THE CHAIRMAN

Good evening and welcome to our supporters and our visitors Walsall they're Chairman, Directors, Management, Players and Supporters to Kenilworth Road.

We have had three hard-fought games in the last ten days, to maintain our position at the top of League One and increase our point total.

When we hosted Hull City at Kenilworth Road two Saturday's ago we were only one point ahead of them and that game was seen widely as the clash of the season between two clubs competing for automatic promotion. Thanks to our players the team achieved the result we all wanted. The atmosphere was electric because of you our supporters, and your contribution to the result made it the most exciting game of the season so far.

Midweek we were away to Hartlepool United, again an important result. The same applied to our away game on Saturday against Bradford City, and as always the club and especially the players really appreciated the travelling support that they received at both games particularly taking into account the length of the two journeys involved.

For most of us we naturally concentrate our attention on our first team squad of players and rightly so. However, the football business within the club is like an iceberg, ten percent shows above the surface but underneath there are dedicated and enthusiastic layers of player development from under

sevens teams up to Mark Ridgeway's under sixteen's team. Mark is Head of our Centre of Excellence and works closely with his Head Coach Roger Spicer who operates a team of committed coaches, recruitment officer's, and physio's. These ten teams of youngsters are part of the clubs policy of encouraging football at every level including Stuart Smith's Football in the Community programme financed in part by the Professional Footballers Association.

Our decision to reinstate the club's Reserve Team has had a visible impact on the progress of our players and in particular our youth squad. Football is a skill full and competitive sport and a rewarding one, so the early-years at the grass roots are where the skills and experience for young players start.

Football ability can be recognised very early in young players, through experienced scouts and coaches. Many of these boys end up playing for the club via our U16s and U18s youth teams under Mark and Marvin Johnson progress right up to our first team, as several of our current first team players can testify.

As always get behind the lads and thank you for your support.

THE MANAGER

Hello and welcome to Kenilworth Road for this evening's game against Walsall. Welcome also to Paul Merson his staff, players, directors and supporters from the Bescot Stadium.

Paul is one of a rare breed who has managed to combine managing and playing. Anyone who has done it will tell you it's the hardest thing in the world. They beat us at their place in the middle of our bad week earlier on in the season, so tonight could well be another tough test for us.

Last week could not have been any better for us with three wins, two of which were away from home and the other against second placed Hull. The performances against Hull and Hartlepool were excellent particularly the latter and although we weren't as good at Bradford we were certainly delighted with the effort and commitment.

Sometimes we expect too much from players and are too critical. They had a very tough week with a long trip to the North East after a top of the table clash and finished off with five and a half hours on the bus on Friday on the way to

Yorkshire. Most of the lads have played virtually all the games so it is a big ask to be constantly at your best.

We have nevertheless created a healthy gap between ourselves and third place which, at this point, is the most important one. Results in the final third are the priority as opposed to performances, and having played the top five teams twice, there is a danger of complacency and possibly an expectation to roll over everyone else in front of us. There will be teams fighting for their lives and with the play-off situation, these days everybody in the league will have something to play for.

We will need everyone with us between now and May. We have a crucial couple of weeks ahead when we might be able to put ourselves in a very strong position.

Enjoy the game and get behind the lads.

CLUB SECRETARY

Good evening and welcome to one of our rare night matches here at Kenilworth Road this season.

Our last home match against Hull must have left every Luton supporter on a high. I have certainly not experienced the atmosphere, noise or excitement here at Kenilworth Road for many years and once again our supporters were fantastic, as you were again in quite considerable numbers at our mid-week game at Hartlepool. I expect, like me, the drive back didn't seem to take very long at all!

We received a number of calls following the Hull match asking that we keep the music that the team run out to as "One step Beyond" as they did at the Hull match. We are happy to help and we will be running a poll in the close season to see which music you would like the team to run out to next season.

I have been asked to thank all the supporters who willingly gave their time at the Hull match to complete questionnaires for one of our student supporters.

We have received an email from Matthew Norsa in Australia who would like to pass thanks onto Mat Philips who assisted him in obtaining a ticket for the Hull match - Matthew was on business in England, his parents come from this area and he says he thoroughly enjoyed the game and is now a total Luton supporter!

We have heard this week from one of our supporters Peter Moss who took some of our old kits out to youths in Tanzania. It is great that the name of Luton Town reaches out to assist in this deprived area of East Africa. More details regarding Global partners for Development can be found at www.GPFD.org

Details regarding the tickets for Torquay on Easter Monday are available on the ticket office page, and I know many supporters are anxious to know about the ticket arrangement for our final league match away to Doncaster on 7th May.

We have spoken to Doncaster who will not be in a position to let us have any details until the middle of March, but we will keep supporters fully advised once they have been confirmed.

Enjoy the game and as usual get behind the lads.

MANAGER

PAUL MERSON

Rated as the most significant signing in the clubs history, the former England International, who has 21 caps to his name, put pen to paper on a two-year deal at Bescot Stadium in July 2003 after helping Portsmouth achieve top-flight status.

One of the English games most popular figures, Merson burst onto the scene at Arsenal, signing professional forms in December 1985 and going on to win two League Championships, the FA Cup, League Cup and European Cup Winners Cup during 12 success-filled years at Highbury.

His next port of call was Middlesbrough as he joined the north-east club for £4.5million and proved to be an important figure in the heart of their side. His displays prompted Aston Villa to pay out £6.75million to secure his services in September 1998 and he went on to achieve legendary status at Villa Park as he became one of the main driving forces in the side.

In August 2002 he accepted the challenge to try and help Portsmouth achieve Premiership status, becoming Harry Redknapp's highest profile capture and after accomplishing his mission he set his heart on a move to Walsall.

Despite winning virtually everything the game has to offer, last season probably ranks as one of the most eventful in Merson's career, which ended with the 36-year-old taking temporary charge of The Saddlers for the final four games.

Merson could do nothing to prevent relegation but his positive approach to the game didn't go unnoticed, and he was awarded the manager's job on a full-time basis during the summer of 2004.

GOALKEEPERS

RICHARD MCKINNEY

Northern Irishman McKinney linked-up with The Saddlers on July 1st 2004 after putting pen-to-paper on a one-year deal. The 25 year-old shot-stopper began his career as a trainee at Manchester City before joining Swindon Town in the summer of 2001. He made just one appearance in the 12 months he spent at the County Ground and signed for Colchester in August 2002. In his debut season with The U's, the Ballymoney-born 'keeper competed with Simon Brown for the number one slot and went on to make 23 appearances. A knee injury in training restricted McKinney to just seven appearances last term, including a fine display in Colchester's FA Cup-tie against Coventry City. Having started the season as first choice following an impressive pre-season, he lost his place to Mark Paston before suffering a nasty knee injury playing for the reserves that has kept him sidelined for a lengthy period of time.

MARK PASTON

The New Zealand International became Paul Merson's second summer signing after being released by cash-strapped Bradford City. The giant goalkeeper figured in a total of 14 games for The Bantams over the course of the 2003/2004 season. He replaced long-serving goalkeeper James Walker who moved onto West Ham United after 10 years at Bescot Stadium.

DEFENDERS

ZIGOR ARANALDE

The Spaniard has turned out for Albacete, Marbella, Seville and CD Logrones in his homeland before being lured to these shores by The Saddlers in August 2000.

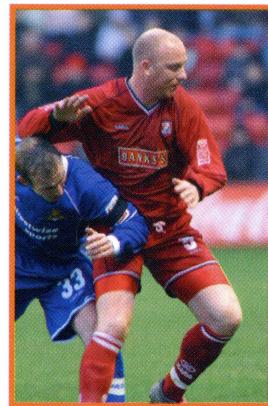

A committed and enthusiastic left-back who likes to get forward at every opportunity, he has settled down well to the demands of the English game over the past few years, playing regularly, and is an important member of The Saddlers' side who presence is greatly missed on the occasions that he does not play.

JULIAN BENNETT

A strong and dominant defender who has worked his way up through the youth ranks at Bescot Stadium before signing professional forms in the summer of 2004. The Nottingham-born central defender has made great progress in the last couple of seasons, being voted young player of the year in 2002/03 and becoming a

regular for The Saddlers' reserve team last season. His consistent displays for the second-string as we were narrowly pipped to the Pontin's Holidays League Championship in 2003/2004 did not go unnoticed and he was given a first division baptism of fire away at Wigan Athletic last term.

NEIL EMBLEN

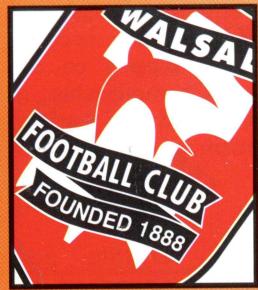

The versatile performer launched his professional career at Millwall in 1993 after emerging as a bright star on the non-League scene with Sittingbourne. It wasn't long before he was snapped up by Wolves in a £600,000 deal where he went on to make almost 100 appearances at Molineux before securing a £2million

switch to Crystal Palace. His career at Selhurst Park failed to go as planned and soon he was back at Molineux for a second spell which this time consisted of over 100 games, during which time he played under former Walsall boss, Colin Lee. Following Lee's departure from Wolves, the Bromley-born player soon followed him out of Molineux as he completed a £500,000 switch to Norwich where he was promptly appointed Club Captain but suffered at the hands of injury and was never really able to establish a regular starting place. A loan move to The Saddlers came in January 2003, but this was also a disrupted spell before he was given special permission to play in our final game of the 2002/2003 season on a non-contract basis. He eventually signed a permanent deal at Bescot Stadium in June 2003, turning down other more lucrative offers in the process.

IAN ROPER

Working his way up through the Bescot Stadium ranks to sign professional forms in May 1995, he has given sterling service to the club over the years. Dominant in the air and strong in the challenge, he is a reliable figure who continued to put in a number of solid and no-nonsense displays during the 2002/2003 campaign which culminated with him deservedly picking up the Player of the Year award to add to the Young Player of the Year prize that he earned a couple of years earlier.

WALSALL

MIDFIELDERS

MARK KINSELLA

The Saddlers secured the services of Republic of Ireland International, Mark Kinsella on July 27th 2004. The 31-year-old arrived at Bescot Stadium on a two-year deal having helped West Bromwich Albion secure top flight status at the end of last season. Dublin-born Kinsella, who has 48 International caps to his name, arrived in England in 1989 with Colchester United. He was picked up by Charlton Athletic for a bargain £150,000 in 1996 and went on to play in 226 games for The Addicks, establishing himself as a key player in their rise to prominence. Aston Villa paid £750,000 for his services in 2002 before he was allowed to link up with West Bromwich Albion on a free transfer in January 2004 and helped the Baggies achieve top-flight status during the course of a total of 18 appearances.

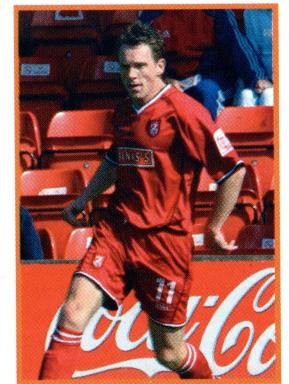

SIMON OSBOURN

A hard working midfield battler who kicked off his career at Crystal Palace before going on to give service to Reading, QPR, Wolves, Tranmere Rovers (loan), Port Vale and Gillingham. The 33-year-old established himself as an important member of the Gillingham side in recent years and was all set to extend his stay at the club until Colin Lee - who he worked with at Wolves - came calling and he was lured over to Bescot Stadium. Last season, Osborn proved his commitment to the cause by playing with a broken toe for much of the second half of the season. His effort and desire did not go unnoticed by new boss Paul Merson, who immediately gave him the role of player-coach. With well over 300 games under his belt, his know-how and never-say-die attitude have served the club well and his experience is invaluable to The Saddlers' cause. Relinquished his coaching role earlier in the 2004/2005 season in order to concentrate on playing matters.

MICHAEL STANDING

PAUL Merson made his first signing as manager with the arrival of Bradford City midfielder Michael Standing on May 27th 2004. The 23-year-old arrives at Bescot Stadium having become a victim of the financial crisis that has forced The Bantams to make all of their players available for transfer as they face up to life in the second division. Standing burst onto the scene as a teenager when Aston Villa plucked him and Gareth Barry from the Brighton and Hove Albion youth ranks. The Villa Park outfit were forced to pay hefty compensation for the England Youth International, but he failed to break into their first-team and after almost four years at the club, he was allowed to link up with Bradford City in March 2002. A player that Paul Merson knows well from his time at Aston Villa where the pair were team-mates for three and-a-half years, his energetic and honest displays have served The Saddlers well and he has become a popular figure both on and off-the-field.

DARREN WRACK

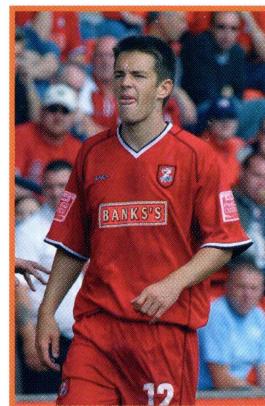

Darren started his career with Derby County, where he signed professional forms in July 1994 before securing a £100,000 switch to Grimsby Town exactly two years later. During his time at Blundell Park he was loaned out to Shrewsbury Town in February 1997 but eventually made a permanent move to Walsall in August 1998, becoming one of Ray Graydon's first signings for the club. A wide-player of undoubted talent and ability who is a popular figure both on and off the field, he

has made a solid contribution to The Saddlers' cause over the subsequent years and as a result has been subject of plenty of interest from other clubs. However, he decided to put pen to paper on a new deal at Bescot Stadium in May 2003, much to the delight of everyone involved with The Saddlers. After a consistent 2002/03 campaign, last season was blighted by injury. However, despite featuring in just over half our league games, Wrack managed to finish as joint-second top scorer, with six goals to his name. His versatility and desire have once again proved key attributes to the side and he is an important and well-liked member of the first-team set-up.

STRIKERS

MATTY FRYATT

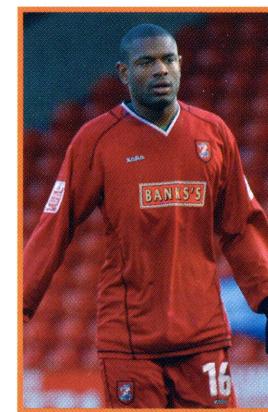

THE 18-year-old front-man enjoyed a prolific couple of seasons at youth team level, before breaking into the first-team last season. During the 2002/03 campaign, Fryatt's goalscoring prowess earned him a reserve team place and after continuing to find the net at that level, the club took the somewhat unusual step of awarding him a professional contract at the end of his first year of a three-year Scholarship. Blessed with good skill, pace and sharpness in front of goal, the Nuneaton-born youngster is expected to have a bright future in the game. Last term Matty earned rave reviews during his first taste of Football League action, firstly whilst on loan at Carlisle United, where he scored his first professional goal, and then during his time back at Bescot where he opened his Saddlers account in a 2-1 away victory over Preston.

JORGE LEITAO

Jorge Leitao gave up his studies for a Sports Science Degree to come to Walsall in a £150,000 deal from SC Farense in his native Portugal back in August 2000. He made a very favorable impression in his first season at Bescot Stadium, finishing top scorer and scooping the Player of the Year Award. A popular figure who possesses great power and strength, he knows exactly where the goal is and has proved to be an important member of the side since his

arrival with his never-say-die attitude going down well amongst The Saddlers' faithful. Managed to find the net on 13 occasions in 2002/2003, and once again finished top scorer last season with nine goals to his name, taking his tally up to a total of 53 goals for the club. The Oporto-born forward agreed a new one-year deal in the summer and has been amongst the goals again this term.

MARVIN ROBINSON

The Saddlers completed the signing of front-man, Marvin Robinson from Rushden & Diamonds on December 7th in a deal that runs initially until the end of the season. The 24-year-old was a highly-rated prospect at Derby County where he came through the ranks and made Premiership appearances before suffering

a badly broken leg during a loan spell at Stoke City which halted his progress. As well as his temporary stay at the Britannia Stadium, he has also gained much-needed experience in recent years with loan spells at Exeter City and Tranmere Rovers, before linking up with Chesterfield on a permanent basis at the start of last season where he scored six League goals from 17 starts before making a switch to Notts County earlier this season. At Meadow Lane he made just two appearances before being snapped up by Rushden and Diamonds on a non-contract basis at the start of November 2004.

LEROY WILLIAMS

A livewire striker whose development was rewarded in the summer of 2004 with a one-year professional deal, just a year into his Scholarship programme. Possessing plenty of pace and skill, the 18-year-old is a bubbly character and a player who has the ability to turn the course of a game and have the supporters on the edge of their seats. He made an explosive Football League debut against Port Vale on the opening day of the 2004/2005 season as he scored a fine goal shortly after coming on as substitute.

CLUB CAPTAIN

IT'S BEEN an incredible couple of days for everyone connected with Luton Town. The victories over Hull and Hartlepool have been massive results and we have taken full advantage of them. We said at the beginning of the week that if we could have taken four points we would have been happy but everything has gone better than anticipated.

I honestly felt that the Hartlepool game was one of the best matches we have played this season, everyone was on top of their game. Every player has been on top form this season and hopefully that will continue because the lads are determined to remain unbeaten from now until the end of the campaign.

We started the week with the game against Hull and it was nice for us to grab a winner in the closing stages of the game after being hit with a sucker punch the previous Saturday, where we conceded by a late goal in the game against Huddersfield.

The goal came after a great ball from Robbo and the little 'Croatian Sensation' popped up with a fantastic header. At the final whistle you could tell from the players, the staff and the supporters how important the victory was. I had never seen or heard anything like it at Kenilworth Road when Brkovic's header hit the back of the net. It was a great feeling for all the players.

I remember saying to Robbo during the game that it was never going to happen. Hull came back into the game in the second-half when they changed their system but despite all our possession, I thought we would never get that important goal.

In the changing rooms after the

game it was a great atmosphere and everyone was over the moon. It was another great feeling and another important moment of our season so far.

We then made the long trip to play Hartlepool. They have a tremendous home record stretching back nine months unbeaten in the league and reaching the play-offs last season, so to go there and beat them on their own turf was something special.

The big man (Chris Coyne) took his goal well. He can run at defenders, he probably should do that a bit more because he is good with the ball at his feet.

Enoch also took his goal well; he could have had a hat-trick. People forget sometimes that he hasn't been a professional footballer for very long, but the finish for his goal was top draw.

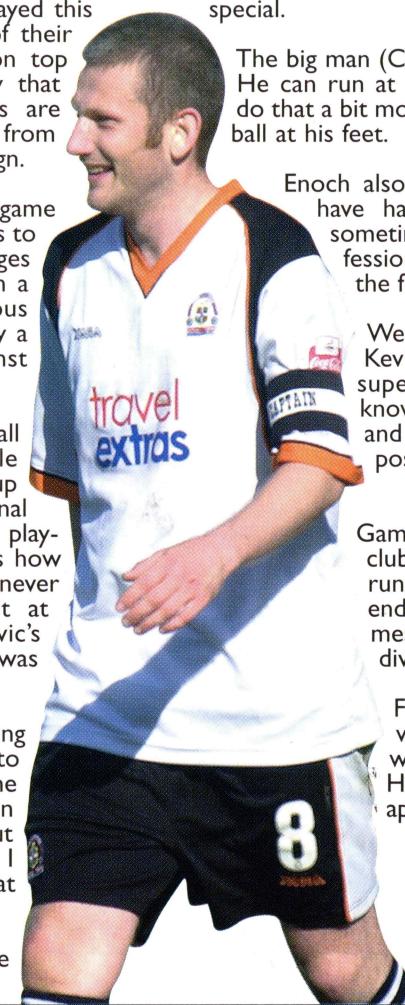

We then added our third through Kevin Foley and he has filled in superbly in midfield. Everyone knows that he is a good footballer and could probably play in a few positions.

Games are running out for other clubs now. If we can put a good run of results from now until the end of the season it will send a message out to teams in the other division.

Finally, on behalf of the lads, I would like to thank all the fans which made the trip to Hartlepool, your support was appreciated.

HATTERS HISTORY

THE HATTERS made extremely hard work of winning promotion from Division Three in 1970 for, following back to back defeats at Bristol Rovers and Barrow in February, we looked dead and buried after a tremendous start to a season that was beginning to turn into a bit of a disaster. A brilliant and unexpected win at Reading was then followed by successive home draws against Mansfield and Bury and the depths of despair were plumbed when we went down to an awful 2-3 defeat at bottom club Tranmere.

Easter brought home wins over Rotherham and Reading but the victories proved to be a false dawn once more as a last minute slip by goalkeeper Alan Starling gifted the points to Barnsley at Oakwell.

A dismal 0-0 draw at Halifax, where we looked anything but a promotion side, left us with five games to play and needing to win them all to stand a chance of going up. It seemed an impossible task and so it was with heavy hearts that supporters travelled to Fulham where surely the final rites would be read.

In a breathless game Malcolm Macdonald scored the only goal against his old side and with all the other results going our way promotion was suddenly and unbelievably back on again.

Four games to go now with Walsall and Southport the visitors to Kenilworth Road and then visits to Mansfield and Rochdale to finish off the campaign.

Repeating a successful experiment of four years before, it was decided to play a home game on the evening of the F.A. Cup final and after watching Leeds and Chelsea fight out a 2-2 draw at Wembley on television 17,193 of us trooped down to Kenilworth Road to see if the final steps could be taken on the road to promotion.

The Hatters after clinching promotion in 1970.

The visitors, Walsall, had nothing to play for which made them doubly dangerous bearing in mind our performances against the lower lights that season but we need not have worried as we took the game by the scruff of the neck from the start.

New boy Viv Busby opened the scoring after eight minutes when he crashed home a Macdonald cross and the game was as good as over shortly afterwards when John Collins rifled the ball home.

Macdonald got the goal his unselfish play deserved when he headed in an inch perfect Graham French cross shortly after half-time before Starling had to limp off with a knee injury.

No specialist substitute goalkeepers in those days so Keith Allen, who had played in goal only once before during his days at Grimsby, took over between the sticks and to be honest had little to do although he twice let shots go out for a goal kick only to see the ball cannon off the post!

We managed to hold out to the end and then remained unbeaten in our final three games to ensure a promotion spot back to the old Division Two that had looked highly unlikely many times during that season.

COMMERCIAL UPDATE

It's with a warm welcome that we say good evening to all of our corporate sponsors and commercial partners to tonight's match against Walsall. Evening games at Kenilworth Road, played under flood-lights, always have a very special atmosphere and tonight I am sure will be no exception.

■ Match sponsors Ludlows of Luton visit the Kenilworth turf pre our match against Hull City.

MATCH SPONSORS

Tonight's match sponsor, Critical Research and its charismatic Managing Director, Derek Farr, probably needs no formal introduction to these pages, as they continue to be one of our most regular sponsors, as well as being well known for their involvement with local Youth Football. However tonight is particularly special for Derek, as in addition to his match sponsorship, his nephews Jake and Michael are our commercial mascots. Critical Research are a Luton based Market Research Group with offices

in Luton, Watford and Reading. Supporting Luton Town, they are a well-known name in market research, employing many staff locally, working from telephone interviewer centers. They are proactive employers, always looking for people, to train as telephone interviewers, who are able to work mornings, afternoons, or evenings for at least 18 hours per week. For further details contact Critical Research on 01582 480588.

■ Michael Edwards the Match Ball Sponsor for Hull receiving his match mementos from squad members.

MATCHBALL SPONSORS

We also welcome Peter Gowans and the guests of Bedford based Charles Wells who join us this evening as Match Ball Sponsors. Charles Wells is the Club's preferred brewer again this season, supplying all of our executive lounges and stadium bars with a fine range of products including Eagle Bitter and Red Stripe Lager, as

well as a full range of proprietary brands including Fosters. Having won the Newspapers Regional Brewer of the Year Award in 2003, they continue to go from strength to strength and remain a very important sponsor and commercial partner to Luton Town. They in turn welcome some very special guests of their own this evening, including visitors from Welwyn Garden City FC, plus the Shamrock and Constitutional Clubs.

■ Associate match sponsors Decillion Financial Planning enjoying their pre match tour of the ground.

COMMERCIAL MASCOTS

Jake Farr

Michael Farr

Travelling from Walsall in the West Midlands 9 year old Jake and 13 year old Michael Farr, are both committed and loyal Luton Town fans who regularly attend Kenilworth Road with their uncle, Derek Farr and other family members. Keen supporters of Kevin Nicholls and Steve Howard respectively, they together have a huge commitment to hobbies, which in addition to football include, swimming, music, scouts and cubs. We all at the club hope they have a memorable evening with us.

■ Derek Ludlow Chairman and Managing Director of Ludlows of Luton, together with his guests presenting the Man of the Match award to Ahmet Brkovic.

PREDICTION COMPETITION

SOL DAVIS and supporter Simon Gover topped scored in our latest round of the prediction competition as the players kept their four point lead at the top of the leader board. It was a bad week for the staff as Michael Muldowney scored just one point but they remain in third place with the press a point behind in fourth spot.

Chris Coyne now finds himself in the hot seat as he tries to extend the players' lead at the top with all participants aiming to predict the outcome in tonight's Champions League matches with Liverpool and Arsenal both facing German outfits.

LUTON TOWN BELLES

FIRST TEAM

Belles slipped to their first home league defeat of the season to promotion rivals AFC Bournemouth who now trail Town by just a single point. The Cherries knew that a defeat would give Luton a huge advantage and took the lead early in the first half after keeper Alice Burbury and Nikki Baker did well to keep out two efforts but the ball ran kindly to the Bournemouth striker who rolled the ball into the empty net. Striker Michelle Byrne caused the Cherries defence major problems throughout with her pace and power but she was unable to find the finish to go with her excellent approach work. Rebecca Kane came closest to equalising when she brought a fine diving save from the keeper and no one was there to put away the rebound. Bournemouth added a second with 20 minutes left and there was no way back for the Belles. When it came to goal scoring opportunities Luton probably had twice the number that Bournemouth did but failed to take them and lost the opportunity to open up a big gap at the top.

RESERVES

A solid performance from the Reserves saw them knock out of the cup a higher placed BBC team 4-0. The game was goal less with just 15 minutes left when Kandy Tamagushiku produced a classic strike to finally break the deadlock. Turning inside from the left wing she unleashed a dipping curling shot into the far corner of the net from 25-yards and then the floodgates opened. Natalie Forbes

was rewarded for her surging run down the right as her cross sailed over the keeper for the second goal and leading scorer Shelley Miller returned to goal scoring form with a late double and the Belles now have a quarter final home draw.

YOUTH

The Under 10's produced a memorable footballing performance in terrible conditions to win 4-0 against Bedwell Rangers. Some excellent passing moves brought all four goals in the first half as Kerry Keyte scored twice and there were also goals from Darcy Sillock and Rebecca Letham. The Under 11's stay top following a 6-1 win over Denham United. Katie Davis led the way with another hat-trick and Laura Pethybridge, Desiree Yearwood and Maisie Wyatt were also on target. Our Under 14's lead throughout against previously unbeaten champions Denham United returning with a fine 3-2 victory to secure league runners up spot. Laura Day helped herself to a fine hat trick and they must now concentrate on the four-cup competitions where they retain an interest.

Alice Bowler and Alex Matcham gave the Under 12's an early 2-0 lead against Potton but they were unable to maintain their early promise eventually succumbing 5-2.

MATCHDAY TRAVEL SAVINGS

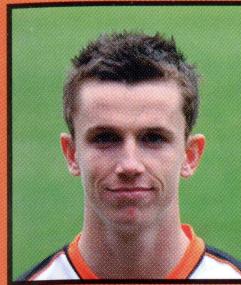

We are pleased to advise supporters that we have teamed up with Arriva Buses and Thameslink in an effort to ease travel to the ground for supporters on a matchday.

With immediate effect Arriva have agreed to offer a 25% discount on the price of an adult single and return fares to all Luton Town season ticket holders and match ticket holders on travel services within the Luton and Dunstable zone on home matchdays. All you have to do is produce your season ticket book or match ticket before you purchase your bus ticket.

Coupled with this, you can use Thameslink CCTV monitored car park at Midland Road (opposite the railway station) for just £1. You can then catch the Arriva 31 bus from the car park to the ground, the nearest stop is outside COGIC in Bury Park. The bus runs frequently and for the return journey you can board the 31 bus at the takeaway shops opposite Ivy Road or from outside Sainsbury's car park.

We would like to thank both Arriva and Thameslink for their help in trying to assist supporters get to ground.

KEVIN FOLEY

FOR EVERY footballer, representing your country can be a proud moment and for Luton's Kevin Foley his dreams and aspiration to play at the highest level of international football is moving in the right direction.

The versatile Hatter has set his target on the international scene – to represent his country at a World Cup. Although that may seem somewhat away, Foley is tasting what it could be like at the top level as he recently flew out to Portugal and played in the Republic of Ireland under 21's 2-0 friendly defeat to the hosts in Rio Maior.

Foley has been part of the Irish under-21 set-up for several months and will be hoping to be involved in the forthcoming European Under 21 Championships in Germany.

However, Ireland have a massive task to qualify from their group which has seen them pick up three points from their opening three games.

Foley said: "In the first three games of the Under 21 Championship qualifiers, Ireland have won one and lost two and although I didn't play in those games, it was good to be around and be involved with the squad.

"To play in a World Cup has to be any players ambition and my dreams are no different. Everyone loves to play for their country and is proud to pull on their countries shirt.

"Playing in the game at Portugal was a great expe-

rience for me and will hopefully help me with Luton Town.

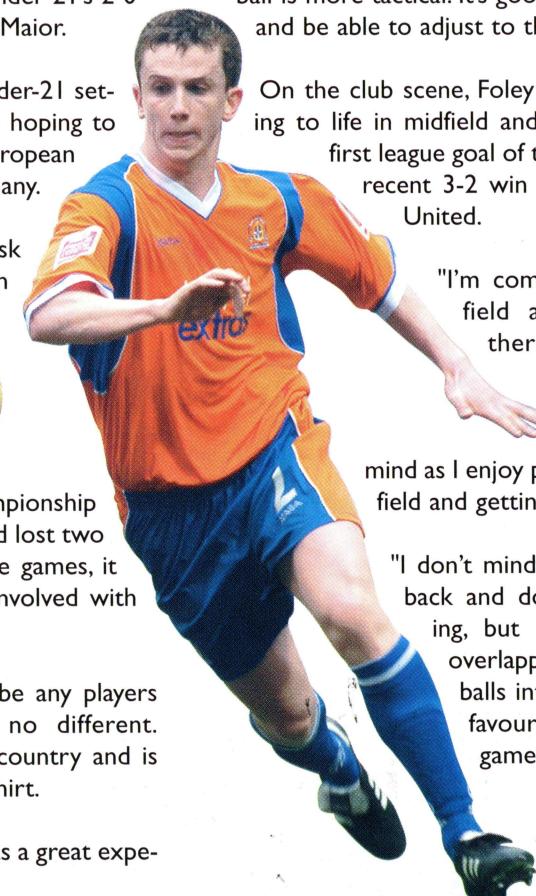

"The result obviously wasn't good, but being there was the main thing and now I want to keep playing well with Ireland and with Luton.

"You learn so much from all the different players and with all the different tactics. It's completely different to club football, because with Luton it's really quick and frantic, but the international football is more tactical. It's good to play in both and be able to adjust to the styles.

On the club scene, Foley has been adapting to life in midfield and notched up his first league goal of the season in our recent 3-2 win over Hartlepool United.

"I'm comfortable in midfield and like playing there," admitted Foley. "I'd play anywhere really – I don't mind as I enjoy playing further up field and getting on the ball.

"I don't mind playing at right-back and doing the defending, but getting forward, overlapping and putting balls into the box is the favourite part of my game."

TOWN TEASER

WIN A PAIR OF MATCH TICKETS

Listen to the PA announcer before kick-off for your chance to have a go.

TODAY'S QUESTION

Luton skipper Kevin Nicholls and Walsall midfielder Mark Kinsella have both had spells for which Premiership club?

HATTERS YOUTH

WE KICKED off our Merit Division campaign with a slender 2-1 defeat at the hands of QPR. The game was played in terrible conditions but overall I wasn't too disappointed by our performance. The lads turned in a good display and we were somewhat unfortunate not to have taken more from the game.

QPR were a strong team and with the wind in their favour, they took the lead at half-time. We then took control of the game in the second-half and got a goal with the pressure we were creating. I actually felt we might go on and win the game after we got back on level terms.

Unfortunately we fell asleep at a set-piece as we left two players unmarked at the back post. At the end of the game, I mentioned that I was a little disappointed that we never defended correctly at the free-kick and that ultimately cost us the game.

I did make a point to the lads that we have to be alert from free-kicks and although their lad finished it well, if we had applied more pressure we maybe could have prevented the goal.

We had quite a few injuries in the squad and we had five under 15's on the bench so overall I wasn't disappointed by our performance.

Last week the youth team were invited to play Arsenal in a behind closed door friendly game. Although they were a lot younger than us it proved to be good experience for the lads.

I played a similar make-up of team from the game on Saturday and the match was made up of three 30 minutes. After the opening 30 minutes we were leading 2-0 so I began to change it around.

I then introduced some of the under-15's who were on the bench and we went on to win 1-0 in the second 30 minutes and recorded a 0-0 draw in the final period.

It's an honour for the club that we are recognised at youth level to play a part in these type of matches. We have played against Arsenal over the years at reserve level but it's nice that our reputation has filtered through to youth level.

This competition has proved to be a big success and we are already planning more before the end of the season.

LEAGUE ONE ROUND-UP

OUR SEVEN point gap at the top of League One, following victory over Hartlepool, has been largely due to the chasing pack slipping up with Tranmere and Sheffield Wednesday both dropping vital points last weekend.

Tranmere were the first to have missed the chance to go into second place after they were held to a 1-1 draw at home by Colchester, with Joey Keith cancelling out Eugene Dadi's early strike.

And Sheffield Wednesday's progress was halted at Hillsborough as Yorkshire rivals Bradford stole a late, late winner through ex-Owl Owen Morrison.

Steven MacLean had earlier cancelled out Nicky Summerbee's early opener for The Bantams, who are now just outside the play-offs.

With Hartlepool and Brentford in FA Cup action, Bristol City could have done themselves a big favour by moving into the play-off zone but failed to beat Walsall at Ashton Gate in a Friday evening encounter.

Loan signing Andrew Surman grabbed the only goal of the game 15 minutes from time to give Walsall a well deserved win.

Stockport's miserable season continued and are now 14 points from safety after suffering a 2-1 defeat at home to Port Vale, with Adam Le Fondre's

late strike not enough for Chris Turner's men after Nathan Lowndes and Billy Paynter had put Vale in control.

Oldham were on the wrong side of 4-0 hammering down at Bournemouth, with Steven Fletcher, James Hayter and a Gareth O'Connor brace doing the damage. Juan Ugarte's ninth goal in ten games for Wrexham gave the Welsh side a 1-1 draw at home to Torquay after Jo-Osei Kuffour had put The Gulls ahead.

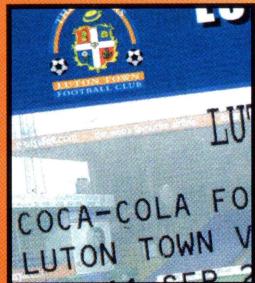

Doncaster suffered a 1-0 home defeat to local rivals Chesterfield as Tcham N'Toya's strike three minutes from time gave The Spireites the points at Belle Vue.

Clive Platt was another man to come up with a last-minute winner, as his goal gave MK Dons a 2-1 win at home against Huddersfield.

The Terriers had taken the lead after half an hour through Andy Booth but Izale McLeod drew the hosts level three minutes later.

A double from Sam Parkin gave Swindon a 2-1 win over Barnsley at The County Ground, with Jacob Burns replying for the visitors.

After 0.5 miles turn right on to the B501 (second exit, Newcastle Street) at the small roundabout. Carry on up to the next roundabout and go straight across to the cross-roads. Go straight across the cross-roads into Moorland Road. Take the second left on to Hamil Road and Vale Park is on the left.

By Rail: Longport station is the closest to the ground, but is a good 30 minute walk away and is not well served. Most fans end up at Stoke On Trent railway station, which is over four miles away and take a taxi (about £6) up to the ground.

Car Parking: There are few places to park once you arrive at the ground. There is a large car park located outside a superstore next to the ground, otherwise it is street parking.

Around the Ground: Vale Park is situated in Burslem, Stoke-on-Trent and has been the home of the Valiants for more than 50 years. The ground is made up of four major stands called the Lorne Street Stand, the Carling Stand, the Big Stand, which has the Disabled Stand to one side and the Family Stand to the other. The Phones 4U Stand is located on Hamil Road and houses up to 4,500 away supporters.

Where to eat: On the Hamil Road car park there is a burger van or if you prefer fans can get something from inside the ground where there is a kiosk. New lines have been introduced this season so there is lots of variety and the prices are very reasonable, with the most expensive Pie/pasty on offer at £1.40. There is a Burger King in the Centre of Burslem and the usual take away restaurants

By Coach with Town on Tour: Leaving Maple Road at 11:00am, with a pick up at Milton Keynes approximately half-an-hour later. The fare for LTSC members is £15, £13 for junior and senior members and £17 for non-members. To book seats visit the supporters kiosk at the top of Kenilworth Road or phone the Town on Tour mobile 07960 567465. You can also book online by visiting the Fans section of www.lutontown.co.uk

By Coach with Bobbers Travel: Departs from Cranfield at 10:00am and Luton at 11:00am. Costs are £13.50 for Adults and £11.00 for Under-16's and OAP's. Please ring 01234 750996 for further information and to book your place.

COMING NEXT

In the first of our back-to-back home games, Bristol City provide the next opposition at Kenilworth Road with the Hatters going in search of completing another double.

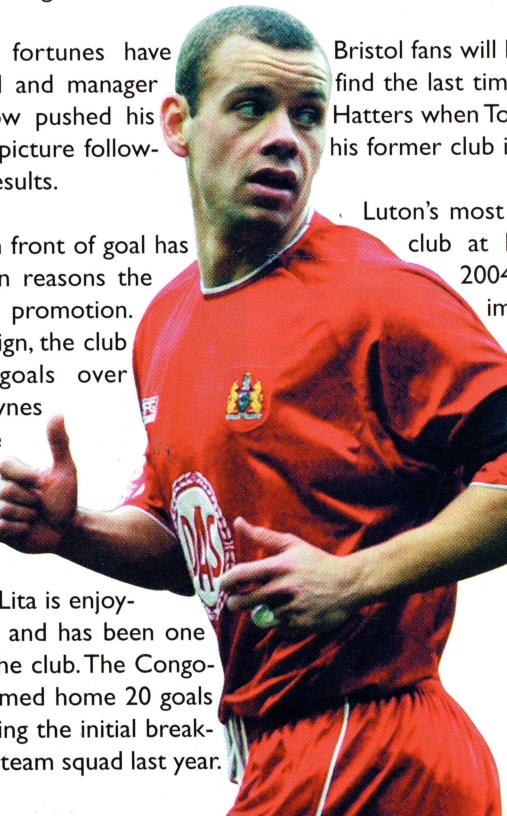

Bristol City fans have suffered the heartbreak of missing automatic promotion during the last two seasons having finished in third spot in League One.

One of the favourites with the bookmakers to make it third time lucky for promotion, The Robins made a dreadful start to this campaign, failing to win their opening five fixtures.

However the club's fortunes have slowly turned around and manager Brian Tinnion has now pushed his side into the play-off picture following a string of good results.

Bristol City's threat in front of goal has been one of the main reasons the club are pushing for promotion. Already in this campaign, the club have scored four goals over Brentford, Milton Keynes Dons and Tranmere Rovers plus five in a match against Stockport County.

Youth product Leroy Lita is enjoying a fantastic season and has been one of the highlights for the club. The Congo-born striker has slammed home 20 goals this season after making the initial breakthrough into the first-team squad last year.

STEVEN DOVE

Jamie Smith

Captain Jamie Smith is another player enjoying a good season after moving to Ashton Gate in August last year and is highly regarded as one of the top defenders in the division.

Past fixtures between the two sides have always been tight affairs with three of the last five encounters ending in draws and the other two being settled by the odd goal.

Enoch Showunmi's late winner at Ashton Gate back in December sealed Luton's 17th win over Bristol City from a total of 58 games between the two sides down the years.

Bristol fans will have to go back to April 2001 to find the last time they claimed victory over the Hatters when Tony Thorpe was on target against his former club in a 3-1 win.

Luton's most recent victory over the Bristol club at Kenilworth Road was in April 2004 when Keith Keane grabbed an important 90th minute goal, which sealed a 3-2 win.

With both teams eyeing promotion this season, Luton will know they face a tough task in a game, which is likely to be tightly fought.
