# MANAGERS NOTEBOOK

Good evening and welcome back to Home Park for this evening's visit of David Pleat and his Luton Town team.

Since my last notes we have had a fine win at Home Park against Bolton and two away draws at Burnley and tonight's opponents Luton.

It was nice to get a result at Kenilworth Road as it makes tonight's game even more interesting.

In both the away games we were good enough to have won but at the end of the day a draw was probably the right result on each occasion.

The pleasing thing this week was the return to action of Paul Dalton. Considering he hasn't played since the end of last season and he is only half fit and still missing a bit of sharpness his performance against Exeter was highly encouraging.

He scored a tremendous goal from a free-kick, hit the post with another fine effort and provided an accurate cross for Paul Adcock to head our first goal.

It will take a while for him to settle back in but it will be a big bonus for us when he is fit and with Steve Castle and Robbie Turner both coming into the picture at the same time at least the injury situation seems to be improving.

Perhaps when everyone is fit we might be able to get a more settled side but it will be at least three weeks before Turner or Castle can be considered fit.

Dave Regis's return from Bournemouth has created more competition for places. A temporary change of scenery sometimes works for players and in Dave's case it made him more confident and relaxed in himself and he now looks more like what you would expect him to and of course has scored three goals as well.

I hope that you, the supporter, are pleased with the type of football that we are playing and don't forget that your vocal support is vital to the side.

I would like to thank the supporters who went to Luton and Burnley and it seems strange that here I am requesting your vocal support but at Luton I was having a laugh with the supporters and asking them to keep the noise down.

The reason why was that early in the game I like to organise the defence and their vocal support was so loud I couldn't hear the players or them me.

The support was fantastic and it does help the players immensely.

Please keep it going and enjoy the game.

Luton Town were formed in 1885 by amalgamating Luton Excelsior and Luton Wanderers as an amateur organisation. Both these parents clubs had gained some repute, for the Wanderers had already entered the F.A. Cup competition, and drawn a match against the famous Old Etonians.

After a few years they became the first club in the South of England to pay its players and later joined the Southern League. Competition in this league was found to be too limited and in 1896 the club applied for admission to the Football League. They were unsuccessful, but two years later a further request met with success and they were elected to Division 2. They remained members of the league for three seasons before returning to Division One of the Southern League.

In 1920 when the Football League decided to form an extra division and they along with other members of the Southern League were invited to form Division 3. After a promising start, and overcoming several crisis including the loss of their grandstand by fire, the club made steady progress up the league table, and in 1937 won the Division 3 (S) championship. Their career in Division 2 was without any special note until 1955 when they finished in second position, and secured promotion to the 1st Division.

In 1959 they appeared for the first, and only time, in a F.A. Cup Final at Wembley, playing against Nottingham Forest. An early injury to Roy Dwight, who suffered a broken leg, saw the ten men put up a brave fight before losing by 2-1.

The following season saw the club go into decline with relegation to Division 2, followed during the next five seasons with relegation to Division 4.

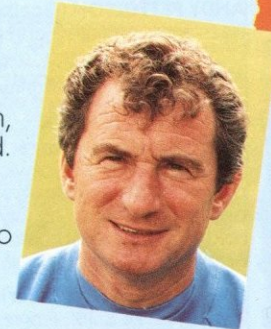

Their climb back up the divisional ladder began in 1968 and six seasons later they regained their position in the top flight. Relegation and promotion were to follow during the next eight seasons and in 1988 the club appeared once again in a final at Wembley, defeating Arsenal in a thrilling encounter 3-2 to win the Littlewoods Cup.

The following season they were back at Wembley to defend the trophy but were defeated by Nottingham Forest. Last season saw the club relegated to the new First Division, and the departure of some top class players could make their task of a quick return a little harder to accomplish.

During season 1936 in a fixture against Bristol Rovers the clubs centre forward, Joe Payne scored ten goals in a 12-0 victory, establishing a club and national record never likely to be equalled.

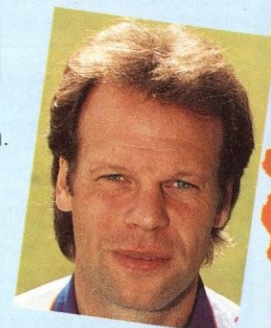

## DAVID PLEAT

The start of the present season saw him make his league debut playing against Leicester City and he has kept hold of the first team goalkeeping spot. An Australia Youth International.

**JULIAN JAMES (Defender).** Born Tring, March 22nd 1970. Ht 5' 10". Progressed through the junior ranks at Kenilworth Road and made his debut in the First Division four seasons ago. **PAUL TELFER (Midfield).** Born Edinburgh. October 21st, 1971. Ht 5' 9". Another product to emerge from the club's junior ranks, making his debut as a substitute at Goodison Park, Everton towards the end of season 1990/1. **KURT NOGAN (Forward).** Born Cardiff. September 9th, 1970. Ht 5' 10". A Welsh Under-21 International who is the brother of Lee, who plays for Watford. Luton's last visit to Home Park in 1976 showed them in a position very similar to the present. Relegated from Division 1 two seasons previous, the club were looking to improve on their seventh position in Division 2 the previous season. Argyle were finding the early stages of the season 1976/7 rather unprofitable with only one win to their credit prior to this game. The early stages of the match saw both defenses well in command with the home sides main threat coming from the wings, with Brian Hall providing some fine runs. Midway through the half Argyle were awarded a penalty which was converted by Brian Johnson - a lead they held up to the interval. Luton made some concentrated attacks during the second period with Ron Fletcher and Lou Fuccillo combining well, ably supported by Jimmy Husband, and only resolute defence by Delve, Sutton and Green kept the visitors from scoring the all-important equalising goal. Sadly the season's end saw Argyle fall into Division 3 whilst Luton finished in sixth position, one place better than the previous season.

COCA-COLA ACTION

**ARGYLE RES 2, BIRMINGHAM CITY RES 1**

This match went wild in a two minute spell early in the second half when all three goals were scored and Martin Barlow's winner was a goal worthy of winning any game.

Argyle took the lead in the 57th minute when Michael Evans sweetly struck lob put Paul Adcock in possession eight yards from goal and he swept the ball past City 'keeper Martin Thomas.

As the fans were celebrating the goal Simon Sturridge played a neat one-two with Mark Cooper and dummied Ryan Draper before hitting the ball into the unguarded net.

City immediately substituted Sturridge but before he was able to sit down Adcock had forced his way to the bye-line and pulled back the perfect ball for Barlow to hit the sweetest of volley's past Thomas from 12 yards.

Although both sides had chances to score, in what was a thoroughly entertaining and open game, the score remained at 2-1.

**Argyle:** Draper, Hodges, Spearing, Burrows, Davey, Barlow, Adcock (S Jones 69), Garner, Evans, Boardman, Fiore. Sub not used: Twiddy.

**Birmingham:** Thomas, Scott, Adams, Peer, Morley, Potter, P. Jones, Sturridge (Robinson 58), O'Neil, Cooper (Fox 69), Hogan.

**Goals - Argyle:** Adcock (57), Barlow (59). **Birmingham** - Sturridge (58).

**YEOVIL TOWN RES 2, ARGYLE RES 1**

Argyle reserves were left to reflect on the many opportunities they spurned in this Football Combination Division Two league match at Yeovil.

Within 25 minutes of the start they had found themselves two goals down and although Argyle pulled a goal back through Steve Jones they couldn't find the back of the net again.

**Argyle:** Newland, S Jones, Hodges, Fiore, Alberty, Davey, J Morgan (Sullivan), Garner, Evans, Boardman, Twiddy. Sub not used: Crocker.

**FULHAM 3 ARGYLE 1****Saturday 19th September 1992**

Argyle's hopes of an improvement in their away form were dashed in the 35th minute when full back Gary Poole was sent off for an innocuous foul after previously being booked for a similarly minor offense.

Until then Argyle had looked composed and appeared to have a good chance of pulling off their first away win of the season with Dave Regis showing a few encouraging touches in attack.

Teenager Marc Edworthy had another good game at central defence where he was partnered by skipper Nicky Marker, deputising for the injured Andy Morrison.

But the loss of Poole forced a re-shuffle with Steve McCall switching from midfield to take over at right back.

Argyle held out until the interval, but Fulham cashed in after the break with Gary Brazil opening the scoring with a low angled shot in the 48th minute.

Central defender Gavin Nebbeling added the second in the 65th minute and Brazil was on target again 10 minutes later. Only some good goalkeeping by Peter Shilton, who was 43 the previous day, prevented Fulham from taking an ever bigger lead.

Substitute Dwight Marshall replaced Regis at the interval and had an impressive second half with a few lively runs on the right which resulted in the opening for Argyle's late consolation goal.

Marshall turned the ball in from the right and Paul Adcock celebrated his first starting appearance of the season by forcing the ball home at close range seven minutes from the end.

**Fulham:** Stannard, Morgan, Pike, Ferney, Nebbeling, Thomas, Hails, Marshall, Farrell, Brazil, Kelly (M). Subs not used: Baah, Onwere.

**Argyle:** Shilton, Poole, Morgan, Edworthy, Marker, McCall, Skinner (Barlow, 79), Adcock, Nugent, Regis (Marshall, ht), Joyce.

**LUTON 2, ARGYLE 2****Wednesday 23rd September 1992**

Argyle set up an exciting deciding leg in the second round of the Coca-Cola League Cup with a well deserved draw in the first leg at Luton.

It looked ominous for Argyle when Luton raced into a 10th minute lead, but Argyle came back strongly thanks to the powerful finishing of the rejuvenated Dave Regis and went close to snatching an advantage to bring back to Home Park.

Steve Claridge headed Luton in front when he cashed in on some slack marking but Argyle settled well after this early setback.

Gary Poole, taking over the captaincy from Nicky Marker, linked well with Craig Skinner, who had an impressive game on his first appearance since joining Argyle permanently as part of the Marker deal. Argyle also had Keith Hill taking the eye with a composed performance at the heart of defence after being signed from Blackburn the previous day.

But it was Regis who emerged as the unlikely hero with two vital second half goals. He equalised in the 50th minute when he shot past goalkeeper Andy Petterson after running onto a through ball from attack-minded midfielder Warren Joyce.

Kevin Nugent, showing signs of striking a useful partnership with Regis, nearly scored in the 70th minute with an angled shot which Petterson was unable to hold and Regis was alert to follow up and force the ball home.

Claridge equalised five minutes later but Argyle can be pleased at finishing the away leg on level terms with a couple of away goals in the bag.

**Luton:** Petterson, Linton, James, Salton, Peake (Rees, 68), Johnson (Campbell, 60), Claridge, Kamara, Gray, Preece, Oakes.

**Argyle:** Shilton, Poole, Morgan, Hill, Morrison, Edworthy, Skinner, Joyce, Nugent, Regis, McCall. Subs not used: Adcock, Barlow.

**Goals:** Luton - Claridge (10, 75).

COCA-COLA ACTION

As we expected over 1,000 supporters were present at Craven Cottage Fulham. What a pity that the carnival atmosphere was spoilt once again by an inconsistent referee. From what I have witnessed this season every referee seems to have his own rules. Just one day after the Hull City match we witnessed a deliberate foul by Southall for Everton against Manchester United on match of the day. Sent off? Not likely, not even a booking. The same could be said at Fulham, what with so many away matches the away support has been exceptionally good this season and no doubt will grow as the season progresses. Although only one coach travelled to Burnley on Tuesday, there were 3 coaches at Preston.

The next away match is at Port Vale. This is surely one place our supporters never look forward to visiting. Lets just hope we are not treated as badly as we were last season.

## KEITH ALLEN

Born Isle of Wight, November 9th, 1943. Keith began his football with Ryde, on the Isle of Wight, and played for Hampshire and England Grammar Schools before being approached by Portsmouth.

He joined Pompey in 1962 but failed to make the first team in his 18 months at Fratton Park and eventually transferred to Grimsby. He only spent one season at Blundell Park before moving to Stockport County for whom he made 49 appearances, scoring 16 goals.

Luton Town noted his progress and a move to Kenilworth Road followed next.

Keith was to make over 100 appearances for the Hatters and was an ever-present in their promotion side of 1969/70.

In 1970 he was enticed to Home Park by Ellis Stuttard, costing Argyle a £10,000 fee.

He made his debut against Tranmere Rovers on the first day of the season and only missed one game that season. He

played a total of 78, plus 5 substitute, League and Cup appearances for the Pilgrims scoring 10 goals before he retired from the game.

Keith spent the next five years working for Gibbs, as a sales representative, selling toiletries and a further five years with Wadham Stringer and today he is the manager at A1 Carpets.

Keith's attentions turned to his other love - cricket - and he and Jim Furnell were often in the local news for their exploits with Roborough before Keith joined

Plymouth, for whom he still plays, 18 years later.

Keith is married to Lynn and they have one married daughter, Samantha. Keith is accompanied today by Mr. Leslie Sleep who is 80 years old and has supported Argyle for an incredible 71 years.

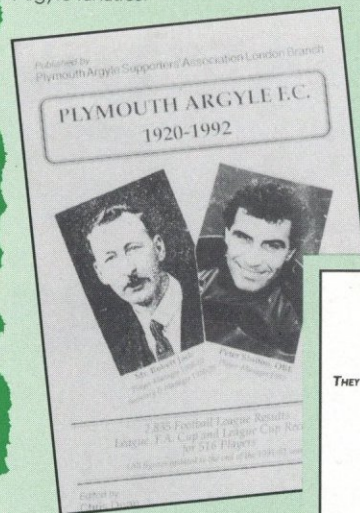

*The small picture top right shows Keith with his wife Lynn and daughter Samantha on her wedding day.*

The Plymouth Argyle Supporters Association London Branch have once again come up trumps with two new publications which are packed full of interesting information and are a must for all Argyle fanatics.

Both these publications are on sale in the club shop priced £1.50 for Plymouth Argyle FC 1920-1992 and £2.00 for the Travel Guide.

The first is a 40-page book which brings Brian Knight's excellent 1989 effort up to date and must have taken many hours of research by these dedicated supporters.

The second is a Travel Guide of all the grounds that Argyle will visit this season and includes maps of the towns showing the train stations and football grounds as well as a public house designated as a meeting place.

PASALB are to be congratulated on both publications which make excellent reading for all us Argyle Nuts!

## IN FOCUS

Alan Walker's parting gift to Argyle was the equalising goal at Home Park against Stoke City.

Top: Shows the moment of impact.

Centre: Walker jumps for joy as the ball hits the back of the net.

Bottom: Steve McCall and Kevin Nugent join in the celebrations.

## IN FOCUS

Top: Craig Skinner shows his determination to get to the ball first despite the attentions of Stoke defender Vince Overson.

Middle: What's it like to be popular you may ask Kevin Nugent as he commands the attention of nearly all the Stoke defence.

Bottom: Craig Skinner makes sure that Graham Harbey can't block Nicky Marker's route to goal, but unfortunately Ronnie Sinclair saved this particular effort.

# FAREWELL NICKY

Nicky was born in Budleigh Salterton May 3rd, 1965. While completing his education at Exmouth Comprehensive School he joined Budleigh Salterton Football Club playing in the Exeter and District League. In 1978 at the age of 13 years he was invited to St James' Park, Exeter for trials and on completion was immediately signed by the club on schoolboy forms.

At 15 years of age he was playing for Exeter City reserves and the following season, whilst still an apprentice, he became a first team member. He developed as a strong centre-half with the club, but always retained his attacking tendencies, and during his stay at St James' Park he wore a number of different shirts, but always displayed his best qualities playing in defence with strength in the air and on the ground.

When brought to Home Park, by Manager Dave Smith, he was wearing the number four shirt at Exeter but since has been wearing various numbers but always performing with vigour.

This season has once again seen him display his versatility when he took over the goalkeeping responsibilities at Boothferry Park, Hull.

He made his league debut for Exeter City against Burnley in October, 1981 and completed 196 league appearances and six substitute appearances, plus 19 appearances in cup competitions.

During the 1989/90 season he took over the captaincy at Home Park from Tommy Tynan and was voted Player of the Year by the club supporters.

He made his Argyle debut in a 1-1 draw at the County Ground, Swindon.

One outstanding memory for Nicky in his footballing career was marking Ian Rush in a League Cup game in 1981.

Married to Liz they have a baby daughter, Gemma, and are happily settled on the outskirts of Plymouth.

## A TRIBUTE TO NICKY MARKER

Since this article was written, Nicky has figured in Plymouth Argyle's record transfer with a move to Premier Club Blackburn Rovers.

I am sure everyone would like to wish him and his family every success in their move, and that he will soon be making his mark in one of the leading clubs in the country at present.

Having played all his early football in the lower leagues since the start of his career he thoroughly deserves the opportunity to play in the top flight of the Football League.

During his years at Argyle he has proved to be a good ambassador both on and off the field of play, with his quiet approach to all situations.

Good luck Nicky and take all our best wishes from the Westcountry to Ewood Park with you.

FRED LEE

The first picture on the gallery this week is rather a poignant one, it shows Nicky Marker receiving his man of the match award from Paul Shewbrook, sales director for the Plumb Center who sponsored the Plymouth Argyle - Leyton Orient game which ended in a two - nil victory for the Greens. Obviously, this will almost certainly be the last time that Nicky will win a

man of the match award for Plymouth Argyle football club and I know I speak on behalf of all Plymouth Argyle supporters when I sincerely wish Nick every success in his future career with Blackburn Rovers.

The club obviously goes on and our second photo shows the spirit of friendship that prevails in football. Steve Rogers is looking after the mascots for me this season and I think the photo shows what a good job he's doing. I don't know the names of the children in the picture but I just thought it made a super photo and I think it augurs well for the future when we have such spirit in the club.

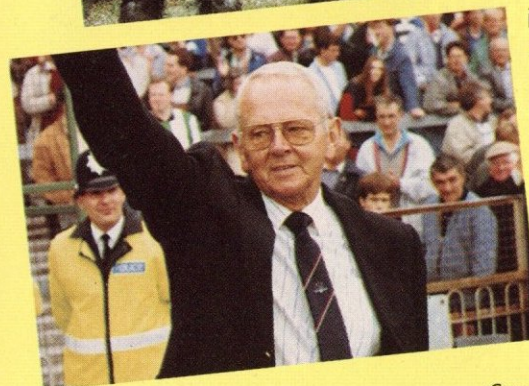

Our final photo on the gallery this week is of young Gordon Astall, Gordon was the feature player in memory lane in the Stoke City programme and joined us in the Directors Box to watch his former club in action. During an illustrious career with Plymouth Argyle Gordon made one hundred and ninety four league and cup appearances and scored forty three goals and we were all genuinely impressed with his friendliness and his general sprightliness.

Good luck to you Gordon from all your friends at Home Park.

Best wishes.

RAY BOND

## SECOND DIVISION RULES "O.K."

Second division sides gave a good account of themselves in the first leg of the Coca-Cola Cup Second Round last week with several sides in with a good chance of progressing to the next round.

Best result perhaps was at the Goldstone Ground where Brighton held Manchester United to a one all draw. The attendance of 16,649 will have assisted the cash struck south coast side who will be hoping for a sizeable gate at Old Trafford in the second leg. The Seagulls will be disappointed at slipping up at home on Saturday to Reading who stole all three points in a 1-0 win. Huddersfield Town, bottom of the second division can also feel pleased by holding big spending Blackburn Rovers to a one all draw at Leeds Road in front of another good gate of 11,071. Speedy winger Iffy Onuora gave the Tigers a second half lead before the prolific Alan Shearer equalised for the visitors with only five minutes to go to prevent a real upset.

## PULIS CONFIDENT

Huddersfield gained only their fourth point of the season on Saturday at Bournemouth. Cherries manager Tony Pullis believes that his side is not far short of being able to challenge for a promotion spot, especially when the injury list at Dean Court clears up "There is certainly no shortage of hard work and determination but we are simply lacking a bit of luck, a little steadiness in front of goal and perhaps a bit of guile. In this division a lot of teams go away from home and sit back, soak up the pressure and aim to get a point. Against that sort of opposition players

have to be patient and keep chipping away when the tendency is to get over excited and almost try too hard". Striker Dave Regis, who was on loan at Dean Court has returned to Plymouth and has scored three goals in four appearances to replace star man Dwight Marshall who has started the season with a lean spell.

## DISAPPOINTING CROWDS

Fulham manager Don MacKay has defended a recent statement he made to the press regarding the level of support gained at The Cottage this season. MacKay made his position clear "I have been quoted in many newspapers as saying how disappointed I am at the crowds we are getting at Craven Cottage. We can survive on these sort of gates but I am going to sell our best players in order to balance the books. Additional funds could help me to change particular situations around the club that need changing. "Fulham's average gate this season is 5623.

## BAGGIES SET TO CLIMB

West Brom continued their excellent start to the season with a 2-0 win over Exeter at the Hawthorns last week. Albion keeper Stuart Naylor believes that it will be increasingly difficult for the Baggies as the season progresses "For many of our rivals coming to the Hawthorns is their Cup Fina, because of this we have to ensure that we become a feared side that nobody fancies playing. We have Premier League qualifications off the field and now we've got to produce the same effect on it".

Dear Mike,

Congratulations on this season's programme, it's a tremendous improvement on recent seasons.

There is actually some reading material plus some good statistical information which makes it worth buying.

I am a keen collector of Plymouth home and away programmes and need the following from the 1945-46 season:

Plymouth home versus Luton Town, Leicester City and Wolverhampton Wanderers.

I am willing to pay good prices to obtain these programmes.

Please contact Paul Truscott, 12 Chelson Gardens, Mainstone, Plymouth PL6 8SA. Telephone 0752 787837.

I am also interested in any other Plymouth Argyle home or away. Could you please put this request in the Janner's Postbag section of the programme.

Yours sincerely,

Paul Truscott.

Supporters,

On Wednesday, September 23rd I was lucky enough to be able to take my wife on the supporters coach up to Luton for the second round, first leg Coca-Cola cup-tie.

I said lucky because the whole day was thoroughly enjoyable and I feel that the 600+ Argyle supporters who made that journey deserve a pat on the back for their exemplary behaviour.

There wasn't one single incident of bad language or misbehaviour and their support of the team was first-class and at times deafening.

This was my wife's first away trip and she thoroughly enjoyed herself and is now constantly inquiring when we are going on the next one. To make the day complete Argyle secured a 2-2 draw with Dave Regis and Craig Skinner constantly causing the Luton defence trouble.

It was also nice to see Steve Castle attend the match and take a seat in the middle of all the Argyle fans behind the goal. At half-time he took the time to talk to the fans and it was much appreciated by everybody and speaks volumes for the player and his attitude during what must be a frustrating time for him.

The only mishap of the evening occurred when Dave Regis scored his first goal and I trod on the cup of coffee that Noddy brought me at half-time.

One last mention must go to the organisers of the club coach trips whose efforts to make everything run smoothly are often taken for granted and go unrecognised.

Thank you for an excellent but tiring day out.

Mike Sampson. Programme Editor.

### The Football Programme Directory

Dear Club Secretary,

#### The annual South-West Football Programme Fair

Last year you were kind enough to publicise the above annual event for us in your match day programme which we very much appreciated, and we will again be most grateful if you could do the same for us this season.

The 7th annual SOUTH-WEST Football Programme Fair will be held in The Far Post Club, Plymouth A.F.C., Home Park, Plymouth, on SUNDAY 25th OCTOBER 1992, from 11am to 2.30pm.

Last year when you published the details you were kind enough to send us copies of the programme(s) containing the details and if you will please do so again this year and send us the appropriate programme(s), we will give you a mention in the F.P.D., and send you a copy of that issue of our magazine containing the editorial and also give your programme a nice write-up.

Also, if you are able to attend the Programme Fair on the day mentioned, we shall look forward to having the pleasure of meeting you.

Thanking you once again for your kind and grateful help which is very much appreciated.

Yours sincerely

David Stacey. The Editor

As sure as taking it there yourself.

Welcome to all supporters for tonight's match v Luton Town. The match sponsors for tonight's game are Plymouth based **United Parcel Services** who are an International company who deliver to 180 countries world wide. They are new sponsors to Plymouth Argyle so they are especially welcome and I thank **Denis O'Sullivan**, the Centre Manager and **Neil Foster**, the Sales Executive for their support. This evening's match ball sponsors are **Burger King**, who are responsible for me having to lose two stone in weight, which I have successfully done and I still suffer from withdrawal systems for a burger, but never mind! The manager of our local Burger King, **Geoff Brenton** is here tonight and will be presenting a match ball to the referee shortly before the kick off.

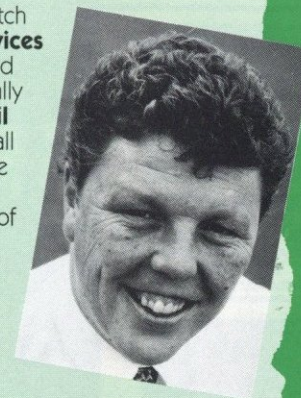

Two weeks today we have our race night at the **Moat House** which always proves to be a most enjoyable evening. The evening will consist of filmed horse racing and a four course meal in good company and the tickets are only £15.00, so if you are interested contact me in the Commercial Department.

The firework display this year is on (surprise, surprise), November 5th and we have invested £3,500 in fireworks, that's £1,000 more than last year and you all know how well last year's event went. Tickets this year are £2.00 each for both adults and children, so a family of four can see a first class firework display for only £8.00. Due to the success of last year's event we will be opening the gates earlier this year and there will be entertainment before the fireworks display which will start at 8.00pm.

At the time of writing we still have one game available for match day sponsorship which is Swansea City on Saturday March 20th 1993. It's category is a bronze game and therefore it is quite a reasonably priced sponsorship. As a match day sponsor you will receive exclusive use of the Chisholm Lounge for you and your twenty two guests, the price includes a buffet and there is a private bar in the lounge and you will receive tours of the dressing room, the tunnel, the pitch and you will be visited by members of the management and also by your man of the match which you will select. It is a superb day out at a very reasonable price, so if you are interested in the match day sponsorship of the Swansea City game then contact me on Plymouth 569597.

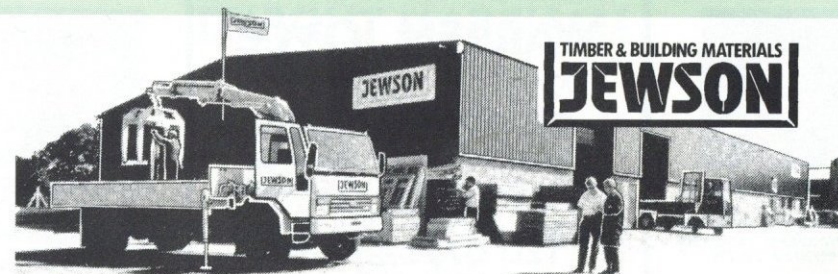

Finally, the shop is at present being refurbished and when it is finished it would be a good time for you to take a visit. We have made some major alterations which have given the shop a 90's look and we have updated our stock so there is no better time to visit the shop. See you there.

Best wishes,  
**RAY BOND**,  
Commercial Manager.

### 5 YEARS AGO 1987-88

After two consecutive heavy defeats Argyle could have expected to get back into the groove when they visited Peterborough in the 1st Leg of the 2nd Round of the League Cup but they were comprehensively beaten 4-1 at London Road with Tommy Tynan scoring their solitary goal. A return to Home Park and another Tynan goal brought a 1-1 draw against Birmingham City for whom a Gerry McElhinney own goal brought them a fortunate equaliser.

### 10 YEARS AGO 1982-83

Argyle hit a disastrous spell of four defeats in 19 days without scoring one goal. Bristol Rovers came to Home Park and won 4-0, quickly followed by defeats at Wigan (3-0) and Bradford City (0-4) before returning to Home Park where a paltry crowd of 2,921 saw Lincoln City win 2-0.

### 20 YEARS AGO 1972-73

Argyle's fifth successive defeat, 0-3 at Charlton, put them joint bottom of the Third Division and this disastrous run was halted three days later when Jimmy Hinch's goal at Scunthorpe gave the 'Gyles a 1-1 draw.

But the damage had been done and Ellis Stuttart agreed to revert to the position of chief scout to make way for the appointment of Tony Waiters as Argyle manager.

## Helping the most important people in football

Football is much more than a game of 90 minutes. Every day clubs throughout Britain are providing recreational and sporting opportunities for their local communities.

Much of this has been achieved with the help of the Football Trust. As part of its commitment to Football, The Trust has granted £4M to set up the National Football and Community Development Scheme.

Bringing club and community together, Trust-backed initiatives have provided a variety of local amenities, including:

- Artificial pitches for local teams
- Coaching for youngsters
- Support for women's football
- Facilities for people with disabilities
