# THE CHAIRMAN

GOOD AFTERNOON and welcome to Kenilworth Stadium for today's game with Huddersfield Town.

Congratulations to Keith Keane, who has been selected for the Republic of Ireland squad for the forthcoming 4th European Under-19 Championship 2004/05 Group 9 mini-tournament taking place in Limassol, Cyprus from the 17th to the 23rd October 2004. International duty is a double-edged sword, bad news for the club being that Keith will not be available for selection for the next three games. However, it is an honour for Keith to be called up, and that fact does reflect favourably on the club.

In the local news this week there is another reference to Michael Newell possibly being approached by Leicester City for their manager's vacancy. In fact, because of our success, he is increasingly being targeted by other clubs, which he has been associated with. I know he is fully committed to the Club to achieve the team's full potential. It was pleasing to all of us to see that in the October issue of the League Managers Association newsletter, Michael achieved second in their top twenty Managers table.

I enjoyed last Saturday morning watching our Under-18's win against Walsall. It was encouraging to see the excellent standard of our players whose ambition is to develop into a first-

team player. Knowing Marvin Johnson as a young player I was impressed to see how well he has developed as a coach and how well the team is responding to him. If you have a spare Saturday morning it is well worth a visit to the training ground to watch an enjoyable game of football.

The Observer newspaper's issue of the 10th October 2004 commented upon the recent 'Crappiest town' survey results; and then the paper did another survey to find the 'Crappiest Football Grounds' in England. Kenilworth Road came second, I can only describe the survey as exactly that!

Our Stadium is a hundred years old next year, consider the number of supporters who have sat and stood over nearly ten decades to watch the Town play. I am amazed that one person's quoted comments should be the basis of such a criticism.

I will enjoy the game I hope you do too.

As always, the players need your vocal support.

## THE MANAGER

HELLO and welcome to Kenilworth Road for today's game against Huddersfield Town. Welcome to Peter Jackson and his staff, players, directors and supporters from the Galpharm Stadium.

Huddersfield had a successful season last year achieving promotion via the play-offs and have started well in League One; this afternoon's match will be another good test for us.

As I said last week, we still think they can produce more at times and that performance will go a long way to convincing them.

We welcome back Kevin Foley from international duty but lose Keith Keane for the next three games. Obviously we are delighted for the players to get recognition but it is frustrating to lose them for any length of time.

We are delighted with the progression of the young players over the last twelve months and we believe there are more waiting in the wings. It is testament to Mark Ridgway and all of his Centre of Excellence staff as well as Marvin Johnson, that we can produce our own players.

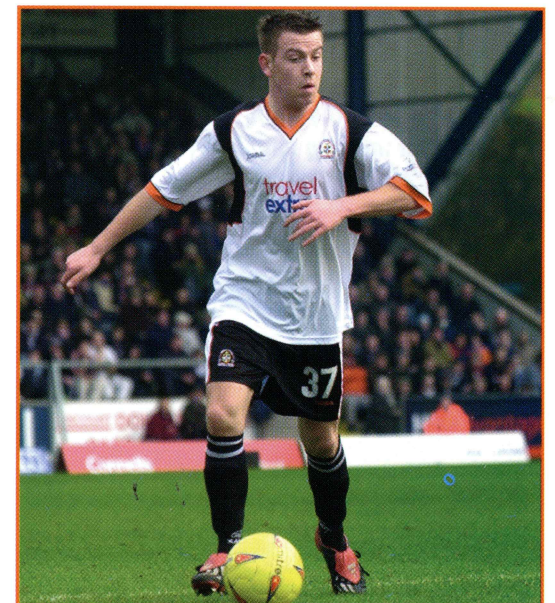

The hard work and the hours spent with the kids over the years often goes unnoticed and unrewarded, not by us though.

I have always maintained that it is the way

forward in this day and age. We will never be afraid to give youngsters their chance and Luton has a history of bleeding good, young players. Whether we are able to hold on to them is another matter completely and we will never stand in a player's way if he can better himself.

In the long run it will make the Club stronger and there will come a time when we are able to hold on to them.

## Unite Against Racism

Professional clubs, footballers, community groups and fans everywhere are joining forces to unite for the national anti-racism week of action.

Activities are celebrating the contribution made to football by black, Asian and other ethnic minorities across the country, whilst setting out a clear message against racism in the game.

Checkout what's happening at [www.kickitout.org](http://www.kickitout.org) or call 020 7684 4884.

## CLUB SECRETARY

GOOD AFTERNOON, I expect, like me, you are having to catch your breathe at the moment with the tremendous success the team is having on the pitch. Everyone connected with the club deserves the success that we are presently enjoying, long may it continue.

Success has also brought its problems regarding ticketing, but we have put in extra telephone lines and staff to cope with the additional work-load. It would be nice to have 100 phone lines manned as one supporter has suggested, but as you will appreciate that is quite simply impossible!

With many new supporters, the calls are also taking longer as the caller does not know the layout of the stadium, prices etc. and need to have these details explained to them, hopefully these fans will soon become regulars or possibly purchase season tickets therefore relieving this additional problem. Like you, we are fully aware of the clubs need for new supporters and additional revenue, so it is essential that we do everything we can to assist in

the easy purchase of tickets for our matches.

This week it is National Anti-Racism week of Action in Football, which we, are as always, happy to support. I would like to thank Stuart Smith, our Football in the Community Officer and his department for their help in organising the events for this week. Please see the Community page for more information.

We have a new confirmed date for the Southend away reserve match, which was displaced by the LDV competition. The new date is Tuesday 23rd November, with a 2pm kick-off at Roots Hall, Southend.

Several people have asked about the draws for both The F.A. Cup and The F.A. Youth Cup. The draw for the First Round Proper of The F.A. Cup takes place on Saturday 30th October. The draw for the F. A. Youth First Round Proper takes place on Friday 22nd October.

Enjoy the game

# CLUB STATEMENT

## INCREASED DEMAND LEADS TO MORE SEATS FOR HOME FANS

With the Club's continuing success on the pitch all home areas were sold out for last Friday's fixture with Hartlepool United. The Safety Advisory Group required us to sell out of all home areas by the Tuesday prior to the match, this would enable us to make application for the use of the un-occupied seating for home fans in the Oak Stand. Unfortunately, this restriction left some fans unable to attend the match because we did not sell out our home seating until 7.00 p.m. on the evening of the game. This was extremely frustrating for everyone as we had empty seats in the Oak Stand.

To try and alleviate this problem I contacted the Local Authority Safety Advisory Group and Peter Palmer, the Bedfordshire Police Football Liaison Officer and discussed the possibility of changing the present selling arrangements. They were very receptive to our request and accepted the proposals that we put forward.

Therefore a meeting of all parties involved took place, where it was agreed that once we have sold out of all the existing home seats, we will be allowed to sell up to 600 unreserved seats in the Oak Stand to home supporters, for certain games. The Tuesday cut-off date will be removed, and the Club will put in place procedures to cater for this beneficial change to enable a decision regarding the Oak Stand to be made much closer to the match.

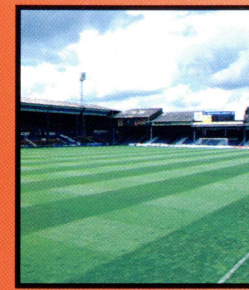

Access to the home section of the Oak Stand will be by ticket only, which must be purchased from the ticket office. Prices are £17.50 for Adults and £10.50 for Concessions.

The Safety Advisory group have agreed this new arrangement is on a trial basis and it will be up to us as a club and you, as supporters, to ensure that it works well, so that we can continue to offer this facility throughout the season.

The first match this new scheme will apply for is Bradford City on Saturday 30th October, followed by Wrexham on Saturday 6th November and Port Vale on Saturday 11th December.

Now is the time to encourage friends and family to come along and support the Club and ensure that we fill all the seats now available to us.

## MANAGER

### PETER JACKSON

**BRADFORD-BORN** Peter Jackson is in his second spell in charge of Huddersfield Town, having previously managed the Terriers between October 1997 and May 1999.

As a player, he started his career with his hometown club as an apprentice in 1978. He made in excess of 300 appearances for the Bantams before he made the switch to Newcastle United, following a couple of seasons at St. James Park he returned to Bradford in 1988. After the centre-back's second spell at Valley Parade, where he stayed for another two seasons, he arrived at Huddersfield Town.

His leadership qualities were soon recognised, taking over the captain's armband and after a three-year stint with the Terriers he finished his playing career at Chester City. A return to Huddersfield saw him take up his first managerial role and he led them to First Division safety in his first year in charge, followed up by a top ten position the season after however he was dismissed in May 1999 and since then - over a four year period - Steve Bruce, Lou Macari, Mick Wadsworth and Mel Machin have had spells in the hot seat prior to the return of the popular 43-year-old in the summer of 2003.

## GOALKEEPERS

### IAN GRAY

Experienced goalkeeper who became Town's third close-season capture in 2003/04. He was signed in the summer from Rotherham after been kept out of the starting line-up by the form of Mike Pollitt. Gray had been Town's regular first-team keeper until sustaining a hand injury in the game at Accrington Stanley. He has trained well pre-season and is expected to make a full recovery and reclaim the number one shirt.

### PHIL SENIOR

Following an injury to first choice keeper Ian Gray, Phil became our regular first-team keeper. He came through the Academy system and was a pupil at Lilleshall, after which he represented England at youth level. Although only 5 foot 11 inches, he makes up for his lack of stature with his exceptional agility.

## DEFENDERS

### NATHAN CLARKE

A teenage centre-half who signed professional forms in September 2001 after impressing in the Academy ranks. Nathan was plunged into first-team action in the 2001/02 season and made an instant impact and established himself in the first-team. Missing most of last season through injury he made a return this season and quickly established himself in the first-team. Unfortunately, he sustained an ankle injury in March 2004 that kept him out for the rest of the season, but he is now on the road to recovery having featured in Town's pre-season campaign.

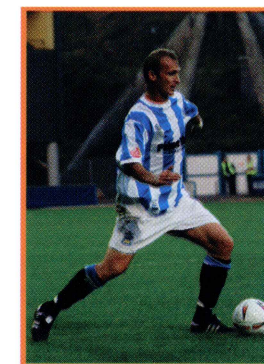

### DAVID MIRFIN

Graduated from the Academy last season and made an immediate impression. Drafted in as cover for Nathan Clarke, the centre-back performed magnificently alongside the experienced pair of Sodje and Yates. As well as staunch defending, the 19-year-old maybe best remembered for his last gasp goal against York City when he played up front.

### ROB EDWARDS

Returned to the McAlpine in July 2003 after being released from Chesterfield. He cost Town £150,000 the first time he joined the club from Crewe in 1996, where he had come through Dario Gradi's renowned youth system. He originally signed him as a goalscoring midfielder, playing 160 matches and scoring 17 goals. He was transferred to Chesterfield for a knock down £20,000 in September 2000, where he played 109 times scoring 7 goals. He scored the winner in the play-off semi-final to send Town to Cardiff last year.

### STEVE YATES

The experienced versatile defender arrived from Sheffield United after a successful trial period. The ex-Tranmere player appeared in the League Cup final with the Merseysiders. His other previous clubs have included Bristol Rovers and QPR. He was Town's 'Mr Consistency' last season with impressive displays at centre-back.

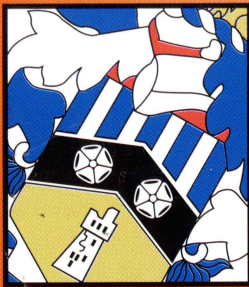

### EFE SODJE

The bandanna wearing Nigerian, who starred for his country in the last World Cup, was signed from Crewe Alexandra during the close season, where he played over 100 games. His previous clubs have included Macclesfield, Colchester and of course the Hatters. He made a big impression on the side after his debut against Derby County and became an immediate terrace favourite. Captained the side to the play-off victory in Cardiff.

### ANTHONY LLOYD

Has been at the club since the age of 10, having progressed through the Terriers Academy system, he earned himself a professional contract this summer. Was a regular in our reserve team

# HUDDERSFIELD TOWN

last season, he made his first-team debut at home to Leyton Orient and scored his first senior goal in the home game against Boston United. He has now secured his place on the left of Town's defence.

## JOHN McCOMBE

Another player to graduate from the Academy, the teenager is in his first-year as a professional having earned a contract with the Club in June. He is a tall, uncompromising defender and will be a valued addition to the squad.

## MIDFIELDERS

### TONY CARSS

Joined the club during the 2003/04 close season from Oldham Athletic. He was a former Blackburn Rovers trainee with his other clubs include Darlington, Cardiff, Chesterfield and Carlisle. He was a regular in the first-team last season, scoring an unforgettable goal at home against Torquay United.

### JONATHAN WORTHINGTON

Arrived at the Club during the 2003/04 pre-A gritty midfielder who has been a regular member of the first-team squad. His workman like, professional performances in the centre of the park earned him the Player of the Season award in Town's promotion winning season.

### DANNY SCHOFIELD

Arrived in the summer of 1998 from non-league club Brodsworth Town. He can operate on either flank or is equally effective as a striker and has an eye for spectacular goals. He was a regular member of the first-team squad last term, making the greatest numbers of appearances.

### ADNAN AHMED

Began his footballing career with Bury before earning a dream move to Manchester United. He left Old Trafford after two years to sign a three-year scholarship with Town. Adnan worked hard last season to earn himself a professional contract. He made his first-team debut coming on as a substitute at the away game at Swansea in 2003.

### LEE FOWLER

Signed a two-and-a-half year contract early last season after impressing during his three-month loan spell from Coventry. The young midfielder spent a month at hometown club, Cardiff City last season, and was also selected to play for Wales Under-21 side. Lee underwent hernia surgery last term and is well on the way to making a full recovery.

### ANDREW HOLDSWORTH

Earned himself a professional contract last summer having developed through the Academy ranks. He made his first-team debut coming on as a substitute against Bristol Rovers at the McAlpine and scored his first senior goal in the Carling Cup game at Sunderland. He has now established himself in the first-team squad and

has a bright future in the game.

### CHRIS BRANDON

Was one of two signings made by the Town boss during the close season, arriving from Chesterfield. A tricky midfielder, the 28-year-old has a keen eye for goal and his creative flair mixed with his combative style will make him a valued addition to the squad.

### JOE WALSH

Along with John McCombe, Walsh graduated from the Academy ranks during the close-season. He is a combative and creative midfielder who enjoys playing in the middle of the park.

## STRIKERS

### ANDY BOOTH

Re-joined the club on transfer deadline day 2001 after a five-year stint at Sheffield Wednesday and following a loan spell at Spurs. Andy began his career as a trainee with Town and quickly established himself in the first-team. He made over 150 appearances for his hometown team, before earning a £2.7million move into the Premiership with Sheffield Wednesday. He quickly adapted to life in the top flight and earned rave reviews in his first season with Wednesday. Andy is a fan's favourite and has been a regular member of the first-team squad.

### JOHN McALISKEY

Young striker who emerged through Town's Academy ranks, 'Macca' established himself as a first-team regular late on last season. Having bagged his first senior goal after coming on as a substitute against Macclesfield, he was rewarded with his first start against Scunthorpe United and the 19-year-old went on to score the equalising and winning goals in the 87th and 90th min-

utes. Already highlighted as one of Town's emerging young stars, comparisons with Jon Stead have already been made.

### NAT BROWN

Began his career as a trainee with Town as a striker however past management changed Nat's position to that of a central defender where he featured during last season. Since Peter Jackson's return to the club, Nat has reverted back to being a striker and he will therefore be challenging Andy Booth, Junior Mendes and Pawel Abbott for a goalscoring role.

### PAWEL ABBOTT

Polish Under-21 international joined the club on loan from Preston North End in 2004 and scored on his debut against Bristol Rovers. He has quickly established himself as a terrace favourite with his keen eye for goal and his work rate. Deceptively pacey and with quick feet for a big player, Abbott is now a key member of the squad having signed an undisclosed fee in March.

### JUNIOR MENDES

Came to Town on a free-transfer from Mansfield Town and was Jackson's second signing of the close season, having impressed the Town boss in his games for the Stags against the Terriers. He is very quick and is able to get in behind defenders and adds a different dimension to Town's attack. He is also a natural finisher making him a danger to defences and a valued addition to Jacko's team.

### AKPO SODJE

Akpo Sodje, brother of defender Efe, joined the Club from non League Erith and Belvedere in September 2004 after training with the first-team since pre-season. The imposing frontman was handed his League debut for the Terriers against Port Vale after impressive displays in the reserves. A raw talent with pace, strength and a fearsome strike, he has proved a valued addition to the squad.

# CLUB CAPTAIN

THE VICTORY over Hartlepool was another good win at home and it was good to keep a clean sheet. As the gaffer said after the game, we did ride our luck a bit but you have got to give them credit, they were in the play-offs last year and they are going for promotion again. They are a strong outfit and they were sharper than us in the first-half but we put it right in the second, the tempo was much better and we were cruising at the end. It was also good to see Sheff on the scoresheet again, he took his goal well, better than his first attempt! Not every game is going to be a walkover and they made it difficult for us in the early stages of the match, if they had taken their chances we could have been going in one or two down at the break, rather than a goal up. In the end it was another professional performance and now we have only conceded two goals at home in six matches.

As I said in my notes for Hartlepool, October is a tough month for us, the teams that we will play during the month are all teams who are up there. I think Tranmere and Hartlepool will be there at the end of the season, Huddersfield are on a high like all promoted sides and then you have got Walsall, who you would have thought would have done better than they have but maybe now they have turned the corner after their win over Colchester last week-end.

After that we play Hull, with their stadium and their resources; I have worked under Peter Taylor and he is a good coach. At the end of the month

we have Bradford here and it will be interesting to see how they play against us. If we stay unbeaten this month that is a third month unbeaten, we are not just looking at games now, we are looking at months. Confidence is high and we know that if we don't take liberties or take our foot off the pedal, we can achieve something this season.

I have seen Huddersfield a couple of times and they like to play football, which suits us and that will be good for the fans with two teams who want to play the game the right way. It is up to us to go out there this afternoon and get a result, we have been doing that since the start of the season but the games are getting tougher the longer we stay unbeaten.

Last Saturday morning, I went to watch the Under-18's beat Walsall 5-2, I always think it helps when the pros go and watch the kids, it certainly helped me a lot at Charlton. In a funny way it gives you a lift as a young lad to think the pros have come to watch you. It was like watching the first-team the way that they played. They were switching play, creating loads of chances and scoring freely, there were some really good performances.

All round things are looking good for the club and the confidence it breeds throughout the club and long may it continue.

# HATTERS RESERVES

LUTON TOWN reserves recorded a fine 3-0 victory over Northampton Town's second string in their latest Pontin's Holiday Combination fixture. Two first-half strikes in the space of two minutes from Matthew Blinkhorn and Stephen O'Leary effectively settled the game inside the opening half-hour. Enoch Showunmi rattled the bar on the stroke of half-time before finding the net in the second half to complete the win at Sixfields.

sixteen-year-old, and three of the defenders were teenagers."

On Tuesday afternoon the Reserves beat Peterborough 3-0 at London Road, thanks to goals from Michael Leary, Showunmi and Blinkhorn and we will report on that match in the Bradford programme.

**BRIAN STEIN**

"It should have been a few more to be honest," reflected coach Brian Stein. "It was a bit disappointing and although we should have been more than two up by half-time I was pleased with the two strikers. I thought that Blinks had his best game for the club and Enoch was very aggressive, he won a lot in the air and they played quite well. Stephen O'Leary had a fine game, I thought that they were our three best players."

Dean Brill's injury handed the chance to young Zac Barrett, who came off the bench to keep a clean sheet on his reserve team debut. On his performance Stein commented, "Zac was an able replacement, he spoke really well and we were comfortable. He was nervous when he realised what was happening but he soon relaxed when he got out there."

"We gave them two half chances which I wasn't pleased with - it was poor defending, in the first-half we had kept the ball very well. I was just disappointed that we let them have a spell in the game but I suppose to give them fifteen minutes out of the ninety isn't bad."

"We gave the ball away umpteen times in the first fifteen minutes of the second-half, which I was disappointed with, but after that we got control of it again. If we had let them back into the game at that stage we would have been an edgy final half-hour."

"I was pleased with the win because we had a relatively young team, Paul Hughes and Peter Holmes were the only ones out there with any real experience. We started with a goalkeeper who was eighteen and he was replaced by a

# HATTERS YOUTH

LAST Saturday we turned in our best team performance of the season to beat Walsall 5-2. We had pretty much won the game inside the first twenty-five minutes, the lads started very well and we were two up inside the opening twelve minutes.

Last year Walsall were able to play six third-year scholars; two strikers, two central midfielders and two central defenders, which is the spine of the team but this season you are limited to four overage outfield players and it does make a difference when you do not have those players.

The whole team played very well, the midfield were strong, creating chances and the back four did quite well although I wasn't very happy to concede two goals. We have been working on some things in training and it was nice to see them come off on Saturday.

**Hatters:** Barrett; Mountford (sub Asafu'Adjaye 70), Howell, Barnett, Mansell; Maitland, Deeney, Hanley, S. Sinclair (sub R. Sinclair 89); Andrew, Ward (sub Richardson 89).

This morning we travelled down to Hereford United for our latest league game and then next week are at home to Cirencester. Both teams are new to this league and so far they have been a bit indifferent in their games but I haven't been paying to much attention to their results. Hereford and Cirencester have suffered a couple of big defeats and it is a match we are hoping that we will win but we know – as the first-team are also experiencing - that teams will try that bit harder to beat us because we have not lost yet this year.

Having knocked Rushden out of the Youth Alliance Cup we have been handed a difficult tie

in the second round away to Swindon. We played them in the Cup last year and they knocked us out but later in the season we went down there and beat them in the Merit League and I am sure that will be on their minds. It will be a nice break from the league for both sides.

## AHMET BRKOVIC

THE regular appearance on the scoresheet of the man who is known on the terraces as the 'Croatian Sensation' has contributed to Luton Town establishing a nine-point lead at the top of the table. With five goals already under his belt from the right handside of midfield he currently sits just a goal behind Steve Howard in the club's leading scorer charts.

The 30-year-old believes that the Hatters have the quality to remain in the promotion stakes over the course of the campaign, and enthuses that there is still more to come from the team.

"The last couple of months have been unbelievable," remarked the Dubrovnik-born midfielder. "The players have done ever so well and I think a lot of credit for that must go to the management team. We hope that we can continue that form over the next couple of months to really set us up.

"I am pleased with the contribution that I have made personally. I did not play as well as I would have liked last season and I only scored one goal, I know that I should have done better and I hope that this season I am beginning to prove that and make up for it.

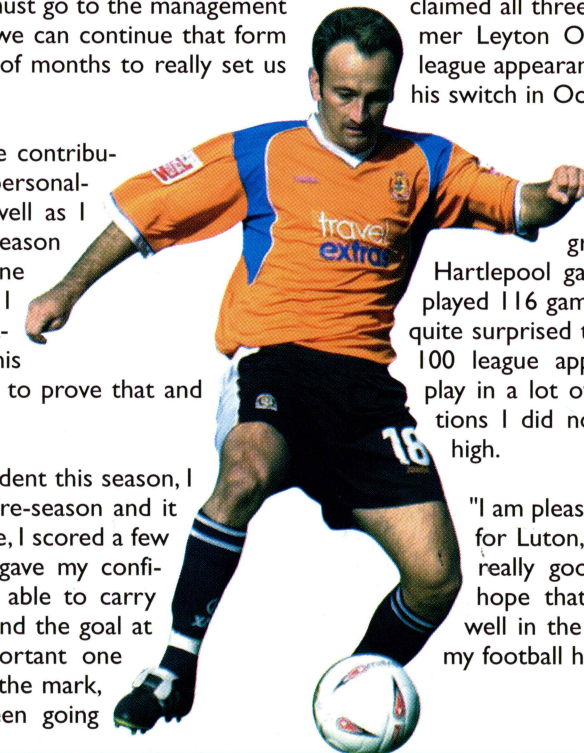

"I am a lot more confident this season, I worked hard during pre-season and it was a good one for me, I scored a few goals and that really gave my confidence a boost. I was able to carry that into the season and the goal at Barnsley was an important one for me, to get me off the mark, since then I have been going

into matches wanting the ball and wanting to score.

"We know that we can do better and every game we go into it trying to play the best that we can. It is still early stages in the season but hopefully we can go on from this position and improve.

"There are plenty of games left and as long as we continue to give 100% we believe we can keep this going. All of the lads want to go up, we have got into a great position and the ambition is there in the dressing room to see it through. I really hope we can do it."

The Hatters recent trip to Tranmere, one of only two occasions this season where they have not claimed all three points, marked the former Leyton Orient playmaker's 100th league appearance for the Hatters since his switch in October 2001.

On the achievement he commented, "I looked in the programme before the Hartlepool game and saw that I had played 116 games for the club so I was quite surprised to learn that I had made 100 league appearances, because you play in a lot of different cup competitions I did not expect it to be that high.

"I am pleased because I love playing for Luton, it is a great club with a really good bunch of lads and I hope that I can continue to do well in the future as I am enjoying my football here."

# FOOTBALL IN THE COMMUNITY

GOOD AFTERNOON and welcome to this afternoon's game. As I am sure you are aware the 14th of October marked the start of this year's National Anti-Racism Week of Action in Football. This falls under the more generic banner of the Football Association's 'Let's Kick Racism out of Football' campaign. Today's match has been set aside by our club to mark this occasion.

Luton Town Football in the Community has been working in partnership with Luton Borough Council's Sports Development and Facilities Division and Football for All, to instigate a programme of activities designed to encourage young from all ethnic backgrounds to participate in football based activities together.

As part of the campaign, students from Stopsley, Cardinal Newman, Challney Boys and Denbigh High Schools - who are all guests at today's match - will be going on a Junior Football Organisers course run by Butch Fazal from Football for All, with the support of Matt Wells, a Sports Development

Officer from Luton Borough Council.

As well as learning how to organise basic coaching sessions and festivals, the students will also hear from guest speakers and take part in discussions on racism, Ramadan, and playing and coaching opportunities in football – a discussion which will be led by myself.

As part of the course the students will run a festival to be held at Luton 6th Form College with players from local clubs coming down to take part in the event. Once the students have received the reward, they will look to be linked with local clubs to continue their coaching development.

Matt Wells said: "This project is a good example of organisations from across Luton working together to tackle racism in football and promoting interaction between the many different cultures in our town. As well as the backing we're receiving from Luton Town FC, support for the project is also coming from the Beds FA, the Luton Football Development Group, local schools and local clubs!"

## TODAY'S QUESTION

Which defender played against England last weekend who is also in Russell Perrett's Fantasy Football XI?

# LUTON TOWN BELLES

### FIRST TEAM

FOLLOWING a long trip to the south coast to visit Southampton, Luton dominated the opening 35 minutes, creating a string of chances but only had a Rebecca Kane goal to show for their efforts from a Michelle Byrne cross. The home side began the second half strongly and drew level within a minute before going on to dominate for a 20 minute spell which also saw them take a 2-1 lead. Goalkeeper Alice Burbury made a superb save to keep Luton in the game and with time running out Kane won the ball in the air and the loose ball was seized on by Janine Daly who shot low into the net to equalise. This breathed new life into the Town who sacrificed a defender in search of all three points and their adventure was rewarded two minutes into injury time when Fay Howell's cross was swept home by Byrne. The home side then pressed in search of a leveller but were again caught on the break when Kane out-paced the home defence to fire past the keeper from the edge of the area to give Belles an unlikely 4-2 win. An excellent result bearing in mind that we were trailing with just seven minutes left and that the squad were short of a number of regular players through injury and absence.

### RESERVES

Bouncing back from last week's defeat the team reorganised to great effect when Kandy Tamagushiku and Amy Summerfield netted their first goals for the club, with an own goal sandwiched inbetween to give Town a 3-0 interval lead. The second half brought about the introduction of prolific youth team striker Nina Hale and she wasted no time in firing her debut senior goal, Vicky Moody made it five and Summerfield then notched her second of the game after a jinking run. It was debutant Hale who signalled her arrival in the team by finishing off two late chances to complete her hat-trick for an 8-0 success, the Belles biggest win of the season.

### YOUTH

At the time of writing three of our Herts League squads hold 100% records and top their respective league tables. The Under 13's continued their fine form with a 1-0 away win against Tottenham Hotspur. An evenly balanced game might have swung either way and Belles were grateful to Lozza Bilston for an outstanding defensive display and keeper Sian Hall who pulled off several fine saves to maintain a clean sheet. Luton deservedly took the points through a Livi Robinson and now hold a six point lead at the top. Our Under 12's continued their fine form racking up seven goals without reply against Garston. Katie Davis claimed a hat trick, Leanne Liziatzis scored twice and the other goals came from Clare Howe and Beth Smith. Not to be outdone the Under 11's also claimed maximum points with an 8-1 win over Northwood. Katie Davis and Maisie Wyatt both scored hat tricks and Amy Garrett and Lily Knowles were the other scorers.

KENILWORTH ROAD season ticket holder Ian Stacey will be swapping the comfort of his seat in the Enclosure for the rigours of the New York marathon at the beginning of November. The change of scenery will coincide with the Hatters home match against Wrexham and whilst disappointed he will be missing the game, the chance to compete in one of the World's well-known marathons was not something he was prepared to pass up after he has patiently waited for this opportunity.

"I have entered the New York marathon three times in the past but each time my application has not been accepted," explained the man who plans to wear his Hatters shirt through the streets of Brooklyn, the Bronx and Manhattan. "I decided to give the New York marathon a go in the past but there is a limit on how many foreigners they let race so your place is chosen by a ballot, each time I just hoped for the best and I am delighted I will now be able to do it.

"I ran the Chicago marathon in 2000 and a year later I competed in the London marathon. I used to watch a lot of the running on television when I was a child and it was something that interested me, running the London marathon was something I was determined to do one day and it was a great experience.

"I am training indoors about five times a week and I go on a longer run outdoors at the weekend, I am running about 16 miles on a Sunday at the moment, just gradually building it up as I get near the event."

Heskey.

As one of 30,000 who will be running the New York marathon, his training runs are nowhere near as crowded, occasionally running on his own or being accompanied by his training partner,

He added: "My dad is from Liverpool which is why he is named after Emile but I get plenty of ribbing from my mates over it. I did think about changing it to Enoch a while ago but Heskey has stuck so maybe if I get another dog in the future. He usually comes with me when I go for a run around my local lake, which is about four miles.

"I am raising money for Cancer Research, my girlfriend's mother was diagnosed with cancer a few years ago but thankfully she has now recovered but I wanted to do something, to raise money which they can use for research purposes.

"After a few niggling injuries which have delayed my training, I am still hoping to come in, in under four and a half hours and hopefully having raised some valuable funds for Cancer Research."

At the time of going to print Ian has raised just over £200 and if you would like to make a donation please visit his website [www.justgiving.com/stacey-nyc](http://www.justgiving.com/stacey-nyc) for further details.

# LEAGUE ONE ROUND-UP

DUE TO England's World Cup qualifier against Wales last weekend, there was a scattered programme of League One action over three days.

On Friday, Bradford continued their recent progress after coming from behind to snatch a last-gasp victory at Milton Keynes Dons. Izale McLeod opened the scoring for the hosts with his ninth goal of the campaign on 20 minutes. However, the Bantams were rejuvenated after the break and restored parity on 55 minutes through Thomas Kearney. The game seemed to be set for a stalemate, but in the final minute Dele Adebola popped up to claim a dramatic winner which puts the Yorkshire club into the play-off places.

Bournemouth beat Stockport 2-1 to move into seventh courtesy of goals from Brian Stock and the prolific James Hayter. Former Cherries striker Warren Feeney pulled one back for County five minutes from time, but it proved too little too late.

Port Vale claimed a much-needed win and moved above Doncaster after beating the Yorkshire outfit 2-0 at Vale Park. Two goals inside the first-half hour settled the contest with Billy Paynter and Lee Matthews doing the damage. There were just a handful of games on Saturday with Walsall handing their under pressure boss Paul Merson light relief with an impressive 2-1 victory over in-form Colchester. Goals from Julian Bennett and Neil

Emblen secured maximum spoils, with Colchester's response coming from Richard Garcia.

Martin Allen's promotion seeking Brentford stay nine points behind the Hatters in second place after claiming a share of the spoils in a 0-0 stalemate at Barnsley. Diminutive striker Jo-Osei Kuffour was the hero for Torquay as he netted an 84th minute winner against Huddersfield, in a 2-1 success. Junior Mendes had handed Town a first-half lead but this was soon cancelled out by Kevin Hill's leveller early in the second period.

Hull City moved up into third place in League One with a 1-0 victory against Chesterfield. Despite having skipper Ian Ashbee sent off just after the hour, the Tigers grabbed all three points when a good passing move saw Junior Lewis loft a ball into Stuart Green's path finishing well past Spireites keeper Carl Muggleton.

However, the current in-form team are Blackpool and they improved their recent good form with a 2-1 away win at Oldham Athletic. The Tangerines made it two away wins on the bounce with success at Boundary Park, despite going a goal behind when William Haining struck on 39 minutes. John Murphy levelled for the visitors two minutes before half time and Richard Wellens grabbed the winner on 68 minutes.

# FANTASY FOOTBALL XI

RUSSELL PERRETT is the latest player to have pondered and deliberated over a side, based on the best footballers he has played with during his career. With the 31-year-old having broken into the professional game at Portsmouth, after starting his career at non-league Lymington, it is no surprise that the majority of his side is made up of his former Fratton Park team-mates.

If you log on to Hatters World you can listen to the defender explain his team selection, and don't worry if you are not currently a subscriber because you can still hear what Russell has to say by taking advantage of our free one-month trial. Full details can be found on the official website.

# EVACUATION PROCEDURE

IN THE event of any emergency in the stadium, Luton Town FC and the emergency services have agreed on an evacuation procedure which is designed to ensure the safe and controlled evacuation of the crowd, and to ensure their safe dispersal from the area, to allow the emergency services to carry out their tasks.

In the event of evacuation from all or part of the stadium, you will receive instructions over the public address system on how you should leave. In an evacuation of the main stand you will be instructed to use the pitch. Stewards will direct you to the nearest exit. It may be that your normal exit route will not be available. On leaving the stadium, you will find some roads closed to pedestrians, to enable swift and unobstructed access for the emergency services. Please leave the area of the ground as quickly as possible, by the route directed. Your co-operation will be most appreciated.

Safety Officer & Stadium Manager.

# COMING NEXT

THE FACT that Bradford City will provide our next opposition to Kenilworth Road is seen by many as a surprise after their well documented off field troubles throughout their relegation campaign last season.

The former Premiership outfit were, at one stage, close to going out of business during the bleakest period the Bantams have ever faced.

However, for the first time since they were in the top flight, Bradford are enjoying the dizzy heights of challenging for promotion when many were tipping them for another season fighting relegation before a ball was kicked.

Their success this season has undoubtedly come down to the transformation under former Bolton boss Colin Todd, who has guided the club into the top six on a shoe-string budget.

Although Bradford are still in administration, the loyal Bantams' fans are certainly more optimistic this season and three wins from their last four league games have sent the Yorkshire club flying high in the table.

Their most impressive victory to date is their 1-0 win at Hull City although Bradford have also tasted success on the road with maximum points at the MK Dons and Stockport County.

Todd has also transformed Bradford into a difficult side to beat on their own patch and only Port Vale and Chesterfield have left Valley Parade this season with all three points.

Much of Bradford's success this season has come from a side packed with experience and they were recently boosted by the news that midfielder Dean Windass and defender David Wetherall have committed their immediate futures to the club by signing new one-year

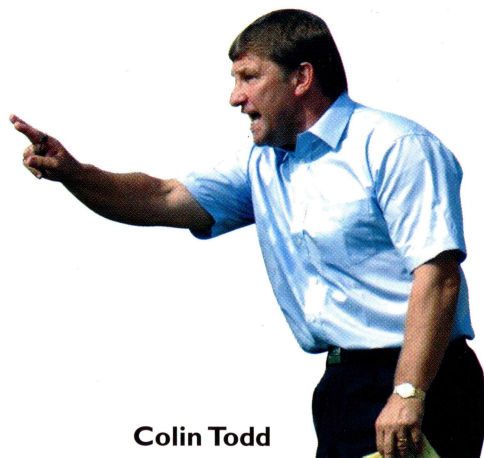

contracts.

Both players have made over 100 appearances for the club and played during Bradford's years in top-flight football. More experience in the Bradford camp comes in the shape of Nicky Summerbee. The former Sunderland and Manchester City midfielder has been very consistent this season for Bradford and added more experience to the club's midfield.

Historically the Bantams have had the upper hand in previous meetings, in league competition Bradford have won four and drawn three of the eight fixtures between the two sides. However, the last time the two sides met in league action, back in 1979, the Hatters recorded their only success against the Yorkshire outfit.

The last competitive match between the teams came more recently, back in January when Luton upset the odds to clinch a 2-1 victory in the third round of the F.A. Cup with Adrian Frobes grabbing a brace.
