career with Swindon. He scored on his debut at the age of 16 and totalled 38 goals in 95 League matches.

The two players, both married to Swindon girls, were at the County Ground together. Paul was Glenn's apprentice and cleaned his boots!

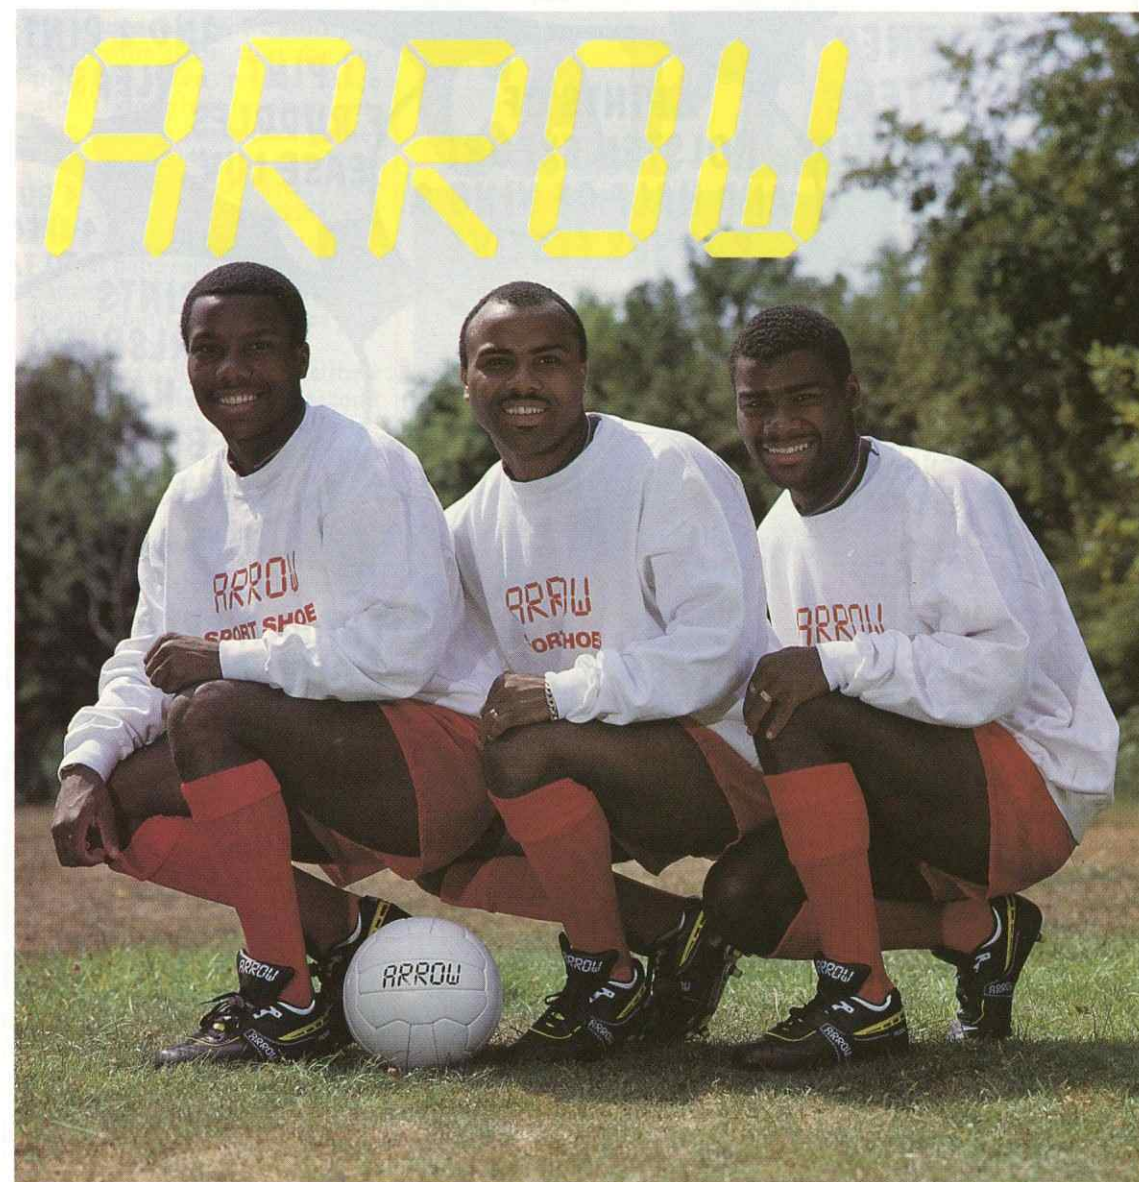

Another Saint, goalkeeper Tim Flowers, had a spell on loan with Swindon last season.

## FREE CHRISTMAS DRAW

Saints' promotions department are holding a bumper, free weekly draw from now until Christmas.

Weekly prizes include three hampers, three turkeys, three bottles each of whisky and gin and 12 boxes of crackers.

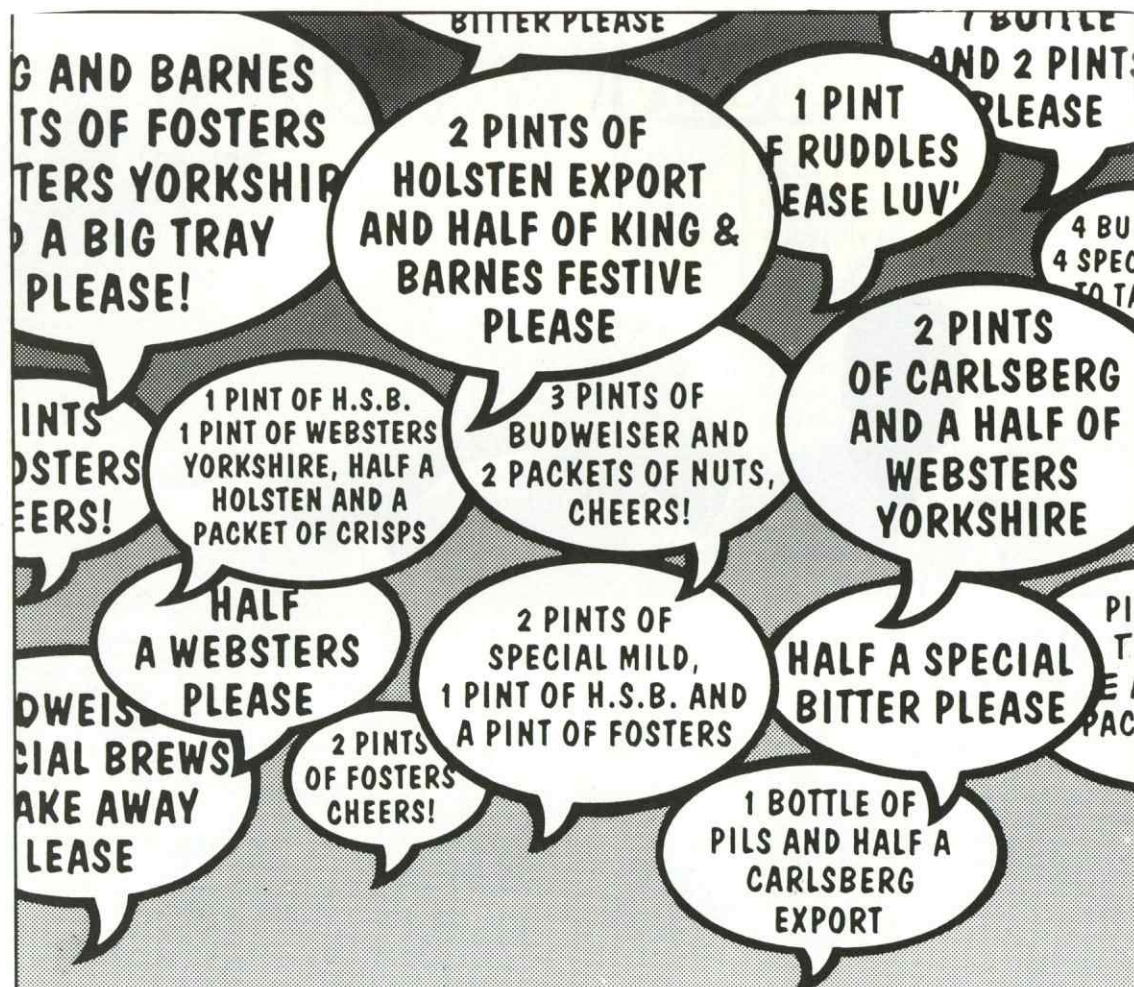

The draw is part of Saints' lottery and supaloot competitions. The normal cash prizes will continue.

**THE INN PLACES TO BE**

It's a measure of the ability in the Saints team that the opposition often worry more about stopping us than getting on with their own game.

Teams know we can go to their place and play. They tend to hold back a bit when attacking and that's a compliment to us.

That happened at Chelsea last Saturday. We went there looking for the points, not just to be part of the party!

I was very pleased for Matthew Le Tissier. He took his second goal really well and though his first was a penalty you have to keep a cool head in that type of atmosphere.

Also, he worked well in getting back to check Tony Dorigo, who's a real flyer. Mind you, I prefer it when Matt's going forward!

Tim Flowers was outstanding in goal. He's now very confident and coming on a bundle. One of his saves had Kevin Moore shouting from the subs' bench!

With the heat on at 2-2, Matt was brought down right by the dugout and when I said something to the ref Chelsea's manager, Bobby Campbell, called out: "Take no notice of him!"

But I was laughing and it was one of those lighthearted moments. It's good if you can take time out like that.

Actually, I know Bobby well and as the players walked off at the end he came up, put his arm on my shoulder and said how well we'd played.

We're all looking forward to this afternoon's match. Although some teams come here and sit back, Luton are not a bad side and they do play some football.

Danny Wilson, who's in midfield for them, was with me at Brighton. We were the best of mates and still keep in touch on the 'phone.

Mind you, we've got a score to settle with Luton. They knocked

## JIMMY CASE

us out of the Littlewoods Cup at The Dell last season and we felt hard done by that night.

Incidentally, the Saints lads enjoyed a really good evening at Hamble on Sunday when a lot of money was raised for the children's unit at Southampton General Hospital.

Glenn Cockerill organised it all and did a great job. The atmosphere was good and I must

mention our coach driver, Jim Harland, whose work on the microphone kept things going just right.

The draw for the Littlewoods Cup quarter-finals has given us a great incentive to win our fourth round tie at Swindon next Wednesday. The pleasing thing about the chance of playing Oldham is that we would have home advantage.

*Matthew Le Tissier scores from the spot at Stamford Bridge last Saturday.*

## TODAY'S VISITORS AT THE DELL

# LUTON TOWN

Luton have been holding a place in the middle of the First Division largely due to their home performances. The Hatters have not won away from home in the League since last December, since when they have completed 16 away First Division matches without a win.

This season they have collected away points from drawn games at Q.P.R. (0-0), Millwall (1-1) and Crystal Palace (1-1) but they were beaten at Tottenham (1-2), Coventry (0-1) and Manchester City (1-3).

They did win away to Third Division Mansfield (4-3) in the second round of the Littlewoods Cup and, by later winning the return by 7-2 at Kenilworth Road, they had a comfortable passage into the third round.

But they were then well beaten at Everton (0-3).

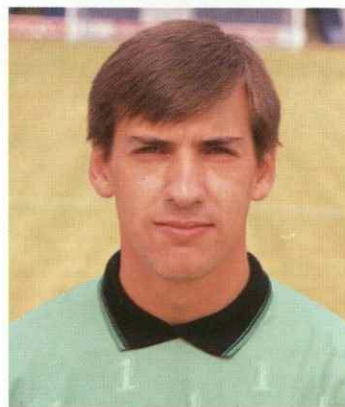

That result came as a bitter disappointment as Luton have reached the final of the past two seasons. In 1988 they pulled off a fine 3-2 victory over Arsenal at Wembley to win the club's first major trophy.

Last season — after ousting the Saints in round five — they were beaten 1-3 by Nottingham Forest at Wembley.

Manager Ray Harford is expected to select his team from:

### ALEC CHAMBERLAIN

(Goalkeeper) Alec was signed from Everton for £150,000 last season and took over in the Luton goal towards the end of the campaign. He was a reserve player at Ipswich but soon stepped into League soccer with Colchester after a transfer in 1982. Everton signed him for £75,000 in 1987 as cover but, after a loan spell with Tranmere last season, he moved on to Kenilworth Road.

Alec Chamberlain.

### TIM BREACKER

(Defender) Tim is a former Luton apprentice who got his League chance in 1984. Within a couple of years, he was in the England under-21 side, winning two caps. Tim won a Littlewoods Cup winners' tankard in 1988 and a runners-up award in the same final last season.

### DARREN McDONOUGH

(Defender) Darren completed his apprenticeship with Oldham and played over 200 first-team games for the Latics prior to his £85,000 transfer to Luton in 1986. He was recalled to the Hatters' side last season and played in the Littlewoods Cup final as substitute.

### JOHN DREYER

(Defender) John was an apprentice with Oxford but played League soccer for both Torquay and Fulham, whilst on loan, during the 1985/86 season before getting his chance in the Oxford side the following season. Luton signed him for £140,000 in 1988.

### DAVE BEAUMONT

(Defender) Dave was signed from Dundee United for £150,000 last January. He joined the Dundee club from school and worked his way into their first-team in 1984.

### GRAHAM RODGER

(Defender) Graham made only one League appearance for Wolves before linking with Coventry in 1985. Though injuries hindered his first-team chances at Highfield Road, Graham did star as substitute at Wembley when Coventry won the F.A. Cup in 1987 and he also gained four England under-21 caps. Luton signed him this summer for £150,000 with a further £100,000 to be paid if he plays 60 first-team games.

### MARVIN JOHNSON

(Defender) Marvin is a former Luton apprentice who broke into the first-team for a few games in 1987/88. Last season he enjoyed a lengthy run at centre-back.

### DANNY WILSON

(Midfield) Danny played League football for Bury and Chesterfield before joining Nottingham Forest in a £100,000 deal in 1983. He spent a loan period with Scunthorpe, then made a full transfer to Brighton in 1984. Whilst with the Seagulls, Danny was introduced to the N. Ireland side. He is now a regular for his country, with 16 caps. Luton signed him in 1987 and he scored at Wembley in their victory over Arsenal in the 1988 Littlewoods Cup final.

### STEVE WILLIAMS

(Midfield) Steve needs no introduction to Saints' fans for he made his name here at The Dell and he played for England on six occasions during his eight seasons as a first-teamer here. Arsenal signed him for £550,000 in 1984 and he moved on to Luton for £300,000 in 1988. In addition to his full caps, Steve also played for England at under-21 and "B" levels.

### MICK KENNEDY

(Midfield) Mick joined the Hatters a few days before the start of this season in an exchange deal. He broke into League soccer with Halifax in 1978, moving on to Huddersfield two years later. Middlesbrough signed him for £200,000 in 1982 but, two years later, he became a Portsmouth player. Bradford City signed him for £250,000 in 1987 but last season he moved on to Leicester, where he remained until his latest move. Mick has played for the Republic of Ireland on two occasions.

### DAVID PREECE

(Midfield) David made his League debut for Walsall in 1981, winning a regular place two years later. Luton invested £150,000 when signing him in 1984 and he later played in two

Littlewoods Cup finals for the Hatters. Last season he was capped three times by England "B".

### RICHARD COOKE

(Midfield) Though he played only occasionally in Tottenham's first-team, Richard played for England at youth and under-21 levels. He really made his name, though, after moving to Bournemouth in 1986 and it was after he had starred in the Cherries' exciting F.A. Cup run last season that Luton secured his transfer for £140,000.

### ROY WEGERLE

(Forward) Roy was signed from Chelsea for £75,000 in 1988 and last season he was the Hatters top scorer with 12 goals. Roy had scored six times this season before the weekend. He was playing for Tampa Bay Rowdies when he was recommended to Chelsea but, at Stamford Bridge, he was limited to about a couple of dozen League appearances over two years.

### LARS ELSTRUP

(Forward) Lars was signed from Odense for £650,000, with striker Raphael Meade also going as part of the deal, in August. He score five times in his first two Littlewoods Cup

games for the Hatters but he didn't get off the mark in the First Division until scoring in the recent 1-1 draw at Millwall. Lars has been capped by Denmark on 12 occasions.

### KINGSLEY BLACK

(Forward) Kingsley made a remarkable impact after being introduced to the Luton side

two seasons ago. He starred in their Littlewoods Cup win at Wembley and, within weeks, was in the N. Ireland side. He now has seven full international caps.

### IAIN DOWIE (Forward)

Iain was happy playing in non-League soccer with St Albans, Hertford, Cheshunt and Hendon until Luton invited him to join them for £30,000 in December 1988. He had scored 80 goals in 2½ seasons with Hendon.

Back row: Left to Right Richard Cooke, Mick O'Brien, Julian James, Marvin Johnson, Richard Harvey, Raphael Meade, Kingsley Black, Paul Gray. Middle row: Left to Right Terry Mancini (Assistant Manager), Jim Ryan (coach), Darren McDonough, Iain Dowie, Graham Rodger, Les Sealey, Alec Chamberlain, Mick Harford, Dave Beaumont, John Dreyer, John Faulkner (coach), Dave Galley (physiotherapist). **Ray Graydon:-**  
Reserve Team Coach

**On-loan goalkeeper Mel Rees made his debut for Saints Reserves in their 1-1 Football Combination draw with Millwall at The Den on Wednesday.**

The impressive Kevin Moore headed Saints in front on 44 minutes. But Millwall salvaged a point when Rees, on loan from Watford, was beaten just before the end.

Saints Reserves' revival, which brought four points from two matches, was halted by a 1-0 home defeat by Brighton in last Saturday's fixture.

Centre-half Mark Blake and goalkeeper Gary French played well in a Saints side which did not deserve to lose. And Neil Maddison worked hard in an unaccustomed forward role.

Ex-Saints trainee Lee Cormack played up front for Brighton, while former Southampton Schools striker Martin Lambert switched to the Brighton defence in an early reshuffle. Jack Dineen scored the 83rd-minute winner.

Centre-half Kevin Moore was outstanding for Saints Reserves when they drew 0-0 at Charlton in

their previous match.

Before that, midfielder Barry Horne, back after injury, helped Saints to their first win of the season, 3-0 at home to Chelsea.

Corner-kicks from Lee Luscombe led to the first two goals, by Maddison and Banger, and then Luscombe scored himself. It was 3-0 after 15 minutes.

Ray Graydon, 42-year-old Saints Reserves coach, came out of retirement in the team's 3-0 defeat at Tottenham. Graydon was at right-back in his first match for five years. Norwegian trialist Ola By Rise was in goal and two of Spurs' goals were penalties.

Saints Reserves have no match today, but they played at Portsmouth on Wednesday (7 pm).

**Dave Merrington:-**  
Youth Team Coach

**Saints were knocked out of the FA Youth Cup on Tuesday night when Crystal Palace beat them 2-0 in their second round tie at The Dell.**

Palace took a shock second-minute lead when a long cross dropped in over goalkeeper Gary French.

Saints, facing an uphill fight after that, rarely looked like equalising. But Lee Powell wasted an opening brilliantly created by Christian White before Palace clinched victory with a close-range second goal from Carl Roberts with 14 minutes left.

Saints Youth came from behind to win 2-1 away to Bristol Rovers in last Saturday's South-East Counties League Division 2 match.

David Lamport drove in a superb equaliser and Welsh forward Lee Powell grabbed the winner. Gareth Taylor should have added a third goal, missing a sitter superbly created by Powell.

"It was a good result because Rovers are a difficult side to play against," says Youth coach Dave Merrington. "Kevin Phillips was

outstanding at right-back. He kept it nice and simple.

"Jason Peters and Matthew Bound lacked understanding in the middle of defence, but the team's shape, passing and forward movement was good."

A week earlier, Saints Youth drew 1-1 at Swindon. Powell, sharp and tricky up front, gave Saints a 25th-minute lead.

In the previous match, Saints lost 1-0 at Reading to a goal after only three minutes. "Our goalkeeper Gary French was at fault with the goal," says coach Merrington, "but then he damaged an ankle and played on. He showed a superb, professional attitude."

Saints Youth, now in the midst of eight successive away League matches, were due at Bournemouth today. Next Saturday they travel to Brentford.

# YOUTH ROUND-UP

# CHARLIE WAYMAN Where are they now?

**Although almost forty years have passed since Charlie Wayman left The Dell, the man's predatory goalscoring skill remains a topic of conversation to this day.**

The centre-forward, pint-sized at 5ft 6in, is part of Saints' folklore. He rattled in 77 goals in 107 appearances for the club and his five-goal spree in a 6-0 home win over Leicester in October 1948 still stands as a Saints individual League record.

"At the final whistle they were still shouting for more," laughs Charlie, now 68 and living in retirement in his native North-East.

"I had just on three seasons with Southampton and enjoyed every minute. I loved the crowd and, yes, I was well liked, too!

"I was very quick, had a good left foot and followed up everything in the penalty box. I got to like scoring goals!"

Charlie Wayman's career started with Newcastle in the first post-war season. He was soon scoring consistently, including four goals in a 13-0 demolition of Newport when the legendary Len Shackleton hit six, and a hat-trick against Saints in an FA Cup tie.

But in the 1946-47 season, having scored 30 goals, he was dropped for the 3-0 FA Cup semi-final defeat by Charlton — and Second Division Saints soon stepped in.

"I reckoned Newcastle had given me a rotten deal and it was time to move on," he recalls. "The Southampton manager Bill Dodgin came up to the North-East with his directors and I signed without discussing it with my wife Emma.

"We'd only moved house six weeks beforehand and when I got home I said: 'Sorry, luv, but we're moving again.' 'Where to?' she asked. 'Southampton!' I told her."

Wayman's £10,000 transfer in October 1947 triggered off a glut of goals. But, agonisingly, Saints narrowly missed out on promotion each time, finishing third, third and fourth.

In 1948-49 Saints were eight points clear with seven matches left after Wayman, a limping passenger on the wing, scored late on to snatch a 1-0 win over Tottenham in front of a 69,265 crowd at White Hart Lane.

But with their star striker injured, Saints collapsed dramatically on the run-in and missed promotion by a point. Twelve months later they were denied by goal-average!

Charlie Wayman's wife never settled in the South and in 1950 he joined Preston, who included great players in Tom Finney and Tommy Docherty.

Charlie Wayman and his wife Sheila.

Preston promptly won promotion to Division 1 — Wayman scoring 28 goals — and later he played for Middlesbrough and Darlington. He finished with a dazzling League record of 254 goals in 382 matches.

"I played my football before the days of big money and agents and never earned more than £19 a week, but it was a great life," recalls Charlie. "As one of ten children, I'd had a tough upbringing. I left school at 14 and was down the mine on the Monday morning!"

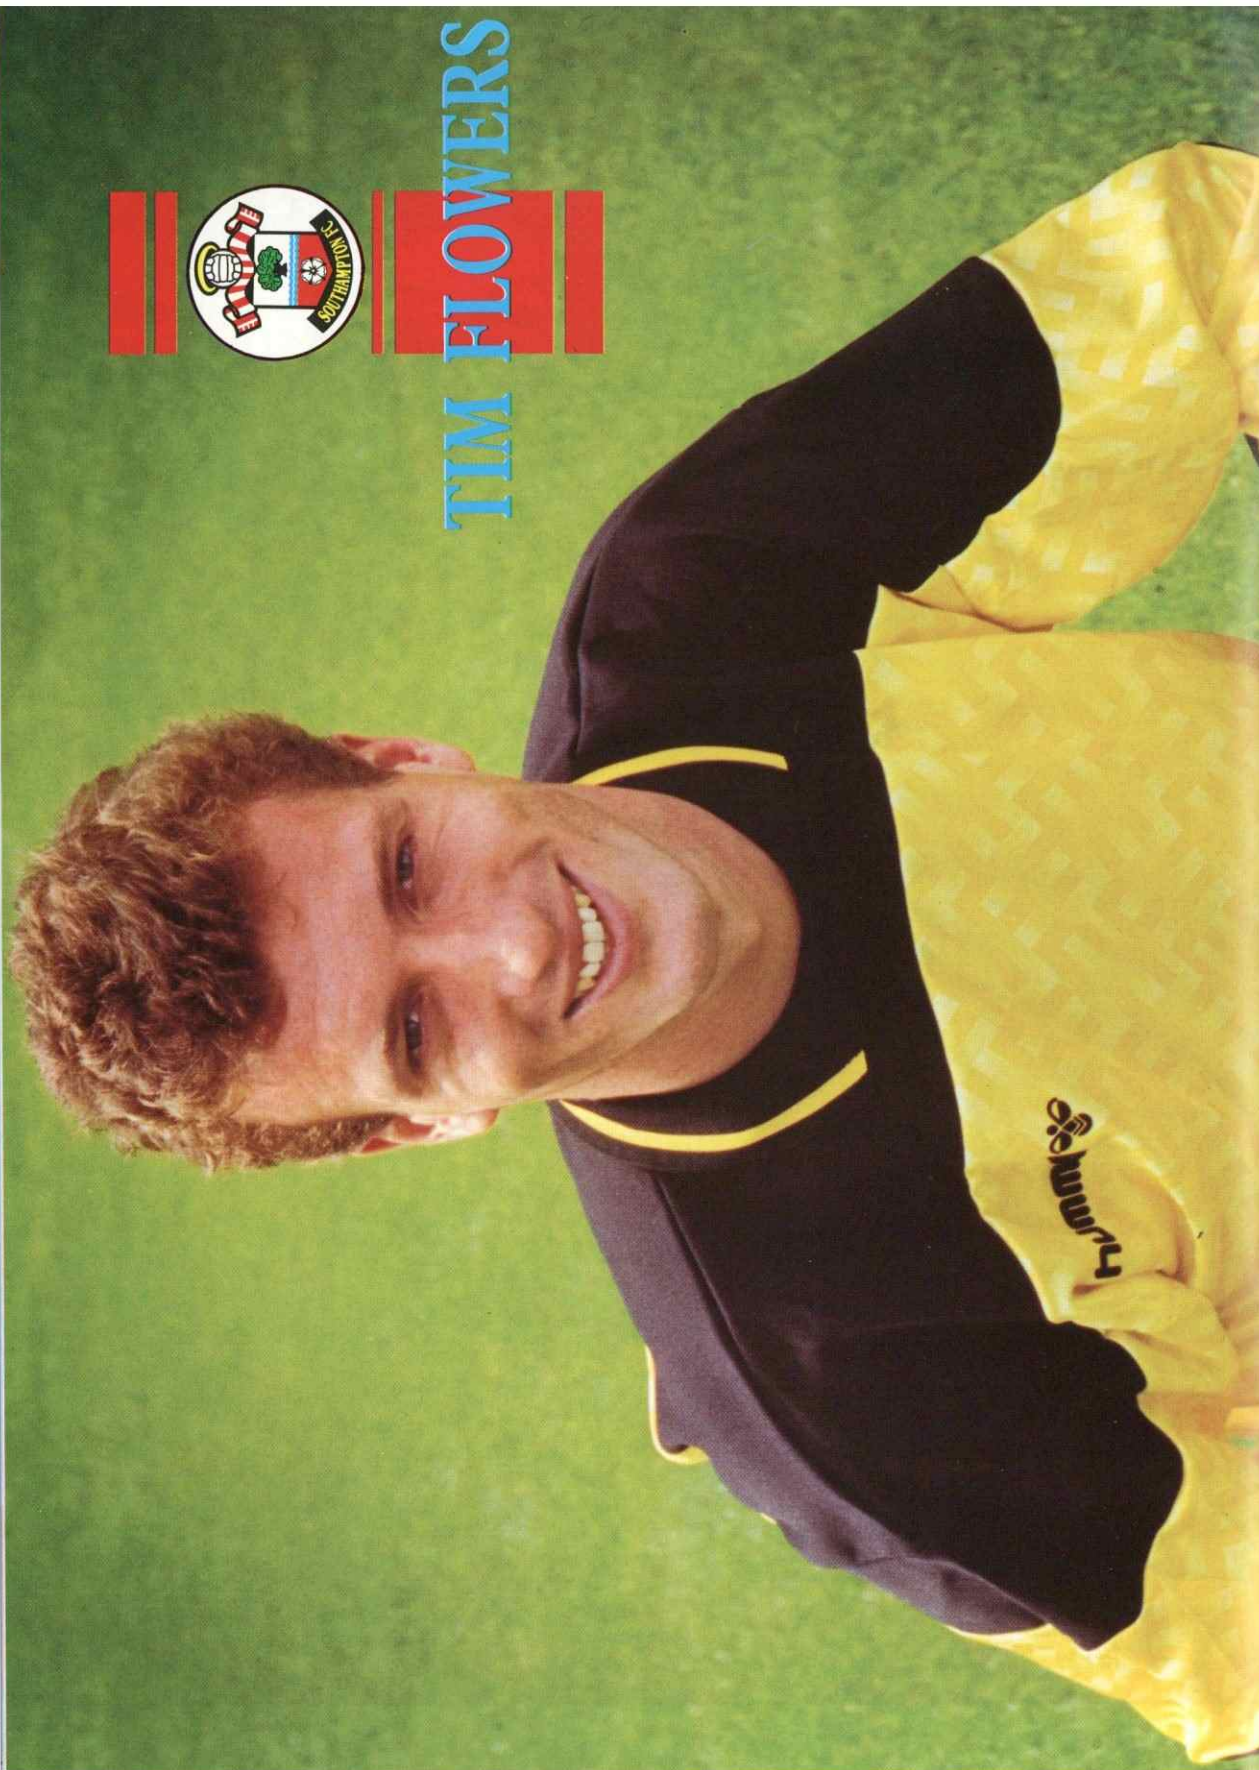

A grandfather with six children of his own, he

lost his wife nearly 20 years ago. He was a brewery rep for 24 years before retiring at 60 and now lives at Bishop Auckland with his second wife Sheila.

"A lot of the football nowadays bores me, though I did enjoy the highlights on television when Saints beat Liverpool the other week," he says. "They played the game the way it should be played.

"You know, even now people come up and say: 'Aren't you Charlie Wayman? I remember watching you play.' It's always nice to know you're not forgotten!"

# JUNIOR SAINTS

We extend a very warm welcome to Ben Tyler and the Junior Hatters who are joining us today on one of our "Unigate" Friendship in Football matchday exchange visits. Meeting up at Oaklands with our members upon their arrival this morning, the young Luton fans exercised their soccer skills before lunching and then completed their short journey to The Dell for this afternoon's fixture.

At half-time Unigate will present our visitors with a Friendship in Football certificate to remind them of their visit to the South Coast.

## SOCCER FUN FOR EVERYONE

Providing the opposition at Oaklands for our Soccer Fun Session on

December 9th will be a group from Slough who are filling in for Manchester City who are unable to join us.

If you would like to take part in a series of small sided games and are aged between 10-13 years, please contact the Junior Saints office with your name, age, membership number and playing position as soon as possible. Kick-off is 11.00 am and matches are scheduled to finish at 12.30 pm and there will be a small charge of 40p to help to cover the cost of facilities.

## CHRISTMAS PARTY TIME

Following the success of our 10th anniversary Christmas Party last year, we have arranged a similar event again for this year.

The venue will once more be at the Saints Executive Club on Sunday 17th December from 3.00 pm-7.00

pm. Entertainment will be provided by The Paul Harper Disco, Clements The Clown and Magician Nicki who has just been voted Female Magician of the Year by the Magic Circle.

In addition to dancing, party games and being entertained, there will also be a delicious buffet style tea party for those who attend.

Tickets are now available from the Saints Community Office on a first come first served basis at only £2.00 each, but hurry as numbers are limited to the first 150 who apply.

## DAY AMONG THE STARS

Two lucky Junior Saints last week enjoyed a wonderful opportunity to watch the England team prepare for their friendly against Italy.

As winners of a recent competition, David Jacobs of Boyatt Wood and Kevin Wiltshire of Hedge End were invited to see Bobby Robson's men training.

And despite the thick fog which shrouded the session, they had a fantastic day out meeting all the players and getting their autographs.

When they arrived at Bisham Abbey they watched the squad training. The youngsters played a part in England's preparation, acting as ballboys during shooting practice. And with England's shooting being like it was at Wembley they were kept busy!

The pair and their fathers then joined the players in the lounge for coffee where they were able to talk to them and get their signatures and photographs.

Former Saint Peter Shilton was particularly good. He really took time out to talk to them and even put off press and television interviews for them.

Then the youngsters were given lunch before returning home after a memorable day.

## THE FAMILY GAME

More and more clubs are providing modern facilities to enable families to watch and enjoy our national game in safety and comfort.

Family stands and enclosures are a common feature of League grounds and form part of a major programme to improve football stadia throughout the United Kingdom. This season will see further projects including new and better toilet facilities, especially for female fans, the provision of seating in existing covered areas and improved accommodation for supporters with disabilities.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zetters from their Spotting-the-Ball competition and spends it on schemes to improve standards at League grounds in Britain.

## PLENTY OF GOALS BEING SPREAD AROUND AND SAINTS ARE THE AWAY DAY SPECIALISTS!

The amazing thing, for such a high-scoring match, was that no Liverpool player managed to complete a hat-trick. Indeed, though there have been plenty of goals in First Division football this season, they have been well spread out.

So far only three players have registered a hat-trick. Manchester United's Mark Hughes hit three towards the Reds' 5-1 home win over Millwall, then Gary Lineker found his old scoring touch with three goals in Spurs' 3-2 win over Q.P.R.

Q.P.R.'s player-manager Trevor Francis was the only other First Division hat-trickster, getting all the goals in their 3-1 win at Aston Villa — Rangers' only away win to date.

Another indication as to how well the goals have been spread around this season can be gleaned from a study of each club's list of scorers. When Danny Wallace popped in his first League goal for Manchester United last Saturday, he became the 11th player to score for the club in the First Division this season.

Players from nine different positions have scored for United, right-back being the only outfield spot devoid of a goal so far. Left-back Lee Sharpe and centre-backs Steve Bruce and Gary Pallister have all netted at least once.

All three strikers — Mark Hughes, Brian McClair and Danny Wallace — have been on the mark, together with midfield players Clayton Blackmore, Russell Beardsmore, Neil Webb, Bryan Robson and Mike Phelan.

Arsenal are the only other club with 11 players on their First Division scorers' chart, Iceland international Sigi Jonnson, who came on as substitute, making up the number with a goal in last Saturday's 3-0 win over Q.P.R.

With Arsenal, left-back Nigel Winterburn and midfielder Kevin Richardson are the only regulars not to have scored so far.

Both central defenders — Tony Adams and David O'Leary — plus right-back Lee Dixon have their names on the list.

Midfielders David Rocastle, Michael Thomas and Jonnson are among the scorers, as are strikers Alan Smith, Paul Merson, Brian Marwood, Perry Groves and Niall Quinn.

The Saints could soon match Arsenal and United with 11 First Division scorers. Neil Ruddock, Danny and Rod Wallace, Glenn Cockerill, Jimmy Case, Paul Rideout, Barry Horne, Matthew Le Tissier and Alan Shearer are the nine players who have netted for us in First Division games.

Everton's Mike Newell claims the best individual scoring sequence in

the First Division this season. The £1.1-million striker, signed from Leicester last summer, scored in four successive games for the Toffees.

Matthew Le Tissier became joint-top penalty scorer in the First Division when he converted his 44th minute spot-kick at Stamford Bridge last weekend. It was his third successful conversion of the season,

equalling John Barnes (Liverpool) and Dean Saunders (Derby).

With goals being more spread around this season, no one player is dominating the First Division scoring chart at the moment. The leading First Division scorers in all matches after last weekend's games were:

	Lge	Lit.	Total
		Cup	
Saunders (Derby)	6	5	11
Barnes (Liverpool)	9	1	10
Platt (Aston Villa)	9	1	10
Lineker (Spurs)	8	1	9
Newell (Everton)	6	3	9
Goddard (Derby)	6	2	8
Hughes (Man. Utd.)	8	—	8
Thomas (Arsenal)	5	3	8
WALLACE, Rod (SAINTS)	7	1	8
Wilson, K. (Chelsea)	7	1	8
Wright (C. Palace)	6	2	8
LE TISSIER (SAINTS)	7	—	7
Dixon (Chelsea)	7	—	7
Fleck (Norwich)	4	3	7
Rush (Liverpool)	5	2	7
Williams (Charlton)	6	1	7
Sherringham (Millwall)	6	1	7

The only non-international among the top eight is Newell but it is possible that, if he maintains his early form, he could be capped by England during the run-up to the European Championship finals. Gary Lineker and Peter Beardsley have started all three England games this season but all three ended goalless.

The only other striker used by manager Bobby Robson this season was Villa's David Platt who came on as substitute in the recent friendly with Italy at Wembley.

With so many goals being scored by so many players in the First Division, it must be frustrating for Bobby Robson that no one is getting any for England. Barnes and Lineker may be among the First Division's most successful marksmen, but neither has been doing the business for England.

Bobby Robson's major priority now is to find a couple of strikers capable of scoring goals at international level. So there is an exciting prospect, for any striker who hits form between now and the end of the season, of winning a place in the squad to go to Italy next summer.

If the Saints continue to produce the goods, then there is no reason why one — or more — Southampton players should not be entrusted with the task of ending England's goals famine.

# SITTING COMFORTABLY?

By Dave  
Hinsley

**Environment Minister Chris Patten recently visited Tottenham's White Hart Lane to inspect and congratulate the club on their extensive Executive Box building programme.**

But this same Minister was instrumental in thwarting little Southend United's plans to build a new ground and improve comfort and safety for the fans.

In the wake of Hillsborough, plans are springing up everywhere, or rather plans that have been in progress for a long time are receiving publicity!

Liverpool have announced moves to make Anfield an all-seater ground by the early 1990s and to fit executive boxes into a proposed new stand.

Kop end fans will find seats difficult to adjust to after years of standing amid the swaying, chanting masses. But as Liverpool appreciate all too well, safety is now the overriding consideration!

But being one of the so-called "Big Five" Liverpool are unlikely to come up against planning problems posed by vindictive, uninformed local authorities and Environment Ministers.

Newly-promoted Maidstone United planned to have a new ground after selling their old one for redevelopment. But one problem after another has been encountered by their chairman Jim Thompson.

In the late-'70s and early-'80s, plans were laid down for Saints to move to a new ground. But again widespread problems were encountered. Even improvements to The Dell have met with unfair local authority protests and red tape.

It seems that local authorities are only too happy when clubs support their activities, but the situation changes somewhat when the boot is on the other foot.

Even the chairman of the "old enemy" down the road, Pompey, unveiled super-stadium plans last season. But the rollcall of those that have laid down plans without subsequent action goes on and on, from Newcastle to Charlton. To me, it strikes of raising supporters' hopes unfairly, allowing for a cruel letdown!

F.I.F.A. now demand that any country proposing to stage the World Cup Finals must have all-seater stadiums. Sadly, the thought of England staging this prestigious event is laughable, given our facilities.

Next summer's finals in Italy are being staged at 12 stadiums across the country. These grounds are under-

going fantastic redevelopments at prices which are extravagant dreams to their poor English counterparts.

But to be fair, the Italian Government is injecting massive investment into the event, recognising that the publicity generated is enormous.

For example, Naples are spending £300 million on improvements to the city and stadium. But what should be remembered is that seat tickets run at £57 per match during the Finals.

Many fans, though, will find it hard to adjust to seats. At the recent Manchester United v Saints match, I sat up in the stand for a better view. But it lacked the passion generated by standing on the terraces. Unfortunately, I, along with many others, will have to adjust.

When all-seating comes, prices will naturally rise to make up for depleting capacities. To offset these rises, clubs will look toward their improving commercial departments.

Though purists dislike the commercial aspect and accuse clubs of being too financially-minded, their operations are vital to the survival of many clubs.

Attendances during the last twenty years have dropped dramatically and without the sometimes difficult marriage of football and advertisers many clubs would have gone under. The game owes a lot to committed sponsors such as Draper Tools and Barclays for their ongoing support!

To me the trump cards lie with the clubs and the Government over the issue of ground improvements and the building of new stadiums. At a time when £2 million transfers and outrageous player contracts are flying around like confetti, it is understandable that questions are being asked as to the standards of our stadiums.

It is plain economics. If a house is in need of repairs you don't buy luxuries and wait for an accident before putting things right. You put safety first and do the work required — then see if luxuries are affordable.

Our Government creams £43 million each year from the game through the pools. Like our European counterparts, they should show their commitment to the game by injecting a large part of this back.

Many changes are coming over the next decade and some, sadly, will result in clubs going to the wall. But ground improvement is an issue of overriding importance, as vital as the battle against hooliganism.

We're going to have to face these changes and adapt accordingly!

**LUTON**

# DID YOU KNOW...

**Luton have not won away in the League in 1989, results going: Charlton (0-3), Arsenal (0-2), Liverpool (0-5), Q.P.R. (1-1), Manchester United (0-2), Aston Villa (1-2), Newcastle (0-0), West Ham (0-1), Tottenham (1-2), Q.P.R. (0-0), Coventry (0-1), Manchester City (1-3), Millwall (1-1) and Crystal Palace (1-1).**

The oldest player to appear in Luton's first-team was Dally Duncan who was 39 years and 11 days of age when he played his final game in 1948.

**Though Luton won only two of 19 away League matches last season, they won all four away ties in the Littlewoods Cup.**

Danny Wilson's tally of nine League goals last season was the lowest by any Luton leading scorer since Adrian Alston and Ron Futcher were joint top with seven in 1974/75.

**The last Luton player to score a hat-trick in the League was Mark Stein, who got three of the goals in their 7-4 win over Oxford in February 1988.**

The Luton record is never likely to be beaten - Joe Payne scored 10 times against Bristol Rovers in a Third Division (South) game in 1936.

**Payne cornered another club record when he scored 58 goals in 1936/37 - 55 in the League, plus three in the F.A. Cup.**

Luton, who have played in three Wembley Cup finals over the past two seasons, had previously been to Wembley only once during their entire history - when losing the 1959 F.A. Cup final.

**The Hatters were the first club to drop all the way from the First to the Fourth Division and, later, regain their place at the top.**

Mick Harford, with 80 goals in all competitions by the end of last season, is the highest scorer on the club's books at the moment.

**Luton's record aggregate scorer was Gordon Turner, who scored 265 in all competitions - 243 League, 18 F.A. Cup and 4 League Cup.**

Luton's appearances record is held by Bob Morton who played 495 League games, 48 F.A. Cup ties and seven League Cup ties to make a grand total of 550.

**Among the current staff, the player with most appearances is goalkeeper Les Sealey, who had totted up 259 senior games by the end of last season.**

Luton's most-capped player was Mal Donaghy, who won 58 caps for N. Ireland before moving on to Manchester United last season.

**Kenilworth Road's record attendance was 30,069 for an F.A. Cup tie against Blackpool in 1959.**

Luton's largest crowd last season was 12,117 for the visit of Liverpool in October.

**The biggest crowd to watch Luton in action in the League last season was the 36,335 that turned up to see them at Manchester United in March.**

Luton's record League victory was a 12-0 success over Bristol Rovers in the Third Division (South) in April 1936.

**But the Hatters had done even better than that when they crushed Great Yarmouth by 15-0 in the F.A. Cup in 1914.**

Luton went down 1-2 at Tottenham on the opening day of this season and it is now five years since they won their first game.

### YOUNG EAGLE REGIONAL AWARD FOR LONDON & SOUTH

Southampton's forward, Rodney Wallace will receive the Barclays Young Eagle regional award for London and South prior to Saturday's (November 25) kick-off at The Dell.

The award — an inscribed salver — nominated by the Barclays panel representative Ron Greenwood and endorsed by the panel chairman, Bobby Robson, will be presented by Mr Ian Thomp-

son, the manager at Barclays Business Centre, Southampton.

Ron Greenwood's report on Rodney to Robson read: "A most enterprising and bright player who plays wide on the left and is full of confidence especially when running with the ball and taking on defenders.

"Small in stature but big in heart, he's quite willing to get in amongst the big defenders where it hurts and above all, he scores goals. Is a must to follow in his brother Danny's footsteps."
