## FROM THE DUGOUT

Firstly I would like to welcome the players, officials and supporters of Luton Town football club.

To say I'm disappointed about the result against Chester is an understatement, we spent the whole week preparing for a game I honestly thought we would get something from.

I'm fed of repeating the same thing week after week, I expect my players to give me 110% on the pitch regardless of the standard of the opposition and I felt let down last week.

This week we have an equally difficult game and a well prepared Luton town team will turn up here expected to take all 3 points.

The boys have worked very hard in training this week and a 4-1 friendly victory against a young Dagenham and Redbridge side on Wednesday has helped me look at some of the new players some of which have been named in my squad this week.

With a big crowd expected today we are totally aware how important today's game is for us and one thing I can promise you is that we won't lack desire in any department today.

Thank You

# WHO'S NEW AT GRAYS

Throughout the season the management team and the board are always looking to strengthen the squad, below are some of the new faces that have been brought in over the last few weeks.

**Harry Agombar**

My Early Career involved me playing for both Arsenal and Tottenham, I joined Grays reserves 9 months ago and from the reserves I progressed through to the first team, I can play anywhere in midfield.

**Alsseny Cissoko**  
22 Years Old

My previous clubs have been Paris-Saint-Germain, Eureux AC, FC Rouen and FK Siadmost, I have recently arrived in England for the first time having been at Paris-Saint-Germain for 10 years, I am a mid fielder and look forward to playing for Grays Athletic.

**Danny Bunce**  
23 Years Old

Started my career at West Ham where I spent 10 years, I didn't break into the first team so moved to Woking after 3 years i moved to Chelmsford before signing for Grays, im looking forward to a successful time here.

**Charles Mallman**  
23 Years Old

I am very happy to in England and working with Julian and Kenny, I am very grateful to be given the chance to play for Grays Athletic and hopefully I can help bring some points for the team this season.

**Tom Prendergast**

**Alain Logombe**  
19 Years Old

Alain used to play for Valenciennes football club for two seasons during 2007-2009. Prior to this he played for Torcy which is a great club for young people. Alain is a defender, and can also play midfield.

THE FUTURE OF GRAYS ATHLETIC

## THE BOY DONE GOOD...

Callum started at Grays as a under 11's player with Tony Gay he went on to play at the Tottenham Academy from there he went to Ipswich Academy where he played until the age of 15.

From there Callum returned to Grays where he played through the youth and the reserves and on the 31 of October 2009 Callum made his first appearance for the first team of Grays against Burrow.

### Grays Athletic 5-1 Bowers and Pitsea (u16 EJA)

Grays got back to winning ways in style with an emphatic win over a dangerous Bowers side. The game started tight with neither side being able to get a real foothold in the game. With 15 minutes played Tommy Judd capitalised on some indecision in the Bowers defence and finished in a real poachers style slotting the ball through the keepers legs.

Grays grew in confidence from this and soon were 2 in front when Ben Sartain curled a wonderful left footed shot into the top left hand corner. Grays added to their lead just before when Ben Munday powered in a header from Ben Sartain's free kick to make it 3-0 at the break and Grays playing some wonderful stuff.

After the break Grays seemed to have took their foot of the gas and allowed Bowers to pull one back. This however just spurred Grays on and made it 4-1 when a clever free kick

again from Ben Sartain taken short, was thumped home from Ben Munday grabbing his second.

Grays continued to play some great stuff and capped the performance with the goal of the game. Ben Sartain's long diagonal ball was cushioned down brilliantly by Ben Munday into the path of Aaron Cooper who tucked the ball away for the 5th and final goal. A superb performance with all 14 players playing their positions positively and professionally.

George Light

### Great Notley Vs Grays Athletic U16s Chelmsford 10 - 1

Grays Athletic had to start the match with 8 men due to a car with the rest of team being delayed in traffic.

The 8 men in the first half their unable to play out of their own half. With only 8 men I couldn't have asked more of them, they kept battling and never let their heads drop.

# gafc youth

THE FUTURE OF GRAYS ATHLETIC

Going in at half time 8 - 0 down the boys still in good spirits. 10 minutes into the second half the rest of team arrives. With a full team on the pitch the boys start to play their football, unfortunately we conceded 2 goals on the break.

5 minutes left of time the team start played some great football with crisp passing though out creating a chance on goal which was finish into the bottom left corner.

Even being down 10-1 the boys celebrated the goal like it was the winner in the world cup final. All in all the boys showed great character and with a full team from the start it would have been a much different result.

### Prostar 3 Grays Athletic 3 ECHO

It seems poignant that on the day we are remembering brave and fallen soldiers, my boys put in a performance of grit and determination

that has really set the bar.

After a minutes silence for remembrance the game started very lively, Prostar having early chances. Yet it was us who went 1 up. Jake getting on the end of a long through ball.

However, it wasn't long before Prostar levelled the score.

With 10 minutes of the 1st half remaining we saw Alex, our keeper, leave the field with a nasty cut lip after a collision.

Robbie donned the gloves and our half fit Billy come off the bench.

Prostar, in the 2nd half were relentless with their attacks and a 2nd goal was scored.

This didn't faze the boys and a long ball tactic was employed.

With a clearance, and then a flick on Sam scored with a 18 yard lob.

It wasn't long after that,

a cross came in from the right and Dayo broke his duck with a close range, well executed volley.

The clock now seemed to be going backwards, and the inevitable happened, Prostar equalised with time almost up.

I cannot praise my boys enough. They should all be very proud of themselves. The best point they will ever earn.

### Southend Manor 0 v Grays Athletic 2 (under 15's eja)

A clean sheet for the under 15's and some nice football from a team that last year won all but this year was struggling for form..Well done lads a point in the right direction.

# The Physio Room

Good afternoon everyone, overall the number of injuries within the team is decreasing, which is promising.

## **Gavin Hoyte - 23 Years Old**

Gavin Hoyte's return was delayed due to further complications with his ankle after the F.A. Cup game at Luton, but he is now running comfortably. It is looking likely that he will be back training with the team by the end of the week and could be available as a member of the squad against Luton this coming Saturday. Gavin has been a major loss to the team and is almost ready to show everyone what they have been missing.

## **Ronnie Bull - 28 Years Old**

Ronnie Bull is also beginning to run and has told me he is ready to play. I know that he is not quite fit for training just yet, but will be hopeful to meet our target and be back in training by the end of November.

## **Kenny Davis - 21 Years Old**

Kenny Davis is suffering from a quadriceps contusion (dead leg) that he sustained whilst playing against Chester last Saturday. Since then he has been resting from any aggravating activities and has been treating it appropriately. He has progressed to running and ball work and hopes to be training again by next week.

## **Paolo Venazza - 30 Years Old**

Paolo Vernazza is scheduled for knee arthroscopy next week. It is hopeful that after this operation, with an appropriate intense rehabilitation programme, he will be back to training within four to five weeks.

## FROM THE TRAINING GROUND Brownies Blog

### MONDAY

There were 20 players training this morning. We had a keep ball session with goals and goalkeepers.

9 v 9 with various conditions. In between the 12 minute games we incorporated stamina running.

### TUESDAY

We worked on the Astroturf at The Academy this morning. The players were paired off and we had 9 different stations. They worked for 1 minute and 30 seconds involving various exercises with and without the ball. We finished with 3 teams of 6 small sided games with the winning team staying on.

### WEDNESDAY

We organised a practice match against Dagenham & Redbridge at The Academy. A lot of pluses from the game with players coming back from injury and suspension and some trialists. The players that were not involved had an aerobic session with our physio Dan Gosshawk.

### THURSDAY

We spent some time working on the shape of the team for the coming Luton game, both with and without the ball. We finished with a small sided game with 3 teams.

In the afternoon we sat as a team through the DVD of the Chester game.

### FRIDAY

We warmed up together, then went into SAQ work. 30 minute keep ball session followed with crossing and finishing. We ended with working on all our defence an attacking corners and set play.

# THE LATEST NEWS FROM THE REC

THE FAMILY STAND WILL BE OPENING IN EARLY DECEMBER FOR TICKET PRICES PLEASE CALL 01375 377753

Hi let me introduce myself to those of you who do not know me, my name is Derek Page, Grays Athletics new Club Secretary as of last Saturday's home fixture with Chester City.

I have lived in Grays for the last 24 years having previously moved up from Leyton with my wife Jo and my then only child and Daughter Samantha, who is now 24. Since then my family has grown to include my Son Matthew who has just turned 20 years of age, along with my dog Bex and two cats, Treacle and Honey, no we never named them as they were from an animal shelter.

I first got involved with Grays FC around 2000-2001 as my son was then playing for a very good Eastern Alliance Grays Athletic youth side at the time. This by chance got me to meet the previous Secretary Phil O'Reilly who needed a bit of a helping hand out at the time with the club administration, as this is one of the most important aspects of any club.

I and Phil gradually built up a fantastic rapport with each other and also a good mutual friendship that lasted for 5 years. In the 5 years together I was here with a good and brilliant bunch of people that were a pleasure to work with and here are a few names from the past, Alan Barnard and Mrs Barnard, Donna, Fred Barnard, Anthony Lee-man, John Turner, Jamie Lee, Paul Spinks, Kevin Lamb, Julie Stimson, and Chris Riley and sorry if I have missed of your name as this was not intentional, but you know who you are.

In the previous tenure we were successful winners of the Nationwide Conference South and the FA Trophy on two occasions, Villa Park and Upton Park, the play off semi-final with Halifax Town, fantastic. Also experiencing a few lows, losing in the semi-final in extra time at Stevenage Borough. I worked along side the greatest Grays Manager ever in Mark Stimson and his assistant Scott Barrett and not to forget a few of the players of that era, Michael Kightly, Aaron McLean, Gary Hooper, Lee Matthews, Glenn Poole, Ashley Bayes, and again sorry to all the guys I have missed off this list, all fantastic professional footballers.

After leaving Grays I joined our neighbours from over the water Ebbsfleet United and worked closely with Club Secretary Roly Edwards in the role of Match Day Secretary for two years and soon developed the affectionate nickname "Lucky FAT Mascot" as for the first time in their history we reached Wembley in the FA Trophy and beat Torquay United 1-0 on the most memorable day in my life.

Last Monday evening I received a call from Mick Woodward asking if I would consider making a return to the club and then I met our new Vice Chairman, Andy Swallow who convinced me to join with his hopefully new found enthusiasm and drive to make the club successful again in the future.

To all you Grays Athletic Supporters out there let's try and make the club proud again.

Derek Page

A LOOK AT THIS AFTERNOON'S VISITORS

## GOALKEEPERS

### Mark Tyler

Born Norwich 02.04.77  
Hugely experienced goalkeeper who signed a two-year contract at Kenilworth Road in June 2009 to become Mick Harford's fifth signing of the summer following his release from Peterborough United. Mark made 483 appearances in 15 years at London Road and was rewarded for his loyalty with a testimonial against Liverpool in 2007. After falling down the pecking order at Posh he found first team opportunities hard to come by and in 2008/09 he was loaned out to League 2 Bury where he made 11 appearances for the Shakers. A former England Youth international, Tyler was handed the number one shirt by the Hatters boss who admitted he'd failed in an attempt to sign the stopper the previous summer.

### Shane Gore

Born Ashford, Kent 28.10.81  
Former Wimbledon stopper who arrived at Kenilworth Road on a short-term deal on the eve of the 2009/10 season. He came through the ranks at Selhurst Park at a time when Mick Harford was a coach with the Dons but could only make one substitute appearance before leaving for Peterborough in 2003. Shane has also had spells with Barnet and Stevenage and

featured for Maidenhead United in 2008/10 prior to joining the Hatters.

## DEFENDERS

### Claude Gnaka

Born Marseille 09.06.83  
A defender capable of playing centre back or full back, who joined on a free transfer in August 2008. Having plied his trade across Europe with Montpellier HSC, Racing de Santander, Deportivo Alaves and FC Vaduz of Liechtenstein, Claude moved to Swindon Town for a brief spell. He was then off again in July 2007 to Peterborough United and was a regular in the League 2 promotion winning side, starting 25 league games.

A favourite with the Kenilworth Road crowd the Frenchman scored the Hatters' winning goal in the Johnstone's Paint Trophy final against Scunthorpe United in April 2009.

### Keith Keane

Born Luton 20.11.86  
Having made his debut as a 16-year-old in November 2003, Keith Keane went on to enjoy an extended run in the side from February onwards whilst Kevin Foley was out injured.

Such was the contribution he made that the return of Foley didn't signal the end of his involvement at first-team level and he finished the season with 14 appearances under his belt, all this whilst still in the first year of his scholarship. Another of the youth team who regularly appears for the Republic of Ireland at schoolboy level, he joined the Hatters at the age of nine having been scouted in local football, and has made a rapid progression through the club's centre of excellence and youth teams, demonstrating enough potential to convince Mike Newell to give him his first taste of senior action. Keith has featured most prominently on the right of midfield, bursting forward to great effect to provide many goals for himself and his team-mates. Over the course of his career at Kenilworth Road Keane has proved to be one of the, if not the most, versatile players to pull on a Luton shirt. Capable of playing right the way across the back four or in midfield the only positions he's not featured for the Town (yet) are in goal and up-front.

### George Pilkington

Born Rugeley 07.11.81  
Highly experienced defender who joined the club on a free transfer in August 2008. Having

began his career as an Everton trainee, Pilkington joined Port Vale in June 2003, after a loan spell at Exeter City. Having started 223 league games for the Valiants, the highly regarded defender was named player of the year twice and club captain.

### Lewis Emanuel

Born Bradford 14.10.83  
Lewis Emanuel arrived at Kenilworth Road in the summer of 2006 after deciding to leave his home town club Bradford City, the place where the defender started his career. Lewis is a pacy full-back but can also play on the left side of midfield, a position where he started on his league debut for the club. Lewis made over 150 appearances for Bradford in six-years at the club, scoring four goals. In his first season at Kenilworth Road he made 40 appearances, scoring twice. Out of contract at the end of the 2008/09 campaign, Lewis signed a new contract in July 2009.

### Ed Asafu-Adjaye

Born London 22.12.88  
Capable of playing in any position across defence, Asafu-Adjaye has made significant progress through the Club's youth set-up. Sent on on-loan to non-league side Walton & Hersham, he made the breakthrough into the first team under former boss Mike Newell, when the Club was stretched to the limits through injury and suspension. Although the youngster was an unused sub for three matches, Youth Coach Marvin Johnson gave Ed a glowing reference to incoming boss Kevin Blackwell, who gave him a one-year contract.

However with first team opportunities still blocked, Ed went on-loan to Salisbury City where he earned rave reviews and when Mick Harford arrived as manager at

GEORGE PILKINGTON

Kenilworth Road one of the first things he did when he was in charge was to recall the young defender.

Making his full debut in March 2008 at Kenilworth Road against Crewe Alexandra he has gone from strength to strength and was part of the Town team that won the Johnstone's Paint Trophy at Wembley in 2009.

### Jake Howells

Born Hemel Hempstead 18.04.88  
The young left back came through the ranks at Kenilworth Road and made his first team debut as a second half substitute in May 2008. He made his full debut in the Hatters colours away at Bradford City in October 2008. After making 36 appearances for the Hatters in the 2008/09 he was rewarded for his efforts with a professional contract in May.

### Alan White

Born Darlington 22.03.76  
Vastly experienced centre half who resigned for the Hatters nine years after leaving Kenilworth Road. Darlington-born

Alan started his career with Middlesbrough making his debut for Boro in a 3-3 draw with Liverpool in 1996. However, with first team opportunities limited at the Riverside, Alan jumped at the chance to sign for the Hatters in September 1997 for £40,000. After 98 appearances in Luton colours, Alan left Kenilworth Road in 2000, joining Colchester United on a free transfer. Four years at Layer Road came and went before he spent one season-spells at Leyton Orient, Notts County and Boston United. He signed for home-town team Darlington at the start of the 2007/08 season and went onto make 85 appearances for the Quakers before joining the Hatters for the second time in the summer of 2009.

### Shane Blackett

Born Luton 03.10.82  
Luton-born Shane became Mick Harford's sixth summer signing of 2009 after penning a two-year contract at Kenilworth Road from Peterborough United. Equally adept at centre-back or at left-back,

KENILWORTHROAD

thehatters

Shane began his career with Dunstable Town before a switch to Arlesey Town in 2003. His form with the United Counties side alerted the attentions of Dagenham & Redbridge who signed the 6ft 3in defender in May 2004. He made 83 appearances during his time at Victoria Road and helped the Daggers win the Conference title and earn promotion to the Football League in 2006/07. His reputation as a pacey defender alerted the attention of Peterborough who snapped him with Dagenham team-mate Craig Mackail-Smith in January 2007 going onto make 38 appearances during his time with the London Road outfit.

#### Callum Reynolds

Born Luton 10.11.89  
Young Luton-born defender who signed a six-month loan deal from Premier League side Portsmouth in July 2009. Reynolds began his career with Rushden & Diamonds having been spotted playing for the Crawley Green club in Luton. Despite not making a senior appearance at Nene Park, his promise playing for the Diamonds' youth team alerted the attention of visiting Portsmouth scouts and he subsequently signed for Pompey in the summer of 2007. Also capable of playing in midfield, Reynolds also spent time on-loan at Basingstoke Town making eight appearances for Stoke during 2008/09.

#### Freddie Murray

Born Clonmel 22.05.82  
Left-footed versatile defender who joined the Hatters on a six-month loan deal from Blue Square Premier side Grays Athletic in August 2009. Murray only signed for the Essex club in August before making his debut for the Town in the 4-1 victory over Mansfield Town just hours after putting pen to paper. Previously with Northampton Town, Stevenage Borough and Cambridge United Freddie began his career as a trainee with Blackburn Rovers.

### MIDFIELDERS

#### Adam Newton

Born 04.12.80  
Ascot-born Adam became Mick Harford's second summer signing after agreeing a two-year contract at Kenilworth Road following his release from Brentford. Predominately used as a right winger, the pacy wide man is equally as comfortable at right-back. Adam started his career at West Ham United, coming through the Hammers' respected academy but could only make three substitute appearances during his time at Upton Park before signing for Peterborough United in May 2002.

The former England Under 21 international went onto make a name for himself with the Posh making 249 appearances in six years at London Road going onto win promotion at the end of the 2007/08 campaign. After leaving Peterborough at the end of the 2007/08 season, Adam was snapped by Andy Scott and Brentford where he helped the Bees to the League 2 title. A St Kitts and Nevis international, he has spent time on-loan at Portsmouth, Notts County and Leyton Orient.

#### Rossi Jarvis

Born Fakenham 11.03.88  
Adaptable player who can play on the left or right hand side of defence or midfield. Jarvis came through the Norwich City youth system, becoming the youngest player to appear for the reserve team at the tender age of 14. He went on to spend loan periods at Torquay United and Rotherham United and after finding first team opportunities hard to come by Jarvis joined Luton Town in August 2008 on a free transfer.

#### Asa Hall

Born Sandwell 29.11.86  
Versatile player capable of playing in

midfield or defence. Hall began his football career in Wolverhampton Wanderers youth system, before signing his first professional contract with Birmingham City in 2004. While at the Blues he was a regular in the reserve team and was named young player of the year in the 2004/05 season. He also received caps for England at Under-19 and Under-20 levels and went on to have loan spells with Boston United, Ashford Town and Shrewsbury Town, starting 13 games for the latter.

#### Kevin Nicholls

Born Newham 02.01.79  
Kevin Nicholls needs no introduction to most Hatters fans. The hard-working midfielder enjoyed six successful seasons at Kenilworth Road between 2001 and 2006, captaining the side to the League One title in the 2004-2005 season. Nicholls began his career at Charlton Athletic, before moving to Wigan Athletic in 1999, where he made 28 appearances in two years. He moved to Luton in 2001, and in the next six seasons went on to appear 175 times, scoring 30 goals.

Following Luton's successful first-season in The Championship and the spirited FA-Cup performances, Nicholls was a player very much in demand. He moved to Leeds United for £700,000 in July 2006 and was made club captain by then boss Dennis Wise.

However, his very public fall-out with Wise saw him fall down the pecking order at Elland Road, and the following summer he moved to Preston North End for a fee of £750,000. His time at Preston began encouragingly, however a change in the management team saw his first-team opportunities limited. Kevin was delighted to re-sign for Luton, signing a three-year deal in August 2008 and being named as club captain.

### FORWARDS

#### Ryan Charles

Born Enfield 30.09.89  
An energetic striker who has made a huge impact at Kenilworth Road since making his debut in 2007. Charles, who has been at Kenilworth Road since the age of nine, had worked his way through the ranks at the Club before scoring 17 goals in his debut season for the Luton Town youth team. He followed that form up by scoring 12 goals for the youth team last season and his exploits during those two campaigns earned him his first team debut as a second half substitute at Southend in March. He was given his full team debut in the following game against Carlisle before scoring on his home debut against Oldham. Charles had turned down the chance to join local rivals Watford as a youngster.

#### Tom Craddock

Born Darlington 14.10.86  
Originally a defender, Tom developed into a promising forward who has done well at youth and Reserve team levels with Middlesbrough. He was the eighth member of Boro's 2004 FA Youth Cup-winning side to progress to first team level, following James Morrison, Tony McMahon, Andrew Taylor, David Wheeler, Matthew Bates, Adam Johnson and Jason Kennedy. He joined the Hatters on-loan from the Riverside in October 2008 and scored twice on his debut in a 2-2 draw with Grimsby Town.

Two further goals followed in the games against Bury and Chesterfield and once his loan expired Mick Harford moved quickly to snap up the striker on a permanent basis. A £80,000 bid was accepted by Middlesbrough and Tom signed a two-and-a-half year contract in January 2009. He has previously spent spells on loan with Wrexham and Hartlepool United.

#### Kevin Gallen

Born Hammersmith 21.09.75  
A Shepherds Bush native, Gallen established himself as something of a legend at QPR. He notched up

over 400 appearances and hit 97 goals for the R's in two spells spanning nearly 14 years. Gallen joined Huddersfield 2000 and after 10 goals in 30 starts for the Terriers, Gallen moved across Yorkshire to join Barnsley the following summer, but the call of West London saw him return to QPR within a few months. He scored nine goals in 16 league starts for MK Dons before joining Luton on loan. After a successful loan spell Gallen joined permanently in January 2009, signing until the end of the season before agreeing a one year contract extension with the club in May keeping him at Kenilworth Road until June 2010.

#### Liam Hatch

Born Hitchin 03.04.82  
The 6ft 3in Striker signed for the Hatters on a season-long loan from Peterborough United in June 2009. Hatch started his career with Heme Bay before a move to neighbours Gravesend & Northfleet in 2001. A successful spell at Stonebridge Road saw him transferred to Barnet for £17,500 where he helped the Bees to promotion to the Football League with 11 league goals in the 2004/05 campaign.

His form at Underhill alerted the attention of Peterborough United who paid £150,000 for the striker's services. With first team opportunities limited at London Road Hatch was sent on-loan to Darlington during the 2008/09 campaign where he hit nine goals in 29 league and cup appearances at the Darlington Arena.

## ONE TO WATCH...

#### Andy Burgess

Born Bedford 10.08.81  
Self-confessed Hatters fan, Andy signed for the Hatters in the summer of 2009 after being released by Rushden & Diamonds.

The Bedford-born, left-footed midfielder can play in any position across the middle of the park and was Mick Harford's first signing ahead of the Hatters' 2009/10 campaign. Andy started his career at Nene Park, coming through the ranks to become a regular in the Diamonds' team and went onto win the Conference and League 2 titles in 2001 and 2003. After over 200 appearances for the Northamptonshire side he moved to Oxford United in the summer of 2006 but after one season and 57 appearances he returned to Rushden. Burgess has also represented the England C side on six occasions prior to the start of the season.

TOMCRADDOCK

## IN CHARGE

#### Richard Money

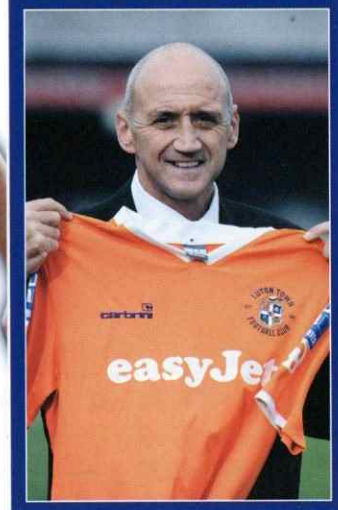

Lowestoft-born Richard became the Hatters' 24th post-war permanent manager to succeed Mick Harford.

Dubbed "Dicky Dosh" by Walsall fans after he guided the Saddlers to the League 2 title in 2006/07, Richard played 49 times during his season-long stay at Kenilworth Road in 1982/83.

He scored once – in a 2-2 draw at Rotherham – and made his final appearance in a Luton shirt at Old Trafford as the Town went down 3-0 to Manchester United just days before the famous victory at Maine Road which kept the Town in the top-flight.

Richard cut his managerial teeth at Scunthorpe United – who he also served as a player, before going continuing his education overseas with two clubs in Sweden.

After a brief stint in Australia it was to the Bescot where he enjoyed his most successful spell before joining Newcastle United as academy director prior to returning to Bedfordshire.

# gafc1890 trust

First of all I would like to thank the club for asking the GAFC 1890 Trust to become a regular part of the clubs match day football programme.

Since the Trusts launch on 11 October we have already in just over three weeks we have already signed up 84 members which is well above our targets as we looked to have 100 members by the end of the year.

The Trust Steering Group always recognised that this year is going to be the most challenging for fans of the club in recent memory and that it is more important than ever that its members have "one voice" especially when engaging with the clubs management.

But it should not be forgotten that we are an organisation independent from the club and can therefore undertake activities which it members see fit under the governance of its objectives and the one member, one vote principle.

We all know that the issue of the ground and what is happening in the regards to the future of the club are at the forefront of all fans minds at present and is quite rightly having a negative

impact around the club and on supporters. The Trust has already moving on this and discussions are well underway with a number of parties so that the Trust Steering Group can go back to its members at the end of November when we will establish a firm position in regards to this from the Trust point of view.

Having said that the Trust Steering Group are conscious that we are not constrained by one agenda (however important) at the expense of our other stated objectives and already you will have seen the launch of Trusts website on Monday.

Already you will see that we are looking to increase the profile of the Trust on match days and today you will see that we are starting the first

Trust Man of Match Award where a member (selected at random) will get to select the MOM and be involved in a presentation at the end of the match.

In addition to this we will be undertaking a mass fans survey of the supporters of GAFC in which we will be asking a broad range of questions in regards the club, its future and the impact on fans. While the Trust represents its members we feel it is important that this includes all fans to paint a true picture.

The results of this will be publically published and also handed to the club as it is important that we are able to analyse, understand and quantify what the supporters have told us. So make sure you complete the survey!!!

You will continue to see an increased number of activities over the coming weeks so I hope that if you are not already a member then this will encourage you to join. Feel free to download a membership form from our website

Enjoy the day and let's hope its three points for The Blues

THE FUTURE OF GRAYS ATHLETIC

## Boca youth U8s vs East Thurrock

A great game played in a nice friendly spirit with plenty of good football and the almost expected 2nd minute mix up costing us a goal!

Boca, captained this week by Max Aston got off to their usual shambolic start and conceded a goal after 2 minutes for the 3rd consecutive game against an extremely organised Thurrock side with one or 2 exceptional young players. After Boca conceded, they woke up and played some very good football before the interval having lots of possession but no thrust in the final third. Boca managed to not take advantage of 3 or 4 corners but defended brilliantly against a very purposeful attack.

The second half was a different story with Boca really going after the equaliser which duly came from Jack Mimms who ran half the length of the pitch before applying a great finish across the goalkeeper into the bottom corner. Rarely should a single player be singled out for a performance but Jack was simply outstanding and was the focal point of everything Boca produced. There was a blood and thunder last 5 minutes with Boca having the best of the play. Final score 1 - 1 after probably our best game of the season.

*Ben Aston - Boca U8's Manager.*

## Boca U9s 2-3 Rippleway U9s

For the second game running it took Boca to find themselves 2-0 down within the first 10 mins to get going. On a very difficult pitch to play on and against a team that haven't won a league match all season, Rippleway found their confidence very quickly as they continuously battled for the ball and forced Boca into several mistakes.

Jacob Bennett came on and within two minutes got Boca back into the game after the visitors keeper fumbled his shot into the goal. Within 5 minutes of the restart Jack Parr got on the end of a cross from the left hand side of the box to sidefoot a volley into the goal. with the

scores now level Boca then dominated the possession and bombarded the visitors goals and should've got their noses in front but against the run of play Rippleway recieved the ball on the right hand corner of the box and rifled a low right foot shot into the bottom corner with the keeper well beaten.

For the rest of the game Boca forced the Rippleway goalie into save after save looking for an equaliser but it would just not come. In a game that Boca on paper should've won it was obvious for the second game running that the game was lost in the first 10 minutes to a team that wanted it more than them.

## Dagenham United "B" U9's 3 v 1 Boca Youth "B" U9's

Boca Youth B U9's faced an away fixture on Sunday 8th November to top of the table Dagenham United B. Dagenham ran out 3-1 winners but not after Boca played some of their best football of the season in the first half and were rewarded with an excellent goal, which was set up In Boca's half with some strong tackling from Ben Andrews to win the ball and pass to Nikhil Mohindra who held it up superbly and released Shaan Ali who broke through Dagenham's defence and slotted the ball away with great aplomb.

This though stirred Dagenham in to life, and they scored twice in the first half in quick succession from two very well taken corners, the resultant headers for both goals would have taken some stopping regardless of who they were playing.

The second half started badly with a sloppy goal conceded to Dagenham, but to Boca's credit they started to play their way back in to the game, drawing inspiration from some great saves from Boca Keeper, Joshua Simmons, and excellent defensive work from Finley Day and Ben Andrews, this enabled the midfielders to launch several attacks, with seven minutes left on the clock after sterling work from Bayley Jesson and Conor Latchford, Boca were awarded a penalty for handball, unfortunately the

kick was saved. To the boys credit they still pressed to the very end, with Vinny Vandepier displaying some very fine tricks and turns on the right wing.

After the game, the manager of Dagenham was impressed by the play of Boca, and said that we were one of the toughest teams they had played this year, if the boys continue to play in this manner, the rewards for the effort, skill and determination they are currently showing will not be far away.

## Under 10's Match Report

The Under 10's travelled to Romford this weekend, where it was made evident that the Moby Dick was supporting Stacey Solomon in the X-factor. This was not the purpose of our visit however. We were here to meet the high flying Romford flyers.

The game got underway and we were 1-0 down after a matter of seconds (Not a great start). After the re-start we dominated play, with a hard working lone front man Applin at the heart of it. Two minutes later were rewarded with a goal ourselves through Dylan Bruns. As Boca continued to attack we were hit on the counter twice in quick succession before half time, by a very influential boy, flyers number 8.

3-1 at half time and a lot of work to do Boca begun strong and new players were out to impress. With Jack moving from right back to centre midfield (in place of a Peter Chec like Lee Cavanagh taking a turn in goal) through in strong tackles and looked very composed on the ball, creating neat moves. At the other end substitute Rowan was almost unplayable, creating countless opportunities for the side, before notching his debut goal from a corner. Romford then scored again 4-2 now, until interplay between Dylan and Rowan which was a master class all afternoon led to Bruns getting his second of the day. More and more opportunities came Boca's way as we pushed for that 4th goal. However, one minute from time we were again caught on the counter and a great finish left Cavanagh with no

chance. 5-3 it ended, but it was a fantastic and promising display against a side well above us in the table.

## U13'S

**Match: Debden Sports 1 Vs BOCA 3**  
Local Rivalries are usually feisty, exciting and tense encounters and this one was no exception. With Debden Sports topping the table, and Boca recovering from a loss in the previous week, Boca knew that only their very best would beat Debden. Literally minutes in to the game and Debden were pressing forcing several superb saves from ARMISTEAD. Things then went from bad to worse as PARSONS left the field feeling ill from a recent Swine Flu recovery, MOONEY took his place and did well to adapt.

Boca tried to get themselves back into the game as the midfield started to battle back. However Debden would score first with a free header from a corner. With BOCA a goal down, they began to battle back and with the half drawing to a close began to create chances down the left and right, but were unable to capitalise.

At half time the boys realised that their, opponents, local rivals, and table toppers, were not that much better, and the confidence grew as the second half began.

With BOCA pressing from the off it was the midfield three of ZOGAJ, PRINCE, and ANDREWS that ultimately won the battle. With the midfield dominating, the chances amounted up front, and soon enough the captain KHANYE even the scores with a counter down the left and tidy finish. With the play now being concentrated in Debden's half it was the inspirational SPEAKMAN who started at centre forward instead of on the right that was the main link between midfield and forward play.

A change then lead to the second, STRANGE replaced the hard working DUGGAN who had started on the right, and it was the sub that put BOCA ahead with he's first of the season. KHANYE crossed the ball and after a scramble it fell to STRANGE and he finished well. 2-1 BOCA.

With confidence high and all the attacking play belonging to BOCA,

Debden looked as though they had run out of ideas. The majority of their attack was focused down the wing, but brilliant performances from OGUNSANLU and BOYCE repelled it. Debden's main playmaker locked horns with ZOGAJ who won that battle and the overall war. The goal that put the game away came from a KHANYE free kick that slipped through the keepers hands. With the game settled the boys defended comfortably and saw out the remaining minutes to cap a huge win and put themselves back at the top. Who are we? BOCA

## Under 15's

### Boca FC v Millwall Albion

Boca entered the days fixture with a depleted squad with several squad members missing for various reasons. Boca had a 12 man squad with two of those still carrying slight knocks, however the mood amongst the squad was positive and team look prepared for a tough encounter. The mood was soon shattered as Millwall scored with their first attack from the kick off, there was a hint of offside but the Millwall forward outpaced the backline and beat the Boca keeper with a thunderous effort.

The Boca team restarted well and had the majority of possession which culminated in an A Josiah shot that was skied over the bar after a nice through ball from E.Tugwell. Boca continued to play well and looked the most likely to score and get the equaliser. After 20 minutes and at least 5 minutes of Boca Pressure the Millwall Team broke away with a swift counter attack playing a series of quick one touch passes that caught the Boca defence and Gk on he back foot and were able to make it 2-0 with a neat finish under the advancing Boca gk.

The second half began with Boca heads down and Millwall began to dominate proceedings having a number of threatening attacks, the Boca defence held out well with some excellent last minute tackles from A.Josiah and K.Bolessa and some smart saves from the gk R.Johnson, after 15 mins the millwall midfield were forced to go long in order to penetrate the defence and proceeded to do so with a number of through balls over the Boca

defensive line, the Boca defence kept a good line and were able to leave the millwall forwards in an offside position each time, it was another long ball over the top that lead to the millwall 3rd again with a very strong claim for offside the millwall forward broke free of his marker and rounded the keeper for a fine finish. Boca fought back and enjoyed their best period of the game creating several chances with H.Parsons and S.Maguire both coming close.

Boca continued to dominate possession with M.Suleiman and T.Adonmko having strong games in the middle of the park and it was M. Suleiman who had Boca's best effort which was just over the bar. Boca were able to break the deadlock after excellent hold up play from M.Wheeler who brought in T.Adonmko who with a fine run from midfield lost his man and beat another before beating the keeper hard and low to make it 3-1.

Boca now were in the ascendancy and push forward in numbers to rescue the game, Boca over committed at a set piece and were again caught out by a long ball over the top which was pounced on by the Millwall forward for his 2nd of the game and 4-1 to millwall. There was again a claim for offside but with the pace of the Millwall forwards it was quite hard to be sure. Boca finished the game well creating several more chances with S.Maguire again coming closest after a fine run and cross from C.Murdoch.

Boca were forced to reshuffle after K.Bolessa was forced to leave the field injured and were unable to carry on the good momentum, special mention must go to both O.Folkes and M.frostick who were both playing out of position due to injuries and circumstance both of which had good games considering.

Boca made real improvement after some poor performances in recent weeks and were unlucky to come up against a side who were ruthless in the finish. The game was played in a good spirit with both teams playing honestly and passionately, and there were real signs of improvement in the Boca Ranks. If Boca bring the same application to their forthcoming Cup Game they should definitely be in the hat for the next round.
