The Manager's Message

HELLO again. Welcome to Ian Holloway and his players, staff, directors and supporters from Loftus Road. Queens Park Rangers narrowly missed out on promotion last season, with play-off disappointment against Cardiff City, and will be expected to be there or thereabouts again this season.

The transfer deal involving Tony Thorpe after only a couple of league games of the current campaign has been well documented, and I don't wish to cover old ground, except to say that it was not the way I would have chosen to do business.

We were delighted with the result against Port Vale on Tuesday, and particularly with the second-half performance.

The lads are setting themselves high standards, and achieving them regularly is the next aim. I am still seeing things in certain individuals that I had not seen previously since my arrival, and hopefully there is still more to come.

Some players take longer to settle than others when a new manager comes in, and that is only natural, but I have noticed in only the last week a better and more comfortable atmosphere about the place.

The big bonus for me is that in all the chaos of the last few months I have been able to play virtually every player available. It is impossible to judge players until you have seen them in competitive action.

We will, hopefully, have more to choose from in the coming weeks, with the return to fitness of a couple of the longer-term casualties. The fact that we have got points on the board early on means we have not been forced to rush those lads, and it also means that their hunger to get back and prove themselves will be greater.

You can never have enough good players to pick from, and although it makes selection more difficult, and leaves some disappointed, it's a long season, and to achieve any form of success it's a necessity. We will look forward to the game against Charlton in the week, and hope that many of you will be able to make the trip. But we will start thinking about that only after today's important game. I have said before that the league is our bread and butter, and that is what we will be judged on.

Enjoy the game, and get behind the lads.

The Town Captain's View

ALTHOUGH it is horrible to be out of action through injury, I have been feeling good this week, for two good reasons. For a start the surgeon who carried out my knee operation is pleased with the way it has healed, and he gave me the go-ahead to discard my crutches and start to do a bit of work towards regaining fitness.

And then the lads did the business against Port Vale – and how! I am not a good watcher of football, but I was at Kenilworth Road to lend my support, and to see how Port Vale were taken apart was a real tonic. I thought Port Vale looked pretty good for the first 20 minutes or so, and knocked the ball around quite well, and we were grateful that their best goal attempt hit the bar. But they hardly threatened us after that, and the lads deserve credit for that.

Vale came as league leaders, and we were a far better team on the night, so who knows what we might achieve this season. And what cracking goals they were, from Gary McSheffrey and Kevin Foley.

I was really pleased to hear that Gary's loan is being extended into a second month. I think it has been a case of the move being good for Luton Town, and for him. He is a lovely lad, and the longer he has been here the better he has got. He is a natural striker – his goal was an instinctive effort by a man who knew what he had to do without having to think about it. I am sure it is better for him to be playing first team football with us rather than being in the reserves at Coventry.

All things are possible, but we are where we are on merit, and while it might be hard there is no reason why we should not believe in ourselves. We all want to play at a higher level, and we have to aim high, and go for it.

Realistically, today's opponents are among the favourites for promotion, along with Brighton, Bristol City and Sheffield Wednesday. We have just soundly beaten the current leaders of the division, but I suspect we face a harder test this afternoon.

QPR are on a good run, but we are full of confidence. If we can find the form we showed on Tuesday we can give anyone a game, and I am sure the lads will rise to the challenge.

I don't know if we will be meeting up with Tony Thorpe again, because he has been out

of the side with injury. If he is in the squad he will doubtless get a bit of stick from our supporters, just as he did when he went to Bristol City with us.

He made a very personal choice when he decided to move to Loftus Road, and while we will do our best to give him a hard time if he plays against us, I will continue to count him as a friend. He did well for Luton, giving his all and scoring a lot of goals.

I trust Rangers draw a blank today, and another clean sheet will be very welcome. As the gaffer said, Tuesday's was overdue, but all credit to the team for the way everyone did their jobs to be sure we didn't concede. We need to do it again this afternoon, and start to put together another unbeaten run.

I am only sorry that I can't be out there on the pitch helping out, and I am particularly choked to be missing the chance to play at Charlton on Tuesday. That

was my first club, and when the draw was made I was well pleased at the thought of playing at The Valley. I've missed the chance, on this occasion at least, but getting back to fitness is my priority. I was told it would take a minimum of eight weeks.

That was two weeks ago, and I am now on rehab work, and prepared to do everything possible to beat that forecast. I am a very determined bloke in all things, not just in the way I play. And determination can work wonders. I learned that as a boy at Charlton, where I was told that if I was determined enough I could become a professional footballer. I was, and I did, and now I have that same determination to get back into action as soon as possible.

Meanwhile, I hope the lads continue to do well without me – more of what we saw on Tuesday will do nicely.

EVACUATION PROCEDURE

IN THE event of any emergency in the stadium, Luton Town FC and the emergency services have agreed on an evacuation procedure which is designed to ensure the safe and controlled evacuation of the crowd, and to ensure their safe dispersal from the area, to allow the emergency services to carry out their tasks.

In the event of evacuation from all or part of the stadium, you will receive instructions over the public address system on how you should leave. In an evacuation of the main stand you will be instructed to use the pitch. Stewards will direct you to the nearest exit. It may be that your normal exit route will not be available. On leaving the stadium, you will find some roads closed to pedestrians, to enable swift and unobstructed access for the emergency services. Please leave the area of the ground as quickly as possible, by the route directed. Your co-operation will be most appreciated.

Geoff Lovell, Safety Manager.

From The Chief Executive

GOOD afternoon and welcome to today's match.

The LDV Vans Trophy draw sees us once again playing Stevenage away, a repetition of last season's match. It will be played on Tuesday October 14, kick-off 7.45pm, and will be an all-ticket match as we have an allocation of only 1,400 tickets. Please see the ticket office news pages for further details.

My thanks today to those supporters who usually use the Eric Morecambe Suite but have been unable to do so this afternoon. This is due to the success of Peter Davis and the Commercial Department in selling the executive packages so that the larger facility of the Eric Morecambe suite has been brought into use (Oh for a new stadium with larger and better facilities for all!) As we all appreciate income is vital to the club, so the additional cash generated today is very welcome.

Speaking of additional income, today on the pitch we will be accepting a cheque for £418 which is money raised from raffle tickets, programme sales etc from a charity football match held between Hitchin Town Supporters Club and Loyal Luton Supporters Club. The game was played at Offley Football Club and was watched by about 100 people. I was one of them, and the result, although not important, was a 2-2 draw which left everyone happy. Our thanks to all those who helped organise the match. They are too numerous to mention individually, but they know who they are - Thank you.

The Football League have advised us that that once again they will not be implementing the transfer window system on a domestic basis. Consequently Football League clubs will be free to operate under the same 'open' system as last season.

Clubs will be able to trade freely with each other, and with clubs from leagues below The Football League until the transfer deadline on March 25. Clubs will also be able to make loan signings from clubs in the FA Premier League, and may make such moves permanent at any

time. Football League clubs will, however, be unable to sell or loan players to FA Premier League clubs, or trade with

football clubs outside the domestic league structure until the window reopens on January 1.

The Football league understands that FIFA intends to review the effectiveness of transfer windows at the end of the current season. Therefore it is the League's intention to participate fully in this review in order to represent the views of its member clubs.

There is a lot of activity going on behind the scenes and we should shortly be able to give you full details of a new park and ride scheme from Luton railway station to help supporters get to and from matches.

We are looking at running a new half time competition on the pitch, with a great prize for the winner at the end of the season. It will all start at the next home match. Watch out for other new ideas, and if you have any please do let us know.

The Commercial department are also looking at new initiatives which I hope you will support, the first being a sportsman's dinner on November 19. Perhaps some of you could get together and book a table between you. I am sure you will have a great evening, and full details appear elsewhere in this programme. Finally, it doesn't seem possible that this is the last home game before the start of the new month, and as you know our match with Tranmere has changed to Monday October 6, so there will be no "open house" on that evening. However when we meet on the first Monday of the next month, November 3, we will stay open until 9pm, so please do come and talk to us.

Gareth was loaned out to Preston towards the end of the 2001/2 season before being released by

Wimbledon. Gareth's debut for Rangers was in the first match of the 2003/04 season at home to Blackpool where he also scored two goals in a 5-0 victory.

Local player who progressed through the Youth ranks and signed professional on his seventeenth birthday. Strongly built striker who was a regular goalscorer during his youth team days. Marcus came through the youth ranks at Rangers after first joining the Club as an eleven year old. Marcus made a further seven appearances for the First Team last season and having had a taste of the action will now be looking to establish himself as a regu-

lar this season.

18. DENNIS OLI (DOB - 28/1/84, Newham, Height - 6'0", Weight - 12st)

A year later he moved on to Watford for £250,000 where he enjoyed two very successful seasons scoring thirty seven goals in seventy nine appearances. After a total of one hundred and thirty one appearances for the Blues and fifty goals, Paul rejoined Rangers on loan in August 2002 before signing permanently a month later. His 'debut' as a fully fledged Rangers player came away at Mansfield where he scored the first goal in a 4-0 victory for the R's. Paul has now established himself as a first choice striker at Loftus Road and he endeared himself forever to all the Rangers fans by scoring the goal against Oldham Athletic that took Rangers to the Second Division Play Off Final last season.

Blast From The Past

David Pleat's first season in charge at Kenilworth Road was almost a disaster with the Town narrowly avoiding relegation from the old Division Two at the death.

Pleat had made wholesale changes to the side he inherited, intent on altering the playing style to that of his own principles, but a terrible run of injuries meant that he had to make do and mend as the campaign drew to an ultimately successful close.

The summer of 1979 was spent in adding a couple of names to the squad. Mike Saxby from Mansfield and Tony Grealish from Orient were signed as immediate first team players which meant that, sadly, some long serving squad members had to leave to balance the books, but Pleat would not deviate from his beliefs and his stated aim to take the Hatters back to the top flight.

The season opened with a two leg defeat to Gillingham of Division Three in the League Cup, a home draw with Cambridge and a 2-3 reversal at Bristol Rovers.

Supporters were quite naturally beginning to doubt Pleat's expertise but after a narrow home win over Orient, a brilliant 3-1 televised victory at Leicester made them alter their views a little. This was followed by a 5-0 thrashing of Swansea and suddenly the Town were top of the pile when the first league tables were published. What a manager this Pleat was turning out to be!!

By the time of the visit of Q.P.R. to Kenilworth Road on 10th November 1979 the Hatters were still in top spot while Rangers were second. Rangers were in a rich vein of form which included a 7-0 win over Burnley at Loftus Road two weeks before and a 3-1 victory at Bristol Rovers the previous Saturday.

The top of the table clash attracted a crowd of

19,619, the largest at Kenilworth Road since September 1976 when Fulham and George Best were the visitors, as well as the London Weekend T.V. cameras.

In a great advertisement for Division Two football the Town turned on the style but could not convert chances into goals. Chris Woods in the Rangers goal was in constant action in the first half with athletic saves from Brian Stein and David Moss but he was rooted to the spot when full-back Kirk Stephens, on a regular foray forward, lashed a shot against a post.

The goal the Town fully deserved eventually came in the 44th minute when Paul Price's free-kick, awarded for a push by Glenn Roeder on Alan West, was headed powerfully home by Saxby.

The Town were unable to keep up the frenetic pace in the second period but still had more chances than Rangers with Steve Wicks clearing a Moss effort off the line and Bob Hatton going close on a couple of occasions. 'It only takes a second to score a goal' so the old cliché goes and Clive Allen proved that, just after the hour mark, when he reacted quickly to a loose ball in the area and scored with great composure.

The press felt that the final 1-1 draw slightly flattered Rangers but Pleat was reasonably happy, feeling that it was important not to lose but frustrated by the missed opportunities. Rangers boss, Tommy Docherty, thought that the crowd had witnessed two sides that would have graced the top flight while admitting that the Hatters were the better outfit.

Hoping for better things. David Pleat lines up with squad of 1979/80.

Honours Even In Televised Clashes

Despite the disappointment of the draw, the Luton supporters were at last witnessing a side that looked like it could be going places after several mediocre seasons. Form dipped after Christmas but the Town were always hovering around the top three and hit top spot again in mid-February before a run of five games without a win sent them tumbling out of the promotion places.

On the weekend before the return game with Rangers the Town had lost at home to Cardiff on a miserable night where the pitch was barely playable. Injuries to David Moss and Kirk Stephens added to a game to forget and supporters thought that, although it had been fine while it lasted, the promotion dream was over.

Rangers were in fourth spot, one place above the Town, after a run of six games without defeat but even though we thought the season had finished the BBC 'Match of the Day' cameras were there feeling that the clash was still a 'four pointer'.

Because of the injuries caused in the Cardiff match the Town had to re-shuffle with Graham Jones coming into the side at right-back for his first game in over a year.

Naturally, Rangers looked on Jones as a weak link and attacked down that flank from the start taking the lead after only two minutes when Steve Burke left the defender stranded before firing the ball

across for Paul Goddard to tap home.

After 31 minutes Rangers were two up with Goddard again the scorer after Jones was left exposed to another left-wing attack. The interval came with Luton supporters fearing the biggest defeat of the season but surprisingly Rangers eased off after the break allowing the Town to come back more into the game.

Docherty then made a strange decision in taking off Roeder, leaving more midfield space for the Town's West and Grealish to operate in and the game was slowly turned around.

Paul Price smacked a shot against the bar and Brian Stein shot against a post before Pleat gambled by taking off Steve White and replacing him with debutant Andy Pearson, to give the attack more width.

It was now all Luton as the Rangers defence retreated, and it came as no surprise when Stein headed a picture goal on 73 minutes from a Hatton cross.

The deserved leveller came eight minutes later when, after a spell of panic in the Rangers defence, Ricky Hill looped a header into the net.

Suddenly us doubting Luton supporters could see promotion on the agenda again after such a brilliant fight back, but the winner would not come leaving Pleat again satisfied with the draw.

Docherty was spitting nails!

Yesterday's pages

The Hatters produced their normal 30p programme for the visit of Q.P.R. in November 1979. The programme only consisted of 16 pages but was bulked out by a national insert, similar to 'Football League Review' of ten years before, which was only of passing interest. Under 'ticket office news' it was revealed that the Town allocated 100 OAP seat tickets at 85p for each game and had received many complaints from disappointed supporters who could not obtain one for the recent Sunderland game. Similarly, there were complaints from supporters that they could not obtain stand tickets for the previous week's game at Cambridge where the allocation was tiny. Who would be in charge of a ticket office!

The league table makes nice reading with the Town perched in top spot although there were plenty of clubs breathing down their necks.

Hatters Away: Nine Days in

AFTER TWO home games in five days, the combination of the luck of the draw and the Football League fixtures computer gives the Town three games on the trot before the next Kenilworth Road game a fortnight on Monday. We entertain Tranmere Rovers on October 6, a match which has been switched from the previous Saturday to accommodate SKY's television schedules. We are then at home again, to Wycombe, five days later. By the time we gather for the Tranmere game, Town fans who travel to support the team will have clocked up over 700 miles, to Charlton for the Carling Cup game on Tuesday, Oldham next Saturday and Swindon on the following Wednesday.

The usual coach services will be running to all three games, thanks to the efforts of the Bobbers Travel Club and Town on Tour, and they are now taking bookings.

**Carling Cup, Second Round
Charlton Athletic v Luton
Town
Tuesday September 23, kick-
off 8pm**

THE road journey to The Valley is fairly easy, as we outline below, but parking near the Charlton ground is very difficult, which means it makes a lot of sense to go by coach. You can book today.

The Bobbers service will leave Cranfield at 3.30pm and Luton an hour later, and fares will be £8.50 for adults, £7 for senior and junior citizens.

Town on Tour will depart from Bletchley at 3.30, and Luton at 4.30, and as always their best deals are for Luton Town Supporters Club members. Their fares will be £10 for members, £8 for members' concessions, and £12 for others. You can, of course, join the Supporters Club today, and immediately qualify for the discount.

Driving to The Valley

THE shortest route to Charlton is almost straight through London, but that risks a lot

of traffic jams, and the possibility of being hit by the congestion charge.

Our man will put on a few extra miles but almost certainly get there quicker, although evening on the M25 can be a little dodgy.

He will leave Luton on the M1 going south, then take the M25 east, towards Dartford. Leave M25 at junction 27 to take the M11 southbound, signposted to London NE. After just over seven miles bear left to take the A12, signposted to London E and then follow the signs to go under the River Thames through the Blackwall Tunnel. Within half a mile of emerging from the tunnel take the A102, which is signposted to Greenwich, and the route to The Valley is signposted from there. It will take you into Bugsby's Way, which you follow until you go under a railway bridge before coming to a T-junction where you make a right turn into Anchor and Hope Lane. At a set of cross roads you will see a huge Victorian pub, the Antigallican, facing you. Go straight on, with the pub on your left, into Charlton Church Lane, and Floyd Road, which is your destination, is the second on the left. But be careful where you park – a lot of streets around the ground are for residents only.

Mileage from Luton: 60.

**Nationwide League Division
Two
Oldham Athletic v Luton
Town
Saturday September 27,
kick-off 3pm**

FOR the game at Boundary Park the Bobbers will set off from Cranfield at 8.30am, calling at various villages on the way to Luton, with departure from Kenilworth Road at 9.30. The fare is £14.50 adults, £12 for children and pensioners.

Town on Tour's trip begins at Bletchley at 9am, with a 10am departure from Luton after pick-ups at Linslade, Leighton Buzzard and Houghton Regis. They will also call in at Milton Keynes Coachway at around 10.20. Fares are £16 for members of Luton Town Supporters Club, £14 for concessions, or £18 for passengers who are not in the supporters club.

Choice Of Routes For Drivers

THE shortest road route to Oldham is via the M6, but our man finds the quickest is up the M1 and then over the Pennines. He stays on M1 into

Three Trips in League And Cup

Yorkshire, then takes the M62 heading west.

The alternative is taking M1 and M6 north, and in

Lancashire, after crossing the Thelwall viaduct over

the Mersey and the Manchester Ship Canal, take M62 east, towards Leeds.

However you get there, leave the M62, at junction 20. If you have got there via the M6, the M62 becomes the M60 for a short stretch, part of the Manchester Orbital. At junction 18 the M60 swings right, and the road ahead reverts to M62, which is the road you want. Don't be kidded by signs to Oldham via M60 – stay on M62 to junction 20, where you leave to follow the A627(M), signposted to Oldham and Ashton. When the motorway ends, take the second exit, and you will see the ground, and its big car park, on your left.

Mileage: Around 200 via M1 and M6, about 220 via M1 and M62.

**Nationwide League Division
Two
Swindon Town v Luton Town
Wednesday October 1, kick-
off 7.45pm**

IT'S AN afternoon departure for coaches heading for the County Ground, where for the second consecutive match we take on a team managed by a former Luton Town star.

Town on Tour will begin their journey from Bletchley at 3pm, leaving the Town ground an hour later. Fares are £12 for adult members of Luton Town Supporters Club, £10 for junior members, and £14 for others.

The Bobbers will set off from Cranfield at 2.30, with a 3.30 departure from Luton, and their fares are £11 adults, £9 for concessions.

Quick And Easy By Car

SWINDON is easy to reach by road, and you can expect to get there in well under two hours. Take the M1 south from Luton, then the M25 towards

Heathrow, before joining the M4 west. Leave at junction 15, following the signs towards Swindon for just under two miles, when you come to a roundabout from which the County Ground is signposted. Bear left at that roundabout, and take the third exit at the next and the ground is on your right. It has a big pay and display car park.

If you have time to spare and prefer a scenic route, and slightly shorter in miles, head for Dunstable and stay on the A505, going on to Aylesbury, then to Oxford, and then follow the signs to Swindon. This takes you into Swindon on the A420. At the Gable Cross roundabout, on the edge of Swindon, follow the signs towards Swindon and Motorway M4. At the White Hart roundabout take the third exit, signposted towards Swindon, into Oxford Road. Go straight on, following the signs towards Swindon Centre over two more roundabouts, and then at the third turn right. It is signposted to the County Ground, which you will see on your right.

Mileage (motorway route): 105

Golden Gamble Sets The Record Straight!

A WEEK ago Town fanatic Danny Fallon was grumbling that although he was a joint winner of the competition to name the new Trust in Luton beer, Goalden Hatter, he didn't receive a prize, not so much as a free pint.

Fortunately Danny is well used to buying pints, and he can now afford a lot more, because he was one of the three-man syndicate that picked up Tuesday's Golden Gamble

jackpot. The trio, regulars in the pressbox, invest £10 between them at every game, and they are enjoying a nice dividend because Tuesday's prize amounted to £520.

The size of the jackpot is linked to sales of tickets, which cost only £1 each. Half of the income goes towards the prize and the other 50p to club funds, so even if you don't win, you are helping Luton Town and as you know we need every penny we can get.

The five prizes paid out so far this season have totalled £2,890, an average of £578 each. Golden Gamble ticket sellers are everywhere within the stadium again this afternoon, and another jackpot will be drawn at half time, and paid out in readies there and then.

Out Of Luck At Home Park

Plymouth Argyle 2 Luton Town 1

EVEN Plymouth boss Paul Sturrock agreed that the Town had been dreadfully unlucky to be beaten by two late goals at Home Park. "If I were the Luton manager, I would be pig sick," he said. "When we went one down in the second half we didn't look like coming back. Luton must be wondering how they could possibly have lost that game."

Until Plymouth's last frantic and desperate revival, the Town's better football had looked good for all three points. It was still 1-1 as the clock reached 90 minutes, when the winning goal was conceded as the fourth official hoisted a two-minutes-to-play board.

Plymouth had never been allowed to take charge, with the Town working hard to draw their sting in the first half, and then turning on the style in the second. A neat goal, cleverly created and taken, gave the Town the lead they deserved on 58 minutes, and they stayed ahead on merit until the 82nd minute. Only then did Plymouth and their fans rouse themselves for a grandstand finish which made the result a mockery of the way the game went.

With Steve Howard suspended and only 16 fit players available, the Town gave a debut to 21-year-old Londoner Enoch Showunmi at centre-forward. He was fired up, and rapidly got into trouble with the ref and the home fans for the way he got stuck in. The ref, who did not have much of a game, booked the striker for persistent infringements of the rules in the 27th minute, and most people in the ground thought a red was to be shown ten minutes later when Showunmi and Graham Coughlan collided with some force. As Coughlan stayed down, apparently mortally wounded after the clash of heads, the referee opted for a long lecture to Showunmi rather than a red card, and his manager subbed him four minutes later.

Dean Crowe and Gary McSheffrey thus became what was probably the only pint-sized attack in the Football League, but their mobility and switching, and good service from defence and midfield, made the Town a smooth passing unit. Sol Davis had come in for injured Alan Neilson, and when David Bayliss had to go off with a hip injury the back four was shuffled again, with Ian Hillier going on at right back and Emmerson Boyce moving into the middle alongside Chris Coyne.

By then, Bayliss had seen a goal-bound effort cleared off the line and Rob Beckwith had made a good save at the feet of David Norris. In the second half the Town were well on top, and after blazing a decent chance over the bar after taking a pass from Hillier and bamboozling Coughlan, McSheffrey made amends on 58 minutes. Crowe sent Kevin Foley on a right wing overlap, and his cross to the near post was met by McSheffrey's deft header.

That should have been that, but Plymouth threw on three subs, switched to a 4-3-3 formation, and tried to batter their way to goal. Overlapping full back Dave Worrell provided the 82nd-minute cross from which Mickey Evans headed the equaliser, and suddenly Plymouth were on fire – with effort if not skill. Perhaps that was when the height of Howard was most missed, with David Friio heading the late winner from a free kick by Paul Wotton.

"I thought we had the game won, but you have to keep going for the full 90 minutes," said the Town manager. "The goals were avoidable, but otherwise the lads did everything we asked of them. With a little more concentration and a greater desire to keep the ball out of our net we would have won, but I can't fault the lads for the effort they put in. They are feeling a bit sorry for themselves because they did a decent job and got nothing."

Hatters Pic of the Week

SHOOTING STAR: Kevin Foley enjoys the moment after scoring the first league goal of his career, a cracker to finish off Port Vale on Tuesday. Still only 18, he was the unanimous press-box choice as man of the match, playing in a midfield role after breaking into the team as a right back at the start of the season.

League Leaders Are Demolished

Luton Town 2 Port Vale 0

MIKE Newell said after the unlucky defeat at Plymouth that if his team kept playing the way they did at Home Park, with the addition of more concentration in defence, they would be all right. The players proved it at Kenilworth Road on Tuesday, with a thrilling second-half display to demolish the Second Division leaders, and with the season's first clean sheet a welcome bonus.

Both managers agreed that Port Vale shaded the first half, despite being a goal down at the interval, but were well beaten in the second.

Brian Horton enjoys coming back to Luton, where he had "the happiest three years of my playing career" two decades ago, and congratulated the Town on their performance. "Teams lift themselves when they play the leaders, and I suspect that's as good as Luton have played this season," suggested the man who skippered the Town to the Second Division championship in 1982. "Their back four won it for them, staying up the backsides of our two front men and giving them no room at all."

The other major reason for the Town's success in a match which offered huge entertainment under the floodlights was the quality of the finishing, with Gary McSheffrey and Kevin Foley expertly putting away two of the many chances the Town created.

Vale contributed to an excellent match, and in the first half looked well organised and always willing to attack. But after the break Sol Davis got tighter on Steve McPhee, who had threatened to be man of the match, and that just about snuffed out Vale's attacking threat.

They were not helped when Liam Burns crashed over an advert hoarding and down onto the concrete at the Oak Road end. As he was stretchered away with an ankle injury, right back George Pilkington had to be switched to the middle of defence, and that cut out the quality service to McPhee.

After Plymouth the Town manager asked his men to

show more determination and concentration to keep the ball out of their net, and his request could not have been answered more emphatically. We were lucky when Mark Boyd smashed an early drive against the bar, but Vale had their slice of good fortune when the excellent Matt Spring curled in a clever goal which was chalked off for a marginal off-side decision.

Vale looked class for the first half hour or so, but the Town kept them out, and then grabbed the lead with a real striker's goal, McSheffrey delivering an instant shot into the bottom corner after taking a pass from Foley on the edge of the penalty area.

In the second half the Town were unstoppable, and it was a mystery how Vale kept them out until the 70th minute, when after a wonderful pass by Matt Spring man of the match Foley carefully placed his shot into the net for the first league goal of his career. It showed the composure and expertise of a striker – not bad for a teenager who looks top class in defence or midfield.

Said the Town manager: "We weren't on top of the game in the first half, but in the second we passed the ball about, pushed up, and didn't let Port Vale have anything. Rob Beckwith hardly had a save to make and that's the way we like it. We were due a clean sheet. I can't believe we have gone ten games, including pre-season, without one, and you can't get anywhere until you keep clean sheets. That was really pleasing, and so was the way we passed it around in the second half, and the way we took our goals."

The other bonus for the Town was the return after knee surgery of Adrian Forbes, who jumps far higher than he has any right to, and who looked good in a roving role, sometimes alongside and sometimes just behind McSheffrey. But for the full list of man of the match contenders, just see the Town line-up below!

PORT VALE: Delaney; Pilkington, Collins, Burns (Briscoe 28 mins), Brown (Rowland 73 mins); McPhee, Boyd, Lipa, Littlejohn (Armstrong 61 mins); Brooker, Paynter. Unused subs: Reid, Brain.

BOOKED: Mark Boyd for a foul on Paul Hughes.

REFEREE: Joe Ross, London.

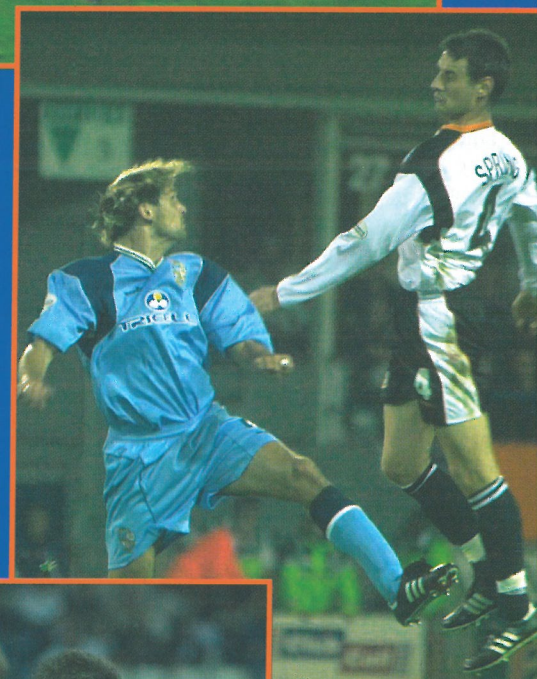

ATTENDANCE: 5,079 including 344 Port Vale fans.

ON THE BALL: Gary McSheffrey, who netted his third goal in the last four games, proves a handful needing to be watched by three defenders. Kevin Foley is the man backing up.

RIGHT: Spring-heeled versus a Lipa – Matt Spring well up in competition with Vale's Greek midfielder Andreas Lipa.

BELOW: Mass celebrations as Town players share the delight of Kevin Foley after his goal finished off Vale.

Town Teaser

IF YOU know your Town Trivia, you could win a pair of match tickets in our Town Teaser competition. Listen to the PA announcer before kick-off for your chance to have a go. On Tuesday we asked who, where, when and why did the Port Vale manager get a public hug from his then Town boss. The answer was that Brian Horton had skipped the Town to a famous victory at Maine Road in May 1983, to avoid relegation at Manchester City's expense. It led to a memorable jig of delight across the pitch by David Pleat. Your memory needs to go back a little further to answer today's Town Teaser.

TODAY'S QUESTION

WE HAVE had some great games over the years with QPR, but one, played at Loftus Road in September 1981, made football history. Why? And who won that match?

Youth Soccer: The under-19s

Walsall 4 Luton Town 1

WHEN not one member of your team is playing up to scratch you are liable to take a beating, and that is what happened to us at Walsall. We were below strength because of suspensions and injuries, which meant the team included two second-year boys and four first years, including the front two.

Zak Barrett, still a schoolboy, played in goal because Robert Beckwith and Dean Brill were both with the first team at Plymouth, and the defeat was not his fault.

It was a day when our players did not do well enough as individuals or as a team, and I certainly expected a much better performance.

We had no power or guile to frighten the opposition, and most of the game was a defensive battle. I knew it wasn't going to be our day when we conceded a bizarre goal after 11 minutes. Barrett made a good blocking save, but the ricochet hit one of our defenders and the ball rebounded into the net.

The tide ought to have been turned when we

equalised on 22 minutes. Tom Freeman was upended for a clear penalty. Steven O'Leary's spot kick was saved, but the referee

ordered a re-take. Once more the keeper managed to keep the ball out, but O'Leary followed up to put away the rebound.

It was still 1-1 at half time, and I thought that perhaps we had weathered the storm. I felt we could only get better in the second half, and perhaps get something out of the game. But it didn't happen, with too many players going through the motions. We gave away three bad goals, and the team performance was not up to the standard we require. There was not enough desire, commitment or concentration, and the players know they must work a lot harder in future.

We didn't get going at all until the last ten minutes, when it was already 4-1, and in the closing stages Parys Okai had a chance to reduce the deficit, but the keeper made a good save with his legs.

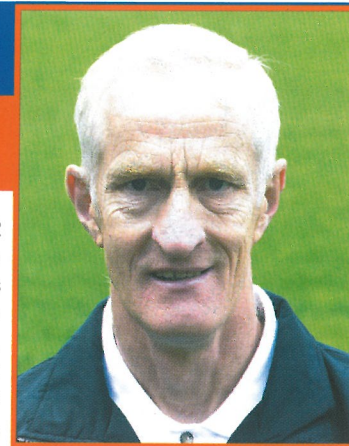

Luton Town: Barrett, Howell, Mountford, Davies, Deeney, Barnett, O'Leary, Freeman, Andrew, Okai, Mansell.

THE EDITOR apologises for an error in Tuesday's programme, saying the under-19s would be at home to Oxford this morning. Portsmouth 3 Luton Town 0

THE result sounds bad, but in terms of development it was a good day for us, and I was gutted for the boys because they played well against one of the most powerful teams in our league. An awful decision by the referee led to Portsmouth scoring with 20 minutes to go, and we conceded two more in the last five minutes when we were chasing the game. My opposite number from Portsmouth commiserated, saying we had murdered Pompey until they got their first goal. Our big failing, needless to say, was that for all our good play we failed to score, but if we keep playing our football the goals will come. We had an iron grip on much of the game, and for the first 70 minutes Portsmouth were not allowed a single shot at our goal. Russell Preston was out of luck twice in the first half, hitting the bar and then being brought down for what should have been a penalty. The worry at half time was that for all our good play

it was unlikely that the opposition would complete the game without creating a single chance. Sure enough, Portsmouth scored on 70 minutes, but not

from an opening they created. Liam Smyth went in at full stretch for a sliding tackle, and the ball broke to our goalkeeper. He collected and cleared, and we could hardly believe it when the ref ruled that it had been a back pass. It was a shocking decision, and the indirect free kick led to a goal being smashed in from ten yards, the first shot Portsmouth had had.

We went gung-ho after that, looking for an equaliser, and were caught on the break twice, on 85 and 88 minutes, to give Portsmouth a scoreline that flattered them immensely.

Our lads should not be disheartened, and it was good to see three under-14s involved in a squad which also included three under-15s. We have good groups at this level, and will give a lot of youngsters their chance this season.

Preston, an under-15, did well until he was injured in a clash of heads, which led to Jamie McGuinness, an under-14, making his debut. Unfortunately it lasted only 18 minutes, when he was stretchered off with a leg injury. We feared it might be serious, but it has turned out to be just heavy bruising. He in turn was replaced by Ryan Charles, another under-14, and he, like McGuinness, looked very lively on his debut.

Luton Town: Goodchild, Smyth, Pendleton, Burrows, Green, Tague, Hanley, S. Sinclair, R. Sinclair, Preston (McGuinness 60 mins, Charles 78 mins), Clark (Asafu'Adjaye 70 mins).

WE WERE at home to Leyton Orient this morning, and our next two games are both away, to Southend and Northampton, before we return to Luton RFC on October 11 to entertain Colchester, kick-off 11am.

The Luton Town Belles Go Top

TOWN went to the top of the first league table of the season with a comprehensive 4-0 win over Rover Oxford.

The match could not have started in better fashion when Sam Mather's looping shot gave them a first-minute lead and Oxford rarely threatened after that. Luton were awarded a penalty mid-way through the half, but Kim Hide blasted her shot against the underside of the bar and although she netted the rebound the goal was disallowed for an infringement.

Belles eventually increased their lead when another corner was only half-cleared and Lyndsey McKeown powered her header in over the keeper.

Luton peppered the Oxford goal in the second period, and it was no surprise when Kim Hide collected a Sam Mather cross-field pass to drill the ball in under the diving keeper. The keeper then made a string of saves but could not hold Stacey Connell's hot shot and Rhiannon Morgan was on hand to shoot into the roof of the net to make it 4-0.

The seven youth teams were in their first action of the season at the weekend, and produced six wins. The new under-10s battling well to win 1-0 against Tottenham Hotspur with a goal from Bethany Smith.

But the under-12s were out of luck, going down 0-3 in a similar fixture.

Both of the Saturday under-12 sides won their opening matches 4-2, with the Oranges defeating Leighton United with goals from Robyn Britten (2), Robyn Wilfort and Danielle Carty. The inexperienced Tangerines performed equally well at Potton United, with their goals coming from debutantes Zoe Jenkins, Kirsty Scott, Leanne Lizaitis and Kerry Stratton.

Both the under-13s and under-14s got off to away-day flyers, with the 13s winning 6-1 at Hoddesdon with a hat trick from Brittany Murtagh, a brace from Nicky Shepherd and Natalie Burchnall and amazingly including three penalties. The 14s netted a 9-1 win over Northwood, with Ann Folan leading the way with four, two from Christina Hale and Stephanie Cowell, Emma Wells and Charlotte South also on target.

The under-15s went goal-crazy, hammering Enfield Town 16-0 with another debutante, Janine Daly leading the way with five goals. Rebecca Kane (4), Kelly Halsey (3), Michelle Byrne (2) and Shelly Miller (2) netted the others.

Junior Hatters With Happy Harry

WE HAD a bit of a mixed day out at Plymouth, when we were able to run a trip for 26 Junior Hatters thanks to the help of Town on Tour – we shared a coach with them when we discovered we could not fill one on our own.

Unfortunately the M4 motorway was a bit of a nightmare, and the journey took six and a half hours. The result was that we did not arrive until half an hour before kick-off, so we could not enjoy all the pre-match hospitality our hosts had laid on for us.

However, they made us very welcome, and five-year-old Kieran Boylan, from Lyndhurst Court, Harpenden, managed to get changed quickly enough to be our official mascot after his name was picked out of the hat on the journey. As you can see from the picture, he was able to join in the warm-up before the game started, and met the match officials

and skippers at the toss of the coin.

The fixture list has robbed us of two of our usual trips to follow the Town. Swindon and Bournemouth are always kind hosts, but our visits to them are both midweek evening matches, so our next awayday will not be until we go to Ashton Gate on November 1. We will give more details nearer the day.

Meanwhile, don't forget you can have a good day out at football when the Town are at home, thanks to our Saturday Club.

It lasts from noon until after the game, and the price is only £6 for Junior Hatters with season tickets, or £12 including a match ticket. There are occasional visits to the cinema and bowling alley, for a small extra charge. To book your place please call 01582 391927 before 12 noon on the Friday before the match.

Today's Mascot

NINE-year-old Daryl Fourniss, from Longcroft Road, Luton, is this afternoon's mascot. He attends St. Margaret's Junior School, and really loves his football. He comes to matches with his mum, and knows his soccer, because he plays for Memorial Park Steelmen. His other major hobby is playing pool.

Today Daryl gets a look at what goes on behind the scenes before kick-off, and his visit to the dressing room will enable him to meet his favourite players, Steve Howard and Kevin Foley. Our ball boys are Richard Healy, from Salisbury Road, Flitwick, and Christopher Lennon, from Rosslyn Crescent, Luton.

Happy Harry

JUNIOR Hatters membership is open to any boy or girl aged from 0 to 16 who supports Luton Town, and if you want to know more please contact the Community Department. There are lots of advantages, including value for money trips to away games, and the chance to be picked out as mascot at home matches - the choice is made at random from the membership list. We often also have mascots at away games, and they are picked out of the hat during the journey. For more information please call the Junior Hatters headquarters in the Community office, on 01582 391927.

LTFC in the Community

DID YOU know that girls and women's football is now the top female participant sport in the country, and that last season there were 85,000 affiliated players in England, an increase of 38% on the previous season? This is in no small part due to the fantastic sponsorship schemes such as the one run last year by The Nationwide Building Society under their banner of 'Nationwide Supporters of Tomorrow'. The good news for girls and women's football is that they are to repeat the scheme this year.

This season's Nationwide Supporters of Tomorrow Scheme will provide Luton Town and every other Football League club with considerable sponsorship so that schemes can focus on maintaining the momentum of the fastest-growing game in the UK. The criteria we are looking to achieve are as follows: increase the number of female supporters at football league matches, improve awareness of the women's game, and to increase participation still further in ladies football.

Here it is going to be the responsibility of the Community Department to implement and deliver the programme of activities.

Our plan includes various activities and opportunities. In the first instance we will offer to selected groups of about 80 schools and organisations around Bedfordshire the opportunity to receive free tickets for girls involved in football activities within them.

The schools will also be offered the chance to receive free curriculum time coaching one afternoon a week for a six-week period. Realistically over the period of the sponsorship we will be able to offer this to the first 20 schools to reply.

This will give at least 500 girls the opportunity to be involved in football activities under the guidance of professional coaches. These schools and organisa-

tions will also have first refusal to be involved in after-school football activities at a much-reduced price.

Secondly we will run a series of Ladies Days, based around a couple of themes. I will open up one or two of our few remaining Saturday Matchday Soccer Clubs to girl's football. These will be run on a fun-day basis, giving the girls the opportunity to be coached, have some lunch with us and then go to the game. We will look to involve them in an on-pitch activity at some time during the afternoon.

We will also run a series of fun days, subject to the availability of the Kenilworth Road pitch, with one taking place here at the end of the season.

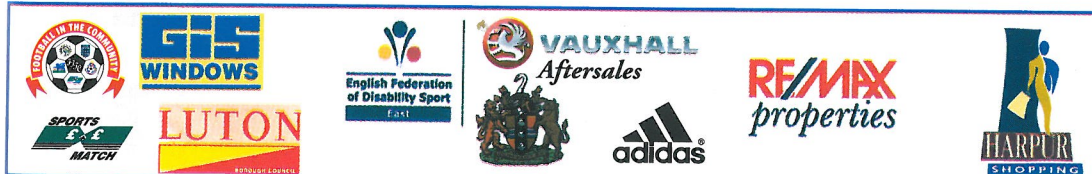

Finally we will continue to offer our support to Luton Town Belles, with free and subsidised use of our coaches to help them with the development of their teams and coaches. At this point I would like to offer Dave Baker and the Belles my congratulations on their magnificent achievement in being voted National Charter Standard Club of the year. I am sure Dave will be telling you much more about that in his column.

Nationwide Supporters of Tomorrow has also been linked to a Football Association national girls scheme called 'Get Involved.' This is a very simple scheme designed to help girls find football teams. All you have to do is ring the number below and the FA will send you a pack with information on all the local clubs. Alternatively you can ring me and I would be delighted to send you one of the cards, illustrated below.

So, if you think that your or your child's school or organisation might qualify under the Nationwide Supporters of Tomorrow Scheme and might benefit from our coaching or a few free tickets please give me a call. As usual the number is 01582 391927.

Chattering Hatter

THE TOWN were this week completing the paperwork formalities to extend the loan of striker Gary McSheffrey, who has become an instant hit with his colleagues and supporters alike by averaging a goal every other game since his arrival in late August.

His superb goal to put the Town on their way to victory against Port Vale on Tuesday was his third in his last four games, and skipper Kevin Nicholls believes the 22-year-old is getting better with every game as he and his team-mates get to know each other.

The style of passing football demanded by manager Mike Newell has helped McSheffrey, who enjoyed his first month at Kenilworth Road so much that he had no hesitation in accepting the offer of another one.

Said the manager: "We have agreed it with Coventry, and Gary is happy to stay here. He looks comfortable in the team, and he is happy in the dressing room and that makes a difference when they go out on the pitch.

"It was a real striker's goal against Port Vale, but I also look at the rest of his game, I am not one for looking just at the scoresheet and how strikers get their goals. That's what they are there for, but you look for more than that. His workrate is phenomenal. He leads the line well, and he looks like a complete centre-forward."

And the manager should know, as we remember from his days playing alongside Mick Harford in the Town attack in the old First Division in the eighties.

The possibility of Courtney Pitt returning for a second month is still under consideration.

But midfielder Adrian Forbes is now back in business after an operation to removed a screw that had worked loose following last year's surgery for a cruciate knee ligament injury. He made his first appearance of the season on Tuesday, playing alongside McSheffrey in attack, and the boss was well pleased with his contribution. "He's full of enthusiasm and we needed that up front against Port Vale to cause them problems. He

did that and his attitude was absolutely first class."

This afternoon Steve Howard is available again after a two-match

suspension for his red card at Brighton for giving a linesman a piece of his mind.

But Paul Hughes will be missing from midfield, serving a one-match ban for receiving two yellow cards in the match at Notts County.

Travel Offer For Exiled Hatters

WE KNOW we have supporters spread all over the country, and abroad too, and today we are pleased to pass on an offer that might enable some of our far-flung fans to get together to share the cost of travelling to games.

The idea comes from Neil Nash, who lives near Telford, in Shropshire, and he wants to form an informal group, The Luton Exiles. The aim is to share lifts to get to Town games, home and away and if you are interested you can e-mail him at daisys@tiscali.co.uk

Leave an e-mail address, or a phone number, explaining where you live, and with luck you can be paired up with one or two others from the same area. Neil is already in contact with five Luton fans who live in his area.

Neil hopes to run the service without charge, and will be posting information on the appropriate message boards. He would welcome any ideas on how to promote the scheme. Neil posts messages under the name of Shropshire Hatter at lutonfc.com

The Second Division: QPR On A Roll

TUESDAY'S cracking victory over the league leaders lifted the Town only one place up the table, but they go into this afternoon's match as one of ten teams within three points of first place. A victory will put them ahead of today's visitors, who in turn will fancy three points to have a chance of going top.

Rangers collected their first league away win of the season at Wrexham on Tuesday, 2-0 with goals by Marcus Bean and Martin Rowlands. They had Kevin McLeod sent off in the second half, in which they survived a heavy Wrexham onslaught.

The win took QPR's current run to six games without defeat, which started on the day Tony Thorpe made his debut for them at home to Bournemouth. He has netted twice since, but missed the Wrexham match through injury. Rangers have lost only once so far this season, 2-1 at Brighton in the second league game of the season. Their other away results were 3-3 at Rushden and 2-2 at Colchester.

Gareth Ainsworth and Paul Furlong top their score-chart, with five goals each.

The Division's top marksmen, all with seven goals, are Tommy Mooney of Swindon, Onandi Lowe of

Rushden and Lee Peacock of Bristol City.

With the league table so tight, Sheffield Wednesday's first away defeat of the season was a double shock to them: it came at Bournemouth, who had not enjoyed a home win all season until then. The defeat sent Wednesday tumbling from second place to seventh. Wade Elliott got the only goal in stoppage time.

Barnsley's chance of regaining the league leadership vanished when they were held to a 1-1 home draw by crisis club Oldham, and Hartlepool jumped into second place with a 2-1 win at Stockport. They are one of six teams who have lost only once this season, the others being QPR, Swindon, Barnsley, Bristol City and Plymouth.

Of those, Andy King's Swindon, who entertain the Town in 12 days time, have the best current run – seven without defeat since a first-day reverse at Sheffield Wednesday.

At the other end, Chesterfield are still looking for their first win of the season after being beaten 1-0 at Brighton on Tuesday. The goal came from Leon Knight, who was a bit of a handful when the Town lost at Withdean, and was his sixth of the season, a total matched by Grimsby's Michael Boulding. Not that Boulding's marksmanship is doing the Mariners a lot of good – they have taken only one point from their last four games.

But it's worse for fans of Tranmere and Wycombe, who have not seen a victory since the opening day of the season. Oldham, Stockport and Notts County are the only other teams with only one win to their name but something might give this afternoon, with Tranmere at Notts County and Wycombe entertaining Oldham.
