Nationwide League Div Two - Saturday, October 25, 1997 - Kick-Off 3pm

From the manager's chair

FORTUNES change quickly in football, and this has never been more apparent than in the last two or three weeks at this football club.

We plumped the depths with a 4-0 defeat by Watford, and then after a hard week's work and analysis got back on the winning trail with a 3-0 home victory over Plymouth, followed by a draw and a win from two difficult away trips.

Against Plymouth we did well in both penalty areas, and enjoyed some good fortune in ours from time to time, aided by some inspired goalkeeping from Kelvin Davis.

That set us up nicely for two consecutive away games, where we said privately beforehand that a win from one was absolutely essential.

As it was we obtained a thoroughly deserved four-point total from the two trips, which obviously has lifted us up the table by one or two places, and more importantly has boosted confidence.

I had always maintained that when the senior players started to return things would improve considerably.

That process has already started and hopefully can continue today.

Julian James did a terrific job for us on his first full game back, playing at centre-half against Plymouth, and then the return of Steve Davis for the two away games was another massive boost for us.

Phil Gray also returned for the two away games, but seems to be dogged by minor injuries at the moment.

We controlled the game at Wigan with our passing,

with **LENNIE
LAWRENCE**

although they had two good chances at the start of each half.

A draw was thoroughly deserved, a win would have been slightly fortunate, but a defeat would have been a total injustice.

The game against Carlisle was a more open affair, but we gave the ball away too frequently at times, although Carlisle were unable to turn any possession into anything more than long range shots or speculative crosses.

They missed one or two half chances, but did not create enough for a home team.

It looked as if the game would end in a draw, but Alan White popped up with a timely goal to ensure we got the points - which we just about deserved.

The most pleasing aspect of our play has been that we have only conceded a goal from the penalty spot in three games, and another clean

sheet is the first order of the day today.

This afternoon we welcome the players, supporters and officials of Brentford.

Like us they are finding life difficult this season after failure in the play-offs last term.

In particular today I would like to welcome their manager Eddie May, who was appointed as their new team manager at the start of the season, and who was my assistant at Charlton in the early 1980's.

Eddie is a much travelled manager in footballing terms, who has worked all over the world, and I'm sure he will improve Brentford's fortunes - although hopefully we can delay that procedure.

The support we received in the last home game against Plymouth was excellent, considering what had happened the week before against Watford, and hopefully that support can be reproduced again today.

Changes are necessary with the suspension of Matthew Spring, and we are looking forward to the imminent return of several first-team players.

Dwight Marshall and Marvin Johnson will appear in the squad today, and Ian Feuer and Andrew Fotiadis will play in the reserves at Norwich on Monday.

That still leaves us with an average size injury list, including Paul Showler, Darren Patterson, Stuart Douglas and Mitchell Thomas, although Mitchell could feature in the reserves on Wednesday week.

Young Chris Willmott has

also been given the OK to resume training after his cruciate knee ligament injury.

Following Gavin McGowan's return to Arsenal we have a loan available, but there are no plans to use it at present.

Finally, congratulations to Liam George and Gary Doherty

who have been on international duty with the Eire Under 18 side.

Liam was on the scoresheet earlier this week, and with another match to be played at the weekend they are both unavailable for this Division Two game.

It was all White on the night!

IT was a memorable Tuesday night for centre-half Alan White, as his first ever goal for Luton gave the Hatters the three points in a 1-0 win at Carlisle, writes Simon Oxley.

White's winner came just three minutes from time - but the defender could have departed after just 13 minutes!

It was lucky 13 though for the former Middlesbrough man as the referee decided his foul on Andy Couzens - clean through on the edge of the penalty area - warranted no more than a free-kick.

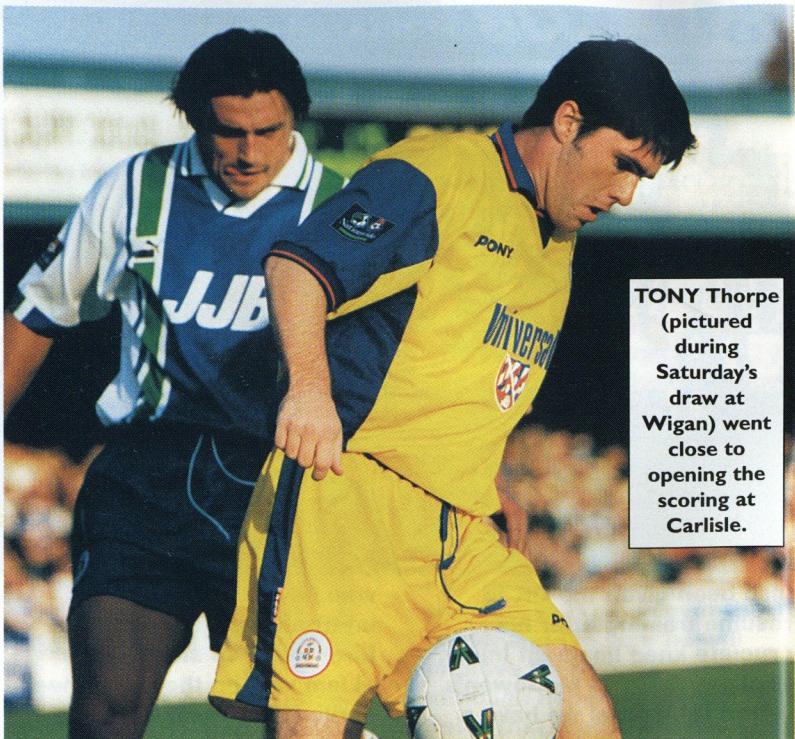

But White went onto forge a solid pairing with Steve Davis in the centre of the Town defence, and when Carlisle substitute Ian Stevens did break through, White was there to clear his goalbound shot off the line with 16 minutes to go.

At the other end, Tony Thorpe and David Oldfield went close to putting the visitors in front, but it was obviously destined to be all White on the night, and he duly headed in Graham Alexander's 87th minute corner.

It was Luton's first visit to Brunton Park since 1976, and provided their first away league win of the season.

Elsewhere in Division Two, Watford extended their lead at the top to four points with a 2-0 home win over Fulham.

Ronny Rosenthal and Paul Robinson were the Hornets' scorers, as they bounced back from Saturday's home

TONY Thorpe (pictured during Saturday's draw at Wigan) went close to opening the scoring at Carlisle.

defeat by Millwall.

The Lions were held 0-0 at Bournemouth, and are seven points behind Watford, but with two games in hand.

Goals from Ian Clarkson and James Quinn gave Blackpool a 2-1 win over Chesterfield, and the former Stevenage striker Barry Hayles netted twice as Bristol Rovers won 3-2 at our opponents this afternoon Brentford.

Marcus Bent had put the Bees 1-0 in front, with Hayles and Peter Beadle making it 2-1 after just 17 minutes.

Kevin Rapley equalised, with Hayles' winner coming on 71 minutes.

Gregory Goodridge netted an 89th

minute winner as Bristol City beat Preston 2-1, whilst second-placed Northampton were held 1-1 at home by York.

Tommy Wright and Lee Duxbury scored Oldham's goals in the 2-0 home win over Grimsby, with on-loan striker Gerry Creaney again on target for Burnley in their 2-2 draw at Plymouth.

Wigan lost 4-1 at home to Gillingham, whilst Wrexham recovered from a 1-0 half-time deficit to beat Southend 3-1 at the Racecourse Ground.

And Mark Stallard netted a hat-trick for Wycombe in their 4-2 home win over Walsall.

See page 54 for current league table.

STEVO

Club Captain's Corner with STEVE DAVIS

LEFT: Steve Davis returned to the Luton side at Wigan, following a back injury. This second-half header went wide, but the skipper hit the post with an 82nd minute free-kick.

WITH four points from ur last two games, I wouldn't say we have turned the corner, but we are certainly heading in the right direction.

The lads did well against Plymouth with Kelvin 'Banks' excelling between the sticks. The young lads have staked a claim for regular run outs, with Springy and big Johnny Hartson, sorry Gary Doherty, impressing.

Unfortunately, Springy had an early bath. He thought the sending off was harsh, and it wasn't until he found the Plymouth number seven's shin pads stuck to the bottom of his boots that he realised he was a little over the top!

The dressing room was a lot chirpier on Monday, and after another full week's training the lads, with me

MARVIN JOHNSON BENEFIT 97/98

In recognition of 10 years loyal service to Luton Town, Marvin has been granted a benefit match at the end of the season, against Sheffield Wednesday, (subject to neither side being involved in any vital matches).

Marvin will also be holding a Sporting Dinner on November 11, at the Vauxhall Recreation Club, where for just £25 per person, you will receive a four-course meal, after-dinner speeches from David Pleat and Nick Owen, plus entertainment from a well-known comedian.

For further details please contact 01582 485709.

Finally, thanks to Gavin McGowan who has returned to Arsenal. Whether we see him back at Luton remains to be seen, but he did a good job when he played, and was a good lad to have in the dressing room. Wasn't too sure about his barnet though!

FIRSTLY I am delighted to be able to tell you that Mr Ward, who was taken ill in the Main Stand at the Plymouth match, has made an excellent recovery and has now returned home.

We hope that he will be back at Kenilworth Road for a match very soon, and we all send our best wishes to him.

I would like to take this opportunity of thanking everyone who helped Mr Ward on the day, and their quick response no doubt assisted his recovery.

At the time of going to press, we are receiving confirmation that our Nationwide League match with Grimsby Town, scheduled for Tuesday, November 18, has been postponed.

This is due to Grimsby's involvement in the fourth round of the Coca-Cola Cup.

There are a number of references to this match elsewhere in the programme - notably on the facing page - and printing deadlines mean we are unable to change these.

At the time of writing we have no new date for our trip to Blundell Park.

Christmas is coming, and the Junior Hatters, with the help of the official Luton Town Supporters Club, have confirmed the date for their Christmas Party as Monday, December 15, from 7 to 9pm.

This will be at the Co-op Bowling Centre in Stockingstone Road, Luton, and further details are available from the ticket office.

Finally, I am very pleased to tell you that, with the kind permission of the Rev. Nick Bell, we will be holding a Luton Town Christmas Carol Service, at St Mary's Parish Church on Wednesday, December 17, at 7.30pm.

You will need a ticket to attend and further details will be available shortly. I hope that you and your family will join the directors, players and staff for what I hope will become an annual event.

Marc of success for boss May's Bees

BRENTFORD winger Marcus Bent is being tipped as the next Nathan Blake - after boss Eddie May moved him up front.

May discovered Bolton and Wales star Blake during his time at Cardiff.

Now he reckons Bent, 19, can reach the top - by following in Blake's footsteps and switching from the wing to hitman.

He said: "Marcus has everything you need to be a top striker. He is strong, quick and skilful."

The Bees struggled in the first half, but Robert Taylor, Ryan Denys and Bent fired in after the break.

Walsall boss Jan Sorensen has told his players they have just one more chance to improve their away record before he wields the axe.

He fumed: "There are players who think they only have to put the effort in when it's a big match. I'm not having that."

WHAT THE PAPERS SAY!

Brentford's 3-0 win over Walsall last Saturday, and Tuesday night's 3-2 home defeat by Bristol Rovers, as reported in THE SUN.

MANAGER Eddie May wants new blood after Brentford's unbeaten home record was ended with a 3-2 defeat by Bristol Rovers.

Bees boss May said: "Players are making basic mistakes which cost us games. I must bring people in.

"I will have a meeting with the chairman about it tomorrow."

Marcus Bent had given Brentford the lead on seven minutes, but Barry Hayles and Peter Beadle had put Rovers in front within 10 further minutes.

Kevin Rapley equalised a minute after half-time, but Hayles netted his second to give Bristol the points with 19 minutes to go.

SPOTLIGHT ON TODAY'S VISITORS

KEVIN DEARDEN - Goalkeeper who joined on a free transfer from Tottenham in September 1993 and has been first choice ever since. Began his career as a trainee at White Hart Lane in 1988, but only made two appearances for Spurs. Kept 20 clean sheets last season as the Bees narrowly missed out on promotion.

TAMER FERNANDES - Goalkeeper who has come up through the Brentford junior ranks, signing professional in 1993. A former England Under-18 player, he has found it difficult to break into the first-team because of Dearden's consistent displays.

GRAHAM BENSTEAD - Goalkeeper who was originally signed for Brentford from Sheffield United by Steve Perryman. Was the mainstay of the 1992 Championship winning side, when he was also Player of the Year. After being released by Brentford he played non-league football with Kettering, Rushden and Sutton, but rejoined the Bees at the start of the season.

NICK COLGAN - Republic of Ireland Under-21 international goalkeeper, who has joined Brentford on loan from Chelsea, following an injury to Kevin Dearden.

JAMIE BATES - Inspirational club captain who was granted a well-earned testimonial season two years ago. The former Bees junior made his debut at Carlisle in 1986 and has since filled every defensive position in over 350 appearances - although he is now firmly established at centre-half.

GUS HURDLE - Earned his chance at Brentford after approaching David Webb at the training

ground and asking for a trial. The former Fulham junior, who can play at right-back or in central defence, earned international honours last season when representing his native Barbados in the World Cup qualifying competition.

IJAH ANDERSON - Former Spurs trainee who joined on a free transfer from Southend in July 1995. Played in midfield early on, but really made the left-back berth his own last season.

LEE HARVEY - One of the most popular players at Griffin Park, having joined Brentford from Leyton Orient in November 1993, where he had spent nine years. But suffered a bad injury midway through last season, which means he has missed the early stages of the current campaign.

GARY DUFFY - One of two first year professionals signed on following a successful apprenticeship in Bob Booker's youth team. Was a consistent performer in Brentford's reserve team last season.

DAVID McGHEE - Versatile former club junior who established himself as a kingpin in the side last season. Recently signed an extended contract with the club, and can play in midfield, central defence or as a striker.

LEON TOWNLEY - Central defender who joined the club from Tottenham for £25,000 in September. Went straight into the side for the televised game against Wycombe.

CARL HUTCHINGS - Former Brentford junior who signed professional in the 1993 close season. Versatile player who has turned out at fullback, in midfield and in central defence, where he impressed at the end of last season.

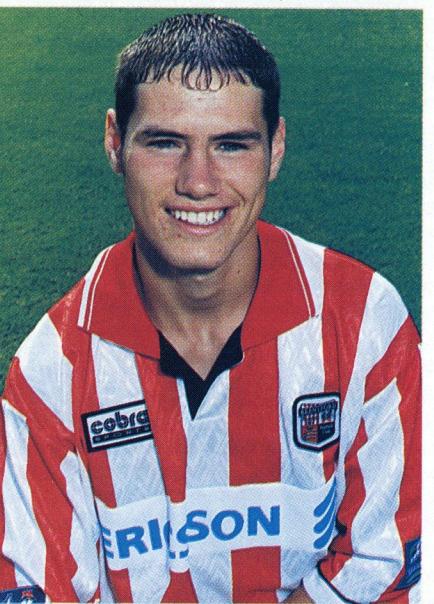

SIMON WORMULL - Signed on a free transfer from Tottenham this summer. Joined Spurs straight from school, and appeared in the Inter Toto Cup.

SIMON SPENCER - Like Wormull (above), he joined on a free transfer from Spurs this summer. He was originally taken on trial, but impressed in pre-season training and was immediately offered terms.

PAUL BARROWCLIFFE - Joined Brentford for £60,000 from Stevenage Borough, where he was captain, just before the start of the season. Previously with Wycombe, Sutton and Aylesbury.

STUART MYALL - David Webb's first signing in the summer of 1996, on a free transfer from Brighton. Midfielder who began his career as a trainee at the Goldstone Ground five seasons ago.

(Continued on page 14).

LEFT: Kevin Rapley

See page 20 for Brentford stats....

KEVIN DENNIS - Left-winger who joined the Bees in June 1996, after a one-year professional term at Arsenal.

RICHARD GODDARD - Central defender who joined the Bees from Arsenal a year ago on a free transfer.

SCOTT CANHAM - Made 14 appearances for the Bees while on loan from West Ham in the 95/96 season. His contribution led David Webb to secure his services on a permanent basis in August of last year.

CHARLIE OATWAY - Was Eddie May's first signing in August, from Torquay United. London-born midfielder who was previously with May at Cardiff, having signed from non-league Yeading.

ROBERT TAYLOR - One of the leading strikers in the division, who netted 13 goals last season, and 54 in the past three campaigns. Began his career at Norwich and joined the Bees for £100,000 from Leyton Orient in March 1993.

JOSEPH OMIGIE - Arrived from non-league Donna FC in October 1994. Scored his first goal for the club at Plymouth on Boxing Day last season.

MARCUS BENT - Talented teenage winger who is a product of Brentford's youth scheme.

KEVIN RAPLEY - Another product of the Bees' junior system, who signed professional terms in the summer of 1996. Made his league debut at Walsall in April, and scored two goals in his first full away appearance at Shrewsbury earlier this season, in the Coca-Cola Cup.

MALCOLM MCPHERSON - Signed on a free transfer from West Ham last summer, having joined the Upton Park club from non-league Yeovil in 1993.

RYAN DENYS - Last season's Youth Player of the Year, who was offered professional terms in the summer. Scored Brentford's first goal of the current campaign, at home to Shrewsbury.

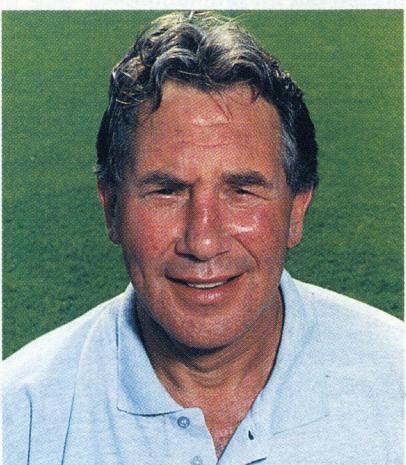

DEREK BRYAN - Joined Brentford from Isthmian League club Hampton in August, for £50,000.

MEET THE MANAGER

Following various behind-the-scenes changes at Griffin Park over the summer, David Webb became the club's Chief Executive, with EDDIE MAY taking over as the club's 19th post-War manager.

As a player he made the centre-half position his own at Wrexham, during a career which saw him make over 400 senior appearances, most of them as captain.

He moved into coaching, taking up positions at Leicester and Charlton, before moving overseas. He moved into management briefly, with Newport County, before again working abroad.

He returned though to become manager of Cardiff City in 1991, succeeding Len Ashurst, and in his second season led them to a League (third division champions) and Cup double.

He had two spells at Ninian Park, then a brief period at Torquay, before taking over the hot-seat at Norwegian club Raudeberg, and then in early 1997 he became manager of Republic of Ireland side Dundalk.

Brentford's assistant manager is CLIVE WALKER, who arrived at Griffin Park following a playing career covering almost 25 years.

He turned professional with Chelsea in 1975 after a two-year apprenticeship, and went on to make over 200 appearances for them before joining Sunderland in 1984.

He made over 60 appearances for the Roker side, and over the course of the next eight years he made close to 250 appearances for QPR, Fulham and Brighton, before joining Woking four years ago.

His 200 appearances for the non-league side included some memorable cup highlights.

The Hatters and The Bees

GAMES against Brentford can be traced back to our Southern League days a century ago but, as with many of our opponents, matches in the Football League did not start until 1920 when we were founder members of the newly-formed Division Three.

The first clash between the sides in the Football League took place at Kenilworth Road on 4th December 1920 when goals from Ernie Simms and Allan Mathieson secured a 2-0 victory.

We went down 1-0 at Griffin Park the following week, but during the period leading up to the Bees' promotion in 1933 we were successful three times in West London and remained proudly unbeaten at Kenilworth Road.

The game at Kenilworth Road in February 1933 stands out in our history as the only 5-5 draw we have experienced against any opposition.

We were coasting 4-1 at half time with Tom Tait having banged home a hat-trick but Brentford fought back with a vengeance in the second period and we were, in the end, lucky to hang on at 5-5. Jack Holliday scored all five for the Bees, a record still standing to this day.

Fourteen years were to pass before we were to meet again, in the old Division Two, and in two early season games in 1947/48 the Town's Hugh Billington went some way towards emulating Holliday's record by banging in all six goals in two 3-0 wins.

Apart from a 3-3 draw at Griffin Park in 1952, all games were low scoring leading up to Brentford's relegation in 1954, and a 1-0 Luton win in West London in April 1954 typified affairs and was the final nail in the coffin as the Bees were demoted to Division Three.

Paths crossed again in 1963/64, and when we travelled to Griffin Park in February 1964 we needed little reminding that over 18 months had passed since we had last won on foreign soil.

Also mindful that Brentford had coasted to an easy victory at Kenilworth Road earlier in the season no one could have forecast that the Town would end up 6-2 winners!

New striker John O'Rourke netted four that afternoon, making an instant name for himself and setting up a grandstand fight against further relegation, which was won with a game to spare at the end of the campaign.

Brentford did not allow O'Rourke to repeat his feat as, on the opening day of the following season, he was badly injured during the 2-2 draw at Griffin Park and his absence for the major part of the campaign was the main factor behind the Town's eventual relegation to Division Four.

The Bees were relegated the season after and following an early campaign defeat at Griffin Park we gained ample revenge in winning 3-0 at Kenilworth Road with David Pleat on the scoresheet.

holds a special memory during that campaign, as we went top of the table for the first time following a 2-0 win at Brentford in February 1968, a position we held until the end of the season.

The championship trophy was presented to us on the final day with Brentford the visitors to Kenilworth Road. Unfortunately the T.V. cameras, plus a crowd of 14,643, were treated to a tired performance but a 2-1 win all the same.

We met briefly again during 1992/93 with our win at Griffin Park the first of the campaign and coming after six starts which had seen us holding up the rest of the table.

The 0-0 draw at Kenilworth Road the following February is best forgotten, but it is interesting to note that the Bees were nine points ahead of us at that stage in the campaign but ended up being relegated while we avoided the drop.

Our final clashes took place last season with our early season 3-2 defeat at Griffin Park being difficult to understand especially as we took the lead twice, through Tony Thorpe, with a penalty, and Ceri Hughes.

Again we gained revenge when Tony Thorpe's single strike at Kenilworth Road earned the three points - in a game televised live on Sky - and a brief flirtation with top spot in the Division Two table.

Hatters striker DAVID OLDFIELD on the recent good run...

LEFT:
On the look out for goals, and he found one! David Oldfield piers into the distance at Wigan (sorry, couldn't resist that!)

LOOKING GOOD!

ALAN White's late winner at Carlisle on Tuesday meant there were plenty of smiling faces heading back on the 300-mile trip down the M6, and it brought the Hatters' points tally to seven from the last three games since the home defeat by Watford, writes SIMON OXLEY.

Town number nine David Oldfield says it's difficult to pinpoint one area which has led to the upturn in fortunes, but he's not complaining!

"Tuesday night's was a good result, because for all their problems at the moment a midweek trip to Carlisle is one of the tougher assignments of the season," said David.

"It certainly made the journey home a lot easier, and it was a nice time to score."

"Even though there were only three minutes to go, we made extra sure we didn't concede an equaliser, especially after Saturday when we only held onto the lead for two or three minutes."

"Conceding a goal soon after scoring is something we have done too often in truth, and we didn't want to do it again."

David probably has just cause for remembering immediate fightbacks by the opposition.

Prior to Saturday at Springfield Park, his last goal for the Hatters was in the play-off semi-final, second leg, last May,

which put Luton 2-0 in front against Crewe. A minute later it was 2-1, and the Railwaymen were back in the tie.

"I was certainly due a goal come Saturday's trip to Wigan, and perhaps we should have won there as well," he reflected this week.

"I was obviously pleased to score, and it's up to everybody to contribute on the scoring front. Thorpe was outstanding last year getting 31, and he's already got six this time round, but we all have to chip in, myself included."

"I had a similar chance on Tuesday at Carlisle, but it went just outside the post that time, rather than just inside as it did on Saturday."

The Australian-born striker/midfielder is one of the few players to have escaped the injury jinx, having only missed the home win over Southend. So what's made the difference in recent games?

"It's a combination of things really," said David. "Obviously everyone was very disappointed with the Watford result, but that hasn't been the sole factor."

"We have worked very hard, and on a lot of things, in training; in some ways we have gone back to basics in our approach - sticking to the simple things; and of course players are starting to return after injury."

"Added to that we haven't conceded any silly goals, and we have taken our chances, so as I said it's been a mixture of things."

"We can still improve of course, and there are several more players to come back, and we have hopefully started on a winning run, as we did around this time last year."

"I think the division is similar in standard to last year, and although after a bad start we have our work cut out, there's no reason why we can't get back up the league."

"It's a hard league, but there's certainly nothing to be afraid of."

"The game against Brentford is certainly a big one for us, because we have to win our home games."

"That's what let us down last season - too many home draws - and we need to win on Saturday."

"Last time we played of course it was first against second, and everyone was predicting both clubs to go up."

"Now we're both in the bottom half - it's a funny game."

The winner in that match last season - Luton being 1-0 victors - was scored by Tony Thorpe, who was back to his best in the last home game here against Plymouth.

The striker has been troubled by a thigh injury in the opening weeks of the season, but declared himself fully fit, and ready for goals.

"I've not been too mobile recently, but I'm OK now so there will be no excuses," he told reporters afterwards.

"Hopefully I can continue scoring goals, and at this stage last season I had six, and I've got six now, so hopefully I can get at least 20."

Thorpe also had praise for his strike partner against Plymouth, Gary Doherty, who became his fifth partner up front this term.

"I've played up front with Stuart Douglas, Andrew Fotiadis, David Oldfield, Phil Gray, Gary Doherty and on my own, all of which are very different experiences."

"Gary did well in the air, and it was a nice flick for my first goal."

ABOVE: Matthew Spring (4) pictured during the first-half at Wigan.

Spring into action to earn first-team place

TEENAGE midfielder Matthew Spring has earned glowing reviews after three games in the Hatters first-team, even though his full debut against Plymouth was marred by a 71st minute sending off.

The 17-year-old was shown the red card after a two-footed challenge on Plymouth's Martin Barlow, with the Plymouth manager Mick Jones racing onto the pitch to defend the youngster and protest to referee David Crick.

"I was very upset that a kid making his debut should be sent off for a challenge that I considered 50-50," Jones explained afterwards. "That's why I reacted and if that's a crime then I'm guilty."

He has since been charged with misconduct by the FA for comments made to the official.

Lennie Lawrence's initial reaction was that the red card was harsh - although having viewed the incident on video his opinion had leaned more towards the referee.

However, he was still delighted with Spring's performance, and had no qualms about giving him a starting role at both Wigan and Carlisle, as Gary Waddock was suffering with a calf

strain. Matthew though starts a three-match suspension today.

"It was the best debut I have seen for a long time," said the Town manager.

"I'm looking for young players who can come in and show the necessary nerve. It's not just about ability, so many young lads have an air of confidence in training but bottle it when it comes to the games, he didn't."

"He didn't look nervous from start to finish, he's got good vision and, although it's early days, he looks the part."

And a sending off on a full debut doesn't mean you can't go on to be a regular for years to come.... just ask Julian James!

There was praise too for Matthew's youth team colleague Gary Doherty who also made his full debut against Plymouth, and set up the opening goal for Tony Thorpe.

Gary was on the bench at Wigan, but was unavailable for the trip to Carlisle as he was on international duty with the Republic of Ireland youth squad.

And just to clear up an error made in a previous programme, Gary wasn't born in Luton, he was actually born in Donegal, Eire. - Simon Oxley.

CHANGE for the better? From FIFA looking at plans to outlaw the tackle, to debate over the Coca-Cola Cup, there seems to be a constant desire to change, writes SIMON OXLEY.

In a recent edition of the Nationwide Review (enclosed free with your matchday programme), you may have seen an article debating the structure of the Football League, and listing the names of the people charged with putting forward new proposals for the world's oldest competition.

The Luton Town chairman David Kohler is one of the club representatives on the Structure Committee, who will make recommendations to a League EGM in February.

The man in charge at Kenilworth Road feels the key to football's success is the need to be "Family Friendly".

And he has proposed some radical changes, which he feels will make for "an exciting and positive image" for the Football League.

Drawing inspiration from the time-honoured cliche "a game of two halves", Mr Kohler has, among other things, suggested points for teams who are in front at half-time as well as full-time. So what is the history of this particular desire for change?

Earlier this year, management consultants, Deloitte Touche, delivered their verdict on how the league should be formatted and run in the future.

Some of their suggestions were taken on board, but many were rejected as too radical. As a result, working parties on both structure and regulations - containing representatives of clubs and the league - were sent away with the task of making acceptable proposals.

They have to report back by the end of this month and, once the recommendations have been considered, they will be put to a Football League EGM in February - at which the 72 clubs will have the chance to vote, with most decisions requiring only a simple majority.

Alongside Mr Kohler on the Structure Committee, are: Terry Robinson (Bury), John Evans (WBA), Geoffrey Richmond (Bradford), Tony Kleanthous (Barnet), Heather Wilkinson from Deloitte Touche, and various officials from the Football League.

"In my view the first question we must ask is 'is the current structure working', and over many years I have heard much criticism of the structure and even more attempts at changing it," said Mr Kohler.

WHOLE NEW BALL GAME?

"If the current structure is failing then we need to find out why, and to date the main adverse comments centre around too many games, and too many meaningless matches.

"However I have never seen any evidence as to which clubs subscribe to either of these two comments, and at our last meeting I asked the League to provide information as to what clubs feel, and I still await with interest.

"I believe that every club has aspirations to play in the big time, but to some clubs the big time is the first division. There is a definite relationship between the size of a club, its town and its success. I do not believe we can fight this however, and we must cut our cloth accordingly."

Regionalisation is a topic which regularly crops up, as a means of increasing local derbies, and reducing travel costs for clubs and fans.

But where would the line be drawn. To use the Auto Windscreens Shield as an example, their north and south divide still had Northampton making a trip to Plymouth last season.

And whilst I can think of better ways of spending a Tuesday, a midweek trip to Carlisle comes into the "I was there" category.

How many of you went to Blackpool on the opening day of the season, and combined the football with a weekend break?

Wouldn't a constant diet of Wycombe, Northampton, Peterborough and Cambridge get dull after a while?

In a discussion paper prepared for the committee, Mr Kohler has put forward other changes to make the game more appealing, rather than shorter journeys.

"Deloitte and Touche in their recent report stated: 'Football needs to stay ahead of the competition in offering family-friendly, exciting and positive images in sport to maintain its leading market share', but are we family-friendly," said Mr Kohler.

"At the chairmen's summer conference a presentation was made which stated that most stadia are running at 50 per cent capacity.

"We must consider carefully a change in structure because most of our fixed costs by definition will not change if there are less games. We should be concentrating on getting more bums on seats as this income will go straight to the bottom line.

"There must be some merit in considering a national sponsorship for the family to enable us to use the current spare

capacity for our stadia, and the phrase 'get them young and keep them' must be true.

"But we must look at our image, and I feel it is therefore of fundamental importance that we differentiate our competition from that of the Premier League.

"What about the 'game of two halves' with one point for being in the lead at half-time; one point for being in the lead at the end of the second half; two points for a win; and one point for a draw?

"A further way of increasing our crowds could be to persuade the Premier League to play their matches on a Sunday. I have already sounded out a Premier League chairman who stated that as many Premier League clubs wish to take advantage of digital TV, they would have to move their fixtures to Sundays anyway."

Food for thought indeed, but do we need to change. You could argue that attendances have been growing for the last 10 years, and over 12 million people went to Nationwide League games last season. Could that have been 20 million though, as supporters vote with their feet.

Player Profile

JULIAN JAMES

Date of Birth: 22/3/70
Previous Clubs: None.
Joined Luton: July 1986

Julian joined Luton as a trainee, and was introduced to first division football in 1988, but was sent off on his full debut in a Littlewoods Cup win at Leeds in November of that year.

A former England Under-21 International, he has played across the back four for the Hatters, with a brief spell in midfield. Was a regular at left-back in the 1993/94 season, but made the right-back position his own in 1994/95, earning the Player of the Year Award from the Loyal Luton Supporters Club.

Was in and out of the side at the start of the 95/96 campaign, before an extended run at right-back following the arrival of Lennie Lawrence, and was a regular in that position last season. Has recently returned from injury, and has made over 300 league and cup appearances for the club.

Most memorable game: "Our 3-2 win at Derby in the last game of the 1989/90 season, which kept us in the old Division One. My full debut at Leeds also stands out, even though I was sent off."

Game I'd prefer to forget: "Like many of the other players here it would be the 7-1 cup defeat at Grimsby, but I prefer to forget any game we lose."

Which present-day player do you admire most? "Dennis Bergkamp - he is a controlled, quality footballer!"

Premiership 'Dream Team': David Seaman; Rio Ferdinand, Tony Adams, Gareth Southgate; David Beckham, Paul Ince, Patrick Vieira, Ryan Giggs; Gianfranco Zola, Dennis Bergkamp, Alan Shearer.

Greatest sporting achievement away from football: "I won a diving medal at school, when I was 12. On the golf course, most players lose balls, but I managed the achievement of losing a club, when it flew out of my hands on the second tee, over the first green, and into a bush. I never found it!"

State of the game: "The influx of quality foreign players and also given British players the opportunity to express themselves, rather than be regimented. But on the down side I feel the rich are getting richer, and the poor poorer. All the better players are sold off to the top division, leaving the lower leagues to be determined by brute strength rather than by playing your way out."

Birthday boys!

There hasn't just been a turnaround in fortunes on the field to celebrate in October, as no less than **NINE** Town players have celebrated their birthdays this month - **THREE** of the on the same day!

PAUL SHOWLER, GRAHAM ALEXANDER and SEAN EVERE all celebrated their birthdays on October 10 - the day before the home win over Plymouth, with Graham marking the occasion with his return to the first-team after injury.

There was a slight difference though in the number of candles on the cakes (sorry, Showls), with Paul 31, Graham 26 and Sean 20.

MARVIN JOHNSON celebrates his 29th birthday on Wednesday, and could be back in contention for starting place soon after a knee injury.

MITCHELL THOMAS was 33 on October 2 - the same day as **PHIL GRAY** was 29 - with **DWIGHT MARSHALL** 32 on October 3.

DARREN PATTERSON was 28 on October 15, with **STEVE DAVIS** celebrating his 29th birthday this coming Thursday.

Virtually a whole team born in the same month - that must be some sort of record..... never mind how big an indication that there's not much else to do on cold January nights!

Div Two clubs on the transfer trail

THERE'S been plenty of transfer activity involving Division Two clubs in the past week, with messrs Keegan and Wilkins finally starting to spend the Al Fayed millions at **Fulham**, writes **Simon Oxley**.

Fulham's new management duo have signed the former England Under-21 midfielder Ian Selley from Arsenal, for a club record £500,000 - a fee which could rise to £750,000 on appearances.

Since breaking his leg a couple of seasons ago, Selley has been unable to force his way back into the Gunners' line-up under Arsene Wenger.

Southend have signed French striker Sada N'Diye, and he marked his debut with the winner in last Saturday's 3-2 win at Plymouth. But midfielder Paul Byrne, once with Celtic, has left Roots Hall to return to Ireland.

Wrexham goalkeeper Andy Marriott says he wants to leave the club to boost his chances of becoming Wales' first-choice keeper.

Marriott won a full cap against Belgium two weeks ago, and said: "It's nothing against Wrexham, but to continue to play for Wales I must get away."

On the subject of the Welsh side in Brussels that night. A pat on the back is due for everyone involved in the Luton Town youth policy over recent seasons as the trio of Hartson, Hughes and Pembridge were all in the starting eleven for the World Cup fixture.

Carlisle have signed midfielder Laurent Croci from Bordeaux under the Bosman ruling, and striker Lee Peacock joined Mansfield for £150,000.

Brentford have signed Chelsea's Republic of Ireland Under-21 goalkeeper Nick Colgan on a month's loan while first choice Kevin Dearden is injured., and **Burnley** have extended the loan of striker Gerry Creaney for another month.

The former Celtic and Portsmouth striker is on loan at Turf Moor from Manchester City.

Mini-Soccer with LTFC

LTFC's Community and Schools Programme, and the Bedfordshire FA, have launched a major initiative to encourage young children between the ages of 6 and 11 years to play football.

Mini-soccer has been devised to provide a fun introduction to the sport for children of all abilities, with six or eight-a-side games played with simplified rules on small pitches.

Recognising the increased reliance on organised sport and leisure activities for children, Luton Town FC and the Beds FA aim to establish up to 20 mini-soccer centres throughout Bedfordshire.

The initiative was launched two weeks ago, but Mini-soccer will take place every Saturday morning between 10am and 11.30am. For details call Dean Rastrick, the LTFC Football Development Officer, at Luton Town on (01582) 411622.

YOUR chance to be a matchday mascot at Luton Town!

LTFC's Community and Schools Programme are offering one lucky youngster the chance to be a matchday mascot at our game with Preston on Saturday, November 8.

The prize includes tickets for Mum and Dad as well, with a pre-match meal and a seat in the Directors' balcony.

The lucky mascot also receives a full LTFC strip, and meets the players before leading the teams out on to the pitch.

This great prize will be won by a youngster attending one of our half-term coaching courses (see opposite page), and for further details please see this week's Luton News, Dunstable Gazette and Leighton Buzzard Observer.

INJURY UPDATE

Op for Showler, but better news for striker Douglas

There's mixed news on the injury front, with PAUL SHOWLER requiring an operation, although STUART DOUGLAS has been told he won't require surgery.

Overall, the majority of players are returning to fitness, and a number could figure in reserve team games over the next week.

Paul Showler had returned to training following knee and toe problems, but then suffered a groin injury, and underwent a hernia operation on Tuesday which will sideline him for six weeks.

But Stuart Douglas saw the specialist Mr Gilmore and was told he won't require a hernia operation, and after treatment should be able to resume training sooner rather than later.

IAN FEUER has been training normally this week, and if he is able to continue to do so, then Monday's reserve team game at Norwich is a possibility.

MICHAEL THOMAS is close to full training after his hernia operation, with ANDREW FOTIADIS having resumed already, and he is another who could feature at Norwich.

MARVIN JOHNSON, who has been ruled out with a knee injury, played 65 minutes in the reserves on Monday, and will hopefully be able to complete a full 90 minutes on Monday.

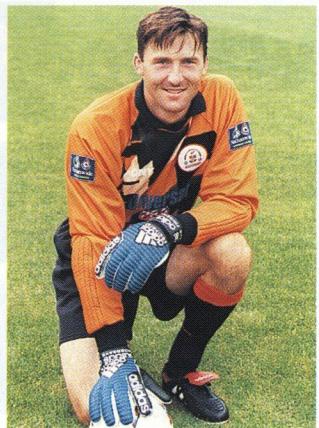

DWIGHT MARSHALL has also returned to first-team action, and I'm pleased to report that STEVE DAVIS and GRAHAM ALEXANDER have both come through the Wigan and Carlisle matches without any recurrence of injury.

GARY WADDOCK had a slight calf strain which kept him out at Wigan, but he came on at Carlisle and should be fine to resume today.

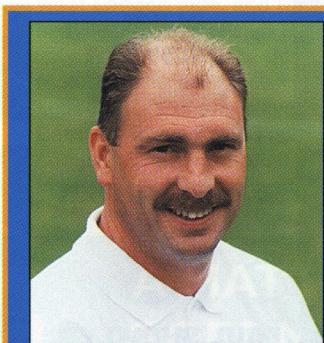

PHIL GRAY suffered a 'dead' leg on Tuesday, but his ankle problem has cleared.

DARREN PATTERSON has spent another week at Lilleshall recovering from his ankle injury, whilst long-time absentee STEVE AUGUSTINE is back in training after pelvic problem.

CHRIS WILLMOTT has also been given the go-ahead by the specialist to step up training after his knee operation.

Win tickets for **YOUR** junior team

FOR the third season in succession, the Loyal Luton Supporters Club are once again sponsoring the Young Team of the Month Award.

Having received a grant from NatWest Bank as part of the bank's Community Action Scheme, and through monies raised through the year, the supporters, in conjunction with Luton Town FC, have again funded the award.

The award is run on a monthly self-nomination basis - starting with November 1997 - and is open to all teams, boys and girls, under the age of 16. Winners receive 15 tickets (13 children and two adults) for a chosen Luton home match.

Previous winners have included successful regional champions through to teams who have won their first point after two years of playing.

Anyone wanting to nominate their local youth, school, cubs or girls team, should send a letter to Simon Oxley, c/o LTFC, briefly explaining why they deserve to win one of the monthly awards. And remember, you only need to make one nomination. All remaining letters will be considered throughout the rest of the season.

Bees launch new book with help of Griffin Park legends

part of the club's 'terrible twins' partnership with George Francis in the 1950's, is Brentford's record goalscorer with 153 Football League strikes to his credit during seven years with the club.

Ironically, the only match in which Ken and Jim scored the only goals of the game was in Brentford's 2-2 draw at Griffin Park on March 31, 1956, against last Saturday's opponents Walsall.

Peter Gilham, Brentford's marketing manager, said: "The whole afternoon had a really nostalgic feel about it because the club also invited two of our oldest known supporters, 94-year-olds Arthur Flint and Bill Axbey, to have a VIP day out at the game as a reward."

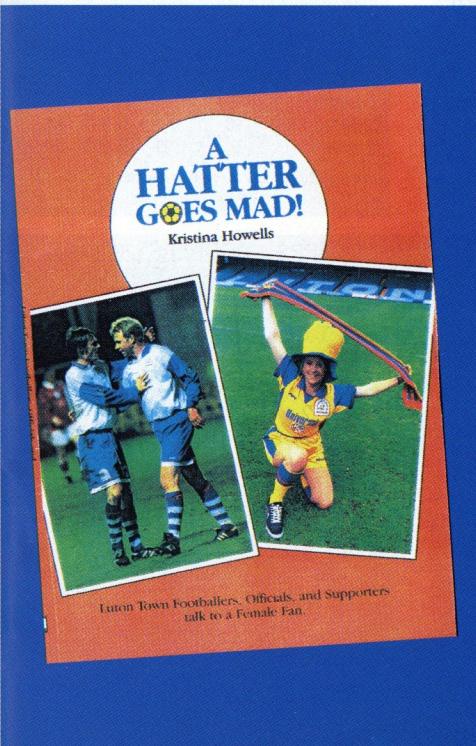

TWO of the greatest players in the history of today's opponents Brentford were invited to the club's Nationwide League fixture with Walsall last Saturday to help launch a new publication.

Ken Coote and Jim Towers were due to be presented with the first two "hot off the press" copies of a brand new 140-page book entitled 'The A to Z of Bees' - a Brentford encyclopedia which has been written and produced by two staunch Bees' fans and programme contributors Graham Haynes and Dave Twydell.

Brentford billed the event as a significant occasion for all their supporters as it would have seen Ken and Jim take to the field for the first time since their last playing appearance together back in May 1961.

Both former players are part of Griffin Park folklore in their own right, having established club records during their time with the West London side, and they feature heavily in this new club publication.

Ken Coote has gone down in the record books for making the most appearances of any player in the Bees' history with 559 games in all competitions under his belt, including 514 in the Football League. Meanwhile, Jim Towers, who was

by Kristina Howells

Look out for this new publication which is launched in Luton on November 8. It's a collection of Luton Town memories compiled by past and present players, officials and supporters - as told to committed Hatters fan Kristina Howells.

The launch on November 8 is at three venues, across the town:

9.30 to 10.45am - Hammicks, Arndale Centre.

11am to 12 noon - LTFC Club Shop.

12.30 to 2pm - Asda, Wigmore Lane.

Waddock injury halts 100% bid

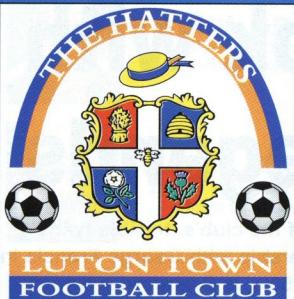

GARY Waddock's calf strain which ruled him out at Wigan last week, saw the Town's last ever-present record end in only the 12th league game of the season.

Waddock was the only player to have started all the previous 11 Division Two matches, plus the four games in the Coca-Cola Cup.

It shows the extent of the Hatters injury problems when such a record goes so early. But there is still a chance that one player could feature in every game.

Paul McLaren had started 10 of the 12 league matches - prior to Tuesday night's trip to Carlisle - and came on as a substitute in the other two, as well as starting all the League Cup games. Last season, Ian Feuer played every league game (46), with Julian James, Marvin Johnson and Graham Alexander (44), Steve Davis (43) and Mitchell Thomas (42).

RESERVES AND YOUTH ROUND-UP

THE Town's reserve side have returned to action with a defeat and a draw following the postponement of the games against West Ham and Brighton.

(These games were postponed due to injuries, and at the time of writing no new dates had been arranged).

The defeat came at Kenilworth Road, 4-1 to Charlton, in a game which saw Icelandic trialist Haraldar Ingolfsson make his debut.

The Luton scorer was Andrew Barr, with his fourth goal of the season in the Avon Insurance Combination.

Team: Abbey, Lawes, Harvey, Evers, Boyce, Fraser, Sweeney (McIndoe), Kean, Barr (Scarlett), Doherty, Ingolfsson.

Sub not used: Peake.

On Monday, Marvin Johnson returned to action after a knee injury, playing 65 minutes of the 0-0 draw against Chelsea.

Dwight Marshall and Richard Harvey also featured in the Town side.

Team: Abbey, Jones, Fraser, Evers, Boyce, Johnson (Peake), Sweeney, Kean, Barr, Harvey, Marshall (Scarlett).

Spink and his Lions tame league leaders Watford!

levelling the scores, before the Frenchman won it for the visitors.

Lee Nogan put Grimsby 1-0 in front at Blackpool, but goals from James Quinn and Tony Ellis looked to have given Nigel Worthington's side the points.

But substitute Phil Clarkson conceded a penalty five minutes from time, and Kevin Donovan equalised from the spot.

Brentford saw off Walsall 3-0 at Griffin Park, with goals from Robert Taylor, Ryan Denys and Marcus Bent.

Bristol Rovers missed a hatful of chances at Wycombe, and then saw goalkeeper Andy Collett's mis-hit clearance present Mark Stallard with the winner for the home side.

Veteran striker Andy Ritchie came off the bench to inspire Oldham to a 2-0 home win over Chesterfield.

Ritchie, the 36-year-old player-coach, scored on 61 minutes and then set up Stuart Barlow for his seventh of the season.

Chesterfield manager John Duncan reflected: "We were doing OK until Ritchie came on. His guile completely turned the game and he was just too good for us."

Wrexham were held to a 0-0 draw at the Racecourse Ground by Burnley, but Northampton chalked up another home win with a 2-1 victory over Gillingham.

John Gayle and Carl Heggs put the Cobblers 2-0 in front, before Ade Akinbiyi pulled one back.

Carlisle lost 2-0 at home to Preston in Friday night's televised game on Sky, with the goals coming from Gary Parkinson and Lee Ashcroft.

Also on Friday, Bristol City came from a goal behind to beat York 2-1 at Ashton Gate. - SIMON OXLEY.

NIGEL Spink was a novice when he won a European Cup medal - now he's chasing a Second Division medal at the age of 39.

Spink became an Aston Villa legend as a sub for the injured Jimmy Rimmer in their 1982 glory night against Bayern Munich.

Now he's loving life with the Lions, and after Saturday's 1-0 win at leaders Watford, he believes they can roar to the title.

They went into Tuesday night's games five points behind the Hornets, but with two games in hand.

Spink said: "We've taken full points from two difficult home games then gone to Watford, who are top of the table, and won."

Paul Shaw netted the winner on 37 minutes, but Spink - a recent £50,000 buy from West Brom - made a vital late save to deny Gifton Noel-Williams.

"Millwall are geared to go up, that's why I came here," said Spink.

It was Watford's first home defeat, and manager Graham Taylor admitted: "We couldn't open up a well organised and disciplined side.

"Previously we have had seven or eight players on form and looked good.

"This time some of them played nowhere near as well, and it's the first time my players have disappointed me."

Wigan boss John Deehan had some words of warning for his players after the 1-1 draw with Luton.

Deehan said: "I've no doubt they have the ability but we haven't got that much time to make it gel for this season.

"The players have to decide if they want mid-table mediocrity or to push on and really aim for that play-off place.

"We should have caused more

problems for Luton."

Fulham manager Ray Wilkins admits his side have a battle on to achieve promotion, after a 2-1 defeat at Bournemouth.

The Cherries, roared on by 7,606 fans, their biggest crowd of the season, outplayed a Fulham side including £500,000 new signing Ian Selley from Arsenal.

Wilkins admitted: "Other teams now raise their game because of Fulham's higher profile.

"I suppose that was inevitable after Kevin Keegan's and my arrival, but it's difficult for the players to cope with.

"It's a new experience for both of us. Neither Kevin nor myself have spent much time outside the top flight in football and it's going to take some getting used to."

Fulham were sunk by two goals from set-pieces from defender Ian Cox.

Jamie Vincent's own goal gave Fulham hope, but Bournemouth missed a chance for a third when Steve Robinson's penalty was saved by Mark Walton.

Sada Ndiaye, signed from French side Troyes, netted the winner on his debut for Southend as they won 3-2 at Plymouth.

It was a first away win of the season for Alvin Martin's side.

Southend had led 2-0 after a Paul Wotton own goal and Adrian Clark's 20th minute effort.

But Argyle hit back with Adrian Littlejohn and Carlo Corazzin

Another Great Save

STEVE Buckley was one of the best left-backs ever to ply his trade at Kenilworth Road and the sight of him careering down the wing before cutting inside and firing in a rocket shot, was one of the enduring memories of a good Luton side in the mid 1970's.

Born in Brinsley, Notts, Steve played his early football for Ilkeston Town before transferring to Burton Albion where Ken Gutteridge, later to join the coaching staff at Kenilworth Road, was manager. Gutteridge was friendly with David Pleat and recommended that the Town have a look at his left winger, a position that Steve was playing at the time.

"I was a left winger in my early days and always remember my clashes with Kirk Stephens (later to star with the Town) who was right back with Nuneaton," said Steve. "David Pleat and Harry Haslam, the Luton manager, came to watch me and invited me to Kenilworth Road in the summer of 1974 just as the Town had won promotion to the old Division One.

"I must admit to some misgivings about coming to Luton, but soon realised that it was a homely, friendly club and I was made welcome in some great digs which I shared with Steve Litt."

Steve soon realised that he would stand more chance of getting in the first team if he moved to full back to challenge ex-England star Bobby Thomson who was nearing the end of his career, rather than fight for a place on the left wing where John Aston was King. This turned out to be a wise move, as a first team call up came quicker than expected when Thomson was injured and Steve was drafted into the squad for the away game at Leicester in October 1974.

"I have never been as nervous as I was before that match when I was told that I was playing. I can remember that the score finished 0-0 and we were unlucky not to win and that was down to Leicester

goalkeeper, Peter Shilton, playing in all white, who saved everything that was thrown at him."

The Town had got off to a disastrous start to that season, and as Christmas approached we were rock bottom with only nine points to our name. Harry Haslam decided on some surgery and amongst the casualties was Thomson who was replaced by Buckley. The second half to that campaign saw the Town turn in some tremendous performances, especially at home, and if the record in the opening half of the season had been anywhere near as good then we would have qualified for Europe. As it was we had left ourselves with too much to do and relegation was a disappointing end to a season that holds many memories.

"We were really unlucky that season as we got it together after Christmas

and were capable of beating anyone on our day. The changes made to the side, bringing in Paul Futcher and his brother Ron, and then later on Andy King and Lil Fuccillo made a difference, but it was all too late."

We all thought that a quick return to the top flight was a formality, given the quality in the side, but over the next two seasons promotion was narrowly missed, although it was a good time to be a Luton supporter with some great team performances producing some thrilling games.

One of the stars of the side was undoubtedly Steve Buckley and we all knew that it was only a matter of time before he was sold to one of the big boys. When Steve turned out for the Town at Orient in January 1978, we guessed it was likely to be his last game for the Hatters as the national press had been full of transfer talk with Aston Villa the favourites to secure his signature.

"I was told by Harry Haslam that a bid had been put in for me and I assumed that it was from Villa. It was

'Nationwide Six' bid for Coca-Cola Cup glory

SIX clubs remain to fly the flag for the Nationwide Football League in this season's Coca-Cola Cup following the draw for the fourth round of the competition.

First division quartet Ipswich, Middlesbrough, Oxford and Reading, are joined by our fellow Division Two sides Grimsby and Walsall who are proving to be this season's giantkillers.

Having seen off David Pleat's Sheffield Wednesday over two legs in the second round, Grimsby knocked out holders Leicester City at the third round stage, with Steve Livingstone scoring twice in their 3-1 win at Blundell Park.

Walsall beat Nottingham Forest in round two, and in round three inflicted Sheffield United's first defeat of the season with a 2-1 win at the Bescot Stadium.

The winning goal was an own goal by United central defender Carl Tiler, just three

minutes from time.

Both Division Two sides have been drawn away to Premiership opposition in round four.

Grimsby will travel to Anfield to play Liverpool - the Reds having won 2-0 at Luton's conquerors West Brom.

Walsall are away to West Ham, for whom John Hartson has scored five goals in the competition already.

Fourth round draw:

Leeds Utd v Reading
Middlesbrough v Bolton
Chelsea v Southampton
Derby v Newcastle
West Ham v Walsall
Liverpool v Grimsby
Arsenal v Coventry
Oxford v Ipswich

Ties to be played w/c November 17.

Shield draws live on Virgin Radio

THE Football League had announced that the draws for each round of this season's Auto Windscreens Shield would be broadcast live on Virgin Radio's award-winning 'Russ 'n' Jono Breakfast Experience'.

But following Chris Evans' arrival at Virgin, we await to see whether the schedule remains unchanged.

The draw for the first round of this season's competition, which will also determine the 16 clubs to go straight through to the second round of the Auto Windscreens Shield, is due to be made on Virgin Radio on Thursday, November 20.

Auto Windscreens have confirmed their fourth year of sponsorship of the competition for second and third division clubs. The current format, in operation for the second successive season, incorporates a northern and southern section, with the first round now played on an instant knockout basis - rather than the round-robin format of previous years.

The first round sees 32 clubs competing, with the remaining 16 clubs receiving a bye into the second round. The second round, area quarter-final, and area semi-final sections follow, with the area finals once again played over two legs on a home and away basis. The competition final is at Wembley on Sunday, April 19, 1998.

New stand at Spotland

AS we await further news on Luton Town's proposed move to a new stadium, we try and keep you up-to-date with ground developments around the country.

Third division Rochdale have completed the latest phase of their redevelopment at the Spotland Stadium, with the construction of a brand new 2,700 all-seater East Stand.

The structure was officially opened at a specially arranged friendly match against Premiership neighbours Bolton Wanderers, with Graham Barrow's Dale side won 2-0 to ensure a thoroughly memorable occasion for the club.

These additional seats at the Greater Manchester side's stadium, which cost £1,048,000 - grant aided by The Football Trust to the tune of £350,000 - raises the seating capacity to 4,500, within an overall capacity of over 9,000.

Plans are on the drawing board to develop Spotland even further, with the Willbutts Lane side of the ground the next target.

Aussie golden boy!

WHAT with cricket and rugby, we're getting pretty used to people coming over from Australia and winning things.

So it should come as no great surprise to learn that long-time Luton Town supporter Tommy McGarry, back 'home' for a brief holiday from 'Down Under', should win the Golden Gamble at the home game against Plymouth.

Tommy is pictured with Town players Paul Showler, Marvin Johnson, Mitchell Thomas, Phil Gray and Dwight Marshall.
