**JIM  
RYAN**

First of all, a very special thank-you for the tremendous support the team received last weekend at Goodison Park and the great encouragement we have been given throughout the season by our loyal following home and away. We all know only too well that the results have not been coming right for us in the last few weeks, but those who have seen the efforts made by our players will know everyone is giving everything to keep the club in the First Division. It will be the same this afternoon and I can only ask for one last effort in support of the team today as we bid to repeat the performance which kept our status intact when we met Derby County in similar circumstances at the Baseball Ground a year ago.

In many ways, this is the sequel to that day's events. When the fixture list was first published we all made comments, but none of us felt it might happen like this again. From my point of view, the most important thing is to make sure we get our approach just right again and go into today's match determined to win and win well. Injuries have not helped in the last few weeks. Last week we lost Sean Farrell with a groin strain and during last Saturday's game Graham Rodger went off with an ankle injury. We are hoping both will be available for selection again today as we welcome Derby to Kenilworth Road. Make sure you give the lads your full support. Thank-you. Enjoy the summer break.

## Remember Me?

Dear Sir

This is a little message to all of you at Luton Town FC that you really have foreign support in this years fight for First Division survival as well as last season.

I am the swedish supporter who visited Kenilworth Road in March 90, and sent you a letter a few weeks later (if you remember).

I am a little in shame because I haven't send you any letter to say how thankful I am for those match programmes and for the fact that my letter and the picture of me and Jim Ryan was in the programme for the Arsenal game on April 21. 1990. It was very exciting to see that!

But maybe it made me a bit nervous to write again. It is not so easy in a different language...but now, just a couple of weeks before this season is over I want to let you now that my 100% support remains as it always will.

I would also like to take this opportunity to send biggest possible thanks to a few Luton Town supporters who has been kind enough to answer my wish to receive some letters with the latest "local" Luton Town news.

So thank you very much David Gentle, Heather Robinson, Giuseppe Amatruda and Julie Deamer, who send me a nice long letter a year ago. But most of all - if this letter is also published some day - I want everyone who knows and meet Helen Grummitt (who lives in Luton) to tell her what a supper - supporter she is. She is sending me letters with her own match reports and interesting newspaper cuttings almost every week even though she is busy at school. She has helped me to feel close to the action at Luton even though I'm so far away.

Best wishes

# LUTON TOWN SUPPORTERS CLUB

It hardly seems a year ago since we were celebrating our great escape at the Baseball Ground. Now once again we face the "Rams" knowing that even a victory may not be enough to retain our First Division status although, hopefully it will!

This is the third season that we have entered the final 90 mins of the campaign with our future hanging by a thread. Whether we are successful or not there must be decisive moves into the transfer market during the summer if a similar battle is to be avoided!

Thank you to everybody who came to our presentation evening on Sunday, we sold more tickets this year than ever before. As always at Luton Town Football Club the players turned up in full force, it was also nice to see so many wives & girlfriends joining us.

Ceri Hughes & Mark Pembridge shared the young players this year & Alec Chamberlain was voted players player plus he also won the supporters vote for their player of the year with David Preece VERY close behind. Congratulations lads!

Our grand draw was on by Jimmy Maquire

2nd prize Murry Steele  
3rd prize Peter Turner  
4th prize Tim Clayden  
5th prize Alan Stevens  
6th prize Mrs J Wright

The following afternoon the players were back at Kenilworth Road joining in the fun with the younger members of the Supporters Club. A very big thank you to Marilyn Frissell who did a splendid job organising all the games for our fun day. Team 3 were the winners, well done Gary, John, Simon, Ben, Gregg, Sarah, Alison, Cheryl & Lee. Thank you to all the parents who came along to help.

The visit of two old friends brought lot of happy memories flooding back a couple of weeks ago when Brian Horton & David Moss came along to a Supporters Club evening. They will be listening out for a result today as I know they hope we will retain 1st Division status.

An event for the future, we have booked 50 tickets to visit Thames

Television & watch the making of the programme French Fields. It's on Sunday, July 7th in the evening & we will be arranging a coach to take us there, anyone who would like to come please drop me a line unfortunately its for 15yrs & over.

Finally to everyone, we wish you a happy summer and a fond farewell to any official, players or supporters who visits the club for the last time on the day that we bid farewell to our synthetic surface, possibly the membership scheme in its present form but hopefully not our First Division status!

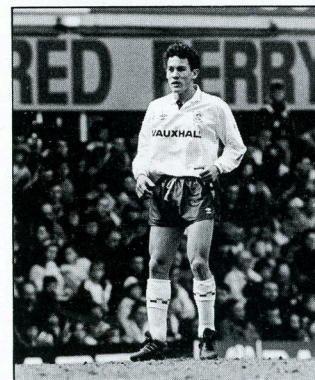

Three points are VITAL today so please encourage the team from the first whistle.

Good luck lads & thank you for the support you've given me this year.

# THE TOWN

## INFORMATION AND HANDLED OUT TODAY

### WELL DONE, MARK

• Mark Pembridge, in action at Everton, recently won a call to the full Wales squad. Congratulations, Mark.

#### Radio

The journey home from Everton last weekend was a long one and made no easier by listening to the radio to the commentary of the Sunderland-Arsenal fixture. Much has already been said and written about the implications of the delayed 5.20pm kick-off of that fixture – for television

purposes – and I would only like to add that my feelings on the team coach as we drove back to Luton was that Arsenal, with the benefit of knowing Liverpool had lost, were playing for a point.

It must have been equally frustrating for all our travelling support who were quite superb again at Goodison Park. It was a fantastic effort and fully appreciated by everyone. We only hope a repeat effort all round today will bring the right result.

A lot will be happening at the club in the close season and much of this is outlined in an Information Bulletin and Price Guide for 1991-92 which is being handed out by the Supporters Club at the ground today. The chief changes proposed will see the return of visiting supporters on a controlled and segregated bases, the building of a new stand on the triangle and a return to natural grass.

The guide will explain the price structure for next season and give details of how the club is going to continue to operate the Membership Scheme to ensure safe and comfortable spectating at Kenilworth Road for both home fans and visitors. The plans, as outlined, have been agreed in principle by our Safety Working Party who have also agreed to

## PRICE GUIDE TO BE HANDLED OUT TODAY

the proposals for the new 700-seat stand.

This is the third consecutive season in which we have all gone 'right down to the wire' before knowing our fate and you can be sure the determination to succeed is as strong and passionate as ever within the club. We know the supporters are behind us too as shown last weekend and also at the Coliseum last Sunday evening when the Supporters Club held their annual presentation evening.

It is perhaps a sign of the sort of season we have been through that Alec Chamberlain ran off with both the major awards on the night. Also won both the Supporters' Player of the Year trophy and the Players' Player of the Year award. The Young Player of the Year prize was taken by Ceri Hughes and Mark Pembridge. To each and all, congratulations.

As this is our last home game of the season, it is the appropriate time too to thank all the match-day and club staff who have worked so hard during the

season. I would like to record my own thanks to my senior stewards, match-day stewards, gatemen, public address staff, St John's Ambulancemen, police and all the club staff who help put together our home match operation every other week.

#### Thank-you

As I have often said football is about what happens on the pitch each Saturday afternoon for 90 minutes and the supporters who pay to come and enjoy that entertainment. So, I also thank everyone for their support this season and hope, as is traditional, that if there is a celebration on the pitch at the end of the afternoon, everyone will respect the occasion and behave well.

Finally, much hangs on the outcome of this afternoon's match. The facts are clear if we finish above Sunderland on points. But if not, the relegation issue will be settled on goal difference. If this is identical, then the number of goals scored will be taken into account. And, if this also is the same, then a play-off on a neutral ground will be required.

## CAPTAIN'S DIARY

JOHN DREYER

I am sure no-one needs reminding just what is at stake for our club this afternoon as we play Derby again to ensure our First Division status for another season. We all said at the beginning of the season that this was a situation we did not want to repeat after the last couple of years.

We know this afternoon's fixture will be a very difficult one, but it is our ambition to play as much good, relaxed football as we possibly can to achieve the result we need. And, as ever, your support is vital to the team's performance.

We have had little or no luck in recent weeks with results or injuries and it is time for us to make that run of fortune change in our favour. We have to do this ourselves with a determined and well-organised performance and with your support.

I know the lads in the dressing room have always appreciated the support from our fans, especially on our travels as we saw last week at Goodison Park where the support was really great, and I would like to take this opportunity to thank everyone for all their efforts this season. Thankyou.

• **Player of the Year:** Goalkeeper Alec Chamberlain is pictured with Nick Owen and both trophies after the award evening on Sunday.

• Ceri Hughes and Mark Pembridge were joint recipients of the Young Player of the Year award at the Supporters Club Presentation Evening. It is the first time the award has been shared.

# FIRST TEAM ACTION

**Everton 1 Luton 0**

With Sean Farrell missing through injury and Graham Rodger going off after only 30 minutes with an ankle injury, the Town were left to fight a rearguard battle for survival at Goodison Park where they used a sweeper system in a bid to claim a point. Captain John Dreyer took the role of the spare player behind the defence, but the plan was undone by the only goal of an undistinguished game scored by Tony Cottee in the 49th minute.

The former West Ham striker took advantage when McCall sent him in for his 22nd goal of the season. Kingsley Black responded with two well-struck shots, but there was more action at the other end where Alec Chamberlain again performed heroically.

**Everton:** Southall, Ebbrell, Hinchcliffe, Ratcliffe, Watson, Atteveld, Warzyche, McCall, Newell, Cottee, Beagrie.

**Luton Town:** Chamberlain, Beaumont, Harvey, McDonough, Rodger (James 30), Dreyer, Elstrup, Preece, Rees (Telfer 68), Pembridge, Black.

**Referee:** B. Stevens (Gloucester).

**Attendance:** 19,809.

## Junior Hatters

### WELL DONE RUSSELL BENNETT

Today's lucky Junior Hatters membership number is 290973 – RUSSELL BENNETT. He wins two free tickets to one of our home games next season.

To claim your prize Russell, call in to the Oak Road Sports Shop and bring your membership card with you please.

As this is our last home game of the season I will be signing off as President of the Junior Hatters and making way for a new one. I would like to say how much I have enjoyed it and I will give you all my support over the years to come.

- Today we give Derby and our old favourite Mick Harford a warm welcome to Kenilworth Road for the last fixture of the season. It is funny how the fixtures have worked out. It was this time last season that we played Derby away on the last game of the season. And we had to win that game to stay in the First Division.
- Here we are today in the same position playing Derby at home and hopefully a win will keep us in the First Division for yet another season.
- Today we have the Junior Rams of Derby with us watching today's game. They are sitting in the Oak Road family enclosure at the invitation of our Junior Hatters.
- Both sets of supporters have been playing football this morning. I hope you have had a good time and scored plenty of goals.
- As this is the last game of the season, I would like to wish you all a nice summer and all the lads and the manager would like to thank you for your support over the season, both at home and away games.
- We will be making plans in the close season for visits to away games and other activities for you to take part in and an open day where you can come along and see the players training and have a chat and fill up your autograph books.
- This is a reminder about the trip we have planned for this summer we are running a coach to the American Adventure Theme Park. The bookings are going well, if you have not booked for this trip you can do so by calling into the Sports Shop, the shop is open all through the summer.
- The date is Sunday June 30th. The price is £11.00 as this is at a discount price, a deposit of £5.00 is required with your booking. This includes your coach fare and entry to the Theme Park. All the rides are free.

## THANK YOU TO ALL OUR SPONSORS THIS SEASON

It is almost unbelievable, but here we are at the last home match of the 1990-91 season already. It does not seem long ago at all that we were preparing for the start of the season.

A big thank-you goes to all our box-holders, club suite members, advertisers and sponsors for their valued support and involvement with the club during the campaign.

I would like to thank George Pearce, Ray Brace, Kevin Hawes, Alison Chant, all the waitresses in the Joe Payne lounge, the boxes and the club suites for their hard work throughout the season and for making our match day operation work so successfully for everyone.

Our match sponsors today are Vauxhall. The match ball has been sponsored by Meeks Transport and our match day box by Prestige Cleaning Ltd.

Meeks Transport, based in Toddington Road, Luton, has been established for 51 years covering England, Scotland and Wales. We hope Mr Little and his family have a thoroughly enjoyable afternoon with us today.

Earlier this month Vauxhall announced their financial results for 1990, reporting a 13 per cent drop in

profit to £191 million. The main factor on these results was a 7.7 per cent drop in UK car sales to 323,054. This compared to a total market decline of 12.7 per cent. Vauxhall's market share increased for the third consecutive year to 16.1 per cent and turnover at a record £2.6 billion was up 4.9 per cent.

While 1990 was a year of continued progress, Vauxhall was affected by the downturn of the UK market. However, despite fierce rivalry, the Cavalier, Astra and Nova ranges were all well-placed among the 1990 UK top ten best sellers. The new Lotus Carlton and Calibra models also greatly enhanced the company's image.

The Luton-built Cavalier in particular continued to improve its position and Vauxhall sold 138,000 Cavaliers during 1990 – a record for the model which also became top-selling fleet car for the year.

With the UK market expected to decline a further 16 per cent to less than 1.7 million units in 1991, pressure will be unrelenting. But Vauxhall are committed to customer satisfaction and to strengthening their position in the UK market. And this afternoon, the company wish Luton Town and their supporters every success in both today's game and the future.

• John Dreyer has been a hard-working skipper all season. Here he is in an aerial crunch during the Sunderland match.

### HATS OFF TO SMILING GRAHAM

• Graham Rodger managed to shrug off his disappointment after our home defeat by Sunderland to present Mrs Kitchener of Clarendon Hats with a memento for their sponsorship.

Coach's comment: Strong team with 1st team defence looking to game at Everton. Got a couple of goals in 1st half to give us a good base to win from. Second half Arsenal got a penalty to come back into game, but we missed the best chance to seal victory. Hung on despite some pressure to record a nice win.

## DERBY COUNTY

Back Row (l to r) Roy McFarland (Assistant Manager), Phil Gee, Michael Forsyth, Nick Pickering, Kevin Francis, Peter Shilton, Mark Wright, Martin Taylor, Mick Harford, Ted McMinn, Trevor Hebbard, Paul Williams, Gordon Guthrie (Physio). Front Row (l to r) Mark Patterson, Steve Hayward, Jonathan Davidson, Mel Sage, Dean Saunders, Arthur Cox (Manager), Gary Mickelwhite, Steve Cross, Geraint Williams, Craig Ramage, Robert Briscoe.

We welcome the players and officials of Derby County to Kenilworth Road for today's Barclays League Division One match, *writes Luke Nicoli.*

Manager Arthur Cox has been anxious to strengthen his squad all season and pull the Rams from the foot of the table, a position they have continually occupied this season. Unfortunately he has had his hands tied as owner Robert Maxwell is in the process of selling the club and is understandably reluctant to allocate cash for players. This has caused much outrage among the hardy Baseball Ground faithful as they have seen their side win only four League games all season. They are currently eleven points adrift of the team above them, Sunderland, and were finally subjected to Second Division football next season following a 2-1 defeat at Manchester City three weeks ago.

In the absence of new blood, Mr Cox has had to experiment with his existing squad which has meant the introduction of such players as Robert Briscoe, Jason Kavanagh, Kevin Francis and reserve goalkeeper Martin Taylor. One Derby player who has been maintaining the highest level of performance is Wales international striker Dean

Saunders, who has scored a total of 18 goals. Derby fans are resigned to losing their prized asset once the season has finished. Another player who looks certain to leave is England international Mark Wright. Both players are sure to generate high transfer fees, thus providing manager Cox with plentiful cash to reshape his squad and hopefully a speedy return to Division One.

Derby County are the youngest of the 12 founder members of the Football League and were formed in 1884. The club played at the Racecourse Ground, the home then and now of Derbyshire County Cricket Club. County's landlords at the time were the Derby Recreation Company, who themselves leased the ground from the local corporation. The landlords did not always give football priority, often looking to horse racing commitments first. The football club looked elsewhere to play regularly. They finally opted for a ground one and a half miles away which had been updated to accommodate for the new sport of Baseball. Football gradually became the greater attraction, and the club have remained at the 'Baseball Ground' ever since.

## LUTON V DERBY

With three games to go at the end of the 1982/83 season Luton Town's First Division relegation problems looked over writes club statistician Roger Wash.

The team had pulled itself up by the bootstraps since Easter and a win over Everton at Kenilworth Road on the penultimate Saturday would have ensured survival with Brighton and Swansea already down.

After taking an early lead over Everton through Ricky Hill it all looked plain sailing but gradually the away side took over midfield and it came as no real surprise when David Johnson equalised in the 40th minute and then helped put the 'Toffees' ahead by setting up Graeme Sharp who was upended into the box. Sharp scored from the resulting penalty.

The Town threw everyone forward in the second half and were caught by classic counter attacking as Kevin Sheedy with two and Sharp again scored with breakaways to give Everton a 5-1 win, a result that appeared highly unlikely at 3.00.

To complete a miserable afternoon all the other teams in the relegation dogfight won which meant the Town dropped four places in the table to occupy a position of third from bottom with two games to go.

The following Monday the team travelled to Old Trafford and with David Moss out injured following an injury received in the first half against Everton and Wayne Turner dropped full debuts were given to Gary Parker and Ray Daniel.

Manchester United made it look men against boys and two goals by Paul McGrath midway through the

### IT HAPPENED.....

**FIVE YEARS AGO (3/5/86)** A final match of the season at Manchester City. Emeka Nwajiobi gave the Town a first half lead but we had to eventually settle for a point in a 1-1 draw.

**TEN YEARS AGO (2/5/81)** The Town went out with a bang winning 3-0 at Bolton to get the disappointment of a narrow promotion miss out of their system. All three goals were scored in the second half.

**FIFTEEN YEARS AGO (24/5/76)** An early end to the season with another 3-0 win - this time against Blackpool at Kenilworth Road watched by a crowd of 8,757.

**TWENTY YEARS AGO (4/5/71)** In order to qualify for the following seasons Watney Cup the Town needed to beat Cardiff at Kenilworth Road by three clear goals. A Malcolm MacDonald hat-trick in his final appearance in Luton colours was a fine parting present on a night of high drama.

first half effectively killed the game and it came as no surprise when Frank Stapleton made it 3-0 just before the end.

The Town were heartened by the return of centre half Paul Elliott after suspension but took a gamble by playing Brian Stein who had played only two games since breaking a bone in his foot, ironically against City, just before Christmas.

From the start the Town took the game to City who with hindsight, were always mindful that a draw would be sufficient for their purposes but with the crowd of 42,843 largely subdued the vital breakthrough would not come.

The video recording of the match is well worn in this household and a whole seasons football is distilled into the happenings of the 85th minute of the game at Maine Road. Brian Stein wide on the right put in a cross which was blocked - he then put in another which was pushed out by City goalkeeper Alex Williams to Antic standing just outside the area.

Antic then hit the ball first time, with Williams getting a hand to it but succeeding in wrongfooting a defender standing on the line.

The final five minutes seemed like five hours but the Town held on to secure a famous victory with David Pleats oft-replayed victory jig summing up the joy for Luton supporters.

• In full flow: Kingsley Black shows all his left flank skills with a great run against Wimbledon.

## FOCUS ON DERBY COUNTY

**Peter Shilton (goalkeeper):** Retired from international football last summer after a career which had seen him win a world record number of 125 international caps. He also holds the record for playing more football League games than any other player in the game's history, playing his 900th match on the opening day of the season.

**Mel Sage (defender):** A regular at right-back this season, Mel started his career at Gillingham, making his debut in 1982. After three seasons as a regular in the Gills' senior side, he was transferred to Derby in 1986.

**Nick Pickering (defender):** Nick rose from the youth team at Sunderland to play for the England under-21 side on 15 occasions. He also won a full international cap in his days at Roker Park.
