**Manager's Notes**

**RUSSELL OSMAN**

Good afternoon to you all. May I firstly extend a welcome to Luton Town who we play for the fourth time this season. Today's game is a vital one for both sides and there is a lot to play for.

At West Ham on Wednesday evening, I was very pleased with the performance as far as application and effort was concerned. The lads gave 100% throughout.

Unfortunately, a couple of injuries by half-time meant that we had to reshuffle the pack. That did not help our cause at a time when I would like to achieve stability and develop a settled side.

It was also good to see so many supporters at Upton Park. Their presence and support was much appreciated by the players and myself. I hope they enjoyed the effort and commitment shown.

If players and supporters can show that commitment to the end of the season then we can finish the campaign in a respectable position.

Please get behind the lads even when things may not be going our way. One thing is certain, we will not fail through lack of effort.

With the Derby game postponed on February 13th because of their involvement in the FA Cup, this is our last home game for five weeks. It would be great to go into a tough programme away from home in that period with three points under our belts.

Hopefully, we can do it on the field but by making yourselves heard, you can back us up.

Enjoy the game.

Middle Row L-R: John Moore (First Team Coach), Julian James, Paul Telfer, Tim Allpress, Kurt Nogan (No longer with club), Richard Harvey, Trevor Peake, Brian Owen (Physiotherapist - now Cambridge United).

Front Row L-R: Steve Claridge (now Cambridge United), David Preece, Phil Gray, David Pleat (Manager), Ceri Hughes, Jason Rees, Scott Oakes.

**D**espite this being the fourth meeting of the two sides this season, this afternoon's game is the first at Ashton Gate.

Certainly the two sides have got to know each other pretty well after meeting in the League, the Anglo-Italian Cup and most recently the FA Cup. So far, honours are even as regards the results with City winning the League encounter 3 - 0, drawing 1 - 1 in the Anglo-Italian Cup with Luton delivering a 2 - 0 Third Round FA Cup knock-out blow eleven days ago.

Manager David Pleat, now in his second spell in charge at the club,

had to make many changes last season, experienced players having to be sold to raise capital as financial pressures mounted.

As a result, this campaign began with seven of the starting line-up being players of 22 years of age and under. With any young side, it takes time to forge relationships and team understanding. The experience of David Preece and Trevor Peake has helped to bring on the youngsters and until last Saturday when they were thrashed 5 - 1 at home by Derby County in the FA Cup, recent results suggested that there is more belief in the young team.

That belief is going to be important

in the weeks ahead if Luton are to avoid a second successive relegation. In addition, survival could also depend on an improvement in their home form.

The Hatters have won only one of their first eleven home League games and have managed only twelve goals at Kenilworth Road in those games.

Today's game is of vital importance to both clubs in their bid for First Division survival. Following their 3 - 0 win at Kenilworth Road in August, City will be looking for their first 'League Double' of the season but they know that the visitors will make it difficult for them this afternoon.

Let us take a look at the Luton squad:

The goalkeeping duties have been shared this season. Twenty year old **Andy Petterson** started the campaign as first choice. Andy originally came to the club on trial from the Australian Institute of Sport, and was offered a contract four seasons ago. An Australian Youth international, he has now lost out to the more experienced **Alec Chamberlain**.

He spent the early part of this season on loan at Chelsea but until that time had been first choice at Kenilworth Road since his transfer from Everton for a fee of £150,000 in July 1988.

At full-back, **Julian James** has played on the left side. He joined the club as a trainee and was introduced to First Division football four years ago. An England Under 21 international, he lost his place at the start of the season and was loaned to Preston. He soon re-established himself on his return and has captained the side when **Trevor Peake** has been absent.

**Manager David Pleat**

Peake started his career at Lincoln in 1979 before moving to Coventry four years later. He had eight full seasons at Highfield Road and won an FA Cup Winners' medal in 1987. He was signed by Luton in August 1991 for £100,000 and has been the kingpin of the defence.

He had worked up an understanding with young **Darren Salton** at the

heart of the defence but sadly the 20 year old Scott who was capped by his country at Under 21 level was badly injured in a car accident.

Former Oxford defender **John Dreyer** has been a regular at Luton since his £140,000 transfer from the Manor Ground in 1988. John can play at the heart of the defence or at full-back and has been an ever-present for the past three seasons.

Like Dreyer, **Marvin Johnson** is another player who can play anywhere across the back line. He made his League debut almost five years ago and established himself as a regular until last season when he ruptured an achilles tendon. Happily he is now back in the squad.

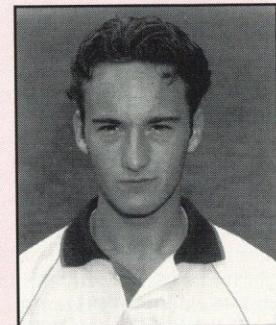

Former England Youth international **Richard Harvey** was a regular at left-back last season but was unable to force himself into the side this term, having a spell on loan at Blackpool in November.

In midfield, the experienced **David Preece** is a most important player. He's been at Kenilworth Road for eight years and played in both League Cup Finals for the Hatters. An England 'B' international, he is likely to be joined in midfield by youngsters **Jason Rees** and **Ceri Hughes**.

Both Welshmen, they have both represented their country at Under 21 level and Hughes has also won a full cap. Ex-trainee Jason has been a regular this season while Ceri has had to battle against injury. Indeed, he saw last season and the early part of this wrecked by a series of long injuries. Tipped as having a very bright future in the game, Ceri will be hoping to steer clear of any more bad luck.

Two other youngsters **Scott Oakes** and **Paul Telfer** are also in contention for places. Oakes, Our 'One to Watch' came from Leicester City and operates down the right. He, too, has had injury problems which have restricted his appearances while Telfer, a Scot, is a former trainee who made his debut two seasons ago. Another right sided player he is also fit again after

**One to watch**  
**SCOTT OAKES**

Leicester-born, Scott began his career with his home town club. He developed in the junior teams at Filbert Street and made his debut for The Foxes in 1990.

It was in October 1991 that he joined Luton along with Des Linton and quickly got an opportunity in the Hatters' first team.

Twenty year old, Scott has a lot of pace and his good control makes him a threat to most First Division defences.

Last season, despite Luton's struggles in the top flight, he made an impressive impact on the right wing and his exciting wing play made him a firm favourite with the fans.

Injury ruled him out of the final stages of last season, and on occasions this season, he has been on the bench.

A provider rather than a goalscorer, Scott could have an important part to play for the remainder of this season as Luton fight for First Division survival.

# AT THE GATE TODAY

## Our Opponents Today - The Hatters

the Luton injury jinx ruled him out at the end of last season.

Eighteen year old **Aaron Skelton** has made tremendous strides in the past year and has been drafted into the first team squad on several occasions this season, making his debut in November after only two reserve team outings.

Goals have not been exactly plentiful but **Philip Gray** has hit a goalscoring purple patch which brought him a recall to the Northern Ireland team last November. A former Tottenham junior, he joined Luton for £275,000 in August 1991.

Latest signing, **Ian Benjamin** has served nine clubs. He came to the club in November from Southend United for a fee set by tribunal. In recent weeks he's been on the substitute's bench.

Another product of the club's successful youth set-up, **Martin Williams** has showed that he can score goals at reserve team level and is pressing for inclusion, while another former trainee **Jamie Campbell** has made his mark this season, scoring his first senior goal the opening day of the season.

## 10 YEARS ON ...

A series of articles by Peter Godsiff

"Five dramatic, tense matches in the 16 most gripping days I can recall over 30 years watching Bristol football" - that was how I described the Third Division play-offs in 1988. But before they started Joe Jordan was rewarded by being granted a two-year contract by a grateful and relieved Bristol City board. He earned his first crack of management because the team won seven and drew two of the eleven matches he was in charge of after the departure of Terry Cooper. Gracious Cooper, who became Exeter City's manager, said: "City wouldn't have done it had I remained in charge. Joe gave the players a lift and thoroughly deserves the job on a full-time basis, whatever happens in the play-offs."

City, as the team that scraped in as fifth team, were paired with Sheffield United, who finished third from bottom in the Second Division, for the semi-final.

The first match was at Ashton Gate on Sunday May 15th - and the fans rallied round. When the game started at 6pm, the attendance was 25,335. Alan Walsh, who finished the regular season as leading scorer with 12, netted the only goal of the game in the 43rd minute to give City an ideal start for the second leg at Bramall Lane the following Wednesday.

Peter Withe, United's veteran former England striker, spent several days in hospital in Bristol after suffering a fractured cheekbone in a collision with Glenn Humphries. Jordan took the City players to watch AC Milan beat Manchester United 3 - 2 in an exhibition match at Old Trafford the night before the game. City were forced to make a change as Steve Neville's hamstring injury finally let him down. Carl Shutt, formerly at Sheffield Wednesday, was drafted in - and shattered his home-town club by giving City the lead in the 17th minute.

His first goal since New Year's Day meant United had to score three times. They managed one with a looping header by Colin Morris over former United 'keeper Keith Waugh's head in the 47th minute. But City held out well.

"I've been excommunicated in my home town," said Shutt whose goal sentenced United to relegation. Walsall striker David Kelly scored twice in a 3 - 1 win at Notts County and a 1 - 1 draw at Fellows Park saw the Midlanders through to the final against City.

The first match was at Ashton Gate on May 25th when 25,128 supporters made it a festive occasion. But there had been a major row in the days leading up to the game.

Colin Gordon, whose four goals in 10 games had helped City reach the play-offs, had come to the end of his two-month loan from Reading, who were unwilling to extend his loan, demanding a £70,000 fee for his transfer.

City were reluctant to negotiate with Reading manager Ian Branfoot at that stage so a recovered Neville returned. Everything was going according to plan when a free kick by Walsh gave City a 38th minute lead. But the equaliser came in the 63rd minute when an Andy Llewellyn clearance struck Waugh and rebounded for an own goal.

In the 79th and 89th minutes Kelly, the Eire international being trailed by the big clubs, scored twice to make it 3 - 1 and leave Ashton Gate in a state of depression.

But Jordan refused to give up and, as a last resort, picked himself for the second leg - his first full game for five months.

He was inspirational and gave a man of the match display. Rob Newman headed in a Walsh corner after 30 minutes and Shutt scored the second in the 66th minute after approach play by Steve Galliers and Steve

### Disappointment

McClaren. The aggregate scores were level.

Steve Galliers and Steve McLaren

This meant a third match decider. A penalty shoot-out was held to decide whether City would return to Fellows Park on Monday, the May Bank Holiday, or host the game at Ashton Gate. Walsall won.

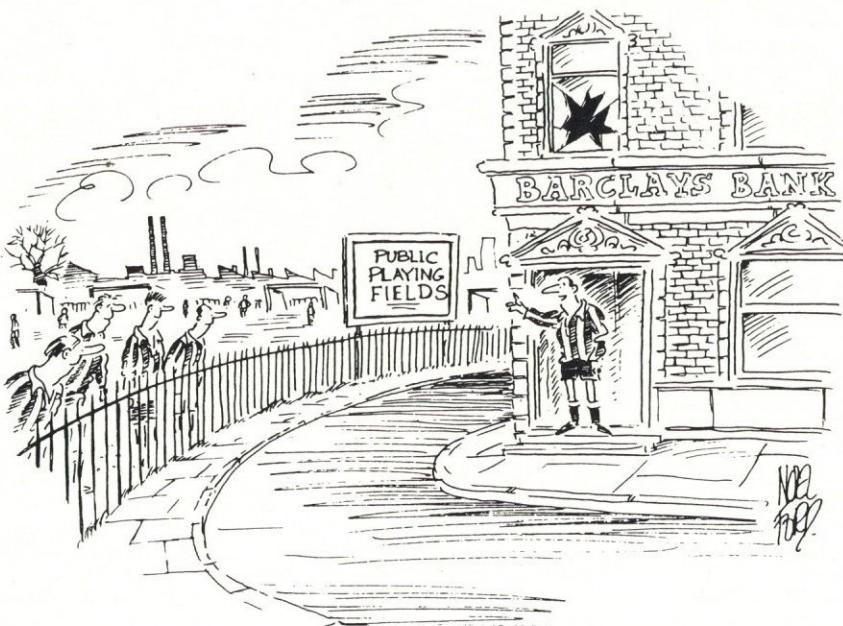

City's 4,000 ticket allocation was snapped up in minutes when they went on sale at Ashton Gate. There was tremendous optimism that City had finally got the measure of the Midlanders.

But City were handed their biggest shock of the season. Walsall's star man Kelly seized on a defensive misunderstanding to score in the 11th minute. He then struck again six minutes later.

When Phil Hawker headed in the third, City were vanquished after 19 sorry minutes. The rest of the game was academic and Kelly completed his hat-trick in the 63rd minute.

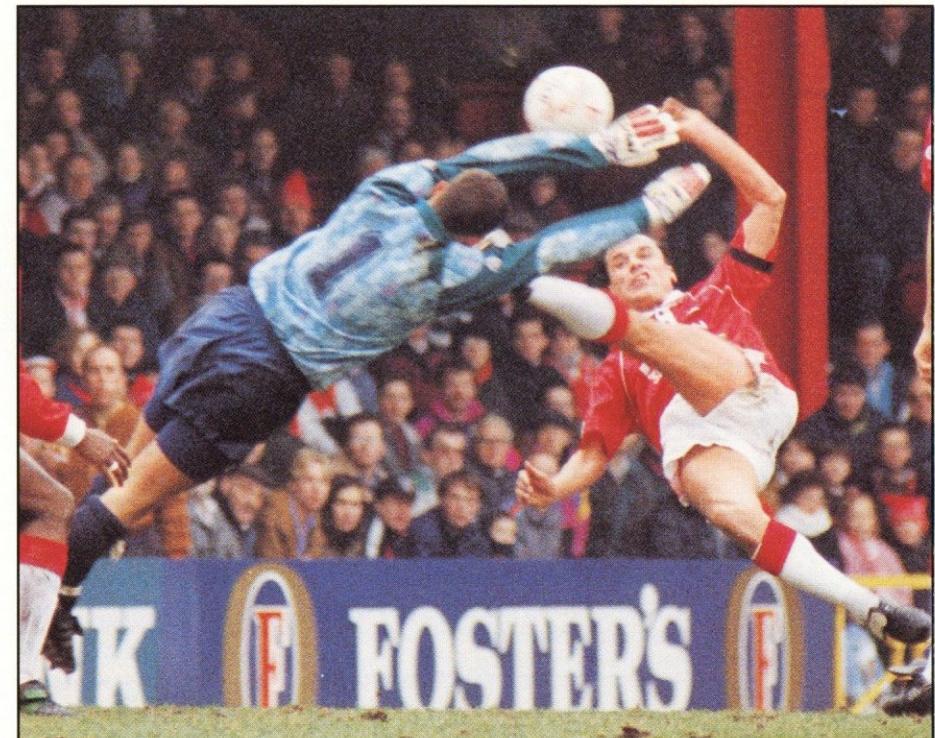

To make matters worse Shutt was sent off two minutes from time after fouling goalkeeper Fred Barber. It was City's heaviest defeat for almost three years.

"We paid for poor defending," said dejected Jordan. "It was a sickening way to end the season."

### GROUP VISITS TO ASHTON GATE.

Last month a group of youngsters from Filton Park School were shown around Ashton Gate, one of many parties who take advantage of our Ground Tours. The following letter was received from the School:

Filton Park School  
Charborough Road  
Filton  
Bristol

Dear Mr. Parker,

Just a short note to say thank you to you and all at Bristol City Football Club for allowing us to visit and showing us such hospitality and warmth when we were there.

The pupils who visited are special needs pupils who are in our school due to emotional or behavioural problems.

That being said, they thoroughly enjoyed the visit and have not stopped talking about it since. Your hospitality and friendliness brought smiles and happy memories to their erratic lifestyle.

We must also thank you for the 6 complimentary tickets which were sent to us. The pupils who attended the Peterborough match were in their element. If there were another opportunity to repeat this, could you please bear us in mind.

Thanks again and good luck to all at the club.

Yours sincerely,  
**P. C Absalom**  
on behalf of year 9.

### Senior Reds

At their monthly meeting ten days ago, Donnie Gillies was the guest speaker. All attending thoroughly enjoyed the talk and my thanks go to Donnie for coming along.

In addition to the monthly meetings, the Senior Reds will also be able to take advantage of other events being organised for them.

Richard and I are currently organising a trip to Wembley to have a tour of the famous old Stadium.

**Details of this trip can be obtained from Richard or myself on Bristol 664685.**

### New Coaching Centre Opens.

In my previous notes, I mentioned that we were hoping to open a Coaching Centre at Radstock, and I am pleased to say that my assistant Richard Wilson and I attended the opening night's session recently.

The Radstock Coaching Centre is based at Writhlington School and is run by Head Coach John Archer, a qualified football coach - and City supporter. He will be giving expert advice to fifteen youngsters on Friday evenings.

May I wish John success in this project.

### OBITUARY

It was with deep regret that we heard of the death of lifelong City supporter Ivor Mantell. Ivor was a member of the Supporters' Club Committee for several years.

### A Message to Supporters

## NEWS ... DESK

### A Message to our Supporters

The recent events at Ashton Gate have, I am sure, made some of our supporters question the wisdom of the Board.

No one enjoys the act of hiring and firing, and the decisions taken recently were not taken lightly. Many, many hours of debate and deliberation took place prior to the fateful decision being taken.

I know that criticism will be directed at the Board mainly due to the short period Denis Smith was in charge and I can understand that. However, when all things were considered, we came to the conclusion that the club was rapidly racing towards relegation - a position we do not wish to be in at the end of April.

Russell Osman has been given the opportunity in the initial period to prove himself as a potential manager of the club and I hope you will give him every encouragement during the weeks ahead.

No preconceived decisions have been taken; the Board has kept all its options open and the press comments regarding a permanent appointment are, I can assure you, pure speculation.

I look for everyone's support and most of all ask you to get behind the team and continue the marvellous support you always give to the club.

### Goalkeeping Day - A Great Success!

Following the previous disappointment of a postponement of this event, Richard and I spent a few nail-biting days leading up to the rearranged Goalkeeping Day on Sunday, 17th January. We must have listened to every weather forecast!

I must say that it was quite a relief when the rain and wind abated sufficiently to let the event go ahead!

Some 80 - 90 youngsters attended and with expert coaching from Mike Gibson, all the youngsters were put

through their paces and I am sure they all improved their skills and techniques as well as thoroughly enjoying themselves.

A great day was complete when Keith Welch and Andy Leaning spent all afternoon coaching, giving advice and taking it in turn to save penalties in the shoot-out.

Many thanks to those who helped, especially Mike Gibson, Keith and Andy.

## LEROY ROSENIOR

Leroy Rosenior became the club's latest international when he made his debut for Sierra Leone against Togo in an African Nations Cup game in West Africa earlier this month.

The 28 year old striker, who had been Andrew Cole's regular striking partner, played well in a goal-less draw, watched by a crowd 45,000. The match was switched to Guinea because Sierra Leone's national stadium was being refurbished.

Leroy was surprisingly called up because his parents come from Sierra Leone although he was born in Clapham, London.

Further international opportunities may come his way as there are three more qualifying games, all away. The top two sides in each group qualify for the finals in Tunisia in 1994.

"Whether I play will depend on Bristol City's requirements," he said. "The next internationals are over the Easter period so I don't think I will be released."

Leroy's career started as a 17 year old at Fulham where he scored 16 goals in 54 games before being transferred to Queen's Park Rangers for £100,000.

But two years later he was on his way back to Craven Cottage for a similar fee. He enjoyed a remarkable scoring spell, 20 goals in 34 outings, to make QPR wonder whether they had made a mistake to let him go.

That proved to be Fulham's good fortune for, eight months after returning, he was sold to West Ham United for £275,000. He remained at Upton Park for four years, although he did go back to Fulham for a spell on loan.

His career was seriously disrupted by knee trouble. He had four operations on his right knee, starting three years ago, and he was told he should give the game up.

But Leroy had other ideas. He was forced to change the way he ran. He went to a Rehabilitation Centre and, with the aid of a treadmill and video, worked at his running.

"I lost speed naturally, but I have a lot more power in my running now," he said. "It saved my career. I love the game."

"If I had been forced to pack in, I would have tried to do something else within football."

He holds the full FA coaching badge and his future could well be in this area. He has another year of his contract to run.

Although he lost his place to Wayne Allison after coming back from the international, he says he has been reasonably pleased with the way he has played this season.

"I could have done with a few more goals," he admits. "But that should come for the strikers because we are now playing with two wide men."

## IN RESERVE

### Alan Crawford Writes...

**M**issed chances have been an all too familiar story for the first team this season - and it's been a similar tale for the reserves in recent Football Combination games.

A perfect example was our clash with Charlton Athletic at Welling where we had to settle for a goalless draw after failing to convert a first half penalty.

Shaun Rouse's shot was saved after Junior Bent had been pulled down and no fewer than three rebound efforts were somehow blocked by the Charlton keeper before we ended up with a corner.

It wasn't a bad overall performance, but we could have done with a win after two disappointing defeats at Ashton Gate.

There was some excuse for losing to Oxford United as they opted to field their entire first team after a heavy First Division defeat by Tranmere Rovers.

But we started brightly enough and I thought we would give them a good game until we conceded some really shocking goals to go 2-0 down at half time.

Even then, Jacki Dziekanowski was clean through with only the goalkeeper to beat and the chance was there to get back into the match. The keeper made a save at Jacki's feet and Oxford held on comfortably enough after that.

On the plus side it was good to see Mike Wyatt from our successful youth team having a sound game on the right flank. Sadly, by the time another of our promising youngsters, Jason Fowler, appeared as a second half substitute Oxford were in control and he had little chance to shine.

The worst of our recent performances was definitely the 4-2 home defeat by Southampton in which we fielded a more experienced team than them and should have been strong enough to come out on top.

Ironically, we beat Southampton at their place with a younger side than they put out so the result at Ashton Gate balanced things up.

Rob Edwards gave us the lead, but Saints hit back with three goals before Shaun Rouse reduced the arrears. The result was settled by a late strike for the visitors and we didn't come out with much credit.

These notes were written before Wednesday night's home game with Watford so I can only express the hope that we picked up the points.

The aim in the coming weeks has to be to improve our placing in the Combination while hopefully giving more opportunities to the younger players on the staff pressing for a chance.

Do get along to see the reserves if you can. We really appreciate your support and the matches are invariably entertaining.

**O**n Monday evening, the Youth team play here at Ashton Gate in the Fourth Round of the FA Youth Cup when they entertain Swindon Town for a place in the Quarter-finals.

Please come along and give the lads your support. It is some years since we have progressed so far in this competition. The kick-off is at 7.30pm and we look forward to seeing and hearing you on Monday night.

### LEAGUE DOUBLE

Since my last programme notes, we have had two games in the South East Counties League, and I am pleased to be able to report that we have won them both.

Three weeks ago, on a gluepot of a pitch at Failand, we accounted for Reading by two goals to nil to end a sequence of four successive defeats in the League.

There is little doubt that the previous Monday's victory over Swansea in the FA Youth Cup had restored some of the lost confidence, and considering the conditions, we played some good football.

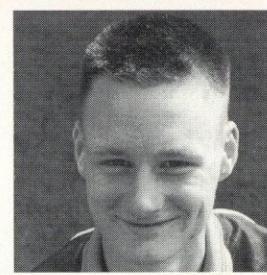

Once again the goals came from Paul Milsom and Stuart Duffin, but the outstanding player against Reading was Mike Wyatt.

We set off at 3.30 am for our game at Colchester and our long journey finished successfully with a 3-1 win.

Missing five regulars, goalkeeper Matthew Steadman, midfielder Matt Hewlett and forward Paul Milsom all injured, together with central defenders Rob Skidmore and Nathan Hicks both suspended, the lads performed exceptionally well and were good value for their victory.

## THE YOUNG ONES

Jamie Lumsden gave us the lead but the home side equalised before goals from Lee De Ste Croix and Jason Fowler put us in control.

Fowler's goal, a curling shot from twenty yards was the pick of the three scored and he along with Mike Wyatt and De Ste Croix were all outstanding in what was a good team performance.

Last Saturday's game with Southampton - already called off twice before, again fell victim to the weather.

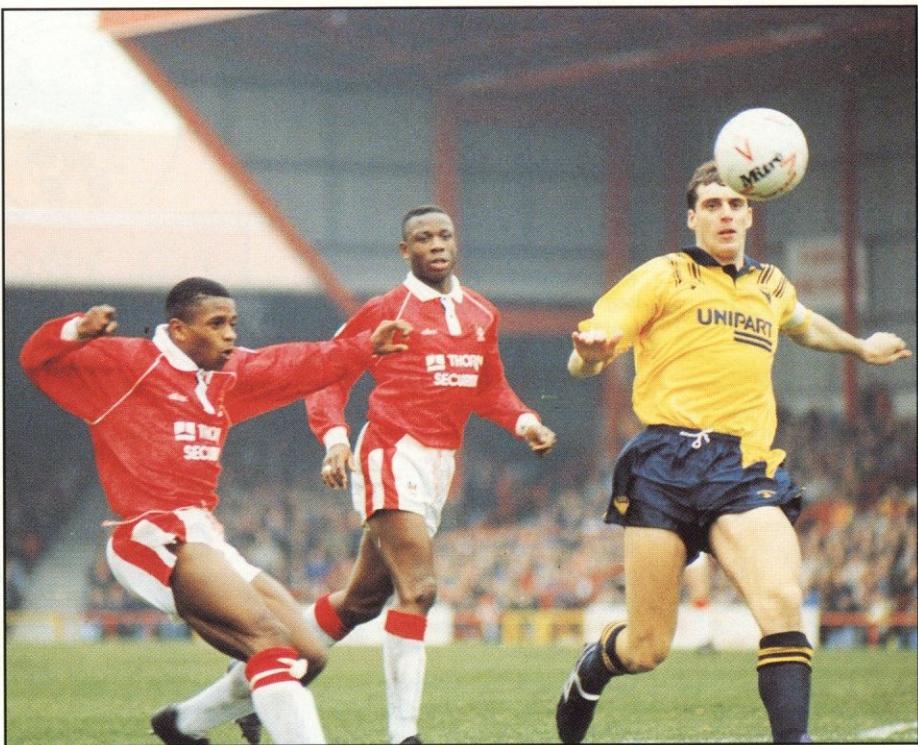

### Reserve Team Chance.

It was good to see Mike Wyatt's recent good form rewarded with a game in the reserve fixture with Oxford United. It was a great experience for the lad as our visitors fielded their full first team.

## *Hi Junior Reds.*

Welcome to today's important game with Luton Town. We all wish Russell Osman the best of luck in this, his first home game as caretaker-manager and we sincerely hope that City will not allow 'The Hatters' the satisfaction of a vital win this afternoon.

The last home game against Newcastle was preceded by the debut game of our newly-formed younger Junior Reds team of players aged 8 and 9 years and even younger. Playing our visitors from Weston Crusaders this team of youngsters played some exceptionally good football and ran out 9 - 2 winners. The goals were scored by Timothy Downs (4), Guy Winters (3) Andrew French and Liam Rosenior - but they were so well supported by the rest of the team that goalkeeper Kevin Hughes was a complete spectator during the first half.

The full squad of Junior Reds for this game was: Michael Palmer, Jonathan Budd, Liam Rosenior, Timothy Downs, David Perryman, Shaun Voisey, Thomas Harris, Andrew French, Guy Winters, Kevin Hughes, Barry Rose, Chris Pierce, Michael Davey and Tommy Bolzer.

Games for Junior Reds take place at different age levels before every Saturday home match and also, usually, when we take coaches on away trips. Every effort is made to give a game to every member who asks for one.

Nor are the girls left out, as Junior Reds 11 and 14 year old teams compete in the girls Six-A-Side League every Sunday morning and whilst starting badly, they have gradually improved to the stage where they are competing on even terms with the other teams.

The younger team is still looking for one or two more players so if any member would like to know more, please see Claire in the Clubroom.

Bookings are now being taken for the next two away trips to Portsmouth on February 6th and Charlton on February 27th. Please book now if you wish to go as the coach places go very quickly - see Claire in the Clubroom today - or phone (0454) 325666.

## **Helping the most important people in football**

Football is much more than a game of 90 minutes. Every day clubs throughout Britain are providing recreational and sporting opportunities for their local communities.

Much of this has been achieved with the help of the Football Trust. As part of its commitment to Football, The Trust has granted £4M to set up the National Football and Community Development Scheme.

Bringing club and community together, Trust-backed initiatives have provided a variety of local amenities, including:

- Artificial pitches for local teams
- Coaching for youngsters
- Support for women's football
- Facilities for people with disabilities

The Football Trust is helping the game at all levels.

## HOME & AWAY

### Next Game at the Gate

#### TRANMERE ROVERS BARCLAYS LEAGUE DIVISION ONE Saturday 6th March 1993

Unless we can re-arrange a League game for the 13th February, then it will be five weeks until the next home game.

Tranmere have had an excellent season by any standards and currently find themselves second in the First Division behind runaway leaders Newcastle United.

Their success has been built around a fine home record. At the time of writing they are un-beaten at Prenton Park having won ten and drawn four of their fourteen games there.

In addition, the goalscoring exploits of former Oxford United and Liverpool striker John Aldridge ensure that Rovers are never short of goals. Top scorer last season, he leads the way again this term, and his £250,000 transfer from Spanish club Real Sociedad two seasons ago has turned out to be a real 'steal'.

Tranmere are by no means a one man team, however. Manager John King has moulded together a side which has a mix of youth and experience and likes to play open, attractive football.

For so long the poor relations on Merseyside, the poor showing of Liverpool and Everton in the Premier League this season has elevated their status, and they will have hopes of joining their more illustrious neighbours in the top flight next season.

### Away Days

#### PORTRSMOUTH BARCLAYS LEAGUE DIVISION ONE

Saturday 6th February 1993

Bookings can now be made for the trip to Fratton Park. Coaches will depart Ashton Gate at 10.30am and the fare is £6.50 for Travel Club members and £7.50 for non-members.

Admission to the terraces is £7.00 and £12.00 in the Stand. You may pay at the turnstiles and there are no concessions for Senior Citizens or Juveniles.

Programmes cost £1.20.
