ON THE BENCH with

London Road's final Division Two fixture of the season has arrived and the outcome will almost certainly have a bearing on the battle for promotion. Alas, it is not ourselves but visitors Luton Town who are pulling out all the stops to reach Division One and are in the sort of challenging position that I confidently expected Peterborough United to be occupying right now.

I told you a fortnight ago how bitterly disappointed I was that our battles have been fought at the other end of the table, and although we produced another good home showing against Preston North End to follow-up the previous weekend's defeat of Bournemouth, it has been a case of too little too late as we have not matched these showings away from London Road.

Last Saturday's visit to league leaders Bury was a welcome exception. I could not fault the efforts of the players in any way. We passed the ball effectively and outplayed the best team, in the division only to be let down our final passes and finishing. We put them under tremendous pressure in the final 15 minutes and had goal-bound shots from both Roger Willis and Simon Clark cleared from the line.

Today we are determined to continue in a similar vein and sign-off for the season at London Road with an emphatic performance in a game certain to be played in a real cup tie atmosphere with a big contingent of fans making the short journey from Luton.

I would like to extend a warm welcome to London Road to all the Luton supporters, their dynamic chairman David Kohler and his fellow directors and, of course, to manager Lennie Lawrence and his squad. Lennie arrived

too late to prevent Luton from being relegated at the end of last season and it will be a tremendous achievement if he can get them back into Division One at the first attempt.

Lennie is noted for getting positive results from less fashionable clubs and at Kenilworth Road he looks set to repeat the promotion feats achieved first during a long spell in charge at Charlton and then at Middlesbrough. But much as I respect Lennie's achievements and wish him luck in the race for promotion, we are deter-

mined to make them battle every inch of the way for the points this afternoon. And the same goes for our final game next Saturday when we visit another promotion chasing side, Brentford.

We had a great band of supporters making the trip to Bury last weekend and once again I can only applaud your loyalty and devotion to the club. The level of support has been magnificent all season, even through the recent difficult days when we have slumped so disappointingly. I can't thank you enough and assure everyone that this season's disappointments have only served to increase my determination to put the club firmly back on the road to success next season.

Although this is the final first team game of the season, Posh Reserves are in action

here at London Road on Wednesday afternoon, facing Fulham Reserves in an Optimum Interiors Capital League fixture from which a draw will give us the league championship. The game kicks-off at 2pm, admission is free and I am sure it will be a highly entertaining match.

We have been at the top of the table ever since the

campaign opened and our sides have always included a fair sprinkling of younger players. Rest assured the lads will be really fired up and will be going all out to win us some silverware on Wednesday.

Enjoy the action today, get behind the side and let's try to finish our programme in style!

BARRY FRY

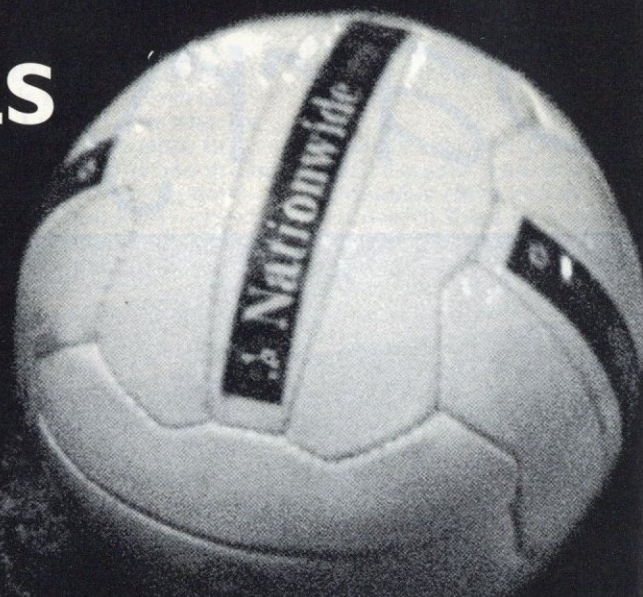

'THERE'S ONLY ONE BARRY FRY'

Anglia TV cameras have been with the Posh manager throughout the course of the season, following every traumatic twist and turn in the Peterborough United story. The result, an hour long programme 'There is only one Barry Fry' will be shown first on Anglia at 10.40pm on Friday 23rd May. It will prove compulsive viewing for Posh fans and producer/director Ron Trickett says: 'Barry gave us unprecedented access to film what happens behind the scenes of a football club. As a big football fan myself I found it riveting and I'm sure Posh fans will be gobsmacked. They'll see Barry as never before. I don't know what effect he had on the players but there were times he scared the hell out of us.' The programme shows Barry in full cry from the dug-out, at the training ground and even reveals what goes on in the Posh dressing room in the heat of battle.

KIT CARSON COLUMN

A great season for youth!

The season for the Peterborough United Centre of Excellence, our associated schoolboys and youth team soon comes to an end. Our Under 9s and Under 16s have played all over Britain and Europe during the season and other age group squads have been on their travels as well. The Under 10s were in Germany last November, the Under 11, 12 and 13s visited Denmark in October and the Under 13s and

Lee Minett - facing fresh challenges with Posh Soccer in 1997/98.

Under 14s were in Austria back in January and Denmark the following month. The Under 16s and members of the Youth Team squad were in the Netherlands in March and earlier this month.

During the close season there is just as much activity coming up. The Under 9s and 10s play in France and Denmark during May, the Under 11s go to Germany in June and Netherlands in August, the Under 13s are off to the Republic of Ireland in August with the Under 14s and Under 16s visiting Derry, Ireland in July.

There is also a busy programme for the Under 15s who play in France next month, Spain in July and the Netherlands during August.

So when they return in the summer our internationally experienced youth players will be ready to face English opposition once again. Being a young Posh player is exciting to say the least!

As the end of the season

John 'Gaffa' Morling - Director of the Peterborough United Centre of Excellence.

approaches I would like to express my sincere thanks to all our dedicated coaching staff - Keith Stubley, Luke Hobbs, Lawrence Clarke, Marc Tracy, Steve Gerrard, Kevin Flynn, Charlie Brewster and Lee Minett. My thanks also go to my full time staff of Paul Ashworth and John Morling for their total support - and to the newest member of the youth team, Chris Turner, welcome aboard!

Recent London Road new arrivals were prominent in the 2-0 Division Two success against Preston North End a fortnight ago. In addition to Ashley Neal we see Michael Williams, Miquel De Souza and Des Linton in action and this afternoon Des especially will be out to shine against his former club Luton Town. Apart from De Souza, Roger Willis also hit the target in spectacular fashion for Posh.

Supporters' Club annual meeting set for 15th May

All Posh followers are invited to attend the annual meeting of the re-formed Peterborough United Supporters' Club in the Starlite Suite at London Road on Thursday 15th May, starting at 7.30 pm.

The steering group set up during April will be announcing their proposals of benefits for club members in an exciting 1997-98 season programme including discounted travel to away fixtures; concessionary ticket prices; special events including forums, quiz nights and social functions with guest speakers.

The Supporters' Club is also anxious to develop closer ties and give increased backing to the parent club for the new season.

There will be elections when the officers appointed last month by the steering group offer themselves for re-election. They are: Peter McKendrick (chairman), Ray Duke (vice chairman), Sally Betts (general secretary), Brian Reed (special events secretary) and Mark Bevin (treasurer).

Auto Windscreens presentation

Footballers will be presented before today's game to seven schools who took part in a local competition to find a team to represent Peterborough United in the Auto Windscreens National Schools' Five-a-side competition. Orton Longueville came out on top from an entry also including Deepings School, King's School, Deacon's School, Queen's School, Wisbech, Bushfield School and Bretton Woods and reached the area semi-final last week when Walsall won through to the next stage at Bisham Abbey. The final takes place at Wembley during the Nationwide League play-off finals weekend at the end of next month.

Junior Posh wound-up their programme for the season with fun activities with members of Luton Town's Junior Hatters club earlier today - and look out for more friendly competition between the two sets of youngsters at London Road this afternoon.

Automatic promotion target

LENNIE LAWRENCE

Out of the top two divisions for the first time since the early 1970s, Luton Town, under the shrewd guidance of Lennie Lawrence - and with a hatful of goals from Tony Thorpe - are making a determined bid to climb straight back into Division One. Already assured a place in the play-offs, they still have high hopes of getting one of the automatic promotion tickets and seem certain to be roared on today by a big contingent of travelling fans. Lennie Lawrence became Luton's manager in succession to Terry Westley during December 1995 and took over a side bottom of the First Division. An unbeaten run of eight games lifted the Hatters out of the relegation zone before a dismal run in the closing weeks of the season with just two wins in 17 games saw them back in trouble and finally condemned to make the drop. After nine years as manager of Charlton, during which he took the South

Londoner back into the top flight after an absence of almost 30 years, Lennie moved on to Middlesbrough in 1991 and his first full season saw the Teeside club promoted to the Premier League. He left in 1994 when Bryan Robson took over and then spent over a year in charge at Bradford City before becoming Luton's 21st manager. Last summer brought a number of departures from Kenilworth Road including the £425,000 sale of Scott Oakes to Sheffield Wednesday, but a further potential big money move by Ceri Hughes to Crystal Palace fell through and the Welsh International returned to Luton after a trial spell at Selhurst Park. The only major close season signing was Paul Showler from Bradford City but as the new campaign unfolded the Hatters' greatest asset emerged from within their own ranks, Tony Thorpe embarking on his prolific scoring spree.

Here are the club officials and squad that has put Luton Town on promotion course this season. Back row (left to right): Stuart Douglas, Jamie Woodsford, Sean Evers, Kim Grant, Paul McLaren, Darren Patterson, Gary Simpson, John Taylor (now with Cambridge United), Ben Chenery, Bontcho Guentchev, Graham Alexander, Matthew Upson, Robert Kean, Chris Willmott; third row: Cherry Newbury (Club Secretary), Clive Goodyear (Physiotherapist), Wayne Turner (First Team Coach), David Oldfield, Des Linton (now with Posh), Marvin Johnson, Nathan Abbey, Ian Feuer, Kelvin Davis, Mitchell Thomas, Aaron Skelton, Andrew Fotiadis, John Moore (Youth Team Manager), Trevor Peake (reserve Team Coach), Les Shannon (Chief Scout); Seated: Julian James, Tony Thorpe, Steve Davis, Nigel Terry (Director), David Kohler (Chairman), Lennie Lawrence (Manager), Cliff Bassett (Director), Chris Green (Director), Gary Waddock, Dwight Marshall, Richard Harvey; front row: Liam Geroge, Gary Doherty, Jimmy Cox, Steve Augustine, Andrew Barr, Nick Webb, Russell Lawes, Terry Sweeney, Matthew Spring, Andre Scarlett, Andrew Smith, Ian Jones.

JULIAN JAMES

IAN FEUER (Goalkeeper): Las Vegas-born understudy to Ludek Miklosko at West Ham made his league debut for Posh playing the last 16 games of the 1994/95 season on loan. The 6ft 7in giant was then on loan to Luton before being bought in December 1995 for a fee that could rise to £580,000 depending on appearances. He was the Hatters 'Player of the Year' for 1995/96. JULIAN JAMES (Defender): A former Luton trainee who suffered the dubious distinction of being sent off in his full debut at Leeds in the Littlewoods Cup in 1988. Completed 10 years of service last year and was granted a benefit.

MARVIN JOHNSON (Defender): Versatile defender who played at left back before being switched to a central role and has now played more than 200 senior games for the club. MITCHELL THOMAS (Defender): England Under 21 player who started with Luton and the followed former manager David Pleat to Spurs. Later at West Ham he returned to Kenilworth Road on loan before a permanent free transfer move. STEVE DAVIS (Defender): Commanding figure in the centre of the Hatters back line, Luton's club captain cost £750,000 from Burnley during the summer

before last. Originally with Southampton he had loan spells with Notts. County and Burnley before a full time move to Turf Moor in August 1991.

DARREN PATTERSON (Defender): Northern Ireland international was with Wigan prior to a spell at Crystal Palace from whom he was bought for £150,000 in the summer of 1995. GRAHAM ALEXANDER (Defender/midfield): Luton had watched the former Scunthorpe United player over many months before he was Terry Westley's first signing for a £100,000 fee in July 1995.

PAUL McLAREN (Midfield): Former England Youth International who joined Luton from school. Started as a centre half before being moved into midfield and has really

Meet the Hatters!

established himself this season.

DAVID OLDFIELD (Midfield): Australian-born - although he played for England Under 21s. - David started with Luton before a £600,000 move to Manchester City in 1989 and was at Leicester before finally returning to Kenilworth Road after six years away in July 1995.

GARY WADDOCK (Midfield): Much travelled campaigner whose consistent displays last season earned him the players' 'Player of the Year' trophy.

Luton's skipper arrived on a free transfer from Bristol Rovers in 1994 and had two previous spells with Queen's Park Rangers, played in Belgium for Charleroi and was at Millwall and Swindon before moving to Rovers.

DWIGHT MARSHALL (Forward): Jamaica-born player who bounced back this season after suffering a broken leg in

MARVIN JOHNSON

February last year, having scoring 13 goals up to that point. He played non-league soccer with Grays and had three seasons with Plymouth Argyle before joining Luton in March 1995.

TONY THORPE (Forward): A prolific goal scoring record has helped to keep the Hatters in promotion contention. He has been with Luton since 1992 after previously playing for Leicester City but has astounded everyone as the Second Division's runaway top marksman this season.

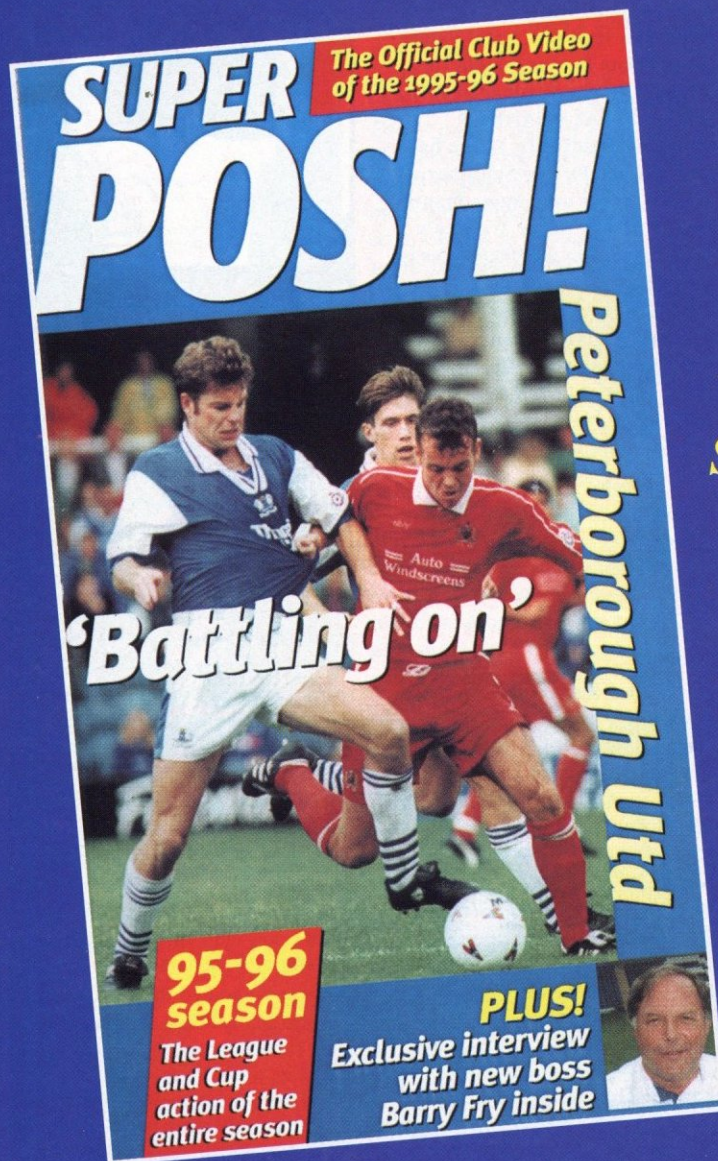

BRUNO GUENTCHEV (Forward): Bulgarian international striker who played in the 1994 World Cup finals and last year's European Championship. Joined Luton in 1995 on a free transfer after three years with Ipswich Town.

ANDREW FOTIADIS (Forward): Joined the Hatters on a full-time basis last summer, aged 18, after staying on to complete his A level exams and has made a good impression.

ANDY KIWOMYA (Forward): Contributing his experience to the Luton cause on loan from Bradford City, Andy began as a trainee at Barnsley and was with Sheffield Wednesday and Dundee before suffering a severe injury. He returned to the game at Rotherham and was also at Scunthorpe before joining City.

ANDY AT LARGE

Peterborough City Council's Leisure Achievement Awards were announced this week but Peterborough United's name was sadly lacking.

Eleven sports people and teams received awards for their contribution and achievements in the Peterborough sporting scene but Posh were nowhere to be seen.

This is a great pity and it is clear that the City Council's judgement of Posh is based solely on this season's dismally disappointing Division Two performances.

In the awards there is recognition for Peterborough Pythons, the city's ladies football team who gained promotion from the East Midlands Division III, while the Cambridgeshire Under 21 hockey team got special praise for reaching the national finals.

Peterborough Panthers were deservedly given an award both for their entertainment value and speedway success nationally.

At first glance it is not hard to see why Peterborough United is not included. As a team they have done nothing in the past

By
ANDY HOAD
of the
Herald and Post

year to warrant any kind of achievement award. Apart from a spirit raising run in the Coca Cola Cup. Performances and results have generally done nothing to raise the profile of Peterborough sport, despite Posh being the city's biggest side.

However, as a club and business Peterborough United has

achieved much in the past 12 months. The youth side has given magnificent opportunities for players from all over Europe and is one of the best in the country.

Posh Soccer continues to go into the community to help youngsters improve and enjoy their football whilst the club's work with underprivileged children and kids with learning difficulties cannot earn high enough praise.

Perhaps this is an aspect on which the City Council should focus.

Peterborough United offers so much more than 11 players on the pitch and despite its difficulties continues to put a lot back into local life. On the field Posh only deserve wooden spoons.

Off it the club is an extremely active member of the community.

Nationwide and The Football League – A winning team –

Nationwide Building Society is delighted to be sponsoring The Football League and is proud to be associated with the national game. Millions of people around the country enjoy League games, with an increasing number of families attending matches.

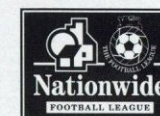

Similarly, Nationwide has a relationship with many households in the UK – around one in four. It looks after the financial needs of over seven million people and is the UK's largest building society intending to remain customer owned, committed to putting customers first.

Nationwide is an organisation with strong roots in the community and we are always looking for new ways to promote awareness of the benefits we can offer and to strengthen relationships with customers even further. With 72 league

clubs and 630 Nationwide branches throughout England and Wales, we are looking forward to working with The League and its member clubs to support community initiatives and forge even closer links with local people. Wherever you find a football team you'll find a Nationwide team.

Nationwide's philosophy is to be "in tune with people", and we believe that the help we can give in investing in football's future will further demonstrate this and underline our general commitment to meeting customers' needs.

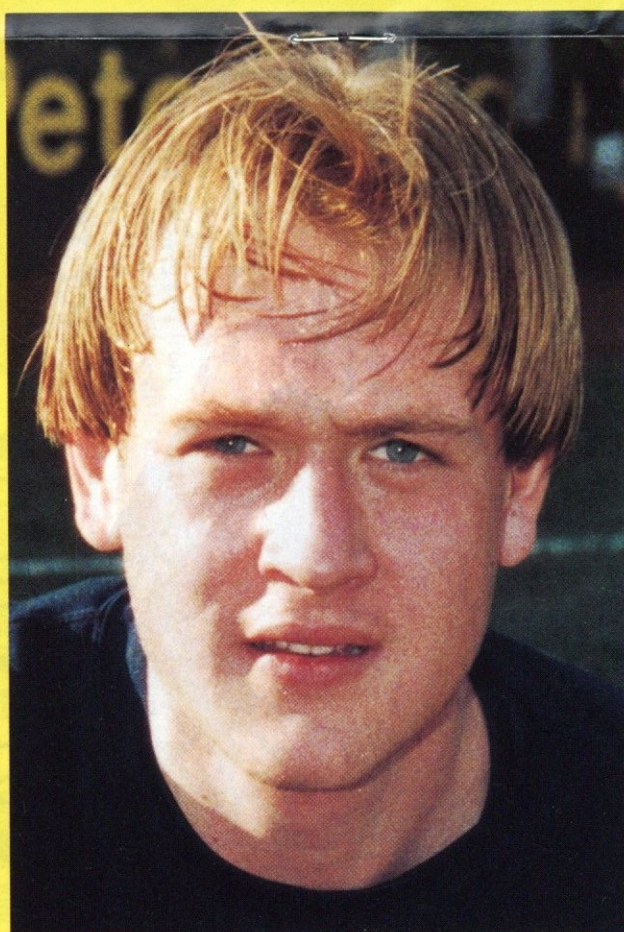

We would like to take this opportunity to wish your club a successful season.

LOOKING BACK with Matt Hill

League meetings between Posh and Luton Town have been few and far between over the years, the clubs initially crossing paths in Division Three during the 1960s before renewing hostilities through Posh's two season sojourn in Division One in the early '90s. The first clash was a Third Division encounter at London Road in November 1963 when a crowd of over 10,000 went home disappointed after a dour goal-less draw. The return match the following March was much more entertaining, Posh returning from their debut visit to Kenilworth Road with a 3-2 win through goals by Keith Smith, Roy Horobin and a Luton defender. The following season a Tony Moulden goal ensured Posh a share of the points at

Clashes few and far between

Luton while one apiece from Ollie Conmy and Derek Dougan secured a 2-0 London Road victory in front of 12,946. The Hatters suffered the ignominy of relegation for the first time in their history at the end of the 1964-65 campaign, so beginning a break of 27 years until the next meeting in the new First Division on a stormy October afternoon in 1992. Despite being just one place off the bottom, the

Hatters deserved their 3-2 victory over ninth placed Posh, Tony Adcock and Gary Cooper scoring our goals while Phil Grey (2) and Paul Telfer were on target for Luton. A large contingent from Peterborough travelled to Luton for the return fixture, Posh's final game of the season and a goal-less draw was the outcome. The Hatters also had the better of things in 1993/94. Another 0-0 stalemate before 9,522 at London Road two days after Christmas preceded a 2-0 defeat at Kenilworth Road, Kerry Dixon scoring Luton goals that confirmed our relegation from Division One. The Hatters maintained their good record against Posh with a 3-0 home win in October with goals by Paul Showler (2) and Steve Davis.

DOUBLE VISION: Alan Slough

Midfielder Alan Slough joined home town club Luton Town as a professional in May 1965. He spent eight years at Kenilworth Road under the managership of Alec Stock and was a member of the side that won the Division Four championship in 1968 and promotion to Division Two two years later. After 275 league appearances he left Kenilworth Road in August 1973, joining Fulham for £45,000 to once again team up with Stock. There he was an integral part of the Cottagers team including the likes of George Best, Bobby Moore, Alan Mullery and Rodney Marsh in their ranks. He was in the Fulham side that reached the FA Cup final of 1975, where they lost to West Ham, and in September 1976 scored

Fulham's 'other' goal in a 2-1 League Cup replay win over Posh on the night Best blasted arguably the best goal ever seen at London Road. Slough became a Peterborough player in July 1997 and made 105 league appearances in four seasons scoring 16 goals before joining Millwall in 1981. He is, perhaps best remembered by Posh fans for scoring a hat-trick of penalties in a 4-3 defeat at Chester's old Sealand Road home in April 1978. Alan finished his playing career at Torquay in 1983 and had a later spell with non-league Weymouth. These days he combines running a cleaning business in Torquay with managing a football side for the Christians in Sport movement.

The former Posh striker, now disappointing the fans on a regular basis at Hibernian, thought he'd treat Roger Terrell when the London Road vice-chairman took the trouble to visit Scotland recently. 'The only thing to see was the groundsman cutting the grass' Roger revealed. 'Lee had got the wrong day.'

■ Prominent Posh supporter Ray Duke has been in hospital recently. The new Supporters' Club vice chairman has a problem with his right eye, but in typically brave fashion, insisted on looking on the bright side. 'At least I can only

see half a Posh match now,' he commented. Incidentally, there is no truth in the rumour that the Posh pub was forced to lay-off bar staff while Ray was in hospital.

■ Barry Fry is thrilled at the lack of stick he's been getting from Posh fans, despite taking the blame for an awful season. Well, this page can finally reveal the reason why. It's difficult to boo and yawn at the same time.

■ This programme, like most, is prone to the occasional lapse but there was a classic in the Preston edition. Barry, speaking in his extensive managerial notes said: 'Some of the debuts I unravelled were frightening.' The editor blamed the fax lines between London Road and the West Midlands and we think Barry meant debuts, but then

remembered Craig Ramage and Dave Regis.

■ His move to Stockport County during transfer deadline week obviously surprised Ken Charlery as well as those of us who have watched him in action this season. Ken tells me he's desperate Stockport don't have to win promotion through the play-offs because he's booked a holiday in the Dominican Republic for that week.

■ The Evening Telegraph 'Player of the Year' trophy is due to be presented today. As always the odd crank vote has been received including one for Mick Vincent and another for one of the Stand C gate-men. Barry Fry received several votes, presumably from believers in the 'winner always leaves the club the following season' theory.

COMMERCIAL CHAT

with Michael Vincent (Commercial Manager)

THANKS TO OUR UNSUNG HEROES

As the season draws to a close I would like to take this opportunity to thank some of the unsung heroes at London Road, namely the stewards, gatemen and women, programme and Posh Lottery ticket sellers who work with the police, fire service, paramedics and the St. John Ambulance Brigade to ensure everything runs smoothly on match days.

Our back-up team who run the bars and lounges play an important role, as do Denise, Sandra, Anne and Roy in the Club Shop, along with Nigel and Emma who do a wonderful job with our programmes. And, of course, match days wouldn't be the same without the enthusiasm of Bob Burrows and his team in the commentary box; Margaret, Debbie and Helen in the offices and all the groundstaff. The group of star performers would not be complete without our programme team of Russell and Scott for their dedication and professional approach to a difficult job. Cornerstone of all successful commercial operations are the club's sponsors and without them Peterborough United certainly would not have progressed to the extent it has. Our Executive Box holders deserve a medal too for their patience and support over the past 12 months.

A big thank-you must go to my personal sponsors Cook's Garage for donating Volkswagen Golf Cars worth £30,000 in our innovative lucky programme draw. The list of people to thank is endless and I could fill several pages in acknowledging the immense support and devotion to the club. To all of our sponsors, however large or small, our heartfelt appreciation. We will always be in your debt.

Finally, to all the fans, the loyal and dedicated group who follow the club through thick and thin, I am convinced good times are just around the corner. Please continue to rally around Barry Fry, Phil Neal and the boys, for soon we will return, better than ever.

WELCOME TO THIS AFTERNOON'S SPONSORS

We welcome ICI Dulux Trade Paints to London Road as sponsors for this final home fixture. They are the world's largest paint company and my personal thanks go to Gary Mason, a lifelong Posh fan, for making the day possible.

The Swallow Hotel return once again as matchball sponsors and, as always, it is a pleasure to greet general manager Richard Scoble and his guests. East Anglian Galvanising are programme sponsors for the first time and we hope their group have an enjoyable afternoon with us.

OUR MASCOT IS DOUGLAS

The honour of being this season's last mascot falls to eight year old Douglas McClimens from Farcet who is a pupil at the village school. Douglas plays football for the Yaxley Under 9 side and likes swimming, cricket and most other sports. His favourite Posh player is former Luton Town defender Des Linton.

Trust us to help football

The Football Trust is helping the game at all levels - from providing kit for school teams, pitches and changing rooms for grass roots football, safety and improvement work throughout the game right up to providing vital assistance to help League clubs complete the essential task of redeveloping their grounds in line with the Taylor Report.

Over the last 20 years the Trust has received and distributed £250m from Littlewoods, Vernons and Zettors Pools and Littlewoods Spot the Ball competition for the benefit of football.

Up and down the country, clubs are building new grounds and stands, installing seating, and providing safe and comfortable facilities for their spectators to enjoy. Every club depends on the support of the FOOTBALL TRUST and the success of the pools companies. Both are crucial for football's future.

Despite the disappointment of an odd goal defeat by Leyton Orient in the final of the Doxhill President's Cup, Posh Reserves continue to pick up points in their bid for a first championship success in the Optimum Interiors Capital League.

Zeke Rowe and Chris Cleaver have been leading the way to goal, each claiming a hat-trick, Cleaver after coming on as a substitute, as Sutton United were given a 10-0 London Road drubbing on a night when the other marksmen were Niall Inman (2), Roger Willis and Wayne Bullimore.

The previous evening Posh hit seven at Woking with two apiece by Rowe, Louie Donowa and Niall Inman before Cleaver completed the rout. Back at London Road, facing Reading

Reserves on Monday last week, Posh stormed to a 4-1 win with further goals for Rowe and Cleaver plus one each by Greg Heald and Simon Wilson. Posh then went to Brisbane Road for the President's Cup final with high hopes of collecting some silverware but despite fielding a side with no lack of experienced players, failed to take their chances apart from one goal by Rowe and lost 2-1.

YOUTH SCENE

by Paul Ashworth (Youth manager)

Posh Youth, giving away a lot in age and physical strength put up a tremendous display to hold Nottingham Forest to a 3-1 score line as they clinched the Midland Melville Youth League Championship in a match at the impressive Boots Sports Complex on Tuesday afternoon.

Aaron Cable continued his recent run of goal scoring displays to hit the target for Posh and there was a solid defensive performance throughout by our Danish Youth international Anders Koogi.

The visit to Forest will be of great benefit to our young side and follows a home win over

Shrewsbury Town which was sandwiched between home and away meetings with Lincoln City which both ended

with the side sharing two goals and the points. Our final home game is against Port Vale next Friday.
