OFFICIAL MATCHDAY  
PROGRAMME  
£1.50

**v STOCKPORT COUNTY**

Saturday, May 3, 1997  
Kick-off 3pm

## From the manager's chair

TODAY'S last fixture of the league programme will unfortunately, from our point of view, be something of an anti-climax as we were all hoping that automatic promotion would depend on the outcome of this fixture.

But Stockport's thoroughly professional performance against Chesterfield on Monday night removed any significance from this fixture on our part, although Stockport will obviously be keen to take all three points on offer.

They still have a chance of the Division Two championship, and are level on points with Bury, although they start today two goals behind.

I would like to take this opportunity to congratulate Stockport County, their manager Dave Jones, their players, staff and supporters, for the magnificent season they have enjoyed.

We have played 58 games in all competitions this season and we think we have had a hard campaign.

Yet Stockport have played 66 games, and have still managed to win their last three on the trot to clinch their automatic promotion slot.

As far as we are

with **LENNIE  
LAWRENCE**

concerned we will finish third no matter what the result of the game today.

Although I think in some respects we were deserving of automatic promotion, we would have to say that Bury's unbeaten home record coupled with their tremendously disciplined approach to the game, and Stockport's quality and strength in depth, have seen us eased out of the frame.

We have not been quite as tough and resilient as Bury, and although we can match the quality of today's opponents Stockport, we cannot match the strength in depth of their squad.

However, we are keen to finish the league season on a winning note to take

us into the play-offs, and once the season kicks-off in August it won't matter a jot how you achieved promotion just which division you are playing in.

We now find our season extended, hopefully by three weeks.

But at least the games are now spaced out somewhat, which should help us go into the semi-final tie rested both mentally and physically.

Various players have injuries ranging from the minor to the serious, and as a result of that there will be two or three changes to our normal line-up today.

But this in turn presents others with an opportunity to stake a claim for a place in the play-off games.

In closing, I would like to thank everybody for their recent support.

At home the atmosphere generated by you the fans has been very good in the final matches of the season.

Hopefully that will continue for our home tie in the play-off semi-final.

The away support too has been marvellous, notably at Peterborough last week when nearly 4,000 of you made the trip to London Road.

We felt more like the home team.

season out on a high note.

Finally, a thank you to those who attended last weekend's Supporters' Club function, at which Tony Thorpe was a deserved Player of the Year.

## Blackpool and Crewe chase fourth play-off place

FOLLOWING the midweek matches both automatic promotion places have been filled, along with three of the four play-off places, writes Simon Oxley.

Stockport's win at Chesterfield on Monday saw them secure automatic promotion to the First Division, as Brett Angell's fifth minute goal gave them a 1-0 win at Saltergate.

Bury had secured promotion with last Saturday's draw at Watford.

Bury and Stockport are level on 81 points going into today's matches, with Bury having scored just two more goals.

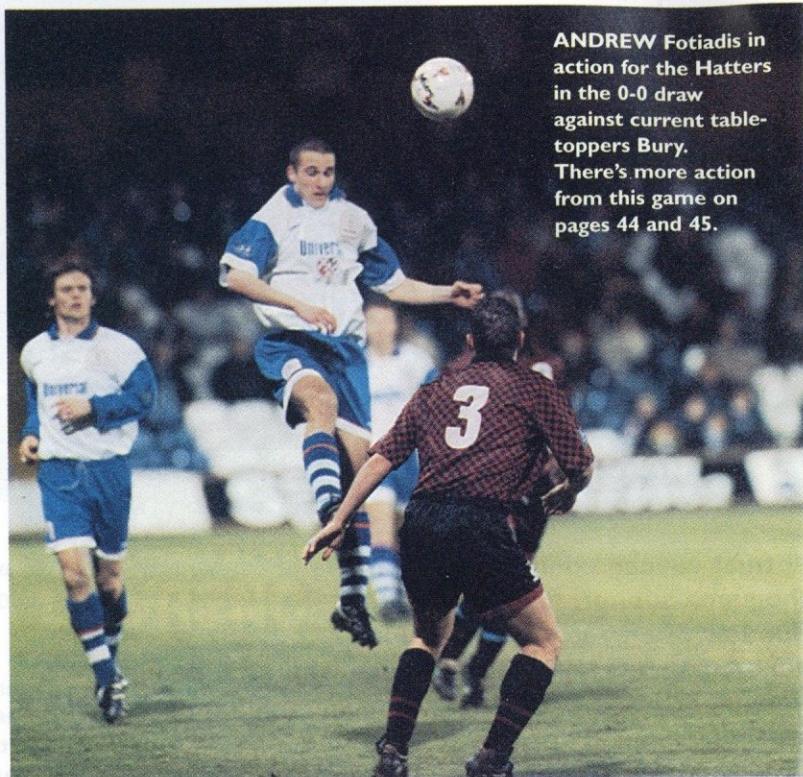

The Shakers entertain Millwall today, whilst Stockport are of course our visitors to Kenilworth Road.

In the play-off zone, Luton, Brentford and Bristol City are confirmed as three of the four participants in the end-of-season matches.

Bristol City confirmed their place with Wednesday night's 2-0 win over Chesterfield at Ashton Gate.

Shaun Goater and Darren Barnard scored in the first-half for John Ward's side. The defeat also ended Chesterfield's hopes of a play-off place.

Walsall's hopes were ended by Tuesday's 2-0 defeat at Gillingham, where Iffy Onuora opened the scoring

ANDREW Fotiadis in action for the Hatters in the 0-0 draw against current table-toppers Bury. There's more action from this game on pages 44 and 45.

with his 24th goal of the season, so the last play-off place now rests between Crewe and Blackpool.

The odds are very much in Crewe's favour, as, three points in front, they require just a draw from today's trip to already relegated York. Blackpool travel to Wrexham, but should they win and Crewe lose the Seasiders have a better goals scored record.

Luton are guaranteed to finish third, but the remaining three clubs, whoever they might be, could finish in any order. Confused? Well it could have been much more complicated

going into the last day of the season. See page 54 for the current Division Two table.

Hatters defender Darren Patterson was on international duty for Northern Ireland in Armenia on Wednesday, but didn't figure in the starting eleven as the Irish drew 0-0.

Striker Kim Grant was with the Ghana squad last Sunday for their 3-0 World Cup qualifying victory over the Gabon.

# LEADING THE LINE

by Club Captain  
STEVE DAVIS

LEFT: Steve Davis in action during the 2-0 home win against Shrewsbury. There's more action from this match on page 27 of today's programme.

dressing room then, back in October, was that we had just played one of the leading contenders for promotion.

All credit to today's visitors for sustaining that challenge, despite many cup commitments, and we hope to be playing them again next season.

Our last home game was of course against the other side automatically promoted - Bury - and we were somewhat frustrated to be held 0-0.

Last Saturday at Peterborough we produced a battling display in difficult conditions, and will need similar commitment in the games to come.

Both against Bury and at Peterborough, the players were greatly helped by the fantastic levels of support from the crowd. Thanks for your contribution.

Last Sunday we all attended the Supporters' Club presentation night, and it was no surprise to see Tony

Thorpe take the honours. He has enjoyed a great season with over 30 goals to his credit, and I must say I'm quite pleased to be leading the race for second place in the goals chart.

But at this stage of the season it doesn't matter who scores them, just so long as we can get promotion back to Division One.

The Luton Town youth team will be presented with their trophy and medals for winning Division Two of the South East Counties League.

The presentation will be made by Mr Alan Leather, the Chief Executive of the South East Counties League.

Lastly, Tony Thorpe will be presented with his trophy as the Luton Town Supporters' Club Player of the Season, by the Supporters' Club's chairperson Yvonne Fletcher.

A reminder that we have two reserve league games to play.

The reserves travel to Carrow Road, Norwich, on Monday, May 5, with a 7pm kick-off, before completing their Avon Insurance Combination League programme at home to Chelsea on Wednesday, May 7.

## MEET THE MANAGER

**DAVE JONES** has this season guided Stockport to the semi-finals of the Coca-Cola Cup, and has now gained promotion to the first division.

The former Everton defender took over from Danny Bergera in March 1995, after a long and distinguished playing career which was ended by injury in a game at Coventry.

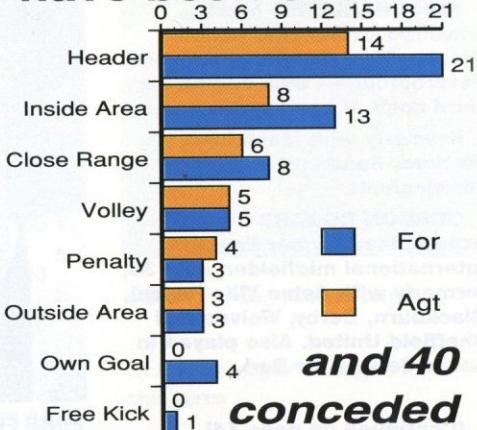

It has already been a memorable season for County in reaching the last four of the League Cup competition, having ironically started their run by defeating FA Cup giantkillers Chesterfield. They then beat Sheffield United over two legs, before claiming the Premiership scalps of Blackburn, West Ham and Southampton.

In the semi-final against Middlesbrough, they lost the first leg 2-0 at Edgeley Park, but caused a fair amount of anxiety on Teeside in the return, winning 1-0.

They also reached the Northern Area Final of the Auto Windscreens Shield, but have overcome the subsequent fixture congestion to maintain a challenge for an automatic promotion place. Jones (right) is assisted by JOHN SAINTY who has been at Stockport since 1989. He too also had managerial experience at Chester, and was assistant manager to John Bond at Manchester City.

### How 58 Goals have been Scored

## A Hatter and a Hatter.....

**MAURICE (Matt) WOODS** was born in Skelmersdale in November 1931 and after signing amateur forms at Everton became a full-time professional at Goodison in 1949.

Unfortunately he had difficulty breaking in to the Everton side, and after only eight league appearances in seven years he was allowed to move to Blackburn in exchange for £8,000 where his career took off in spectacular fashion.

In seven years at Ewood Park he made 260 league appearances and starred as Rovers were promoted to Division One, and failed to win the 1960 FA Cup Final against Wolves with 10 men.

After leaving Blackburn in 1963 he enjoyed two years playing in Australia before being enticed to Kenilworth Road by manager George Martin, just as the Town had been relegated to Division Four for the first time.

Matt Woods was the commanding figure in the heart of the Luton defence during a 1965/66 season that saw the Town narrowly fail to win promotion back to Division Three.

They failed in controversial circumstances with Woods joining in with several other members of the squad complaining over proposed promotion bonuses (or lack of them), and being dropped from the side in the final game of the campaign which was only drawn.

Woods was given a free transfer that summer and joined Stockport, where he starred in a County team that won the Fourth Division championship in 1966/67.

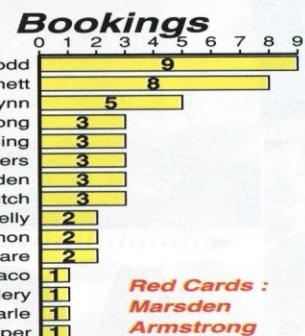

He retired from the playing side at the age of 37

following a knee injury and went into management at Altrincham, from where he joined the coaching staff at Edgeley Park and then took over the hot seat for 18 months.

After finishing with the game, Matt Woods ran his own haulage company in the Stockport area. - ROGER WASH.

# FROM ESCAPES TO VICTORY?

**Luton's last-gasp dramas**

END-of-season dramas are nothing new to Luton Town supporters, and but for Brett Angell's goal at Chesterfield on Monday we would all be about to witness another last day nail-biter.

In the late 1980s and early 1990s it became something of a tradition for the Town's fate to be undecided until the final day of the campaign - but unlike this season's bid for promotion the five years from 1989 to 1993 saw the Hatters battling for survival.

Three players played in all five of those 'deciders', goalkeeper Alec Chamberlain - now with Watford; John Dreyer - now at Bradford; and David Preece - now with Cambridge.

Of the current Town team currently aiming to go up, Julian James played in 1990, 1992 and 1993, and was a substitute in 1991.

Perhaps the most famous 'Houdini' act of all had come in 1983, when Raddy Antic's late goal gave Luton a 1-0 win at Manchester City - prompting David Pleat's jig on the Maine Road pitch, TV footage of which is still shown to this day.

But the five-year run started in 1989 when Luton faced Norwich at Kenilworth Road on the last day, needing a win to be certain of staying in the top flight.

Danny Wilson's penalty secured a 1-0 win, to round off an eventful season for Ray Harford's side who had reached the final of the Littlewoods Cup at Wembley.

Team: Chamberlain, Breacker, Dreyer, Preece, Foster, Beaumont, Wilson, Wegerle, Harford, Hill, Black.

In 1990 the prospects for staying up looked bleak, but Jim Ryan's Luton beat Arsenal and Crystal Palace, and headed for Derby on the final day of the season needing to win, and hoping that Sheffield Wednesday lost at home to Nottingham Forest.

Forest duly obliged, winning 3-0, whilst the Town won a memorable game at the Baseball Ground 3-2. Tim Breacker opened the scoring after just two minutes, with Kingsley Black netting the other two.

Team: Chamberlain, Breacker, McDonough, Beaumont, James, Dreyer, Wilson, Rees, Dowie, Preece, Black.

In 1991, Luton faced Derby again, this time at Kenilworth Road, and won 2-0 with relegation rivals Sunderland losing at Manchester City.

A Mick Harford own goal put Luton in front, with the

For five successive seasons from 1989 to 1993, Luton Town's fate wasn't decided until the final match. But as SIMON OXLEY reflects, this season's potential promotion cliffhanger would have been somewhat of a break in tradition.

season's leading scorer Lars Elstrup sealing the game with a header just after half-time.

Team: Chamberlain, Beaumont, Harvey, Rees, McDonough, Dreyer, Elstrup, Preece, Farrell, Pembridge, Black.

In 1992 the luck ran out, and David Pleat's team were relegated from the top division with a last day defeat at already doomed Notts County.

This time, Coventry were their rivals in the bid to beat the drop, and although the Sky Blues lost at Aston Villa, Luton couldn't hold on to the lead given them by Julian James' first-half goal at Meadow Lane.

Rob Matthews, later to play for the Town, scored both goals for County.

Team: Chamberlain, James, Salton, Kamara, Dreyer, Peake, Oakes, Stein, Harford, Pembridge, Preece.

In 1993 Luton were battling to avoid relegation from the 'new' Division One, and went into the last game at Southend still in danger.

To complicate matters, Barry Fry's Southend needed to win to stay up. The Shrimpers, inspired by Stan Collymore, won 2-1 - Luton's scorer being Kerry Dixon - but the visitors also remained in Division One as Cambridge lost at West Ham.

Team: Chamberlain, Dreyer, James, Johnson, Hughes, Peake, Telfer, Kamara, Dixon, Gray, Preece.

Since then, the final days of the season have been calmer affairs. In 1994 we travelled to the Victoria Ground, Stoke, and drew 2-2 having secured safety the previous Tuesday with a home win over West Brom.

In 1995 Stoke were again our opponents, this time at Kenilworth Road, and won 3-2. The Hatters were mid-table, having threatened a play-off bid mid-season.

Last year the final match of the season saw Luton head north to Oldham, already relegated from Division One, where we lost 1-0.

So what of 1997. The final day of this league campaign promised as much excitement as the Baseball Ground in 1990 - thanks again Brett! - but if the season doesn't end until May 25 it could be just as memorable.

**JULIAN** James - now bidding for promotion, after playing his part in relegation deciders.

**TREVOR** Peake - a renowned escape expert with Coventry, who played for the Town in the 1992 and 1993 deciders.

## The new Mercedes C250 Turbodiesel is the most powerful car in its class.

The Mercedes C250 has a turbocharged, inter-cooled, 5-cylinder engine.

It has 30% more power and 65% more torque than the standard version.

Very high torque means very fast, responsive acceleration.

For the C250, it means 0 to 62.5mph in 10.2 seconds.

The surprise is that, because it's a diesel, it also gives 53 mpg at 56 mph.

Turbo power, diesel economy. Incredible? Why not take a test drive?

## INJURY UPDATE

CERI HUGHES is doubtful for this afternoon's game with a stomach strain, as is defender STEVE DAVIS who suffered a calf injury during the win at Peterborough last Saturday.

DWIGHT MARSHALL missed the game at London Road after jarring his ankle in training last Friday, but he was due to rejoin training on Thursday of this week, with a view to being available this afternoon.

PAUL SHOWLER was also back in training this week after his knee operation. He could figure in the reserve games on Monday and Wednesday of next week.

ANDY KIWOMYA again suffered a hamstring injury last Saturday, and it is difficult to say when he will be available as this has been a recurring problem.

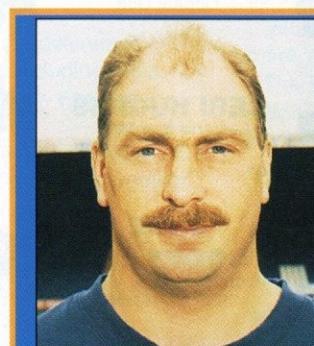

STUART DOUGLAS had an operation on a stomach injury on Tuesday, whilst ANDREW BARR is close to fitness after being out for some time following a similar operation.

LIAM GEORGE and CHRIS WILLMOTT continue to work hard in the gym after knee operations, whilst youth team goalkeeper NICK WEBB is awaiting an operation to repair a fractured bone in his wrist.

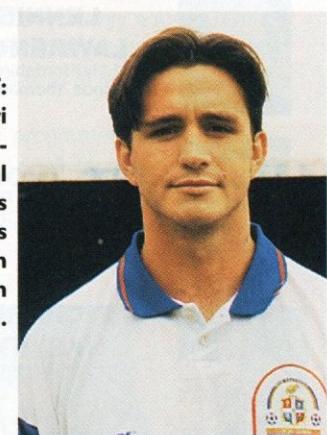

Finally, a big thank you to the Bobbers Travel Club for their donations handed over at the home game against Shrewsbury. Another wonderful gesture from these supporters.

player, and it proved a very successful afternoon.

Football in the Community Officer, Jeff Vetere, said: "Once again the response from the various communities in the town was very encouraging, and Vauxhall's generous support and provision of an excellent venue contributed greatly.

"All the youngsters seemed to enjoy themselves, and there was a good standard of football played."

The Mini-World Cup is of course only a small part of Luton Town's Community Football programme, which involves many hours of coaching at schools across the region.

After a successful Easter programme of courses, we are now looking ahead to the Whitsuntide holiday, and further ahead to the summer holidays.

To find out more about coaching courses in your region, please contact the Football in the Community department on (01582) 411622.

VAUXHALL Motors once again backed our successful Mini-World Cup competition, with 10 sides competing last month at the Vauxhall Recreation Ground.

The competition was organised by the club's Football in the Community department, and was won by the England B side who beat Bangladesh on penalties in the final.

There were sides representing all the different communities in the town, with teams including India, Pakistan, Bangladesh, West Indies, Italy, England, Scotland, Ireland and Wales.

You might have seen the draw for the competition take place during the half-time interval of our game against Bury.

The group winners and runners-up contested the semi-finals, with England B beating Scotland, and Bangladesh beating England A - with both games being decided on penalties.

Each of the sides was 'managed' by a Luton Town

They clinched the title with a 2-0 win over Colchester on April 19, as nearest rivals Crystal Palace lost the same morning.

And the Hatters have finished four points clear after winning their final game last Saturday.

The win over Colchester saw goals from Michael McIndoe and Emerson Boyce.

Team: Webb, Lawes, Fraser, McIndoe, Jones, Upson, Clarke (sub Boyce), Cox, Doherty, Sweeney, Scarlett.

In the semi-final of the Eastern Junior Cup, the youth team will face Ipswich after the East Anglian side's long-awaited quarter-final saw them beat Hitchin. At the time of writing, no semi-final date had been fixed.

The Reserves have recorded to away wins in the Combination, with victories over Millwall and QPR.

At the New Den, they beat the Lions 1-0 with Robert Kean scoring the only

Subs not used: Scarlett, Boyce.

The game against QPR was played at non-league Harrow Borough, and the Hatters were 2-0 in front after just four minutes, with Bontcho Guentchev scoring both goals - the first from the penalty spot after he himself had been fouled.

FOR THE LATEST NEWS - **CLUBCALL 0891 121 123**

Calls cost 50p per minute at all times

IT has been almost 28 years since we last entertained Stockport County, and we welcome the other Hatters to Kenilworth Road this afternoon for only the sixth time in our history.

When the Town won the championship of Division Three (South) in 1937, the winners of the northern section were Stockport who we were destined to meet on the opening day of the 1937/38 season at Edgeley Park.

A crowd of 19,077 gathered to welcome both sides to Division Two, but the Town were disadvantaged by the absence of '10-goal' Joe Payne who had been taken ill on the journey to the north west.

Despite this handicap we opened the scoring when Albert Dawes took advantage of a defensive slip-up for a simple goal, but an effort from James Smailes levelled the score before Bernard Oxley snatched the winner for the home side four minutes from time.

By the time of the return, on January 1, 1938, Stockport were struggling at the wrong end of the table while we were more than holding our own at the higher level. Little did the crowd of 14,138 realise that they were to be in for a ten goal thriller, with seven goals being scored in the first half!

We opened the scoring with Jack Vinall and Fred Roberts netting in quick succession, before Sam Hunt and Willie Harker (with two) put the visitors ahead.

Dawes levelled again before Smailes sent the visitors in at half-time happy.

Luckily we proved to be the stronger side in the second period, and after George Stephenson, with a tremendous shot (a rocket? - Ed) levelled the scores yet again we ended up worthy 6-4 winners courtesy of late goals from Charlie Ferguson and Vinall.

Stockport were relegated after only one season in Division Two and we were not destined to meet again until 1965 with both sides in Division Four.

We travelled to Edgeley Park only days after our shock defeat by non-league Corby in the FA Cup and were soundly beaten 4-1 by a side that outplayed and outclassed an injury-hit Town team.

Stockport were 3-0 up at the break with future Town

hero Keith Allen hitting two, and Len Allchurch scoring with a speculative lob which completely deceived Colin Tinsley in the Luton goal.

In the second half we were reduced to 10 men when both John O'Rourke and Graham French had to retire through injury, but we managed to pull a goal back through substitute Billy Stark. The night however belonged to Keith Allen, who completed his hat-trick in a convincing victory.

When the return game came around, the following May, we had managed to overcome our mid-season slump and were challenging for promotion. Bruce Rioch scored after only six minutes to put us ahead, but we went through several anxious minutes after full-back Fred Jardine went off with an ankle injury which meant we lost our shape for a while.

Heroics from goalkeeper Tony Read, playing his first game between the sticks for the Town after scoring 12 goals as an inside forward earlier in the campaign, kept us in the game,

before O'Rourke was brought down in the box on the hour with Ray Whittaker netting from the spot.

In the following season, the worst in our history, we went down twice to a County side that walked away with the championship. County had recruited what many critics thought were old men (including Matt Woods from the Town) to mount a promotion bid, but they gelled together brilliantly as we were to find out.

County had won four games on the trot when we came up against them at Kenilworth Road early in the season, and it was 'men against boys' as the visitors ran out easy 3-0 winners with veteran Frank Lord scoring twice.

In the return we went down 1-0, but in truth the score should have been higher, as the woodwork was struck with regularity.

Triallist goalkeeper Ron Swan played a blinder for the Town, but even he was helpless when, after he touched a shot against the crossbar, Norman Sykes scored with a simple tap-in from the rebound.

It was only to be two seasons before we met again, following our promotion to Division Three, and when the sides clashed at Edgeley Park in November 1968

## 5 YEARS AGO

2/5/92: After 10 years at the top, we finally submitted to relegation after going down 2-1 at already doomed Notts County. Julian James scored the Town's goal, with a future Hatter, Rob Matthews, hitting two for Notts.

## 10 YEARS AGO

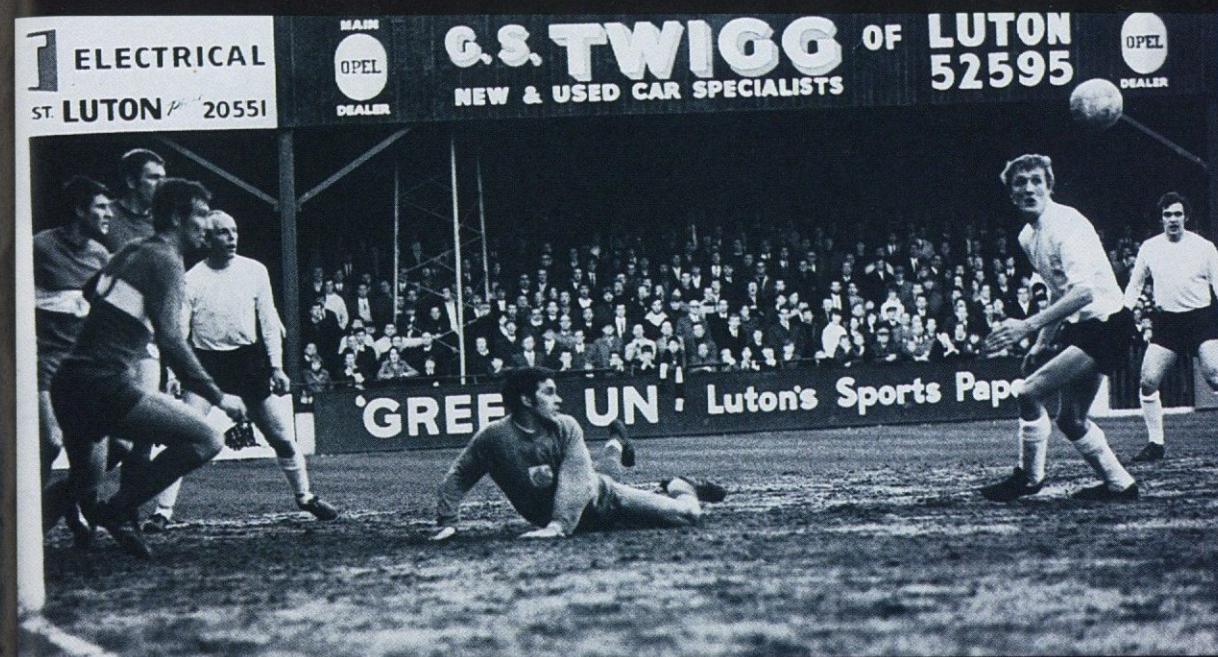

2/5/87: In a hard fought 1-0 away win at Charlton the victory was sealed by a goal from Mick Harford. Gary Cobb made his league debut for the Town that afternoon.

## 15 YEARS AGO

8/5/82: After winning promotion the previous week the Town travelled to Chelsea and returned with all three points following a comfortable 2-1 win. Raddy Antic and Brian Stein were the Luton goalscorers.

## 20 YEARS AGO

7/5/77: In a tough game at Kenilworth Road, the Town dented Bolton's promotion hopes by fighting out a 1-1 draw. David Geddis, in his last game for the Town for six years, was on target, while Jim McNichol made his Luton debut.

ABOVE: Keith Allen (centre - nearest ball) turns out against his old mates at Kenilworth Road in 1969. Other Luton players are Ian Buxton (left) and Graham French.

we were going through a spell of being invincible at home but returning pointless from our travels.

A crowd of 13,246 (which has not been beaten by Stockport in the league since) gathered at Edgeley Park, not to watch the Town, but to welcome new signing from Everton, Alex Young, the 'Golden Vision'.

The Town were forced on to the defensive throughout, but the hope of winning a point was ended by a 25-yard thunderbolt from wing-half Fred Goodwin soon after half-time.

This was followed up with a brilliant header from Bill Atkins just before the end to confirm the Town's sixth consecutive away defeat.

The return was played just before the end of the season, with the Town desperately clinging to third spot in the table and hoping for a slip-up from the top two, Swindon and Watford. Stockport's early season promise had all but evaporated.

We scored two goals in a minute early on through Brian Lewis and Bruce Rioch, and were cruising to

victory when Stockport were awarded a controversial penalty on the hour.

John Moore caught the ball in the area after hearing a whistle which turned out to come from someone in the crowd! Young scored from the resultant spot-kick.

Fired by this injustice the Town players rolled up their sleeves and two more goals from Lewis confirmed an emphatic victory.

The final two games in the series took place in 1969/70 in a season that saw the Town promoted and County move back to Division Four. The two games were almost the least memorable!

A crowd of 15,944 turned up at Kenilworth Road to see Chris Nicholl and Malcolm Macdonald score in a lacklustre display against a defensivley minded side, while in the return a goal from Matt Tees just after the interval seemed to have won both points. County deservedly equalised just before the end as the Town sat on their lead, but at least we had gained our first ever point at Edgeley Park!

# Neighbours are rival fans this afternoon

TOWN fan Steve Cox - pictured left by an appropriately named shop in Newport Beach, near Los Angeles - is attending today's game with neighbour, and Stockport supporter, Dave Higginbotam after waiting several years for their two sides to meet in the league.

Steve has been supporting the Town since he was eight, attended his first game in 1962, and was a season ticket holder until moving to Hampshire on business in 1987.

He and Dave have followed the fortunes of the two sides ever since, with Steve paying for his neighbour's Wembley ticket as part of a bet when Stockport reached the final of the Autoglass Trophy.

Perhaps Dave can return the compliment later this month!

DON'T forget.... the Town's reserve team have two rearranged matches in the Avon Insurance Combination.

We travel to Carrow Road, Norwich, on Monday, May 5, and then host Chelsea, here at Kenilworth Road on Wednesday, May 7, kick-off 2pm.

## Junior Team of the Month award

THANK you for all the nominations we have received over the last few months for our Junior Team of the Month Award.

Due to the Christmas and New Year postponements, the awards have been

somewhat condensed into recent matches, but it has been encouraging to hear about so many junior teams enjoying their football

## First game for over 25 years!

A WARM welcome to Kenilworth Road to Dennis Ridley, who is watching his first Luton Town game for over 25 years.

Mr Ridley, a lifelong Hatters supporter, moved to Canada with his wife almost 30 years ago, but is taking in this afternoon's game with son Vaughn, as part of a trip back home to England.

BIRTHDAY greetings to Luton Town supporter Daniel Lamb, from Doncaster, who celebrates his ninth birthday on Monday, May 5. Daniel keeps in touch with events at Kenilworth Road via the Luton Town matchday programme which is posted to him by his aunt Sandra Cole.

## Hatters wait for news of public inquiry on J10 site

As we approach the end of the season, Luton Town are still awaiting a decision from the public inquiry, concluded late last year, into the plans for a new stadium by junction 10 of the M1 motorway.

The 'Kohlerdome' scheme for a multi-purpose indoor stadium, and a rival plan submitted on behalf of the landowners, were discussed at length last summer, with the hearing concluded

### Best wishes to Town stalwart

WHATEVER happens on the field, it will be an historic afternoon off it, as Brian Swain covers his last league match at Kenilworth Road on behalf of the Luton News.

Brian is leaving the newspaper after over 20 years in the job, in which time he has clocked up a consecutive run of well over 1,000 Town matches.

He may well be here next season in his various freelance guises, but I'm sure Hatters supporters would wish to join me in thanking him for his service to the club and the town in the Luton News. - SJO.

after a brief session in December. At the time of writing it is impossible to say when the decision of the Environment Secretary will be announced - a decision based on the report received from the planning inspector who chaired the inquiry.

However, it is fair to say that as of yesterday morning the club was anticipating a change in opinion in Westminster from the MP for Luton South - the constituency which includes the junction 10 site.

Elsewhere in the Nationwide League, Charlton Athletic have confirmed that work will commence on the club's new West Stand this summer.

The £4.5 million development, seating 8,000 supporters, will also house changing rooms, sponsors' lounges, hospitality areas, a box office, club offices, executive boxes and a gymnasium - which will be built over four different levels by major contractors Mowlem.

Stewards will direct you to the nearest exit. It may be that your normal exit route will not be available. On leaving the stadium, you will find some roads closed to pedestrian traffic, to enable swift and unobstructed arrival of the emergency services.

Please leave the area of the ground as quickly as possible by the route directed. Your co-operation will be most appreciated. GEOFF LOVELL, Safety Manager.
