HARFORD

Hello and welcome to Kenilworth Road for tonight's game against Millwall.

I would like to welcome Kenny Jackett, his directors, staff and players to Luton this evening. I would also like to extend a special welcome back to Brko who was such a popular figure here over the last few years.

We travelled to Swansea for the Friday night game and again, on our travels, we left without a point. I thought the overall performance deserved more, but as in most games since we arrived back at the Club, we are getting punished for errors as a team and as individuals. This is something we must address and correct.

At the moment we are on a poor run of form, but as a Club, a team and as individuals, we must stick together, work and fight to turn this situation around.

"To win any football match you have to be organised, committed, have self belief and play with confidence."

To win any football match you have to be organised, committed, have self belief and play with confidence. We, as staff, have been trying to instill this into the squad which will enable us to start picking up some points, hopefully starting with the game this evening.

Playing on Friday gave us the opportunity to watch our next opponents and so myself and Warren went to the Millwall game against Port Vale on Saturday. Millwall were worthy 3-0 winners and we know we will be up against a buoyant team.

But as ever, with your support, I believe we can turn our season around.

Keep the faith.

THE CAPTAIN

WELCOME back to the first of two home games inside a week as we welcome Millwall to Kenilworth Road.

I'm sure that the 206 Luton fans that made the trip to Swansea on Friday night will admit that it was an improved performance from everyone at the Liberty Stadium.

It was a display that shows we have what it takes to compete with the best teams in this division and it is a performance that will suggest to others that we are not giving up the fight to stay in this division.

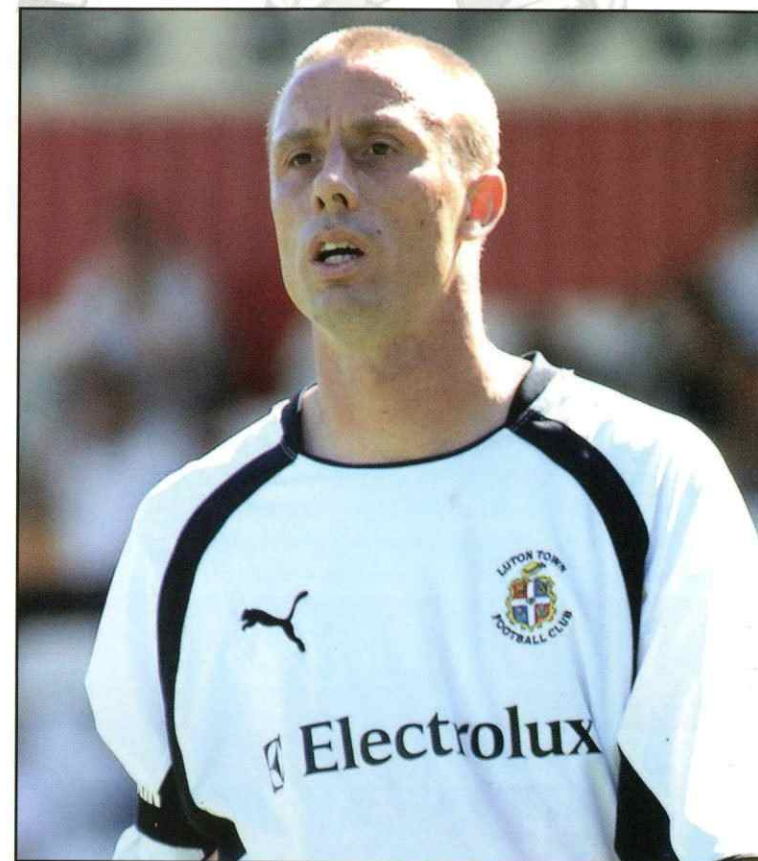

However, we know that we have to repeat that performance again tonight and not let it be a one-off.

Swansea are a good side, who I am sure will go on and win the division, and teams will go there and have to raise their game. We now need to take heart from that game and continue like that for the remainder of the season.

It was good to see that we were looking more solid in defence and were still able to create a number of opportunities at the other end. Maybe we just need that little bit of luck to go in our favour.

Tonight represents another difficult fixture against a Millwall side who gained an excellent 3-0 win over Port Vale at the weekend.

It is good to see Ahmet Brkovic back at Kenilworth Road, but we need to make it an unhappy stay for Millwall this evening.

“There are still 14 games to go this season and plenty of points for us to play for.”

We need to start winning games quickly – we know that – and with back-to-back home games this week it will give us the perfect opportunity to get some much-needed victories under our belt.

There are still 14 games to go this season, and plenty of points to play for, and with your support we can still

have a strong finish to the season.

Thank you to the fans who made the long trip to Swansea on Friday night. Your support continues to be appreciated by all of the players.

Enjoy the game tonight.

Chris

CLUB SECRETARY

CHERRY NEWBERY

FIRSTLY, thanks must go to Richard Bird and Mark Panter, our groundsmen, for ensuring that last Saturday's match with Leyton Orient went ahead, despite the severe frost on Friday night which did effect other clubs.

I have been asked to pass on their sincere thanks to all our supporters from our local Macmillan Cancer Support Group who held a collection here on 8th February and collected the magnificent sum of £816.08. The money raised helps to fund specialist nursing staff such as a dedicated oncology pharmacist, dietician and benefits advisors to name but a few of the posts funded by Macmillan.

We have been able to confirm a new date for our away League One match with Gillingham, which was postponed on 12th February because of fog. The new date is Tuesday April 1, with a 7.45pm kick-off. If you purchased a ticket for the original date your ticket is valid for the new date, but if you do need a refund it can be obtained from our ticket office until the close of business on 31st March.

The Gillingham match displaces our away reserve match with Peterborough which was scheduled to be played on Monday March 31 – this match will now take place on Monday April 7, kick-off 7pm

Another change to our reserve fixtures is our game against Southend. After Southend rearranged one of their first team fixtures, we are now unable to play our away reserve match with them on Tuesday April 8. This match will now be played on Tuesday March 4, kick-off 2pm.

Last Friday, we said a fond farewell to Amelia Iannaccone, who has worked in our Commercial Department for the last ten years. Everyone at the club will miss Amelia and we all wish her every success in the future. This coming Friday also sees Mark Panter leaving to work nearer his home and again we wish him every success and happiness in his forth coming marriage to Lynn, who he met here at the Club.

As always get behind the team.

Plans for Independent Football Ombudsman revealed

An Independent Football Ombudsman (IFO) is to be created in time for next season, and will replace the existing Independent Football Commission (IFC).

The IFO will have a clear remit to receive and adjudicate on complaints from football supporters and participants which have not been resolved by the football authorities, and to raise any policy issues which have been highlighted by those complaints, directly with The FA, Premier League and The Football League.

This change, made in agreement with DCMS, recognises the considerable work done by all the football authorities in recent years since the IFC was formed in 2001.

In that time, often prompted by the good work of the IFC, the football authorities and clubs have become much more effective in the way they deal with their supporters, have adopted customer charters and improved their formal complaints procedures.

Current IFC Chair Professor Derek Fraser and IFC Commissioner Alan Watson will take on the role of IFO and Deputy IFO respectively, to provide continuity.

The creation of an Ombudsman will maintain a position as the independent and final arbiter of football complaints. The football authorities continue to be committed to the highest standards of self-regulation that have seen only 26 complaints referred to the IFC since 2001.

Peter Spittles funeral confirmed

It was with great sadness that Luton Town Football Club recently learned of the passing away of a life-long supporter, Peter Spittles, who died on Friday February 22, after a recent illness.

Peter was a Luton supporter since after the war and was a regular to Kenilworth Road up until the last few seasons. His other love was being involved with the running of the Luton Bobbers Stand & Supporters Club, based in Beech Hill Path (under the old Bobbers Stand) before moving to Oak Road (1985) for over 50 years. He became Chairman of the Bobbers Club, after the passing away of Bert Ward in the late 90's, and his involvement will be sorely missed.

Peter's funeral will be held at the Stopsley Crematorium, on Tuesday March 4 at 10.30am. All family and friends are welcome, followed by a gathering back at the Bobbers Club.

MY FIRST MATCH

My First Match, gives you the opportunity to write in the matchday programme and talk about your first ever visit to Kenilworth Road. Today, supporter Rob Hadgraft, looks back at his first ever trip to watch the mighty Hatters when Manchester City were the visitors in a pulsating Division One match. To send us your stories of your first Luton match, drop us an email at programme@lutontown.co.uk leaving us some details along with a contact telephone number.

Luton Town v Manchester City Football League Division One Saturday 26 April 1975

I was born in Luton in 1955 and, according to my dad, was taken to my very first match as a tiny lad in short trousers at some time during the 1958-61 period.

My family moved away from Luton during my childhood, but as I grew up I chose to support the club from my place of birth. Once I was old enough to drive, I returned to Kenilworth Road in the mid-1970s to begin watching the Hatters regularly.

Thus I count as my first 'official' match the end-of-season thriller between Town and Manchester City in April 1975. We needed to win to have a

good chance of avoiding relegation from the top flight and the tension and excitement was so great that I was instantly hooked and have been a regular ever since.

By now horrendous orange shirts had become the first-choice kit – rumour had it that comedian and director Eric Morecambe had designed them. Funnily enough I later took ownership of one of these shirts – one that had actually been worn by the legendary No.10 Bob Hatton. My brother gave it to me after 'liberating it' from the dressing room area after a match!

Getting back to my 'first' match... it was actually the final Saturday of 1974-5 and it was essential we beat City this sunny April day to have a chance of staying in the top division. A recent surge of good form meant Chelsea and Carlisle were now below us in the table, and the last relegation spot would go to either us or Spurs.

The atmosphere was electric. Inspired by the buccaneering front-running of Aussie international Adrian Alston, Luton had recently chalked up some great wins and looked capable of pulling off a shock by avoiding the drop. City, however, were near the top and had stars like Rodney Marsh and Colin Bell in their ranks.

Things got off to a bad start when Hatters winger Jimmy Ryan made a mistake that led to Dennis Tueart opening the scoring. Roared on by the anxious crowd of 20,000-plus, Luton tried desperately to get back on terms.

The equaliser finally came on 72 minutes and the roar nearly brought the Main Stand down. Big Joe Corrigan was caught off his line by eagle-eyed Ryan, who made up for his earlier blunder with a glorious lob from 30 yards out.

Young local lad Andy King came on as sub for his debut and Haslam pushed men forward in a bid to snatch the winner. But City somehow held firm and we were all left frustrated. Our season was over and we found ourselves one point ahead of Spurs. The Londoners played their last match 48 hours later and – to the horror of Luton fans listening on their radios – beat a disinterested Leeds 4-2, which kept them up and sent Luton down.

After the City game my brother and I hung around the Maple Road car park to catch a glimpse of the players. There was great excitement when Paul Futcher emerged and asked us to hold his packet of crisps while he signed autographs. We thought about running off with this 'souvenir', but the exhausted Futcher looked like he needed the nourishment so we thought better of it.

The fascinating 1974-5 season ended that day, but my Luton-fixation had only just begun. Thirty-three years and 600-plus games later, I'm still here.

ROB HADGRAFT

WELCOME TO MILLWALL

The MILLWALL Story

Beginnings: 1885

SCOTS workers at Morton's Jam Factory on the Isle of Dogs in East London formed Millwall Rovers in 1885. Being Scottish, they chose blue and white as their colours to match the Scots flag. They changed their name to Millwall Athletic and later simply to Millwall. The club played initially in the Southern League, although they had some early successes in the FA Cup, reaching the Semi-Finals in 1903 before losing 3-0 to Derby. In 1920, they became founder members of League Division Three.

Top Player: Sheringham

TEDDY Sheringham scored 111 goals for Millwall in almost eight years. Those strikes saw the Lions rise from the old Division Three to a 10th place finish top-flight. The elegant and exciting striker was a huge crowd favourite and left Millwall £2m in the bank when he joined Nottingham Forest.

He went on to win 50 England caps as well as picking up a Champions League medal with Manchester United in 1999.

Top Manager: Graham

BEFORE he went on to a glittering career with Arsenal, Leeds and Tottenham Hotspur, George Graham's first managerial job was with Millwall. He took over in December 1982 when the team were floundering in Division Three, and not only kept them up but revolutionised the club, won promotion two seasons later to Division Two and set them on the road to Division One.

Top Game:

Millwall 3-2 Queen's Park Rangers
Division One: October 1, 1988

HAVING been promoted as champions of Division Two the season before, Millwall got off to a great start in their first-ever season in the top flight, with three wins and two draws in their first five games. This victory, with goals from Tony Cascarino (2) and Teddy Sheringham, briefly put them top of Division One as they went on to finish the season in 10th place, their highest-ever position.

MILLWALL fans haven't really had much to shout about this season. But the arrival of Kenny Jackett as Manager has certainly given a new wave of optimism around the New Den.

With only one win in their first ten matches, manager Willie Donachie was sacked with Richard Shaw taking over temporarily. It looked as if the Lions could be in for a long, hard season.

But on November 6, Manchester City reserve team coach Jackett took the reins at the New Den, charged with stabilising the club and moving them up the table.

He had mixed fortunes in his first two games in charge.

First he saw his side come from behind to beat 10-man Altrincham 2-1 in the FA Cup. Then they led at Bristol Rovers for 70 minutes before conceding two late goals to give Rovers their first home win of the season.

But victories over Yeovil, Bournemouth and Leyton Orient immediately had helped lift some of the gloom.

However, inconsistency in recent weeks has meant the pressure has returned to the New Den and the

Lions are now in the thick of a relegation battle.

And with tricky matches against Leeds United, Swansea City and Carlisle United all around the corner, it could go right down to the wire for the men from South London.

The last couple of years at the Den have been turbulent both on and off the pitch, with changes in management as well as a plethora of new signings and loan deals to strengthen their squad.

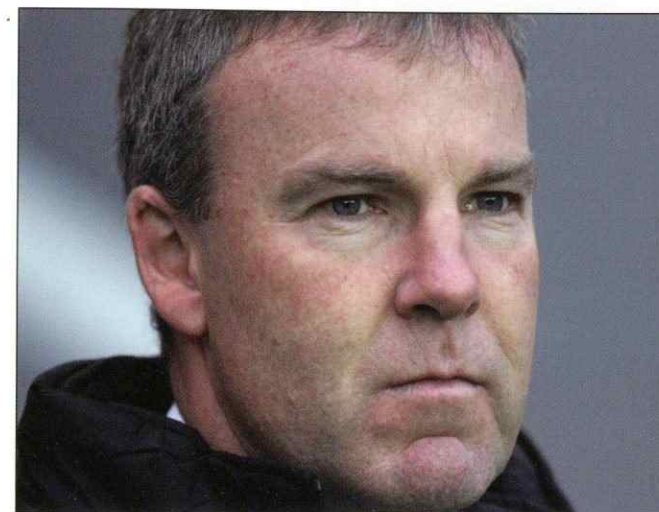

**"JACKETT HAS MADE
PLENTY OF CHANGES IN
THE JANUARY TRANSFER
WINDOW AND
STRENGTHENED HIS TEAM
IN MANY AREAS"**

Times were already tough for the Lions on their last visit to Kenilworth Road back in August 2005 when Luton beat the Londoners 2-1,

with goals from Warren Feeney and Curtis Davies.

Jackett has made plenty of changes in the January transfer window and strengthened his team in many areas - including adding some familiar old Luton faces to his squad.

Ahmet Brkovic made the short move down the M1 whilst Adrian Forbes, who had played a pivotal role helping Blackpool win promotion to the Championship last season, moved to the New Den to help bolster Jackson's striking options.

Marcus Bignot is another player who has plenty of experience in League One and has bolstered the Lions back-line whilst David Martin looks to be a bargain after moving from Crystal Palace in a £50,000.

The on-form player for goals at the moment is defender Alan Dunne. The Republic of Ireland man had a frustrating time at the start of his career at Millwall with recurring ankle injuries, but has blossomed into a capable and solid player since.

Alongside Dunne is Millwall's Player Of The Year Richard Shaw. Popular with the fans, he has teamed up with Paul Robinson at the back.

Andy Frampton commands the midfield for the Lions after signing in

the summer from Brentford. On-loan striker Will Hoskins has repaid Jackett with three goals so far since his loan deal from Watford. After scoring 16 goals for Rotherham last season, Hoskins moved to Vicarage Road in January.

Another force to be reckoned with is Gary Alexander. Originally a West Ham youth player, Alexander signed this summer from Leyton Orient, where he was top scorer for the third time in 2006-07.

Now Jackett will be looking to these players to start showing they can turn things around and keep the Lions out of the third tier of English football.

The Fan's View

ROGER MATTHEWS

Millwall supporter for eight years

How has this season gone?

Well it could have been better, but there has been an improvement from the team since Kenny Jackett came to the helm. There has been a bit of uncertainty at Millwall over the past year, so now we need a bit of stability, and hopefully under Kenny we can do that.

What are Millwall's aims this season?

To finish as high up the table as possible. That may sound a bit stupid, but with everything that has gone on at Millwall, a decent finish to the season would be fantastic. We certainly have a good enough squad, but we just need to be a bit more fortunate with injuries at the moment.

Who has been your key signing?

Ahmet Brkovic has been a great signing for us.

He looks great going forward and has quickly settled in at the New Den. I also think Marcus Bignot is a good defender. A tough tackling full-back, he has added a bit more strength to our defensive options.

What have you made of Kenny Jackett's arrival?

I hope he will be good for Millwall. I felt he did a good job at Swansea and was unfortunate to be shown the door there. I think there has been an improvement in our performances since his arrival, but what he needs is plenty of time. I'm sure he will get that, and I think the fans are firmly behind him.

Who will win League One?

I'm not that good at making predictions, but Nottingham Forest was my tip at the start of the season so I will have to stick with them. If Swansea can hold onto their manager then they will be up there as well.

The Captain

Paul
05 Robinson

Despite making his debut for the Lions in January 2003, Paul Robinson had to wait some considerable time before really establishing himself as a Millwall regular. After working through the Academy and Reserve sides, it wasn't until Millwall hit a list of injuries that Robinson got his break. In the absence of Stuart Nethercott, Joe Dolan and Mark Phillips, he grabbed his opportunity with both hands. He continued his excellent form during the 2003/04 season until damaging his cruciate knee ligaments at Norwich City in November 2003. Having made a full recovery, Robinson has now re-established himself as a vital member of the first-team and was a regular in the side during the last two seasons, during which he has also taken over as team captain. He has also spent time on loan at Torquay United, where he made 12 appearances.

**Goalkeepers****Lenny Pidgley**

A former England U21 international goalkeeper who joined The Lions in the summer of 2006. Previously with Premiership giants Chelsea, he gained some valuable first team experience whilst on a season-long loan at Watford.

Chris Day

Began his career at Tottenham before moving on to Crystal Palace. Chris Day enjoyed a significant spell at Queens Park Rangers where he clocked up nearly 100 senior appearances before heading north to Preston and Oldham. Joined Millwall in 2006.

Defenders**Danny Senda**

Started his career as a trainee striker at Southampton and joined Wycombe in 1998 to improve his chances of regular first-team football. He stayed at Wycombe for several years, before he moved to Millwall.

**Zak Whitbread**

American born defender who started his career at Liverpool. Despite finding it difficult to establish himself as a regular at Anfield, he quickly settled in at Millwall, where he initially joined on loan. He made the move permanent when he signed a three-year contract in June 2006.

Andy Frampton

After being spotted by Crystal Palace at the age of 11, Andy Frampton eventually broke into the first team at Selhurst Park and made 35 appearances from 1998-2003 before switching to Brentford. He was signed in the summer of 2007 by Millwall.

Zoumana Bakayogo

A pacey defender, who has previously spent time on-loan at Brighton.

Zoumana Bakayogo

Was the Club's Caretaker Manager prior to Kenny Jackett's appointment. The defender began his career at Crystal Palace, where he graduated from an apprentice. He then moved to Coventry and spent over 11 years at the Midlands club, making over 300 appearances.

Marcus Bignot

Enjoyed the best part of his career at QPR, where he had two spells. He is currently on-loan from Loftus Road, recently agreeing to extend his stay at the Club. He previously helped Rushden & Diamonds win the League Two title.

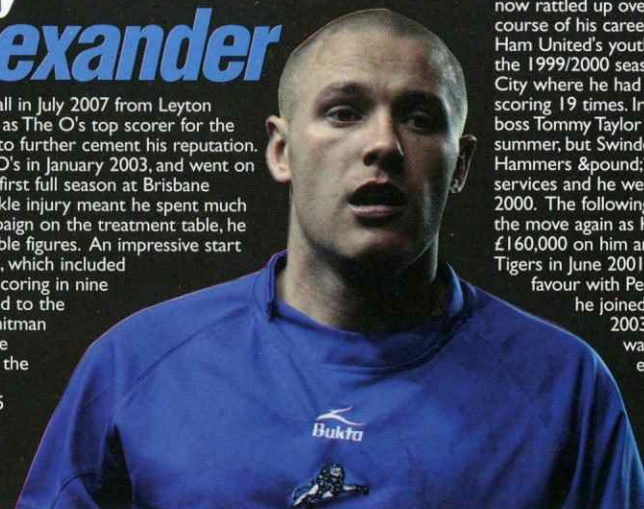

Scott Barron

Scott Barron is a young utility player who was snapped up by former boss Willie Donachie from Ipswich Town in the summer.

Top Scorer

Gary
08 Alexander

Snapped up by Millwall in July 2007 from Leyton Orient after finishing as The O's top scorer for the third time in 2006/7 to further cement his reputation. Gary signed for the O's in January 2003, and went on to hit 16 goals in his first full season at Brisbane Road. Although an ankle injury meant he spent much of the following campaign on the treatment table, he still made it into double figures. An impressive start to the 2005/6 season, which included an incredible run of scoring in nine consecutive games, led to the south London-born hitman winning the Powerade League Two Player of the Month award in September, and his 15 goals overall played a strong part in helping the O's towards promotion.

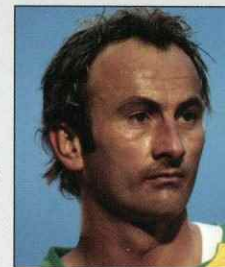

Gary is also strong in the air and he has now rattled up over 100 goals over the course of his career. A product of West Ham United's youth system, Gary spent the 1999/2000 season on loan at Exeter City where he had a tremendous impact, scoring 19 times. Ironically, then Orient boss Tommy Taylor tried to sign him that summer, but Swindon Town paid the Hammers £200,000 for his services and he went west in August 2000. The following summer he was on the move again as Hull City splashed out £160,000 on him and he joined the Tigers in June 2001. Gary fell out of favour with Peter Taylor though and he joined Orient in January 2003 on a contract which was extended until the end of the 2006/7 season, when Willie Donachie swooped to bring him to The Den.

Midfielders**Ahmet Brkovic**

A player who needs no introduction to Luton fans having joined the Club in October 2001 and going on to become a fans favourite at Kenilworth Road -

largely due to his spectacular overhead kick goals. The Croatian made over 200 appearances for the Hatters before joining the Lions initially on a loan deal. Brkovic signed permanently during the January transfer window.

**Danny Spiller**

Signed from Gillingham, where he was a product of their youth system.

David Brammer

Experienced midfielder who started his career with Wrexham before moving to Port Vale on transfer deadline day in 1999 for an initial fee of £350,000. He then moved to Crewe before signing for Stoke.

David Martin

A highly promising midfielder who was brought by boss Kenny Jackett in the January transfer window. Started his career with non-league Dartford, where Crystal Palace spotted his potential and paid £25,000 for his services. After making a handful of appearances from the bench he decided to move to Millwall.

Jay Simpson

A pacey player, who can play as either a striker or midfielder. Currently on-loan from Arsenal, he made his debut against Huddersfield in September and has quickly won over Millwall fans in his short time at the New Den.

Ali Fuseini

Promising midfielder who is rated highly by all at the New Den and is predicted to have a promising future within the game. A Ghanaian midfielder, Ali likes to get forward at any opportunity and support the Lions attack.

Strikers**Neil Harris**

Neil returned to his beloved Millwall for a second time in January 2007 - nearly two years after leaving the club for Nottingham Forest. He first joined The Lions in a £30,000 deal from non-League Cambridge City prior to the transfer deadline in 1998. Barely two years later, Harris had established himself as one of the most feared marksmen outside the

Premiership, scoring 25 League goals in 1999/2000, and attracting offers of over £1 million for his signature. Instead of moving on, Neil signed a new improved four year deal with Millwall in May 2000, and netted a further 28 goals in 2000/2001, sharing the 'Golden Boot' with Jamie Cureton as joint-top League goalscorer in Division Two (27). Less than a week after signing yet another improved deal came the bombshell news that Neil had testicular cancer and following an operation he embarked on a course of radiotherapy treatment. He returned to action before Christmas and scored a sensational goal during The Lions 4-0 win at Watford on New Year's Day - his first in Division One. A former Liverpool trialist, Harris had been trialed by a number of League clubs, but it was Millwall's Senior Scout Bob Pearson who was most convinced of the striker's potential, which was revealed with 18 goals in his first full season, landing him the Player of the Year accolade in 1999/2000.

Lewis Grabban

Signed in the January transfer from Crystal Palace, Lewis Grabban has arrived to add extra fire power to Millwall's attack. Born in Croydon, Grabban progressed through the set-up at Selhurst Park but could only manage appearances as a substitute. He went on to join Oldham and Motherwell on loan before signing a deal with Millwall.

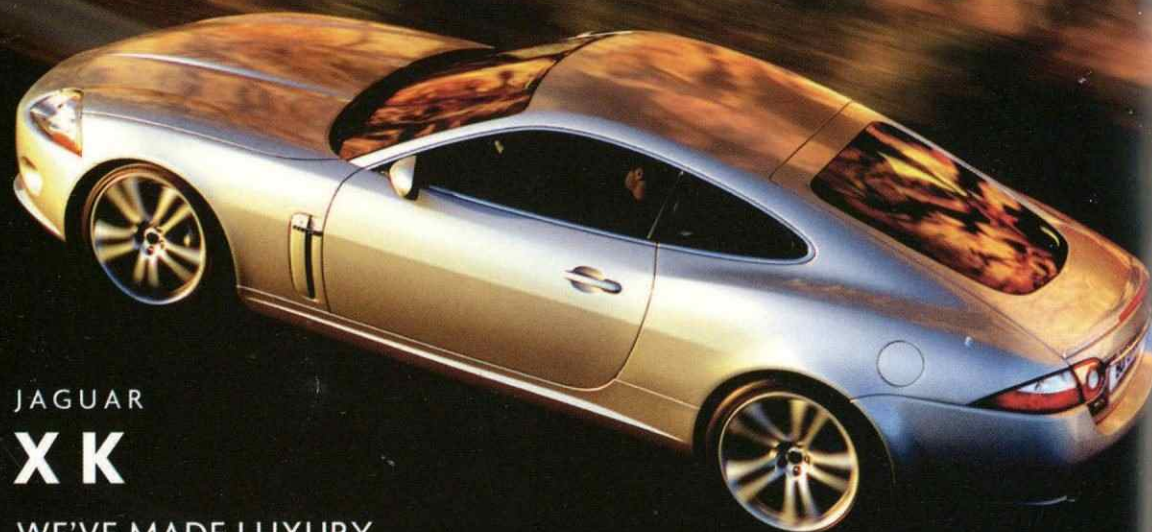

Tom Brighton

Exciting Scottish U21 striker who became The Lions seventh signing in June 2006 when he made the switch from Clyde to south London in a two-year deal.

FLASHBACK

ROGER WASH tells the stories behind some special moments in Hatters history

Hatters tame table-topping Lions

Date: Saturday September 3, 1936
Place: Kenilworth Road

The Hatters team line up during their record breaking 1936/37 campaign when they won the championship of Division Three (South) and with it promotion to the old Division Two. One of the major turning points of an eventful season was a clash with heavyweight fellow promotion contender Millwall at the old Den.

Although the Town's early season home form had been superb, away from Kenilworth Road results had not been too clever and leading up to the visit to Millwall on 21st November the Town had suffered three defeats in succession.

Millwall, on the other hand, were enjoying their best season for years and a massive crowd of 32,504 turned up to see if the Lions could go clear at the top. But the Luton players had other ideas by winning the game 2-0.

'Chiltern', reporting in the 'Luton News' confirmed that the Town played "with a relentlessness and determination

hitherto unknown in their away games this season and ran the home side to a standstill." The Town defence soaked up a fair amount of pressure but kept the Millwall forwards at arms length with Luton skipper Jack Nelson following the dangerous Dave Mangnall everywhere

With swift counter-attacking causing endless problems to Millwall it came as no real surprise when Fred Roberts put the Town into the lead with an unstoppable shot a minute from the interval

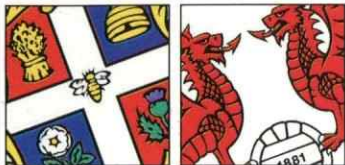

The second half mirrored the first with the Town emphasising their superiority and doing more of the attacking. The game was eventually settled ten minutes from the end when Joe Payne hit a centre from Jack Ball on the volley past the stationary Duncan Yuill in the Millwall goal.

The home crowd were finally given something to get excited about when Mangnall, presumably out of frustration, engaged in "a bout of fisticuffs" with Nelson. The referee did not have a clear view of the incident and decided to book both players rather than send them off, but a large crowd gathered outside the ground afterwards to have a word with Nelson as he made his way to the coach.

Mangnall defused the situation however, by escorting Nelson up the steps and shaking his hand. Unfortunately the matter did not end there because Stanley Rous, then Secretary of the FA, was attending the match and subsequently arranged for both players to attend a hearing where they received lengthy suspensions.

The ramifications of this 'underhand' punishment reverberated around Fleet Street for weeks afterwards. I wonder what everyone would have thought about today's 'trial by television'?

SLIDING IN... Sol Davis slides through to win the ball after an Orient challenge

MANAGER'S VIEW

"We had a lot of possession and got a lot of crosses into the box in the first half but not the quality.

"We ended up with four strikers on, but we didn't get enough quality into the box.

"The effort, the work rate and the commitment was first class. I couldn't ask anything more of them. It was an improvement on last week in terms of commitment. Just things at the moment aren't going for us and one mistake cost us."

Mick Harford

Luton made an encouraging start to the game, as they began in confident fashion and looking comfortable on the ball.

However, despite Luton's bright start it was the visitors who twice came close to taking the lead inside the opening ten minutes.

The Hatters were looking promising on the attack and on 14 minutes Dean Morgan rolled his marker to fire a shot just wide after a cross from David Bell was flicked on at the near post.

On 26 minutes, Orient broke the deadlock when a poor pass from Sol Davis gifted Ibehre a goal. A cross from the left by Terry found Davis but the full-back's clearance fell straight into the path of Ibehre whose shot from eight yards hit the underside of the crossbar and rebounded into the net.

Orient were soon content on sitting deep in their own half and soaking up any of the Luton pressure, as the Hatters struggled to find that slice of luck in front of goal with Morgan and Sam Parkin both firing efforts well off target.

The visitors almost made the perfect start to the second half when on 53 minutes Demetriou found space on the edge of the area to fire a curling shot which was met by a wonderful save from Brill, diving full stretch to his left.

Luton responded by going close on 59 minutes when a cross from the right was flicked on by Andrew, and headed by Parkin into the path of Matthew Spring whose first time volley flew harmlessly over the crossbar.

Luton had their best effort of the game on 78 minutes when Morgan's cross from the right was met at the near post by Furlong's header but his close range effort bounced off the chest of Stuart Nelson in the Orient goal and straight into his arms.

THE STATISTICS

SIMON PITTS finds some fascinating facts about tonight's teams

34 is the number of League meetings at Kenilworth Road. Luton have won 12, lost 9 and drawn 13, scoring 49 goals and conceding 36.

6 is the highest number of goals Luton have scored against Millwall. It came in a 6-0 win on Christmas Day 1926 when Syd Reid grabbed a hat-trick, the only Luton player ever to do so against Millwall. John Black, Norman Thomson and Harry Woods got the others. However, two days later the Hatters were beaten 7-0 at Millwall...

20,109 is the biggest crowd for this fixture. They saw a 0-0 draw in April 1939.

5 is the most consecutive wins for Millwall at Luton. It started with a 2-0 victory in March 1997. Wins by the same score came in 97-98 and 1999-2000. Steve Davis scored the only Luton goal in these five matches in a 2-1 defeat in 98-99, Millwall winning the fifth with a Gavin McGowan own goal.

ON TARGET... Luton's David Preece

SIMON'S STATS

2 is the number of goals Curtis Davies scored for Luton, and one was in his last game for the Club against Millwall in 2005-06. Warren Feeney gave Luton the lead before Ben May equalised. Davies scored a late winner and joined West Brom two days later.

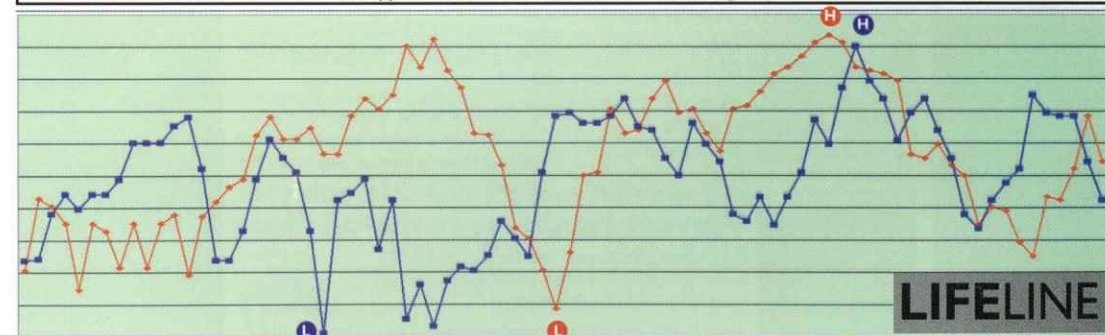

619 is the number of minutes since Luton had scored when David Preece netted against Millwall in a 1-1 draw in April 1994. Luton beat Peterborough 2-0 then drew blanks in their next SIX matches as they lost to Grimsby, Chelsea in an FA Cup Semi-Final, Wolves (twice), Crystal Palace and Bristol City.

3 penalties have been scored by Luton in this fixture. Former Hatters Brian Chambers and John Seaman scored first half goals for Millwall in April 1979, but by half time David Moss had netted twice as it ended 2-2. The first of these was a disputed penalty after Chambers had brought down Kirk Stephens. In the next League meeting at Kenilworth Road, 10 years later, Millwall won 2-1 but Luton's goal came from a Danny Wilson penalty after David Preece was fouled. Tony Thorpe's strike from 12 yards decided the game in February 1996, when Dwight Marshall was brought down with six minutes left after Luton had Ceri Hughes sent off.

Each way movers

15 players have moved from Millwall to Luton. Alan Garner played the most games for Luton after a move with 112 in the early 1970s. Not far behind was keeper George Harford who played 107 games from 1929-1934 before he moved to Carlisle. Harry Bailey, another keeper, appeared 89 times in 1920-22 before joining Exeter. William Stewart returned to Kenilworth Road from Millwall in 1899, after just a season away. In 1897-98, he scored 12 goals in 33 games for the Hatters, and in his second spell he played 20 times without scoring. Trevor Aylott hit 11 goals in 35 matches in two seasons from 1982-84. The last player to move was Robert Wilson, who played 24 games for Luton between 1986-87.

10 players have left Luton for Millwall. William Stewart, as mentioned above, was first and Joe Roberts next in the 1930s. After 116 games and 30 goals, George Stobbart left in the early 1950s. Three moved in the 1970s: John Seaman played eight games for Luton and Robin Wainwright 18, but Brian Chambers hit 10 goals in 82 games. Alan West played more than 300 games from 1973-1981 before moving. Kerry Dixon scored 20 goals in 88 games for Luton, then moved to Millwall in 1995. Kim Grant, who had played 44 games, moved in 1997 before Ahmet Brkovic became the most recent player to have moved to the New Den, joining on a permanent basis last month. The "Croatian Sensation" made over 200 appearances for the Hatters and netted 38 goals.

Hatters and Lions past...

THIS week's LIFELINE shows how Luton and its fortunes have risen and fallen over the years. Millwall's all-time high came in season 1988-89, when they

finished 10th in the top flight Division One, one place higher than Manchester United. Their low point was when they finished 22nd and bottom of Division

Three South in 1949-50. Luton's low point came with a 17th place in Division Four in 1966-67 and their high a top flight 7th place in 1986-87.

Lets stick together says Ward

Carlisle United boss John Ward has called for his squad to unite ahead of a tough run-in.

The Cumbrians are pushing for promotion from League One and Ward is looking for his players to show their spirit and character as a team.

He told BBC Radio Cumbria: "Everyone needs to be ready and needs to be right and I've expressed that to the boys."

"Whatever happens at the end of the season it happens to all of us, not just the first 11."

Nottingham Forest boss Colin Calderwood says he is unlikely to bring in cover for injured striker Nathan Tyson.

Tyson is set to be out until April with a hamstring problem but Calderwood says he will not rush into the loan market.

"I'm happy with what I've got," Calderwood said.

"I want to have this group prove they can do it."

"But it always depends who's available. We've never stopped looking but the important deadline is the

OUT... Nathan Tyson will be out of action until April

one in March where you can't take anyone."

Forest failed in their attempts to sign Coventry striker Leon Best in January but Tyson's injury is offset by the return of Junior Agogo, who had

been with Ghana on Africa Cup of Nations duty.

Meanwhile, Forest have protected their investment by signing up midfielder star Lewis McGugan on a new, improved long-term contract.

Surgery blow for captain Finnigan

Cheltenham captain John Finnigan is set to miss the rest of the season after being told he needs an ankle operation.

Finnigan has been out of action since October and will now be missing for a further three months.

He said: "It is the most frustrating and long-term injury I have had. I'm disappointed but at least I know where I'm going now."

Huddersfield Town manager Andy Ritchie has insisted the League One play-offs are still a realistic target.

Leeds United's have recalled Scott Gardner from his loan spell at Blue Square Premier club Farsley Celtic

Brighton's Steve Thomson says he is having to adapt back to the English game after signing from Falkirk.

Doncaster defender Sam Hird has returned from his loan spell with League Two outfit Grimsby Town.

Leyton Orient defender Tamika Mkandawire, 24, could be out of action for a month because of a groin problem.

Keeper suffers new injury

Oldham goalkeeper Les Pogliacomi could be out for the rest of the season after suffering fresh injury problems. The 31-year-old has been troubled by recurring knee problems.

The Australian has not played for the first team this campaign and broke down in training earlier this week.

Trollope content with Cup draw

Bristol Rovers boss Paul Trollope said he was satisfied with his team's home draw against West Bromwich Albion in the quarter-finals of the FA Cup.

Rovers upset Southampton in the last round of the cup and avoided Manchester United and Chelsea in Monday's draw.

Trollope said: "We're pleased with the tie."

"West Brom are a big threat, they've got strength in depth and good players so it's going to be a tough, tough test for us."

He added: "Everyone looks for the Man U or the Chelsea tie and it didn't happen but we'd love to play them in a semi-final."

FINE... Perrett

Perrett health gets the all-clear

Bournemouth's Russell Perrett has received some positive news after undergoing hospital tests following a health scare.

The 35-year-old was admitted to hospital by ambulance after being taken ill at his home suffering from breathing problems.

But after undergoing a chest X-ray, an electrocardiogram and a blood flow scan, Perrett was given the all-clear.

HAPPY... Paul Trollope

Lowe to be loaned out by Crewe

Crewe boss Steve Holland has said he has received several inquiries from clubs wanting to take Ryan Lowe on loan.

Holland said: "There are a number of clubs that would borrow Ryan if we agree."

"I'm certainly in no rush to see the back of Ryan but if he says he wants to go somewhere to get football, then we will discuss that."

Lowe, 24, joined the Alex in July 2006 on a free transfer from Chester City.

Skiverton keen on new deal at Yeovil Town

Captain Terry Skiverton says he would love to sign a new contract with Yeovil and end his career at Huish Park.

The Glovers are set to open talks with Skiverton, Steve Mildenhall, Matthew Rose and Marcus Stewart over new deals.

Defender Skiverton, 32, told BBC Somerset: "I want to play for Yeovil. The quicker we get something sorted out, I'll be happy to stay."

"I want to see out my career at Yeovil Town. I think everybody knows

by now that I absolutely love this place."

He added: "I love the club. The manager's been great to me. I've got a great rapport with the fans and next year will be my testimonial year if we sort something out."

Meanwhile, defender Nathan Jones could be back before the end of the season despite confirmation that he broke his arm in Saturday's defeat at Oldham.

Jones, 34, will have an operation which means his arm will not need to be put in plaster.

WANTS TO STAY... Terry Skiverton wants to stay a Yeovil player

Blue Square Premier Division side Stevenage Borough have signed Millwall striker Gavin Grant on a month's loan

Midfielder David Howland says Port Vale will only go down from League One "kicking and screaming".

Richard Money has confirmed he is happy as boss at Walsall after recently being linked with Coventry City.

Tranmere hope that midfielder Chris Shuker will be back in training within the next five weeks as he battles back from a hamstring injury.

Gray targets new run

Northampton boss Stuart Gray wants his players to start a new unbeaten run after their defeat at Yeovil ended a sequence of six games without defeat.

"Our unbeaten run is over and we need to start a new one against Gillingham on Saturday," said Gray.

"But we can only do that if we do the basic things right. We need to work hard and pass the ball better"

Boss wants Sweeney to stay

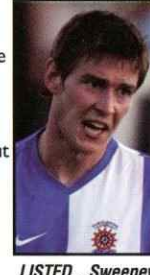

Hartlepool United boss Danny Wilson wants to retain midfielder Antony Sweeney despite keeping him on the transfer list.

Sweeney has been unable to agree terms on an extension to his current deal but

Wilson says he is doing all he can to keep hold of the 24-year-old.

He told BBC Tees: "The script with Tony is he was put on the transfer list but not with a view to going."

"We stated we didn't want him to go but it's a prerogative players have."

LISTED... Sweeney

Hopkins joins Cheshunt

Southend United defender Tom Hopkins has joined Southern League side Cheshunt on work experience.

The under-18's captain will spend four weeks with the non-league outfit as they attempt to escape relegation. He has linked up with Southend team-mate striker Rhys Henry who is already at Cheshunt.

Nine get pro contracts

Swindon have awarded nine youth team players professional contracts. Swindon's youngsters have been attracting a lot of interest from bigger clubs in the last 12 months.

Youth team boss Paul Bodin said: "It's great news for the kids, they're all very talented with great potential. The lads have fully deserved it."

Swans relief over injury

Swansea City have suspended youth team coach David Moss for 28 days.

Moss played for the club between 2002 and 2003, and was appointed to the post by former manager Kenny Jackett in May 2005.

He was brought in to oversee the development of up and coming young players such as Joe Allen and Shaun McDonald at the Liberty Stadium.

MANAGER'S VIEW

"We are very frustrated and the sending off killed us. I will take some of the blame because I was minutes away from substituting Sol. He had already got one booking and then got the second after a rash challenge.

"It was very disappointing because we played well. However, we will keep battling and fighting on.

"We need to start winning games soon, but hopefully the fans that travelled down tonight will be encouraged by the performance.

"Swansea are a good side, but our back four kept them at bay. The only disappointing thing for me was that we gave the ball away cheaply."

Mick Harford

A much-improved Luton performance couldn't prevent them from slipping to another away defeat at the hands of title-chasing Swansea.

The Hatters came within ten minutes of picking up a well-earned draw, but a Thomas Butler strike broke Luton hearts.

Luton's cause wasn't helped when Sol Davis was sent-off for a second bookable offence, but at least the Hatters showed glimpses of their former self with a stubborn performance.

Chances were few and far between and it took 16 minutes for the first shot of the game to arrive when a weak Ferrie Boddie effort was comfortably saved by Hatters shot-stopper Dean Brill.

Luton responded by going close to an opener on 20 minutes when Davis found space down the left flank to whip over a cross that was headed over the bar by the unmarked Drew Talbot.

The second half started in a similar fashion to the first half with Swansea looking bright on the ball, but without creating much in front of goal.

Luton soon began to enjoy their best spell of the game and on 58 minutes Sam Parkin found space down the left and his cross was helped on by Talbot and found David Bell, whose shot was charged down by Marcos Painter.

Talbot's pace was causing the Swansea defence problems and on 66 minutes the former Sheffield Wednesday man made a darting run inside the area, but his acute angled shot flew straight into the arms of Dorus De Vries.

Luton's chances of taking home a point were made tougher when Davis picked up his second yellow card of the game, just eight minutes after picking up his first booking.

On 78 minutes, Luton were saved by a splendid Brill save as Alan Tate stole in at the front post to guide a bullet header towards the Hatters goal.

But as the pressure began to mount, Luton then found themselves behind when, on 80 minutes, a mistake from Alan Goodall gave Butler freedom to strike from 25-yards as his shot took a deflection off Emanuel to hit the inside of a post and go over the line.

An interview with

DREW TALBOT

ALTHOUGH it was another defeat on their travels, Luton certainly did themselves proud with a spirited performance against League One leaders Swansea on Friday night.

The Hatters were more than a match for the Welsh club, a side that had opened up an 11 point gap at the top of the division prior to the start of the game.

And for striker Drew Talbot it was a display from the Hatters that sent out a clear message to everybody in the division that their fight to stay in the league is clearly not over.

With back-to-back home games coming up, Talbot believes now is the perfect opportunity to close the gap on the teams directly above them in the League One table.

Speaking after the 1-0 loss at the Liberty Stadium, Talbot said: "I don't think you should be playing football if you're going to quit.

"The lads are gutted, because everyone has worked their socks off, given 110% and in a moments lapse of concentration we have conceded the goal.

"We keep saying that we need to win this game, but we are running out of time. We have to keep knuckling down and keep going. If we don't win soon we know we will be in trouble - it's as simple as that."

Talbot believes there were many positive factors that Luton could take from the match, but admits that Lady Luck is currently not with the Hatters.

The striker added: "Swansea are top of the league, you've got to respect that. We came here with a game plan and we did alright, I didn't think we looked like we were going to concede a goal to be honest.

"The click is not there at the moment, but if we can continue playing like that I think we can beat most teams in the division, so

hopefully we can put in more performances like that.

"I think if anybody was watching the game tonight they could see that we are a team who are close to winning games.

“ We've got to get back to how we used to be at home, where teams came and left Kenilworth Road with nothing, and we snatched a win. ”

"We're down at the bottom of the league but that's not a performance of a team at the bottom of the league. At the moment Lady Luck is just against us and we've just got to keep fighting until that changes."

Talbot is now hoping that the Club

can take the Swansea performance into their remaining games this season.

But the former Sheffield Wednesday man knows how more important it is to recapture the form at Kenilworth Road that had been so impressive at the start of the season.

He continued: "It's down to us to keep repeating performances like that every week. We have got to keep our fingers crossed that we can get a win against Millwall tonight, because it's a massive game.

"We've got to get back to how we used to be at home, where teams came and left Kenilworth Road with nothing, and we snatched a win or ended up being comfortable. Its got to get back to that stage.

"I don't think the spirit in the camp has ever been the problem. We are a good team, we pushed Liverpool all the way and we have got the ability to get ourselves out of trouble.

"The fight is absolutely not over. You know you're in the wrong business if you're just going to quit. All the lads in the dressing room, even the lads that are injured, are fighting to get back and help us out and we'll fight to the death to be honest."

Meanwhile, Talbot confirmed that there was interest in him during the January transfer window to go to Italy, but he choose to help Luton in their League One survival campaign.

"I didn't even consider it. How can you make a decision in 48 hours to move and go to a different country? That was just never on the cards really.

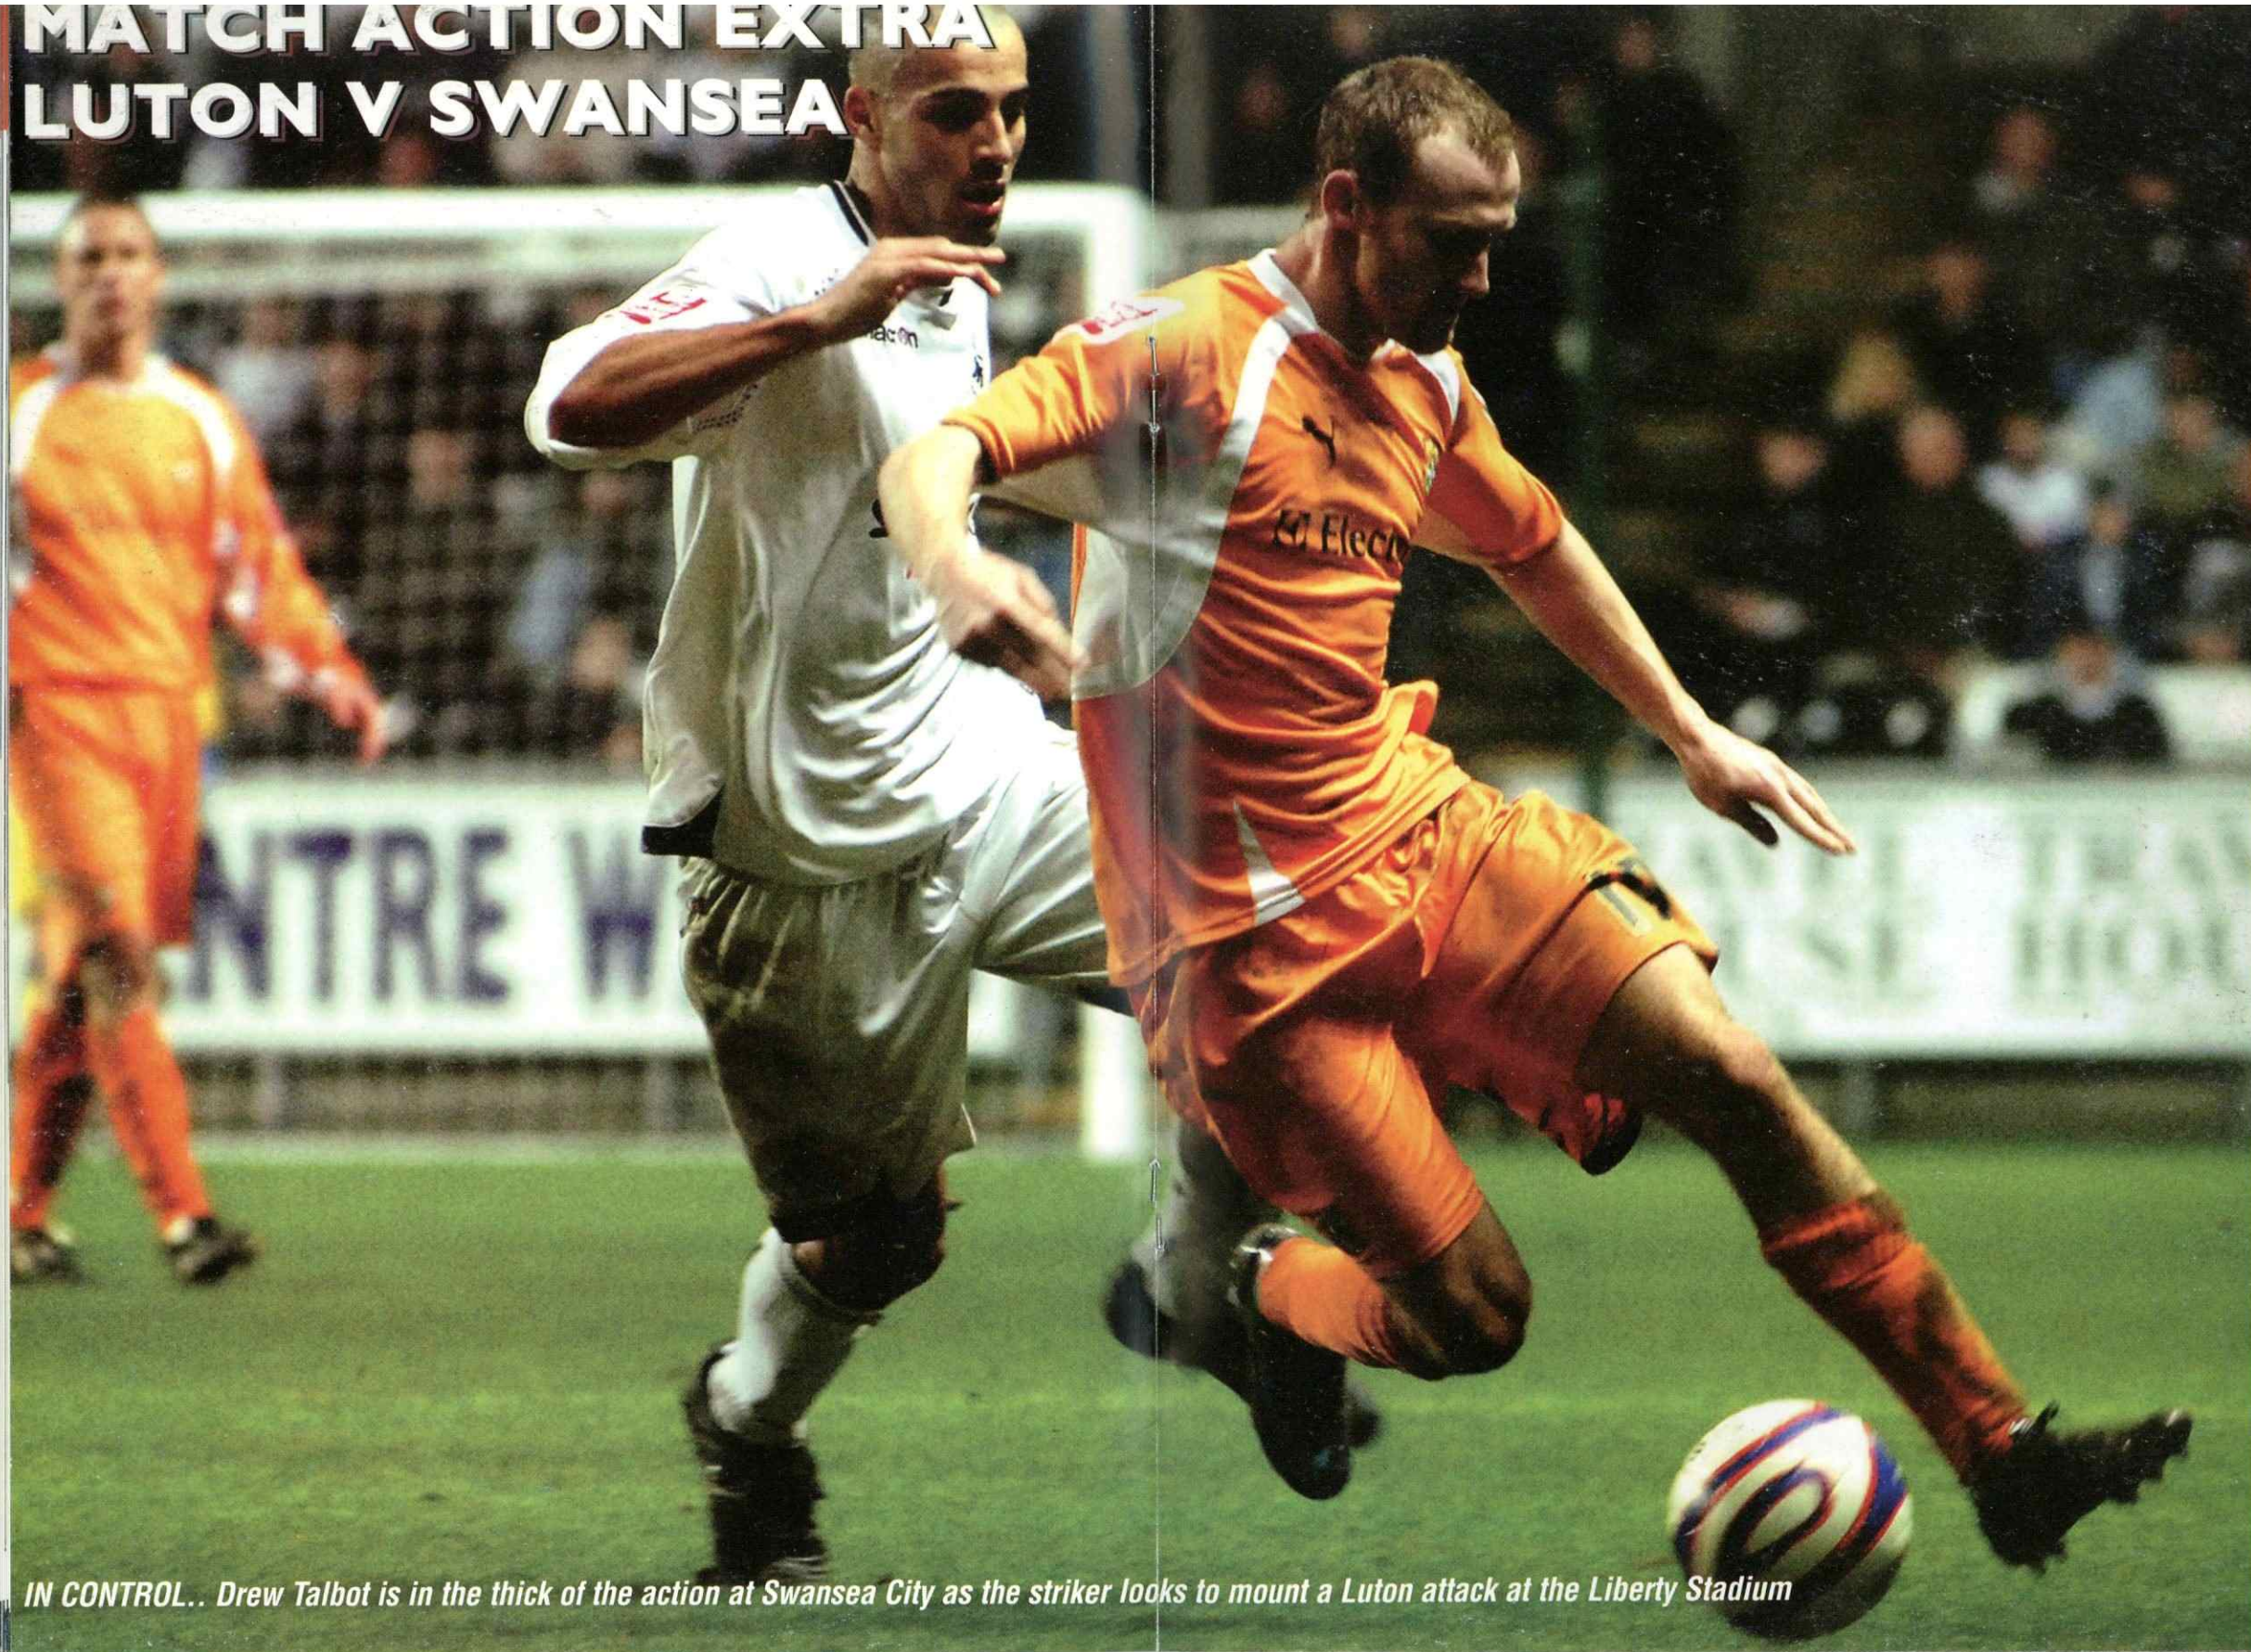

"I wanted to stay and help Luton out. I didn't come down here for the short term and I signed on a three-and-a-half year deal so I am here for the long term."

YOUNG HATTERS

LUTON TOWN YOUTH TEAM

CHRIS CUMMINS brings us the latest news from the Youth Department

Young Hatters stride forward with another win

Luton's youth side produced another professional performance to continue their fine run of form in the Youth Alliance League with a 2-0 win at Southend United.

The Hatters made it a hat-trick of consecutive 2-0 wins as Ryan Charles continued his fine run of form with his 11th goal of the season.

Charles' first half strike was then added to by Dean Hamilton, who found the target with 15 minutes remaining to put the game beyond any doubt.

The only downside to the game was a serious injury to promising defender Riccardo Biggi, who required stitches to the head after receiving a boot to the face from a Southend player.

Despite Biggi's injury, Hatters boss Chris Cummins was delighted by the performance of his players.

"We looked in control of the game from

Luton 2-0 Southend

Charles (40)
Hamilton (75)

HT 1-0

start to finish," admitted Cummins. "Even when Riccardo went off and we had to reshape the team, the players kept focused on the game.

"It was a good, all-round team performance. Every player played their part in the victory and I was very pleased with how the boys performed.

"We deserved to go a goal in front at the break and even though it took us a while to get into our stride we deserved the win.

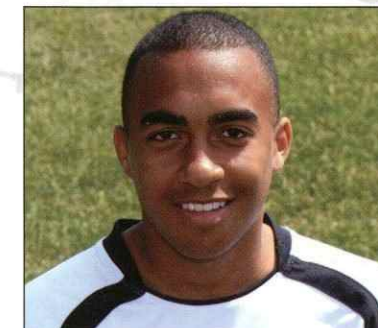

"Ryan is in good form at the moment. He is scoring goals for fun and I am pleased with his progress."

The Hatters were also boosted by the return of skipper Elliott Osborne-Ricketts, who came through 90

minutes after being sidelined through an injury.

Cummins added: "It was good to have Elliott back in the side. He is a big player for us and he has worked hard to regain his fitness.

"Hopefully with him returning, it will help us have a strong second half to the season."

HOLIDAY PROGRAMMES

EASTER HOLIDAY PROGRAMMES

STUART SMITH gives us the latest news on our holiday programmes

Good evening and welcome to tonight's game.

We would like to update you on the success of our new Holiday activities in the Mid Beds Area.

Under the guidance of Stuart English, our Mid Beds Development Officer, our February half-term courses were very successful. The two courses, at Edward Peake Middle School Biggleswade and Alban Middle School Great Barford, saw a rise in the number of children attending with just under 100 children in total.

Due to the success of these courses in the Mid Beds area will be running courses at Easter. These courses include coaching from our FA and UEFA Qualified Coaches and presentations on the final day of each programme which includes certificates and prize winner medals.

We aim to help the youngsters with their general motor abilities such as agility, balance and co-ordination while placing the emphasis on fun and enjoyment.

Below we have listed for you the Easter Holiday Programmes available. The courses are for boys and girls aged between 6 and 12 years old, with the exception of our First Kicks courses which is for children aged between 4 and 5 years old.

As always to guarantee your place on any of our courses call the office on 01582 391927.

Enjoy the game

RESULTS FROM LEAGUE ONE

Nottingham Forest moved into second as Doncaster were beaten 1-0 by Carlisle.

Swansea continued their relentless march towards the League One title on Friday night, so the action centred around the chasing pack.

Forest came out on top against Leyton Orient to climb above Doncaster on goal difference, while Carlisle are just one point further back.

In the battle to avoid relegation, Gillingham and Crewe are locked together on points, goal difference and goals scored in 20th and 21st place.

Port Vale remain bottom after being beaten convincingly by Millwall.

Bournemouth 2 Cheltenham 2

Max Gradel fired The Cherries ahead at Dean Court with a penalty after 17 minutes and Marvyn Bartley doubled their advantage on 39 minutes. David Bird pulled one back for Cheltenham on the stroke of half-time and Stephen Brooker then grabbed an equaliser one minute from time to leave Bournemouth 12 points adrift of safety.

Brighton 1 Oldham 0

Brighton and Oldham, both in mid-

table but with games in hand on most of their rivals and still in contention for the play-offs, could not be separated in a tight first half. However, Glenn Murray pounced in the 61st minute to put the home side in charge and The Latics could not respond.

Bristol Rovers 1 Tranmere 1

Tranmere, looking to extend their unbeaten run to eight games, were reduced to ten men when Steven Jennings was sent off in the 44th minute. Bristol Rovers could not take advantage of their numerical advantage as Antony Kay gave Tranmere the lead after 74 minutes, but Craig Disley levelled with just nine minutes remaining.

Carlisle 1 Doncaster 0

Carlisle kept up their superb home form with a hard-fought victory over fellow high-flyers Doncaster. Danny Graham put Carlisle ahead on 40 minutes and John Ward's side stayed solid at the back to cling on for all three points. They are now just one point behind Doncaster in third.

Gillingham 1 Huddersfield 0

Gillingham claimed their first win in eight games as Adam Miller struck with a penalty in the 88th minute. Gillingham will now be looking to push on and climb clear of trouble, while

Huddersfield remain in trouble.

Leeds 1 Crewe 1

Leeds remain without a win under Gary McAllister after another disappointing showing at Elland Road, but they were able to salvage a late draw through Tresor Kandol's header on 86 minutes. Nicky Maynard scored for struggling Crewe two minutes into the second half.

Leyton Orient 0 Nottm Forest 1

Forest have struggled on the road in recent weeks but they boosted their promotion hopes with a battling win against Orient. Junior Ago provided the goal with a fine finish from the edge of the box to leave Orient just outside the play-offs.

Millwall 3 Port Vale 0

Port Vale failed to win for the eighth game in succession as they were comfortably beaten by Millwall. Lewis Grabben set The Lions on their way with a goal on 18 minutes and Marc Laird then found the target just before half-time. David Martin got in on the act in the 68th minute.

Swindon 0 Walsall 3

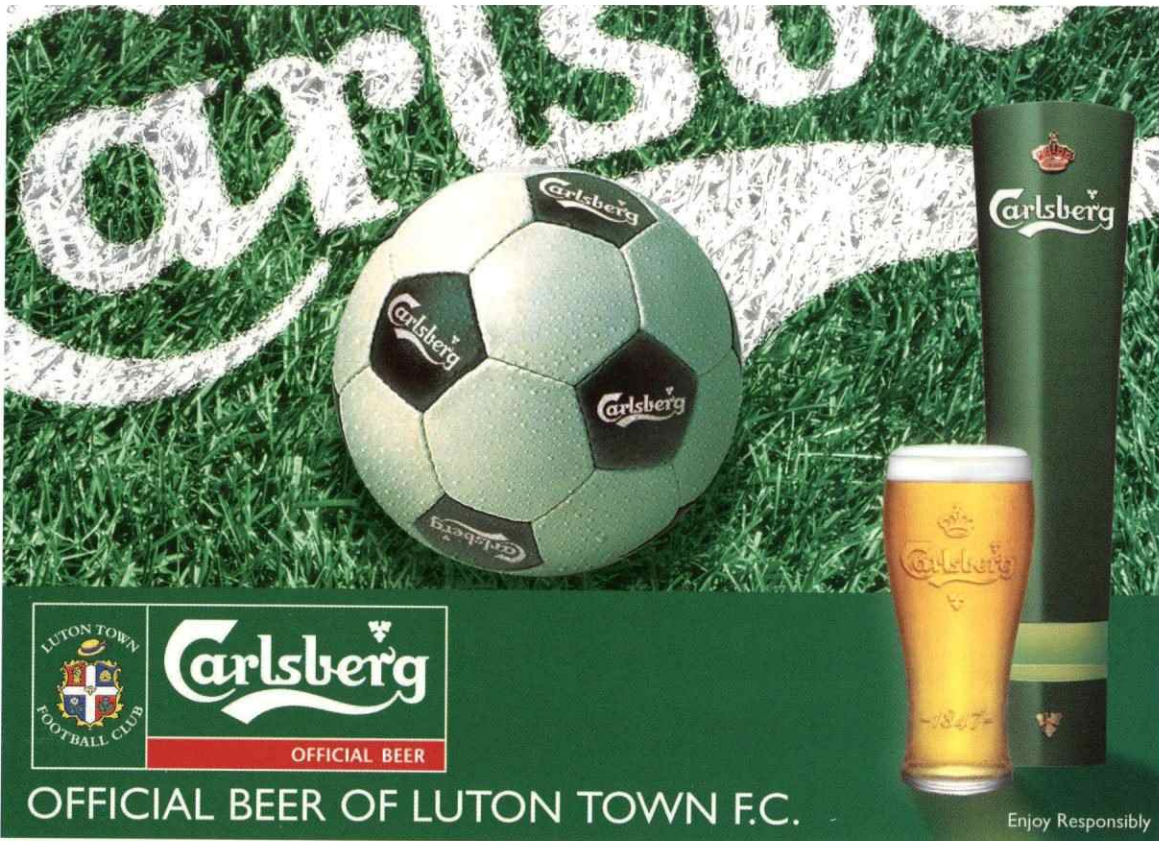

Lee Holmes was the hero with two goals for Walsall as they tightened their grip on a play-off place with another impressive victory on their travels. Holmes opened the scoring on 11 minutes and completed his brace in the 57th minute. Alex Nicholls piled more misery on Swindon with a third in stoppage time.

Yeovil 0 Southend 3

Lee Barnard broke the deadlock for The Shrimpers in the 20th minute and Peter Clarke made it 2-0 on 34 minutes. Mark Gower's goal on 64 minutes killed off any chance of a Yeovil comeback and Southend cruised through the rest of the second half to climb one place to seventh.

PENALTY HERO... Adam Miller struck a penalty for Gillingham to give them all three points

Only three League One fixture will be played tonight, with our fixture at Kenilworth Road probably being the stand out game of the evening.

However, the other two games in the division represent important matches for all the four teams involved.

After an action-packed weekend programme, the League One table continues to remain close within the play-off pack and the teams fighting to keep themselves in this division next season.

With SWANSEA (1st) well on the way to securing the League One title, the race for the second promotion spot is still a tightly fought with one of the teams in action tonight hoping to move into the automatic promotion position.

CARLISLE (4th) have been awesome at Brunton Park this season, losing one and drawing one of their 15 matches. However, it's on the road where John Ward's team have mainly struggled.

The Cumbrians haven't won on the road in their last ten attempts and have only managed to pick up four

points in the process.

Their most recent away game was against bottom side PORT VALE (24th) where they only managed to salvage a point thanks to a late Joe Garner strike.

Carlisle will have a decent opportunity to make amends this evening as they travel to CREWE ALEXANDRA (21st), who need the points for a totally different reason.

However, the Railwaymen have been on a mini revival in recent weeks and although they have dropped into the relegation zone, they have picked up five points from a possible nine, including a 1-0 win at LEYTON ORIENT (8th).

Crewe have been boosted by the form of their young striker Nicky Maynard, who continues to take professional football by storm since his progress from the youth set-up at Gresty Road, with three goals in the last three games.

Crewe have also been in good form at home this season, as they go into tonight's match with Carlisle unbeaten at Gresty Road in their last four games.

Elsewhere in the division, SWINDON (13th) will be doing their utmost to bounce back to winning ways after an embarrassing 3-0 home defeat to WALSALL (5th) on Saturday.

The Wiltshire club faces a tricky trip to OLDHAM (12th), whose home form hasn't been that impressive with just five wins from 15 League games.

Swindon, who lost to NOTTINGHAM FOREST (2nd) a fortnight ago, have struggled on the road with only three wins away from the County Ground all season.

They know that statistic will have to improve if they are to have a late surge towards the play-offs this season.

YOUNG STRIKER... Nicky Maynard

THE A-Z

ROGER WASH looks at every post-war

Scott WARD

Harrow born Scott came up through the ranks at Luton before signing professional forms in October 1998 and became highly regarded at Kenilworth Road as a goalkeeper of promise.

Scott enjoyed a remarkable introduction to League football when coming off the substitute's bench after Mark Ovendale had received a red card at Brentford in May 2001. His first job was to face a penalty from the Bee's Lloyd Owusu which he turned round the post before acquitting himself well in an eventual 2-2 draw.

Sadly, Hatters manager Joe Kinnear preferred to use the more experienced Ovendale and Carl Emberson between the sticks the following season leaving no chance for the frustrated Scott who departed from Luton in 2002.

Scott was last playing for London Colney.

John WARNER

Another player who made only a single appearance for the Hatters, Ashington born but Hemel Hempstead raised John made a meteoric rise from the club's fourth team to making his League debut in a Division One clash at home to Burnley in October 1959.

A part-time professional, John had been pushed into a friendly match against Banik Ostrava at Kenilworth Road earlier that season and had starred on the left wing. This gave rise to his elevation to the League eleven but the occasion was a little too much for him and he was not given another opportunity.

After leaving Luton, John had spells at Yiewsley and Amersham before returning to Hemel Hempstead where he lived until recently.

Charles (Charlie) WATKINS

Charlie made his name at Glasgow Rangers in war-time football but after the end of hostilities he found that he was often marginalised at Ibrox due the huge professional playing staff there at the time.

Following the advice of old playing colleague Billy Arnison, Charlie accepted a move to Luton in 1948 and there began a love affair with the town which never waned apart from a five year spell in South Africa in the late 1950's where he went as a coach.

A clever and skilful wing-half or inside-forward, Charlie made over 200 League appearances for the Hatters and signed off with two goals against Bristol Rovers in 1955 which virtually assured promotion to the top flight.

Charlie held a physiotherapist and chiropodist practice in the town for many years, came back to Kenilworth Road as a coach under George Martin and was still playing football for the local Round Table well into his 60's.

Charlie sadly passed away in 1998.

Julian WATTS

Tall and mobile central defender Julian had played only a handful of games for Rotherham when he was snapped up by Sheffield Wednesday in 1992 for £130,000.

Julian found it tough to break through at Hillsborough but it was still a surprise when he moved to Leicester in 1996 and the Owls fans were proved right when he helped his new club to promotion to the top flight.

After moving on to Bristol City in 1998, Julian came to Luton a year later and was virtually ever present for 18 months until falling out with new manager Joe Kinnear and deciding on a fresh start with Northern Spirit in Sydney. After returning to these shores in 2004 Julian set up a business in Worksop.

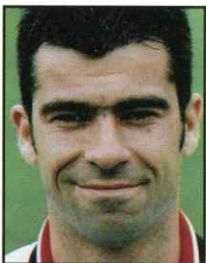

Mark Robert WATTS

After several brilliant displays on the wing for Luton reserves, Welham Green born Mark was suddenly thrust into the Hatters first team in a home FA Cup Third Round clash with Peterborough in January 1983 replacing the injured David Moss.

With Moss still injured the teenager, who had come up through the ranks at Kenilworth Road, did enough to keep his place the following week for the visit of Tottenham in a top flight League fixture.

The return of Argentine maestro Ossie Ardiles to the Spurs line-up for the first time since the end of the Falklands war swelled the gate to 21,231, a figure never subsequently bettered at Kenilworth Road, and in this tense atmosphere Mark set up the Luton goal in a 1-1 draw.

Surprisingly, Mark was never given another first team chance and he is now living in Cheshunt and works in London as a market trader in fruit and vegetables.

OF LUTON TOWN

player to have appeared for THE HATTERS in the Football League

William (Billy) Lindsay WAUGH

Stationed at Bicester during the war, Billy was alerted to Luton officials by his father leading to him signing for the Town in 1944.

A super-fast winger, Billy was nicknamed 'Rabbit' by the Hatter's fans and although not a prolific goalscorer, laid on many chances for the likes of Hugh Billington. After becoming the first Luton player to top 100 League appearances after the war, Billy fell out with manager Dally Duncan and transferred to QPR in 1950.

Following a three year spell at Loftus Road, Billy enjoyed a season at Bournemouth before several stints at non-League clubs combined with a job as an insurance agent. Billy then spent thirty years as general secretary for Electrolux Sports before retiring in 1986. A sprightly 86, Billy has recently moved from Luton to Felixstowe.

Roy Cannon WEGERLE

Born in South Africa, Roy was only young when he moved to the USA but after starting his footballing career playing for the University of South Florida he was picked up by Tampa Bay Rowdies where his displays soon alerted European clubs.

Roy was then poached by Chelsea but was used only sparingly at Stamford Bridge leading to Luton taking a gamble on him in 1988. After a slow start, Roy suddenly burst into life with his superb close control, balance and scoring ability, especially on the Kenilworth Road artificial surface, and his performances helped the Hatters to a second successive date at Wembley for the Littlewoods Cup final.

Sadly, finances dictated that a £1 million bid from QPR, a record for both clubs at the time, was accepted in December 1989 and Roy went on to become a favourite at Loftus Road before becoming less successful following further big money moves to Blackburn and Coventry.

Roy re-invented himself when returning to the States, becoming a star in the MSL and earning call-ups for the national side. Now involved in media work in the USA, Roy is also a golfer of note.

James (Jimmy) WEIR

Glasgow born Jimmy was playing for Clydebank Juniors when Fulham scouts enticed him to Craven Cottage but after three years and three league appearances he moved on to York in 1960. Winger Jimmy proved a revelation at Bootham Crescent, netting 38 goals in 82 starts for the Minstermen, and the supporters were mightily disappointed when he left to join Mansfield who he helped to promotion to the old Division Three.

Joining Luton at the end of August 1963 for £5,000, Jimmy failed to show his previous form as a goalscoring winger in a poor Luton side and after losing his place to teenager Ray Whittaker moved on to Tranmere. Jimmy finished his football career at Midland League side Scarborough, and then settled in the town working as a coachbuilder until retirement.

Michael (Micky) Graham WEIR

Micky joined his local club, Hibernian, from school and after working his way up through the ranks at Easter Road embarked on a long time infatuation with the club and its supporters.

Already a terrace favourite at Hibs, the 21 year old was not happy when contract terms broke down leading to a tribunal set £230,000 move to Luton in 1987.

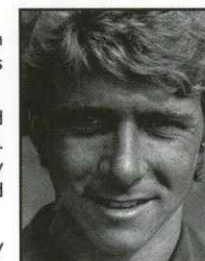

A classic Scottish winger, Luton fans never saw the best of him although he did score the goal at Wigan that set the Town up on their road to Wembley in the 1987/88 Littlewoods Cup. Four months after signing for Luton the homesick Scot returned to Hibs to resume what was to become a long career which only ended when he took on a coaching role at Motherwell.

Alan WEST

After being spotted by Burnley scouts while playing for his school team in Hyde, Alan joined one of the best youth set-ups in the country and became part of the Clarets side that lifted the FA Youth cup in 1968.

A midfielder of skill and vision, Alan made over 50 appearances for Burnley and picked up an England Under-23 cap before a big bid from Sunderland was accepted in 1973. Amazingly, Alan failed a medical because of a back problem but Luton manager Harry Haslam immediately stepped in, leading to an eight year stay at Kenilworth Road and 285 League appearances!

Since leaving the professional game, Alan has been a church minister in Luton for many years and has recently recovered from serious illness.

Luton Town v
WALSALL

You can only sit and admire the job that former Hatters defender Richard Money is achieving at Walsall.

Money, who played at Kenilworth Road during the early 1980's, is spearheading a promotion charge to the Championship that many Walsall fans wouldn't have predicted at the start of the season.

On a shoestring budget, Money has built a squad that combines a mixture of youth and experience and is surprising many within the game by Walsall's impressive form this season.

In late October, Walsall embarked on a 17 game unbeaten run that has seen them reach a play-off position and has given the Saddlers a real optimistic belief that they can make it into the Championship.

Although there has been blips against Swansea and Carlisle in recent weeks, Walsall are still one of the most in-form teams in the division and at the Bescot Stadium boast one of the most impressive home records, not losing there since mid-October.

And the success Money has brought to Walsall this season has even attracted interest elsewhere with Coventry City linked with an approach to the former Scunthorpe boss following the sacking of Iain Dowie.

One of the reasons for Walsall's run of good results has been the form of Tommy Mooney. The much travelled striker is enjoying one of his best seasons for many years with ten goals so far this campaign.

Mooney, who has played at Wycombe, Oxford and Swindon, has been assisted by another experienced striker, Michael Ricketts, whose career earlier this season looked to be over after being released by Oldham.

Ricketts, a former England international, has contributed with seven goals, and along with Edrissa Sonko's five goals from midfield this season, Walsall have a well balanced outfit.

Fans favourite Darren Wrack, approaching his tenth full season as a Walsall player, is still going strong in the heart of the Saddlers midfield whilst in Clayton Ince, the Club have one of the best goalkeepers outside the top two divisions.

Luton were winners when the two sides last met at Kenilworth Road when a Kevin Nicholls penalty settled a 1-0 win in 2005.
