JIM RYAN

I permitted myself a moment of quiet reflection yesterday when I reached the first anniversary of my appointment as manager of Luton Town. I can still recall my feelings in those first couple of days before the Liverpool match with a mixture of excitement and a healthy dose of fear. Happily, the excitement is still with me now, 12 months later, while the fear has all but disappeared.

People often ask me about progress in relation to my first year. I suppose the most satisfying thing from my own point of view has been to see so many young players come into the team, make their debuts and do well. In recent weeks, two more - Sean Farrell and Mark Pembridge have done the same and it is probably a good gauge of my first year in charge to count up the number of players who have made their Football League debuts. This has partly been through circumstance and partly due to the knowledge John Faulkner and I had of the boys from our work with the reserve and youth teams.

The other part of the equation, of course, has been the first-class response of our senior experienced men who have had to "look after" the younger players. In this, they have been exemplary and allowed other young players like Harvey, Johnson and James to settle in with consistent runs.

Since I last wrote, we have had two downpoints - our display against Sheffield United at home and the unfortunate injury suffered by Ceri Hughes. While the injury will not heal before the end of the season, we at least had some compensation last weekend in seeing the team perform excellently and win at Sheffield United in the cup. Today, we welcome Southampton. Enjoy the game.

Grey-Haired mystery man

Thankyou for your response to the Xmas teaser in our Boxing Day programme against Sheffield United. The first correct answers to arrive in the mailbag came from Miss Tracey Hansell of Cloisters Road, Luton, and Mr D. Nagy of Browning Road, Luton. Both guessed correctly that the player showing signs of premature aging was none other than Darron McDonough. Ed

Souvenir exchange

Dear Sir
I'm a Bulgarian football fan, born and living in Sofia. I'm keen supporter of the British football. I think that the English League is the most interesting in the world.

I would very much like to correspond with British football supporters. My hobby is to collect football souvenir such as enamel badges, programmes, magazines etc. I have a favour to ask of you. If it is possible, could you publish my address in the supporters' page of your programme. I'll be very happy to correspond with Luton Town FC supporters and to exchange football souvenirs with them. I have a lot of football badges, programmes etc for exchange from all East European countries.

I wish to you, the staff, the manager and the players of Luton Town FC much health, success everywhere and many, many wins of the football field during the coming 1991 year!

INTER-LEAGUE MATCH IN NAPLES WILL REBUILD BRIDGES AND STIR UP OLD MEMORIES OF ITALY

A multi-national and multi-talented squad representing the Barclays Football League will fly out to Italy next week for an inter-league fixture with their Italian league counterparts in Naples. The match, arranged by the Italians, is aimed at being another major step towards the restoration of the special relationship which existed between English and Italian football before the shattering events at the Heysel Stadium in Brussels in 1985 when 39 fans died following a riot at the European Cup final between Juventus and Liverpool.

If the match is a success it could also help boost hopes that Liverpool will be re-admitted to European competition next season by UEFA, whose executive committee meets on April 19, and help improve the image of English league football throughout Europe. "We accepted an invitation to play the Italian League in order to help build bridges and widen our international experience after the English clubs' exclusion from Europe," said the Assistant Secretary of the Football League Andy Williamson.

"In reality, it is a flag-waving exercise, but we have an historic association with the Italian League. We played four inter-league matches during the 1960's and held several Anglo-Italian club tournaments during the 1970's. In many respects, we shall be renewing old acquaintances. We feel this match will provide everyone with a wealth of good experience while the game itself will, we sincerely trust, also assist in the overall aim of restoring the reputation of English football in Europe."

Town fans with memories of the 1970's will recall visits to Luton by various Italian clubs, including Bari and Fiorentina, in the Anglo-Italian cup and many may also remember the story of former manager the late Harry Haslam's visit to the Vatican in 1973. According to one report, 'Happy Harry' lost his balance and slipped down a flight of winding steps, bumping all the way down until he flung himself through some doors and into a room full of papal ceremony. Mr Haslam afterwards swore he had bumped into the Pope himself!

THE TOWN

THAT SPECIAL FEELING IS REVIVED AGAIN

TAKING A TUMBLE!

● Our team captain John Dreyer is pictured with Michael Gallagher, 9, during the Junior Hatters Christmas party.

- DJ Bear, of the Football League, presents our team manager Jim Ryan with Match magazines' Fair Play award for November before kick-off on Boxing Day.

Welcome to Southampton and a very happy new year to everyone at Kenilworth road today. We were all delighted to clinch a place in the fourth round of the FA Cup last weekend with our victory at Sheffield United. It was a nice feeling.

The FA Cup remains the most exciting traditional cup competition of them all and there is always a special buzz about FA Cup-ties which I think is unique to them. It is the one which always makes my heart beat that little bit quicker and I am sure it is the same for all our supporters. I bet Southampton's followers would have agreed too after their 3-2 win over Ipswich last Saturday.

We have been drawn to meet West Ham United, who we met only shortly before Christmas of course in the Zenith Data Systems Cup, or Aldershot in the fourth round here at Kenilworth Road. At this stage of the competition, you cannot ask for more than a home tie so we are pleased with that.

The unknown identity of our opposition, because West Ham and Aldershot are due to replay their third round tie next week, has added an interesting post-script to my comments a few weeks ago about police costs and the 10-days notice rule.

Aldershot had already conceded

home advantage and played the original third round fixture at Upton Park – and done extremely well to hold the Hammers to a draw – and the replay will again take place in East London.

The Metropolitan Police have insisted on the 10 days' notice requirements to police the tie which has meant, in turn, that we shall not know January 16 just who we are going to be playing on January 26.

Of course, if the two teams draw again, we shall not know until the night of Monday, January 21, when the second replay is scheduled to take place. And if it goes to a third replay, that will really upset things because it will take place on fourth round day. All this possibly as a consequence of the 10-days notice!

Everyone in football understands and sympathises with the predicament of the police and, I understand, the FA have looked at his sort of problems over replays and talked about taking ties to penalties after replays next season.

This would end one of the traditional qualities of the competition, those stamina-sapping marathons of several replays which can grip the nation, and I must say it would be sad to lose that.

In this context, I find it surprising that the Metropolitan Police, unlike most

OF THE F.A CUP IN SHEFFIELD

other constabularies in these situations, have enforced the 10-day rule at a time when the game is listening so attentively to them on so many issues.

I must say I am grateful that we have a good relationship with Bedfordshire Police who in the years I have been here have always been cooperative with replays and the extra costs involved in not using rest-day staff. I am told the costs for West Ham to have staged the replay this week would have been phenomenal.

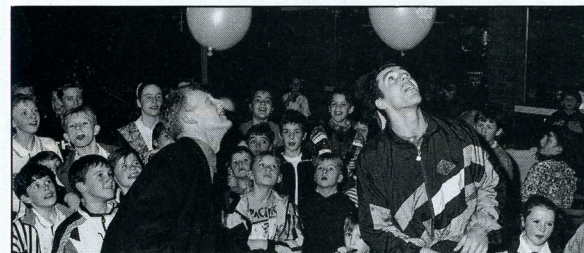

For our own fourth round tie, against whoever it may be, we have taken a careful look at our allocation and disposal of tickets and decided to make the match all-ticket. We have also decided to give our members a much better opportunity to purchase tickets before any become available for guests.

We have a membership of 25,000 and clearly it has been necessary to make

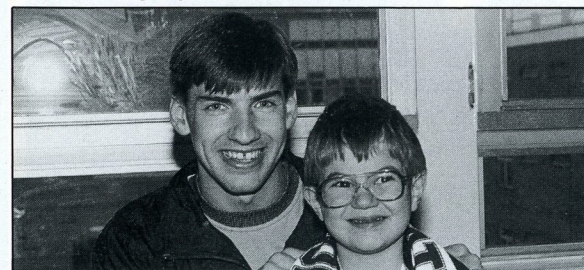

the match all-ticket to stay in line with police advice and make administration as straight forward as possible. Much the same thinking is likely to be applied to the Liverpool and Tottenham home league matches. In all cases, the safety of all spectators has to be given first priority.

On a different subject, I know our team manager Jim Ryan was hoping to add another new name to our growing band of promising youngster this week with the anticipated signing of Paul Holsgrove from Wokingham.

A small fee in the region of £25,000 was expected to change hands for Paul 20, who is a midfield player with the talent to have attracted our attention at a time when we have a very strong youth policy. It is always important to keep on building up the strength of our younger players as we have been throughout all levels of the club in recent years.

● Iain Dowie and John Dreyer entertained by juggling at the Junior Hatters party.

● Alec Chamberlain is pictured with John Paul, 6, during the players' visit to the Children Wards at the Luton & Dunstable hospital before Christmas.

CAPTAIN'S DIARY

JOHN DREYER

The lads played with real spirit last week to beat Sheffield United in what I can only describe as atrocious conditions and I hope the performance made the long journey worthwhile for our travelling supporters after a disappointing Christmas.

Lars Elstrup bagged two more goals to take his tally to 13 this season – which must make him the highest-scoring winger in the league! The third came from Fazza and will be a great boost to him as we look forward to a fourth round meeting with West Ham or Aldershot.

Unfortunately that sort of performance had eluded us over Christmas when we won only one of four games.

We were all sorry when our Welsh under-21 midfielder Ceri Hughes was injured in the Boxing Day match against Sheffield. Ceri had a knee injury which needed surgery. We all wish him a very speedy recovery.

But as one door closed, of course, another opened as Ceri's best friend and fellow-Welshman Mark Pembrige came into the side. Mark did well and the manager has now blooded another great prospect for the future and intensified the competition for places right through the team.

FIRST TEAM ACTION

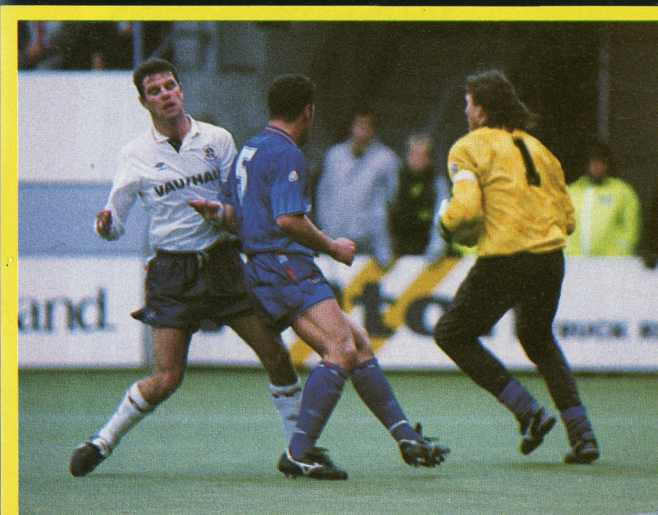

Luton Town 2 Chelsea 0

Second-half goals by Jason Cundy, with a header into his own net, and Kingsley Black, brought the Town their first win in six league outings on December 29. After the lacklustre display against Sheffield United on Boxing Day, it was a welcome return to a more determined and positive style of play and Chelsea were well beaten.

Jason Rees was recalled to midfield to replace injured fellow Welsh under-21 international midfielder Ceri Hughes while Sean Farrell made his full league debut in attack in place of Iain Dowie. Chelsea enjoyed a bright first half spell and were unlucky not to score.

The second half was all the Town's however and it was Farrell's challenge to David Preece's free-kick which brought the opener after 56 minutes while Black's rifled shot eight minutes from time ended Chelsea's hopes.

Luton Town - Chamberlain, Johnson (James 80), Harvey, Williams, McDonough, Dreyer, Elstrup, Preece, Farrell, Rees, Black.
Chelsea: Beasant, Hall, Le Saux, Lee (McAllister 60), Cundy, Johnsen, Stuart, Bumstead (Dickens 76), Dixon, Wilson, Wise.

• **Blues beaten:** A much-improved performance helped the Town beat Chelsea. Kingsley Black, Sean Farrell, Lars Elstrup and Steve Williams are pictured in action in the match. Pictures by Josh Levy of Apex Photography.

SPONSORS GESTURE MAKES IT A SPECIAL DAY FOR THE CHILDREN

I would like to start my column this afternoon by thanking Davroys Ltd for sponsoring our Boxing Day fixture against Sheffield United. Their support in the form of sponsorship allowed us to invite 35 children from four different children's homes and give them a day out which I am sure they will all remember for a long time.

We were able to give the children a big breakfast before they were taken on a behind the scenes tour of the dressing rooms, the boot room, the medical facilities and a run down the tunnel and out to the Kenilworth Road pitch.

Although we did not win, the children gave their all in voicing their support for our team and were full of excitement after the match when they were waiting to meet both teams.

To Roy and Dave of Davroys, we thank you for your support and sponsorship. You have made 35 children very happy and given them a Christmas they will not forget.

Visitors to our Sports Shop in Oak Road are also likely to enjoy a treat they will not forget at the moment as the shop has begun its January sale and there is a 25 per cent

discount on most items available. Do not forget to take advantage.

A small reminder that there is a chance to win £4,000 in our lottery. The draw will take place in February so buy your tickets today. They cost only 50 pence and, who knows, you could be the lucky winner.

We still have available a few match day executive boxes for a few of the matches this season. Anyone interested is invited to contact me at the club and I will supply all the details.

Finally, a very warm welcome today to our joint match sponsors for the visit of Southampton - Howard Smith of Smith Daldry & Company Ltd, Dave Gordon of Bonder UK and Dave Bullock of Conquest Estimating Partnership and Anchor Industries (Europe), who manufacture a complete Food Packaging System for Fast Food/Delicatessen Bakery and Chilling and Freezing Operations. The system includes around 120 different food container shapes with attached folding lides and lidding film for an air/watertight seal and various sizes of sealing machinery. I hope everyone enjoys the match.

Coach's comment: Missed chances early in the game and struggled to get the 1st goal. H.T. 1-0. Second half we got a second after some pressure and thought we had won it. Charlton came back at us and got a goal to put pressure on us again. We held firm, without really being convincing and went on to get a third goal from a free kick to seal a victory without a good team performance.

Coach's comment: After doing fairly well in 1st half, to compete and play our own brand of football. We failed to convert the two best chances. Second half got pinned in our half and did not pass the ball well enough to relieve the pressure. We conceded a goal from a corner, and although we came back strongly in last 15 minutes after two substitutions, we left it too late to save the game.

QUEENS PARK RANGERS

...Saturday, February 2, 1991, kick-off 3 p.m.

Currently struggling near the foot of the First Division table, Queens Park Rangers are the next visitors to Kenilworth Road on February 2nd.

Injuries to key players such as England international Paul Parker and Alan McDonald, plus the inconsistent performances of new Czech goalkeeper Jan Stejskal have left Rangers with just one league win since October 20 and with a total of just 14 league points.

The introduction of new signings Andy Tilson from Grimsby and Darren Peacock from Hereford for a combined fee of £600,000, plus the continuing fine form of Roy Wegerle means the re-united partnership of Don Howe and Bobby Gould will be hoping 1991 will bring a much needed change of fortune.

Come to Kenilworth Road on February 2nd to see the Town aiming to avenge the 6-1 drubbing at Loftus Road earlier in the season.

Last season: January 20 1990-Luton Town 1 (Preece) Q.P.R 1 Att: 9,703.

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

This afternoon we welcome the playing staff and officials of Southampton to Kenilworth Road for today's Barclays League Division One match, writes *Luke Nicoli*.

Southampton have not made quite the start in the first half of the season many people had expected, winning just one league game away from home and losing seven, but there is such a good balance of skill and experience in the side that it seems inevitable that the Saints will start to challenge the top clubs in 1991.

Manager Chris Nicholl has kept much the same exciting team as last season which includes such talent as England B internationals Matthew Le Tissier and Rodney Wallace, plus the experience of Jimmy Case and Glenn Cockerill.

The Saints only major signing this season has been that of Republic of Ireland international Alan McLoughlin, signed for a club record of £1 million from Swindon in December. With a solid central defensive partnership and an exciting forward line, McLoughlin is seen as the missing piece to the jigsaw which could see Southampton achieve a respectable position in Division One come May.

This season has also seen Southampton create a

new First Division record when they included two Russian players in their side. Midfield man Sergei Gotsmanov, signed from Dynamo Minsk for £100,000 in the summer, joined Alexei Cherednik, who had established himself at right-back earlier in the season, though injuries have prevented them playing together recently.

Southampton F.C. were formed in November 1885 as St Mary's YMCA, playing at the Antelope Ground, now the site of Southampton's County Bowling Club. After turning professional and joining the Southern League in 1894, the club, now called Southampton St Mary's won the Southern League Championship and became a limited company, joining the Football League in 1920. Southampton have had some success in their 105-year history. They won the Division Three championship in 1959/60, Division Three(S) Championship in 1921/22 and were Division One runner-up in 1983/84. The Saints also won the FA Cup in 1976. Manager Chris Nicholl is only the club's sixth post-war manager following such names as Ted Bates, Sid Cann and England assistant manager Lawrie McMenemy. Chris is of course a former Town player and was a team-mate of Jim Ryan's at Kenilworth Road.

OFF THE RECORD

FEATURING....KEN HAWKES

Ken Hawkes was born in Durham on 6th May 1933 and as befitting someone from the "hotbed of soccer" became interested in football at an early age, watching Newcastle one week and Sunderland the next writes club statistician Roger Wash.

Luton Town North East scout Dick Trembath, who introduced Jack Taylor and Ray Smith to Kenilworth Road, spotted Ken playing for Shotton Colliery Welfare with the upshot that he joined the Hatters in October 1951.

Progressing straight from the "A" team to the Reserves Ken was then called up for National Service.

"I thoroughly enjoyed my stint as I was stationed at Oswestry alongside other players such as Geoff Twentyman, Tommy Banks, Ray Hartle, Jimmy Dugdale and Don Howe and therefore was able to play plenty of football in various Forces sides. Luton manager Dally Duncan often used to secure my release to play for Luton Reserves as well so I cannot say I had a hard time", he said.

After leaving the Army it was back to Kenilworth Road and the records show that it was quite some time before Ken made the breakthrough.

At a time when both Southampton and Bristol Rovers were showing interest the first team breakthrough arrived and Ken replaced Les Jones in a home game against West Brom on 14th December 1957 which the

IT HAPPENED.....

FIVE YEARS AGO (6/1/86) Goals from Brian Stein and David Preece secured a 2-1 win at Crystal Palace in an F.A. Cup Third Round game watched by a crowd of 9,886.

TEN YEARS AGO (3/1/81) Three second half goals from the Town saw off Orient in the F.A. Cup at Brisbane Road. The goalscorers were David Moss with two and Godfrey Ingram. Billy Jennings, later to join the Town, scored a late consolation for Orient.

FIFTEEN YEARS AGO (3/1/76) F.A. Cup time again as Blackburn were beaten 2-0 at Kenilworth Road courtesy of goals from Ron Fletcher and Brian Chambers. A train carrying Blackburn supporters arrived just in time for fans to witness the second half!

TWENTY YEARS AGO (11/1/71) Malcolm MacDonald scored a hat-trick in an F.A. Cup Third Round replay at Kenilworth Road. Unfortunately, the visitors, Nottingham Forest, scored four in an epic game watched by 23483.

Town won 5-1.

"Some people say that you never remember your first game as it seems to pass you by. I, however, can remember everything about my debut and recall Bobby Robson saying afterwards that West Brom had been beaten by pure football".

Ken retained his place for the remainder of the 1957/58 season and was virtually ever present during the F.A. Cup Final season of 1958/59 and his tales of the club's preparation (or lack of) for the final are chronicled at length in "The Luton Town Story".

Until, perhaps, the more recent times that period represented the pinnacle of Luton Town as a football force and Ken obviously enjoyed being a part of it.

Following the break up of the Cup Final side and the eventual relegation from Division One Ken suffered injuries and when fit again found things had changed and decided to move to Peterborough in June 1961. A broken arm followed by a cartilage operation restricted his appearances with "Posh" and as he had married a Luton girl and wanted to stay local he enjoyed two seasons at Bedford followed by a spell at St Neots before throwing in his lot with Electrolux with whom he has now been connected for 25 years.

Ken rarely misses a game at Kenilworth Road and enjoys his football just as much now as when he first started watching at St James and Roker Park all those years ago.

FOCUS ON SOUTHAMPTON

Tim Flowers (goalkeeper): Tim began his career with Wolves and, after winning England youth honours, he was capped at Under 21 level. He enjoyed two full seasons at Molineux, making over 60 League appearances before signing for Southampton for £75,000 in 1986. He is now established as the Saints first-choice keeper.

Jason Dodd (defender): A first team regular for much of last season, Jason joined Southampton as a trainee and made his league debut v Q.P.R. in 1989. An injury to Alexei Cherednik has enabled him to re-establish himself in the side this season.

Mick Adams (defender): Sheffield born, Mick made his league debut in 1980 playing for Gillingham, where he gained England youth honours. He was transferred to Coventry for £75,000 in 1983 and spent three full seasons at Highfield Road before signing for Leeds in 1987 for £110,000. He moved on to Southampton in 1989.

Neil Ruddock (defender): Neil was signed from Millwall in 1989 and within weeks he was in the England Under 21 side, winning four caps. He started his career at Millwall but left to join Tottenham in 1986. After making only nine League appearances for Spurs, he returned to the Den in 1989 before signing for Southampton for £250,000 a few weeks later.
