DIVISION ONE

FOREST v.
LUTON TOWN

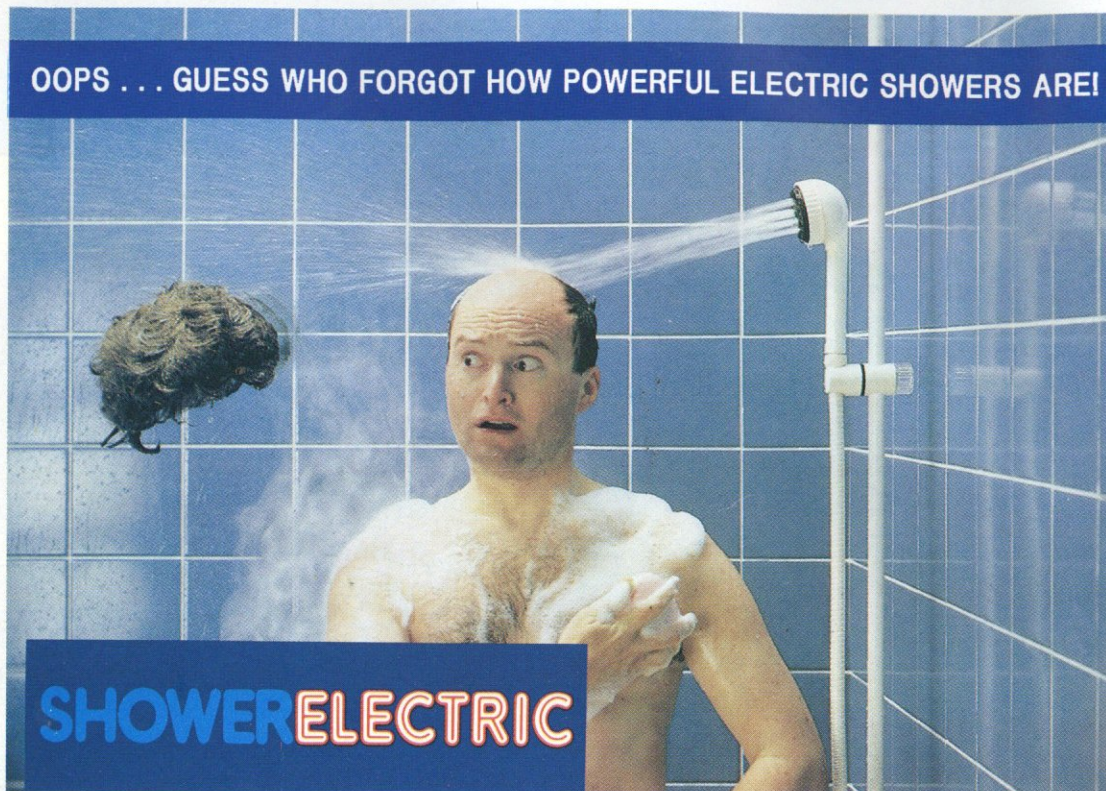

BARCLAYS
LEAGUE

OFFICIAL MATCH DAY MAGAZINE PRICE £1.00 — Vol. 24, No. 15.

OOPS . . . GUESS WHO FORGOT HOW POWERFUL ELECTRIC SHOWERS ARE!

CLOUGHIE

The other day I stopped for a chat with the headmaster of the local school near where I live in Derby.

We got to talking about what we would be doing over the Christmas and New Year period and he genuinely thought I would be going off on holiday!

Wonder what he had in mind . . . skiing in Austria, scuba diving in the Caribbean or maybe a game of golf in Florida?

I think he got quite a surprise when I told him I was working. Not just working but up to my size 16 neck in fixtures . . . one after the other.

At the time of writing we still had games to come at Tottenham and Oldham which would have meant us playing eight first team fixtures in the month of December.

What's more, starting with today's home game against Luton there's no sign of any let-up in January. I said to somebody a couple of weeks ago that we were having more matches than Swan Vesta – and I wasn't kidding.

But that's what I get paid a few quid for and why the players and me were sitting on a coach on Christmas Day while you were recovering from indigestion and having a giggle watching Del Boy.

The more fixtures you have, the more successful you are in cup competitions and I'm delighted that we're going into the New Year still in contention for the odd bit of silverware.

We might have had the occasional disappointment in 1991 but stick with us, we'll do our best to put a smile on your face in 1992.

A Happy New Year to you all . . . and be good.

The Football Trust is helping the game at all levels. It assists clubs implement the Taylor Report. Grants are made for seating, new stadia, ground improvements, safety, community schemes, policing and stewarding and closed circuit television.

MEET FOOTBALL'S £32MILLION SUPPORTER

This £32M a year boost for football comes from the reduction in pool betting duty and the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettters.

Arsenal gunned down ... at long last

Happiness is . . . beating Arsenal, by the look on Teddy Sheringham's face.

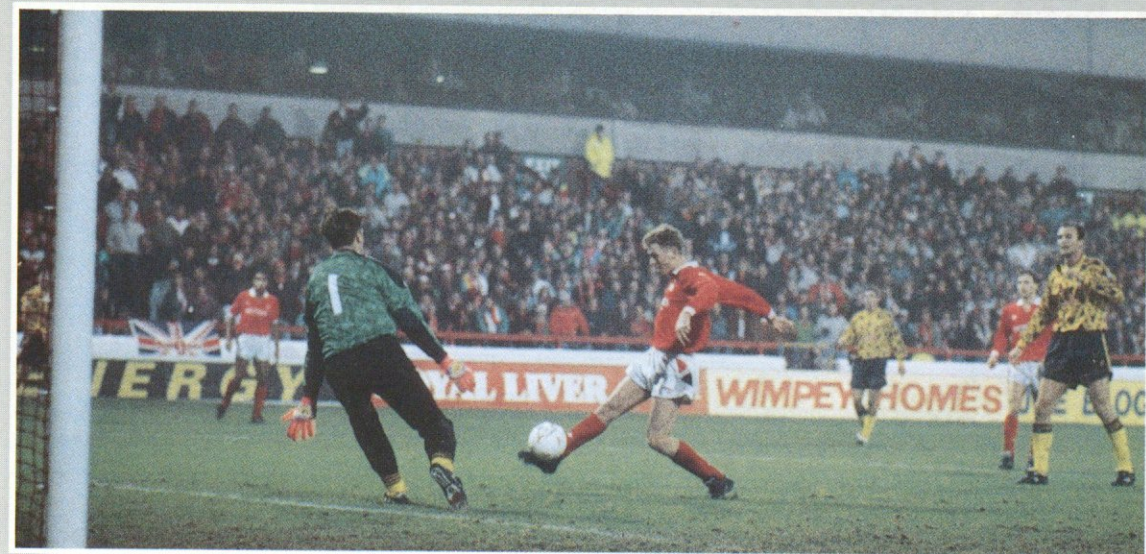

Teddy was among the scorers when we gunned down the men from Highbury in front of the TV cameras recently — our first win over Arsenal at the City Ground in five attempts.

Ian Woan (above right) set us on the way to a 3-2 victory with a stunning goal shortly before the interval.

Teddy (centre) stooped low to make it 2-0 13 minutes after the interval — much to the delight (or so it appears) of referee Roger Milford, who seems to be willing the £2 million marksman to score.

Scot Gemmill (bottom right) gave us a three-goal cushion after 70 minutes, cleverly lobbing Arsenal 'keeper David Seaman for his fourth goal of the season.

And even though Arsenal hit back with two late goals, nothing could spoil our day . . . or dampen Teddy's celebrations.

INSIDE THE CITY GROUND

NICE TO SEE YOU

Two pen pals are meeting up at today's game — thanks to the columns of the Forest programme.

Thirteen-year-old Luton (and Kingsley Black) fan Lesley Jane Skinner, of Luton, wrote to us earlier in the season in the hope of getting a pen pal from Nottingham.

The plea was answered by Kathryn Ward, of Mansfield, and we're delighted to hear that the two girls will be meeting up today for the first time.

ZENITH AREA FINAL

Our splendid 2-0 victory over Tranmere at Prenton Park recently — following on from away wins over today's visitors Leeds and Aston Villa — has put us in the Northern Area final of the Zenith Data Systems Cup.

We will not know until 8th January, when Notts County play Leicester at Meadow Lane, who we meet in the area final.

The first leg of the final is scheduled to be played away from home in the week beginning 20th January and the return at the City Ground on Wednesday, 29th January.

Should the Zenith go ahead as planned — it is subject to further postponements of the Leicester-Notts tie — our Barclays League home game against Manchester United will be postponed to a later date.

TV AWARDS

Stuart Pearce and his team-mates had an early Christmas present in the shape of a double award from viewers of BBC TV East Midlands Today.

They voted the skipper their personality of the year and we also picked up the "Team of the Year" award.

ON TELEVISION

Our Barclays League First Division game against Everton at Goodison Park is to be televised live by ITV.

That means the game being put back 24 hours to Sunday, 19th January (kick-off 2.55 p.m.).

TICKETS FOR PALACE

Tickets for our Rumbelows League Cup fifth round tie with Crystal Palace at Selhurst Park have been on general sale since 22nd December.

Seats are £10 and terrace prices are £6 (adults) and £4 (juveniles and senior citizens).

Please note that should any tickets be available for purchase on the day, the juvenile and senior citizen reduction will not apply.

NOT ALL TICKET

Supporters should note that our third round F.A. Cup tie against Wolves at the City Ground next Saturday and our Barclays League First Division game against Notts County on 11th January are not all-ticket.

TYNESIDE FANS

A move is being made to form a Tyneside branch of the Forest Supporters' Club.

The man behind the initiative is Peter Thompson, who told us: "I have already made contact with six other Forest exiles who each know of other interested people."

"We just hope that by mentioning it in the programme we might get more Forest supporters in the North East coming forward."

Anyone interested should contact Peter at 17, Cleveland Road, North Shields, Tyne and Wear. Telephone: 091 2575939.

SIX OF THE BEST

We're understandably proud of our successful youth policy, which is the envy of many other clubs around the country.

And we recently recruited six more youngsters who hope to follow in the footsteps of the likes of Des Walker, Steve Chettle, Gary Charles and Mark Crossley... into our first team.

The six have all signed associate schoolboy forms and are pictured putting pen to paper, watched by chief scout Alan Hill (centre) and Youth Development Officer Allen Clarke.

They are (from left to right): Mark Clifford, Kevin Waddley, Matthew Wood, Stephen Orr, Mariano Ziccardi and Darren Turner.

HALF SEASON TICKET PRICES

- Available from 1st December, 1991, valid from 1st January, 1992.
- Cheques to be made payable to 'Nottingham Forest F.C. Ltd.'
- Please write your address (and postcode) on the back of cheque.
- Post dated cheques not accepted.
- Please allow one week for postal applications to be processed but if there is any undue delay please contact us immediately.
- It is the club's intention to consider playing occasional Sunday fixtures in addition to any other fixtures chosen by TV Companies.
- Half season tickets will not carry full priority for cup tickets, etc. such tickets will be offered to full season tickets holders first.

(Inclusive of 17.5% VAT)
SEASON 1991/92

SEATS :

GREAT SCOT

Congratulations to Scot Gemmill, who received the Barclays Young Eagle Regional Award for the Midlands at our last home game against Leeds.

Scot received an inscribed salver from Ken Bailey, Barclays Business Centre Manager in Nottingham.

COACHING COURSE

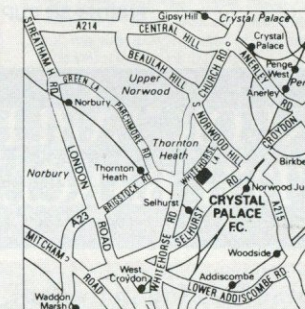

An F.A. preliminary coaching course is starting at Trent Pool on 14th January.

It will run for ten weeks from 1.30 p.m.-4 p.m. every Tuesday and the cost is £35 or £50, which includes two books "Winning Formula" and "Soccer Tactics".

Anyone interested should contact Trent Pool on 810089.

FOLLOW FOREST TO CRYSTAL PALACE

on
Wednesday, 8th January, 1992.

Seats are £10 and Terrace £6 (adults) and £4 for juveniles and senior citizens.

A MESSAGE FROM THE CHAIRMAN

At the end of 1991, it's been another marvellous year for us to reflect on at the City Ground.

The disappointment of losing in the F.A. Cup final at Wembley hit everyone connected with the club but, as I've told a lot of people since that day, at least we were there to experience the disappointment.

There were many clubs who would have given anything to have been in our position on 18th May against Tottenham and let's hope we are there again at the end of this season.

Certainly, our performances in cup matches so far suggest that we could well be on our way back to visit the twin towers again.

Here we are halfway through the season, knowing that we go into a New Year still in contention for all the competitions.

We have an outstanding record of success in the League Cup and, thanks to that battling performance at Southampton a couple of weeks ago, we are now in the quarter-finals of the Rumbelows yet again.

And I'm sure everyone would admit that we have done the Zenith Data Systems Cup proud with our displays in beating Leeds, Aston Villa and Tranmere all away from home. In that particular competition, we are only 180 minutes away from Wembley.

It's very satisfying for me and my Board of Directors and I am sure that supporters view things very much the same way.

So 1992 promises to be a very exciting one on the field and building developments at the City Ground will guarantee plenty of action off the pitch too.

As you are all aware by now, we are planning major construction work at the ground with both the Trent End and Bridgford Road ends undergoing major changes.

As you know, we had hoped to start work at the Trent End by now but we failed to reach agreement with our landlords Nottingham City Council over the rent for a small stretch of land.

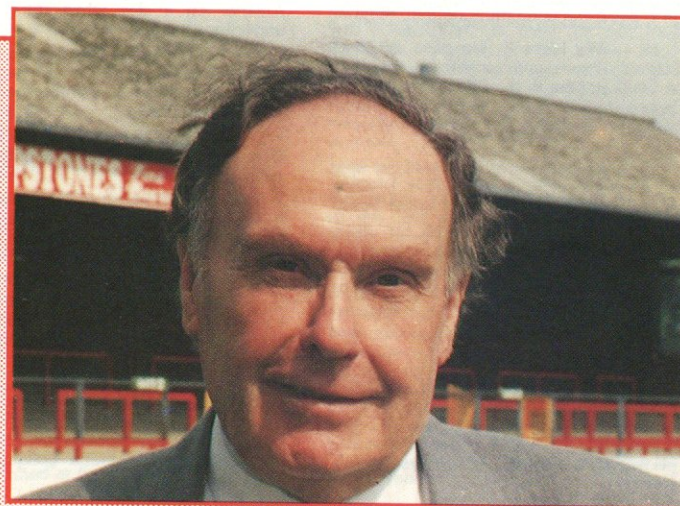

We've now re-arranged our plans to start at the Bridgford End and it is hoped we can commence work sometime in April and have that particular phase of the development completed fairly early next season.

There will, of course, be some inconvenience to supporters while the work is being carried out but please bear with us. I am convinced you will see that at the end of the day we will be able to boast a magnificent stadium.

We are already proud of the improvements that have been carried out at the City Ground over the years but we are moving into a new era with a development of this size.

We have to keep pace with the times not to mention the recommendations of the Taylor Report. But we also believe that the manager and the teams he has produced for us over the years deserve the very best.

Let's wish him and his players the very best for 1992.

FOREST'S CALENDAR OF EVENTS - 1991

For once, no major trophy arrived at the City Ground in 1991 — but how close we came to landing the F.A. Cup at Wembley in May.

Sadly, having got to the final after a succession of away draws, it wasn't to be our year — despite the fact that we took the lead with Stuart Pearce's spectacular free-kick.

Apart from the disappointment of Wembley, however, there was never any shortage of news to report from the City Ground as we look back on another memorable year . . .

JANUARY

2 — What a start to the New Year as Roy Keane strikes two of the goals in our 6-2 victory over Norwich City at Carrow Road.

6 — We hit what turned out to be a long and winding road to Wembley in the F.A. Cup with a goalless draw in the third round tie at Crystal Palace in front of a live television audience. Little did we know then of the epic saga that was about to follow.

9 — A torrential downpour just two hours before the scheduled kick-off left our pitch waterlogged, forcing referee Roger Milford into a late postponement of the replay with Palace.

11 — Hans Van Breukelen is linked with a possible return to the club and the manager refuses to rule out the possibility.

17 — After the rain came the frost . . . and with it a second postponement of the ill-fated first replay.

20 — Hans Van Breukelen decides to stay with PSV Eindhoven, killing off any hopes of a return to the City Ground.

21 — The Palace drama continues as a stunning injury time goal from John Salako locks the first replay up at 2-2.

24 — Just as the heavy rain had forced a late postponement of the first replay, a blanket of fog leaves both sets of players and supporters frustrated when they try to resolve the tie again.

28 — At long last . . . after 22 days and six attempts to settle the issue . . . two Garry Parker goals and a third from Gary Crosby in an 11-minute spell early in the second half give us a 3-0 victory and book us a fourth round trip to Newcastle, by which time we also knew who our fifth round opponents could be.

30 — Another Dutchman, defender Addeck Koot, has talks with us, but that deal hits a snag and falls through.

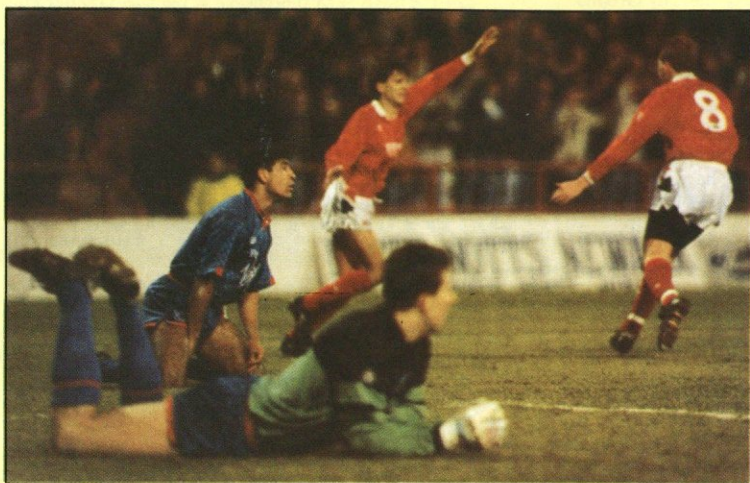

FEBRUARY

1 — Our out-of-favour goalkeeper Steve Sutton joins Coventry City on a month's loan to deputise for the injured Steve Ogrizovic, but heavy snow restricts him to just one game.

6 — Des Walker, Stuart Pearce and Steve Hodge are all on England duty as they beat the Cameroon 2-0 in a friendly.

13 — The great escape. Two goals down after 12 minutes in the fourth round tie at Newcastle, we hit back through Stuart Pearce, before Nigel Clough equalises in the 88th minute.

16 — With the F.A. Cup run grabbing

Gary Crosby wheels away in delight after scoring one of the goals that finally killed off Crystal Palace in the third round of the F.A. Cup.

most of the attention, it overshadows our disappointing League form and our position is not helped by a 1-0 defeat at struggling Sunderland.

18 — The F.A. Cup takes centre stage again and goals from Nigel Clough, Steve Hodge and Garry Parker brushes aside Newcastle United and earns us a trip to Southampton.

21 — After Roy Keane's dramatic emergence, we turn to Ireland again to sign Raymond Byrne from Newry Town.

25 — We leave it late once again as Steve Hodge rescues us with an equaliser at Southampton in the fifth round.

MARCH

2 — We begin to look uneasily at what is going on below us in the First Division after another defeat at lowly Luton Town.

4 — Nigel Jemson puts all his injury troubles behind him with a splendidly-taken hat-trick as we once again come from behind to beat Southampton in the fifth round replay.

9 — F.A. Cup quarter-final day, and yet another long trip for us to negotiate, this time to Norwich. For once though, we overcame this particular hurdle at the first attempt as Roy Keane's goal moves us to within one step of the Twin Towers. Incidentally this was the first time we had played on a Saturday in this years F.A. Cup.

10 — Franz Carr joins West Ham on a month's loan . . . our opponents in the F.A. Cup semi-final.

16 — Concern about our League position grows as a 1-1 draw at home to Manchester United stretches our run without a win to six League matches and we slip to 13th place.

20 — Nigel Jemson's opportunist goal earns us another point at title favourites Arsenal on a day when the manager underlines the need to bring in new faces.

24 — Franz Carr turns down a move to Wimbledon, while efforts are stepped up to try and make a signing before the transfer deadline.

26 — Gary Charles is in the England Under-21 side which beats the Republic of Ireland 3-0.

27 — Stuart Pearce and Des Walker are in the England side which draws 1-1 with the Republic of Ireland in the European Championship qualifier at Wembley.

28 — Alan Mahood is the new face who joins us on deadline day, agreeing to a £300,000 move from Morton, where his manager had hailed him as the "new Kenny Dalglish".

30 — Tony Loughlan marks an unexpected first team debut with a goal after only 36 seconds, but can't stop us crashing to a 3-1 defeat at Wimbledon to extend our run to nine League games without a win.

FOREST'S CALENDAR OF EVENTS - 1991

APRIL

1 — April's Fool's day . . . but we have the last laugh, chalking up our first League win since mid-January with a 2-0 success over Sheffield United thanks to the efforts of Tommy Gaynor.

6 — Scot Gemmill makes a pleasing full debut but cannot prevent us from slipping to a 3-1 defeat at Manchester City.

10 — Roy Keane's sixth goal of the season gives us a 1-0 victory over Derby County and puts us in good spirits as the countdown to the F.A. Cup semi-final at Villa Park begins.

14 — Semi-final day . . . and the sending-off of West Ham's central defender Tony Gale for a professional foul on Gary Crosby has a strong bearing on the outcome. Crosby rubs salt in West Ham's wounds by setting us on the way to a 4-0 win, with Roy Keane, Stuart Pearce and Gary Charles getting the others. It was Charles' first goal for the club against the team he supported as a kid.

20 — Seven-up! The euphoria of reaching the F.A. Cup Final rubs off on our League form as we hammer Chelsea 7-0 . . . Roy Keane and Stuart Pearce both scoring twice, while Ian Woan collects his first senior goal for the club.

24 — Norwich are on the receiving end again, as our 5-0 victory makes it 11 goals in two League encounters with the Canaries. Lee Glover celebrates his 21st birthday by opening the scoring . . . his first goal since returning from a broken leg.

27 — Nigel Clough enhances his international claims by scoring the winner for the England B side against Iceland at Vicarage Road. Steve Hodge confirms his return to fitness after a lengthy absence with a twisted knee by playing in the same game.

30 — The manager confirms we will play a testimonial match for Notts County coach Mick Walker . . . even though the game will be played five days before the F.A. Cup Final.

MAY

1 — Stuart Pearce and Des Walker help to push England a step nearer to the European Championship finals with a 1-0 victory over Turkey in Izmir. Steve Hodge also appears as a second half substitute.

4 — In a dress rehearsal for the F.A. Cup Final, we draw 1-1 with Tottenham at White Hart Lane as Nayim cancels out a goal from Nigel Clough.

6 — Merseysider Ian Woan strikes the winner that hammers the final nail in Liverpool's title coffin as we overcome Graeme Souness's side 2-1 in front of the television cameras, leaving Arsenal to celebrate becoming Champions before their evening game against Manchester United at Highbury.

11 — Our League campaign draws to a thrilling climax with a 4-3 victory over Leeds United at the City Ground.

Wembley stunner as Stuart Pearce gives us the lead with another sensational free-kick in the F.A. Cup final.

13 — Gary Charles receives a marvellous boost in F.A. Cup Final week when his name is a surprise inclusion in the England squad for the summer tour Down Under.

14 — An injury to Roy Keane is our main worry in the build-up to the F.A. Cup Final, but he plays himself back into contention by coming through a reserve game against Leeds.

18 — The big day arrives . . . but although things appear to be going our way after an eventful start to the final in which Paul Gascoigne is stretchered off with damaged knee ligaments following a reckless challenge on Gary Charles, and Stuart Pearce scores from the resulting free-kick, Tottenham hit back. Paul Stewart nets the equaliser early in the second half and in extra time Des Walker suffers the misery of seeing his attempted clearance fly into the net for Tottenham's winner.

20 — The manager insists he won't quit, despite the disappointment of missing out on the one major trophy to elude his grasp, and he sends a message of sympathy to Paul Gascoigne, who is confined to a hospital bed after undergoing major surgery on his badly damaged right knee.

22 — Plans are unveiled to redevelop the Trent End and Bridgford Road ends of the ground at a cost of £12 million, converting our home into an all-seater stadium.

23 — Franz Carr joins Newcastle United in a £250,000 deal as a close-season of hectic transfer activity begins.

Proud moment for Brian Clough, in June, after he had received the OBE.

JANUARY . . . FEBRUARY . . . MARCH

APRIL . . . MAY . . . JUNE

FOREST'S CALENDAR OF EVENTS - 1991

25 — The transfer activity heats up as Carl Tiler becomes the first of our three seven-figure signings, completing a £1.4 million move from Barnsley before jetting off on tour with the England Under-21 squad.

28 — Steve Hodge is linked with a move to Leeds United, while Norwich City show an interest in Darren Wassall.

JUNE

1 — Stuart Pearce, Des Walker and Nigel Clough are on international duty as England kick-off their summer tour Down Under with a 1-0 victory over Australia.

2 — Many of our fans return to Wembley to lend their support to our neighbours Notts County as they beat Brighton 3-1 in the promotion play-off final to return to the First Division.

3 — Stuart Pearce and Des Walker both collect another international cap each in a 1-0 win over New Zealand.

8 — Our skipper Stuart Pearce is given the honour of leading his country for the first time against New Zealand in Wellington and responds by scoring the first goal in a 2-0 success. Gary Charles makes a confident international debut.

12 — Four players, Stuart Pearce, Des Walker, Gary Charles and Nigel Clough help England to round off their tour with a 4-2 win over Malaysia. We confirm our interest in Dean Saunders as the race begins to secure the Welsh international's signature.

13 — Talks are held with Steve Hodge in a bid to persuade him to stay as Leeds close in on their transfer target.

14 — Derby County boss Arthur Cox informs our manager that the club's bid for Dean Saunders has been rejected.

15 — Our manager is awarded the OBE for his services to football in the Queen's birthday honours list.

19 — Paul Hart returns to the club in a coaching capacity, while Kilmarnock express an interest in Brian Rice.

20 — Like Hans Van Breukelen, another former goalkeeper Chris Woods is linked with a return to the club, but that is quickly ruled out.

28 — The arrival of Carl Tiler prompts fresh speculation that Des Walker will be leaving, this time to Real Madrid, but this is dismissed.

JULY

2 — Neil Lyne moves to Shrewsbury Town after a successful loan spell there, while we confirm Everton and Blackburn's interest in Brian Laws.

11 — Having improved our offer, Dean Saunders appears to be set for a move to the City Ground after holding talks with the club, but Liverpool nip in to sign him.

16 — The attention switches to Teddy Sheringham after our failure to sign Dean Saunders and we hold talks with the Millwall striker.

Summer signings . . . Carl Tiler and Teddy Sheringham, who were followed to the City Ground by Kingsley Black.

19 — After thinking over a £2 million move, Teddy Sheringham agrees to sign and becomes our record signing.

26 — Pre-season preparations are stepped up with a visit to Roy Keane's former club Cobh Ramblers where we run out comfortable winners. Keane marks his return to his old club with two goals and Teddy Sheringham scores twice on his debut.

27 — Nigel Jemson and Teddy Sheringham are on target in a 2-0 victory over Shelbourne in Ireland.

30 — Speculation is rife about Neil Webb returning to the club and Kingsley Black joining us, but hopes of signing the pair are knocked on the head, for the time being anyway.

AUGUST

3 — The pre-season bandwagon rolls on to Sweden and we open our tour with a 6-0 victory over Alta, with Nigel Clough and Nigel Jemson both scoring twice.

5 — Teddy Sheringham produces a five star show as we trounce Swedish part-timers Enebyberg 13-0. Sheringham's five goals include a hat-trick in the space of 18 minutes. Nigel Jemson got in on the act with a hat-trick and Stuart Pearce helped himself to two goals.

7 — Nigel Clough, having been linked with a move to Tottenham, brushes aside all the speculation about his future by scoring twice in a 3-1 win over Trosa.

8 — Carl Tiler and Roy Keane are both on target in the final game of our Swedish

tour as we draw 2-2 with Vasalunds.

11 — Nigel Jemson scores twice to help us retain the County Cup with a 2-1 victory over Notts County.

15 — Two players on the move are striker Phil Starbuck, who joins Huddersfield Town on a free transfer, and winger Mark Smith, who moves to Shrewsbury Town.

17 — The new League programme opens on a winning note as Nigel Jemson nets a late goal to earn us a 2-1 victory over Everton. But there is a heavy price to pay for that success as Des Walker damages a hamstring.

20 — Despite a gritty display at Leeds United, Gary McAllister's goal gives the home side a 1-0 win.

24 — Derby day ends in triumph as Gary Crosby, Gary Charles, Teddy Sheringham — his first League goal for the club — and Roy Keane score in a 4-0 victory over Notts County.

28 — A dismal night as Stuart Pearce is sent off in the closing stages of our 3-1 defeat at home to Tottenham. On the same day we receive the PFA Fair Play Award for the 1990-91 season.

31 — Kingsley Black completes a £1.5 million move to the City Ground and then sees his new team-mates beat Oldham Athletic 3-1 — Scot Gemmill scoring his first senior goal to set us on the way.

SEPTEMBER

2 — There is more activity on the

FOREST'S CALENDAR OF EVENTS - 1991

transfer front as Lee Glover moves to Luton Town on a month's loan, Garry Parker asks for a move and we confirm Blackburn's interest in Brian Laws.

4 — The topsy-turvy nature of our League form is evident again as we go down 2-1 to Manchester City at Maine Road.

7 — Kingsley Black's League debut for the club ends in disappointment as we lose 2-1 to Sheffield Wednesday.

11 — Stuart Cash joins the Shrewsbury Town connection by agreeing to a loan move to Gay Meadow where Mark Smith and Neil Lyne have already settled.

14 — Despite being without the suspended Stuart Pearce, Kingsley Black marks his home debut with a goal as we beat Wimbledon 4-2 — Roy Keane scoring two of them.

16 — Our former £1 million striker Trevor Francis agrees to pay £800,000 to take Nigel Jemson to Sheffield Wednesday.

21 — More misery as Nigel Clough joins Des Walker on the sidelines after sustaining a thigh injury in a 3-1 defeat at Aston Villa.

25 — A growing injury list leads to the recall of Tommy Gaynor and he responds with two goals in the 4-0 victory over Bolton in the Rumbelows League Cup.

26 — Stuart Pearce picks up one of Barclays' Good News Awards for 1991, while the comeback of his England colleague Des Walker is put on ice.

28 — Des Walker appears as a makeshift striker after coming on as a late substitute to boost our search for an equaliser at home to West Ham, and within a minute Teddy Sheringham nets his first goal on home territory to earn us a 2-2 draw.

30 — Liverpool's bid to sign our transfer-listed midfielder Garry Parker for £750,000 is rejected.

OCTOBER

5 — Des Walker proves his fitness for European Championship duty by helping us beat Queen's Park Rangers 2-0 — Teddy Sheringham getting both the goals on his return to the capital.

8 — Two goals from Roy Keane help us to complete the Rumbelows Cup demolition of Bolton with a 5-2 win that secures an emphatic 9-2 success on aggregate.

15 — Carl Tiler and Gary Charles help England's Under-21 side beat Turkey 2-0, while Scot Gemmill is involved in the Scottish Under-21 side's 3-1 success in Romania.

16 — Stuart Pearce sets up the Alan Smith goal that pushes England a step nearer to the European Championship finals in Sweden with a 1-0 win over Turkey at Wembley.

18 — The signing of Carl Tiler six days before the end of the financial year in May is singled out as the reason for the club making a loss of £1 million when the accounts are published.

19 — Roy Keane becomes the latest injury victim as we lose 4-2 to Sheffield United at Bramall Lane.

23 — The manager underlines his intention to beat Billy Walker's club record of 21 years as boss as he approaches the 26th anniversary of his glittering managerial career.

24 — Brian Laws, having lost his first team place to Gary Charles, asks to be transfer-listed.

26 — Carl Tiler is sent off for a professional foul on England Under-21 team-mate Alan Shearer as we suffer another League defeat, going down 3-1 to Southampton.

30 — Lee Glover marks his return to first team action with the goal that sets us on the way to a 2-0 win over Bristol Rovers in the third round of the Rumbelows League Cup.

31 — Having run into difficulties over the planned redevelopment of the Trent End, we announce that work will commence on the Bridgford End first. Vice chairman Jimmy Pell loses his place on the board of directors, with Dr. George Waterhouse taking his place, at the club's Annual General Meeting.

NOVEMBER

8 — Roy Keane is forced to pull out of the Republic of Ireland squad against Turkey because of an ankle injury sustained in the match at Sheffield United the previous month.

12 — Nigel Clough and Roy Keane give us a welcome boost by making successful returns from long term injury problems in a reserve game at Sheffield Wednesday.

14 — Swedish international midfielder Janne Jansson arrives at the City Ground on trial from Oesters Vaxjo, the club we met in the European Cup in 1979.

16 — A five-star performance gives us our most convincing win of the season as Crystal Palace are swept aside 5-1.

18 — Sadly, we hear of the death of former chairman Stuart Dryden . . . the man who played such a big part in bringing Brian Clough to the City Ground.

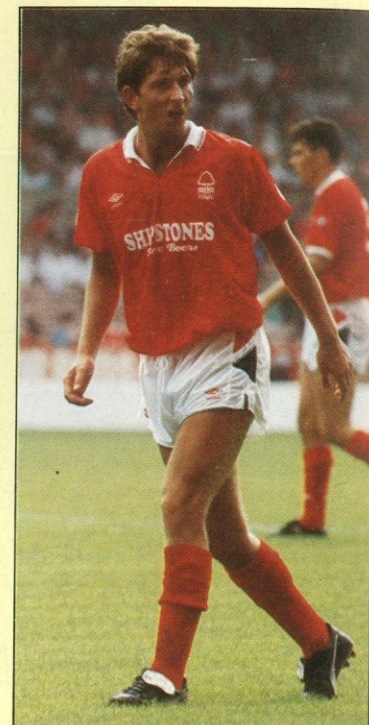

22 — Brian Clough is offered the job of becoming a cricket commentator with BSkyB TV for the forthcoming World Cup in Australia and New Zealand.

24 — Liverpool make an unsuccessful bid to swap Roy Keane for Dean Saunders.

26 — Steve Sutton, welcomes the chance to emerge from the wilderness by joining Luton Town on loan after failing to make an appearance in our first team in two seasons.

28 — Garry Parker moves to Aston Villa in a £650,000 deal after three and half years at the City Ground.

30 — Nigel Clough returns to first team action after a two month lay-off with a thigh strain, but it ends in disappointment as we lose 1-0 to Chelsea at Stamford Bridge.

Garry Parker . . . moved on to Aston Villa in November.

DECEMBER

3 — Our transfer-listed full back Brian Laws rejects a move to East Midlands rivals Derby County.

4 — The Rumbelows Cup fourth round tie against Southampton turns out to be a frustrating time for us as we are held to a 0-0 draw in which the visitors have six players booked.

8 — ITV's cameras are at the City Ground to capture a thrilling 3-2 victory over Champions Arsenal — our first home win over the Gunners in five seasons.

10 — Two goals from Roy Keane give us a 2-0 victory at Tranmere that carries us to within one step of another Wembley appearance in the Zenith Data Systems Cup as we reach the Northern Area Final.

14 — Our dismal record at Liverpool continues as goals from Steve McMahon and Ian Molby send us crashing to a 2-0 defeat, which now means we have taken only three points from 15 League visits to Anfield since our return to Division One in 1977.

17 — Des Walker and Gary Charles are in the wars as we book our place in the Rumbelows Cup quarter-finals . . . Scot Gemmill's goal giving us a 1-0 win at Southampton.

18 — Stuart Pearce is voted BBC Television's Sports Personality of the Year for the East Midlands. We also pick up the team award for our efforts in reaching the F.A. Cup Final.

RED STAR

STEVE SUTTON

Steve Sutton will have "mixed feelings" this afternoon when he takes to the field — as a Luton Town player!

"Sutty", on loan at Kenilworth Road, will be doing his utmost to keep Teddy Sheringham, Nigel Clough and Co. at Bay — and bolster Luton's hopes of avoiding relegation.

But the long-serving goalkeeper says: "I'm not quite sure how I'll feel when it's time to run out on the field — apart from being very nervous."

He added: "It's strange really because I never thought I'd ever end up playing against Forest in a League game."

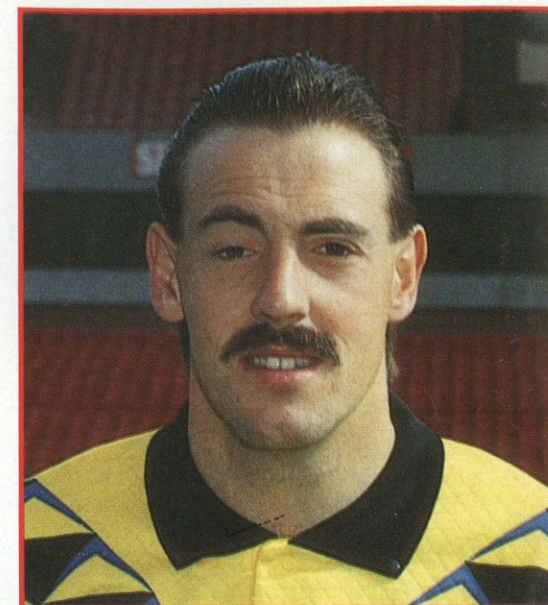

"It happened to me once before when I was on loan at Mansfield but that was only in a County Cup game. This is totally different!

"Hopefully I'll get a good reception from both sets of fans but once the game starts it won't be a case of divided loyalties. I'm there to do a job for Luton."

Steve, who has lost his No. 1 spot at the City Ground to Mark Crossley, hasn't figured in our first-team since the end of the 1989-90 season.

He had a spell on loan with Coventry last season — making one appearance, against Wimbledon — and jumped at the chance of a move to Luton.

"I've really enjoyed it," he says. "Although they are struggling near the foot of the table and people

have already written them off, there's a great spirit among the lads at Luton.

"They firmly believe they can avoid relegation and that's the important thing. It doesn't matter what other people say, it's up to the lads themselves and I hope I can help them stay up."

"I'm sure the change of scenery will do me good. I haven't given up all hope of getting my place back at Forest but thanks to Luton, I've at least been able to show I can still perform at the highest level."

"What I've really enjoyed is playing in front of a crowd again on a Saturday afternoon. I had almost forgotten what it was like."

HOUDINI-STYLE escape acts were Charlton Athletic's speciality not so long ago... but Luton Town appear to have cornered that particular market more recently.

The Hatters have walked a First Division tightrope over the past three years, and they have developed the nerve-racking habit of leaving it to the very last minute before clawing their way to safety in the mad scramble to avoid relegation.

To survive against the odds demands immense character and resilience, but those admirable qualities face an even tougher examination over the next five months.

David Pleat's side begin the New Year knowing that only a dramatic turnaround in fortunes will give them a fighting chance of figuring in the Premier League's launch.

The taste of success has been a scarce commodity in Luton's camp during the first half of the season. Indeed, they entered the crucial holiday period with just two wins in 22 games, leaving them well adrift at the bottom of the table.

One important factor weighing in their favour though, is that they are battle-hardened to the sort of struggle which lies in front of them in the early stages of 1992.

In 1989, it took a run of three wins in the last four games and a 1-0 victory over Norwich City on the final day of the season to preserve their First Division status.

Even more dramatic, however, was their great escape 12 months later, when the battle seemed well and truly lost going into the final

three matches of the season.

Luton managed to win all of them though, and as they were beating Derby County 3-2 at the Baseball Ground, our 3-0 victory at Hillsborough meant that it was Sheffield Wednesday who were relegated on goal difference.

Ironically, the Hatters were up against the same opponents in Derby on the final day of last season, when they needed a similar outcome to be absolutely sure of staying up and sending Sunderland back down to the Second Division.

What is more, a former favourite, who would later return to Kenilworth Road, had a hand in the 2-0 victory over Derby which secured escape number three... Mick Harford's own goal helping to ease the tension on that day.

All this, and their current struggle for survival, contrasts vividly with the air of great optimism at the club when they enjoyed the proudest moment in their 107-year history by beating Arsenal in the 1988 Littlewoods Cup Final.

On top of that thrilling 3-2 victory over the Gunners, Luton finished a creditable ninth in the First Division, but by the time they returned to Wembley for the same showpiece a year later, worrying cracks were starting to appear.

Despite the fact that Harford, who was in his first spell with the club at the time, headed them in front, our 3-1 victory over the Hatters on that occasion came at the end of a spell of seven League defeats in eight games. In some ways though, the disappointment of losing their grip on the trophy sparked a late revival which enabled them to climb clear of relegation.

As for the current campaign, that couldn't have started on a more ominous note as they failed to score in their first four games and suffered a 5-0 hammering at Coventry City in the process. When their first goal finally came, it was a consolation effort at Chelsea where the home side ran out 4-1 winners.

Unfortunately, that dismal start to the season was a taste of things to come as they crashed out of the Rumbelows League Cup to Third Division Birmingham City and suffered a five-goal drubbing at title-chasers Manchester United.

Even the return of some familiar faces has failed to lift the gloom, with Pleat back where he spent eight years in charge from 1978-86, while Harford has linked up again with his old strike partner Brian Stein at Kenilworth Road.

Luton could certainly do with the Harford-Stein partnership recapturing some of its old magic, for a shortage of goals has been one of their biggest stumbling blocks.

Of course, the fact that Northern Ireland international winger Kingsley Black could very easily be up against his old teammates this afternoon hasn't helped.

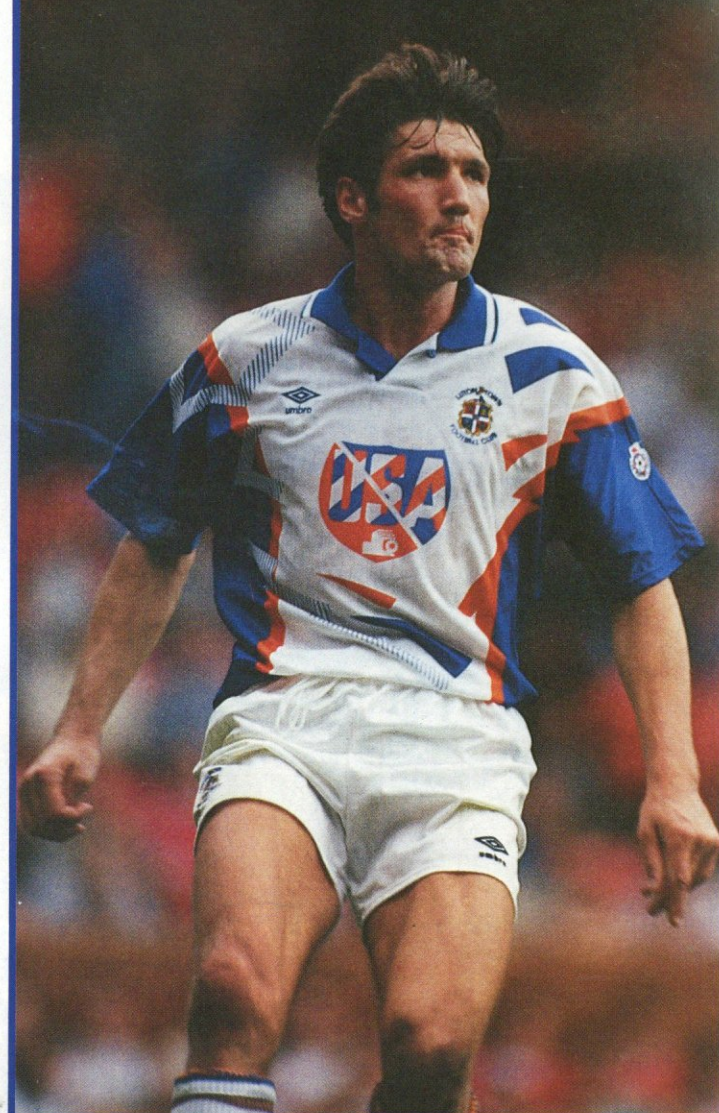

The Hatters have missed his creative skills and steady output of goals since making a £1.5 move up the M1 to the City Ground in the early stages of this season.

It is also significant to note that Danish international Lars Elstrup and Northern Ireland striker Iain Dowie, who along with Black were Luton's most productive players in terms of goals last season, are no longer with the club either.

As well as recruiting old boys Harford and Stein, Pleat turned to his old club Tottenham Hotspur to sign striker Phillip Gray at a cost of £275,000 in the summer.

A couple of experienced heads have also been acquired to bolster both Luton's defence and midfield in the shape of former Coventry City defender Trevor Peake and the much-travelled Chris Kamara from Leeds United.

And more recently, of course, Steve Sutton has moved to Kenilworth Road on a temporary basis as Pleat tries desperately to plot another dramatic revival.

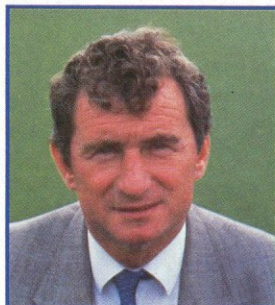

MAN TO WATCH

MICK HARFORD couldn't have picked a better way to cap his return to Luton Town earlier this season... but that glorious homecoming has been a rare moment for the club to savour in an otherwise grim struggle in the First Division's relegation zone.

The 32-year-old striker, having completed a £325,000 move from Derby County, fired in two late goals on his debut against Oldham Athletic to give the Hatters only their second victory of the campaign.

Harford began his career at Lincoln City in 1977, but it was after relatively short spells at Newcastle United and Bristol City that he began to emerge as a top class striker with Birmingham City.

A highly successful first spell with Luton prompted Derby County to spend £480,000 on linking him up with Dean Saunders in 1988, and that led to him being capped twice by England, coming on as a substitute against Israel and playing in a 1-1 draw with Denmark.

DAVID PLEAT returned to the club where he first made his name as both a player and manager when he was appointed as Luton Town's successor to Jim Ryan during the summer.

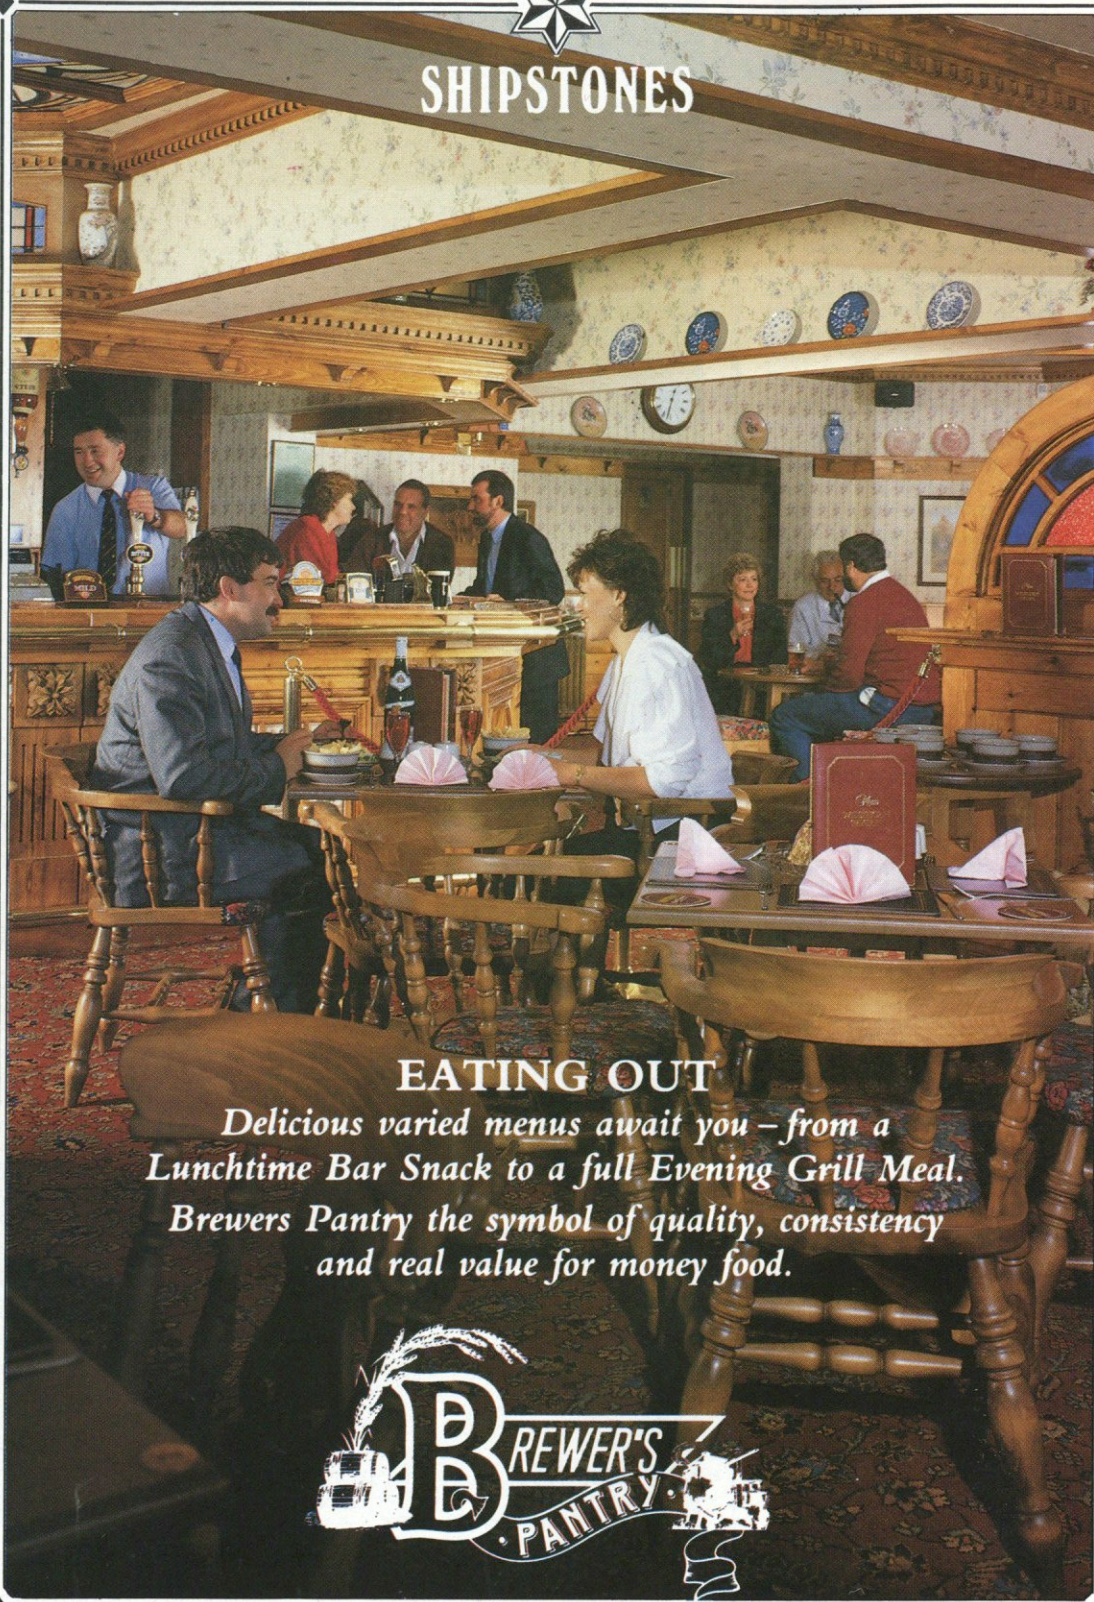

After beginning his playing days here at the City Ground, where he made only a handful of appearances, Pleat enjoyed a successful time at Kenilworth Road, before having spells with Shrewsbury Town, Exeter City and Peterborough.

In 1974, he was appointed Luton's reserve team coach and eventually became manager in 1978, masterminding their promotion as champions to the First Division four years later.

Pleat joined Tottenham in 1986 and guided them to an F.A. Cup Final appearance a year later before moving on to Leicester in December, 1987, where he had three years in charge.

VISITORS ON PARADE

STEVE SUTTON – Jumped at the chance to get back into League football by joining Luton on loan after a long spell in the wilderness, having lost his first team place at the City Ground to Mark Crossley. The 30-year-old 'keeper will no doubt be eager to show that he still has plenty to offer at this level.

JULIAN JAMES – The versatile 21-year-old is back in favour at Luton after being given limited first team opportunities last season. Born in Tring, he emerged through the club's youth scheme to make his debut in 1988 and can operate in midfield or at full back, which is his current position.

TREVOR PEAKE – An F.A. Cup winner with Coventry City in 1987, the experienced defender moved to Luton in a £100,000 deal last summer. Began his career with non-league Nuneaton Borough before stepping into the professional game with Lincoln City in 1979. He joined Coventry four years later.

GRAHAM RODGER – The England Under-21 international has been reunited with old Coventry team-mate Trevor Peake at the heart of Luton's defence this season. Made only one appearance for his first club Wolves before joining Coventry, and appeared as a substitute in the 1987 F.A. Cup Final.

JOHN DREYER – A £140,000 signing from Oxford United in 1988, he has established himself as a key member of Luton's defence and skipped the side last season. While at Oxford, where he started as an apprentice, he had loan spells with Torquay United and Fulham during the 1985-86 season.

RICHARD HARVEY – A former England Youth international who made his debut as a 17-year-old in 1986, he has since established himself in the first team squad and been a fairly regular member of the side for the past three seasons. Can operate at left back or in the centre of defence.

CHRIS KAMARA – The much-travelled midfielder moved to Luton recently in a £150,000 deal after a successful spell at Leeds United in which he helped to revive the club's fortunes. Began his career at Portsmouth back in 1975 before having two spells at Swindon Town and one at Stoke and Brentford.

PAUL TELFER – The 19-year-old midfielder is another product of the club's youth policy who made one appearance as a substitute against Everton in the penultimate game of last season. David Pleat has since given the Edinburgh-born youngster a chance to establish himself in the side.

DAVID PREECE – England B international midfielder who joined Luton from Walsall in a £150,000 deal in 1984 and played in both the Littlewoods Cup Finals against Arsenal and ourselves. Made his league debut for Walsall 10 years ago and his midfield skills quickly caught the eye of top clubs.

BRIAN STEIN – A free transfer brought the former England striker back to Luton for a second spell last summer after he had spent three years in France. Had ended his first spell at Luton by scoring twice in their thrilling 1988 Littlewoods Cup Final triumph over Arsenal.

PHILIP GRAY – Developed in the junior teams at Tottenham Hotspur before making his League debut in 1987. But he was unable to establish himself in the first team picture and after a loan spell at Barnsley two seasons ago, he joined Luton in a £275,000 deal during the summer.

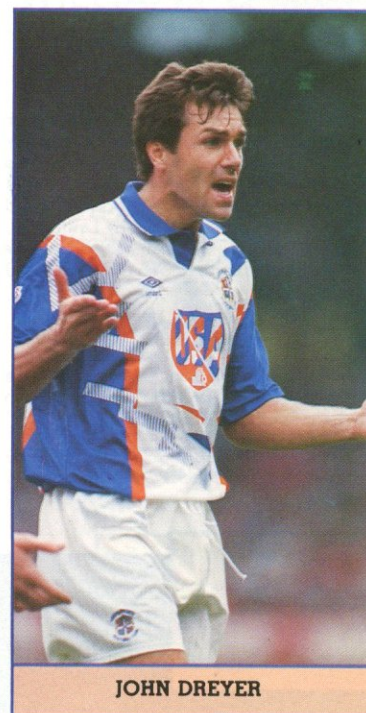

SCOTT OAKES – The former Leicester City striker joined Luton earlier this season in the transfer deal that took midfielder Steve Thompson to Filbert Street and resulted in defender Des Linton also moving South to Kenilworth Road. A versatile player, he can also operate in defence.

MARK PEMBRIDGE – It has been an eventful year for the young midfielder who made his First Division debut against Wimbledon exactly 12 months ago. A former trainee with Luton, he immediately gained a regular first team place and won his first Wales cap in the glamorous friendly against Brazil.

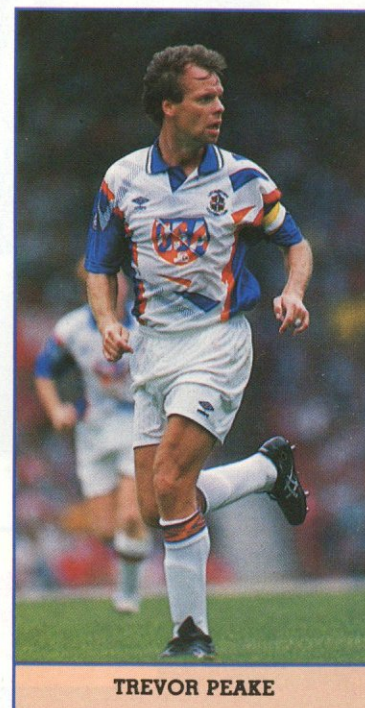

CERI HUGHES – The Welsh international midfielder will be looking to make up for lost time, after a knee ligament injury disrupted his progress midway through last season. Signed as an apprentice in 1989, he had established himself in the first team and had been called up by Wales when injury struck.

DARREN McDONOUGH – The experienced utility player served his apprenticeship at Oldham Athletic, going on to make 200 first team appearances for the Latics. Moved to Luton for £85,000 in 1986 and has been a regular in midfield for the past five seasons, although he can also operate in defence.

ALEC CHAMBERLAIN – A £150,000 signing from Everton in 1988, he has been Luton's first choice 'keeper for the past three years, having taken over from Andy Dibble. Began his career at Ipswich Town, but made his break into League football while at Colchester before joining Everton for £75,000 in 1987.

JOHN DREYER

TREVOR PEAKE

Looking Back

5-10-20-30 YEARS AGO

1987

Forest's best crowd of the season 32,854 witnessed a New Year's opener against fellow title chasers Liverpool, where following a goalless first half Philip Starbuck in his second appearance gave us the lead with his second league goal. Despite numerous further chances Forest failed to make the game safe and Ian Rush levelled matters with a late goal to deprive Forest victory.

FOREST: Segers, Fleming, Pearce, Walker, Fairclough, Bowyer, Carr, Webb, Clough, Starbuck, Mills.

The Hatters were also riding high in the First Division as they travelled to the Midlands for their 1987 opener to meet Coventry City where a Brian Stein goal gave them a well earned victory.

LUTON: Sealey, Breaker, Johnson, Nicholas, Foster, Donaghy, Wilson, B. Stein, Newell, Harford, Grimes.

Attendance: 16,656.

- Recent Forest departure Paul Hart broke his leg on his debut for Birmingham against Plymouth at St. Andrews.

1982

Their had been no league action for Forest since 12th December at Swansea and in between postponements the Reds

PAUL RICHARDSON . . . Scored in the 2-2 draw at Maine Road.

kept things ticking over with friendlies against Second Division opposition in the shape of Rotherham in Guernsey where they slipped to a 2-0 defeat and a hastily arranged game against Luton at the City Ground in which Forest dispatched the Second Divisions runaway leaders 5-1.

- Forest's Peter Davenport signed professional with the Reds ten years ago today.

Luton like Forest and the majority of clubs had also been badly hit by the weather, and had managed just one fixture at Norwich City where they swept aside fellow promotion contenders City by 3-1 with goals from Raddy Antic, Steve White and Brian Stein.

LUTON: Findlay, Stephens, Aizelwood, Horton, Goodyear, Donaghy, Antic, Fucchillo, B. Stein, White, Moss.

Attendance: 19,348.

1972

The relegation battle moved into another year as the Reds looked for a change of fortune for the visit to Maine Road to take on second placed City.

Goals from Paul Richardson and a 'fortunate' Neil Martin effort gave Forest a well earned 2-2 draw which was well deserved as the Reds battled their way to another point in front of a New Years Day crowd of 38,777.

FOREST: Barron, Fraser, Gemmell, Chapman, Hindley, Richardson, Lyons, Jackson, Martin, Cormack, Moore.

Promotion candidates Millwall were the visitors to Kenilworth Road for the opening fixture of the year. Chris Nichol and Peter Anderson fired the Hatters into a 2-0 half-time lead before the Lions sparked into life with a revival which saw Derek Possee reduce the arrears as Luton finished 2-1 victors.

LUTON: Read, J. Ryan, Slough, Keen, Nichol, Moore, Anderson, Court, Halom, Givens, Hindson.

1962

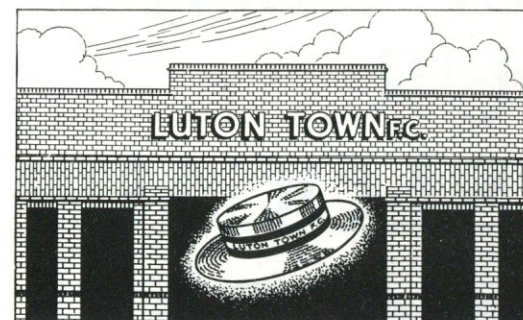

The Reds faced fellow strugglers Manchester United twice over four days. The second encounter at the City Ground eventually fell foul of the weather which was just as well for Forest as days earlier they had been on the wrong end of a nine goal thriller at Old Trafford. Trailing 4-1 at half-time Forest shared the second half goals two apiece before going down 6-3. Nobby Lawton (3), David Herd, Bobby Charlton and Shay Brennan scored United's goals whilst Len Julians, Trevor Hockey and Calvin Palmer (pen) were Forest's marksmen.

FOREST: Grummitt, Palmer, Grant, Whitefoot, McKinlay, Iley, Hockey, Booth, Julians, Quigley, Le Flem.

Luton's Second Division fixture's took them to Walsall where a brace from former Forest centre forward Tommy Wilson despatched them back down South pointless.

LUTON: Baynham, McNally, Bramwell, Morton, Cope, Pacey, Walden, McKechnie, Ashworth, Groves, Jardine.

PAST ENCOUNTER

9th APRIL, 1959

LUTON TOWN 5, NOTTINGHAM FOREST 1.

Welcome to 'Wembley Stadium', Kenilworth Road Luton! The match all had been waiting for proclaimed the programme notes.

The two F.A. Cup finalists were to clash in what was seen as the dress rehearsal of the final tie to be played three weeks later.

The Hatters league position gave just cause for anxiety, for they were by no means safe from relegation, although they had games in hand. Forest meanwhile were assured of their place in the Division although the Reds had won only one game from six since reaching the final.

Luton fielded a full strength side, the eleven who were to be selected for the final, whilst Forest were forced into changes with Willie Fraser taking over in goal in what was his second (and final) appearance having conceded twelve goals. Jim Barratt was also to make his final bow in the Garibaldi after a fine career with the Reds whilst youngster Calvin Palmer continued to deputise for skipper Burkitt.

Forest's indifferent performances continued, whilst Luton played fast fluent soccer which Forest either had no answer or heart for the fight. Current Northern Ireland manager Billy Bingham found the net, while Allan Brown, later to endure fourteen erratic months in the managers seat at the City Ground was at his sharpest with four goals. John Quigley replied for the Reds.

Luton finally moved well clear of relegation prior to the Cup Final and the Forest form continued on it's erratic way as they recorded just three wins in thirteen outings between semi-final and final.

The tables were turned on 2nd May as Forest returned to their silky best on a day when, despite Luton's earlier win, they were to have no answer.

Attendance: 22,352.

LUTON: Baynham, McNally, Hawkes, Groves, Owen, Pacey, Bingham, Brown, Morton, Cummings, Gregory.

FOREST: Fraser, Whare, Thomas, Whitefoot, McKinlay, Palmer, Gray, Quigley, Wilson, Barratt, Imlach.

ALLAN BROWN . . . Scored four goals.

Dave Pullan's Look at the Commercial scene

Did you hear the one about the police force who are using cardboard cut-outs of patrol cars to catch out speedy motorists.

Don't laugh, it's true . . . and it works. They erect the cut-outs on motorway bridges, drivers see what they think is a police car and slow down.

It's so simple, it's brilliant. It even set me thinking — no jokes please, I do it quite often.

What about life-size Stuart Pearce cut-outs.

I don't mean we're going to scatter them around the pitch to frighten our opposition — although it's not a bad idea.

No, what I've got in mind is selling them in the Commercial Shop. Picture the scene, supporters everywhere could soon have their very own 'Psychos'.

It's still at the planning stage at the moment but we've had a

mock-up made of the cut-out and it's met with a favourable response from the supporters we've shown it to.

Why not judge for yourself. The mock-up now had pride of place in the Commercial Shop window. Take a look and let me know what you think.

THANKS A MILLION

It's the time of year when I feel duty bound to thank the players for their support over the past 12 months.

Throughout 1991 the lads have been magnificent, attending various charity functions on behalf of both ourselves and Shipstones, our major sponsors.

Just recently Darren Wassall and Lee Glover attended events at the 'Sherwood Inn' in Rainworth and Clifton's 'Man of Trent' — in support of the annual Shipstones Charity Appeal.

I'd like to thank them and the rest of the lads for their assistance. You're all a great credit to the club.

OUT NOW . . .

. . . that's 'Forester II', the second of the five video magazines we're producing this season.

Packed with match-action and star interviews, it makes great entertainment and is a must for any Forest fan.

Why not treat yourself to a New Year present. They are available in the new Commercial Shop (which is situated just outside the main gates at the City Ground), priced £11.99.

THANKS AGAIN

While I'm on the subject of the Commercial Shop, I'd just like to congratulate all the girls who work in the shop.

They deserve a medal for the job they've done in the build-up to Christmas because, quite simply, it was chaos.

Moving premises didn't help but the Commercial Shop this year seemed to be more popular than ever with Christmas shoppers.

Anyway, well done girls . . . just think there's only another 10 months or so before it all starts again. Now there's a sobering thought!

Win, lose or draw, we always look good.

This season Nottingham Forest will once again be kitted out by Umbro International.

COME ON YOU JUNIOR REDS

WITH
JANICE
TINKLEY

AND
FREDA
PARKER

Janice and Freda would like to wish all the Junior Reds, the manager, players and staff at the City Ground a happy and prosperous New Year.

They would also like to send a special New Year message to the 98 members who didn't receive a Junior Reds Christmas card.

Janice explains: "Each year we send Christmas cards to all the members but we miscalculated the number we required this year . . . and found we were 98 cards short!"

She adds: "We tried desperately to get some more printed but unfortunately we couldn't."

"So on behalf of both Freda and myself, I'd like to apologise to the unlucky 98, and wish them a belated Merry Christmas and a very Happy New Year.

HEANOR SUPPORT

The Heanor and District branch of our Supporters' Club sponsored the Junior Reds half-time prize draw during our recent Rumbelows League Cup game against Southampton at the City Ground.

And their representative Kenneth Marriott is pictured with the lucky winners and Dale Wright, one of our YTS trainees.

The winners were (from left to right): Becka Patterson, 13, from Sandiacre, seven-year-old Terry Baker of Draycott and Paula Smith, who is 13 and lives in Balderton.

Pete Gough, a season ticket holder, has kindly agreed to sponsor today's half-time draw and Janice and Freda would like to thank him for his kind support.

LAST CHANCE

The annual Junior Reds pantomime — "Humpty Dumpty" — is just a couple of days away now so you'd better hurry up and buy your ticket if you haven't already.

They're on sale today and tomorrow in the Junior Reds office, priced £2.50 for members and £3 for adults.

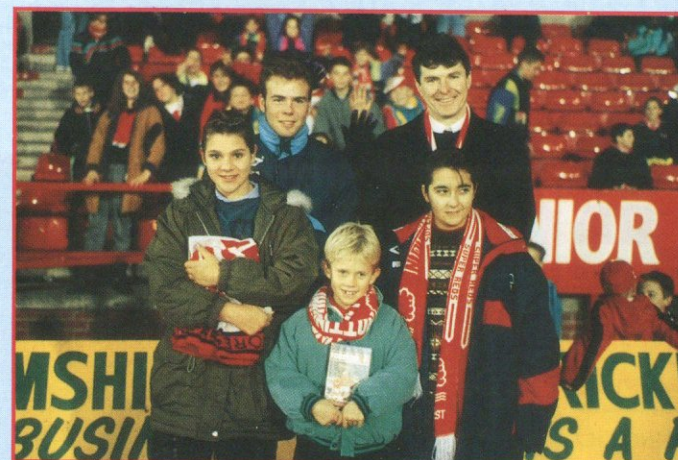

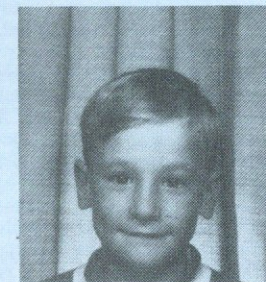

The Jubilee Centre at the City Ground will be the venue for the panto, which takes place on Friday, starting at 1.30 p.m.

TODAY'S MASCOT

Our first mascot of 1992 is eight-year-old Kirk Bramhall of Rossington Road, Sneinton in Nottingham.

Kirk attends Sneinton Church of England School and his hobbies include swimming, football and cycling.

His favourite Forest players are Stuart Pearce and Des Walker. Everyone at the City Ground hopes you have a super afternoon with us Kirk.

JUNIOR REDS
HOTLINE NUMBER
455206

ALPHABETICALLY RED

DAVID WILSON (Forward)

Born : Wolverhampton, 4.10.44.
Debut v. Fulham (h) 3-1, 6.10.62.
FL 9 (1), FAC 1.

Promising schoolboy signing, joined the Reds, signing professional in October, 1961.

He was a replacement for Frank Wignall on tour of USA and Canada in 1965, he has the distinction of being the first Forest sub to score, when replacing Alan Hinton v. West Ham (5-0) on 9.10.65.

Moving to Carlisle shortly afterwards for a small fee, he later appeared with Grimsby, Walsall, Burnley and Chesterfield with moderate success.

JOE WILSON (Full back)

Born : Workington, 6.7.37.
Debut v. W.B.A. (a) 2-2, 17.3.62.
FL 84 (1) FAC 7, CC 1.

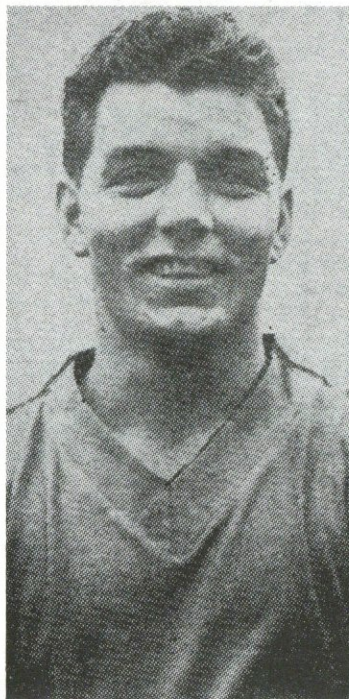

Joe began his playing days with home club Workington after working his way through the junior sides.

While with Workington appeared at times at centre forward where his tireless drive produced results. A tough uncompromising full back with the Reds he was a fearless sight with his short cropped crew cut hair.

A tremendously popular player while with Forest he scored his only goal at Stoke, winning the Reds a point in October, 1964.

Joined Wolves from the City Ground in March 1965, he had a short time with Newport before returning home to Workington for his final spell in league football.

In two spells at Borough Park he made almost 350 senior appearances.

TOMMY WILSON

TERRY WILSON (Midfield)

Born : Broxburn, 8.2.69.
Debut v. Southampton (h) 3-3, 2.9.87.

FL 99 (9), FAC 18 (2), FLC 13, FM 7, CC 2.

Exceptionally talented Scottish Under-21 international who progressed quickly after joining us as an apprentice.

First introduced into the left side of midfield as a replacement for David Campbell, he soon established himself during the 1988/89 campaign.

He underlined his value when he deputised for Colin Foster in central defence where his performances put him in contention for the PFA Young Player of the Year as he won league and Full Members cup medals.

Terry has struggled with injuries for long periods since but when fit will be regarded as an important member of the first team squad.

TOMMY WILSON (Centre forward)

Born : Bedlington, 15.9.30.
Debut v. Luton Town (h) 2-0, 6.10.51.
FL 191 (75), FAC 25 (13) C/S 1 (1).

Although a native of the North East, Tommy Wilson was spotted playing with Cinderhill Colliery from whom he joined the staff in 1951.

His first three seasons were spent leading the reserves in the Midland League as he honed his skills to perfection.

Established himself during the 1954-55 season, but the following year was a frustrating one as injury restricted him greatly.

The side was rebuilt and as Forest prepared for their final push back to the First Division, Tommy was back to his best as the Reds chased Leicester into Division One.

Missed only three games in the next two seasons, Tommy peaked during 1958-59 with 27 goals in 50 outings and the winning goal at Wembley.

1946 - 1990

Compiled by Neil Smith

The early sixties saw the arrival of Addison, Booth and Julians and with opportunities restricted, he moved on to Walsall where he spent two seasons. Tommy, a much feared and respected leader of the line, rates as one of the Reds finest home produced players.

JOHN WINFIELD (Full back)

Born : Draycott, 28.2.43.
Debut v. Blackpool (h) 3-4, 3.2.62.
FL 354 (4), FAC 32 (1), FLC 16, CC 12, Eu. 4.

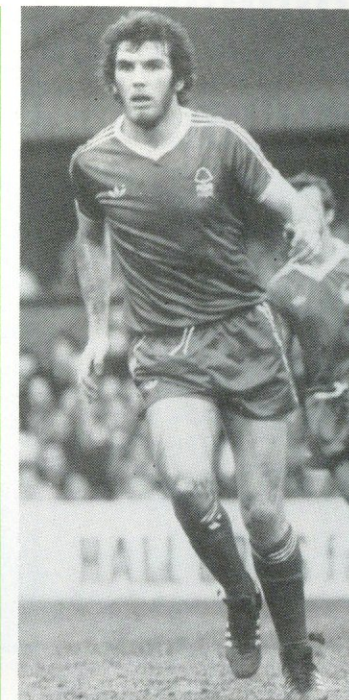

John Winfield represented Derbyshire schools prior to joining the Reds in 1958. Made fine progress and signed pro. in May 1960. Initially he began as a wing half where he made his early first team appearances, his first being a goalscoring one.

During Forest's then best ever season in Division One of 1966-67 John cemented his place in the side, forming one of the finest full back pairings for many seasons, alongside Peter Hindley.

Over the following five seasons he missed only four senior games. Solid and dependable, his trade mark was plain consistency during his days with Forest.

Played on to the end of the 1973-74 season when he was offered either a new contract or a free transfer.

Electing for the free, he joined Peterborough where he spent only one season before returning to Nottingham to enter business. Took a well earned testimonial against Leicester City.

PETER WITHE

PETER WITHE (Centre forward)

Born : Liverpool, 30.8.51.
Debut v. Carlisle United (h) 5-1, 23.9.76.
FL 75 (28), FAC 11 (3), FLC 8 (5), AS 4 (2), CC 2 (1), CS 1 (1).

Peter Withe began in the backwoods of the Football League with Southport and Barrow where his

impact was equal to the two clubs later progress in the Football League.

Deciding to try his luck in South Africa he joined Arcadia Shepherds and during a close season tour was spotted by Derek Dougan who recommended him to Wolves.

Peter made little impression at Molineux and moved on to Birmingham where Peter Taylor first took note of the robust frontman. Joining Forest his powerful foraging up front was a magnificent foil for Tony Woodcock and over two seasons the two players found the net 75 times.

He made his final appearance in the Garabaldi against Spurs at the City Ground in a game which saw Ardules and Villa make their football League debuts.

It was a sad sad day for Forest when Withe joined Newcastle where he spent a short period before joining Aston Villa. In five seasons at Villa Park, he won a second Division One Championship medal and a European Cup winners medal, scoring the winning goal against Bayern Munich in Rotterdam and was capped 11 times for England.

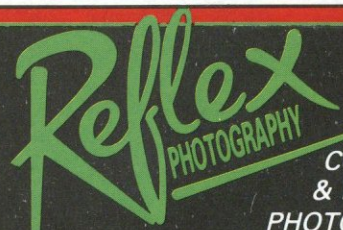

From Villa he joined Sheffield United before moving on to the management scene at Huddersfield Town.
