WELCOME EVERYONE TO KENILWORTH ROAD

KEVIN

BLACKWELL

GOOD afternoon and a warm welcome back to Kenilworth Road, for our last home game of 2007.

Today we welcome Tranmere Rovers, and I would like to extend warm greetings to Ronnie Moore, his players and staff.

Tranmere had an excellent start to the season and although they have faltered in recent weeks, we know from our trip to Prenton Park earlier in the campaign that they play good football and have a decent squad.

I'm sure supporters will know how disappointed I was that we couldn't come away with anything from our trip to Cheltenham.

I was angry, not with my players, but because we had dominated another game away from home and had come away with nothing.

Fair play to the Cheltenham goalkeeper, he was terrific that night, and made three or four great saves, but it was just frustrating for the boys to have to get back on the bus and go home with nothing because they didn't deserve that.

But despite our disappointment, I have been very pleased once again with the response from the players during training this week.

We have lost the services of Marc

Wilson this week, due to our current administration situation.

It's particularly frustrating that we were not in a position to have extended Marc's loan period with us.

I understand we have got to be punished, but it seems as the Football League are showing no compassion

“ It's particularly frustrating that we are were not in a position to have extended Marc Wilson's loan period with us ”

whatsoever as we try to keep this club alive.

However, on the positive side, I am hoping to have Jaroslaw Fojut and David Bell available for selection this afternoon.

The Cheltenham game came too early for them, which was bitterly disappointing because Jaric has been a colossus for us and Belly played very well against Forest.

Supporters will have read in the local press that the Club has received bids for some of our players.

Unfortunately when you are in this position you are vulnerable to cheeky bids. If you look at bankrupt stock, that's when you try to get a bargain.

At the moment I don't run this football club. I can only try to affect what happens on the football pitch. It's about the running of the club at the moment. Football is secondary.

I would finally like to wish all supporters a Merry Christmas and a Happy New Year.

Christmas is often a busy period for everyone at the Football Club, and the part that you play doesn't go unnoticed.

We appreciate the support you give us and we will be doing our utmost to send you home happy this afternoon.

Enjoy the game

THE CAPTAIN

Welcome back to Kenilworth Road this afternoon as we prepare for our first of five games over the space 16 days.

Christmas is always a busy time of the year for everyone involved at the Club, and a good time for us to string some results together.

I know supporters will have one eye on our FA Cup tie against Liverpool, but before then we have four equally important games and a chance to move back up the League One table.

The defeat against Cheltenham last week was particularly disappointing because we felt we had done enough to get something from the game.

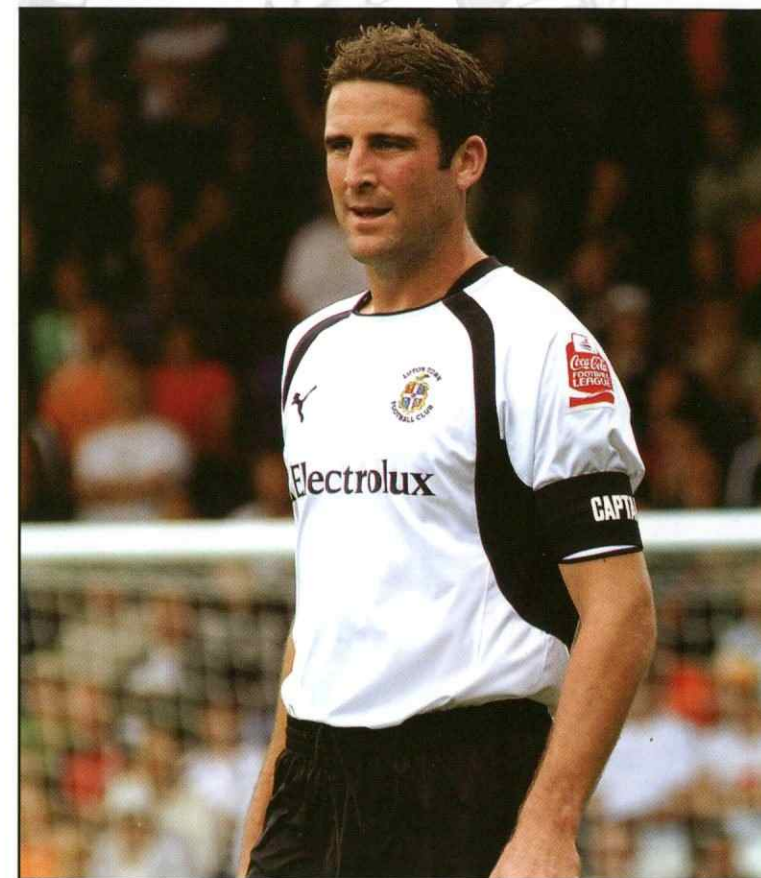

We played some great football in the first-half and we came up against one of those performances from a goal-keeper when everything went his way.

Springy twice had goal bound efforts saved and then the chance from Calvin Andrew right at the death looked in from the moment it left his head. Unfortunately, we just couldn't get that breakthrough.

We were thoroughly disappointed with the result at Cheltenham, but if we can continue to perform like we did then results will come.

It's a run of results that we need to put right quickly if we are going to pull away from trouble this season.

Today represents another tough fixture for us, but our home form has continued to be good so we go into this game in confident mood.

Today represents another tough fixture for us, but our home form has continued to be good so we go into this game in confident mood

Some of the players recently went to the Luton and Dunstable Hospital to give Christmas presents to the children, who will unfortunately not be at their homes at this time of the year.

It's often a visit that is very popular amongst the squad, and we were delighted that we were able to offer our support and put a smile on the children's faces.

Finally, I would like to wish all supporters a Merry Christmas, and a Happy New Year.

Your support has been greatly appreciated by everyone at the Club, and we hope you continue to stick with us beyond these current tough times.

Enjoy the game

CLUB SECRETARY

FIRSTLY, a warm welcome to our last match before Christmas and in particular to The Salvation Army Band who are, as always at this time of year here to entertain us before the match and at half-time. Our sincere thanks to them for their support today.

The Rotary Club of Luton are also here today collecting for the Mayor of Luton's Christmas Appeal which this year is for the Pasque Charity.

We have been able to re-arrange our outstanding Cola-Cola League One matches and they will now be played as follows.

Our fixture with A.F.C. Bournemouth, which was originally scheduled for Saturday January 5 – was postponed due to our Third Round FA Cup tie with Liverpool on Sunday January 6. We will now play away at A.F.C.

Bournemouth on Tuesday January 22, 2008 with a 7:45pm kick-off.

Meanwhile, our home match with Millwall, which was postponed on Saturday December 8, will now be played on Tuesday February 26, kick-off 7.45pm. All tickets issued for the original date of the Millwall match will be valid for the new date.

Another re-arranged match is our home Pontin's Combination League fixture with Milton Keynes, this one being postponed from November 27, (FA Cup re-play with Brentford) and will now be played here at Kenilworth Road on Tuesday April 15, 2008.

Last week the Manager and I attended the Barnfield College Awards evening and congratulations are due to Ross Faulds, who won the Barnfield College Luton Town

Football Club Apprentice of the Year Award for his attitude and determination at college.

Supporters will be aware that season ticket holders have until the close of business today to claim their seats for the Third Round FA Cup tie with Liverpool.

Once we have had an opportunity to deal with the remaining postal applications we will advise supporters via the club website if there will be any tickets remaining for sale. Any announcement would be made on December 27.

Finally, a very Happy Christmas to everyone and I expect, like me, all you really want is lots of points!

Enjoy the game.

Luton players spread the Christmas joy

Luton players helped spread a little Christmas joy recently when they took gifts to the children at the Luton and Dunstable Hospital.

A selection of toys were kindly donated by the Luton Arndale based Debenhams store and the players were happy to visit and speak to the children and their families.

The visit to the Luton and Dunstable Hospital is a yearly occurrence for the Hatters squad, and skipper Chris Coyne was pleased they were able to put a smile on the children's faces.

He said: "This is the one visit of the year which is always popular amongst the players. We are always happy to play our part in helping to bring some joy to the children.

"There is a lot of hard work and dedication from the staff that goes into making the children's Christmas as special as possible, so we like to do what we can to help."

Luton Town Football Club would like to thank Debenhams for their kind generosity in providing gifts for this hospital visit.

SUPPORTERS STATEMENT

FROM THE FANS

Collective statement from Luton's supporters groups

TO all FANS,

This is a collective statement on behalf of Luton Town Supporters Club, Trust in Luton and Loyal Luton Supporters Club.

The announcement made on Thursday November 22, 2007 that Luton Town Football Club was going into administration once again, and were to be immediately docked ten points, was disappointing, especially given the enormous effort historically made by fans in rescuing the Club when faced with similar circumstances.

This has no doubt caused some unrest among fans, although we

are pleased to hear that David Pinkney will continue to fund operating costs until the end of the year when bids for the Club are due in to the Administrator, Brendan Guilfoyle.

During these uncertain times all three Supporters Groups are 100% behind the Football Club and urge all fans to come together as one, prolong the magnificent support shown last Saturday and continue to get fully behind the team and management staff. Furthermore we also encourage everyone to continue their financial support, whether it be by purchase of matchday ticket, merchandise or

associated lottery tickets etc.

We will be holding a joint meeting in the short-term with Brendan Guilfoyle to make a representation on behalf of the fans.

In all our minds there is no greater football club than the one we all passionately support and long may that continue.

The Tranmere story from 1884 Beginnings

When Lyndhurst Wanderers and Belmont Cricket Club came together, Belmont FC was formed and under the presidency of James McGaul, the Club won its first match against Brunswick Rovers 4-0 on November 15, 1884. Less than one year later the Club changed its name to Tranmere Rovers Football Club and took to the pitch in blue shirts and white shorts at Steeles Field on Borough Road, Birkenhead.

Top player

John Aldridge is still regarded by many Tranmere supporters as the Club's best ever purchase. He arrived in July 1991 from Real Sociedad and scored 40 goals in his first season at Prenton Park. In 1996,

Aldridge became player-manager of Tranmere, finally giving up playing and concentrating on management two years later. As a player, he amassed 294 appearances for the Birkenhead club, scoring 174 goals.

Top manager

John King is widely regarded as the most successful manager ever to take charge of Tranmere Rovers. He was appointed manager for a second time towards the end of the 1986-87 season, with the club fighting not to finish bottom of the fourth division and be relegated from the Football League. Safety was guaranteed in the last game of the season and went on to enjoy huge success, as they reached Wembley and promotion from Division Four.

Top game

Bolton 0-1 Tranmere Rovers
Division Three Play-Off Final, May 1, 1991

After coming through a difficult test against Brentford in the semi-final stages of the play-offs, Tranmere Rovers were feeling confident on gaining promotion against local rivals Bolton Wanderers. With neither side able to break the deadlock in normal time, Chris Malkin's extra time goal saw the club promoted to the Second Division for the first time since the 1930s.

INA season that promised so much, Tranmere Rovers are seeing their faltering form hinder their charge for promotion.

Rovers made an impressive start to the campaign when they scored victories against Carlisle United, Brighton and Luton to move into the automatic promotion places.

However, a slump in form has alarmingly seen Rovers slide down the League One table at a considerable rate.

Just one win in Tranmere's previous seven League One fixtures means the Birkenhead club have dropped to 11th in the table.

But don't write off Tranmere's promotion push just yet. They are only four points off the play-off pack and in Ronnie Moore, they have one of the most experienced managers at this level.

The former Rotherham and Oldham boss, who is in his second stint in charge at Prenton Park, is certainly not writing off his side's chances of making a serious challenge for promotion.

Speaking on the Club's official website, Moore said this week: "We're four points off the Play Offs with it all to play for."

"We've got four games in just over ten days, so we know that we have to be a little lucky with injuries."

Tranmere have also got a talented squad of players amongst their ranks, such as Chris Greenacre.

And although Greenacre, who made his name at Mansfield Town, may have grabbed

the headlines this season, he will owe a lot to his strike partner, Gareth Taylor, as they continue to develop what is proving a productive combination up front.

The pair were both briefly on the books of Manchester City at the same time and both have seen their careers prosper since leaving Maine Road.

HOME SWEET HOME: Tranmere's Prenton Park stadium was home to rugby in the area

Tranmere have the foundations in place to mount a serious charge for promotion this season and boss Ronnie Moore is throwing down the challenge to his players

McLaren, who arrived at Prenton Park via spells at Sheffield Wednesday and Rotherham United and that also boasts tricky diminutive winger Chris Shuker.

At the back, long serving defender Ian Goodison has been ever present in the league this season and continues to marshal the line effectively. The former Jamaican international now has over 150 appearances to his name, since arriving in February 2004.

The foundations are certainly in place at Rovers and supporters will no doubt be looking for a huge push towards the Championship this season.

PRENTON Park was built in 1912 and was previously owned by the Tranmere Rugby Club. The ground, which was previously called Ravenshaws Field, currently holds 16,789. During 1994 and 1995, three sides of the ground were redeveloped with three entirely new all-seater stands created - the Borough Road stand, the Cowshed and the new Kop. MAX TYLER

Tranmere Rovers supporter

How has this season gone?

Well the start of the season was brilliant. We were going well and looked in good shape for a challenge on the automatic promotion. We have slipped down the table a bit in recent weeks, but I still think we have enough in the squad to be there, or thereabouts, come the end of the season. We just have to be lucky with injuries.

What are Tranmere's aims?

It has to be promotion. We were disappointed not to really be in the thick of the play-off contingent last season, so we need to be in the top six this time around. Ronnie Moore has got great experience at this level and Tranmere fans are confident he can bring out the best in our current squad of players.

Who is your key signing?

Jennison Myrie-Williams has looked good for us since arriving from Bristol City, but I have been most impressed with Andy Taylor. He has looked solid in defence and been a great addition for us since arriving on-loan from Blackburn Rovers in November.

Who will be your star players?

I'm a big fan of Chris Greenacre and he has already scored eight times this season. He will certainly be one to watch this afternoon, because he has plenty of pace to get behind the opposition defence. Ian Goodison is also an important player for us. He is someone with a lot of experience and has enjoyed a good season for us so far.

Who will win League One?

I have been impressed by Swansea. They look to have a very good side and I expect them to be in the top two. Then I think it is one from a number of teams. Leeds, Carlisle and Nottingham Forest are all with a shout. Yeovil would be my outside bet for automatic promotion.

THE KEY MEN FOR

THE SKIPPER: 15 IAN GOODISON

Joined Tranmere in February 2004 under Brian Little and was an instant success at the heart of the defence. The former Jamaican international has since played more than 150 times for Tranmere and became team captain in the 2006-07 season. He was rewarded for a string of Man of the Match awards with a new two-and-a-half year contract in November 2006 and went on to become the Fans' Player of the Season. He made his debut for Jamaica in 1996 against Guatemala and immediately scored his first international goal. In 1998 he played in the FIFA World Cup and has gone on to make over 100 appearances for his country.

KEEPERS

1 DANNY COYNE:

Signed a two-year contract in July 2007. This Welsh international goalkeeper returned to Prenton Park for a second spell, having made more than

100 appearances between 1992 and 1999. After leaving Tranmere in 1999, Coyne made more than 200 appearances for Grimsby Town. He then played for Leicester City in the Premiership before moving to Burnley in 2004.

SAFE HANDS...Coyne

13 SHANE

MCWEENEY: A second year Youth Scholar, who has been an unused substitute several times for the first team in the absence of either John Achterberg or Danny Coyne. He has been a regular in both the Reserves and Youth team since joining Rovers during the 2006-07 season.

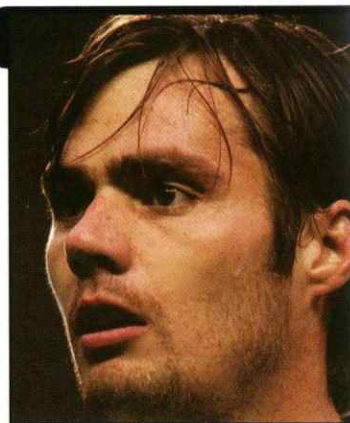

24 JOHN ACHTERBERG: Arrived at Rovers in September 1998, the Dutchman has made more than 250 appearances for the Club and has been the first choice keeper of four different managers. Signed from FC Utrecht in Holland after impressing during a two week trial, Achterberg was named Rovers' Players' Player of the Season in both the 2002-03 and 2003-04 seasons. He joined Rovers on a free transfer as a replacement for Everton-bound Steve Simonsen and was thrown straight into the first team due to a groin injury to Danny Coyne.

TRANMERE

TOP SCORER: 10 CHRIS GREENACRE

10 CHRIS GREENACRE: Currently in his third season at Tranmere Rovers, having signed in July 2005 on a two year contract from Stoke City, Chris scored 37 goals in his first two seasons which earned him a new two year deal in April 2007. He began his career at Manchester City and stayed at Maine Road for five seasons. After being loaned out to Cardiff City and Blackpool, he moved to Mansfield in 1999. He finished leading scorer in Division Three two seasons later, a feat that saw him quickly snapped up by Stoke. But after being played out of position for three seasons at the Britannia Stadium, Greenacre moved to Prenton Park, and scored 18 goals in his first season with the Club.

THE STRIKERS

8 CALVIN ZOLA: A former Newcastle United striker who is a huge favourite at Prenton Park. The striker spent time on-loan at Oldham during the 2003-04 season, where he made over 20 appearances, scoring six goals.

EXPERIENCE: Taylor

9 GARETH TAYLOR: Arrived from Nottingham Forest in 2006 with 12 international caps for Wales and more than 100 career goals. Began his career at Southampton, but made his first team debut for Bristol Rovers in 1991. Crystal Palace paid £1.25 million for his services in 1995 and after a spell at Sheffield United, he moved to Manchester City. A successful time at Burnley earned him a move to Nottingham Forest, where he has spent the last three years.

19 STEVE DAVIS: Steve has made more than 50 appearances for Tranmere despite being only 19-years old.

THE MIDFIELDERS

FAMILIAR: McLaren

4 PAUL McLAREN: Rovers beat a number of League One rivals to sign this former Luton midfielder in June 2006. Paul joined from Rotherham where he has spent the previous two seasons and made 76 appearances. Paul started his career at Kenilworth Road in 1993 and stayed with the Hatters until 2001.

7 JOHN MULLIN: A central midfielder who began his career at Burnley in 1992 and was signed by Sunderland for £40,000 three years later. He spent four years in the North East before joining Burnley and was then signed by Rotherham for £150,000 in 2001. He scored five goals in 44 appearances in 2006-07.

12 STEVEN JENNINGS: Risen through the ranks at Tranmere since joining at the age of 14 when he was released by Everton. Steven spent the second half of 2006-07 on loan at Hereford United.

21 MIKE JONES: Signed his first professional contract in April 2006, after he scored 12 goals in all competitions for the Reserves and Youth teams in the 2005-06 season. Mike has been with the Club since the age of 11.

23 CHRIS SHUKER: Signed a two year contract with Tranmere in July 2006, Chris joined from Barnsley where he has spent the last two years. He began his career as a youngster with Manchester City. He moved to Barnsley in April 2004 and helped them gain a promotion to the Championship last season.

THE DEFENDERS

2. ROBBIE STOCKDALE: After working his way through the youth system to the first team at Middlesbrough, Robbie went on to make more than 50 Premiership appearances at the Riverside. He signed for Rotherham in 2004 before joining Hull City in January 2005.

3. CARL TREMARCO: A tough tackling left back, Carl made his first team debut for Rovers in an FA Cup tie against Hornchurch at the age of 18. After making his home debut at the end of the 2004-05 season, he went on to make 19 appearances in 2005-06, mostly at left midfield. He made a further 25 appearances in 2006-07.

5. SHANE SHERRIFF: A left sided player, who has played in the top division in Denmark with Aarhus for the last three years after playing for Leeds United as a trainee from 2001-03. As well as representing Australia at Under-23 level, he was a member of the squad that competed at the 2004 Olympic Games in Athens.

6. ANTHONY KAY: Joined from Barnsley where he made almost 200 appearances. Anthony has played with Barnsley since a schoolboy and was vice captain last season. He can play in the centre or right side of defence and central midfield. He was a key member of the Barnsley squad that gained promotion to the Championship in 2005-06 and scored the winning penalty in the play-off final against Swansea City.

DANGER MAN:

Chris Greenacre will certainly be one to watch this afternoon. The striker enjoyed a successful career at Mansfield Town and is bang in form for Tranmere this season.

FLASHBACK

Luton and Rovers in six goal thriller

**Date: Saturday September 5, 1992
Place: Kenilworth Road**

The Hatters line up at the start of the 1992/93 campaign following relegation from the top flight with Luton Town supporters being left with a feeling of despair after ten years at the top, but as the new season approached fresh optimism filled the air as it always does.

The first game of the new season took the Town to Leicester where the players came away with nothing and in the first home game an Andy Cole inspired Bristol City side ripped the Hatters defence to shreds with quick breakaways that eventually earned them a 3-0 victory.

By the time the next home game came around the Hatters had picked up only one point from four games and it was no surprise therefore when only 6,801 turned up at Kenilworth Road for the first visit of Tranmere Rovers to these parts since 1970.

As it turned out the young Luton side started like a whirlwind and for the first twenty minutes ran rings around the Tranmere defence and did everything but score in a display that has rarely been bettered over the years.

The opening goal that the performance fully deserved came after 21 minutes when Claridge deflected a Phil Gray shot into the net with his chest. Having broken the deadlock it now seemed only a matter of time before a cricket score was racked up, but a slip from John Dreyer six minutes later allowed that wily old campaigner John Aldridge a sniff at goal, and he made no mistake for the equaliser.

The match was turned on its head two minutes later when a through ball from

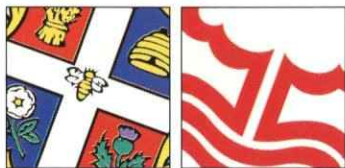

Neil McNab was rifled home by Ian Muir to put the visitors in front, completely against the run of play.

Despite these setbacks the Town players rolled their sleeves up and fought back gamely drawing level after 34 minutes when Des Linton rounded off a move involving Scott Oakes, Jason Rees and Claridge for his first Luton goal, only for Pat Nevin to restore Tranmere's advantage just before the interval.

The second half belonged to the Hatters who felt aggrieved at the false scoreline and after attacking with a will eventually levelled once more when Oakes knocked in a pass from Gray with twenty minutes to go.

Although it was a disappointing result, at least the players had remembered how to score goals and were off the bottom of the table. It could only get better!

FA CUP SECOND ROUND TUESDAY DECEMBER 11, 2007 KENILWORTH STADIUM ATT: 5,758 CELEBRATE... The Hatters celebrate after Calvin Andrew scores the only goal of the game to send them through to the Third Round.

GOAL...Luton striker Calvin Andrew heads home a corner to put the Hatters through to the next round of the FA Cup and secure a game with Liverpool

MANAGER'S VIEW

"The players were fantastic from start to finish. They have been under tremendous pressure to win the game and that is a great prize for their efforts. We created most of the chances, and although their goalkeeper has made some great saves but I feel we deserved to win. We battled when we needed to and made the right decisions at the right times. I have to thank the fans - I thought they were fantastic today. I'm glad we sent them home happy, because they have deserved it. But the Club has now got to go forward. Luton are too good to go down, but now we've got to earn the right to stay up."

Kevin Blackwell

On a cold and icy night at Kenilworth Road, Luton secured a televised game against Liverpool in the FA Cup Third Round thanks to Calvin Andrew's second-half header.

With so much at stake, it was little surprise that the early stages of the match were quite tight, with little in the way of goalmouth action.

A driving run from deep by David Bell forced the first save of the game from Paul Smith after seven minutes.

The Hatters needed just seven minutes of the second period to register their tenth effort on the Forest goal. Luton won a corner which looked to have broken down on the far post when the ball eluded Fojut. However, Spring hooked the ball back to the opposite post where it was met by Andrew's head as he managed to place the ball deftly beyond Smith and into the bottom corner.

It wasn't all one way traffic though as Forest were certainly playing their part in an attractive game of football. Matt Lockwood latched onto the end of a deep cross and hammered a half-volley at Dean Brill after neatly bringing the ball down, but the Hatters' keeper dealt well with the threat.

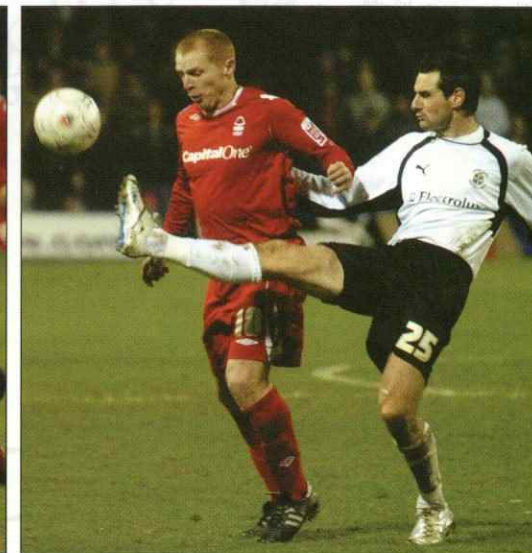

Edwards and Bell then created opportunities for themselves but couldn't find the finish to match their impressive build-up work.

With normal time up soon afterwards, the fourth official indicated a further three minutes of play, and sensing they were nearly there, the Hatters fans who had braved the cold continued to sing their hearts out. As "We are Luton Town" rattled around the ground, the players though kept their focus and played out the final period of the game to set up a second mouth watering tie with Liverpool in front of the television cameras.

THE STATISTICS

SIMON'S STATS

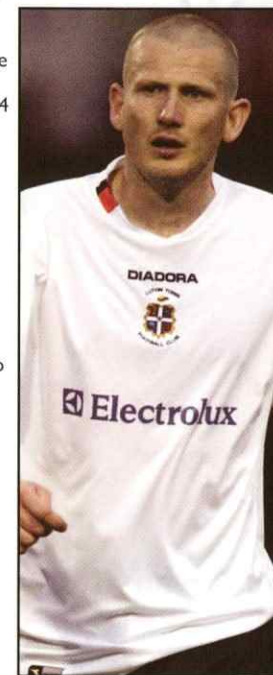

SIMON PITTS finds some fascinating facts about today's teams

12 The number of previous league meetings at Kenilworth Road between the two sides. Luton have won eight, drawn three and lost just once, in 1993/94. The Hatters have scored 24 times, and conceded ten.

6 The most number of goals in this fixture, back in September 1992. Steve Claridge opened the scoring with his first goal for Luton after a summer transfer from Cambridge, but Tranmere scored twice before Des Linton equalised. The visitors took the lead again before the break but Scott Oakes ensured the sides were to share the points when he equalised in the second half.

2 The number of times Luton have failed to score in this fixture. The only defeat, in December 1993, was to a solitary John Aldridge goal despite the Hatters having the better of the match. In April 2003 the match ended goal-less, although the Town battled well for the point after having substitute Adrian Forbes sent off on 32 minutes.

27 The longest number of years between these two sides meeting in the league. The first fixture was in 1938/39, and the Hatters won 3-0 courtesy of goals from George Stephenson, Frederick Roberts, and Hugh Billington. It wasn't until 1966 that the two sides were to feature in a

PENALTY HERO.. Kevin Nicholls

league match at Kenilworth Road again, and once more the Hatters took maximum points in a 2-1 win. John Moore and John O'Rourke were the goalscorers.

1 Just one penalty has been converted by Luton in this fixture, and that was the equalising goal scored by Kevin Nicholls in the 2004/05 season. Dadi had opened the scoring for the visitors, but Luton gained another point towards their final tally of 98, which gave them the League One Championship!

2 The most number of goals scored by a Luton player in this fixture. Tranmere twice took the lead in December 1995 but Dwight Marshall equalised on both occasions, ending a nine week barren spell! Paul McLaren scores his first league goal to give the Hatters victory.

12,965 The biggest attendance for this fixture was back in September 1968. Laurie Sheffield opened the scoring before the visitors equalised against the run of play later in the first half. Luton secured the victory with second half goals from Brian Lewis and Terry Branstion.

Each way movers

1 Just the one player has moved from Tranmere to Luton, and that was John Seasman who featured for the Hatters in just eight games during the mid 1970's. Seasman scored two goals in this time before his move to Millwall.

2 The number of players who have moved to Prenton Park from Kenilworth Road. Both of these transfers were in the 1960's. First was Jimmy "Jock" Weir who moved after 14 appearances and one goal in the 1963/64 season. Three years later and George Yardley followed Weir, but Yardley had just one Luton appearance to his name, against Bradford Park Avenue in October 1966.

**Hatters and
Tranmere past...**

THIS week's **LIFELINE** shows how Luton and Tranmere's fortunes have risen and fallen over the years. Tranmere's high point came in the 1992-1993 season when they finished fourth in the First Division. Their low was in the 1924-25 season when they finished 21st in Division Three North, collecting just 32 points and winning 14 league fixtures. Luton's low point came with a 17th place in Division Four in 1966-67 and their high a top flight 7th place in 1986-87.

Carlisle look at future star

Carlisle are giving a trial to teenage West Ham left-back Joe Widdowson.

The 19-year-old has joined Carlisle for a week.

Carlisle boss John Ward said: "We'll have a look at him and then it's a question of whether we can take it any further."

"We'll see if he likes us and if we like him. He's up here with the full blessing of West Ham and we're looking forward to working with him."

Bates warned over new stadium

Leeds chairman Ken Bates has been warned that his ambitious plans for Elland Road must fall into council proposals.

Those proposals include a concert hall, casino and 2,700 car-parking spaces.

Meanwhile, Bates wants to build two hotels, a club megastore, a covered shopping arcade, a health club, tourist centre and a Leeds United museum.

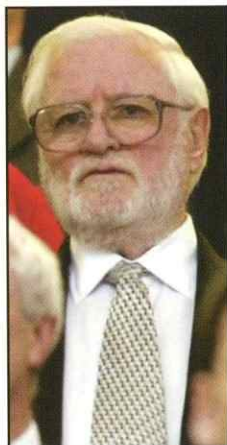

"Our priority is to get the best deal for the council-tax payers of Leeds," said council leader Andrew

Carter.

"We expect that whatever development which may or may not take place at Elland Road - and they must first of all go through the planning process - would be folly if it did not complement the council's plans."

"Our officers have been talking to Mr Bates' representatives for some time and will continue to do so."

Bates announced details of a Chelsea Village-style development at Elland Road in Saturday's match programme.

WARNED... Ken Bates

Townsend out with ear problem

Cheltenham defender Michael Townsend will be out of action until the new year because of an ear problem.

The former Wolves trainee has been suffering with labyrinthitis which affects balance, but has now been given the all clear.

Senior sports therapist Ian Weston said: "We have taken the decision to leave him out completely until the new year."

Feeney struck by lengthy injury setback

Warren Feeney may have played his last game for Swansea after the on-loan Cardiff striker was stretchered off in Saturday's 3-0 win over Southend.

The Northern Ireland international had already headed the Swans ahead before a heavy tackle from Lewis Hunt saw Feeney carried off with ankle ligament damage.

Feeney is likely to be out until the new year, with his four-month loan spell due to expire on 31 December.

"We are very

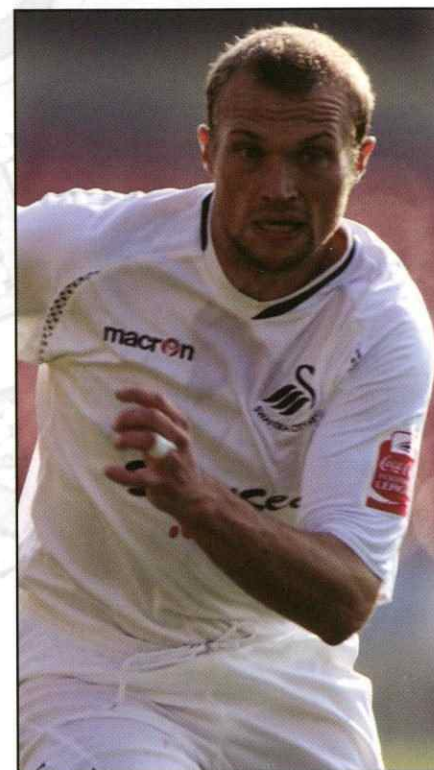

disappointed," said Swans manager Roberto Martinez.

"We were fearing it could have been a fracture and it's only ligament damage, but it's still a medium-term injury."

"We'll have to assess it and see how damaging his injury is."

"Warren did really, really well from the first minute and he was starting to enjoy his football."

Former Bournemouth, Stockport and Luton striker Feeney, 26, started the match at the Liberty Stadium because Jason Scotland failed a late fitness test.

Armstrong welcomes Stimpson

Gillingham defender Craig Armstrong says the club are feeling the benefits of boss Mark Stimpson's new regime.

"He's come in, and brought some really good ideas," Armstrong said.

"Training's picked up - obviously the fitness was an area he really wanted to work on."

"But it keeps us on our toes, and it will improve us come the end of the season as it will help us pick up more valuable points away from home."

Bournemouth have extended the loan deals of Reading trio Scott Golbourne, Alex Pearce and James Henry.

Bristol Rovers boss Paul Trollope has ordered his side not to panic after recent postponements left them just above the League One relegation zone.

Crewe defender George Abbey has stepped up his rehabilitation from a hamstring injury which has kept him out since early November.

The FA has rejected Huddersfield Town's appeal against goalkeeper Matt Glennon's red card at Southend United recently.

Orient striker Adam Boyd has set his sights on scoring 20 goals this season after taking his tally to 11 during a recent win over Cheltenham.

Guy Branston has returned to Peterborough United at the end of his months loan spell at Northampton Town.

Nottingham Forest admit they are no clearer as to when they will have Julian Bennett back from a hamstring injury.

Yeovil Town chairman John Fry said he will relinquish his other position as the club's chief executive.

Walsall boss Richard Money isn't getting carried away by his side's position in the League One table after a 1-1 draw with Leeds on Saturday.

Fitzgerald joins Lions

Gillingham youth team manager Scott Fitzgerald is Millwall's new youth team boss.

He joined the Gills in July but has now replaced Joe Gallen who has taken charge of Millwall's reserves.

"I've been at Gillingham for four months and I loved it and I did have second thoughts about leaving," he said.

Pools lifted by Humphreys scan

Scans have revealed that Hartlepool midfielder Ritchie Humphreys did not break a foot on Saturday at Yeovil.

"It looks as though it's just severe bruising," said manager Danny Wilson.

"Obviously we were concerned but we will continue to assess him during

the week and we're hopeful he'll be all right for Saturday."

The Pools squad is stretched with Jamie McCunnie facing a scan on a knee injury and four others suffering with knocks.

Joel Porter, Tony Sweeney, Andy Monkhouse and Ben Clark are also struggling with injuries.

Cox hit by ban from boss

Brighton boss Dean Wilkins has revealed that Dean Cox missed Saturday's 3-0 win at Swindon because of a breach of club discipline.

"Dean was left out for disciplinary reasons, and that is as far as I will go on that," Wilkins explained.

"I am not going to elaborate on it, but it was a decision I felt needed making."

Stadium plans now get go ahead

Resubmitted plans for the redevelopment of Oldham Athletic's stadium have been approved.

Hundreds of flats, a hotel and a leisure centre will now be built at the Boundary Park site.

The multi-million pound scheme will help finance improvements to the football ground.

Foran extends Darlington stay

Southend United have agreed to extend Richie Foran's loan deal at Darlington for a second month.

The 27-year-old striker's stint with the League Two club was set to expire after the Quakers' game against

Chester last week.

But Southend boss Steve Tilson has allowed Foran to prolong his stay at the Darlington Arena.

The former Motherwell player's new loan agreement with the League Two side expires on 15 January, 2008.

STAYING... Foran

Tudor sent back home

Shrewsbury Town's recent loan signing Shane Tudor has been sent back to Port Vale to get treatment for an injury.

The winger is suffering from a hamstring problem.

"Port Vale think that it is their responsibility to have it checked out and get it right," Shrews' manager Gary Peters said.

Taylor staying on at Rovers

Tranmere have extended Andrew Taylor's loan deal from Blackburn Rovers by one month.

He has made five appearances since joining in November.

Tranmere boss Ronnie Moore said: "I'm delighted we have been able to keep Andy at the Club for another month."

Tozer set for Newcastle

Swindon's Ben Tozer will talk with Newcastle after the Robins accepted a bid from Sam Allardyce's side - the 17-year-old.

The Robins have accepted an initial low six-figure fee, which could rise to £1.1m. Tozer has played seven games for Swindon this season.

Andrew Fitton's consortium want to speak to him to convince him to stay when their takeover is complete but they will not stand in the way of a move.

MANAGERS' VIEW

"If you give any team a start like that then you are always going to have to chase the game. We have dominated a team away from home and we haven't got anything yet again. I am just so angry. I am angry because it was a Mickey Mouse goal.. From then on we have dominated the game, but couldn't find the goal we needed. To be fair the goalkeeper has made three or four great saves, but it is just so frustrating because the boys have to get on the bus on go home with nothing.

Kevin Blackwell

A goal from Andy Lindergaard inside the opening two minutes inflicted Luton's first defeat in eight games against struggling Cheltenham.

It means the Hatters lost vital ground on the relegation threatened teams in League One.

The Hatters did everything in this game apart from finding the back of the net, and were denied on several occasions by the impressive Shane Higgs in the Cheltenham goal.

In the end, Luton couldn't wipe out that early goal, as Lindergaard poked home from close range after the Hatters defence didn't deal with Alan Wright's long throw.

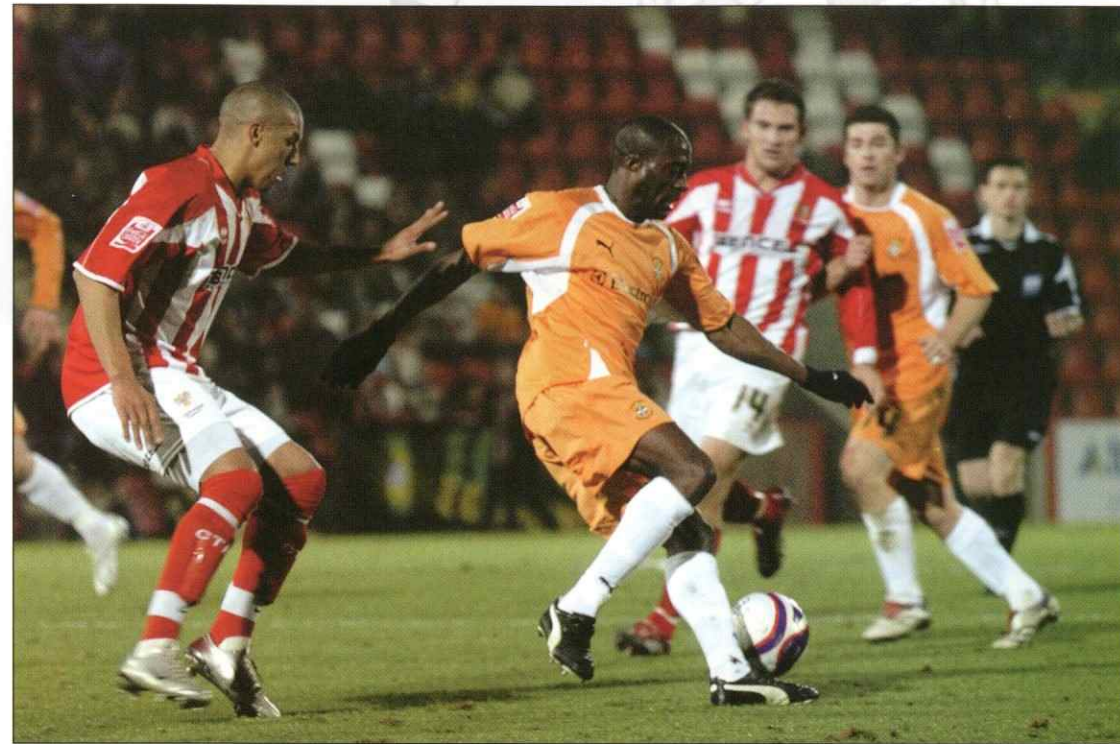

The Hatters certainly had their chances with Matthew Spring twice denied by Higgs and Marc Wilson also going close in the first-half with a bullet header from eight-yards.

Cheltenham failed to really press the Luton goal as keeper Dean Brill enjoyed a relatively quiet night.

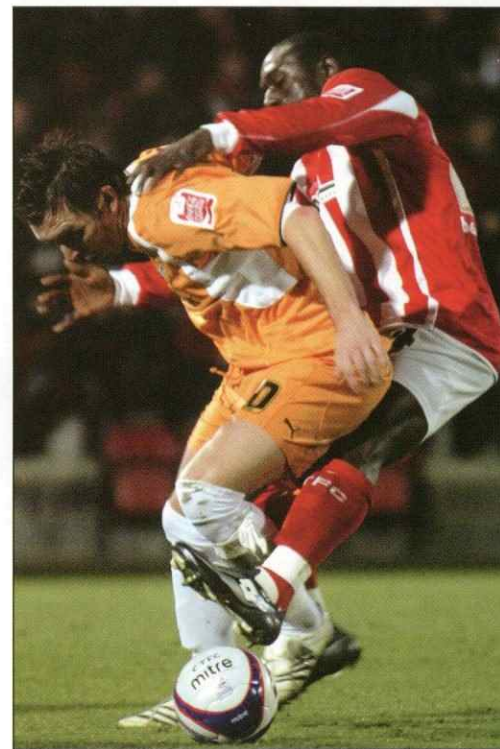

Chances continued to come Luton's way as they bossed possession in the second half, but were finding Higgs in inspiring form.

And when substitute Calvin Andrew was given a free header in stoppage time during the second-half, Higgs was once again the Cheltenham hero with an impressive full stretched save to his right.

Richard

Jackson

RICHARD Jackson got one of those lucky breaks in football that every youngster must dream of.

Playing in the lower reaches of the football pyramid with Scarborough, Jackson's dreams of playing at the highest level came true just months after he was handed his big breakthrough into the world of professional football.

The Luton full-back had only made a handful of appearances for the Seaside club when Premiership outfit Derby County unexpectedly came calling for his services.

After a £30,000 fee was agreed, Jackson headed to the top of the game at the tender age of 19.

It was just a few months previous that Jackson had been scrubbing the boots as an apprentice at Scarborough. Now he was rubbing the shoulders of some of Derby's most famous players, such as Georgi Kinkladze and Fabrizio Ravanelli.

"I was a YTS at Scarborough and I came through the ranks there. I played about 20-odd games and while I was there I got the move to Derby, which pretty much came straight out of the blue.

"It was a shock to be honest with you, but a nice surprise at the same time. I couldn't turn the opportunity down, because Derby were in the Premiership and that was always my dream.

"It was a massive move for me. I took it immediately and I was there for eight happy years. I'm very thankful to everyone I worked with at Scarborough because if it wasn't for them, I wouldn't have had the chance to make it to the level I have achieved."

Jackson's time at Derby was a happy one. Although he failed to break into the Derby squad immediately, he did make a handful of appearances in the Premiership before becoming an established Championship player.

Despite some injury problems along the way, Jackson became a popular

figure amongst Derby supporters and as of January 2006, he had become the Club's longest serving player.

When Jackson departed Derby to join the Hatters it ended an eight-year stay with the Rams, despite the full-back having one year to remain on his current contract.

Jackson knew the time was right to try his luck elsewhere.

"I was at Derby for eight years and leaving them was one of the hardest decisions of my professional career," admitted the 27-year-old. "I just felt that the time had come where I needed a change.

"The manager had told me that I wasn't going to be playing and that there were going to be some massive changes at the Club and for me, that wasn't good enough.

"I needed to be playing football. Luton were a team that had come down from the Championship, but despite that I had no hesitations about moving and I was delighted to have signed for them.

"I had another year left on my contract and I suppose there could have easily been that temptation to sit around and see if something was going to happen.

"But I would like to think that isn't me. I didn't really want to do that. I needed a change, I wasn't playing so I came down to Luton and now I am playing week-in, week-out and hopefully I can continue that."

Jackson did have some guidance over his move to Kenilworth Road. The defender, who penned a two-year contract with the Hatters, had former Derby players Paul Peschisolidi and Darren Currie to liaise with.

But Jackson admits it wasn't much of a difficult decision to make the move to Luton, despite the drop from Championship to League One football.

"I spoke to Pesch before I came down. He rang me to say it would be a good move for me. I then got the phone call to come down and have a chat, and I was more than delighted to come down.

"It was a bit hectic to be honest with you when I arrived. I came about three of four days before the start of the season and I went straight in the team for the first game. But I wouldn't have wanted it any other way to be honest.

"I have settled in really well and more importantly, very quickly. Obviously I knew a few of the lads anyway through the Derby connection and they played a big part in helping me to settle in.

"All the lads are a good set of lads and I'm just enjoying playing. That's what I needed to be honest, and at the moment, that's exactly what I'm doing.

"The last couple of season's I haven't played that often, which has become frustrating at times. So the fact I am playing is helping me to enjoy my time here at Luton a bit better.

"To be honest the move was exactly what I expected it to be. I came down here to play football and that is what I am doing at the minute. All I can keep doing at the moment is to try and keep my place, and help the Club back up the table."

Despite the administration news last week, Jackson admits the players are taking each game as it comes and focusing on winning matches in a bid to propel Luton back up the League One table.

"All we need to do is concentrate on playing football and that is what we have been doing and hopefully we can continue winning games and get the Club back to where it needs to be.

"You just have to put it to the back of your mind. What has happened has happened. All we need to do is concentrate on what is happening on the field.

"We have a good team spirit here. The lads all get on well with one another and we just want to be getting on with it.

"We haven't set ourselves any new goals to be honest. We just have to concentrate on winning football matches. If we can do that, then there is no reason why we can't finish in the top half of the league or even the play-offs.

LUTON RESERVES

Talbot's fine strike earns Hatters reserves a point

DREW Talbot struck a first time volley to help Luton's reserve side clinch a 1-1 draw at Colchester United on Tuesday.

The Hatters almost had the win, but were denied by a late strike from Adam Bailey Dennis, just seconds before Luton had appeals for a penalty waved away.

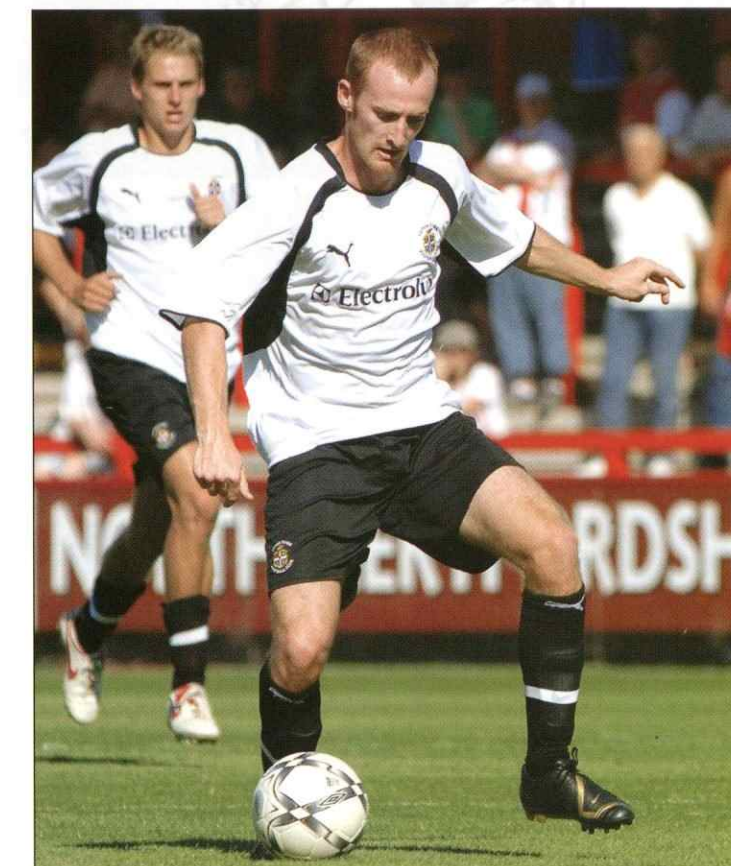

Colchester are the 'draw specialists' in the Pontin's Holiday Combination division, having been locked in a stalemate in six of their seven reserve fixtures.

A quiet first-half saw neither team able to break the deadlock, before both notched once after the break as the U's and the Hatters drew for the second time this season.

And, in a second-half with a number of decent opportunities, it was a surprise that there was no repeat of the 3-3 draw down at Kenilworth Road.

After Stephen O'Leary smacked a shot just wide before half time, the U's came close to scoring the first of the game four minutes after the restart.

Jamie Guy laid the ball back to Fabian Quintyn and his shot clipped the left hand post and went away for a corner after taking a deflection. From the set piece, George Elokobi

FINE FINISH... Drew Talbot his a first time volley in the reserves 1-1 draw with Colchester United

acrobatically forced a save out of Marlon Beresford.

Talbot was Luton's main threat and he twice went close around the hour mark, earning two good saves out of Mark Cousins.

His third attempt however was the best of the lot as his sharp control saw him bring the ball down before volleying into the top corner past the despairing dive of the Colchester keeper.

The U's almost had an instant retort as Guy fired wide from ten yards out after beating his man but it was Paul McVeigh who was next to go close for the visitors.

His attempted lob from just outside the box saw Cousins make a good

save as the U's shot-stopper kept the deficit to one.

Substitute Russell Malton then headed just wide not long after his introduction for Nathan Speed as the U's looked for a path back into the game.

Home hearts were in mouths with nine minutes left, though, as Talbot was felled by Bela Balogh in the box, but the referee waved away penalty appeals.

And that decision proved crucial as the U's pulled level with a minute to go.

The ball found its way to Bailey Dennis on the edge of the box and he sidefooted home to earn the U's a draw.

YOUNG HATTERS

ZOE WOOD with the latest news and games from the youth team

Goalkeeping crisis costs young Hatters the game

WEARING THE GLOVES... Illness saw Farthing between the posts. Goalkeeping trouble saw Luton's Youth suffer a 4-2 defeat against Leyton Orient in their first game at the club's new training ground.

Ross Faulds played just 45 minutes before Youth boss Chris Cummins was forced to replace the ill keeper.

Under 16 goalkeeper Aaron Fletcher, who made his debut for the Under 18's in their first game of the season, was also sick. And so as a result, midfielder Mark Farthing had to put on the gloves in

Luton 2-4 Leyton Orient

Osborne-Ricketts (18) HT 1-2
Harrison-Barker (48)

the second-half.

A strong start by the young Hatters was rewarded when Elliott Osborne-Ricketts latched on to a free-kick to score at the near post after 18 minutes.

Orient were swift to respond with a set piece of their own before taking the lead just before the break.

The Hatters quickly pulled themselves back level three minutes into the second-half when Ashley Harrison-Barker slotted home a shot from outside the area.

However it wasn't enough and the visitors took away all three points after putting another two goals past Farthing.

Chris Cummins said afterwards that he hoped to give more playing time to the Under-16's:

"We played a few young lads against Orient and they did very well.

"This is all part of their learning curve and

what I'm going to be looking to do now get a few of the Under 16's in to see they can cope with the full-time football.

Luton will play one more game before the New Year when they travel to Rushden and Diamonds this Saturday after the fixture had to be rearranged from its original date of December 8, which was postponed due to an outbreak of flu in the Rushden camp.

FOOTBALL IN THE COMMUNITY

COMMUNITY CHAT

STUART SMITH gives us the latest news from the Community Department

GOOD afternoon and welcome to today's game. I would like to start by updating you on events within our Girls Centre of Excellence.

On Wednesday December 5th, our Girls Centre of Excellence footballers had the privilege of a visit from England's Women midfielder Kelly Smith.

Kelly visited the Club to participate in a question and answer session with the girl's, sign autographs and was kind enough to have her picture taken with with some of our teams.

The girls were delighted to meet Kelly, and as you can imagine it was a very exciting evening for our players. Our Girls Centre of Excellence staff also used the evening to deliver part of the educational programme.

We worked in groups solving problems, while the older players were asked to work on game related issues and designing coaching sessions that they will later deliver to the younger players under the supervision of our staff.

The younger girls were asked to design a seven day eating programme for a footballer of their age.

These sessions are something that will become more and more frequent as our Centre of Excellence programme is designed to be an overall lifestyle development opportunity for the girls rather than just a football opportunity.

I would also like to use today's programme to remind you of our Christmas Holiday Soccer Courses. Places are being snapped up very quickly so book now to avoid disappointment.

Enjoy the game

HAPPY HARRY COMPETITION WINNERS

WINNER...
Cyril Piggott, age 5

Congratulations to everyone who sent me their pictures for our popular Happy Harry drawing competition.

There were so many brilliant pictures to choose from and you can see the best of them on our official club www.luton-town.co.uk.

However, I could only choose two winners from all of the pictures that entered the competition so congratulations must go to Emily Hailes, age 12, and Cyril Piggott, age five.

Both Emily and Cyril will be joining us in one of our executive boxes for our home game against Bournemouth on Saturday February 9th.

They will have a buffet and drinks and have the chance of meeting some of the players after the game.

Don't worry if you didn't win this time, there will be plenty more competitions for you to get involved in.

Above are the pictures of me that Emily and Cyril drew, so once again congratulations to them and thank you for everybody who took part!

I would like to wish all our Junior Hatters members a Merry Christmas and a Happy New Year.

LUTON LADIES

DAVE BAKER reports on the latest action from the Luton Town Ladies

GOAL... Kristie Keyte scores the first goal in the Under-11's 3-0 win against Tottenham Hotspur

Ladies pay the penalty in FA Cup tie with Colchester United

AT the third attempt, the long running saga of our FA Cup tie against Colchester United was finally completed in favour of our opponents.

The previous week, the tie had been abandoned midway into the second-half following a seemingly serious injury to Town keeper Nikki Duncan.

At the time, United were leading via a very dubious penalty which was initially saved but rammed home in the resultant scramble.

A remarkable recovery from Nikki, who was sporting a broken nose, saw her again perform superbly but she was powerless to keep out the U's who took the lead within the opening ten minutes.

Luton were unlucky not to draw level on several occasions and had a strong grip on the second-half until lightning struck twice and another highly questionable penalty decision

was given in similar circumstances to the week before. This time there was no mistake from the spot and Town were two goals down.

Within minutes Luton were back in the tie following a surging run from Michelle Byrne who rounded the keeper and finished from a tight angle.

U's ensured their place in fourth round with another penalty in the last few minutes. This was our first time in the last 32 and represents more progress at senior level.

The Under 12's returned to winning ways beginning their League Cup campaign with a 5-1 win over Hitchin Town. Kerry Keyte scored four goals with Zhane Quashie the other scorer.

Tottenham Hotspur played host to the Under 11's who really hit form, recovering their ability to play flowing attacking football and restricting Spurs to very little attacking wise.

Kristy Keyte opened the scoring early on, with Rebecca Reeve extending the

lead to 2-0 at half-time.

Reeve was again on target after the break as Town completed a comfortable 3-0 win.

The Under-11's reserve squad fought out their sixth draw of the season drawing 1-1 with Harvesters.

The Under-15's have really grown in stature in recent weeks and extended their unbeaten run to 13 games, scoring over 60 goals on their route to the top of their league.

The Ladies and girls teams continue to seek players in all age groups from ages eight to senior level with the current priorities a senior goalkeeper and Under 14's. For further information, please contact Dave at lutonbelles@hotmail.com

TAKE ON THE SPORTING LEGENDS AT PARTYPOKER.COM

PartyPoker.com, Luton Town's official online poker partner, is giving football fans up and down the country the chance to rub shoulders with their favourite stars in the Sports Stars Challenge III, a televised poker tournament which will be broadcast on Sky Sports early next year.

It is the first time that fans will take part in the popular event, now in its third year, which features stars from all walks of the sporting world. Last year's final table featured the likes of ex-Arsenal footballer Ray Parlour, the undisputed best darts player of all-time; Phil "The Power Taylor" and former snooker world champion Ken Doherty.

Taking part in the PartyPoker.com Sports Stars Challenge III won't cost a

penny, as players just simply need to take part in the freeroll tournaments which begin at the end of November, each with a £1,000 first prize. Players then earn points for their finishing position, with the six players with the most points from the three freerolls in November, December and January booking their place for the televised final. The six qualifiers will then battle it out against each other in front of the Sky Sports cameras at the Sports Stars Challenge III for a £6,000 winner takes-all prize pool.

All players who have signed up for PartyPoker.com through their club's website since August are automatically eligible to take advantage of this unique opportunity.

All new players are also eligible for a

30% sign-up bonus, up to £75, and don't worry if you do not know how to play as you learn for free at PartyPoker.com. The tournament is for poker players of all levels with the first freeroll taking place on Thursday, December 27 at 8pm.

A PartyPoker.com spokesman said, "This kind of opportunity doesn't come along that often. It gives players a great chance of meeting their sporting heroes and testing their poker skills in front of tv cameras at the same time."

Don't forget your club benefits from every sign-up through the site.

THE A-Z

ROGER WASH looks at every post-war

Raymond (Ray) Douglas RUFFETT

Local boy Ray turned out for Christ Church and then Luton Town during the war years and on de-mob from the services in 1947 was offered full-time terms by the Hatters.

A ball playing wing-half, Ray waited patiently for his First Team chance, which finally came in a 1-3 defeat at Bury in April 1949. Sadly, Ray was injured in the game and his chance was gone.

Ray remained at Kenilworth Road for a further 12 months before joining Abbey United, who changed their name to Cambridge United whilst he was there. Ray now lives in Luton in retirement.

Bjorn RUNSTROM

Big Swede Bjorn was snapped up early in his football career by Italian side Bologna and from there moved swiftly on to Chievo and Fiorentina without earning a regular place in Serie A.

Still only 19, the talented striker moved back to Sweden with Hammarby and at last was able to show his goalscoring abilities, leading to Fulham paying £700,000 for his services in August 2006.

After one substitute appearance for the Cottagers in the Premier League, Bjorn was allowed to move to Luton on loan last season, where he made seven appearances, netting twice before returning to West London.

Bjorn moved on to Kaiserslautern last summer.

James (Jim) RYAN

Spotted as a youngster while playing junior football in Stirling, Jim joined Manchester United at 17 but, although an extremely clever winger, was always on the fringes at Old Trafford due to the talents of George Best and John Connolly.

Jim became one of four United players who moved to Luton en bloc in April 1970, just as the Hatters won promotion from Division Three, and he went on to make almost 200 remarkably consistent League appearances over the next seven years at Kenilworth Road.

After a spell with Dallas Tornado, Jim returned to Luton initially as a coach before being thrust into the hot seat in January 1990. After overseeing two fights against relegation from the top flight with minimal funds, Jim was harshly sacked in May 1991.

Jim found work back at Old Trafford almost immediately and still remains on the Reds coaching staff.

John Gilbert RYAN

After failing to make the grade at both Arsenal and Fulham, John probably thought it was the end of the line when he joined Division Three side Luton on a free transfer in 1969.

Full-back John soon became a crowd favourite at Kenilworth Road though, with his swashbuckling runs down the wing and fierce shooting and it was a sad day when he left for Norwich in 1976 for £60,000.

At Carrow Road he was moved to midfield and became a consistent goalscorer before spells with Seattle Sounders, Sheffield United and Manchester City. Player/coach roles at Stockport and Chester then followed before John was appointed player/manager of a very poor Cambridge United side in 1984. John showed his frustrations by being sent off three times in his five League outings at the Abbey!

After managing several non-League sides, John worked for the PFA before becoming Director of Youth Development for the Thailand Football Association in Bangkok.

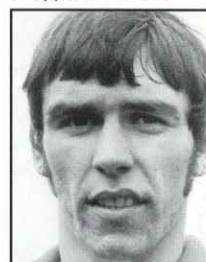

John Oliver RYAN

Liverpool-born John was with Bill Shankly's Reds as a teenager but frustrated by the lack of opportunities at Anfield moved to Tranmere, which proved a major mistake.

It was at non-League Wigan, under the tutelage of ex-Hatters favourite Allan Brown, that John finally came to prominence and when Brown moved to Luton as manager he came back for the tricky winger who made a dream League debut for the Town, setting up the first three goals in a 5-0 win at Exeter in October 1967.

Despite this great start, John only played "when they could not get Graham French out of bed" and after two years and 18 League appearances, he transferred to Notts County where an injury finished his full-time career.

John continued to play in non-League circles for several years and is now in charge of Health & Safety for a new construction company following 20 years with Costains.

OF LUTON TOWN

player to have appeared for THE HATTERS in the Football League

Gareth SALISBURY

Welsh Youth international Gareth started his Football League career with Wrexham, making his debut for the Robins in 1960.

After flitting in and out of the side, Gareth made a surprise move to Norwich in July 1962 but could not make the breakthrough at Carrow Road and transferred to Luton a year later.

A strongly-built inside forward, Gareth netted twice in 12 starts but an Achilles injury lost him his place in the side and a move to Colchester also ended in injury.

Gareth was luckier at Chesterfield, who he joined in 1965, but was even more successful during a three year stint in Australia where he was voted Player Of The Year for Victoria State in his second year there.

Upon returning to North Wales, Gareth became a computer specialist for the Health Authority before chronic asthma forced his early retirement. Gareth now lives on Anglesey.

Darren Brian SALTON

Darren came to Luton Town as a Youth Trainee in 1988, along with his Edinburgh youth club playing colleague Paul Telfer, before signing professional forms in March 1989. A Scottish Schoolboy and Youth international, Darren was destined for great things after making his League debut for the Hatters at Leeds in 1992.

After earning Scotland Under-21 caps, the cool and commanding central defender became a fixture in the Luton side as the 1992-93 campaign progressed but it all ended suddenly when he was severely injured in a fatal road accident in November 1992.

Despite brave thoughts of a comeback, it was sadly not to be. Last week Darren was sacked as the manager of Hitchin Town.

John Robert McDevitt SANDERSON

Carlisle-born John signed on for his local side in May 1938 and such were his performances at Brunton Park that a big money move to Wolves was secured the following February.

Unfortunately the cultured full-back did not manage to force his way into the first team before war broke out and at the end of the hostilities he was subject to another big transfer, this time to Luton.

John was only able to make six League appearances in 1946-47 before a severe knee injury finished his playing career but as he wanted to remain involved in football the Town offered him the position of groundsman. He picked up the rudiments of the job very quickly and combined this with Honorary Secretary of the Bobbers Stand Club for many years.

John was still living in Luton at the time of his death in 1993.

Michael (Mike) William SAXBY

Big, commanding centre-half Mick made his League debut as an 18-year-old for his local side, Mansfield, and soon became a cult hero at Field Mill.

Looking for a replacement for Chris Turner, Luton manager David Pleat paid a massive £200,000 in 1979 to bring him to Kenilworth Road, where he soon formed a solid defensive partnership with Paul Price and later Mal Donaghy.

With the Hatters walking away with the championship of Division Two in 1981-82, Mike hurt his knee when turning in the area during a home clash with Crystal Palace, an injury which effectively ended his playing career at Luton.

Attempts at a comeback with Newport and Middlesbrough failed, leaving Mike to forge a career with the Nottingham Evening Post and as a radio match summariser at Mansfield.

Andre Pierre SCARLETT

Diminutive right-sided midfielder Andre joined Luton from school and after working up through the ranks made a dream League debut when coming on as a substitute in a dour home game against Oldham in October 1998 and scoring a match-clinching goal in stoppage time.

Sadly this did not preface a long and successful career at Kenilworth Road for the tenacious and skilful but tiny right-sided midfielder as, although always on the fringes of the First Team over the next three years, his chances were sporadic and he was never given a long run in the side.

Andre eventually left for Wealdstone and is currently starring for Staines.

TODAY'S MATCHES

THE top two teams in League One clash this afternoon with Brunton Park the venue for the pick of the weekend fixtures.

CARLISLE UNITED (2nd) have one of the best home records in the division, but take on a SWANSEA (1st) side who have recorded the best away form in League One.

The Swans have only lost twice away from the Liberty Stadium and are currently on a four game unbeaten run.

Their last defeat on the road came back in September, when they were narrowly beaten by LEEDS UNITED (5th)

Impressive away victories against LEYTON ORIENT (4th) and YEOVIL (7th) have shown that the Welsh Club certainly have what it takes to mount a serious charge for promotion.

Meanwhile, Carlisle are also experiencing a good run of form and head into this afternoon's match unbeaten in their last eight

league games.

Much of that success has come down to the form of former Blackburn striker Joe Garner, who has scored in the last four games.

Elsewhere, Leyton Orient are in desperate need for points against Yeovil, having won just twice in their last five matches.

However, Yeovil are another inform team having won their last three matches and going strong to mount a serious play-off challenge.

At the other end of the table, PORT VALE (22nd) will have it tough when they travel to NOTTINGHAM FOREST (3rd).

Lee Sinnott's side did manage to score a vital win over GILLINGHAM (17th) recently, but their form is still that of a relegation threatened side, having picked up just five points from a possible 18.

WALSALL (9th) have been quietly sneaking up the League One table and hold an impressive 11 game unbeaten run in all competitions going into today's game with MILLWALL (20th).

LEEDS (5th) are the only side unbeaten at home this season and look firm favourites to continue that run this afternoon when they play BRISTOL ROVERS (19th).

HUDDERSFIELD'S (13th) inconsistency this season has proved to be their downfall, but their next three games are against teams currently below them in the League One table, starting today away at CHELTENHAM (21st)

BOURNEMOUTH's long awaited home win arrived last weekend when a Brett Pitman goal against Gillingham lifted them off the foot of League One. They hope to build on that result away at NORTHAMPTON (18th) this afternoon.

INJURY PROBLEMS... Paul McVeigh's team is suffering after both strikers are struck out

Dave Edwards closes the gap on leader 'Max and Daddy'

Don Hutchison saw his huge 15 point lead reduced to just seven after Dave Edwards had a successful few weeks. Currie's team 'Ruby's' have leapt from seventh to third thanks to Cristiano Ronaldo scoring a penalty in Manchester United's 4-1 win over Derby County and Steven Gerrard's goal in Liverpool's 3-1 defeat at Reading.

However Currie may need to look at his team selection if he wants to challenge for first place as Micah Richards from Manchester City has lost the team a point while Leighton Baines and Scott Parker are yet to produce any points.

Paul McVeigh has plummeted to eighth place after both his strikers have been sidelined due to injuries, Michael Owen is suffering a thigh injury and isn't expected to return until after Christmas while no return date has been set for Chelsea striker Didier Drogba who is suffering a knee injury.

Stewart Bannister remains at the bottom having joined late but thanks to some last minute substitutions, has closed the gap on John Carver's team 'Geordie Boys'.

The rest of the teams have seen little movement with the majority of sides staying in the same positions.

League One
Kick-Off 3pm
Luton Town v
YEOVIL TOWN

BY STEVEN DOVE

YEOVIL seem to be hitting their best form at the right time of the season. With the Christmas programme throwing up fixtures pretty much every other day, the Glovers will be hoping to continue that winning feeling.

It's been a somewhat weird and confusing season at Huish Park. After narrowly missing promotion through the play-offs last year, Yeovil were tipped by many to come close again during this campaign.

But inconsistency, along with the uncertainty of the managers future at the Club, has meant it hasn't been all rosey this time around.

However, Yeovil fans are seeing some light at the end of the tunnel and are back on track with their promotion charge.

Manager Russell Slade has committed his future with the Club, despite being linked with several positions throughout the season, and Yeovil are currently on a three game winning streak.

Despite Chairman John Fry stepping down from his position, Yeovil have still managed to keep that winning momentum going and currently sit just one place outside the play-off pack.

Yeovil's visit to Kenilworth Road will be their first visit in the League, with their only previous trip to Bedfordshire was in the League Cup.

On that day, the Hatters were rampant with former defender Kevin Foley scoring his first senior goal for the Club, in a 4-1 victory.

But Yeovil are a more superior side nowadays, which showed when Luton made their first ever trip to Huish Park in October as both sides had to settle for a share of the spoils.

It's in attack when Yeovil look a strong prospect. Marcus Stewart is renowned for his scoring exploits, having become popular amongst supporters during his times at Bristol Rovers, Huddersfield, Ipswich and Sunderland.

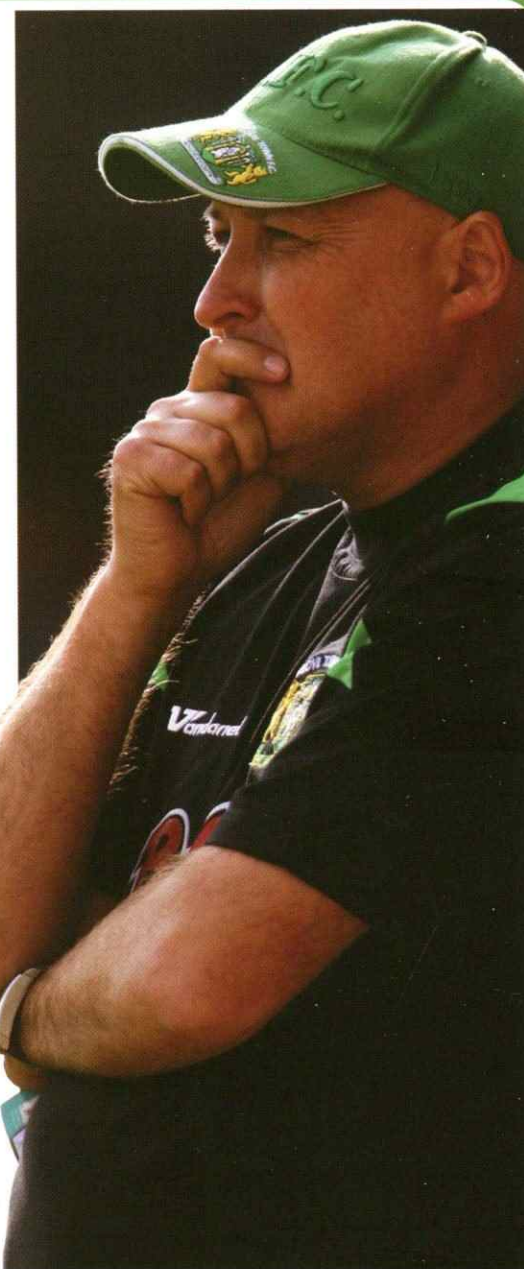

Despite failing to find that consistent form in front of goal in recent seasons, Stewart has scored three goals in his last five games and is showing signs that he still has plenty to offer in League One.

Former Brentford and Sheffield Wednesday striker Lloyd Owusu is also amongst the ranks.

Owusu provides much of Yeovil's threat in the air and possess power and pace to break down the opposition defence. So far, Owusu has been on target nine times this season.

Yeovil will certainly fancy their chances when they arrive at Kenilworth Road. They have been more than impressive on their travels this season and last week they inflicted Doncaster's first defeat in 11 league games.

With other experienced campaigners such as Neil Sullivan, Gareth Roberts and Bruce Dyer amongst their ranks, Yeovil certainly have what it takes to mount a serious challenge for promotion.
