ENDSLEIGH

Endsleigh League Division One v Luton Town Tuesday April 11th 1995

KICK OFF: 7.30pm

from the bench

It's a personal pleasure to welcome Luton Town Football Club to Burnden Park this evening - the Chairman, Mr David Kohler, and his fellow Directors and, from the manager's office here, an especially warm welcome to David Pleat and his staff.

with Bruce Rioch

David is a former colleague of mine in our playing days together in the 60's at Luton. He has had to work miracles on occasions as manager at Kenilworth Road - on transfer's for instance. Some clubs in the country are buying clubs and most of us are selling clubs.

The situation has been such at Luton down the years that they have had to

sell players from time to time. Obviously supporters get annoyed when certain players are sold but it's often the case that not only the manager but also the directors don't want to sell but they are forced into it by circumstances.

For his part, David has bought and sold players very wisely in his managerial career. Another very good friend of mine attached to the Luton club is John Moore. We started our careers together back in 63 so our friendship goes back a long way.

On the league front, the season is getting to be a very exciting stage. Games are running out fast and the temperature is starting to rise. It only seems a couple of weeks since we were looking at 20 games to go. Now we're down to seven.

If you're at the bottom end of the table these can be desperate times. If you're at the top you just keep driving on, maintaining the momentum. As Kenny Dalglish said the other day, after two successive away wins, it's not necessarily performances that count. It's results that matter.

That was our view of the game at Swindon last week.

We've been predicting it for ages and now we know for sure, the race for the

Premiership is going to go down to the wire. There are seven or eight club's entering the final bend and heading for the home straight and, it goes without saying, we aim to be there at the finish.

I've targeted a win in every game - why settle for anything less? You need targets in life. The centre-forward should be looking for goals - if he has seven games left, he should be looking at say ten goals. Defenders should be looking for clean sheets. Seven would be nice!

But we know every game from now on is going to be a big game - a cup final!

STAR VISITOR

Trevor Peake

Club captain Trevor Peake has now passed his 38th birthday and he brings to Luton Town all the vast experience he has acquired from sixteen seasons in the Football League.

At six foot and nearly thirteen stone he has a commanding presence in the middle of the field. Until the age of 22 he played non league football for his local club Nuneaton Borough. He then moved to Lincoln City for nearly £30,000. This proved to be a great piece of talent spotting by manager Colin Murphy because four years later Peake moved into the top flight with Coventry City for £100,000. He stayed there for eight years and made over 300 cup and league appearances.

He gained an FA Cup winners medal in 1987. Luton paid £100,000 for Peake in 1991 and extended his contract last summer.

got control of and deserves to take Luton Town to promotion or a Wembley Cup Final."

Off the field the club have been under scrutiny by a dietician who is taking an in-depth look at the team's eating habits. "She has banned cups of tea from the dressing room at half time" says Kerry Dixon. The players now have a glucose drink, jelly cubes, raisins and chocolate. If the players have beer, they have a pint of water afterwards because beer dehydrates them. The players say that it may all sound a little strange, but they are all feeling a lot fitter.

The club has transformed their stadium into one with an all-seater capacity of around 10,000. The club reached the cup final in 1959 and recently had a decade in the top flight. While David Pleat stays in charge, there is a good chance of even more glory to come.

David Pleat

David Pleat said of the win against Middlesbrough, "we won with a thoroughly professional victory. Anybody in this division can be beaten." At Stoke the victory came despite a 25th minute penalty miss. Carl Muggleton saved brilliantly from David Preece at the bottom of his right hand post. The scoreboard flashed up "maybe later, lad." Preece later got the winner.

At home though little has gone right. They lost 3-0 to Bolton despite completely dominating the first half. The same thing happened against Burnley, who snatched a 1-0 victory when Juergen Sommer helpfully dropped the ball at the feet of Adrian Heath who passed for Liam Robinson for score. In mid season Welsh international forward John Hartson left for Arsenal at a price of £2.5 million but the club survived a scare when Spurs offered manager David Pleat the post of general manager. Pleat prefers to be involved with players and decided to stay at Luton. Former striker Kerry Dixon (who left for Millwall on transfer deadline day) said "David Pleat has made Luton his club. The style he plays brings everybody into the game. It is something special he has

Steve Thompson

Oldham born midfielder Steve Thompson progressed through Bolton's junior ranks, being a member of the team that won promotion from the second division of the Central League 1983.

He had signed professional forms in November 1982, making his league debut in a scoreless second division draw at Derby County the same month.

He made just three league appearances that term but became a regular in the side during 1983-84 - scoring his first league goal at Bournemouth in November 1983.

Although the club struggled at league level during this period he made a Wembley appearance in the 1986 Freight Rover Trophy final. In 1987/88 he missed just two games as the Wanderers won promotion from division four and in 1989 he tasted success at Wembley in the Sherpa Van Trophy final.

After 342 league games for the Trotters, Luton Town secured his signature in August 1991 for a £220,000 fee. His first league appearance for The Hatters came in a 2-1 first division win over Oldham at Kenilworth Road.

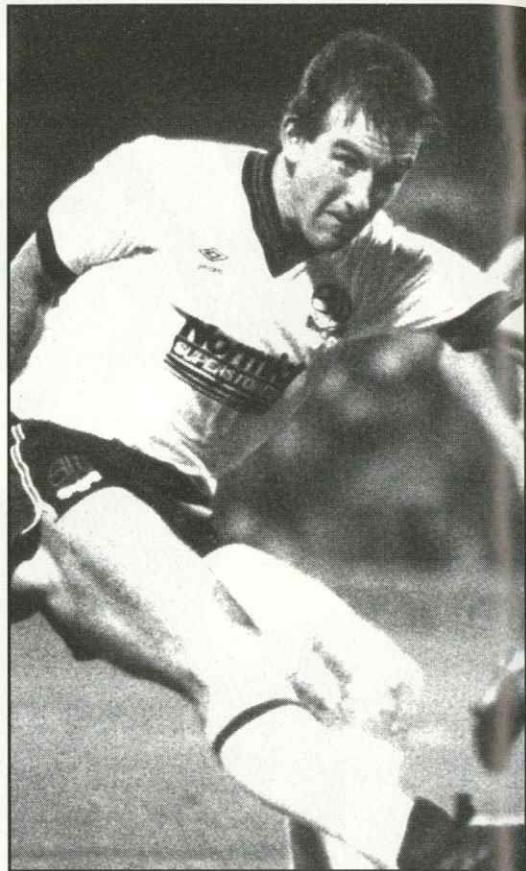

He made just five appearances for Luton before moving to Leicester City in October 1991 where he helped them win promotion to the Premier League last term.

Thompson returned to the North West last month when he became another ex-Trotter to sign for Burnley.

His overall Bolton record is as follows:-

BOLTON RECORD

WHAT THE PAPERS SAY...

2nd April 1995 Bolton Wanderers 1 Liverpool 2

"Trust my luck," Thompson moaned as he looked back on the 33rd minute volley that was heading for the top corner until the big Liverpool keeper nudged it onto the crossbar. "He just happens to be one of the tallest keepers in Europe!"

Even so, the boys from Burnden played their part in putting the smile back on the face of football in one of Wembley's most colourful and entertaining finals, which turned out to be a desperately close run thing.

- Bolton Evening News

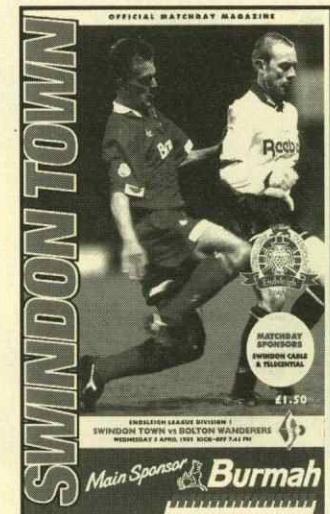

5th April 1995 Swindon Town 0 Bolton Wanderers 1

Alan Thompson produced another piece of magic last night to boost Bolton's promotion hopes.

Thompson, who lit up Wembley with a superb goal in his sides Coca Cola Cup defeat on Sunday, struck two minutes from time to close the gap on first division leaders Middlesbrough to four points with two games in hand.

Scorer Thompson said "I enjoyed the goal at Wembley but this was probably more important."

SUNDERLAND Endsleigh league Division One, April 17th. 1995, Kick Off 3.00pm

Every match Sunderland play from now until the end of the season is like a cup final. At the end of March with seven matches left to play they replaced their manager Mick Buxton following six defeats in seven games.

Peter Reid, the ex Wanderers favourite, is the manager Sunderland hope will help them beat the drop. If Reid manages to keep the Roker Park outfit in Division One he will be offered a new contract during the summer. If he fails Sunderland could look elsewhere.

At the moment fallen giants Sunderland are hovering close to the drop zone but Reid insisted "I'm confident of keeping them up with the help of the clubs loyal supporters" and he seems to think that there's enough quality at the club to avoid the drop to division two. One of the first things Reid must do is improve their home record which is the worst in the division having won only three and drawn ten. In fact their away record is much better having won six times away from Roker Park.

The players who Reid is going to look to beat the relegation dog fight are twin strike force, Northern Ireland's international Phil Gray and Buxton's last signing on transfer deadline day Brett Angell for £600,000 from Everton. The experienced Steve Agnew who was signed from Leicester City is their midfield playmaker who has played well since he arrived. So with Peter Reid back on familiar ground and the game being so important to both clubs, there is sure to be a big crowd. The corresponding fixture last season was Bolton's biggest crowd of the season.

Please remember that the game is all ticket.

Pontins Central League Division One.

By coincidence tomorrow night's visitors are Sunderland with a 7.00pm kick off. The reserves currently have an eight point lead at the top of the table after last week's superb win at Everton. Why not come down and cheer the lads on in their championship chase.

ANDY McKAY

Height 5.10

Signed for Bolton 1994

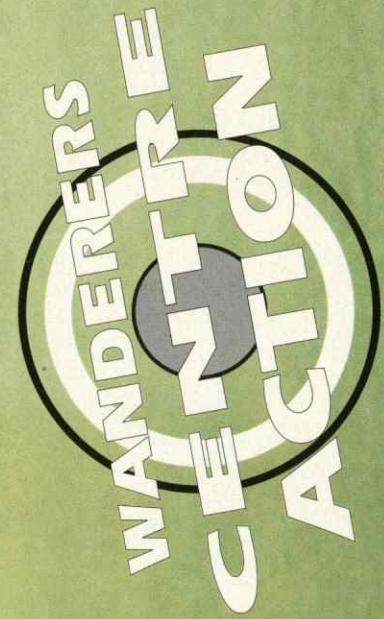

Defender Andy McKay is hopeful that he may soon be given the all clear from his shoulder injury that will allow him to play football again.

The 20 year old Bolton born player joined the Wanderers from school and made his Central League debut in April 1992. That came in a memorable 3-2 win over Liverpool at Anfield and he went on to make one more appearance that term.

Injury has subsequently kept his appearances to a minimum. Last season he scored his only Central League goal to date in a 3-3 draw at Nottingham Forest only to later have to leave the field injured.

He started his term by playing in the opening two games that saw victories over Forest and Wolves only to find himself once again on the physio's table. Now he is looking forward to getting back into action.

ROUND

HOTTING UP

All three teams at the head of the First Division collected victories last weekend, all by the odd goal and consequently the chase for honours is now hotting up (it's already been simmering!).

MOORE THE HERO

The leaders Middlesbrough made hard work of overcoming a resilient Stoke City side 2-1 before a near 21,000 crowd at Ayresome Park. Nigel Pearson scored for Bryan Robson's team and after the Canadian international Paul Peschisolido had equalised, Alan Moore jinked in for the winner 20 minutes from time.

• Nigel Pearson •

ALDO'S PENALTY DECIDER

John Aldridge netted his 27th goal of the season (a penalty) to earn Tranmere Rovers three vital

up on one...

points against relegation-threatened Bristol City at Ashton Gate. In a rugged encounter, Rovers had to battle every inch of the way and a disappointed City boss Joe Jordan said afterwards: "I think we're down now!"

THOMMO STRIKES

Like Tranmere we had to fight hard and long to overcome West Brom on Saturday. As you know it took an 85th minute from Alan Thompson to see off Alan Buckley's battlers after Steve Lilwall had fouled Mixu Paatelainen. 'Keeper Keith Branagan no doubt kept us in the game with two terrific saves, likewise Albion's Stuart Naylor also pulled off some excellent stops.

• Alan Thompson •

KELLY'S BLUNDER

Republic of Ireland's David Kelly

should have given Wolves all three points at home to Barnsley who had player-manager Danny Wilson sent-off. But he had his last minute penalty saved by keeper David Watson which was the first penalty save of his career. Thus Graham Taylor's side had to settle for a point after a 0-0 draw at Molineux before another bumper crowd - 26,385.

REID'S JOY

Sunderland's new manager Peter Reid saw his side record their second successive 1-0 win, this time at Derby, and in doing so eased their relegation problems while at the same time denting the Rams' play-off hopes. Kevin Ball grabbed the all-important goal three minutes before half-time. This defeat ended in a run of five straight home wins for Derby.

FROM ELSEWHERE....

Notts County and Burnley seemed doomed to relegation. Both lost over the weekend, County 2-0 at Luton, Burnley 3-1 at Southend.

Swindon are fighting hard and they picked up three precious points at Oldham's expense (3-1) while Portsmouth also collected vital relegation points after accounting for Sheffield United 1-0, Gerry Creaney the hero with his 20th goal of the season.

Port Vale lost 1-0 at home to Watford and inconsistent Millwall beat Charlton 3-1 in the London derby.

BOLTON WANDERERS
THE COCA-COLA CUP FINAL 1995
by Simon Marshall

Programme Editor here at Burden, the winners drawn from the hat will be notified by post.

We have half a dozen to give away to the supporters who can tell us the year that Bolton last played at Wembley Stadium in any competition. Please submit your answer on a postcard to the

DEAR SIR,

I am a 29 year old Liverpool supporter who was at Wembley for the Coca Cola Cup Final against Bolton Wanderers on Sunday 2nd April. I am writing to you to praise your clubs supporters who on the day were magnificent. It was a pleasure to mix with them at the Motorway services and of course Wembley Stadium. There was never a hint of trouble and they helped to create a wonderful atmosphere on the day. The support that they gave Bolton was excellent and they were a credit to themselves, the town and Bolton Wanderers. If you could find some way of showing my sentiments, (maybe in a future match programme) then I would be most grateful to you.

Finally, may I wish Bolton every success in their promotion bid. The team played very well at Wembley and the quality of their football deserves to be in the Premier League. I look forward to Liverpool v Bolton being a Premier League fixture next season.

Yours sincerely
A D Molyneux

Alan Thompson may not know it, but he joined a list of 'greats' who have scored for the Trotters in a major Wembley cup final. What would these players be worth today?

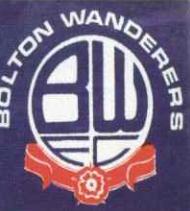

David Jack - scorer of the first ever goal at Wembley in 1923. Won FA Cup winners medals both that year and in 1926, when he hit the winner, before becoming the first player to be transferred for over £10,000 when he joined Arsenal in 1928.

John Smith - hit Bolton's second goal in the 1923 FA Cup final and also won another medal three years later. Also won a

Scottish Cup winners medal in 1920 with Kilmarnock. **Billy Butler** - Played in all three cup winning sides of the 1920's scoring the first goal against Portsmouth in 1929. **Harold Blackmore** - hit the second goal in 1929, one of his 122 Bolton goals in 165 appearances.

Willie Moir - Scottish international who notched Bolton's second against Blackpool in 1953. **Eric Bell** - wing half who scored twice in 118 appearances - one coming at Wembley in 1953 when he was injured.

Nat Lofthouse - scorer of Wanderers first goal in 1953 and both goals in the 1958 success along with 30 goals in 33 England appearances.

Football in the COMMUNITY

The Endsleigh six a side challenge took place last week with Bolton being drawn against Burnley and Oldham at Turf Moor.

Our team consisted of supporters who had never met each other before the days games and on arrival both Burnley and Oldham looked very well prepared.

We played Burnley in the first game and started very slowly indeed conceding a goal in the very first minute and generally finding it difficult to get out of our half. At half time we were 3-0 down and I made four substitutions which seemed to help as we had two very good chances. However heads dropped as the fourth Burnley goal went in and we finished losing 6-0.

On watching Oldham v Burnley our side seemed to take heart in the fact Oldham were struggling and they lost 4-1 therefore I sent out a very determined side who went into a 3-0 lead early in the first half with 2 goals from Brian Fay and one from Andrew Parker. After making

changes at half time we conceded a goal early in the second half which gave Oldham the impetus and only fine goalkeeping by Neil Thompson kept our noses in front. Neil was only beaten again in the last minute and therefore we won the game 3-2. We finished second overall and showed some good touches in the second game and Phil Bury who played at the back seemed to shore up the defence.

Well done to everyone who took part and hopefully we will be more successful next year

Bolton Wanderers 3

Liverpool 1

The Wanderers reserves bounced back from two defeats to take the points with a sterling display against Liverpool at Burnden.

Aidan Davison saved well from a Jan Molby piledriver in the opening minutes whilst at the other end Gary Martindale forced Tony Warner into making a tentative stop.

Neil Fisher had a strong penalty appeal turned away when he was brought down in full flight by Mark Wright whilst Warner denied Owen Coyle on two occasions.

Liverpool went ahead in the 23rd minute, Russell Whitehead capitalising on some defensive hesitancy to nip in a collect a loose ball before shooting home.

The introduction of Fabian de Freitas at the interval injected extra

pace into the Wanderers attack but he hadn't touched the ball before Bolton found an equaliser.

Two minutes after the re-start Coyle was felled by Steve Harkness and the stiker got up to convert the penalty kick himself.

Four minutes later Bolton were in front. Davison made a good save from Molby before the ball went straight to the other end where Coyle got free to chip over the advancing keeper and into the empty net.

The Wanderers gave themselves a cushion with a third goal in the 71st minute. Stuart Whittaker's left wing corner eluded Warner, who was under pressure from Coyle, and the ball ended up in the back of the net.

Bolton: Davison, Powell, Aljofree, Fisher, Bergsson, Leather, Wiggans, Patterson, Martindale, Coyle, Whittaker. Subs: de Freitas for Wiggans, Cumberbatch for Patterson, Westhead.

Liverpool: Warner, Brunskill, Harkness, Brydon, Wright, Whitehead, Clough, Charnock, Clegg, Molby, Stannard, Subs: Neal for Brydon, Morley for Charnock, Wilkinson.

Bolton Wanderers A-L

BLACKBURN ROVERS

The Ewood Park club were formed a year after the Wanderers (then known as Christ Church) in 1875. The first competitive match between the clubs came in what was the opening season of the Lancashire Cup in 1879/80. Having beaten All Saints in the first round by 5-2 Bolton then travelled to Blackburn only to go down 4-0.

In 1885 the Wanderers defeated Rovers by 5-1 in the semi final of the competition only to be disqualified for fielding ineligible players. A year later the Trotters won the prestigious trophy for the first time with a single goal victory over Rovers at Deepdale. Bolton's first FA Cup defeat came at the hands of Blackburn in November 1882. Since then the Wanderers have twice ousted their near neighbours on the way to winning the competition.

In 1929, after a 1-1 draw in the sixth round at Ewood before crowd of 62,522, Bolton ran out 2-1 winners in the replay before an even larger crowd of 65,295. Two Billy Butler goals won the day and he also went on to score in the semi final and final victories over both Huddersfield and Portsmouth.

In 1958 a crowd of 74,800 saw two goals from Ralph Gubbins send the Wanderers to Wembley with a 2-1 semi final defeat of Rovers at Maine Road. The sides were both original members of the football league with the first game ending in a 4-4 draw at Rovers in December 1888. A month later Bolton won the return 3-2 at Pikes Lane.

The first 90 league games all took place in the first division, the last being in February 1964 when Rovers registered their best win in Bolton with a 5-0 success. By the early seventies both Lancashire clubs were in the third division but were chasing promotion in 1972/73.

Former Rovers John Bryom netted one of Bolton's goals in a 3-0 win at Ewood, whilst a Burnden crowd of 33,010 saw Rovers become the only side to defeat the Wanderers in the league on home soil in what was a championship term.

The club's haven't crossed paths in the league since 1982/83 when, in the old second division, a Tony Henry goal won the points for the Wanderers at Burnden.

Our overall record in the league against Rovers is Played 116 won 50 drawn 23 lost 43 for 188 against 186

a 'WANDERING' we will go...

To Elm Park home of Reading Football Club on Saturday 22nd April 1995 kick off 3.00pm.
Coaches depart Burnden Park at 10.30am price £7.50 members £9.50 non members.

It's another big away game for the Wanderers. Reading have been the surprise of the season. When they were up at the top of the league early season pundits said they would not last the pace but during the season have proved to be a formidable side. Co-managers Jimmy Quinn and Mike Gooding have steered The Royals to a possible play off place and, as such, some of their players have been under top club spotlights, none more so than Trinidadian goalkeeper Shaka Hislop who has had an outstanding season.

It was a hard fought game at Burnden when on January 2nd we secured the three points with a 1-0 victory, Simon Coleman hitting the all important goal.

At the time of going to press it has not been decided if the game will be all ticket but prices are as follows:-

"A" stand adults £9.00, children and senior citizens £4.50. On the open terrace there is one price of £7.50. Car parking is street parking and at Prospect school. Coaches will be directed to The Meadway. The nearest railway station is Reading West approximately 0.5 mile from the ground. The matchday programme is priced at £1.50.

Disabled spaces are few and supporters requesting these should phone Reading on 01734 507878 for details.

How to get there...

Use motorway M4 until junction 10. Leave motorway and use A329 and A4 into Reading. Follow signs Newbury into Bath Road. Over railway bridge then take third turning on right into Liebenrood Road. At end turn left then right into Waverley Road, and right again into Norfolk Road for Reading FC.

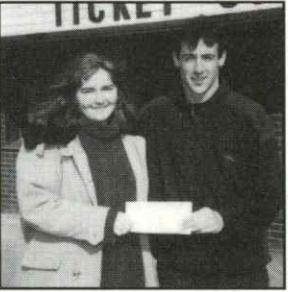

Have a safe, enjoyable and pleasant journey.

WORK EXPERIENCE

As with any local business we work closely with our local schools and colleges and from time to time we have boys and girls down at the club on work experience. Samantha Barlow of Adlington, who attends Bolton college, came into the Goldline Office for two weeks to see how the Goldline operation works and to help in getting our new computerised system up and running.

Samantha did an excellent job for us and as a little

thank you Alan Thompson, Sam's Wembley hero, wished her all the best in her forthcoming college exams.

PLAYER SPONSORS

An important part of our commercial activities is the player sponsors where local people and businesses sponsor our players.
