What was David Pleat's last managerial position before re-joining Luton? - see page 12 for the answer -

# Barry Fry writes

A warm welcome to the Directors, Players, Officials and supporters of Luton Town Football Club and especially to their manager David Pleat with whom I have been associated with since we played together in the England Schoolboys team in 1960.

Since then David Pleat has become one of the most knowledgeable managers in the game and has produced great footballing teams, faced by the impossible task of always having to sell his big named players to survive.

Although Luton are in the bottom six they have got a great blend of youth and experience and play attacking football and we will have to be at our very best to get the three points we need to keep us in contention for the League title.

Today should prove to be a very entertaining and exciting match.

I was extremely dissatisfied with many individuals, who were not playing collectively at Leicester when we accepted defeat too easily and I will not tolerate displays like that. However we bounced back on Tuesday when we won our second game in Italy against Cosenza. We showed commitment and determination - all the ingredients we were missing at Leicester. We played under a great deal of provocation and thoroughly deserved to get our 2-1 victory, with Brett Angell getting both our goals. The team handled the situation in Italy very well playing in a very intimidating atmosphere with our players being punched, kicked, obstructed as well as the game being stopped every 5 minutes. We managed to keep our cool and played football that cut their defence to ribbons. I

was very proud of the players and all the supporters that came with us on the trip, they were absolutely magnificent with their vocal encouragement from start to finish.

The flu bug hit us while we were in Italy with Tommy Mooney being the latest casualty and having to stay back at the Hotel whilst the other players and supporters went off to the game. Gary Poole and Pat Scully both

failed fitness tests before the game so there really was a great squad effort and emphasised once again how important it is to have quality players and a large squad.

We had a friendly match against Concord Rangers on Thursday where Andy Ansah played, also Micky Bodley played his 1st game in 2 months so hopefully those players will be available for selection, so there will be plenty of competition for places which should keep everybody on their toes.

I must urge you to try and bring a friend or two to our game with Pescara on Tuesday, the club has lost a lot of money through the two trips to Italy and the lads by gaining 3 points have put us in with a real chance of progressing further in the Anglo-Italian Tournament. With your help through the turnstiles and vocal encouragement you could cheer us all the way to Wembley which would be yet another magnificent feat by the club, so please try your best to encourage as many people as possible to attend next Tuesday's game against Pescara.

Enjoy the game!

## AROUND THE GROUND

This has to be the tallest tale ever told in a Blues Matchday Magazine, being written 29,000 ft above France (or Italy) in order to meet deadline for Saturday.

On the plane, Barry has just had a very interesting conversation with a Psychologist and inveigled her to look at one or two Blues - "especially after last Saturday". The Blues themselves are keen to put that game behind them and were less than complimentary both individually and collectively of their performance at Filbert Street.

However, not much time exists for too much reflection and come tomorrow night (Tuesday) there will be a new challenge to meet. Such is the lot of the professional footballer, English style of the 1990's - and in all truth most would not have it any different. Brett Angell, for example, told Soccerline he relished the Italian trip as "a welcome

bit of variety in the normal season", and he, like the rest are also looking forward keenly to next Tuesday when the team from Pescara arrive at Roots Hall.

The British World Airways charter flight was made possible by the fact that 45 supporters backed the club by coming with the official party. It was an excellent level of support considering the cost and proximity to the earlier trip to Florence. We know others would have come but 3 days off work was too much. All in all, the support for the two Italian games though has been excellent and well appreciated.

We pass Geneva as I write, but final thoughts return to Roots Hall and our match with Luton. Last season 11,913 saw the match. One wonders how many will be here this season. Funny old game football!

## DAVID PLEAT

The only manager to be on T.V. more than our own Barry Fry these days, David is once more using all his skill and experience to maintain Luton's status with limited resources and will be buoyed up by last Sunday's excellent victory over Charlton. Sussex, Angell Dixon

The Hatters are currently involved in an attempt to get away from the relegation zone. Last season was also a relegation battle which proved successful on the last day here at Roots Hall despite a 1-2 defeat.

David Pleat's job has been made far more difficult by the financial difficulties at Kenilworth Road. In the summer Phil Gray had to be sold to balance the books and the club has had to rely on free transfer and loan deals to bring in new faces.

Luton originally joined the Football League in 1897 but failed in a re-election bid three years later. They returned as founder members of Division Three in 1920. Since then they have had three spells in the old Division One, the last ending with relegation in 1991-92.

The first spell began in 1955 with promotion as Division Two runners-up behind Birmingham City, both ahead of Rotherham United on goal average. Eighth place in 1957-58 was the best they managed in the 5 years they spent in the top flight and they reached the F.A. Cup Final in 1958-59 losing 1-2 to Nottingham Forest.

In 1959-60 Luton finished bottom of the table with only 30 points and five years later they were in Division Four. Promotion as champions in 1967-68 began a climb back up the divisions and by 1974 they were back in the top flight.

That stay lasted only one season as they were relegated with Chelsea and Carlisle United. It took seven years to make it back as Second Division Champions in 1981-82.

Luton maintained a precarious existence in Division One as they became experts at last gasp escapes from relegation. They did enjoy some success, however, with 7th place (their highest ever) in 1986-87.

At that time the club did not allow away fans entrance to Kenilworth Road which also had an artificial pitch. In that season the club was expelled from the League Cup (then the Littlewoods Cup) for refusing to allow ticket sales to Cardiff City, their second round opponents. Their chairman of the time, David Evans, was also a conservative M.P. and was one of the few people involved in football who supported the then Government's proposal to introduce compulsory identity cards for supporters.

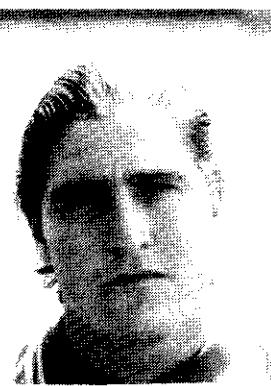

In 1987-88 Luton agreed to allow in visiting fans for cup ties and went on to win the Littlewoods Cup by beating Arsenal 3-2. The same season they were at Wembley again in the Simod Cup Final which they lost 1-4 to Reading. In 1988-89 they made it to Wembley once more in the League Cup Final but lost 1-3 to Nottingham Forest.

After several near escapes Luton were relegated in 1991-92 with defeat on the last day of the season at Notts County finally condemning them. Their poor away form - they did not manage a single victory away from home - cost Luton dear and they consequently missed out on becoming founder members of the F.A. Premier League. Now they hope to preserve First Division in the Endsleigh Insurance League and last Sunday's 1-0 victory over Charlton will have been a great boost to their confidence.

That stay lasted only one season as they were relegated with Chelsea and Carlisle United. It took seven years to make it back as Second Division Champions in 1981-82.

# Blue in Profile

**GARY POOLE**

Gary became Blues' record signing when he joined his old manager, Barry Fry, at Roots Hall during the last close season.

The fee of approximately £400,000 is double the previous highest sum paid for Keith Jones in 1991.

Unfortunately Gary had just about the worst start possible with a nasty ankle injury in pre-season training. Luckily the injury did not prove as bad as it first appeared and Gary has now established himself in the first team.

Gary started his career with Cambridge United before moving to Barnet then in the GM Vauxhall Conference. He made 73 appearances (3 as substitute) in the Conference.

Then came a move to Plymouth but was more than happy to rejoin Barry Fry who rates him very highly. His assured performances have already made him a favourite with Blues fans.

He made his Blues debut here against Middlesbrough on his 26th birthday and he scored his first goal for the club in the last home game against Watford.

## SOUTHEND SUFFER SETBACK AT CITY

Southend United's Premiership potential was tested last Saturday at Leicester and in the end they were well beaten.

Before the game City had kept cleansheets for three straight matches and frankly that record never looked threatened by Blues. There were chances for the Essex side but these were all too frequently gifted to the keeper or flashed well wide. Chris Powell probably had the best opportunity on the hour, when his close range effort was parried round the post by home keeper Gavin Ward. The offside trap also played its part - Leicester marshalling it marvellously, Southend not having a clue. City were two up before the break thanks to strikes from Julian Joachim and David Oldfield. They made it three on 76 minutes with Steve Thompson converting from the penalty spot after Gary Poole had fouled David Speedie. A very bad day for United, but a great one for Brian Little's team, who went top of the table.

Tranmere missed their chance of top spot, only managing a goalless draw at Peterborough. Rovers always looked the more likely to break the deadlock but for all their huff and puff Posh keeper Ian Bennett was rarely troubled.

Oxford also grabbed a point at Millwall in their struggle with relegation. It finished 2-2, with 17 year old Mark Kennedy netting his

first goals for the club. Kennedy opened the scoring with a left footed drive after 18 minutes, but this was levelled by Joey Beauchamp's 56th minute drive. The gifted Irish teenager put the Lions in front once more soon after only for Nick Cusack to snatch a deserved equalizer midway through the second half. Incidentally both Oxford goals were set up by John Byrne, a man who had been transferred from the New Den just days before.

Notts County did themselves a huge favour - grabbing all three points from Crystal Palace despite the South London club being two up at one stage. Before the match County manager Mick Walker had threatened to sack both Gary McSwegan and Gary Lund for missing a handful of chances in their previous game at Wolves but against Palace they had the perfect answer. They both hit the target. Their goals cancelled out Chris Armstrong's double strike, and Lund got a satisfying winner 10 minutes from time to give them a 3-2 victory.

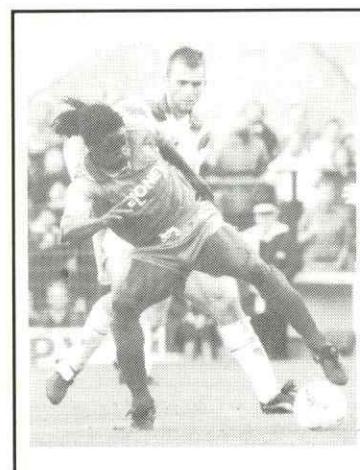

Portsmouth are definitely going to be in with a shout of promotion, as they made it 17 matches unbeaten with a 2-1 win at Sunderland. To be fair it was their first away win of the season, draws serving them well, and they had to survive a second half onslaught by the Rokermen.

Paul Walsh and Stuart Doling put Pompey on their way, and despite

Martin Smith pulling a goal back for the North East club, Portsmouth held out.

Bolton Wanderers fought back well, at West Brom to earn a point in a 2-2 draw. Andy Hunt and Bob Taylor's penalty put the Baggies in command before the break, but after Wanderers keeper Aiden Davison was sent off they stepped up a gear. Scott Green and Jason McAteer levelled it up.

Elsewhere in the Midlands derby at St. Andrews, Notts Forest beat Birmingham 3-0 (Stan Collymore on the scoresheet once more), Bristol City grabbed a surprise win at Middlesbrough 1-0, and Watford lost 3-1 at Stoke.

on Kevin Keen late in the game. Keen appeared to be going nowhere dangerous but went clattering to the ground resulting in a penalty. Consequently Wolves were able to equalise and take an undeserved share of the points.

Paul Sansome came back into the team for the Watford game and also played at Leicester. If he is selected today it will be his 400th Football League appearance since making his debut for Millwall in March 1982.

Paul played 156 League games for Millwall and has played against 81 different clubs for them and Blues in the League. The clubs he has faced the most times are Brentford and Bristol Rovers with 12 each. He has kept 111 clean sheets and conceded 527 goals.

He is currently Blues' longest serving player and is one of the most popular with everyone at Roots Hall. Many congratulations and here's hoping you make it to at least 500.

## Football's biggest fan is its £36m supporter

By next August, standing will be a thing of the past at many of our football grounds as clubs meet the Taylor requirements.

Cubs who choose to retain some standing must make sure that terracing is safe – for many, an expensive commitment.

The Football Trust has an annual income of over £36m – virtually all from the pools companies, Littlewoods, Vernons and Zetters.

Implementing Taylor is a huge undertaking and every club counts on THE FOOTBALL TRUST to help see the job through.

# ON THIS DAY IN HISTORY

## 13th November

Richard Godwin takes a look back at Southend's events on this day in the past.

**1920 Portsmouth**

**Away 0-3 15,000**  
This first League visit to Fratton Park marked the first of a run of seven which saw Southend fail to find the net in any game. Our first goal was on 14th December 1991.

**1926 Crystal Palace**

**Away 3-5 4,101 Hick (2), Orr (og)**  
Blues worst League defeat against Palace in 64 matches. Our best win was on 4th September 1935 when we won 7-1. That season Hick went on to net 27 League goals in just 39 games.

**1937 Newport County**

**Away 0-2 9,295**  
Southend have played 288 League games against clubs that are no longer in the League. We have also scored more League goals against Newport than against any other club. (109 at home, and 50 at Newport).

**1948 Newport County**

**Away 2-4 12,000 Dudley, Montgomery**  
That season Newport went on to do the 'double'. Both teams have done that on seven occasions. Southend have now made 216 visits to Wales and won 78 times.

**1954 Southampton**

**Away 0-3 15,965**  
This is the fifth time we have had to play away on this date and also marked the fifth defeat. We have not played Southampton now for over 30 years having beaten them 6 times in 18 matches.

**1965 Notts County**

**Home 3-1 8,408 Slack, McKinven, Bentley**  
This was a first round F.A. Cup game. Our run continued until the 3rd round when we lost out to Rotherham United. This was also Blues only F.A. Cup encounter with County. For Mel Slack and John McKinven the game marked their only Cup goals for Southend.

**1967 Barnsley**

**Home 4-1 10,513 Chisnall, Baber, Bentley, McKinven (p)**  
Southend's best ever score against Barnsley, and we have managed that on two other occasions, including once at Oakwell in 1965. Tony Bentley's goal was the only one he scored during that season.

**1970 Colchester United**

**Away 1-1 7,777 Moore**  
This fixture is one of our few local derbies. As is usual with those sorts of games there have only been two 0-0 games (both at Southend) in 54 games. We have also played the 'U's on ten cup occasions and none of these has been 0-0.

**1979 Gillingham**

**Away 0-1 5,286**  
We have failed to win in our last ten visits to Priestfield. That might sound bad but Gillingham have only won here 3 times in their last 22 League visits.

**1982 Sheffield United**

**Away 1-0 11,032 Phillips**  
Blues second only League visit to Bramall Lane, and Steve Phillips scoring the only goal late in the second half. We have only met for 4 League seasons and done the 'double' twice.

Ian was born in Nottingham and made his League debut as a substitute for Sheffield United during the 1978/79 season. He made his full debut in the final match of the 78/79 season, a match that Sheffield United had to win to stand a chance of staying up. As a raw 17-year-old, Ian scored 2 penalties in front of 15,178 fans, but they could only draw and were relegated. Of course, Ian will always be remembered as the man who won Southend promotion to the 2nd Division with his winning goal at Derby.

## Community Corner with Frankie Banks

Hello Readers,

Now we have got November the 5th - Firework Night out of the way it's time to start thinking about the Christmas activities and festivities.

This week we have been holding an F. A. Pre-Lim Coaching Award over at our new training ground on Eastern Avenue. Two of my trainees are actually on the course. They are Terry Peacher and Justin Slowley. I went over to visit them on Wednesday and they looked a little bit worse for wear. They both remarked on how physical the course is, obviously the weather doesn't help when it's pelting down. You have to work hard to get this badge it's not given to you.

We are in the throes of organising our Senior Citizens Christmas meal and bingo session, to be held in the Far Post Restaurant on Wednesday 15th December. Starting at 12.00 noon and ending round about 3.30pm - 4.00pm. The cost of this function will be £5.00.

This includes a 3 course Christmas dinner plus 10 games of bingo, you must agree excellent value for money. Applications will be sent out as soon as possible.

Starting next week on Wednesday 17th November I will be spending the day in Thundersley coaching in three schools. Those being Dark Lane, Kingston and Jotmans. I will be in these schools for the next 5 weeks, alongside the schools who are already involved in the scheme. Those being Rawreth Primary - Sevic College - Bournes Green - Woodham Lay and Chalkwell School. A really busy time as far as local schools are concerned.

Finally I would like to welcome one of our local schools to today's match. They are Rawreth Primary School and they are being accompanied by their teacher Katherine Cole.

Our Saturday team today is Shoebury Boys U/11's with their managers: Owen Daly and Russell Bailey.

I hope you all enjoy the match.  
See you all soon.

## On The Table With JOHN GOWENS

Hello and welcome to the treatment room. After a few hectic days travelling I'm back in the treatment room and the injury list is still very long.

Well some good news - Neil McGlew has been told that we can start to wean him out of his girdle so he should be back by the start of next year.

Micky Bodley played against Concorde Rangers on Thursday night and he will hopefully be back in full training next week. Andy Ansah also played as did Craig Davison.

It's good to have games like this as it helps the players rehabilitation to get them back in the swing of things.

On the injury front David Howell made a miraculous recovery from a thigh strain and played in Italy. Tommy

Mooney whilst in Italy developed a stomach infection and so has had to have tests to find out what it is.

Adam Locke who has been on loan to Colchester returned this week with a thigh strain but it hopefully wont keep him out for too long, also Jae Martin has a strain of his extensor muscle of his shin, he has also seemed to develop shin splints.

Pat Scully who took a bad blow to his knee in the game against Watford will hopefully be okay for todays game as he too played against Concorde Rangers.

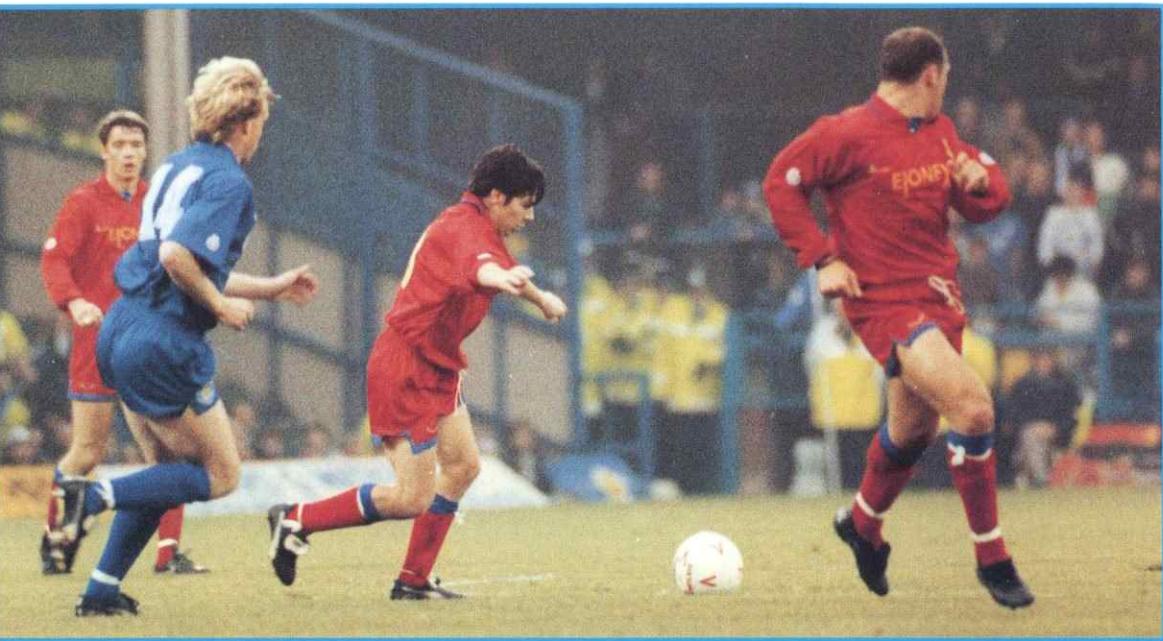

On a personal note, I would like to thank Chris Dimitris for what he done on Wednesday, so thanks Chris.

## YOUTH & RESERVE TEAM NEWS

The Reserves have been out of action since the 3-3 draw against Enfield reported on in the last issue. They were due to have taken on St. Albans City this week but because of Blues trip to Italy that game has had to be rearranged.

Please check with the clubs Info and Soccerlines as often reserve games are reorganised at short notice.

The next scheduled game is away at Brentford on the 17th November which is on an afternoon kick off. The next round of the Essex Senior Cup will be contested on the 24th November when Heybridge Swifts are the visitors.

The Youth team have had a torrid time in their last two games. On the 4th November they lost 2-4 here at Roots Hall to Q.P.R. in the Southern Junior Floodlit Cup. Two days later they were beaten 1-7 by Arsenal. Let's hope they did better against Leyton Orient at the training ground this morning.

## Do You Remember? - by Kevin O'Donnell

Before the Second World War Blues and Luton were regular opponents in the Third Division South. Kenilworth Road often proved the graveyard of Blues aspirations. In 9 visits between 1921 and 1928 Blues managed only 2 goalless draws and scored only 5 goals (4 of those in one game).

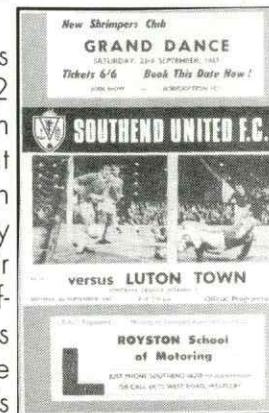

After World War Two the clubs met in both Divisions Three and Four during the 1960's. Last season's matches were the first at senior level for just over 25 years.

Last season Blues came back from 0-2 down at Kenilworth Road to take a point with a 2-2 draw. Julian James and Phil Gray gave the Hatters their 2-0 advantage at half-time. However, Blues stormed back in the second half with goals

from Chris Powell and Kevin O'Callaghan (his only goal for the club).

The return fixture was even more dramatic at the end of the season. Just over 11,000 were present as Blues guaranteed First Division survival with a 2-1 victory. Andy Sussex scored the first with a brilliant 25 yard volley and Brett Angell headed the second. Kerry Dixon pulled one back for the visitors but Blues held on. As Luton survived as well both sets of fans were able to celebrate at the end of the match.

The programme covers featured today are for home games against Luton in 1966-67 and 1967-68. Blues won 2-0 and 3-0 respectively.

# Junior Blues & Blues Youth

with Pam Appleton

Welcome to Roots Hall this afternoon. Today we are hosts to the Luton Junior Hatters and their leader Gary Hooper. We hope you have a very enjoyable day here with us.

Southend United F.C. are also hosts to a very special group of people from a charity organisation called S.A.M.S. This is an abbreviation for the Sexually Abused Mothers Society. I in particular hold this group close to my heart since I was asked by our Vice-Chairman to represent Southend United F.C. at their first G.M. earlier this year. The group is solely run by very loyal understanding and well trained volunteers who put their hearts and souls into their work. These

people are backing a problem that will never go away but can certainly be helped. Of course like many charities they are solely dependent on fund raising. Here at Southend United F.C. we help in many various ways, particularly with the Children of S.A.M.S. group. A very warm welcome to you all, we hope you enjoy your afternoon.

Also with us today is Heather Bridge, Assistant Promotion Manager from Essex Radio, our sponsors. We have invited Heather here today to see how our Junior Club works and we hope you enjoy your day here with us.

Please remember the closing date for your Christmas activities will be November 19th. That's all for now, be good and be safe.

My hobbies are football and swimming. I belong to 4th 6th Leighton-Sea Cubs. One pack meeting Andy Ansah & Spencer Prior gave us a talk about football.

During the Summer Holidays I attended the Frankie Banks Soccer School at Belfairs School. My second cousin Steve Jones played for Southend Reserves 91-92 season. My favourite player is Paul Sansome and my favourite team is Southend Utd. I go to Westleigh Junior School and next year I will be going to senior school. On the big day I will be coming with my Nan and Grandad as my Mum and Dad are away. With me on the photo is my sister Laura, who is 12. I don't mind if you cut her off.

# BUXTON'S BREEZY BANTER

What a thrill to see Southend United beat Watford 2-0 in the First Division last week. It completed a Roots Hall double this season as earlier on we beat Watford 3-0 in the Anglo-Italian Cup ... and congratulations to you if you were among the 4,584 that cast aside the allure of European action on the telly.

For many it must have been hard work to tear themselves away from the front room and to make the effort to get to Roots Hall. But we were all rewarded with fine goals from Jonathan Hunt and a Gary Poole penalty.

Both their first goals for the club and we hope the first of many. When did two men in the same match for Southend United last score their first goals for the club? That's a Bill Frindall sort of question and I don't expect an answer. For those that don't follow cricket Bill Frindall is the BBC Radio statistician from "Test Match Special" who's always fielding difficult questions.

But this is certainly a season for the fact finders delight. Tom Mooney's hat-trick against Oxford was the first of his career and I am reliably informed the 100th hat-trick for the Blues ... sorry to say I can't

remember who got the 99th. Anyone got Bill Frindall's phone number?

Anyway after the 2-0 thumping of Watford I did one of my celebrated "face to face" interviews with manager Barry Fry and asked him if he was pleased with the result.

To my astonishment he said "No."

What - won 2-0 and not happy?

Certainly not. Our illustrious manager was delighted with the way his lads had cut the Watford defence to ribbons but absolutely furious that so many gilt edged opportunities had been wasted.

"We should have had six", he grunted.

Then of course the light dawned and I knew why the manager was unhappy ... It's because he's just a boy.

Now when I say "Boy" I don't mean a boy literally because he has the dubious distinction of being the same age as me.

No when I say "Boy" it's because he is young in the history of Southend United and just hadn't got a clue why I was wetting myself with joy over a 2-0 win over Watford.

You see fans of my vintage have spent nearly 40 years man and boy on the terrace or in the stands at

Roots Hall and over those decades the visit of Watford has all too often been a miserable occasion as the visitors have left with the points or the glory. Not being a Bill Frindall I can't give it to you chapter and verse but Watford's record up until this season at our hallowed ground has been quite exceptionally depressing (Ed's Note: In fact Watford had won only 4 in 17 times in League visits to Roots Hall). Who can forget those consecutive F. A. Cup ties in the early 1960's. Southend United 0 Watford 2.

A year later and again it's the old Watford ball out of the black bag. Blues manager Ted Fenton did his best to quell the tears ... "Lightening never strikes twice," he said. It did Southend 0 Watford 1.

Perhaps there aren't many old twits like me who hear the ghosts of the past galloping down the tunnel when we play Watford at Roots Hall ... but for me at least 3-0 in the Anglo Italian and 2-0 in the League is Manna from Heaven.

I don't know whether you'll see any ghosts on the pitch today but I do hope we see plenty of goals in the Luton Town net ... although I for one will settle for 2-0 whatever Barry Fry may think.
