## From the manager's chair

GOOD evening and welcome to this evening's top-of-the-table clash with Brentford, although recent results for both teams make it a surprise that it should be still a clash between the teams first and second in the league.

In spite of just three points from the last 15 available, and not having won in the last five matches, we have managed to retain that second spot in Division Two which is psychologically important to us, being an automatic promotion place, and we are well aware that a win tonight would put us top over the weekend.

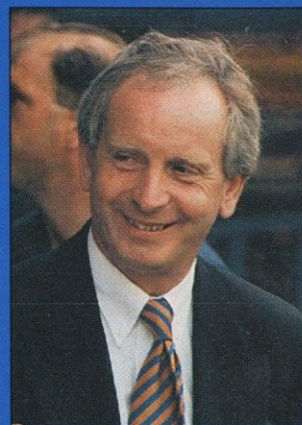

Looking back over the recent sequence of games, where we have played four out of five away, all the matches have been close but none have yielded the magic three points.

Wrexham last Wednesday saw a very good attacking performance in the first-half which unfortunately was not converted into sufficient goals.

The second-half was a much more scrappy affair, with Wrexham scrambling a goal, and to be fair we didn't do enough to win.

The draw at Crewe on Saturday was a different story, and we were very competitive, pressurised well, passed the ball well, and created as many chances as Crewe with more possession around the opposition penalty area.

The players gave me good signs that they understand what is required to win promotion, and they certainly seemed to appreciate the importance of that particular fixture, which if Crewe had won would have put

with **LENNIE LAWRENCE**

them above us.

Before Christmas when we were winning games consistently, we were excellent in both penalty areas, virtually watertight in our own, and converting a high percentage of chances created at the other end.

Last Saturday we had the solid look defensively, and if we can get back on the goal trail we can rediscover that pre-Christmas form. If we can manage that, having come through a difficult spell still second, we can gain that automatic promotion place. Tonight we entertain one of our most formidable obstacles in obtaining automatic promotion, and we welcome the players, supporters and officials of Brentford.

Like us, Brentford have had a difficult time of late, losing fewer games, but scoring fewer goals, and doing less well at home.

But what has to be respected is their excellent away record

which is by far the best of the leading clubs as they have already won nine times on their travels. We will need to be at our best to get the three points tonight.

To be fair, in the last home game against Millwall, from a football point of view, we were certainly good enough. At Crewe we were competitively at our best, and if we can combine the two ingredients together we will be right back on track.

I don't think I have seen a game like that one against Millwall in terms of chances created but not converted.

We enjoyed some good fortune prior to and over Christmas, so perhaps that has evened out now.

But we can take heart from the performance against Millwall, especially playing for much of the game with 10 men, and if we can reproduce that then Brentford will do well to beat us tonight.

Promotion campaigns are usually decided over the final eight or nine games and we are rapidly approaching that time of the season.

Happily, and surprisingly, we are still second coming towards the end of a difficult month when we have played the majority of matches away from home, and have met many of the 'top' sides. Our immediate target is to still be in an automatic promotion place after next Saturday's trip to Burnley, and to do that we will certainly need to win either tonight or at Turf Moor, with a win and a draw possibly putting us top.

Your support against Millwall was excellent, and the

atmosphere created was appreciated, so please continue to get behind the team.

Mitchell Thomas is likely to be back in the side tonight, with Darren Patterson suspended for this game, but available next week when Julian James is suspended.

Ceri Hughes will also be missing next week due to international duty, but Dwight Marshall should be fit to return after a groin injury.

We have collected the odd suspension, and one or two injuries, but importantly this has not radically affected the shape of the team.

LUTON Town stayed in second place in Division Two after Tuesday night's matches, as Crewe and Millwall drew 0-0 at Gresty Road.

But that result, combined with Watford's home win over Bristol Rovers, means that five teams are level on 58 points from second to sixth position. (See page 54 for up-to-date league table).

Crewe supporters had waited until March to see a goalless draw at Gresty Road this season but have now had two in succession as the 0-0 against Millwall followed Saturday's 0-0 draw against the Hatters.

Keepers Tim Carter and Jason Kearton were the heroes on Tuesday night, with the Lions bouncing back from Saturday's disappointing home defeat by Bournemouth.

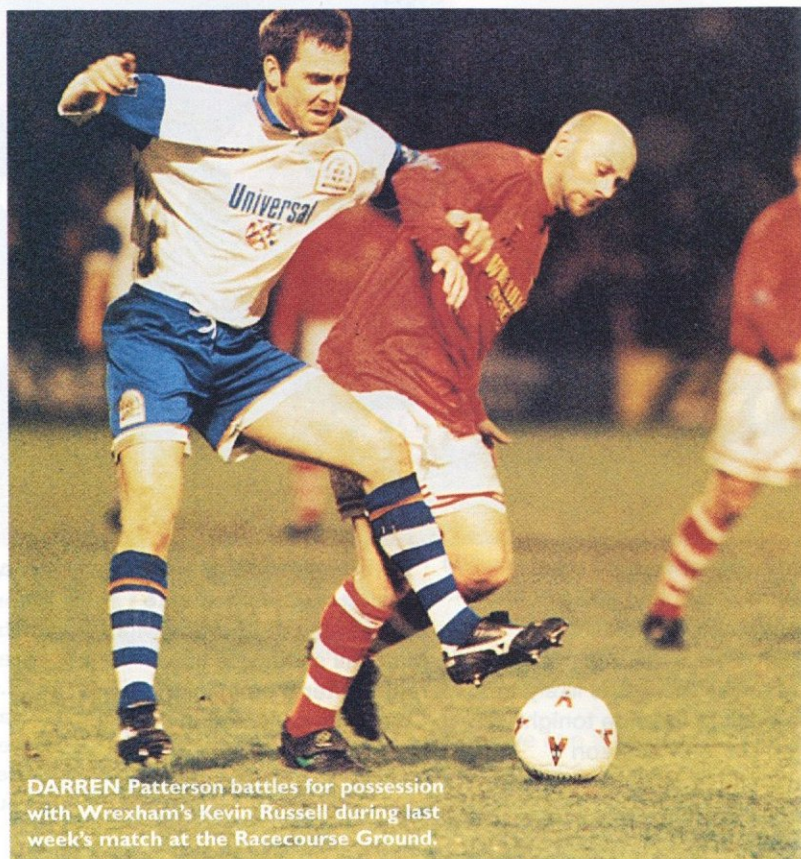

At Vicarage Road, Watford recorded their fifth successive home win, with keeper Kevin Miller chalking up his seventh league clean sheet in a row at home.

Tommy Mooney netted the only goal of the game after six minutes, with boss Kenny Jackett admitting: "It wasn't pretty, but obviously it's the points we need now."

"Games at this end of the season tend to be scrappy because there is so much at stake."

Bristol City missed out on the chance to close the gap on the top sides as they crashed 2-0 at home to struggling Rotherham.

Walsall bagged a last minute equaliser in a 1-1 draw at home to Blackpool, with Wrexham also missing the chance to make up ground as they lost 2-1 at Preston.

DARREN Patterson battles for possession with Wrexham's Kevin Russell during last week's match at the Racecourse Ground.

The game at Deepdale was held up midway through the first half after a small fire in one of the stands.

Stockport are still well placed in the Division Two table, with games in hand, but were in cup action again on Tuesday, in the Auto Windscreens Shield northern section final, losing 2-0 to Carlisle in the first leg at Brunton Park.

In the southern section, Colchester

have won through to Wembley.

With ex-Hatters David Greene and Tony Adcock in their ranks, the third division side beat Peterborough 3-0 on Tuesday night in the second leg of their final, overturning a 2-0 deficit from the first leg against Barry Fry's side.

The winning goal was a 'Golden Goal' scored in extra time by Paul Abrahams.

# LEADING THE LINE

by Club Captain  
**STEVE DAVIS**

**LEFT: Steve Davis escapes the clutches of the Wrexham defence to head his seventh goal of the season, putting the Hatters 1-0 in front at the Racecourse Ground.**

ABOUT a month ago this game tonight was being billed as a 'championship decider' between ourselves and Brentford.

But it was never going to be that simple, and both sides have dropped points in recent games, and at the time of writing there was no guarantee that we would even be the top two sides in the division.

But what is certain is that tonight's winners will go or remain top, and will take a big step towards the ultimate aim of promotion.

If we play like we did against Millwall in our last home game then we have every chance.

There was a real disbelief in the dressing room afterwards that we didn't get anything out of that

game, and certainly Millwall used up a whole season's quota of luck in that match never mind one game's.

The defeat was disappointing, if not the performance, but against Wrexham there was disappointment in both the result and the display.

We started well, but couldn't maintain the pressure in the second half. From a personal point of view it was nice to score, and I am pleased with my tally of seven for the season so far.

At Crewe we tightened things up, and that will probably prove to be a point won over the course of the season. Again from a personal point of view I was relieved to get through another game without a yellow card, which means that I will be available for the trip to Burnley next week.

This will be a real test, and having missed the game against my old club on the opening day of the season I was desperate to be available for the return at Turf Moor.

First though we have to tackle Brentford who, like ourselves, will be anxious to return to winning ways. We were twice in front back at Griffin Park in August, only to lose 3-2 and are looking to exact revenge this evening.

It promises to be a good atmosphere tonight, and hopefully a better game than for Sky's last visit!

FIRST of all a reminder that our FA Youth Cup quarter-final against Watford takes place here, at Kenilworth Road, on Tuesday, March 25, kick-off 7.30pm.

Admission is £3 for adults and £1 for juniors and senior citizens, with the winners playing Leeds United in a two-legged semi-final.

It is unreserved seating on Tuesday evening, in the Main Stand and Enclosure only.

Our youth team game against Watford means that the reserve game against the Hornets, scheduled for Wednesday, March 26, will now be played on Thursday, March 27, with a 7pm kick-off at Kenilworth Road.

The reserve match against Bournemouth will now take place on April 7 at Hitchin, kick-off 7pm, and the reserves' trip to Millwall has now been confirmed for Wednesday, April 23.

On the subject of reserve team games, we are still waiting to re-arrange the home game against Brighton, following the postponement last month.

A number of youth team games were postponed over

with **CHERRY NEWBERY**

the Christmas and New Year period, and these have now been re-arranged.

The youth team will travel to Bristol City on March 29, and will entertain Colchester and Bristol City on April 19 and 26 respectively.

Crewe Alexandra have asked us to pass on their thanks to all Luton supporters who travelled to Gresty Road last Saturday.

Their letter included the words, "it was a pleasure to observe the kind of behaviour

we all want to see at football matches," and it is always nice to receive such praise.

## ON THE BUSES?

IN conjunction with the Shires Bus Company, the club is looking at ways to get supporters to the ground more easily on matchdays, as we are aware of the parking difficulties in the Kenilworth Road area.

We are looking at additional services from Milton Keynes, Leighton Buzzard and other areas, and at the possibility of being able to buy bus tickets with match tickets.

I would like to hear any views or ideas that you may have on this subject. Please contact me at the club, either in writing or by telephone.

**KEVIN DEARDEN** - Luton-born goalkeeper who joined on a free transfer from Tottenham in September 1993 and has been first choice ever since. Began as a trainee at White Hart Lane in 1988 but made only two appearances for Spurs.

**TAMER FERNANDES** - Goalkeeper who has come up through Brentford's junior ranks, signing professional in 1993. Former England Under-18 international.

**JAMIE BATES** - Inspirational club captain who was granted a well earned testimonial season last year. The former Bees junior made his debut at Carlisle in 1986 and has since filled every defensive position in over 300 appearances, though he is now firmly established at centre-half.

**BRIAN STATHAM** - Former England Under-21 defender who joined from Spurs in January 1992 for £70,000.

**GUS HURDLE** - Earned his chance at Brentford after approaching David Webb at the training ground and asking for a trial. Former Fulham junior who can play either right-back or in central defence.

**BARRY ASHBY** - Central defender who arrived in March 1994 in part of a swap deal that took Keith Millen to Watford. Has made over 100 league appearances for both the Hornets and the Bees.

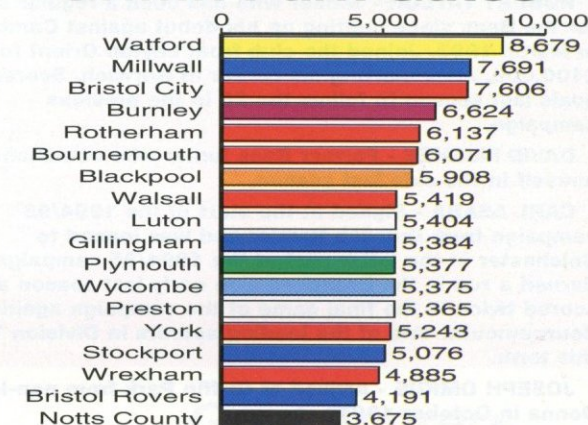

**IJAH ANDERSON** - Former Spurs trainee who joined on a free transfer from Southend in July 1995. Made the left-back slot his own after Martin Grainger moved to Birmingham last March.

**LEE HARVEY** - Played the second-half of last season at right-back following Brian Statham's injury, but is now ruled out himself for the remainder of this campaign. Joined Brentford in 1993 after nine years at Leyton Orient and a brief spell at Nottingham Forest.

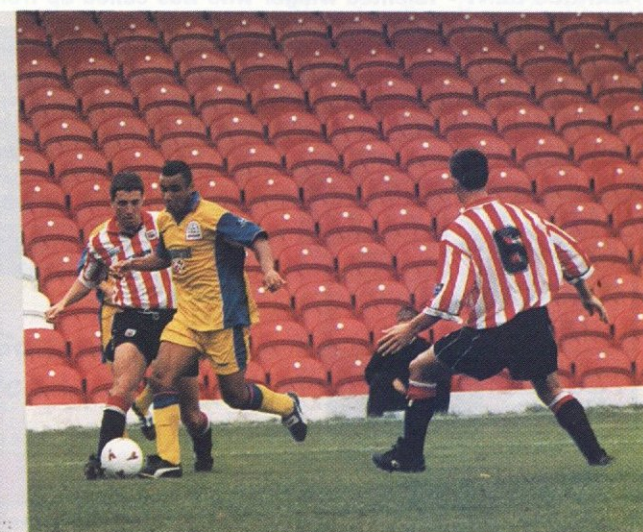

(Continued on page 14).

### Griffin Park Gates

RIGHT: Kim Grant takes on the Brentford defence during the August meeting between the two sides earlier this season at Griffin Park, which the home team won 3-2 after twice being behind.

**CARL HUTCHINGS** - Former Brentford junior who signed professional forms in the 1993 close season. Versatile player who can play at full-back, in central defence or in midfield.

**PAUL SMITH** - Regular in the centre of midfield since rejoining David Webb at Griffin Park from Southend in the summer of 1993.

**STUART MYALL** - David Webb's first signing last summer on a free transfer from Brighton. Midfielder who began his career as a trainee at the Goldstone Ground five seasons ago.

**KEVIN DENNIS** - Left winger who joined the Bees after completing a one year pro contract at Arsenal, where injury held up his progress.

**RICHARD GODDARD** - Central defender who joined Brentford in the summer from Arsenal, having been released by the Premiership club.

**SCOTT CANHAM** - Made 14 appearances for Brentford while on loan from West Ham last season. His contribution led to David Webb securing his services on a permanent basis from the East London club in August of this year.

**ROBERT TAYLOR** - Striker who has been a regular scorer for the Bees since meeting on his debut against Cambridge in March 1993. Joined the club from Leyton Orient for £100,000, after starting his career at Norwich. Scored 16 goals last season to follow the 25 in the previous campaign.

**DAVID MCGHEE** - Former Bees junior who established himself in the side last season.

**CARL ASABA** - Signed at the start of the 1994/95 campaign from Dulwich Hamlet and was loaned to Colchester in the latter part of the 1994/95 campaign. Earned a run in the Brentford side early last season and scored twice in the final game of the campaign against Bournemouth. One of the leading scorers in Division Two this term.

**JOSEPH OMIGIE** - Arrived at Griffin Park from non-league Donna in October 1994.

**MARCUS BENT** - Talented winger who was called up from the South East Counties League side into the first team last season, responding with some fine displays and goals.

**KEVIN RAPLEY** - Another product of the Bees' junior system who signed professional terms in the summer.

**MALCOLM MCPHERSON** - Snapped up on a free transfer from West Ham during the summer, having joined the Upton Park club from non-league Yeovil in 1993.

## MEET THE MANAGER

The current campaign is the fourth at the helm for DAVID WEBB (pictured below), after replacing Phil Holder in June 1993.

After a distinguished playing career as a defender with Orient, Southampton, Chelsea, QPR, Leicester, Derby and Bournemouth, he became manager at Dean Court in December 1980, leading the Cherries to promotion from Division Four in 1982.

He moved to Torquay and then Southend, taking the latter from the fourth to the old second division, before leaving and returning to Chelsea, saving the Blues from relegation from the Premiership in 1993.

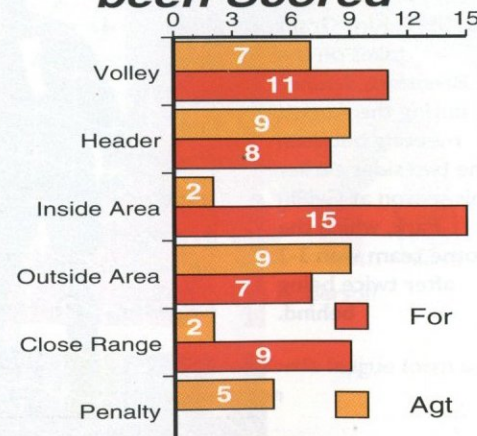

While a player at Stamford Bridge he earned FA Cup and European Cup Winners' Cup winners medals, and is perhaps best remembered for heading the winning goal in the 1970 FA Cup Final replay against Leeds at Old Trafford.

Webb's assistant is the former West Ham, Fulham and Southend defender KEVIN LOCK, who was in West Ham's 1975 FA Cup Final winning team.

Youth team coach is the former Brentford stalwart BOB BOOKER, who was at Griffin Park from 1978 to 1988.

## How Goals have been Scored

## A Hatter & a Bee

Although CHRIS KAMARA was born and raised in Middlesbrough, he joined south coast side Portsmouth from school, and after coming up through the ranks made his league debut, coincidentally against the Town, in September 1975 at Fratton Park. For the record we won 2-0!

After a couple of seasons at Pompey he moved to Swindon for £20,000 and enjoyed four years at the County Ground before transferring to Brentford where he made 152 league appearances scoring 28 goals.

He then returned to Swindon in August 1985 and moved in quick succession to Stoke and Leeds for increasingly higher transfer fees. Obviously he matured with age!

After finding himself out of the side at Elland Road, after helping Howard Wilkinson's side back into the top flight, he came south again - this time to Kenilworth Road in

ABOVE: Chris Kamara in the thick of the action in the home FA Cup game against Bristol City in 1992/93.

November 1991 for a fee of £150,000. He joined a Town side struggling to avoid relegation and was ever present as we failed at the last. In the following season he was one of a few players dropped after a terrible 4-1 home defeat by Grimsby, and after loan spells at Middlesbrough and Sheffield United

he joined the Blades on a free transfer in the summer of 1993.

Moving on again a year later to Bradford City, he hung up his boots soon after and is now manager at Valley Parade (or the Pulse Stadium as it is now known), succeeding Lennie Lawrence in the hotseat. - ROGER WASH.

Prices are £11 for Junior Hatters and £13.50 for adults, with the price including coach fare and entrance to Wembley Stadium. For more information please contact the ticket office.

Thanks to everyone who came with us to Crewe last Saturday, and we are now looking forward to our next away trip to Rotherham on April 5. But please note that the coach for Rotherham is now full.

## Nationwide Review off to a winning start

MORE than a few memories were stirred earlier this month when the more senior football observers attending matches in the Nationwide Football League spotted the new 'Nationwide Review' supplement tucked inside their matchday programme.

'The Football League Review' was a much sought-after inclusion in the club programmes of the late 1960s and early 1970s, and last weekend a similar production was included in the matchday magazines of the clubs playing at home in the Nationwide Football League.

This free magazine, which is being supported by Football League sponsors the Nationwide Building Society, consists of 16 pages in full colour, and includes articles on the 72 clubs throughout the three divisions, competitions and feedback from fans.

The Nationwide Review will be produced for each of the remaining weekends of the football season and it is anticipated that over 150,000 copies will be distributed each week to clubs playing at home and to Nationwide Building Society branches across the country - with an anticipated weekly readership in the region of 500,000 supporters.

Tony Leighton, the Editor of Nationwide Review, commented: "We hope it will be entertaining, informative and topical and will be the forum for informed football debate. If anyone has a story for the Nationwide Review they can contact me on 01283 840640."

(LTFC note: The Nationwide Review will be available with the LTFC programme at weekend home matches for the remainder of the season. Distribution may vary at away matches.)

ABOVE: Northern Ireland international Darren Patterson (pictured above in action at Wrexham) is suspended for tonight's game. Darren's booking at Crewe last Saturday pushed him over the 21-point mark for the season in Luton matches, but the suspension is sooner than expected as he was infact already over 21 points following a booking whilst on loan at Preston earlier this season. That yellow card came in the final of a Pre-Season Tournament against Blackpool which had been delayed into the campaign.

## League confirm Finals and Play-Off times

THE kick-off times for all of the Football League's major events at Wembley Stadium this season have been confirmed, and these include a departure from the previous campaign for the League's two knockout competitions.

This season's Coca-Cola Cup Final on Sunday, April 6, will kick-off at 3pm and will be live on Sky Sports, whilst the Auto Windscreens Shield will kick-off at 1.30pm on Sunday, April 20, and will also attract live coverage from the satellite station.

The Nationwide League Play-Offs, which are being contested at Wembley for the eighth consecutive season, will once again take place over the Bank Holiday period between May 24 and 26, and will all kick-off at 3pm.

Without wishing to tempt fate, it is an appropriate moment to

remind you of the promotion and relegation format for Division Two this season, together with dates for the various matches.

**Automatic promotion - top two.**  
**Play-Offs -** The next four teams contest the play-off to decide the third promotion place.

Semi-finals, first leg - Sunday, May 11 - 6th v 3rd, 5th v 4th.

Semi-finals, second leg - Wednesday, May 14 - 3rd v 6th, 4th v 5th.

The two semi-final winners will contest the Second Division Play-Off Final, for promotion to Division One, at Wembley on Sunday, May 25.

**Relegation - bottom four.**

Television coverage of the Play-Off matches has yet to be announced.

LEFT: Ceri Hughes keeps his place in the Welsh squad for next week's World Cup qualifier against Belgium.

## Hughes called up for World Cup bid

LUTON midfielder Ceri Hughes has been called up by Wales manager Bobby Gould for next Saturday's World Cup qualifier against Belgium, in Cardiff.

Ceri was a substitute in last month's friendly against the Republic of Ireland, and keeps his place for this vital qualifying match.

Unfortunately for the Hatters though, his call-up means Ceri will miss next weekend's trip to Burnley.

Meanwhile, Darren Patterson is on stand-by for Northern Ireland's B international, at home to Portugal, on Friday, March 28.

LEFT: Pictured, prior to the game against Millwall, with their winning drawings are the three winners in our recent Player Portrait Competition.

The winners were Megan Scrivener (under 10), Daniel Bennett (10 to 13) and Joanne Harris (14 to 16).

## INJURY UPDATE

### Thomas back after nose operation

MITCHELL THOMAS is due to return to the side this evening after recovering from the broken nose he suffered at York.

He has missed the last four games, but was back in training this week.

RICHARD HARVEY was due to return to competitive action in the reserves at Southampton on Wednesday evening.

Richard suffered a cruciate knee ligament injury during the pre-season game against West Ham, and was due to play 45 minutes against the Saints.

As I wrote in the Millwall programme, Richard was hoping to play against Ipswich reserves but he wasn't quite ready, and after so long out of the side we weren't going to rush anything.

BEN CHENERY is back in training after a thigh strain, and was also due to play at Southampton, whilst AARON SKELTON has had an injection in his injured knee which appears to have eased the problem.

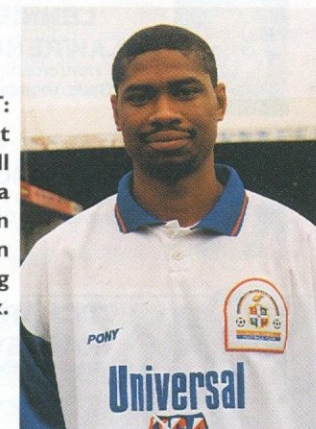

DWIGHT MARSHALL, DES LINTON, STUART DOUGLAS and ANDREW FOTIADIS have all been receiving treatment for groin strains.

Dwight suffered his in training last Friday, and hence missed the trip to Crewe, with Des expected to return in the reserves at Southampton.

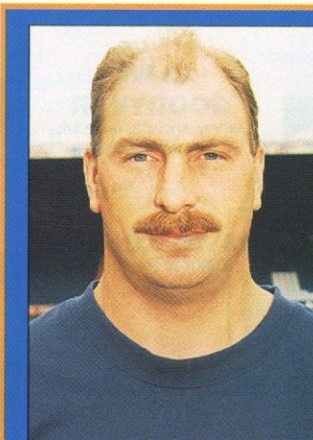

CHRIS WILLMOTT has undergone surgery to repair ruptured ligaments in his left knee, whilst youth team striker ANDREW BARR had a groin operation yesterday and will miss Tuesday's cup tie.

Over the last 20 years the Trust has received and distributed £250m from Littlewoods, Vernons and Zettlers Pools and Littlewoods Spot the Ball competition for the benefit of football.

Up and down the country, clubs are building new grounds and stands, installing seating, and providing safe and comfortable facilities for their spectators to enjoy. ## Those were the days

THE summer of 1963 saw the Town back in the old Division Three for the first time since 1937, and after four years of struggle we looked forward to a period of consolidation before making a push back to the top flight which we had left in 1960.

With a team made up of veterans and other clubs' cast offs we had one ace up our sleeve in a young goalscorer signed from Chester the previous season - Ron Davies.

Davies had been enticed to Kenilworth Road in October 1962 and became an instant crowd favourite, scoring 21 league goals in 29 games in a poor Luton side.

I shudder to think how many more games we would have lost during that relegation season if he had not been taking the weight of the forward line on his shoulders.

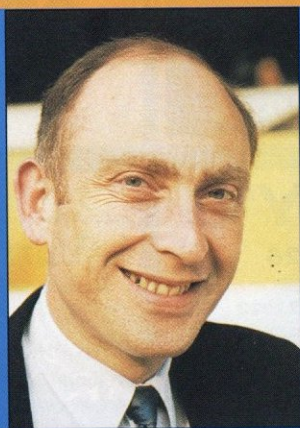

All seemed set fair as we started 1963/64 with Walsall the visitors to Kenilworth Road, and a healthy crowd saw the aging Gordon Turner score a solitary goal to secure a 1-0 victory.

After a narrow defeat at Crewe and a 1-1 draw at Reading, the early season news that we had all been dreading, but unfortunately expecting, spread through the streets of Luton. Ron Davies had been sold.

Looking back, the fee of £35,000 paid by second division Norwich turned out to be an absolute steal considering the sterling service he gave the Canaries, and later Southampton and Wales. In our eyes, scoring six goals against the Norfolk side the previous season was the worst thing he could have done, given the relentless way Norwich manager Ron Ashman had chased his man afterwards.

A poor Luton side became even poorer with the sale of Davies and the goalscoring completely dried up. The mantle of leading the attack was placed firmly in the hands of 33-year-old Gordon Turner who was surrounded by some pretty ordinary players.

Instead of looking forward to a season where we

by **ROGER WASH**

got the club back on the right lines, it looked like we were set to plummet straight through to Division

Four.

During the first half of the campaign we suffered some heavy defeats with 4-0 and 4-1 home thrashings by Crystal Palace and Bristol City still fresh in my mind after all these years!

By the time Christmas came we were struggling at the bottom of the table with a grand total of four wins to our credit.

A forward from Northampton, Ray Smith, had been signed for £5,000, but he lasted only a few anonymous games before disappearing off to non-league football, while another forward, brought to Kenilworth Road in December 1963 caused barely a ripple of enthusiasm amongst the by now highly cynical Luton supporters.

John O'Rourke was 18 when he came to Luton having become

surplus to requirements at Chelsea where Tommy Docherty was blessed with plenty of forward cover. As O'Rourke had also been given a free transfer by Arsenal in his short career we could hardly be blamed for accusing the board of taking on yet another cast off.

O'Rourke made his debut on December 21 1963 in a 2-1 home win over Reading and he immediately caught the eye with his youthful enthusiasm and no little skill, and by the time of his first goal, in a 3-1 home victory against Colchester in January 1964, he had been taken to our hearts.

Although we had started to pick up the occasional home win, our away record was dire without a victory on foreign soil since October 1962, and it could therefore be fully understood that only a handful of Luton supporters made their way to Griffin Park, Brentford, on February 8, 1964 to see bottom of the table Town take on a Bees side that had won easily 2-0 at Kenilworth Road the previous September.

**LEFT:** The Town side on the opening day of the 1963/64 season. Back row: l to r: King (trainer), Daniel, Morton, Baynham, Fincham, Pacey, Bramwell. Front row: Walden, Turner, Davies, Salisbury, Jardine.

We looked set for yet another defeat as early as the 11th minute, when Brentford winger Mark Lazarus raced from his own half to set up an easy chance for Billy McAdams to give the Bees a 1-0 lead which was easily held until half-time.

What happened in the first 21 minutes of the second period created a new Luton hero and made a complete mockery of the Town's lowly league placing.

On 46 minutes, Harry Walden equalised for the Town with a simple tap in, before John O'Rourke took over, scoring four goals - including a seven minute hat-trick - to turn the game on its head.

Lazarus had knocked in a consolation for Brentford in amongst O'Rourke's devastating spell, but Walden put the game beyond any doubt just before the end with his second and the Town's sixth.

Brentford complained about an injury to goalkeeper Chick Brodie, but as the score was 4-2 in our favour when he left the field, it hardly mattered.

O'Rourke was a revelation that season as his 22 goals from only 23 games proved, with the Town escaping relegation at the death following a run of nine games without defeat at the end of the campaign.

Tommy Docherty was left to rue his decision to let O'Rourke go, while we would never again moan about cast offs..... not for a couple of years anyway!

Luton: Baynham, McBain, Bramwell, Pacey, Caleb, Lownds, Walden, McKechnie, O'Rourke, Reid, Riddick.

Brentford: Brodie, Jones, Thomson, Smith, Gelson, Higginson, Lazarus, Fielding, McAdams, Ward, Block.

## 5 YEARS AGO

21/3/92: Despite a Mark Pembridge goal in the first minute, the Town went down 2-1, in controversial fashion, to fellow Division One strugglers Southampton at the Dell, in front of a crowd of 15,315.

## 10 YEARS AGO

21/3/87: A dull 0-0 draw at Norwich was enlivened by a tussle between Town fullbacks Rob Johnson and Ashley Grimes, which led to Grimes being ordered off!

## 15 YEARS AGO

20/3/82: An end-to-end game at Selhurst Park ended with a final score of 3-3, after a late Palace equaliser. Raddy Antic, David Moss and Brian Stein were the Luton goalscorers.

## 20 YEARS AGO

19/3/77: In our first (and last) trip to Hereford, a solitary goal from Ron Futcher earned us both points. The win pushed us up to third place in the old Division Two.

## League delegation travel to Europe

A SENIOR delegation from the Football League have met recently with leading EC figures, including commissioner Karel Van Miert, to discuss the major issues facing football.

The Football League's delegation, led by Chairman David Sheepshanks and Secretary David Dent, met with key department heads, UEFA and the senior European Commissioner Karel Van Miert.

The visit was organised by Mark Hendrick MEP, whose assistance David Sheepshanks described as invaluable.

Mr Sheepshanks commented: "With the Football League representing 75 per cent of the professional game in this country it is vital for the health of our Football League clubs that we personally meet with the important decision makers in Europe.

"Changes to the game may be inevitable as a result of the Bosman ruling. Whatever these are it is important that the Football League plays an active part in managing these changes.

"We need to play our part in forging the future direction of the national game."

## Pulis is Div Two winner

GILLINGHAM manager Tony Pulis was the Second Division Manager of the Month for February, after steering the Priestfield club to an unbeaten month from their four Nationwide fixtures.

The Gills recorded 10 points from the maximum 12 available in the month which helped the Kent club to pull away from the relegation zone and put them within a handful of victories from the play-off chasing pack.

Portsmouth boss Terry Fenwick won the

Division One award after his side won through to the quarter-finals of the FA Cup, with former Charlton boss Steve Gritt taking the Division Three award following an excellent string of results for his basement battlers Brighton.

Recipients of these Nationwide Football League managerial awards will receive a solid silver salver, and will have the pleasure of nominating a local school for a £150 prize to go towards sports equipment or kit.

## Motson signs for Sky..... Sky Ford!

JOHN Motson, perhaps English television's best-known football commentator, has signed for Sky..... Sky Ford that is!

John, a regular visitor to Kenilworth Road, who will be commentating on this season's FA Cup Final for the BBC, has taken delivery of a new Ford Mondeo, supplied by Sky Ford of Hemel Hempstead.

The car was handed over to him (left) by the dealership's joint Managing Directors Chris Green and Paul Hancock.

"I have known Chris, a director at Luton Town, and Paul for ages," said John, "and whilst I'm a neutral at football, I've been a Ford fan for years."

## Win tickets for your Junior team

OUR latest Team of the Month Award winners are Lancaster Park FC's Under 12 side, playing their first season in the Windowcraft Chiltern Youth League.

Following the large number of postponements over Christmas and the New Year we still have a number of awards to make.

The Loyal Luton Supporters Club are once again sponsoring the Young Team of the Month Award, having received a grant from NatWest Bank as part of the bank's Community Action

Scheme. The award is run on a monthly self-nomination basis, and is open to all teams, boys and girls under the age of 16. Winners receive 15 tickets (13 children and 2 adults) to a chosen Luton home match.

Anyone wanting to nominate their local youth, school, cubs or girls team, should send a letter to Simon Oxley at Luton Town Football Club, briefly explaining why they think they deserve to win one of the monthly awards.

We have already received a number of nominations. If your team hasn't already been selected, they might be next month.

All remaining nominations will be considered throughout the rest of the season.

## Transfer deadline at 5pm next Thursday!

THE 72 Nationwide League clubs have been reminded by the Football League that the transfer deadline for the registration of players this season falls at 5pm on Thursday, March 27, 1997, and players registered after this date will only be eligible to play in League or Cup matches where permission is given by the Board of Directors.

The Football League's Board of Directors will only allow such players to play in matches which will not have a bearing on promotion or relegation issues - and since the introduction of the play-off system such games are becoming increasingly few.

The League has stressed to its clubs that they must have a sufficient number of goalkeepers on their books prior to the transfer deadline as the Board of Directors will not give dispensation to clubs to sign and play goalkeepers after the deadline. Clubs have also been informed by the League that the deadline for registering players for

fixtures in the Nationwide Football League over the Easter period is a little earlier on Thursday, March 27 at 12 noon.

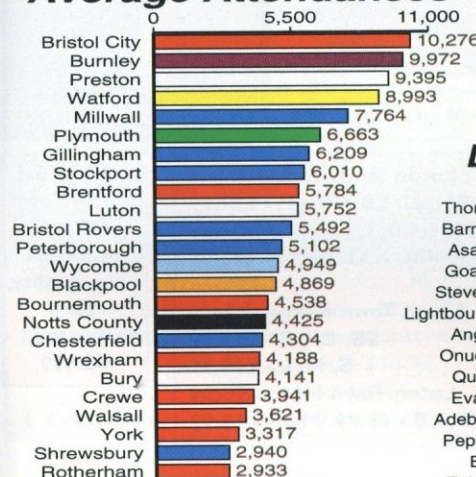

No former Town players were involved in Nationwide transfers during February, but earlier this month former Luton striker Kurt Nogan was on the move, making the short journey from Burnley to fellow Division Two side Preston.

Nogan started his career at Kenilworth Road before being released by the Hatters and moving on to Brighton.

He moved to Burnley for £300,000 a couple of seasons ago, and scored here for Burnley on the opening day of the current campaign.

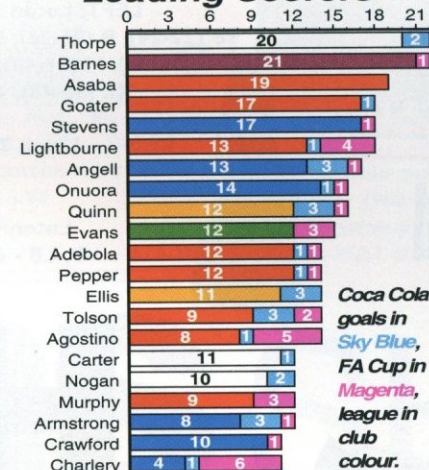

He is also one of a successful line of youngsters recommended to the club from Wales by scout Cyril Beech - a list which includes full internationals John Hartson, Ceri Hughes and Mark Pembridge.

## LTFC EVACUATION PROCEDURE

In the event of any emergencies at Luton Town Football Club, the emergency services and the club have agreed on an evacuation policy which is designed to:

- Ensure the safe and controlled evacuation of the ground.
- Ensure the dispersal of the crowd from the area to allow the emergency services to carry out their tasks.

In the event on an evacuation of all or part of the stadium, you will receive instructions over the public address system on how you should leave the stadium. Stewards will direct you to the nearest exit. It may be that your normal exit route will not be available. On leaving the stadium, you will find some roads closed to pedestrian traffic, to enable swift and unobstructed arrival of the emergency services.

Please leave the area of the ground as quickly as possible by the route directed. Your co-operation will be most appreciated.  
**GEOFF LOVELL**, Safety Manager.
