FAMILY ENCLOSURE

FAMILY ENCLOSURE NOTES V LUTON

Into the 'twilight zone' once more with cup soccer in the ZDS and emissaries from Division One. Ghosts of seasons yet to come perhaps.

BUSY JB'S

'Time Out' for Suffolk schools this week—(Essex fans still looking forward to theirs)—and it could just be that our soccer squad is ready for the break after a three in a row Saturday sequence. Oxford's Juniors brought out good performances from the Under 12's and 15's, but unfortunately losing scorelines for each team. That on a day when Churchman's fans saved their biggest cheer of the day for STEVE JONES; our youngest player in the half-time relay race.

The relay race

The following weekend sixty of us went off to Brighton for a smashing day out which included fine team and individual performances from the Under 12's again and a Under 16 side. PAUL CLAYTON scored the Ipswich goal with a spectacular 25 yard free kick as the senior side drew 1-1 in a game in which several of the JB forwards saw their shots cleared off the line.

Equally impressive was the play of the junior side. MARC WILSON was denied his hat-trick only by the final whistle, and goals by HOWARD OTTYWILL and skipper ROSS DENNY rewarded an excellent team display with a 4-1 victory.

Then last Saturday we played host to Millwall. As I write these notes without the benefit of clairvoyance I have no idea of scores, but I am sure that it was yet another successful and enjoyable JB Saturday.

Next in town we have CAMBRIDGE UTD—and lots of them—on 9th November. Under 14's and Under 12's that day PLUS OUR FIRST GIRLS 5-A-SIDE MATCH—if we can recruit just a couple more of you. One day we may even field an 11-A-side team! Interested? then write to Kim c/o The Family Enclosure here at the club. Or better still

pop into the Family Lounge and have a word with her on match days.

WINNERS

'Match' magazine gave us some copies of their 1992 Annual recently and in a draw on the bus trip to Brighton, ADAM KING, DARREN CABLE, PAUL CLAYTON and CHRIS MORTIMER each won themselves a copy. And if you were at the Millwall game you will have seen them receiving their prizes.

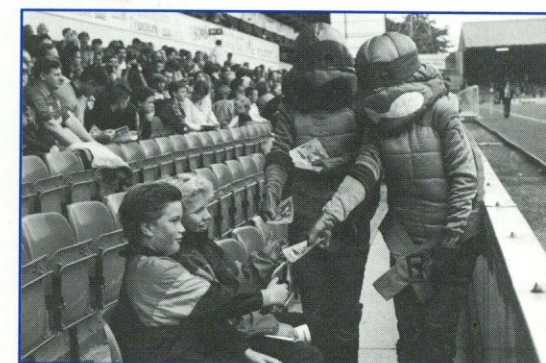

Almost half the stand were on the pitch before the previous match as the EASTERN NATIONAL winner and runners-up were presented with their own prizes. LOUSIE SIMPSON won an ESSEX RANGER FAMILY TICKET and she was joined by CARL, ELLA, PAUL, B.J. TYLER, SARAH, SIMON, DARREN, B.R. SCOTT, KIM, REBECCA and IAN—pew! Well done all of you.

"BET IT'S WARM IN THERE!"

Regulars in the Family Lounge I hope are pleased to see the steady progress in the room. With more furniture and other items being added week by week just to give our FAMILY FANS and JB's a comfortable place to meet and check on the news on match days. And of course it is somewhere to entertain our visitors, as more and more clubs join us prior to the big match before sitting with us in the family stand. It's getting just like the old days—remember? When football fans were people too?

Lastly congratulations to one of our JB's Soccer Squad—MARK WRIGHT (no not that one!)—on his inclusion in the South Suffolk Squad. We'll negotiate the transfer fee later!

TURTLE POWER

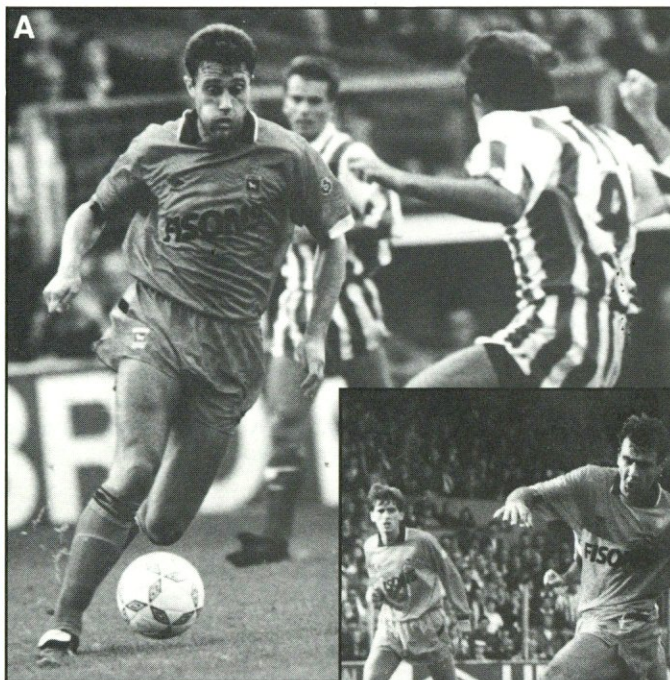

A visit from the Turtles who handed out complimentary tickets for Chipperfields Circus who were in Town last week.

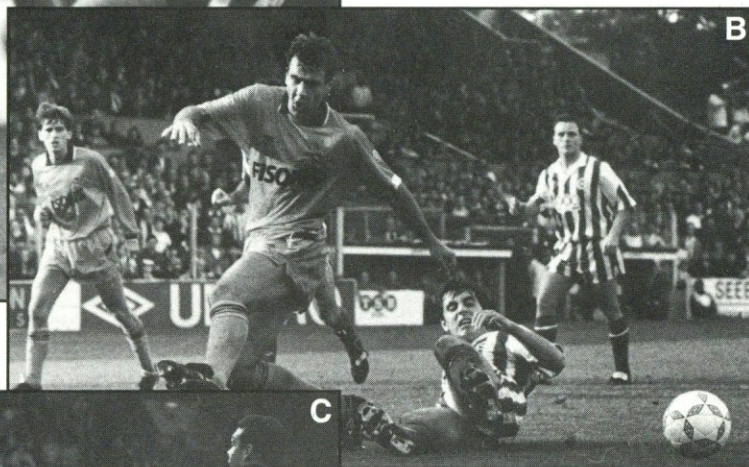

Enjoy the game—John.

THE FASTEST FEET IN FOOTBALL

Who is the quickest player in The Football League? Sponsors of the League Cup Rumbelows are about to find out.

Working closely with The Football League, Rumbelows have invited every club to nominate their fastest first team player over 100 metres to take part in one of six televised regional heats. The winners of each heat will go forward to the Rumbelows Sprint Challenge Final which will be held at Wembley on April 12th, prior to the League Cup Final itself.

The Amateur Athletics Association has been invited on board to ensure that all the events are run to a highly professional standard.

Ipswich Town's speed man is giant centre back Phil Whelan. We will let you know how it goes.

RESERVE MATCH SWITCH

Ipswich Town will now play West Ham Reserves at home on Thursday 24th October, kick-off 7.30pm.

With the away game at Upton Park on Wednesday 27th November, kick-off 2pm.

Last Wednesday the Reserves defeated Oxford 3-0 at Portman Road.

The Gregory brothers were on the scoresheet with a goal apiece and Phil Whelan headed a fine goal from a Tanner free kick.

VIDEO UPDATE

Plans for Volume 2 are now well under way and this issue will be available in early November.

This goals and highlights video which will include action from matches against Barnsley, Newcastle, Bristol City, Grimsby, Oxford Utd., Brighton, plus the Rumbelows Cup clashes v Derby County.

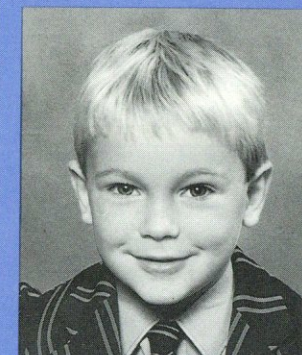

There is an attractive colour sleeve currently being produced for these videos and hopefully they will be ready in time for issue number two.

The shop will also hold the sleeve that should have accompanied volume no. 1 and if you call in the shop in Portman Road in early November you should be able to collect one.

Volume no. 2 will be priced at £11.99 and include some interviews with players and Town boss John Lyall.

To make sure of your copy you can pre-order through the Club Shop.

OUR MASCOT

Our mascot for tonight's game v Luton Town is six-year-old Joshua Woods of Stratford St. Mary.

Joshua is a pupil at St. Josephs School in Ipswich and his hobbies include squash, swimming and football. He tells us his favourite Town player is Romeo Zondervan and we hope he enjoys his evening at Portman Road.

LUTON TOWN

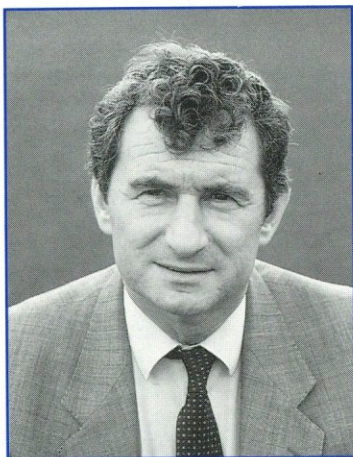

BACK ROW: Julian James, Sean Farrell, David Beaumont, Graham Rodger, Alec Chamberlain, Darron McDonough, Marvin Johnson, John Dreyer, Richard Harvey.
FRONT ROW: Kurt Nogan, Ceri Hughes, Jason Rees, David Preece, Mark Pembridge, Kinglsey Black.

IT LOOKS as though it is going to be another tough season for Luton Town.

In recent seasons they have finished strongly to avoid relegation from the First Division.

During the summer there was a change of management at Kenilworth Road with **David Pleat** returning to take charge.

David Pleat

But with no more money to spend Pleat will have to pull out all the stops if Luton are to avoid returning to the

Second Division.

It was at Luton where Pleat first made a name for himself as player and manager. He first joined Luton in 1964 after playing half a dozen matches for Nottingham Forest and then following spells at Shrewsbury, Exeter and Peterborough he was forced to pack up in 1971.

Three years later he returned to Luton as reserve team coach before being promoted to first team duties in '77. A year later he became manager and guided the club into the First Division four years later.

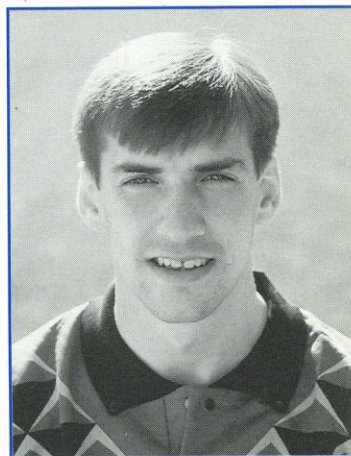

After 12 years in charge at Kenilworth Road, Pleat left to take over at Tottenham and led them to an FA Cup Final. In December 1987 he joined Leicester City where he remained until last January.

Pleat's assistant is **Colin Murphy**, the former Lincoln and Derby manager. They have been friends for many years.

Soon after Pleat had been appointed at Luton he persuaded former Ipswich coach **Brian Owen** to join him. Brian had had nine years at Portman Road before moving to Colchester United where he doubled up as coach and physiotherapist.

The other Ipswich connection at Luton is goalkeeper **Alec**

Chamberlain who was last season voted player-of-the-year.

Alec Chamberlain

A former Ipswich youth team player, he made his break into league football at Colchester where he was ever present for more than three seasons following the retirement of Mike Walker, now the reserve team coach at Norwich.

In 1987 Chamberlain joined Everton for £75,000 as cover to Neville Southall but in the summer of '88 Luton paid £150,000 for his services.

LUTON TOWN

Right-back **Matthew Jackson** joined the club as a schoolboy and signed professional terms last year. Got his big break when he came on as substitute against Arsenal and has kept his place in the side since.

On the other side of the defence is **Richard Harvey**, a former England youth international, who made his debut as a 17-year-old in 1986. He has been a fairly regular member of the side for the past three seasons.

Trevor Peake is a vastly experienced defender who was signed from Coventry in August for £100,000 and was immediately made club captain.

He started his career with Nuneaton Borough before stepping into league football with Lincoln City in 1979. Moved to Coventry four years later and was a member of their FA Cup winning side in '87.

Graham Rodger is another former Coventry player who was signed in the summer of 1989. A former England Under-21 international he started his career at Wolves but made only one senior appearance at Molineux.

David Beaumont did not have the happiest of starts to his Luton career after being signed from Dundee United for £150,000 in January, 1989.

He spent most of his time on the injured list, but won his place back last season.

There is no doubt that Luton do lack experience in terms of the First Division. Paul Telfer, 19, is another player who has come through the ranks to earn an extended run in the side this season.

Mark Pembridge can be put in the same bracket, but since making his debut on New Year's Day against Wimbledon he has gone on to win international honours for Wales.

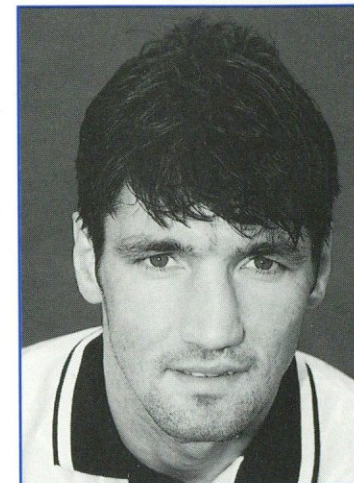

Soon after gaining a regular first team place with Luton he was capped by his country at Under-21 and B level and last month won his first full cap in the friendly international against Brazil.

David Preece has served Luton well since being signed back in 1984 for £150,000 from Walsall for

whom he had made his league debut three years earlier.

Played in two Littlewoods Cup finals at Wembley for the club and has been capped three times by England at B level.

Luton are hoping that the return of big, powerful striker **Mick Harford** will pay dividends come the end of the season.

Mick Harford

Mick was re-signed from Derby County last month for £325,000 after being sold three years earlier for £480,000.

Started his career at Lincoln before joining Newcastle. After a brief spell at Bristol City, he made his name at Birmingham which prompted Luton to first sign him in 1986.

Harford's striking partner is **Phillip Gray** who cost a £275,000 fee when he moved from Tottenham just before the start of the season.

After making his Spurs debut in 1987, he was never able to establish himself and went on loan to Barnsley.

Sean Farrell completed his apprenticeship with Luton, but made his league debut on loan to Colchester United during the 1987-88 season. Has recently returned from a loan spell with Northampton Town.

Kurt Nogan, a prolific goalscorer in the reserves, made his first team debut in January of last year.

Now a valuable member of the first team squad, he will be looking to make the breakthrough in the near future.

Darron McDonough, signed from Oldham in 1986 for £85,000, is equally at home either in defence or midfield. After making over 200 appearances at Oldham, he has been a regular at Kenilworth Road during the past five seasons.

Defender **Paul Holsgrove** was signed from Wokingham for £25,000 last January and immediately made his debut against OPR.

Steve Thompson, a midfield player, was signed from Bolton for £180,000 last September after making over 350 senior appearances for the Lancashire club.

Former striker Brian Stein returned to the club on a free transfer during the summer following three seasons in French Football.

PORTMAN DIARY

SEPTEMBER 1991

24 Ipswich have been invited to Holland on 12th November to play in a testimonial game for Frans Thijssen against his present club Vitesse Arnhem.

Ipswich will take a three-day break on the Isle of Wight following their match at Brighton on 12th October. They will play a match against a select eleven during their stay.

25 Ipswich were unchanged with Wark and Milton the substitutes. They travelled to the Baseball Ground for their first cup game of the season and came away with a good result for the second leg at Portman Road.

It was Derby who had the early pressure, spearheaded by Ted McMinn who hit the post in the fourth minute after Forrest had dropped Micklewhite's cross. Ipswich hit back and Shilton was called upon to save from Goddard. Dozzell had an opportunity to score in the 38th minute following Kiwomya's cross but he miskicked when well placed. The best save of the game was made by Forrest just before the break when he stopped Coleman's close-range header.

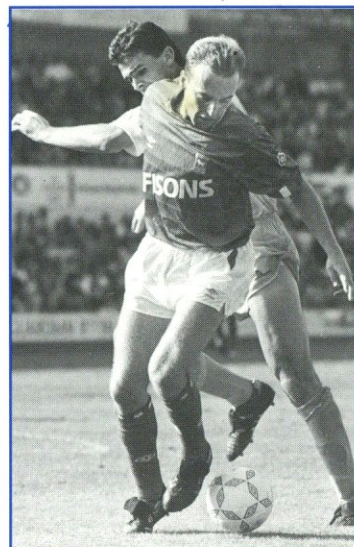

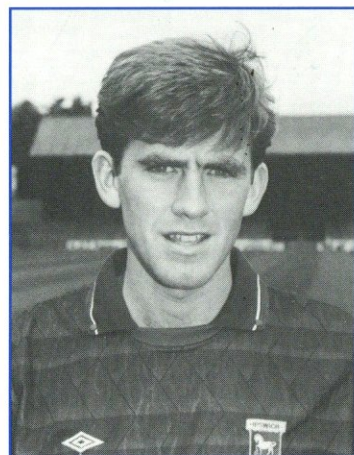

The reserves beat Swindon 4-2 with goals from David Gregory three and Neil Gregory. Swindon took the lead in the fourteenth minute but held it only for a matter of seconds. The teams were level at 2-2 by the interval. One of David Gregory's goals was a penalty which was awarded after his brother had been fouled.

26 Goddard injured his foot in last night's game and is doubtful for Saturday.

28 Lowe came in for Goddard and the substitutes were Wark and Milton. Ipswich were made to battle hard at Grimsby for the 2-1 win which ensured that they remain in second position in the table.

Grimsby began in an attacking vein but their chances were limited and Whitton and Kiwomya both went close for Ipswich before Lowe opened the scoring in the 28th minute. Stockwell had a throw

returned to him by Whitton and centred for Lowe to glance home a header. Grimsby equalised just before half time when former Ipswich player Woods played a one-two with Gilbert who then shot past Forrest to send the sides into the break on level terms. Ipswich had more of the play

David Lowe and Gavin Johnson, goalscorers at Grimsby

in the second half and got their winner in the 55th minute. Thompson played Johnson in on the left side of the penalty area and his attempted cross was knocked back into his path by a defender. This time he made no mistake with a low right foot effort to record his first ever League goal. There were a few scares in the latter

stages of the game, especially when Dobbin hit the bar, but Town held out for a win.

The reserves lost 0-4 at Arsenal, the score being a true reflection of the gulf between the two sides. Ipswich were overrun in midfield and their attack failed to trouble Arsenal's goalkeeper.

The youths lost 2-6 at Southend. Ipswich found themselves two down after only eight minutes but Powley's first goal and an own goal ensured that they were level at half-time. However, the depleted side slumped in the second half and finished the game well beaten.

30 Goddard strained a ligament in his foot in the game against Derby. He is doubtful for Wednesday's Zenith Data Systems cup tie at Bristol Rovers.

Stockwell suffered a groin strain at Grimsby and is also doubtful.

OCTOBER 1991

1 Four players are currently nursing injuries and may miss tomorrow's game. They are Goddard (foot), Stockwell (groin), Linighan (knee) and Johnson (hamstring).

2 Ipswich made several changes for tonight's game at Bristol Rovers. Whelan made his first team debut in place of Linighan, Milton took over from Stockwell and Gregory came in for Kiwomya. The substitutes were Palmer and Durrant.

Ipswich made a determined start and Gregory headed Whitton's cross against the bar in the third minute, but it was Rovers who took the lead on the half hour when a cross from Evans deceived Forrest and drifted into the net. Ipswich were on terms just before the interval when Dozzell ran on to Whitton's through ball and hit a rising drive past Parkin.

Ipswich started the second half in the same vein in which they had left the first and Gregory hit the post almost immediately after good work by Zondervan. Lowe headed Town into the lead in the 69th minute when he got on the end of Whitton's cross. Ipswich continued to dictate the game and with seven minutes remaining Lowe got his second goal of the evening to confirm the win.
