THE CHAIRMAN

GOOD AFTERNOON and welcome to our visitors, Wrexham, their directors, management, players and supporters.

Last Saturday saw our team back in the form that has continued to keep us at the top of League One. Perhaps this has had some welcome influence in Sky's decision to cover live our F.A. Cup away draw against Southend United, which has now been re-arranged for Friday 12th November.

Our Bradford match and our FA Youth Cup first round against Whitstable Town on Tuesday evening produced two situations that I have not seen live for some time. The referee's decision to apply the dissent rule against a Bradford player and move our free kick ten yards forward; and, more rarely, our young goalkeeper, Zac Barrett, scored a direct goal from one penalty area to the other. This just added to the team's magnificent 8-0 winning performance.

Our match ball sponsor this week is our old friend, Nick Owen, who has been following the club home and away for more than forty years. TV presenter Nick has been President of the Supporters Club since it was founded in the Eighties. In addition to his Breakfast TV programme with Anne Diamond, he also anchored ITV Sport for a number of years, and has recently brought out a book, 'In The Time of Nick', about his varied experiences in radio and television, including his passion for Luton Town Football Club.

Nick currently presents the regional news for the BBC in the Midlands, and he flies the flag for us whenever he can! If you would like a copy, why not pop down to his signing day at Ottakar's Bookshop at lunchtime on Saturday 27th November, before our next home match against Doncaster Rovers.

Also our well-known historian, Roger Wash, is publishing another great read on the club, which I will cover after its launch. Roger will also be at Ottakar's Bookshop, between 4:30pm and 5:30pm next Thursday, along with our very own Mick Harford and Brian Stein.

I have become addicted to our official website, and particularly to our subscription-based 'Hatters World', enabling me, like hundreds of our supporters, to re-play this season's match highlights, goals, saves, and player interviews. It is worth noting that we have the most subscribers for an audio website outside the Premiership. Why don't you try the Hatter's World one month free trial offer! I did

Enjoy the game. I know that, as always, the players really appreciate your vocal support. We all can make a difference.

THE MANAGER

HELLO and welcome to Kenilworth Road for today's game against Wrexham. Welcome also to Denis Smith and his staff, players, directors and supporters from the Racecourse Ground. Wrexham are going through a difficult time at present so hopefully things will sort themselves out soon.

Last week's performance was without doubt the best so far this season. We have played well on a number of occasions but only in spells. Against Bradford it was sustained for ninety minutes, it was the best possible way to get over the hiccup we had suffered.

Next week's F.A. Cup tie at Southend is to be televised by Sky, progression to the later rounds would obviously be nice from a financial point of view but you can be certain next week's game will be a tough test.

■ Sol Davis gets stuck in during the Hatters televised FA Cup appearance last season, against Thurrock.

We brought Simon Royce in from Charlton last week as were we all of a sudden light in that department, having gone from four goalkeepers to just one.

Marlon is coming along fine and may be back earlier than we first expected.

Dino has potential and we believe he will fulfil it, sometimes goalkeepers shoulder the blame for everything when things go wrong and we won't let that happen, unfortunately he picked up a knock at Hull which is keeping him out of the team at this present time.

The youth team had a fine result on Tuesday night, winning 8-0 in the F.A. Youth Cup and we hope they can progress to the later rounds also.

Enjoy the game and get behind the lads.

CLUB SECRETARY

GOOD AFTERNOON, whilst I said in my programme notes last Saturday, that we should close the door on the events of last Summer, it would be remiss of me not to thank everyone for the emails, letters and telephone calls that the staff have received over the past week. Particular thanks to the Wrexham supporters who contacted us and I understand are here at the game today.

Tomorrow sees a memorial service at White Hart Lane at 11.00a.m. in memory of Bill Nicholson, at which the club will be represented and I know several supporters are also attending. As a mark of respect for Bill Nicholson we will be holding a one-minute silence before today's match.

I am pleased to advise supporters of a joint venture between Arriva buses, Thameslink and ourselves to try and provide easier travel to the ground for supporters on matchdays. Further details can be found on page 42 of the programme. We hope to expand on this initiative in the near future.

Congratulations are due to Stuart Smith, our Community Development Officer and his team of coaches for the number and

quality of the courses they put on during half last week's half-term, I understand the numbers of boys and girls who attended the courses was a record.

Congratulations are also due to the Youth Team on their success last Tuesday against Whitstable Town, we play either Cirencester Town or Oxford United in the next round and they play their match on Monday 8th November and at the time of writing I am trying to arrange our match for Tuesday 16th. When confirmed we will advertise through the local press and our own website. Do come and support the Youth Team.

Finally a very warm welcome back to Brian Swain, our former programme editor, and his wife Rosemary who are here at the match today. Whilst Brian and Rosemary are enjoying retirement I know that Brian cannot wait to get here today.

Enjoy the game,

MANAGER

DENIS SMITH

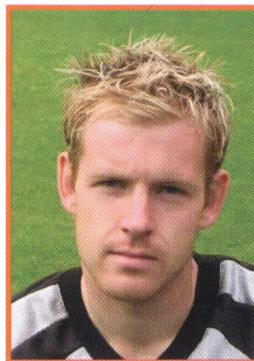

NAME any bone in the body and the chances are that Denis Smith probably broke it in the service of Stoke City. So goes the legend of the tough, no-nonsense defender who it was often said would put his

head where others feared to put their feet. An integral – and often inspirational – member of the City side for well over a decade, he made his first team debut in September 1968 and went on to make nearly 500 appearances for the Potters.

His success as a player soon rubbed off as a Manager, leading York City to promotion in his first season in charge. In a managerial career that is now into its third decade he has also been in the hot seat at Sunderland, Bristol City, Oxford and West Brom before he took over the reigns at Wrexham in October 2001, following a second stint in charge of Oxford.

GOALKEEPERS

MATT BAKER

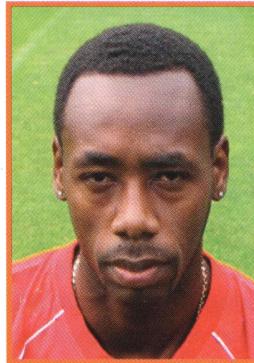

Having just missed out on League football with Hereford United at the end of last season, Matt took up one of several offers open to him when joining Wrexham this summer. An England Semi-Pro international, he had been at Edgar Street for four seasons after leaving Hull City, where the Harrogate born keeper had been a trainee.

ANDY DIBBLE

A detailed history of Andy's career would fill a programme on its own, but safe to say that the South Welshman has not missed out much in the last 20 years. He started out with Cardiff City but it was here with the Hatters that he made his name, winning a League Cup medal along the way. There were numerous ports of call throughout the Football League and Scotland and after two seasons with Stockport County, Denis Smith saw him as the man to help Wrexham out in 2002 and bring through our younger keepers appointing him as a player/coach.

DEFENDERS

DENNIS LAWRENCE

Signed in March 2001 from the Defence Force club in Trinidad, Dennis stands at 6'7" and will not be hard to spot if selected. A seasoned performer on the international stage, Dennis had trials with both Newcastle United and Bolton Wanderers,

before settling on Wrexham and joining up with our two other T&T signings. After taking a little time to settle, he forced his way into the side and is now an established member of the team, who weighs in with his fair share of goals.

SHAWN PEJIC

Made his debut at Port Vale in 2001, but had to wait until a visit to Peterborough United in January 2002 for his second appearance in a Wrexham shirt. Retained his place over the next few weeks, until a dead leg sidelined him. His performances were enough to earn him a full professional contract and he will be sure to see more action in the season ahead. Qualifying to play for Wales through family connections, he is now an established member of the U21 side, after making his debut away to Finland in September 2002.

STEVE ROBERTS

Now a regular member of the first team, Steve scored his first goal for the club with the opener at Kettering, in a televised FA Cup first round replay in 1999. A broken leg at Oxford the following season kept him on the sidelines for 12 months, but now back to full fitness he continues to show just why manager Denis Smith offered him a three-year contract. A Welsh U21 international, who made his Wrexham debut in October 1998, in a Welsh Premier Cup game with Swansea City, lining up alongside brother Neil, to become the eighth pair of brothers to have turned out for the club.

SIMON SPENDER

Locally born 18-year-old who is in his second year as a Scholar with the club, but already made his first team debut, coming on as substitute at Plymouth in March and helping the team to a 0-0 against the Division Two leaders. He has since enjoyed a full debut and looks likely to become a regular member of the senior squad very shortly. A Wales U20 international, he was also in the recent U21 training camp held at Wrexham.

WREXHAM

MIDFIELDERS

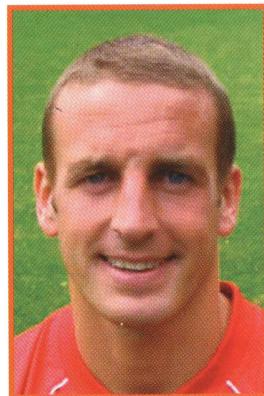

MATTY CROWELL

After a successful youth career with his home town team Swansea City, Matty was among a number of Welsh youngsters taken to the south coast of England by Southampton. Despite rising from the Youth team to being a regular member of the Saints' reserve side, as well as representing Wales at various age levels, he saw his chances of a first team place blocked. Recommended to Denis Smith, Matty arrived on trial at the end of the 2002/03 season and impressed the manager enough to be offered a deal for the current season.

DARREN FERGUSON

Initially signed on a short-term contract following his return from a spell in Dutch football with Sparta Rotterdam in September 1999, Darren later committed himself to an extended stay at the Racecourse and has just agreed a new two-year deal with the club. Born in Glasgow, he joined Manchester United as a youngster and progressed through their system to eventually turn professional in 1990. After several years Darren signed for Wolverhampton Wanderers in January 1994 and became a regular in the team for five seasons. In February 1999, he took up an option to play in Holland, but decided against extending his stay after helping Sparta avoid relegation.

ANDY HOLT

One of five new signings in the summer of 2004, he joined from Hull City after spending most of last season on the bench as Peter Taylor's Tigers headed for promotion. A former Oldham Athletic player, who can operate in several positions on the left hand side of the team, he is hoping to see more action at the Racecourse than he did at the KC Stadium. As well as his all round play, his long throw-ins will be an added weapon for the Red Dragons.

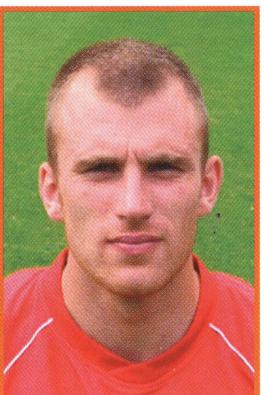

MARK JONES

Locally born youngster who was promoted to the first team squad last season and has now earned himself a professional deal. Mark was also called up by Jimmy Shoulder to be part of the Wales U21 squad for the opening match in their qualifying group away to Finland and he has since been included against Italy and Azerbaijan. There followed a place on the bench against Bradford City in the Worthington Cup and a sub appearance against Exeter City in 2002/03. Out following a hernia operation, he has returned to the action and will be looking to push on in the months ahead.

ALEX SMITH

Signed from rivals Chester City in 2004, Alex is a former Everton trainee who has since travelled around the Football League in a career that has also taken in Swindon, Huddersfield, Reading, Port Vale and Shrewsbury. A regular in the Chester line-up that was heading for the Conference title last season, he missed the last two months through injury.

DANNY WILLIAMS

Locally born, he started out with Liverpool and won Wales U21 caps while at Anfield. He then moved onto Wrexham and established himself as a first teamer at the Racecourse before then manager Brian Flynn released him to Kidderminster Harriers. An important player at Aggborough under Jan Molby, Danny decided he wanted to return closer to his roots when his contract expired and headed home in the summer to be reunited with the Red Dragons.

STRIKERS

CHRIS ARMSTRONG

Returned to the Racecourse in the summer of 2003 when signing on a free from Bolton Wanderers. The Newcastle born forward was brought up in Wrexham and joined us from a local amateur team in 1989. Over the next two years he scored 13 goals in 40 starts and his blinding pace persuaded Millwall to sign him for £50,000. Twelve months later the fee had gone up to £1m and with it a switch to Crystal Palace, where he scored 45 goals in 118 league appearances. This record earned him a transfer to Spurs in a £4.5m deal and despite injury

problems at White Hart Lane, he returned 48 goals in 117 Premiership starts, plus 10 more in 15 League Cup games. Bolton Wanderers was his next stop in 2002 and after just one game for the Trotters, he was happy to accept a deal from the Red Dragons.

CHRIS LLEWELLYN

Growing up in south Wales, Chris was spotted by scouts from Norwich City and came through the ranks at Carrow Road before being offered a full time deal by the Canaries. He was making steady progress in East Anglia and even finished one season as their second top goalscorer that was until injury sidelined him in 2001. Fit again, he found it difficult to break back into the Norwich line-up and after starting either on the wing or more often on the bench, he took the opportunity to join Bristol Rovers on loan in February 2003. An extended run with the Gas, which included two goals against Wrexham, alerted Denis Smith and the following summer Chris left Norwich to return to Wales. Already a full international and a former captain of the U21 side, he is looking forward to playing as striker once again and getting regular first team football.

HECTOR SAM

The third of our Trinidadians, he signed in 2001. Played for a team in Port of Spain and has been capped by his country at several levels including full international. Only 23, he opened his account for Wrexham with a goal in his first game, a friendly against Sheffield Wednesday. Not the tallest of strikers, Hector certainly has pace and has already proved himself more than a handful for opposing defenders. Six goals in his first seven competitive matches was an impressive return and saw him called up to the T&T side for their World Cup games against Mexico and Panama. Under Denis Smith, Hector has rediscovered his form, whether it be scoring or setting up goals.

CLUB CAPTAIN

LAST Saturday's victory over Bradford was a superb result. They came here second in the league and had won their last five games but we showed how strong we are as a side. I thought that everyone deserved man of the match but obviously only one person can win it and Brky did score two special goals.

Over the ninety minutes we absolutely battered them, it was a great performance and it just shows you that we are still full of confidence, even after the week we had before the Bradford game.

It is frustrating for me to be on the sidelines, especially when we are playing that well because you want to be on the pitch and in amongst it. Stephen O'Leary came in for me and did really well, Simon Royce kept a clean sheet on his debut and he did a good job. It was a super performance, we took them to the cleaners and I am not over exaggerating when I say that it could have been double figures, that is how well we played.

As a group of players, we have never doubted ourselves and neither has anyone within the club, but we are aware that there have been a few people who thought that we would fall away after a run of defeats. That was not going to be the case, although we suffered those three defeats they were all matches where we played quite well and just had a bit of bad luck along the way.

I am not a great one for watching games but the match against Bradford was thoroughly enjoyable and I didn't want it to end. It shows you that if we play like we did on Saturday then no-one will live with us in this league. If we can maintain that form we will be unstoppable, it is

down to us to put another big run together, which we are more than capable of, starting against Wrexham this afternoon.

I think they are a decent side in a bit of a false position and I am positive that they will make it hard for us. Whenever I have played against them they always try and play football and they are a hard team to beat at the Racecourse, but this is an away game for them and it will be an interesting, if we can play to our capabilities, hopefully we will pick up another three points. The recent games between us have always had a lot of goals in but I thought that we looked very solid at the back on Saturday, so with a bit of luck we can pick up another clean sheet and hope that it will be another high scoring game for us.

The draw for the First Round of the FA Cup is an interesting one. We played Southend three years ago when I was first here and I remember we had a lot of suspensions that day and they beat us 3-2. Ahmet Brkovic, Ian Hillier and Peter Holmes were the only ones who played that day who are still here so a lot has changed since then. It will be a tough game, they are in the top half of their league and make no mistake, they will be up for it because of how well we are playing and where we are in our league.

You want to get as far in the FA Cup as you can, every club at our level wants to get to the third round and draw out the big club. The way that we are playing at the moment we feel that we can give anyone a good game.

HATTERS HISTORY

OUR first ever league meeting with today's visitors took place as recently as the 1963/64 season. In the clash at the Racecourse on 30th November 1963 the Robins, as they were then known, won 2-0 to end a run where they had won only one point from the previous 12 games. We were also having a torrid time with only one win recorded from the previous eight starts!

When the return game was played in the following April our new goalscoring sensation, John O'Rourke, was on the scoresheet in a 3-1 victory as we attempted to pull ourselves out of the bottom four in the old Division Three. Wrexham were relegated at the end of that season but only twelve months elapsed before we were renewing acquaintances, this time in Division Four.

Both games in 1965/66 were early season affairs with the clash at the Racecourse showing that we were a long way short of having a side equipped for a quick promotion, going down to a youthful Wrexham who won easily 2-0. In truth, the Welsh side should have won the return three weeks later but after squandering many chances a solitary Ray Whittaker strike earned us both points.

■ Brian Stein heads home against Wrexham in 1978.

We suffered our, by now, normal defeat at the Racecourse in the following season but ran out 3-1 home winners in the return with ex-England forward Derek Kevan, bagging two. During our promotion winning season of 1967/68 we kicked off the campaign at Wrexham and in a game which saw a player from each side sent off we earned a point with a goal from Rodney Green, making his debut, two minutes from the end.

We won the return but then had to wait eleven years before our paths crossed again, this time in the old Division Two. At the start of the 1978/79 season we scored a hatful of goals at Kenilworth Road but were brought back to earth when Wrexham managed to hold us to 'only' a 2-1 win. The return was played at the very end of that campaign and, with Wayne Turner making his Town debut, we went down 2-0 in a lacklustre display.

We finally broke our duck at the Racecourse when goals from Mal Donaghy and Steve White secured a valuable 2-0 victory on the way to promotion from the old Division Two in 1981/82. We had to wait until 1996/97 before paths crossed again and since then we have met frequently but with only two wins to our credit from twelve clashes the Robins are fast achieving 'bogey' status.

Ignoring the eight defeats since 1996 we can focus on the 3-1 win at Kenilworth Road in September 1999 with Matthew Taylor netting from a scorcher into the top corner for his first goal for the club and last season's 3-2 victory when we were two down but managed to fight back with Lee Mansell scoring the winner.

COMMERCIAL UPDATE

ONCE again we extend a very warm welcome to all of our commercial partners and sponsors for this afternoon's match against Wrexham. As you are well aware, our first round FA Cup draw against Southend is to be shown live on SKY Sports on Friday 12th November. This is the first time this season that the Town will have been on live TV and we are all looking forward to what we hope will be an exciting showpiece.

■ Mick Wood of GMAC, Match Sponsors against Bradford City, and squad members in the sponsors lounge.

MATCH SPONSOR

We welcome back to Kenilworth Road today, Alan Collins and the guests of Luton Borough Council as our match sponsors. Today's campaign theme is 'Kill Your Speed', and the club is privileged to be given the opportunity to support such an important community issue, where statistics show that 1 in 3 road deaths are speed related. In addition, these deaths occur within 30mph speed limit areas and yet 70% of motorists continue to break the 30mph limit. This new initiative from our local council is asking us all to 'Make the Commitment' and 'Kill Our Speed' and just maybe help save a life, or prevent a

serious injury. The Luton Town squad will be wearing special t-shirts during the warm up this afternoon, proclaiming our support for the campaign and we would urge everybody to take notice and support this vitally important cause. Meanwhile, as today's match sponsors we hope that Alan and his guests have a tremendous afternoon with us and again thank Luton Borough Council for this chance to provide a platform of support for such a worthwhile programme.

■ Steve Ayres, Match Sponsor against Bradford City, receiving his certificate from squad members

MATCHBALL SPONSOR

It is also with a warm welcome this afternoon we say hello to Nick Owen, his family and friends who join us at Kenilworth Road today as matchball sponsors. Nick needs no formal introduction to these pages, as he can be seen at most home and away matches supporting the club that has been his football passion for 46 years. In fact, a supporters bar in our main stand even bears his name. In his recently published autobiography, 'In The Time of Nick', he details his love of the

club and his experiences as ITV Sports main presenter in the Eighties and early Nineties, plus his many programmes hosted with Anne Diamond. Currently presenting news for the BBC on the Midlands Today programme, Nick will be signing copies of his book at Ottakars in Luton at lunchtime on Saturday 27th November. We all at the club thank Nick for his staunch support over the years, his sponsorship here today and hope he and guests have an enjoyable time with us this afternoon.

COMMERCIAL MASCOT

Eight-year-old Connor Beck joins us today as commercial mascot and we all at the club bid him and his family a warm welcome. Connor and his family live in Barton Le Clay in Bedfordshire, where he attends Greenfield Lower School. His hobbies include football and golf and he is a regular visitor to Kenilworth Road with his dad. Steve Howard and Dean Brill are his favourite town players, who he hopes he will have the opportunity of meeting today. We have noticed that it was Connor's Birthday on the 30th October, therefore we would like to take the opportunity to wish him a belated but sincere many happy returns.

■ Jake William Causer and his family on the pitch prior to kick off against Bradford City.

TRAVEL EXTRAS PLAYER OF THE MONTH

Prior to kick-off this afternoon, random prize draw winner Stephen Richards and a representative of our sponsors Travel Extras will present, 'Croatian Sensation' Ahmet Brkovic, with October's Player of the month award.

Details of how you can vote for November's top Hatter will be confirmed in our programme for the match against Doncaster Rovers at the end of the month

Thank you for your support and have a great day with us

PREDICTION COMPETITION

CURTIS Davies did his job on and off the field last Saturday, enjoying a successful week in the Prediction Competition, as well as playing his part in keeping a clean sheet against Bradford City. His five-point haul closed the gap on the Supporters lead at the top. Official Club

Photographer Gareth Owen's tactical approach didn't reap the dividends he had hoped for, but it did help to keep the Press within three points of the top, in what is becoming a very tight race.

LUTON TOWN BELLES

FIRST TEAM

BELLES travelled to one of last season's highly placed teams Henley Town and were in the lead after just five minutes when Rebecca Kane slotted home after a fine move. Kaylee Owen then had what looked like a perfectly good goal ruled out minutes later but she continued her good form in front of goal after 15 minutes, heading in a near post corner for 2-0. Henley recovered well to pull back the deficit and draw level at half-time but Town were in no mood to let go of the points and turned in an impressive five-goal second half performance for the second consecutive week.

Kaylee Owen headed in after 47 minutes and Stacey Connell restored the two-goal cushion with a thunderous shot into the roof of the net from the edge of the area. Henley again fought back strongly but were repelled by a determined Luton defence and Belles made the points safe with a superbly worked move which Kaylee Owen converted after a run from the halfway line. Town's movement was at times sublime and that was again evident when Fay Howell added number six, drifting past two players from the right wing before finishing well into the far corner. A fine victory was completed when skipper Nikki Baker pounced on a loose ball from a corner and found enough room to lift the ball over the keeper and covering defender into the net. A 7-2 away win maintains an excellent start to the season and sees Luton Town top of the Southern Premier league for the first time, with the next fixture at home to second placed Bracknell Town.

RESERVES

The Reserves held their place at the summit of their division completing a league double in Hampstead. A comfortable 6-0 win saw a four-goal return for prolific striker Shelley Miller whilst Vicky Moody scored the other two.

YOUTH

Both the Under-13 and Under-14 squads turned in good home performances with 4-0 wins against Bushey Rangers and Enfield Town respectively. Lauren Bruton fired the Under-13's into a 2-0 lead and further strikes from Livi Robinson and Alice O'Shea sealed the win. Micky Taylor scored twice in the Under-14's win with Brittany Murtagh and Chloe Reeves also on target.

The Under-11's won a hard fought battle with Garston 2-1 with Katie Davis scoring both but the Under-10's narrowly lost 1-0 to league leaders Hemel Hempstead. Special mention to the newly formed Under-12's who have battled hard all season and gained their first points last weekend with a 4-2 win. Desiree Yearwood, Alice Bowler, Lauren McLellan and Lorna Connolly were the scorers.

The Under-13's marched on with a 9-0 win over Sundon Park. Kelly Moss fired in a hat-trick, Robyn Wilfort and Yasmin Hickling both scored twice and Danielle Carty and a first ever goal for Lozza Bilston rounded off the win.

We need YOU... ...to join our fight against speed

Why is speed a problem?

Quite simply, because inappropriate speed kills:

- 1 in 3 road deaths are speed related
- most deaths happen on roads with a 30 mph limit
- 70% of motorists break the 30 mph limit
- hit at 40 mph 9 pedestrians out of every 10 are killed
- at 20 mph 9 out of 10 survive

There is no argument - speed kills

So what is Make the Commitment?

Make the Commitment is an important part of the eastern region's campaign to reduce speed related accidents. It encourages drivers to make a personal pledge to drive within the speed limit.

Around 100,000 motorists in the eastern region have already made that written pledge.

Make the Commitment is part of the long term campaign designed to make speeding as socially unacceptable as drink driving.

Why should you Make the Commitment?

Making the Commitment won't cost you anything - it's free - and by doing so you may help save a life. In the fight to reduce death and injury through inappropriate speed, it is vital that individual drivers recognise their responsibilities. And that passengers begin to exercise their right to ask speeding drivers to slow down.

In return, you will receive some useful items - usually a tax disc holder, key fob or car window sticker - to remind you of the commitment you have made. By displaying or using these items, you will also bring the campaign to the attention of others.

Thank you for joining our campaign.

LUTON

BOROUGH COUNCIL

SIMON ROYCE

CHARLTON Athletic goalkeeper Simon Royce arrived on a month's loan from the Premiership side last Friday and 24 hours later found himself leaving the field at Kenilworth Road after a very enjoyable debut.

The match against Bradford City last Saturday was his 200th league appearance and it turned out to be a satisfying afternoon for the Forest Gate born stopper, keeping a clean sheet in a top of the table clash.

"They are a good, young side," enthused the 33-year-old, reflecting on his first impressions of his new team-mates. "I honestly couldn't believe the way that Saturday went, it was a dream."

"To be 3-0 up on your debut after only half an hour or so and before I had really had much to do was great. It is always nice to be busy and make saves but the important thing for the team is the result, not individual performances."

"I haven't played a lot of football recently so to get the chance to come to a side that is top of the league and playing well, will be beneficial for me and also for Charlton."

"If I can get my match sharpness back by playing a few matches and also help Luton along the way then it is a good move for everyone involved."

"The lads played very well against Bradford and on that showing if they don't go up this season it will be a travesty."

The 6' 2" stopper began his career at Heybridge before he made the switch to Southend United in 1991, enjoying seven successful years with the Hatters FA Cup first round opponents.

He then left Roots Hall for his first spell with Charlton Athletic, later returning to the Valley in the summer of 2003 after spending three seasons with the Leicester City.

Having appeared in all four divisions during his career, Royce is certainly no stranger to life at this level, he has previously enjoyed loan spells with Queens Park Rangers and Brighton & Hove Albion in recent seasons and he hopes that he can play his part in helping Luton join them in the Championship.

He explains, "Both sides were pushing for promotion when I joined them and they both went up at the end of the season that I played for them, Brighton as Champions, so hopefully that will also be the case for Luton."

HATTERS RESERVES

LUTON TOWN'S Reserves extended their impressive start to the season to only one defeat in six matches, with a 2-2 draw away to Colchester United on Wednesday afternoon, but they did it the hard way.

The U's took a seventh minute lead through a close range effort from Gareth Williams and he doubled his and the home side's tally, thirteen minutes later, from the penalty spot. The former Crystal Palace man was upended in the box and he brushed himself down to fire past Dino Seremet and give Colchester a two-goal half-time advantage.

However the Hatters came out firing on all cylinders at the start of the second period and soon got themselves back on level terms. Shortly after the re-start, Enoch Showunmi picked up the ball with his back to goal before turning and firing it into the top corner and then Lee Mansell, who netted when the two sides met on Boxing Day last Christmas, netted the equaliser with a low shot to earn a point for the second string.

"It was a good comeback," commented coach Brian Stein after the match. "The response was pleasing because we told them at half-time what was expected of them in the second half.

"To get ourselves in that position was a shock, it was a very disappointing first 45 minutes. We were limited with what options we had available to us on the bench because the youth team had played on Tuesday evening but the way that we approached the second half was a complete contrast to the first.

"The goal so soon after half-time gave us impetus, the players started to win their personal battles and we looked a far better side for it. Enoch began to use what he has got; his pace,

power and presence and the Colchester defenders struggled to cope with him, it was no surprise we scored a second goal.

"In the end, it was a game that we should have won, we had good chances in the second half and hopefully the players can carry their second half display into the next match."

TODAY'S QUESTION

Which member of the Hatters squad has Keith Keane been mistaken for?

HATTERS YOUTH

LAST Saturday we played against Rushden & Diamonds for the third time this season. In both our previous encounters we had run out 3-0 winners but this game was, as we had anticipated it would be, a lot tighter.

Rushden started the game quite lively and sharp, whereas we were a little bit slow to get going. They had a couple of good chances inside the first ten minutes and could easily have been two up but the boys weathered the storm and after that we began to get into the match and play the football that we are capable of, as we did in the Walsall game.

Josh Green gave us the lead after half-an-hour and Calvin Andrew added a second shortly before half-time but Rushden pulled a goal back and made it hard for us in the final ten minutes. The Cirencester result was a shock to the players system and it made them realise that they need to concentrate in every game and be 100% focused, both physically and mentally. Saturday's game against Rushden was a good game for us, they have improved as the season has gone on and had some reasonable results in recent weeks which meant that we needed to be on our toes.

It was quite tight at the end as Rushden threw everything at us and it was a good test of our players to get through that, it isn't something that they have been used to because they have managed to kill teams off well before this point in the game in the past but they showed resilience. It is good for them to experience that sort of pressure and more importantly, to have been strong enough to get through it.

It put the lads in good spirit, going into our FA Youth Cup match against Whitstable Town on Tuesday night, where we picked up a comfortable 8-0 win. When you go into the game like that, where you are playing non-league opposition, you always want a quick goal because the longer it is

at 0-0, the more they will grow in confidence so I was glad to take the lead after only six or seven minutes. As most of you are probably aware of by now, goalkeeper Zac Barrett scored our second from a kick out of his hands. I am pleased for him because that is something that not a lot of goalkeepers will do during their career. We added a further five goals before half-time and I was very pleased to progress to the next round after another good performance.

SUPPORTERS PAGE

KEEN eyed fans may have spotted a similarity between the two of the gentlemen pictured in the headline photograph on this page in the Bradford City programme. Earlier this week, John Hayes, the middle of the three men, contacted the club to tell us the story behind the family that cheers on the Town from all over the world.

John, the self-confessed 'handsome' one, was joined by two of his brother-in-laws for the game against Huddersfield in the middle of October. As a loyal Luton Town fan of 40 years standing he is lucky to be able to get to most games when his job allows him to, however for Roger Haddon – pictured on the left – arriving at the ground on a match day is a bit more involved.

A former goalkeeper for Barton Rovers, Roger has appeared at Wembley in the F.A. Vase and closer to his heart, has appeared for Rovers at Kenilworth Road. He chose to swap the irregular English weather for the sunnier climate of South Africa, where he continued to play in goal for a number of first class teams until quite recently, when he decided that the ground was becoming harder with each match and perhaps the bench would be a better place to be, so he hung up his gloves and boots.

Roger now manages a young South African team which is doing very well in their league and under his direction, several of the players have had trials for the regional team. As a life long Luton Town fan, through good and bad, John always texts him the score as it happens and was no doubt kept busy during the spectacular success over the Bantams last Saturday.

Having just flown in from Johannesburg on the morning of the Terriers' game Roger teamed up with John and Keith Haddon, on the right of the photo, and took in the match before going off to celebrate his parents' 60th Wedding Anniversary that evening. Keith doesn't have quite so far to travel to cheer on the Hatters although he regularly commutes from Seaford just outside Brighton.

■ Hatters fans from around the world: Roger Haddon, John Hayes and Keith Haddon

John went on to explain that supporting the Hatters is very much a family tradition with the Haddons, or at least it should be.

He explained, "My father-in-law Dennis, has been a Luton Town fan for all of his 82 years and it is only his old age that stops him from attending matches, but he remains glued to the local radio coverage for every match."

"I have a third brother-in-law, Mick, we know that in his heart he is an old Luton Town fan, but he's having this affair with West Ham just now, but we all hope he will soon see sense."

LEAGUE ONE ROUND-UP

BESIDES our 4-0 win over Bradford last weekend, Barnsley turned in the performance of the week in a round of fixtures that saw little movement in League One table. The Tykes turned the form book on its head as they surprised many by beating in-form Bournemouth in a 3-1 win at Dean Court.

Robust hit-man Barry Conlon netted a brace, one a 20th minute penalty, and Michael Chopra continued his excellent form with the Tykes' third. Wade Elliot netted Bournemouth's consolation in the second half.

But this was a round of fixtures that was dominated by draws with six of the 12 weekend matches ending all square. Blackpool's recent spate of wins was thwarted by Huddersfield in a 1-1 draw at Bloomfield Road, where the home side needed a goal from John Murphy to cancel out Andy Booth's opener.

Bristol City's push for a play-off berth was also halted by Colchester in 0-0 stalemate at Ashton Gate. However, one team who did manage a vital win was Oldham with Aaron Wilbraham being the debut hero for Brian Talbot's team as his brace sent former club Stockport to a 2-1 defeat. Both sides are in poor form but despite Marc Bridge-Wilkinson's goal for Stockport, the home side were unable to find a leveller in the second period.

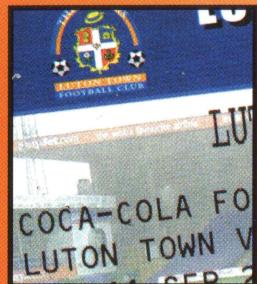

Paul Green was the hero for ten-man Doncaster as he netted an 87th minute winner in a 2-1 home success over Peterborough. Michael McIndoe handed the Yorkshire outfit a fourth minute lead before Clive Platt levelled on 27 minutes. John Doolan saw red on 40, before Green scored his last gasp winner.

Luton's closest rivals for second spot, has changed hands – not for the first time this season – with Tranmere now six points behind the Town but with one game in hand. Ian Sharps' goal early in the second half was enough for Tranmere to claim a 1-0 win over Brentford.

Goals from Leon Cort and Delroy Facey secured a battling point for Hull, as they came from two down to claim a point against Wrexham. Chris Llewellyn and Darren Ferguson had put Wrexham in the ascendancy.

Eifion Williams' goal in the 24th minute handed Hartlepool a 1-0 win over Port Vale, whilst the MK Dons had to settle for a point in a 1-1 home draw with Walsall. Sheffield Wednesday were another side who had to settle for a draw, after an entertaining 2-2 stalemate with Yorkshire neighbours Chesterfield. Adam Proudlock put the Owls into the lead, before Steve Blatherwick scored a rare goal from the back to level. Former Rangers hit-man Steve MacLean cheered Hillsborough with a 15th minute penalty but Sammy Clingan restored parity on 55 minutes.

TRAVEL INFO

HOW TO GET TO ROOTS HALL

By Road: From Luton take the M1 South towards London and then pick up the M25 east. Follow the M25 round and come off at Junction 29, then follow the A127 to Southend. Continue towards the town centre, through the lights near to the Bell Pub. At the next roundabout turn right (3rd turning), continuing on the A127. The ground is on the right just past the next traffic lights. If you turn right as you reach the ground, this will put you behind the away end where there is plenty of street parking to be found. Otherwise there is a car park at the ground, behind the Main Stand which costs £3.

By Train: The closest station to the ground is Prittlewell, about a five minute walk away. It is served by trains from London Liverpool Street. If you happen to end up at Southend Central station (served by trains from London Fenchurch Street), you're about a 15 minute walk from the ground. The main bus station is close to Southend Central, and therefore it may be an idea to get a bus up to the ground, rather than walking.

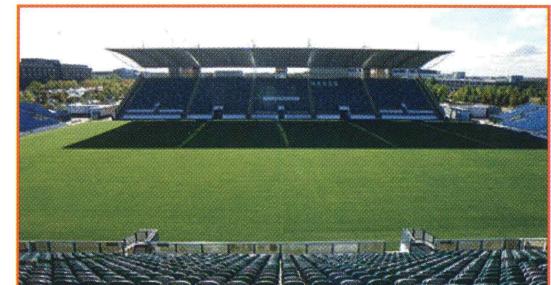

Parking: There is a car park behind the ground.

By Coach with Town on Tour: Leaving Maple Road at 4pm. The fare for LTSC members is £8, £7 for junior and senior members and £9 for non-members. To book seats visit the supporters kiosk at the top of Kenilworth Road or phone the Town on Tour mobile 07960 567465. You can also book online by visiting the Fans section of www.lutontown.co.uk.

By Coach with Bobbers Travel: Departs from Cranfield at 3.15pm and Luton at 4.15pm. Costs are £11 for Adults and £9 for Under-16's and OAP's. Please ring 01234 750996 for further information and to book your place.

Kenilworth Road to Roots Hall: 70 miles

THE NATIONAL HOCKEY STADIUM

By Road: The ground is within easy reach of the M1, from Luton head North and turn off at junction 14 of the M1. From there follow the A509, turning right at the first roundabout (Northfield). Follow the A509 over eight roundabouts, turning left at the ninth (North Grafton). You will see the stadium directly in front of you.

By Train: The nearest railway is Milton Keynes Central, which is just three minutes walk from the ground. Come out of the station, turn left and walk straight ahead. You will see the main stand directly in front of you.

By Bus: All the buses routes leaving central Milton Keynes go via the railway station, which is within easy walking distance from the stadium.

Parking: Within a 10 minute walk of the stadium there are over 2,000 pay-and-display spaces. The car parks are to your left as you approach the ground from the North Grafton Roundabout.

By Coach with Town on Tour: Leaving Maple Road at 1pm. The fare for LTSC members is £8, £7 for junior and senior members and £9 for non-members. To book seats visit the supporters kiosk at the top of Kenilworth Road or phone the Town on Tour mobile 07960 567465. You can also book online by visiting the Fans section of www.lutontown.co.uk.

By Coach with Bobbers Travel: By Coach with Bobbers Travel: Departs from Cranfield at 11.30am and Luton at 12.30pm. Costs are £8 for Adults and £6.50 for Under-16's and OAP's. Please ring 01234 750996 for further information and to book your place.

COMING NEXT

THE HATTERS come up against one of the Football League's most improving teams when Doncaster Rovers provide our next opposition at Kenilworth Road.

The club's rich run of form over the past three years, which has seen them win back-to-back promotion from the Conference to League One, is largely due to the work of manager Dave Penny.

Rovers were seen by many as surprise winners of the Division Three title last season as they held off the challenge from firm favourites Hull City, clinching the accolade by four points. And Doncaster have shown that their achievements during their last campaign were certainly no fluke as they maintain a mid-table position this season.

Rovers spent five seasons in the Conference after they were relegated out of the Football League back in 1998 when they finished rooted to the bottom of the league with a goal difference of minus 83.

However, Doncaster are experiencing some of the best years in the club's history as they begin to quickly re-establish themselves as a hard-working Football League side who prove difficult to beat.

Rovers have already proved that they could be in contention of further success this season with impressive wins over Huddersfield, Walsall, Port Vale and League Cup success over Championship side Ipswich.

However, the majority of Doncaster's victories this season have come at their Belle Vue home. Only seven points have been collected on their travels and the club suffered a humiliating 5-0

defeat at the hands of Bournemouth recently. Penny, who is in his second stint as Doncaster boss, has assembled a strong squad for this League One campaign which combines a mixture of young blood and old heads. In the Doncaster ranks this season, much travelled striker Leo-Fortune West is leading the line in attack and could be a handful for any defenders on his day.

Meanwhile, former Wycombe striker Jermiane McSporran has partnered West in recent weeks and is renowned for his fast pace. However it's the goals from a former Luton player which are becoming vital to Doncaster's season.

Michael McIndoe started his career with the Hatters before moving to Hereford and gaining success at Yeovil. McIndoe, who made over 20 starting appearances for the Town in two seasons, has bagged eight goals from midfield and has been inspirational for Rovers this season.

Previous encounters between the two sides have been rare in recent years and when Doncaster do arrive at Kenilworth Road it will be the first time they have visited since 1970.
