JIM RYAN

After our recent bad weather-enforced two-week break, it was good to be back in action on Monday night at Chelsea in the Zenith Data Systems Cup. There were signs in the performance at Stamford Bridge that showed the players were feeling refreshed and recharged and returning to our early-season form. Another encouraging sign and one of the brightest spots of recent weeks has been the return, after a long spell out through injury, of Graham Rodger. Unfortunately, Graham suffered a kick on the back of his thigh at Chelsea, which was not a serious injury, but may make him doubtful for today's game. This would be a shame for him as I thought he did well against the threat of Kerry Dixon and Gordon Durie last Monday. Mark Pembroke has also done very well recently. His attitude and dedication have been exemplary and his success in gaining a Wales 'B' cap is well-deserved reward for his work and shows our other talented young reserve and youth players what can be achieved with the right attitude.

Today we welcome Liverpool. It is always one of the highlights of the season to entertain the league champions and we are no different from any other club in wanting to lower their colours. Give the players your support - strong vocal backing is always a great help - and enjoy the match.

Welcome Break for fans'

Thanking you
Mark Scallan, 4 Caroline Place
Nobel Drive, Harlington
Hayes, Middlesex

Dear Sir
Having recently spoken to some travelling fans on their way to a match, I was informed that they feel they are not allowed to stop at Welcome Break sites whilst travelling to and from matches.

I thought that it was time to put the record straight. Here at Newport Pagnell, we are more than happy to serve genuine travelling fans and official supporters clubs and hope that we may have the opportunity to serve your supporters in the near future.

If coaches could notify us of numbers in advance on (0908) 610021, all well and good, but this is not a necessity.

I would be very grateful if you could pass this information on to the appropriate people at your club, and thank you for your assistance.

Yours sincerely

Hunting for the Hammers'

Dear Sir
I have been a keen collector of West Ham home and away programmes for many years and I hope that it could be possible for you to print a request in a future edition of your club programme so that I may obtain the following Luton home programmes.

1988/89 Luton v West Ham League 19/11/88
1990/91 Luton v West Ham ZDS 19/12/90.

If anyone is willing to sell the above programmes could they please contact me at the address given. Thank you very much.

Programmes please

Dear Sir
I am an avid collector of Aston Villa football programmes, and are missing the following Villa versus Luton programmes:-

85/86 - Luton v A. Villa - 18 January 1986
86/87 - Luton v A. Villa - 14 February 1987

Your help would be appreciated in tracking down these programmes either directly yourself or by directing me to an appropriate source of Luton programmes.

Yours faithfully

Did you know?

Mervyn Terrett our club chaplain, was featured recently in the Mail on Sunday's YOU magazine? He told them he had been a Hatters' fan for 39 years - and saw nothing wrong with praying for goals!

"THE MEN AND ONE LADY IN THE GLASS CAGE"

If you have ever glanced up to the rear of the Main Stand, slightly to the left of the half-way line, you may have noticed a glass enclosure. During every First Division, F.A. Cup, Zenith Data Systems Cup and all other cup-ties this glass enclosure is occupied by some six men and one lady - not counting the scoreboard operator who has a glass compartment all of his own. Two of the gentlemen and the one lady are there to 'man' the Public Address System which keeps spectators informed of team news, future matches, supporters club dates as well as police and crowd control announcements. The lady is a member of the Town's office staff who takes care of the many incoming telephone calls received during each home game as well as ringing through to the Press Association for the half-time and full-time scores.

That accounts for everyone BUT the three gentlemen with earphones clamped firmly over their ears. These three stalwarts are the Hospital Radio Commentary Team. Originally broadcasting only to the Luton and Dunstable Hospital their ball by goal by near miss commentary now goes through to Lister Hospital in Stevenage as well. It is believed that the original system linking Kenilworth Road with the Luton & Dunstable is one of the earliest regular hospital football commentary schemes in the country. Indeed the scheme's bank account paying in book still carries E.s.d. in its columns.

We hope the scheme keeps patients in live touch with events here at Kenilworth Road and we know that players sometimes in hospital are able to keep up to date with how their team-mates are faring.

Certainly as the network of hospital radio-systems grows larger we are often asked to do "match reports" for the away teams hospital radio!!

So now you know what the glass cage is for.

THE TOWN

WELCOME BACK TO BIG-TIME ACTION AFTER THE WINTER FREEZE

GRAHAM IS BACK!

• **Graham Rodger** has fought his way back into the team after a long injury absence. Well done, Graham.

Good afternoon and welcome to Liverpool. It is difficult to introduce the Anfield club without feeling it has all been said before, but it is certainly a reflection of their standing in our game that we felt it necessary to make this afternoon's outstanding fixture an all-ticket match.

This step was taken with the very best of intentions towards all our supporters from our membership of more than 20,000 as it gives everyone a fair and equal opportunity to buy tickets. At the time of writing, all seats have been sold and we are hoping for a capacity attendance here this afternoon.

We know that all-ticket matches always mean an extra journey to the club but this is the fairest scheme – and the tickets have been on sale for three weeks. Members have had every opportunity to purchase their tickets first.

Penalties

Last Monday night, after two weeks without a game, we were back in action at last, and winning again, at Chelsea in the Zenith Data Systems Cup. It was nice to win and just as nice to see the team playing again, though penalties are not the ideal way to win a game or to lose one.

I have written before about the police notice requirements for games and

because of these it is likely that penalties will be used more often in future to settle deadlocked ties in all our cup competitions.

It is clear that the oldest traditions of our competitions will take second place to the notice required for policing. For the FA Cup next year, the FA has already proposed that drawn ties will go to penalties after a first replay and extra time.

Penalties are, of course, the system already used to settle ZDSC ties as we saw at Stamford Bridge last Monday when our victory secured our passage to the Southern Area semi-finals and a meeting with Crystal Palace at Selhurst Park on Tuesday, February 26, kick-off 7.45 pm.

Unsettled

At the time of writing, the other ZDSC Southern Area quarter-final remains unsettled. Norwich are due to meet Southampton to decide who will face Ipswich Town in the other semi-final. In the Northern Area, the semi-finalists are Barnsley v Everton and Leeds United v Manchester City.

This all mean that if we succeed in overcoming Crystal Palace we are through to the Southern Area final against Norwich, Southampton or Ipswich, the draw for which was due to take place on Thursday (February 21).

• **Top Hatter:** Phil Norton of Graham Builders Merchants presents David Preece with his Man of the Match award after our last home match against QPR.

The area final will be played over two legs on Tuesday, March 5, and Wednesday, March 20, and the finalists meet the Northern Area winners in the ZDSC final at Wembley on Sunday, April 7.

While on the subject of the ZDSC, I must refer to other interesting points which arose at Chelsea. The attendance, for example, was less than 4,000 which was a disappointment to both clubs and no doubt largely due to the sad happenings at Victoria Station earlier in the day.

London was in chaos with many BR stations and the underground closed down and people being advised by the police not to travel. This must have had a substantial affect on the gate.

Tiresome

Further, I cannot let this moment go by without referring to the attractive Chelsea programme in which Bobby Campbell took the chance to have another pot at artificial pitches – this subject does get so tiresome – on which we as a club no longer wish to be drawn.

I do, however, have to take issue with

Ken Bates, the chairman of Chelsea, whose efforts on behalf of the game in general have earned much respect. I cannot accept his comments in which he described Luton Town as "this unfashionable club just north of London and then added that "post-war, they were a joke."

People of his standing should not be making glib and inaccurate comments like these without checking their facts. If he had done so, he would have learned that in the post-war period we were in the Second Division for nine years which culminated in promotion – for the first time in our history to the First Division. It was during this era, also, that we probably had our greatest crop of outstanding international players on the club's books.

I know that in raising this issue, I am only drawing his comments to a wider audience, but I have to speak out in defence of our club for the sake of all past and present Luton Town supporters and players. We all share the view that in Luton Town, we have a club with a history we can be proud of.

• **Signing on:** Kingsley Black and Kurt Nogan take a break and sign some autographs during the Junior Hatters' recent draw for mascots and escorts.

CAPTAIN'S DIARY

JOHN DREYER

GOAL BONUS

It has been great to get back to playing again this week – and scoring a goal and winning has been a real bonus! My effort at Stamford Bridge was my fourth this season after three penalties in the league.

It was also nice on Monday to see Graham Rodger playing again. He has had such a bad time with injuries he deserves a decent run now. He is good to play alongside because he is so powerful in the air, leaving me to just concentrate on covering.

Position

I was expecting to play at left-back at Chelsea, but Darron hurt his back on Monday morning so I moved in alongside Graham. I do not know what position I will be playing in this afternoon though. Graham picked up a slight knock at Chelsea and may be doubtful and Darron may be back again.

Today we play Liverpool – the team I supported as a boy. It is vital for us to collect all three points and to banish the memories of our last home match when we let QPR come back – and beat us in the last minute. We are looking forward to it – especially after the game at Chelsea.

FIRST TEAM ACTION

Luton Town 1 QPR 2

A last minute-goal by Les Ferdinand delivered a cruel defeat to the Town in our last home match on February 2 as Queen's Park Rangers snatched a rare victory and completed a painful double. Ferdinand had earlier struck after 56 minutes to equalise Kingsley Black's 17th minute opener for the Town.

Black's goal, a superbly-struck free kick from the edge of the penalty area after he had been fouled by Barker, had given the Town a great start, but they were never able to add a second goal. The best opening came in the 47th minute when Kurt Nogan, put clear by a Graham Rodger headed clearance, drifted clear but sliced wide. **Luton Town:** Chamberlain, Beaumont, Dreyer, Williams, McDonough, Rodger, Nogan, Preece, Dowie, Pembridge (Holsgrove 77), Black.

QPR: Stejskal, Bardsley, Sansom, Tillson, Peacock, Maddix, Wilkins, Barker, Allen, Ferdinand, Sinton (Meaker 68).

Referee: M. Bailey (Cambridge).

Attendance: 8,479

ELECTRIFYING WELCOME TO ALL OUR MATCH SPONSORS TODAY

ON THE BALL

• Kingsley Black presents our result forecast winner with his prize after QPR match.

This afternoon we give a warm welcome to our match sponsors for this fixture against Liverpool: London Luton Airport, the Plumb Center, Eastern Electricity, Complete Developments, Convoys Installations and our ball sponsors C & S Builders.

We are particularly delighted to welcome all the guests of London Luton Airport who have taken today's sponsorship as an opportunity to celebrate with their colleagues in the travel industry and thank them for their continued support.

LLA's guests include representatives from airlines and tour operators offering programmes from the airport together with travel agents from all over the country and some even travelling further afield from the Republic of Ireland. We all hope everyone here with the LLA party enjoys a great day out at what promises

to be a truly exciting match against Liverpool.

The Plumb Center is the UK's largest supplier of bathrooms, kitchens and heating equipment through its national network of 220 branches nationwide.

The Plumb Center distributes approximately 20 per cent of the UK's central heating systems and approximately 10 per cent of the bathrooms with a turnover of £460 million. In the south there are 70 branches and the head office is in Dunstable. There are several other local branches including branches at Luton, Watford, Hemel Hempstead, Letchworth, Bedford and Aylesbury.

Eastern Electricity plc promote all electrical supplies, including electric space and water heating in particular, throughout the eastern counties of England and they wish all their guests a very good day with the hope that they

see Luton Town electrify everyone with a dazzling display of football!

Complete Developments of Clapham, Bedfordshire, specialise in shopfitting and refurbishment projects on a national level and at present they have contracts running in Chester, Sheffield and Blackpool. Their service company also provides emergency repair and rebuild services to Insurance Companies. Coach's comment: In the 1st half we appeared to be in control and led comfortably 1-0. It might have been more. 2nd half they started better than us and we scored twice against the run of play to lead 3-0 after 60 minutes. We then defended like novices and made basic errors and allowed them to score four goals to snatch a victory from us.

NOTTINGHAM FOREST

...Saturday, March 2, 1991, kick-off 3 p.m.

Currently occupying a mid-table position in Division One this season, Nottingham Forest are the next visitors to Kenilworth Road on March 2.

The form of Brian Clough's team has been none too dissimilar to that of the Town, and can only be described as inconsistent. They have won only three away League games this season although they have scored more away goals than any other Division One club.

The Forest line-up is much the same as last season. This will inevitably mean the inclusion of England internationals Stuart Pearce, Des Walker and Steve Hodge, former Town player Gary Parker and the exciting young talents of keeper Mark Crossley and new boy Roy Keane. With a side balanced with such youthful skill and experience, Mr Clough will demand Forest finish the season with a flourish and push for a place in Europe.

Come to Kenilworth Road on March 2 to see if the Town can better their exciting 2-2 draw at the City Ground earlier in the season.

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

WELCOME TO...

LIVERPOOL

Back Row (l to r) Ray Houghton, Alec Watson, Mike Hooper, Gary Gillespie, Bruce Grobbelaar, Ian Rush, Glenn Hysen. Middle Row (l to r) Ronnie Moran (chief coach), Ronnie Rosenthal, Steve Staunton, Gary Ablett, Jan Molby, Barry Venison, David Burrows, Roy Evans (first team coach). Front Row (l to r) John Barnes, Steve Nicol, Alan Hansen, Kenny Dalglish (manager), Ronnie Whelan, Steve McMahon, Peter Beardsley.

This afternoon we welcome the players and officials of Liverpool to Kenilworth Road. As the most successful club in Britain over the last two decades, they need little introduction.

The Reds sit ominously at the top of the First Division table after setting up yet another new club record earlier in the season, winning their opening eight League games. Liverpool's run was halted when they were held 1-1 at Norwich, but those were the only points dropped in 13 League games.

Mr Dalglish has made three mid-season signings to strengthen an already formidable squad. Millwall winger Jimmy Carter was signed for £800,000 in January and David Speedie joined the club from Coventry for £675,000 last month. Both have made immediate impacts in the first team, with Speedie scoring three times in his first two appearances. The third signing has been that of 17-year-old Jamie Redknapp from Bournemouth.

Liverpool's continuing dominance of the First Division this season has been achieved by the fine form of influential midfielder Steve McMahon, winger John Barnes and the excellent goalscoring form of Ian Rush. Rush is currently the division's leading scorer with a total of 19 goals. Strength in

depth has also meant that players such as Jan Molby and Ronnie Rosenthal have been used effectively when called upon in the Reds pursuit of their 19th League championship title.

Liverpool were formed in 1892 by businessman John Houlding, previously Everton's landlord and most ardent supporter. Everton were the only league team in Liverpool at time and played their home games at Anfield. A disagreement with Houlding meant that Everton moved to Mere Green and Liverpool AFC were formed. Houlding established a limited company which achieved First Division status in just two seasons and the club has remained at Anfield ever since.

Liverpool's title last season was their 18th, which is a Football League record. They won the FA Cup in 1965, 74, 86 and 89, and have won the League Cup on four occasions.

They won the European Cup in 1977, 78, 81 and 84 and were UEFA Cup winners in 1973 and 76, and European Super Cup winners in 1977.

Last weekend, they drew 0-0 with Everton in the FA Cup and on Wednesday night they travelled to Goodison Park to meet them in the replay.

OFF THE RECORD

FEATURING....WALLY SHANKS

Although born in Malta, Wally Shanks was brought up in Scotland and was on the brink of joining Aberdeen when war broke out writes club statistician Roger Wash.

After the war during which time he had formed a great friendship with Tommy Walker the ex Hearts player, Wally toyed with offers from both Blackpool and Spurs but decided to follow his old friend, now at Chelsea, to Stamford Bridge.

"With 65/70 professionals at Chelsea at the time and seemingly more arriving daily after de-mob I was always going to have a job getting into the first team. Joe Payne the ex Luton player who was at Chelsea at the time recommended me to Luton and so began a happy 14 year career at Kenilworth Road."

Wally made his debut away at Bury on 18th January 1947 and made a further seven appearances that season all on the wing following on with 10 games in 1947/8 again in the number seven shirt.

"I always regarded wing-half as my best position but Luton were well served in that department at that time. Frank Soo, Doug Gardiner, Ted Duggan and Billy Waugh were all the "governors" both on and off the pitch but I was happy to bide my time and wait for a first team chance in my best position."

IT HAPPENED.....

FIVE YEARS AGO (22/2/86) A second half equaliser from Mike Newell secured a point in a 1-1 draw at QPR

TEN YEARS AGO (21/2/81) In a second division promotion clash the Town disappointed in going down 2-0 at home to Grimsby watched by a crowd of 9,217.

FIFTEEN YEARS AGO (24/2/76) The Town were hammered 3-0 at Plymouth to begin a sequence of four consecutive away defeats all by the same score.

TWENTY YEARS AGO (20/2/71) After two straight away defeats the Town bounced back with a fine 1-0 win at Portsmouth. The Luton goal was scored by Don Givens in front of a crowd of 13,661.

The breakthrough eventually came in 1949/50 when thirty appearances were made together with the first league goal – the winner in a 1-0 victory at Preston. Wally then remained virtually ever present until 1957 when he joined the Towns coaching staff.

"I obviously remember the promotion season of 1954/55 as a highlight especially the last game at Doncaster which we won 3-0. Despite winning we still did not know we were up until we got into the dressing room to find that Rotherham could only draw at Port Vale.

My other main memory involves the home games against Sunderland in the mid fifties when we beat them 8-2, 6-2 and 7-1 in consecutive seasons."

Following relegation in 1960 Wally left the club in the general shake-up and concentrated on his thriving sports business with the late Gordon Turner.

"I then went on to run the "Brown Owl" for many years but still keep in touch with Bob Morton, Syd Owen and John Groves from that era when we talk about the pure enjoyment of being paid for something we loved doing. My wages at Luton when I joined, £6.00 a week close season and £8.00 during the season, pale into insignificance when compared to the money earned by todays players though."

Wally is now retired but still occasionally attends Kenilworth Road with another old Luton player Les Slatter.

FOCUS ON LIVERPOOL

Bruce Grobbelaar (goalkeeper): Bruce has now played almost 400 games for Liverpool since joining the club from Vancouver Whitecaps for £250,000 in 1981. He made his League debut in 1979 playing for Crewe, whilst in England holidaying. Bruce is a Rhodesian international.

Barry Venison (defender): Barry started his career at Sunderland, making his league debut in a 2-0 defeat at Notts County in 1981. After becoming captain and making over 170 league appearances for the Rokerites, he signed for Liverpool for £150,000 in 1986.

Glenn Hysen (defender): Swedish international and captain, Glenn was one of the stars of the Swedish defence in last season's World Cup clashes with England. After leaving his native country, Glenn joined Italian giants Fiorentina before Liverpool signed him for £600,000 in August 1989.

David Burrows (defender): After only two full seasons as a regular in the West Bromwich side, David was signed for Liverpool for £500,000 in 1988. Almost immediately, he became a regular, not only in the Reds' side, but also for the England Under 21 team.

Gary Ablett (defender): Gary developed in the junior teams at Anfield, but made his League debut on loan at Derby in a 3-2 defeat v Bournemouth in 1985. He spent another loan period at Hull City before making his debut for Liverpool in 1987. Gary is an England Under 21 international.

Gary Gillespie (defender): Stirling born, Gary spent one season in the Falkirk line-up before signing for Coventry for £48,000 in 1978. He gained 10 Scottish Under 21 caps during his time at Highfield Road, before signing for Liverpool for £325,000 in 1983. Gary has now played for the full Scottish side on 13 occasions.

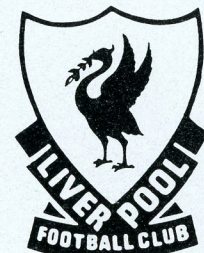

Steve Nicol (defender): Versatile Steve started his career at Ayr United, making his debut v Arbroath in 1979. He moved on to Liverpool in a £300,000 deal in 1981. Introduced to the Scotland side in 1984, Steve has now played for his country 24 times, winning his latest cap v Switzerland in October.

Steve Staunton (midfielder): Steve joined Liverpool as a trainee but, before he gained a place in the first team line-up, he played Second Division football on loan at Bradford City. He made his Liverpool debut in September 1988 and almost immediately gained selection to the full Republic of Ireland side.

John Barnes (forward): John started his career at Watford, gaining a regular first team spot after making his debut in 1981. He was a member of the Watford side defeated by Everton in the 1984 FA Cup final. John signed for Liverpool for £900,000 in 1987, scoring fifteen times in his first season. He has been capped for England on 60 occasions.

Ian Rush (forward): Ian scored 182 goals in his first spell at Anfield after being signed from Chester for £300,000 in 1980. He set a new club record with 47 goals in 1983/4, fastly becoming Europe's finest striker. He moved to Juventus in a £3 million deal in 1987 but returned to Anfield a year later. His form has since returned, scoring 26 goals last season and he has scored 10 League goals, at the time of writing, this term.

David Speedie (forward): Scored on his League debut v Manchester Utd earlier this month, Speedie started his career with Barnsley in 1978, moving to Darlington in 1980. He was their top scorer with 17 League goals in 1981/2, and at the end of the season was transferred to Chelsea. Coventry paid a then club record of £750,000 in 1987 before Liverpool signed him for a similar fee last month.
