72 Clubs. The 'Coca-Cola' Football League. The Real League.

THE CHAIRMAN

GOOD AFTERNOON and a warm welcome to all our supporters to today's game, and our visitors Bristol City their directors, management, players and supporters.

The club and the local media have received emails from some supporters who are under the impression that the Board has decided that the club will be remaining at Kenilworth Road. I would like to reassure everyone that this is not the case. Our relocation plans are the club's future security.

This September marks the centenary of the club being at Kenilworth Road, which of course all of us will celebrate. Unfortunately our current home is no longer commercially viable. It was a Football League condition of the club's renewed membership following receivership, that Luton Borough Council granted the club a ten-year lease of Kenilworth Stadium. The current ground is required for inclusion into the Council's regeneration programme for the area, and the club's relocation is essential for that to happen. Therefore, the club has to move on to develop its full potential.

The relocation process is a complex mix of an agreement on the land, and the planning and highways aspects which I am pleased to say is moving forward in the right direction. Meanwhile, in the short term the club is outgrowing its present capacity. Therefore, we will be considering utilising the last remaining space at the Kenilworth Road end to increase the seating capacity by another six hundred or so seats, which is so essential for accommodating our growing supporter base.

On Wednesday the Sun published the Coca Cola Football League's top 50 list of players. We must congratulate Curtis Davis for making

sixteenth place and Steve Howard for coming in at number 21 – if I had my choice I would have included everyone in our squad for their contribution to a magnificent season so far.

As previously mentioned in our Walsall programme, we believe firmly in the grass roots of the Club's player development structure. Our School of Excellence once again has proved its value, in this case in respective of Lewis Baker, aged nine, which I was unable to talk about in my previous programme notes who played in the under ten's team, and who has just been signed up by Chelsea. As our football management say to me, "Who would stand in his way?" Not me! Lewis, we all wish you the best of luck in your future football career. We hope that you fulfil your playing dreams, and when you do, please remember the Luton School of Excellence that put you on that first rung of the ladder to be a professional footballer!

On behalf of the Board I have pleasure in announcing the appointment of Kelvin Dunn, who will be the supporters' representative on the Board of Directors of the Club. Kelvin is a JP, and a life-long supporter of Luton Town and a committee member of the Trust in Luton. Although Kelvin, will not take up his appointment officially until mid March, we will continue to keep him informed on all developments relating to the Club.

Enjoy the game and as always your vocal support will lift the players.

THE MANAGER

HELLO AND welcome to Kenilworth Road for today's game with Bristol City. Welcome also to Brian Tinnion, his staff, players, directors and supporters from Ashton Gate. They have plenty to play for and have had some good results away from home so today will be a tough test for us.

Our 14 match unbeaten run came to an end last week at Port Vale. It was without doubt our worst performance of the season but in a 46 game campaign there will be a performance like that. We have a belief in our players as I have said on many occasions we wouldn't judge them on one game.

We can only concentrate on our own game today but there can't be a bad result in the Tranmere versus Hull fixture and what we will find in the coming weeks is that there will be other similar fixtures where the top sides will take points off one another.

Although we don't anticipate any easy games we have played the sides immediately below us twice and so we can rely on those to fight amongst themselves.

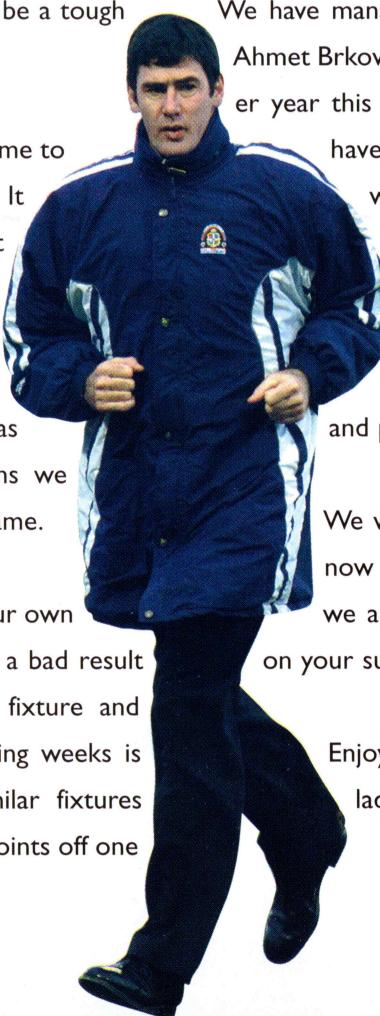

We have managed to secure the services of Ahmet Brkovic and Kevin Nicholls for another year this week and we are delighted to have them committed. Together

with Sol Davis, who signed last month, they have been three key players this season and we would hope that they continue to improve as players and professionals.

We will need your backing between now and the end of the season and we are sure we will be able to rely on your support.

Enjoy the game and get behind the lads.

CLUB SECRETARY

GOOD AFTERNOON and welcome to today's match, the first of two back to back home Saturday matches, I still don't understand why the league fixtures cannot be more evenly distributed on a home and away basis as they used to be.

Whilst the weather this week would not indicate it, I always feel that winter is behind us when we stop using the orange match balls at the end of February. Another change this week has seen the disciplinary points that players can accumulate before being suspended go from five cautions to ten up to and including matches on the 10th April.

Port Vale Supporters Club have contacted us this week and asked us to pass on their thanks to all our supporters who attended the match last Saturday and observed the minute silence for Reg Dean so impeccably.

The Football League have advised us this week that Football League Clubs raised between them the magnificent sum of nearly £300,000 for the Tsunami Appeal, so thank you to all our supporters who gave so generously.

I do hope you will support our Official Supporters Club Committee members. They will be around the ground today, selling raffle tickets for the Grand Raffle they hold annually at the end of season Presentation Evening. This event will be held on Sunday 1st May, which will be held at The Riverside Suite, Vauxhall Recreation Club.

With the magnificent support we are regularly taking to away matches, most of our away are now becoming "all ticket" and full ticketing details of the AFC Bournemouth match on the 9th April can be found on the Ticket Office page.

Can I also remind supporters that tickets for all our remaining home matches are now on sale and I would advise you to purchase early, as the ticket office are already busy for these matches.

Keep up the support, enjoy the game and see you again next Saturday when we play Swindon Town.

MANAGER

BRIAN TINNION

Bristol City player/boss Brian Tinnion is the club's longest-serving player - he is currently in his 12th full season and in January 2004 made his 500th appearance for the club.

A £180,000 signing from Bradford City in 1993, Brian began his career at Newcastle United, where he played in the same youth team as Paul Gascoigne.

Brian made 36 appearances at St James Park but was sold to Bradford in 1989 for a fee of £150,000 and went on to make over 150 appearances for the club in the space of four seasons.

The City boss then made the move to Ashton Gate where he has enjoyed legendary status since scoring City's winner in the club's famous FA Cup win at Liverpool in January 1994.

During his stay at Ashton Gate, Brian has gone on to score over 40 goals and at the end of the 2000/2001 season won a hat-trick of awards: Supporters Club Player Of The Year, PFA Division Two Player Of The Year and a place in the PFA Division Two Select XI.

A UEFA qualified coach, he is presently in his testimonial year and signed a three-year deal as manager in June 2004, following the departure of former Luton midfielder Danny Wilson.

Tinnion recently announced that he would be stepping down from his playing career at the end of the season to concentrate on his managerial commitments.

GOALKEEPERS

STEVE PHILLIPS

An excellent shot-stopper, he made steady progress at Ashton Gate under goalkeeping coach Mike Gibson, and earned his first-team debut in December 1998. Now established as the club's first-choice keeper, he signed a new three-year contract in autumn 2003.

MIKE STOWELL

Voted Young Player Of The Year by the Supporters Club in 2002/03, he can also play at right-back.

CLAYTON FORTUNE

Utility player signed in March 2001 after being released by Tottenham Hotspur. Has impressed for both Academy and reserve sides since his arrival and made his senior debut as a substitute versus Peterborough United during a LDV Vans Trophy tie in December 2001. JAMIE SMITH

Signed a one-year deal after arriving on a free transfer from Crystal Palace in August 2004. Started his career as a trainee with Wolves before moving to the Eagles in October 1997, and was a member of the Palace squad who won promotion to the Premiership last season via the play-offs. Appointed on-field skipper in February 2005.

MIDFIELDERS

SCOTT BROWN

Started his career as a trainee with Everton whom he represented at youth and reserve level before being released at the end of the

BRISTOL CITY

2003/04 season. Following a successful trial in April 2004 he joined City on a short-term contract in August 2004 - since extended to the end of the season - and made his senior debut as substitute in City's home LDV Vans Trophy tie against Peterborough in September 2004. Capped by England at under-17 level, with whom he played in alongside former club colleague Wayne Rooney.

TONY DINNING

Midfielder who was initially signed on a month's loan from Wigan Athletic in October, a move made permanent when he signed a two-and-a-half year contract in December. He started his career as a trainee with Newcastle United but had to wait until a move to Stockport County to make his professional debut. Further transfers to Wolves and Wigan followed and he played a key role in the Latics' Division Two title-winning campaign in 2002/03.

TOMMY DOHERTY

Progressed through the youth ranks to make his first-team debut aged 17 in December 1996 and was a regular in City's Second Division promotion-winning side the following season. His no-nonsense performances have since made him a fans favourite - he was voted Supporters Club Player Of The Year in 2003/04. Capped eight times by Northern Ireland, for whom he qualifies through his grandfather.

MARC GOODFELLOW

Left-footed winger who arrived from Stoke City in January 2004 for an initial £50,000 fee rising to £100,000 depending on performance, signing a two-and-a-half year contract. A versa-

tile player, he can play on either flank and also up front. Scored the winner on his debut as a substitute at Notts County, and also netted on his full debut at home to Chesterfield. Has played on loan for Port Vale and Swansea City so far this season.

CRAIG LOXTON

Central midfielder who is in his first year as a professional after progressing through the club's Academy. A regular for the reserves last season

SCOTT MURRAY

Popular right winger and club captain who was a transfer deadline day signing from Reading in March 2004, signing a three-year deal as he returned for a second spell at the club with whom he scored 61 goals in 271 games between 1997-2003.

He first arrived at Ashton Gate in a £150,000 transfer from Aston Villa in December 1997 and enjoyed his best season to date in 2002/03 when he netted 26 goals and was voted Player Of The Season by

the Supporters Club after City lifted the LDV Vans Trophy and finished third in Division Two. Capped by Scotland at B level, he started his career with Fraserburgh before moving to Aston Villa in a £35,000 deal in March 1994. Despite a £650,000 transfer to the Madejski Stadium in the summer 2003, he fell out of favour after manager Alan Pardew left to join West Ham.

BRADLEY ORR

Midfielder who was signed on a free transfer from Newcastle United in the summer of 2004. Began his career with Everton before moving to St James Park where he skippered the club's reserve side. Made his professional debut in the opening game of the 2004/05 season.

LUKE WILKSHIRE

Australian international midfielder, who signed for City from Premiership side Middlesbrough in July 2003 for a fee of £250,000. Can play across midfield, but has started mainly on the left this season. Capped three times by Australia, whom he also represented in the 2004 Olympic Games.

STRIKERS

STEVE BROOKER

Signed on a three-and-a-half year deal potentially worth up to £225,000 in September 2004. Started his career as a trainee with Watford before moving to Port Vale, where he spent just over four seasons, winning a LDV Vans Trophy winners medal in 2001. Describes himself as a "targetman" and was bought by Brian Tinnion to fulfill that role.

DAVE COTTERILL

A product of the club's Academy, for whom he was leading scorer in the 2003/04 season. Capped by Wales at Under-19 level, he made his City debut in the home game against Colchester United in October aged just 16 years and 330 days. Signed a professional contract in December, keeping him at Ashton Gate until the summer of 2007.

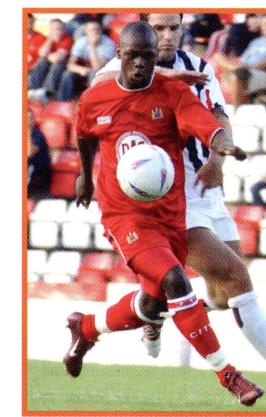

STEVEN GILLESPIE

Forward who was Danny Wilson's final signing as City manager when he arrived at Ashton Gate in May 2004, after being released by Liverpool. Had impressed on trial, scoring seven times in three games for the club's reserve side. Played alongside Euro 2004 Golden Boot winner Milan Baros whilst at Anfield. Made his City debut as a substitute in a League game at Bournemouth in August 2004. Scored four goals in five games on loan for Cheltenham Town in January/February 2005.

PAUL HEFFERNAN

Striker who was a £150,000 signing from Notts County in June 2004; although he was out-of-contract, City had to pay a compensation fee as he was aged under 24. Brian Tinnion's first signing as manager started his career with Irish club Newtown before moving to Meadow Lane in October 1999, netting 21 times for the Magpies during their 2002/03 relegation season. Scored his first goal for City against Stockport in September 2004.

LERoy LITA

England Under-21 international striker who was a prolific scorer for the reserves and Academy sides before being fast-tracked into the senior set-up, making his senior debut in August 2002. Spotted by City's Academy after being released by Premiership side Chelsea and signed a professional contract in March 2003. Voted Supporters Club Young Player Of The Year in 2003/04. CLUB CAPTAIN

LAST WEEKS performance against Port Vale was obviously disappointing for everyone and brought to an end our 14 match unbeaten run. Perhaps the result is a kick up the backside we may need because we had won four on the trot but it is now up to us to start a new run of unbeaten results and respond from that defeat in a positive way

It probably was our worst performance of the season but it's been a long time since we haven't performed in a game. We got in front early on through Kevin Foley's goal but we didn't start particularly well and in the end I felt we just didn't perform on the afternoon.

The result at Vale Park is probably a reminder to us that we can't take liberties and we cannot take things for granted. There are no easy games in this division and every team is looking to beat us because of our position in the league.

Prior to our trip to Port Vale, we earlier in the week entertained Walsall. It was a tough game but I felt we played well in the first-half. We created some good chances and were unlucky not to take any.

The second-half fell a bit flat but, just like the Hull game, we kept plugging away and kept battling. Brkovic put a great ball in which led to the penalty and Chris Coyne, in my opinion, was fouled. I have heard people say that it was a penalty and some say it wasn't but their player certainly shoved Chris in the back.

It was a good all round solid per-

formance even though it was frustrating at times. The lads and the manager were OK for me to take the spot kick. I was always 100 per cent confident despite my miss at Bradford and I was just glad that the goalkeeper went the wrong way this time.

You have to give a bit of credit to Walsall because they played better in the second-half. We are certainly finding that teams are coming to Kenilworth Road to frustrate us and play with one man up front but we have shown that if we keep battling away then anything can happen.

All the lads are hoping that Steve Robinson will be back with us soon. He was substituted at half-time against Walsall because of a groin injury and although he will obviously be missed, it now gives a chance for someone to come in and stake a claim.

We now have back-to-back home games coming up and this represents a good chance for us to get back to winning ways. All these matches are big games as we approach the end of the season and it's now up to us to try and put together a string of winning results, which will lead us to promotion.

HATTERS HISTORY

LUTON MANAGER Harry Haslam saw all his hopes, plans and ambitions for a successful 1973/74 season shot to pieces when the Hatters went down 0-4 at Nottingham Forest on the opening day of the new campaign.

It was back to the drawing board for Haslam and what was said on the practice pitch over the next seven days has never been revealed but it seemed to work as poor Carlisle, the visitors to Kenilworth Road on the following Saturday, were thrashed 6-1.

Next up for the resurgent Town were Bristol City at Ashton Gate where the home side had started the season in sparkling form, boasting a 100% record with no goals conceded.

The sun-soaked crowd of 12,208 looked on in amazement as the Hatters shattered this proud record within three minutes. Firstly a cross from winger John Aston eluded everyone before close season signing Tom Finney dummied over the ball sending Ray Cashley in the City goal diving the wrong way. Straight after, a break through the middle by Barry Butlin ended with the big striker squaring the ball to John Ryan who blasted home from inside the area.

City had been badly stung and fought back with a purpose but Bobby Gould missed a glorious opportunity to put Robins back into contention before eventually finding the net when converting a spot-kick just before the interval after being brought down by Hatters full-back Don Shanks.

Luton supporters felt that City would come out for the second half with all guns blazing but it was the Town who made the game safe when Finney netted in the 47th minute leaving the rest of the match to be played out at barely quarter pace as the players gasped for breath in the fierce heat.

The weather was decidedly different when the return match took place in late December and so was the Town's form. Although we were still

Peter Anderson heads home against City in December 1973.

clinging on to third spot we were one of a cluster of clubs behind runaway leaders Middlesbrough who were all intent on throwing away promotion due to inconsistency.

It needed a team to put a good run together and the Town had a brilliant opportunity to set such a run going with City not having won in six outings. As it turned out the Hatters put on a display of superb attacking football but were unable to turn their superiority into goals. Peter Anderson, who on his day was one of the best midfield players in the country, ran the show but all his promptings came to nothing as the forwards were thwarted time and again by Len Bond in the Robins goal who was playing a blinder.

Frustrated by all this, Anderson decided to show his team mates how to score and netted with a brilliant header after getting on the end of a free kick from Bobby Thomson.

City came into the game late on but the points were always destined for the Hatters as they stuttered and stumbled on their way to eventual promotion.

PREDICTION COMPETITION

For the second week on the spin, it was another good display from the supporters and the players in our latest round of the prediction competition. Supporter David Gover not only edged out defender Chris Coyne but beat his son by a point from the previous week. The standings currently see the supporters close the gap on the players to

just two points whilst the staff and the press are locked in a dead heat for third spot. Peter Holmes is next up for the players as they try to extend their lead with the Tranmere and Hull game making interesting reading across our predictions for this week.

YOUR QUESTION'S

Kevin Nicholls opens up a new feature in this afternoon's matchday programme where we give you the opportunity to put a question for a Luton player picked out at random. The Hatters skipper came into the media office this week to browse through the questions you sent him via our official club website and now you can read his answers.

In the run-up to the end of the season, we will pick a player out from random and ask for your questions. If you want to take part then look out for the next player to step into the spotlight by logging onto the official club website on Monday and email your question to us.

Q: When you were a boy, who was your favourite player?

Tom Skinner, Sandy, Bedfordshire

A: I am a huge admirer of Roy Keane and the job he is doing at Manchester United. He is a fantastic player to watch and covers every blade of grass on the pitch. I like the way he plays and the way he can pick the team up and rally them around. What he has achieved at Old Trafford is a marvellous record.

Q: Do you have any superstitions before the start of a game?

Andy Watts, Houghton Regis

A: Not really. I know a few players have got these traditions and a certain routine they go through but I'm not one of those.

Q: With all the distractions and hype involved, what is your mental approach prior to taking a penalty?

Maurice Woodcroft, Newport, South Wales

A: To be perfectly honest when I know that we have been awarded a penalty I just head over to the ball, pick it up and place it on the spot. Usually some players will argue the decision with an official but I try not to let that bother me. I try to remain focused on the spot kick and nine times out of ten have I already made my mind up as to which side I'm going to strike the ball.

Q: With pretty much the same squad as last year – what's making the crucial difference this year's that has improved both performances on the pitch and results to the extent that we have a real shot at promotion?

Tracy Inwood, Fritwell, Oxon

A: One of the key areas has been our luck with injuries and suspensions in the squad. The team has not been disrupted through long-term injuries and we have only had a few suspension. There has never been a question mark over team spirit – that has always been at the club.

Q: Do you think Luton can win the title this year and how do you think Luton will get on with life in the Championship?

Freya Nicholson, Luton

A: We are all desperate to win the league this season and it would be fantastic for the club. However, nobody is even looking ahead to next season until we are certain that we have won promotion.

Q: If you could manage any football team in the world, who would it be, why and who would you choose as your captain?

Karen Stokes

A: I suppose it would have to be AC Milan. I like to watch a lot of football and they are a side that play good football. Paolo Maldini would be my captain.

Q: Who is the best player you have played with during your time at Luton Town?

John Paul Walker, Edinburgh

A: Matthew Taylor was a decent player and he is an example to the young players at this club of what you can achieve. He was a vital player when we moved out of Division Three and he has a lot of ability on the ball.

Q: If you weren't a footballer, what would you be doing now?

Colin Enlander, Luton

A: I always knew I was going to be a footballer one day.

LUTON TOWN BELLES

RESERVES

The most important match of the season so far brought nearest challengers Belmont United to Luton in a real six-point encounter. United edged the first half and just about deserved their 1-0 half time lead but it was a very different story after the break when Town stormed back. The turning point came when Aimee Barrable was brought on in an unfamiliar left wing role and she soon proved her value by floating in a 25 yard free-kick to equalise. Just minutes later a high cross from skipper Ottie Quince was fumbled by the keeper and Barrable pounced to finish from an acute angle to make it 2-1.

Luton dominated the half and with ten minutes left Rebecca Kane wriggled out of a tight corner to cross for Barrable who timed her run perfectly to complete a 20 minute hat trick and give Belles a 3-1 lead. A late penalty was not enough for United and another two wins from three will secure the league title.

YOUTH

Last weekend several of our youth sides closed in on silverware as we enter the latter stages of the season. All three Under 13 squads were winners and the Sunday team stretched their lead to nine points over Tottenham Hotspur with a 3-0 win over Bedwell Rangers. Lauren Bruton, Jasmine Hall and Chloe Barnes were the scorers. In the Beds league, the Oranges inflicted an 11-2 defeat on second placed Bedford to stretch their lead at the top. Yasmin Hickling was in fine form firing seven of the goals with Danielle Carty, Jade Mansfield, Robyn Britten and Rachel Carter weighing in with the others.

The Under 12's also beat the weather to overcome two difficult away matches at Harpenden and Hemel Hempstead. Leading against Harpenden through a Katie Davis goal they found themselves 2-1 down and rescued their unbeaten league record with a last minute penalty from Kate Harte to earn a 2-2 draw. No such difficulties with Hemel though after an excellent 7-0 win and the goals were shared around by Amber McKenna, Alicia McIntosh, Katie Davis and braces for Leanne Lizaitis and Clare Howe.

Belles will also be represented in the first ever girls U14 County Cup final after they brushed aside Shefford Saints 12-0 in the semi final. Scorers were Brittany Murtagh (5), Micky Taylor (3), Nicky Shepherd (2), Aimee Masterson and Laura Day.

Top goalscorers this week were the Under 15's who went goal crazy firing 17 without reply against Charlton and followed that up with an 11-1 win over St Albans. Prolific striking duo Ann Folan and Nina Hale fired ten and 12 of those goals respectively with Charis Wakefield and Rebecca Dimmock each scoring twice. Bethany Hedges got the pick of the goals and there was a first goal of the season for the ball winner Steff Cowell.

Maise Wyatt fired a superb 20 yard equaliser as the Under 11's came from behind to maintain their unbeaten run with a 1-1 draw against Enfield Town.

MATCHDAY TRAVEL SAVINGS

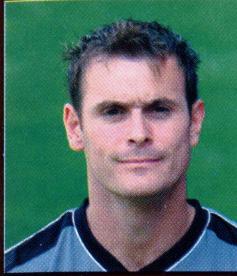

We are pleased to advise supporters that we have teamed up with Arriva Buses and Thameslink in an effort to ease travel to the ground for supporters on a matchday.

With immediate effect Arriva have agreed to offer a 25% discount on the price of an adult single and return fares to all Luton Town season ticket holders and match ticket holders on travel services within the Luton and Dunstable zone on home matchdays. All you have to do is produce your season ticket book or match ticket before you purchase your bus ticket.

Coupled with this, you can use Thameslink CCTV monitored car park at Midland Road (opposite the railway station) for just £1. You can then catch the Arriva 31 bus from the car park to the ground, the nearest stop is outside COGIC in Bury Park. The bus runs frequently and for the return journey you can board the 31 bus at the takeaway shops opposite Ivy Road or from outside Sainsbury's car park.

We would like to thank both Arriva and Thameslink for their help in trying to assist supporters get to ground.

THAMESLINK

MARLON BERESFORD

LAST WEEKS defeat at Port Vale brought to an end a proud 14 match unbeaten run but Hatters goalkeeper Marlon Beresford knows the club are in the best position to quickly put that performance to bed and now establish a new run of positive results until the end of the season.

"When your top of the league it's easy for a group of players to bounce back to winning ways," admitted Beresford. "Know matter whether you have lost the previous week, if you remain top then the confidence is still high."

Beresford has been in inspirational form for Luton this season and has been a key figure in the club's league status. The former Burnley shot-stopper knows that with eleven fixtures remaining, there is still plenty of work for everyone to do, despite the healthy six-point cushion at the top of the league.

This afternoon's fixture represents the first of back-to-back home games against clubs chasing their own promotion ambitions but Beresford believes that there is a confidence amongst the players that they can 'turn teams over'.

Beresford continued: "If you look back at previous games, when we have had a bad result, we have always reacted in the right way and that has shown in the position we are currently in the league.

"The attitude and the application of everyone has been superb so we now need to show that again this afternoon. We didn't really play well at Port Vale and we should have got a result but it was a bad day at the office and we have to move on.

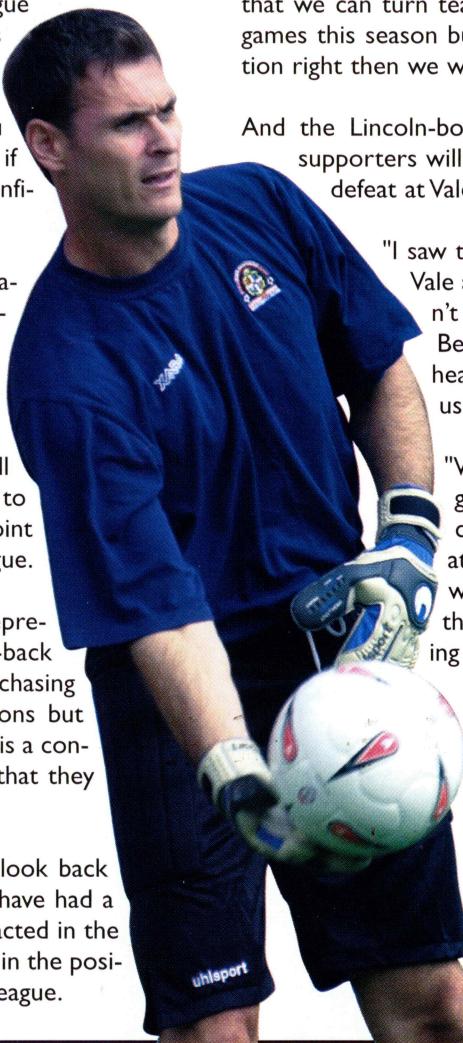

"Confidence is still high and we have the belief that we can turn teams over. There are no easy games this season but if we set out our application right then we will always get results."

And the Lincoln-born player knows the club's supporters will not lost heart following the defeat at Vale Park.

"I saw the reception we got at Port Vale after the game when we didn't play particularly well," added Beresford. "They were not disheartened and they applauded us which was good to see."

"We all move on to the next game together. It's the old cliché that we take one game at a time. We know if we can win this afternoon it takes us that one step closer to reaching our goal."

"Our first aim has to be to secure promotion, lets get that out of the way first because then we can think about what we all want and that is for us to win the league."

HATTERS RESERVES

HAVING BEEN without a reserve team game for over a month, Brian Stein saw his side return to action during the week when Wycombe Wanderers kindly accepted to provide the opposition for a friendly game.

A brace from Calvin Andrew plus strikes from Danny Stevens and Enoch Showunmi sealed a 4-3 win for the Hatters in a game which saw the return of midfielder Paul Underwood, his first taste of action for over a month since picking up a hamstring injury.

Stein said: "It was a very open game which we played on the training ground due to the cold weather during the week. The 4-3 result suggests that we defended poorly but played good attacking football and that is exactly how the game panned out.

"It had been a while since many of the players had been in action having not had a reserve game for over four weeks and players such as David Bayliss, Stephen O'Leary, Lee Mansell and many others needed a game under their belts.

"It's important that these players have consistent matches and was one of the reasons why the reserve side was introduced back to the club. These games do serve a purpose and it is important for the players to keep match sharp."

"It was good to see Paul Underwood play 45 minutes of action since picking up a hamstring injury and he came through the game with no problems. Hamstrings can be funny injuries so it's important we don't rush Paul back into action and have him out for longer.

"From an attacking perspective we looked sharp and scored a fantastic fourth goal. Dave Bayliss played a 40-yard ball to Lee Mansell on the left who delivered a perfect cross for Calvin Andrew to score from close range.

"Overall, I was just generally disappointed with the way we defended in the game because we

were pegged back when we were in front."

The reserves are scheduled to be back in action on Wednesday when the Hatters make the trip to Crawley Town. A report from this game can be found inside our next matchday programme.

TODAY'S QUESTION

Which current Luton player
scored a 90th minute winner
in last season's 3-2 win over
Bristol City at Kenilworth
Road?

HATTERS YOUTH

OUR MOST recent fixture against Cambridge United saw us play out an even game, much like the previous week when we slipped to a defeat by Queens Park Rangers.

The lads started really well for the opening 20 minutes and we looked comfortable on the ball. We were unfortunate when Cambridge gained a penalty, slightly against the run of play, but we could have no complaints about the spot kick.

The penalty changed the face of the game and when they went one goal up, Cambridge started to play some good football. I wasn't too displeased with the lads because we were playing well and their attitude was right.

In the second-half the lads responded in a positive manner but we had nothing to show for our efforts. We got a penalty ourselves which we converted and we continued to stay in control of the game.

What pleased me was that we continued to play good football and when we slipped behind for the second time we were somewhat unfortunate because they scored as good a goal I have seen all season.

To our credit, the lads showed great team spirit to get themselves back on level terms for the second time through Danny Stevens and with our equaliser, the game could have gone either way.

It was unfortunate for us that they go and get the winner with three minutes remaining but, much like our previous game, I wasn't displeased as we

played some excellent football against a good Cambridge side.

I have said to the boys that we are playing in the top Merit league and in our two opening games we have played we have always been in with a shout of taking something from the match.

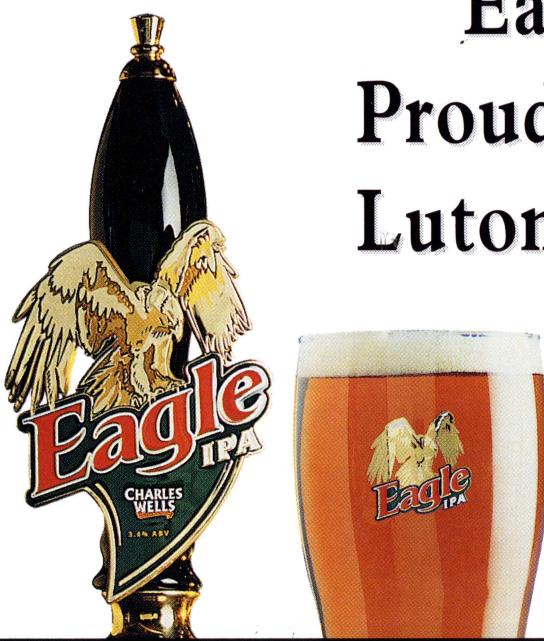

I'm not displeased with the lads and they should take a lot of heart from their performances. The only thing which is missing now is the result but in the long run it's all about producing players for the future and if they keep playing the way they are then I haven't got much worries that results will eventually pick up.

TRAVEL INFO

HOW TO GET TO OLDHAM ATHLETIC

By Road: To reach Boundary Park you need to leave the M62 at junction 20. The M62 can be reached via the M6 (Junction 21A) or the M1 (Junction 42). Once you have left junction 20 of the M62 you need to take the A627 (M) towards Oldham. After 2.5 miles at the large roundabout with A627/A663 take the long slip road to your left.

As you approach the roundabout you will find on your left a McDonalds and a KFC. For the club car park take the first exit off the roundabout onto Broadway (signposted Royton A633). Through the first set of traffic lights and the turn first right onto Hilbre Avenue. Then straight on into the fair sized club car park. The away fans stand is to your left. When you turn off Broadway into Hilbre Avenue there are some side streets on which you can park.

By Rail: There are two stations that you could use to get to Boundary Park, Oldham Werneth or Mill Hills. These stations are served by North West Trains on the Oldham Rochdale loop.

Parking: There is a large car park at the rear of the Lookers Stand.

Around the Ground: There is now a retail park just as you come off the A627 (M) towards the ground. Here you can find, Pizza Hut, McDonalds, Burger King and Kentucky Fried Chicken.

Visiting supporters: Away fans are housed in the Rochdale Road Stand at one end of the ground. The facilities in this newish stand are good, with a number of food outlets.

Where to drink: There is a pub 'The Clayton Arms' on one corner of the ground. This small comfortable pub serves Lees beers, reasonably priced food and has a large screen to show SKY Television. It gets extremely busy on matchdays.

By Coach with Town on Tour: Leaving Maple Road at 10:00am, with a pick up at Milton Keynes at approximately 10:30am. The fare for LTSC members is £17, £15 concessions and £19 for non-members. COMING NEXT

Another team with promotion aspirations come to Kenilworth Road next week as Swindon Town make the visit.

The Wiltshire club lie just outside the play-offs and will be hoping to make it second time lucky after failing to win promotion last season via the same system.

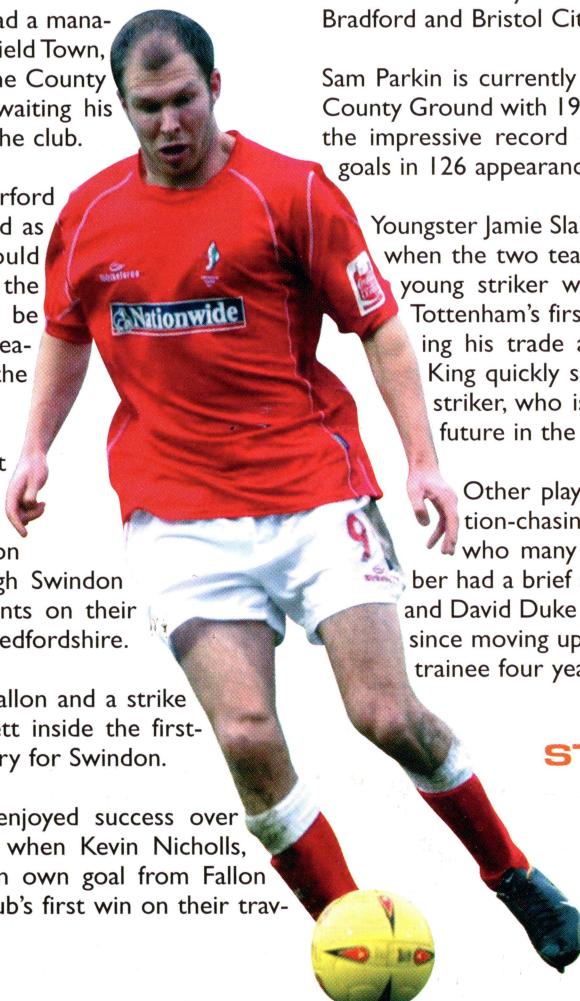

Andy King, who has had a managerial spell with Mansfield Town, is in his fifth year at the County Ground and is still awaiting his first promotion with the club.

The arrival of Mick Harford to the County Ground as King's assistant should add extra spice to the game, as Luton will be hoping to continue a reasonable record over the Robins.

In nine of the last encounters between the two side's, Luton have enjoyed success on five occasions although Swindon did gain all three points on their most recent visit to Bedfordshire.

A brace from Rory Fallon and a strike from Matthew Hewlett inside the first-half sealed a 3-0 victory for Swindon.

Luton have already enjoyed success over Swindon this season when Kevin Nicholls, Steve Howard and an own goal from Fallon contributed to the club's first win on their travels.

STEVEN DOVE

Sam Parkin

If Swindon avoid defeat against Bournemouth this afternoon, the Robins will go into next weeks fixture on the back of seven games without defeat which has included wins over Stockport, Barnsley and Port Vale.

On their travels, Swindon have found life tough with only five wins from 18 games although they have tasted victory over promotion-chasing sides Bradford and Bristol City.

Sam Parkin is currently the man on form at the County Ground with 19 goals this season and has the impressive record of scoring record of 68 goals in 126 appearances.

Youngster Jamie Slabber is also one to watch when the two teams meet next week. The young striker was unable to break into Tottenham's first team squad after learning his trade at White Hart Lane and King quickly snapped up the promising striker, who is tipped to have a bright future in the game.

Other players in Swindon's promotion-chasing side are Sammy Igoe, who many Luton fans may remember had a brief spell at Kenilworth Road, and David Duke who has been impressive since moving up to the senior squad as a trainee four years ago.
