Should English football introduce a mid-season winter break? This has been a popular subject for discussion in recent weeks. In our own case, there are reasons for suggesting we should always take a break around late January or early February. This is because our players have benefitted a great deal from the break they enjoyed in Bournemouth. Three wins in four league games before our trip to Coventry on Wednesday night helped to show the sort of benefits. The players were refreshed and came back in great spirits, raring to go again, and it has showed in our play. The performance at Maine Road apart, I was pleased with the results.

Mark Pembridge's beautifully-struck goal at Villa Park last week stimulated thoughts of the excellent work done by one of our scouts, Cyril Beech, who has done us proud in Wales. By coincidence this week we have been informed that Paul Hancock, Matthew Holtham and Lee Rogers have all been selected for the Wales under 18's, thereby joining Kurt Nogan, Jason Rees, Ceri Hughes and Mark himself in having gained Welsh international recognition in recent times. Thank-you Cyril. Darren Salton has also won recognition this week for the Scotland under 19's fixture against Ireland, whose squad includes Ken Gillard. We welcome Norwich today. These are usually entertaining fixtures and we have the added incentive of going for a double. Enjoy the game.

*Jim Ryan*

**Editor's Note:** Apologies to all readers for the number of typographical errors in our last programme. We are working to eliminate the gremlins in the works.

This afternoon we would like to offer a very warm welcome to any visiting Norwich City supporters who are attending today's game among our guests. Fixtures between the 'Hatters' and the 'Canaries' always evoke special memories of two games which played an important part in the history of Luton Town.

The first was in 1959 when a Billy Bingham goal sent the Town to their first and, to date, only F.A. Cup final appearance. The second was more recent and, in fact, came when a Danny Wilson penalty secured a precious victory to ensure our continuing First Division existence at the end of the 1988-89 season.

Hopefully, today, things will not be so dramatic and a further three points will be acquired without too much discomfort and go a long way towards banishing any remaining threat of relegation. This would also mean we could enjoy the remainder of the season without the pressure endured in the final weeks of the last two seasons.

Congratulations to Mark Pembridge for his first league goal last Saturday at Aston Villa. Wasn't it a beauty, too? Incidentally, how many supporters noticed that Derek Mountfield's goal was scored at the same end as his winner for Everton against us in the FA Cup semi-final of 1985. Just another of football's list of strange ironies.

The Supporters Club members who recently travelled to the Russ Abbott show at the London Palladium enjoyed their evening tremendously and in line with our aims of providing a varied selection for all members and their families we hope to organise more similar events in the future.

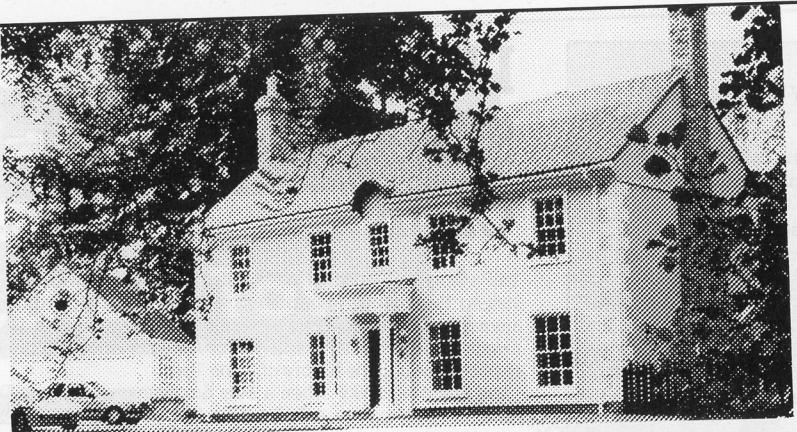

Our next major events will be the 'Player of the Year' presentation evening and the children's 'Fun Day' which are scheduled to take place at the end of the season. For further information please call at our box at the back of the main stand after today's match.

Finally, congratulations to committee member Philip Francis and his wife Jane on the birth of their daughter Hayley some days ago. Here's hoping that she will be as ardent a supporter as her parents. And best wishes to Jim and the lads today. Please try and ensure that the victory is 'bootiful' really bootiful!

Tom Hunt, Press/Publicity Officer, Luton Town Supporters Club.

## MAN OF THE MATCH

• Graham Bright, MP, gives David Preece his award as our sponsors' man of the match against Nottingham Forest.

• Same old story: Ashley Grimes, pictured in his town days, has been back regularly in recent weeks for treatment after a knee operation. Ashley has left Osasuna in Spain by mutual consent.

## TELEVISION CAMERAS CAPTURE OUR EXCELLENT VICTORY AT VILLA PARK

Good afternoon and a warm welcome to our friends from Norfolk, Norwich City, with whom we have had many memorable and stirring games over the years.

Last weekend, we were all delighted to go to Aston Villa and win with such a determined and good all-round performance. The victory also sealed our first double of the season in front of the television cameras and provided a welcome fillip as we go into the closing weeks.

Central Television's cameras were at the game and their presence was a reminder of all the coverage we used to get from Anglia Television in the past when our region had regular football programmes.

It must also have been a special delight to those among our fans who were not at the match but watching for the result on television when they saw the two goals which had put us 2-0 up at the interval. For many people too it must be nice to have something different from the usual diet of coverage we have on the TV.

I cannot let this opportunity go by today without making mention of the traumatic ordeal endured by our vice-chairman Roger Smith and his family

when his wife Margaret was kidnapped and held in captivity for five days.

Everyone at the club was absolutely delighted when this harrowing experience came to an end with Margaret freed to rejoin her family. It was five days of anguish for them and Margaret's great character and courage was plain for all to see.

She has a tremendous personality and this helped pull her and her family through and we shall be even more delighted to see her back in the boardroom where she belongs, as one of our staunchest supporters.

On a different subject, I have been surprised and hugely disappointed at the FA's decision to stage the Arsenal v Tottenham Hotspur FA Cup semi-final at Wembley Stadium. I feel also that it was a sad thing when Brian Clough accepted this decision on behalf of Nottingham Forest.

One cannot argue with the decision on any safety grounds, given the large numbers of travelling supporters who will be attending the game, but it does seem to me that it is manifestly unfair to allow only one of the potential FA Cup finalists the opportunity of a 'warm-up' match in the stadium.

Furthermore, it is also a decision which in my mind devalues the whole competition. It is part of the folklore of the FA Cup final that it is staged at Wembley and that is the final destination to which every club aims at the beginning of their involvement in the tournament.

If the final is not the only fixture in the FA Cup to be held at Wembley, it takes a lot of the glamour and magic out of the tournament and, I think, also reduces the special appeal of Wembley as a final venue for the smaller competitions.

It is clearly a big advantage to the winners of the Arsenal-Spurs tie to meet at Wembley only a few weeks before the final in the same stadium and, frankly, I am amazed the FA did not recognise this would be unfair and automatically stage both semi-finals there.

It would have made a great deal more sense and it would have been safer and fairer - for everyone involved.

As it is, the semi-finals themselves will be dominated by the Wembley show involving the two London clubs and the final itself would be devalued as a result.

• **Leading the way:** Iain Dowie was in great form and set a superb example at Villa Park last week.

• **First Division cobblers:** Jim McCabe is caught in a special sandwich down at Fountain's where all our boots are repaired and maintained.

## CAPTAIN'S DIARY

JOHN DREYER

### A good month

Who would have thought only a few weeks ago that we were going to enjoy a month when our results would be so much better on paper than those of Liverpool?

After winning three out of four league games, before Wednesday night's trip to Coventry, we were all feelings good and enjoying the prospect of a few more good results to gain a comfortable safety position.

Things have not worked out quite that well for Liverpool in the last month, which all goes to show what a fickle game football can be.

#### First goal

We were pleased with our win at Villa Park where young Mark Pembridge notched his first league goal. I think the team is working very hard for each other now and we are a lot tighter.

Graham Rodger has been a great help towards this since he came into the side and so too has David Beaumont who has been doing a great job in a previously unfamiliar role in midfield. Both have been doing a great job. Enjoy the match and give the lads your support.

# FIRST TEAM ACTION

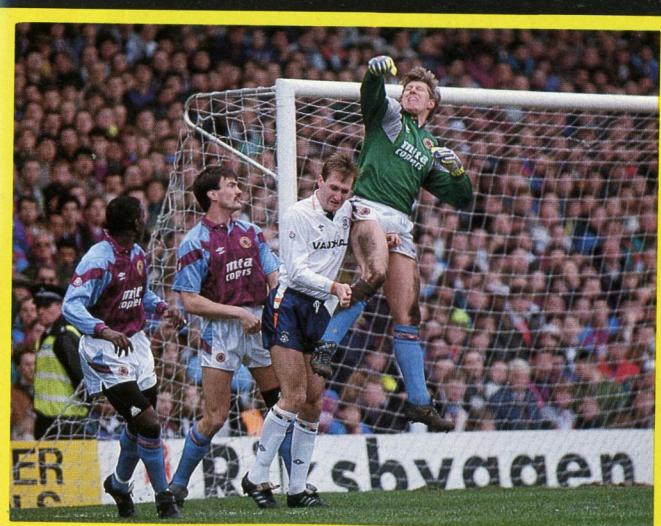

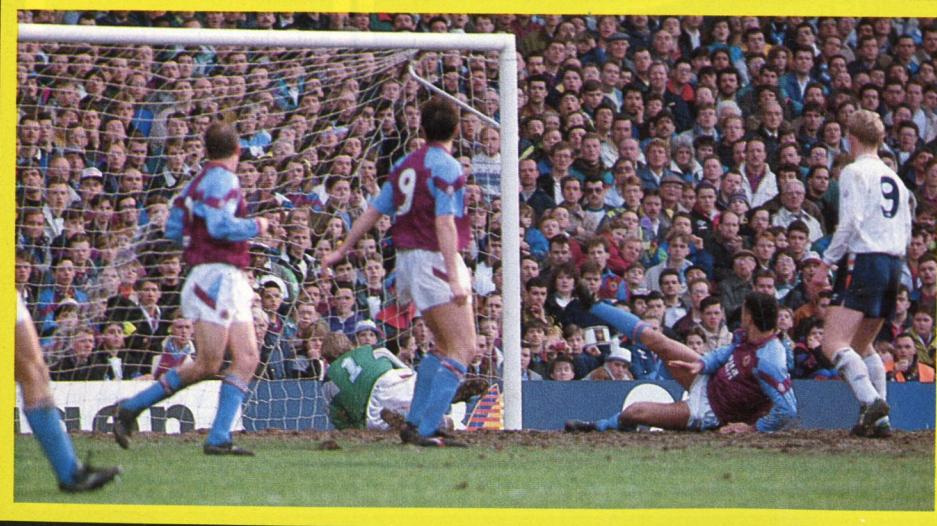

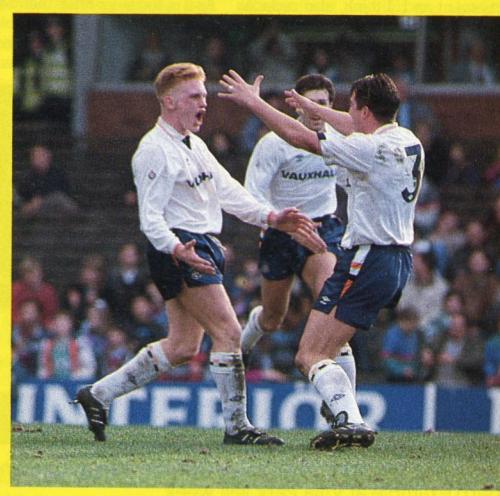

Aston Villa 1 Luton Town 2

Mark Pembridge struck his first League goal as the Town recorded their third away win in the First Division this season. It was a well-deserved victory too, for after weathering plenty of early pressure Luton took a quick-fire two-goal interval lead and then showed plenty of character to retain all three points.

Pembridge's goal, a sweetly-struck volley from a David Preece lobbed pass, came one minute before the break and 15 minutes after a David Mountfield own goal had put the Town ahead.

Several smart saves from Alec Chamberlain, including one from a David Platt penalty, were vital for the Town who might have snatched a third goal in the second half when Villa replied with a 70th minute header by Tony Cascarino.

**Aston Villa:** Spink, Price, Gray, McGrath, Mountfield (Olney 65), Nielsen (Gage 45), Yorke, Platt, Cascarino, Cowans, Penrice.  
**Luton Town:** Chamberlain, Johnson, McDonough, Beaumont, Rodger, Dreyer, Elstrup, Preece, Dowie, Pembridge, Black.  
**Referee:** L. Dilkes (Mossley).  
**Attendance:** 20,587.

•Special delight: Mark Pembridge brought extra delight to the Town win at Villa Park with his first League goal. 'Pembo' is pictured scoring his goal and celebrating it while David Preece and Graham Rodger are also snapped in action by our club photographer Josh Levy.

## POTTON SPONSORSHIP GIVES THE TOWN A WINNING COMBINATION

A very warm welcome today to our match sponsors Potton who are market leaders in self-build houses and who have constructed a showhouse at this year's Ideal Home Exhibition which is unashamedly nostalgic.

It is based on the traditional vision of an English country cottage and combines thatch with render, bricks and plain roof tiles.

Designed from their award-winning Heritage range, Brambledown Cottage contains all those features associated with the lifestyle of a bygone era: exposed posts and beams, an inglenook fireplace, timber door with Suffolk latches and one of the essential trappings of any country kitchin - an Aga. It is a winning combination.

As many of our supporters will know already, we have a special retail area within the Burton's store in the Luton Arndale Centre where our range of

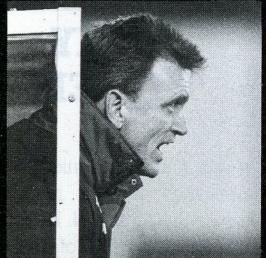

sport and leisure wear are on sale.

In the last week of March, from the 25th to the 30th, we are going to be running two competitions, organising player appearances and giving away free match tickets. The competition winners in the match forecast will win a VIP day out here at the club and the winner of the Spot the Ball will win an autographed ball.

So, if you want to be sure of making certain of your chance of being a winner and enjoying the fun, pop into Burtons in the Arndale.

Finally, a warm welcome also today to our ball sponsors Keith and Richard Harvey of R.W. Harvey and Son. The company has 25 vehicles and various trailers for their road haulage operations from their base in Sandy, Bedfordshire. We hope they enjoy their day out and we have three points to show at the end of the day.

### WELL DONE JIM!

• Our team manager Jim Ryan has guided the team to two great home wins in the last month. Well done, Jim!

### **TOTTENHAM HOTSPUR**

**...Monday, April 1, 1991, kick-off 3 p.m.**

Currently eighth in Division One and FA Cup semi-finalists, Tottenham Hotspur are the next visitors to Kenilworth Road on April 1.

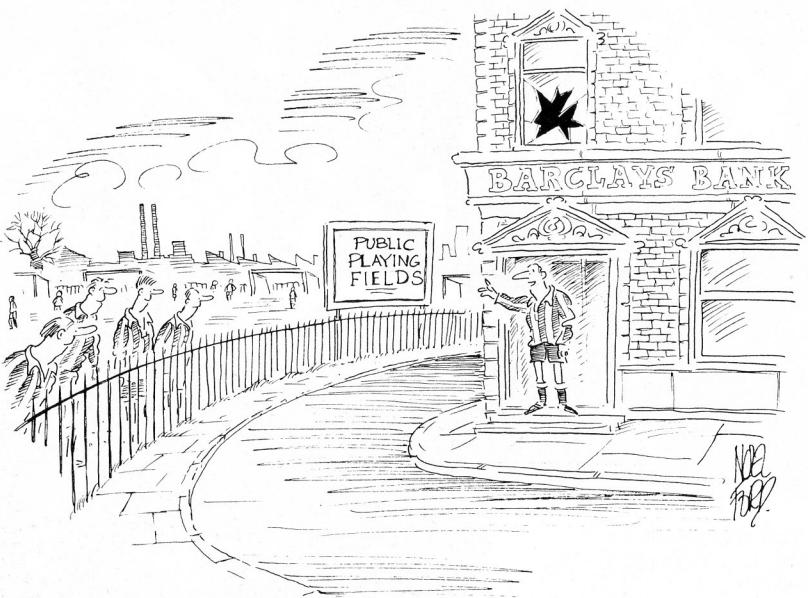

Unable to strengthen his side this season because of the current cash crisis at White Hart Lane, manager Terry Venables has seen his Spurs side fade from the championship race in the last three months. Injuries and inconsistent performances have seen Spurs drop from third to eighth place in Division One.

Although manager Venables will be looking for a good finish to the season in the League and possibly finish high enough to gain a European place, the FA Cup is the main priority. A victory over cup favourites Arsenal would put Tottenham in the final which would give the club a boost, not just for the players and fans, but for those who manage the club financially.

The visit of Tottenham will inevitably mean the inclusion of England stars Gary Lineker and Paul Gascoigne, former Town favourite Paul Walsh and consistent goalkeeper and Norwegian international Erik Thorstvedt.

Come to Kenilworth Road on April 1 to see the Town aiming to collect another vital three points which will hopefully help ensure First Division survival for next season.

Last season: December 2 1989 - Luton 0 Tottenham 0 Att: 12,620.

The manager will be delighted to discuss more comprehensive insurance for the club and, yes we *CAN* have our ball back.

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

## NORWICH CITY

Back Row (l to r) **Andy Theodosiou, Adrian Pennock, John Polston, Tim Sherwood, Ian Butterworth, Paul Blades, Lee Power.** Middle Row (l to r) **Dave Stringer (Manager), Tim Sheppard (Physio), Henrik Mortensen, Colin Woodthorpe, Daryl Sutch, Dean Coney, Bryan Gunn, Jonathan Sheffield, Mark Walton, Robert Rosario, Ian Culverhouse, Jason Minett, Mark Bowen, Mike Walker (Reserve Team Manager), David Williams (Assistant Manager).** Front Row (l to r) **Robert Ullathorne, Robert Fleck, Jeremy Goss, David Smith, David Phillips, Ian Crook, Dale Gordon, Ruel Fox.**

This afternoon we welcome the players and officials of Norwich City to Kenilworth Road for today's Barclays League Division One match, writes *Luke Nicoli*.

League-wise, this season has not been a particularly vintage one by Norwich's high standards and at the time of writing they are tenth in Division One. Though this season's inconsistency has been a disappointment to Canaries' fans, it is not entirely unexpected after the changes that have taken place at Carrow Road over the past year.

Manager David Stringer lost two key players last summer. Andy Townsend, so dominant in the City midfield, joined Chelsea in a £1 million deal and centre-back Andy Linighan was transferred to Arsenal in another big-money transaction. To fill the gaps left by two such influential players, Mr Stringer signed centre backs, Paul Blades from Derby and John Polston from Tottenham. He also secured left-back Colin Woodthorpe from Chester City.

The second half of the season has seen the City side grow in confidence. This has been seen in their gradual rise up the First Division table and their successful runs in both the FA Cup and the Zenith Data Systems Cup. Last week they drew 1-1 with

Crystal Palace in the southern area final of the Zenith Data Systems Cup, first leg, and four days later were unfortunately knocked out of the FA Cup at home to Nottingham Forest in the sixth round, after previously defeating holders Manchester United.

Norwich City were formed in 1902 under the guidance of John Pyke who was to become the club's chairman. They played their opening matches at Newmarket Road, but when they turned professional three years later they were forced to move ground. As financial support was lacking at the time, the main stand was transported by horse and cart to a new ground in Rosary Road. City moved ground again in 1935 and built an entirely new ground, Carrow Road in just 82 days.

Mr Stringer is the club's 13th post-war manager in a list which includes such names as George Swindin, Ron Saunders and John Bond. The Canaries won the Second Division title in 1972 and 1986, the Division Three (south) Championship in 1934 and have won the League Cup on two occasions, in 1962 and 1985.

Today, Norwich will be looking to overcome last Saturday's disappointment, and hopefully finish as high as possible in the Division One table.

## FEATURING....BOB MORTON

Born in Aston Clinton and now living in Ivinghoe, Bob Morton has stayed loyal to his roots throughout his life as he did to his only Football League team Luton Town with whom he spent nearly 20 years, writes club statistician Roger Wash.

Whilst playing locally for Waterlows Bob was spotted by Hubert Day and asked to sign amateur forms as the War drew to a close.

"Luton did not seem to be in too much of a hurry to sign me full time and after a County representative game at Bishops Stortford which we won 5-4 after being 4-1 down at half-time, Jimmy Seed and Jimmy Trotter asked me to go to Charlton.

Luton obviously got wind of this and on my return home a telegram arrived asking me to report to Kenilworth Road with the result that I signed the following day on 50/- a week to play for the Colts".

Bob served his time as a toolmaker while working his way up through the ranks and eventually made his Football League debut at West Ham on 30th October 1948 in a game which the Town won 1-0. This marked the start of a League career spanning 495 games which is a record for the club.

Although starting with the club as a centre-forward Bob played with equal skill as a centre half and wing-half and it is for this reason that International honours at senior level, although seemingly a certainty on occasions, never came his way. The selectors did not know where to play him!

Regarded as the best wing half at the club it was at centre-forward where he enjoyed the greatest headlines partnering prolific goalscorer Gordon Turner.

### IT HAPPENED.....

**FIVE YEARS AGO (15/3/86)** After leading 1-0 at half time through a goal by David Preece the Town lost 2-1 at home to Oxford for only their second defeat at Kenilworth Road that season.

**TEN YEARS AGO (14/3/81)** Two goals from Steve White and a penalty from David Moss secured the points in a 3-1 home win over relegation threatened Bristol City.

**FIFTEEN YEARS AGO (13/3/76)** An easy 3-0 home win over Carlisle with Jimmy Husband with two and Andy King notching the goals before a crowd of 8,856.

**TWENTY YEARS AGO (13/3/71)** In a promotion tussle at Brunton Park the Town lost narrowly 1-0 to Carlisle. Malcolm MacDonald missed a penalty and hit the bar as Luton failed to beat ex Hatters goalkeeper Alan Ross.

"I use to play as a deep lying centre-forward, in a similar role to the one perfected by Don Revie, and draw the opposing centre-half leaving a gap for Gordon to go in. If the defenders got wise we would simply play wall passes off each other.

I scored a fair number of goals when playing up front and can remember my only hat-trick in an 8-2 home win over Sunderland in 1955".

Obviously the high-point in Bobs' career was the F.A. Cup final in 1959 which saw the Town, having beaten Nottingham Forest 4-1 in a League game only weeks before lose 2-1 at Wembley with a disappointing performance.

"Looking back we were frankly over-confident. It never entered our heads that we might lose. The greatest and saddest day of my life".

Following the Cup Final defeat the fortunes of the club took a dive but Bob remained loyal, despite a transfer bid from Preston, all the way through the divisions before leaving at the age of 38 in 1965 to become manager of Bletchley Town for three years.

"The Club always treated me fairly and generously and, in fact, granted me a testimonial against West Ham in 1964. I never regretted one moment of my career".

After leaving Bletchley Bob enjoyed 16 years with Luton Sports Press which involved him travelling the length and breadth of the country visiting just about every League club en route and meeting up with many old and new friends in the football scene.

Bob now works for a firm providing goods to the licenced trade from where he will take a well earned retirement in 18 months time.

• Premature celebration: Lars Elstrup celebrates his goal that was not given against Liverpool.

## FOCUS ON NORWICH CITY

**Bryan Gunn (goalkeeper):** Bryan is in his fifth season as the Canaries' goalkeeper. He was signed from Aberdeen for £100,000 in 1986. He was playing for Invergordon when Aberdeen signed him in 1980, but he remained understudy to Jim Leighton for most of his stay at Pittodrie. Bryan is a Scottish international.
