future.

Looking forward now and with the appointment of David Holdsworth and the recent revamp of the team I, for one, have seen a remarkable change in the team's attitude on and off the pitch. With some of the players being sent out on loan and new players stepping in the team seems to have been revitalised.

I understand one of the players who has recently been loaned out, Danny Hone, has made his mark at Barrow and has been their 'man of the match' more than once and I am sure will continue to do so. Recent additions such as Richard Hinds, Conal Platt, etc have certainly bolstered up the team and now with the ever increasing fitness of Francis Laurent sees the team having possibilities in all areas of the pitch.

Unfortunately injuries are always a worry at this time of the year especially with the drops in temperature, etc, but having a larger than usual squad for the Imps it may not prove to be as catastrophic as in the past. It goes without saying that we now need more wins in order to move us away from the lower end of the table but I am confident that the results will start to go in our favour given the passion and commitment I have witnessed in the team and drive from the "gaffer".

This coming Saturday sees the Imps travel to The Red Lion Foods Stadium in their FA Carlsberg Trophy tie against Colwyn Bay and a good cup run would certainly be a moral booster for the fans and everyone associated with the Club.

Lastly, I would like to thank all the loyal fans who keep supporting the Imps through thick and thin with a tremendous away following. I am sure I speak also on behalf of the team.

Wishing you all a very "Merry Christmas" and let's hope for an early present tonight.

"Come on you Imps!"

# THE MANAGER David Holdsworth

First and foremost I would like to offer a warm welcome to the chairman, the board and the management of Luton Town Football Club for tonight's Blue Square Bet Premier clash.

Luton are having a fine season and I'm sure tonight's game will give us some huge pointers in the way we need to develop as a side and as a football club, given our current status. We want to achieve as much as possible during the remainder of the season and I'm sure tonight's test will give me an idea as to the type of levels the players need to achieve if we're to do that. On Saturday we were in action at Spytree Park in Newport and the players gave a fantastic showing of commitment, desire and aptitude, which was in abundance. Although we came back without any points I couldn't fault the boys for the effort, attitude and certainly the encouragement they showed. If this is repeated on a regular basis then the team will clearly move forward in league status. There were some excellent performances on a horrible pitch and I'm sure that those fans who went down to the game came back believing in the side who gave 100 per cent for their club.

Last week the training ground was very busy and certainly the players have worked extremely hard in their development and this is something that I'm keen for the Club to establish. We are linking up with the University of Lincoln in developing our sports science program off the pitch and this will give our players an idea of the type of bodies they have, the type of conditioning work they can benefit from and they need to achieve if they're to become as flexible, mobile and professional as possible. These are all ideas I've learnt off the

likes of Sam Allardyce and other managers I worked under during my career and I'm a big believer in the fact that players need to be in tip-top condition to achieve as much as possible, having been given the opportunity to work with our club.

On behalf of the Club I would like to thank our supporters for the generous way in which they received the minute's silence in memory of Gary Speed at the weekend. The Newport fans throughout the game chanted Gary's name and our fans were magnificent in the way that they observed this moment of reflection. You were a credit to the Football Club and I know that this has been acknowledged by Newport officials and supporters alike.

Gary was a man of high calibre and was a model professional. An honourable man, he will be sorely missed inside the world of football. I dealt with him as a manager and was grateful for the help and assistance he gave me. As a person he was what I'd describe as a 'proper person' because he was a gentleman and someone who you could share many thoughts with. Our sympathies and condolences go to his family.

Next week sees us go to a ground where I've certainly never been to before in Colwyn Bay. The FA Trophy means a lot to me and we will be fielding as strong a side as possible. Maybe one or two of our recently injured players will get a game and participate but we will most definitely be taking the competition seriously and hope to come back firmly in the hat for the next round.

This is obviously our last home league game prior to Boxing Day and once again I'd like to thank you all for your generous support and the kind letters I've received during my first month in charge of Lincoln City Football Club. Likewise the support from the staff, the Board and the Chairman has been greatly appreciated. We will do everything we can to be successful for the remainder of the season and hopefully give you loyal fans a festive period to be happy with. I hope you all remain safe and your families have a wonderful Christmas.

David Holdsworth

### FAMILIAR FACE...

### JANOS KOVACS

The tall Hungarian defender was brought to Sincil Bank by former manager Peter Jackson at the beginning of the 2008/09 season, and went on to make 66 appearances for the Imps.

Lincoln were eventually forced to pay £17,500 for his services after the fee was settled with Chesterfield via a tribunal after the two clubs couldn't come to an agreement. Janos scored in his first appearance for the Imps, which was a 3-1 pre-season friendly win against Premier League side Aston Villa and became an instant hit with the Sincil Bank faithful, but was eventually placed on the transfer list in January 2010.

Later on in the month, he left the Club by mutual consent, and signed for today's visitors Luton Town. He's now back with the Hatters on loan from Hereford United.

## Football Club

### THE SQUAD IN BRIEF

#### 1 Mark TYLER

A former England youth international, Mark joined the Hatters in 2009 after a 15-year stint at Peterborough United. The experienced stopper is now in his third year at Kenilworth Road, and won the club's Player of the Year award last season.

#### 2 Dan GLEESON

A product of Cambridge United's academy, right-back Dan featured 61 times for the U's before joining Notts County in 2006. He only lasted a year at Meadow Lane, and returned to his hometown club in 2007. Capped seven times by England C, he joined the Hatters in the summer of 2010.

#### 3 Greg TAYLOR

Left-back Greg started his career as a junior with Northampton before signing for Kettering. He then teamed up with Mark Cooper at Darlington, before moving to Luton in November 2011, making his debut in the 1-1 draw against Cambridge United.

#### 4 Keith KEANE

Keith made his debut as a 16-year old under Mike Newell's stewardship in 2003. He's a versatile midfielder who is also capable of featuring in defence, and has regularly appeared for the Republic of Ireland at schoolboy level.

#### 5 Dean BECKWITH

Following his release from Northampton Town in the summer of 2011, centre-back Dean was snapped up by the Hatters. After helping the Cobblers reach the fourth round of the League Cup during the 2010-11 campaign, he also tasted success with Hereford United in 2008, winning the Blue Square Premier Play-Off final against Halifax Town.

#### 6 George PILKINGTON

Having begun his career as a trainee at Everton, George joined Port Vale in 2003 after a loan spell at Exeter City. Featuring 223 times for the Valiants, the defender then moved to Kenilworth Road on a free transfer in August 2008.

#### 7 Alex LAWLESS

Alex is a former Wales U21 midfielder who signed in November 2010, initially on loan from York City before a permanent deal went through in January 2011. He only joined the Minstermen at the start of the 2009/10 campaign, impressing Martin Foyle enough to prise the 25-year-old away from Forest Green Rovers.

#### 8 Amari MORGAN-SMITH

Amari started his career as a trainee at Wolverhampton Wanderers, before joining Ilkeston Town in 2008 after short stints at Crewe and Stockport. The striker or wide man arrived at Kenilworth Road as a free agent following a two-year spell at the New Manor Ground.

#### 10 Danny CROW

After starting out at Norwich City in 2004, Danny has enjoyed spells at Northampton, Peterborough and Notts County. He joined Luton from Cambridge United in May 2010 after scoring 22 goals in 43 league starts for the U's.

#### 11 Robbie WILLMOTT

Robbie made his debut for Cambridge United as a 17-year-old in September 2007. Capable of playing on either wing or behind the front two, he joined the Hatters in January 2011 after netting 10 times for the U's.

#### 12 Shane BLACKETT

Now in his third season at Kenilworth Road, Luton-born Shane is a pacy defender who is equally adept at centre-back or left-back. His impressive performances during Dagenham & Redbridge's promotion to the Football League in 2006/07 alerted the attention of Peterborough United, who snapped him up with Daggers team-mate Craig Mackail-Smith.

#### 13 Stuart FLEETWOOD

A prolific striker, Stuart signed for Luton on an undisclosed fee on deadline day in August 2011. He made his name after netting 28 times in 41 appearances for Forest Green Rovers, and consequently signed for then Championship outfit Charlton Athletic in June 2008, but was loaned out to Cheltenham, Exeter and Brighton.

#### 14 Aaron O'CONNOR

Aaron is a striker who arrived at Kenilworth Road following the expiry of his deal with Rushden & Diamonds. He scored 27 times in two seasons at Nene Park, while his former clubs include Mansfield Town, Scunthorpe United, Nuneaton Borough and Ilkeston Town.

#### 15 Jake HOWELLS

The young winger came through the ranks at Kenilworth Road and made his first team debut in May 2008. The England C international can also play at left-back or in central midfield.

#### 16 Ed ASAFU-ADJAYE

Capable of playing in any position across defence, Ed made his breakthrough into the first team under former boss Mike Newell. Making his full debut in March 2008, he was part of the Luton side that won the Johnstone's Paint Trophy in 2009.

#### 18 Curtis OSANO

Kenyan born Curtis is a quick defender who is capable of playing anywhere across the backline. He joined Luton in the summer following his departure from Rushden & Diamonds, after making 150 appearances for the Northamptonshire club.

#### 30 Kevin PILKINGTON

A vastly experienced goalkeeper, Kevin started his career with Manchester United, playing six times under Sir Alex Ferguson. After featuring for a number of clubs including Port Vale, Mansfield Town and Notts County, he moved to Kenilworth Road in May 2010 after his release at Meadow Lane.

#### 34 Janos KOVACS

Hungarian defender who signed on loan for his second spell at the club in September 2011. Formerly with Chesterfield and Lincoln, Janos first signed in January 2010 before signing for Hereford United in the summer of that year.

#### 39 Tommy WRIGHT

Tommy is an experienced striker who signed a three-month deal at Kenilworth Road in October 2011. He helped fellow Blue Square Premier outfit Darlington lift the FA Trophy last season, and has also represented the likes of Aberdeen, Barnsley and Brentford.

Originally brought to the club as Chief Scout at the time Richard Money was appointed manager in October 2009, Gary was reassigned in the new role as assistant manager in the summer of 2010.

Following the departure of Money in March 2011, Gary took control of the Hatters until the end of the 2010/11 season.

Gary played over 275 times in League football as a tough-tackling midfielder, including a short stint at

In his first - and eventually only - season at the Abbey Stadium he guided the U's to the Blue Square

Despite that set-back Gary was awarded the BSP Manager of the Year award before behind the scenes differences at the Abbey led to him leaving the club in July 2009 before arriving at Kenilworth Road.

Taking charge of Spurs in May 1986, he led them to the 1987 FA Cup final, then managed Leicester City before rejoining Luton in June 1991. #### FAB FOUR

#### **RICKY HILL**

England international midfielder Ricky Hill was 'Player of the Year' when Luton Town won the Second Division title in 1981-82. Signing professional at Kenilworth Road in May 1976, he was 'Player of the Year' again in 1982-83 and starred as Luton were FA Cup semi-finalists in 1984-85. He featured in two consecutive Littlewoods Cup finals including the 1988 Wembley triumph and netted 54 goals in 436 League games before moving to Le Havre in July 1989. Reuniting with David Pleat at Leicester City in August 1990 and later as a coach at Sheffield Wednesday and Spurs, he briefly rejoined Luton as manager.

#### **BRUCE RIOCH**

Influential midfielder Bruce Rioch was capped 24 times by Scotland after leaving Luton Town. Signing professional for Luton in September 1964, he starred in the 1967-68 Fourth Division title triumph and netted 46 goals in 149 League games prior to joining Aston Villa for £100,000 in July 1969. He was a key figure in their 1971-72 Third Division title success and moved to Derby County in February 1974, helping to win the League Championship in 1974-75. He played for Everton, Derby again and Torquay, since managing Middlesbrough, Millwall, Bolton Wanderers, Arsenal, Norwich City and Wigan Athletic.

#### **MALCOLM MACDONALD**

Ace marksman Malcolm Macdonald was capped 14 times by England after leaving Luton Town. Initially with Tonbridge, he joined Fulham in August 1968 and moved to Kenilworth Road in July 1969. He was Luton's top scorer in two consecutive seasons including the 1969-70 promotion success and netted 49 goals in 88 League games before being sold to Newcastle United for £180,000 in May 1971. An FA Cup finalist in 1974, he joined Arsenal for £333,000 in August 1976 and was an FA Cup finalist again in 1978 before injury ended his career. He managed Fulham and Huddersfield Town and has since worked in the media.

### CLASSIC CAMPAIGN

## **1987-88**

Ex-Imp Ray Harford plotted Luton Town's 1988 Littlewoods Cup final triumph. Danny Wilson replaced Peter Nicholas in midfield, while Micky Weir arrived from Hibernian and Mike Newell moved to Leicester.

The Hatters won 5-2 at Oxford and Ian Allinson was signed from Stoke in October, with Luton losing just twice in 12 matches including a 7-4 win the return match against Oxford, finishing ninth in the top-flight. They defeated Wigan 5-2, Coventry 3-1, Ipswich 1-0, Bradford City 2-0 and Oxford 3-1 in the Littlewoods Cup before beating Arsenal 3-2 in the final. Luton were also FA Cup semi-finalists and Simod Cup finalists.

# LINCOLN CITY FC SPORT & EDUCATION TRUST

Good evening and welcome back from the Lincoln City FC Sport & Education Trust team.

## SUPPORT FOR PROJECT UNDERDOG

Following the fatal shooting of Mark Duggan by Metropolitan Police officers earlier this year a peaceful march escalated into a full scale riot in Tottenham, North London.

Thereafter several London boroughs and districts of cities and towns across England suffered widespread rioting, looting and arson. The unrest soon spread to other areas of England, including Bristol and the North West.

There have now been over 3,000 arrests - five people have died as a direct result of related violent acts, with an estimated £200 million worth of property damage. Although the streets are now back to normal, the scars are evident - and not just in bricks and mortar. The violence has not only left a dramatic imprint on our society as a whole, but has in turn ushered more long standing issues into the public gaze.

We may be the world's sixth largest economy, but our infrastructure is infested with drugs, street crime and a general discontent within the youth of today.

"PROJECT UNDERDOG" is the brainchild of 21 year old entrepreneur Jo Lloyd - a woman on a mission. "This is a hugely exciting project which stems from the recent riots and devastation that hit our city centres", she says ..." We are going all out to raise funds not only for those communities that are still recoiling in the wake of the unrest, but to all local communities who can then help keep children off the streets and give them a chance to make a life for themselves".

First stop is a charity record. This chart challenger with a difference sees unsigned artists on a brand new version of "Iridescent" by Linkin Park. The team scoured the UK to find young people who had been affected by the riots and the "Project Underdog" record was born. Group member Leni White had her flat in Ealing burned to the ground. "It was unbelievable...just like a scary movie", she says. "One minute I had a home - the next I was on the street". Along with the record - which could indeed prove to be a surprise Christmas number one, there is a "Project Underdog" road show and a nationwide assault on the media to raise awareness to the plight of so many.

Proceeds of sales of this record will be donated to local communities to help initiatives to keep young people off the streets and to get involved in sport, music and other activities. "We started this in direct response to the dreadful events earlier this year", says Jo Lloyd, "But it is now steamrolling into a much bigger idea. The fires may be out, the streets may be quiet, but there are many people up and down the UK who have still not recovered from the devastation of August 2011. Lives have been shaken in a massive way".

"IRIDESCENT" by Project Underdog is released by Inscreen Records/Universal from 27th November 2011.

## YOUNG SPORTS LEADERS

A group of pupils from Waddington Redwood Primary School, taking part in our Young Sports Leaders programme, were given the opportunity to come and see Lincoln City play against Ebbsfleet United, as part of their Sports Leaders course.

## SHORT BREAKS MOVING FORWARD

The Short Breaks project, run by Lincoln City FC Sport & Education Trust staff, has received a fantastic reception after relocating its Lincoln session to The Showroom, on Tritton Road.

These new facilities are part of the Myplace project which aims to deliver world class youth facilities across the nation through government funding.

Young people with special needs sometimes find it difficult to access sports and social clubs outside of school. Short Breaks aims to provide them with activities in an environment better suited to their needs. Sports provision is on offer to people with disabilities aged 5-18 every week during term-time. The club delivers a range of games including Boccia, New Age Kurling, Bowling and Tri-Golf, among others. All games are non-competitive, and people of all abilities are welcome. Socializing is emphasized in the games offered.

We have three sessions running at the moment. Two multi-sport clubs, one based in Lincoln, one roaming session, and a football session on the Sincil Bank 3G Pitch. The Lincoln session at The Showroom makes great use of the new facilities. We have unlimited use of two "Highway 66" mini bowling alleys, access to table tennis, seating areas for resting & spectating, and the Sports Cage. In the Sports Cage we can deliver a variety of games without disturbing people wanting to do

something else. It is a self-contained area with markings on the floor and walls that can be used for rules in games or to divide games into smaller areas. Also on offer is our roaming session which is being held at the Meres Leisure Centre in Grantham, until the Christmas break. With full access to the table tennis centre, we are able to provide full-size New Age Kurling, Boccia and team-based games. In the New Year our roaming session will be moving to Gainsborough at Warren Wood Community School, bringing Short Breaks to another area that has shown prior interest.

Other areas Short Breaks is looking to move to include: Market Rasen, Spilsby, Horncastle and Louth. If these, or any other areas interest you, please contact us and we will arrange to visit a venue in your area. For more information visit our Short Breaks page in the Disability section or contact James Wonnacott on 01522 563792 , or email [jwonnacott.redimps@hotmail.co.uk](mailto:jwonnacott.redimps@hotmail.co.uk)

They had a fantastic time watching the game, and had their photo taken pitch side with Jean Francois Christophe. We look forward to seeing them all when we next visit.

For more information on our PPA, After Schools Clubs, or Sports Leaders sessions, please feel free to contact our Schools and Education Coordinator [damian.froggett@redimps.com](mailto:damian.froggett@redimps.com)

## DOMINO'S CUP TOURNAMENT: BISHOP KING VS. CHAD VARAH

Bishop King took on Chad Varah in the fifth match of the first round of the Domino's Half Time Tournament. Chad Varah took control of the game straight away, and several shots flew towards Bishop King's goal from Kane Green, Kian Keeley and Tyler Coy.

Kane Green then scored an extraordinary goal from long range to put Chad Varah 1-0 up. It only took a few minutes for Kane to score his second and put Chad Varah into the next round of the Tournament with a 2-0 win. Congratulations!

## BURTON ALBION U18S 1-2 LINCOLN CITY U18S

Midland Youth Cup Round 2

The Youth Team travelled to Burton Albion in the second round of the Midland Youth Cup without Karl Cunningham, Tom Thacker and Sam Downey who are all injured.

Both teams started brightly and had chances to open the scoring, but didn't take them. Lincoln were threatening down the right side with Dan Coupland feeding Reece Thompson with good balls down the side of Burton's defence.

Archie Massen was a constant threat with his pace and ability to go past defenders creating several chances as Lincoln increased the pressure.

The deadlock was broken midway through the half when good play down the right side involving Massen and Coupland released Jordan Thomas. His cross was met by Thompson whose initial effort was blocked but he reacted quickly to beat the 'keeper.

Thompson had another chance to extend the lead before the break. He dispossessed Burton's centre back on the right side, drove into the box and elected to shoot when he should have squared the ball to Thomas who would have had a simple tap in.

Lincoln started the second half as they had finished the first, on the attack, and it wasn't long before the second goal went in. An excellent run down the right by Massen fed Thomas who found Rob Taylor

on the edge of the box. He curled the ball into the top corner to make it 2-0.

More good work down the right from Massen almost led to another goal but then Burton hit back. A long clearance caused problems for the City back four and Burton's striker expertly lobbed Nick Draper from 25 yards.

Draper had to be replaced by Ollie Pannell after he had picked up an ankle injury in the first half. Pannell had to be alert on several occasions to stop Burton attacks with excellent start positions and reading of the game.

Aaron Rice replaced Conner Robinson, who had to come off injured, and almost scored with his first touch. Thomas was again the provider, feeding Rice on the left, he beat the 'keeper with his shot but it was cleared off the line by a recovering defender.

City won the game and await the winners of Hereford v Port Vale in the next round in a tie to be played at Sincil Bank.

**Team:** Draper (Pannell 55), Coupland, Rawdon, Cobb, Weaver, Green, Taylor, Massen, Thomas, Thompson, Robinson (Rice 76). Subs not used: Leggett, Everington.

## LINCOLN CITY U18S 1-3 NOTTS COUNTY U18S

Youth Alliance Cup Second Round

With a growing injury list Cunningham, Thacker and Downey were joined on the treatment table by Draper, Robinson and Taylor who had picked up knocks in the midweek game against Burton.

City never really got going, although several chances were created and squandered, and it was a below par performance.

County took the lead through a defensive mix up and extended their lead through a good finish.

City came out for the second half in a more determined mood and had a good chance to reduce the deficit but Thompson's effort was cleared off the line. Had that have gone in it may have been a different outcome. However, County extended their lead from a set play after poor defending.

The deficit was reduced minutes later when Aaron Rice slotted home from 12 yards. It was a welcome goal for Aaron in his first start for 10 weeks after recovering from a fractured metatarsal.

Under 16 players Matt Cotton and Robert Smith made their first appearances for the Youth Team and fitted in well and although City continued to press forward they could not score again.

**Team:** Pannell, Leggett, Rawdon, Cobb, Coupland, Green, Massen (Cotton 60), Everington (Smith 80), Thomas, Thompson, Rice. Subs not used: Weaver, Mathews, Bowler.

## LINCOLN CITY SUPPORTERS TRUST

With the weather getting colder and the economic outlook getting even chillier you would think that there is little to feel optimistic about as you venture out on a Saturday afternoon or Tuesday evening to watch the Imps, however, the eternal optimist that lives in every football fan laughs in the face of such nonsense!

Stalwart Imp fans who rush to buy their season ticket every close season do so because they believe in our team, believe that this season is the one where things will be better and all that potential will be realised and a long run of victories is just around the corner – well certainly that's what I have felt for the last five seasons.

There is no doubt that the desperately poor start to the 2011/12 season rocked us all, challenging our optimism in the extreme – the result was a feeling of utter desperation and despondency that is up there, for many people, amongst the challenges facing the economy or the Eurozone; leaving us all fearing for a future even at conference level. However, the optimist has started to reassert itself – a new manager, a team with a new resolve and signs that results are starting to move in the right direction!

So, as we move towards Christmas we need to channel our irrepressible optimism and start pressing all our mates that lost their belief at the end of last season and decided that an afternoon at home with Sky Sports, or out shopping with the family was a respectable way to spend a Saturday afternoon – to all of them the time has come to start returning to the Bank.

The approach of the new management team, allied with the hard work of all at Sincil Bank AND our own eternal optimism is starting to regenerate a bit of a feel good factor, so let all of us diehards, standing here on a cold December night take that away with us and persuade even just one person to join us over the next few months to 'Come back to the Bank'; get the crowds up, get the noise up and help build momentum that will see us rise up the table.

I know that all of this is a hostage

**LINCOLN CITY  
SUPPORTERS TRUST**

to fortune and that there will be difficult matches ahead and dare I say it a few reverses, however, if the blind optimism of football fans sinks without trace then there really is no hope for the economy or the weather.

### YOUNG SUPPORTERS EVENT

Lincoln City Supporters Trust hosted a Young Supporters Event on Saturday 26th November.

The event, organised by Trust Board members Mike Attwood and Duncan Bayes together with Community Development Worker Gemma McFaul, saw 15 young season ticket holders enjoy a question time with City players Josh Gowling and Josh O'Keefe.

The young supporters also took part in fun sports activities provided by Lincolnshire Sports Partnership, before being treated to a tour of Sincil Bank Stadium.

Also on hand to support the event were Neil Ferguson, Chris Ashton, David Beck and Kevin Clayton.

"It was a great success and all the youngsters enjoyed the activities with the majority rating it as excellent," said Mike Attwood.

"We want to encourage young supporters to become more involved in the Trust and this was a fantastic start. Many said the highlight of the day was speaking to players Josh O'Keefe and Josh Gowling.

"We are planning a further event in February and will circulate details in the new year."

### BRIDGE McFARLAND SPONSORSHIP DEAL

Lincolnshire law firm Bridge McFarland is already one of the Imps' major sponsors and the firm has now agreed to sponsor the Lincoln City Supporters' Trust until 2014. As part of the new deal, members of the Supporters' Trust will be entitled to receive a 12.5% discount on legal services, including employment law, standard wills, lasting powers of attorney, conveyancing and family matters.

Bridge McFarland partner Richard Parnell said the firm was delighted to be strengthening its ties to the Club, its fans and members of the Supporters Trust.

"In the summer we agreed a three-year deal with Lincoln City to sponsor the South Park Stand - now the Bridge McFarland Stand - so we are very pleased to be able to extend this support to the fans through the Supporters' Trust," he said. Results on the pitch might not have been as good as the Club and fans would have hoped during the early part of the season but our priority is to offer long-term support to the Club and its supporters so that it can build for the future with confidence.

"With a new manager in place, these are exciting times for Lincoln City and we hope the Club will soon be back where it belongs in the Football League." Supporter Director David Beck said: "It has been a delight to work with Richard and his staff in setting up this deal. We're very grateful for the support Bridge McFarland have given both to the Club and now the Trust.

"The Trust has many legal responsibilities and this will be a great help. Of equal importance, Trust members can now receive a major benefit on what can sometimes be costly services."

Bridge McFarland has a long history of supporting local sport through sponsorships and has offices in Lincoln, Market Rasen, Louth, Skegness, Mablethorpe, Grimsby and Hull.

## PLAYER PROFILE

### JOHN MANNING

One of the summer signings John Tom "Cracker" Manning filled the outside right position in all but one game during the season.

Born in Boston in 1886 he arrived at Sincil Bank after spells with local Boston sides Lindum, Swifts and Town before joining Hull City in April 1905. Nine goals in 54 games preceded a spell at Bradford Park Avenue (47 apps, 8 goals) and a season at non-League Rochdale before joining us in the summer of 1911.

Noted as "imperious to hard knocks, gets through by weight (he weighed 13st 1lb) where light men would be hustled off" he remained at Sincil Bank until 1919 making 90 Football League appearances (nine goals) as well as scoring 12 times in 106 games during the war.

After leaving City in August 1919 he went on to serve Rotherham County (5 apps) and Queen's Park Rangers (22 apps, 5 goals) before returning to Boston Town and ending his playing career.

He died in his home town in the early part of 1946.

January 27th 1912

**Lincoln City 4  
Glossop Reserves 0**

For the first time in the season City went to the top of the table as they easily beat Glossop in a game where "they were not fully extended and had matters pretty much all their own way."

Walter Miller and Cracker Manning had already gone close before Andy Gardner hit a rising shot from 18 yards that hit the underside of the bar and rebounded well over the line. The goal was scored in the 25th minute.

Shortly afterwards Gardner again tried his luck from distance but this time his shot was handled inside the area and a penalty awarded. Manning took the kick but put his shot wide of the goal.

The miss nearly proved costly just before half-time when Glossop wasted their best chance of the game as Berwick, with Tommy Fern out of his goal, shot "weakly and wide."

Within 60 seconds of the second half starting Billy Batty crashed the ball past Causer to make it 2-0 and five minutes later Manning made amends for his penalty miss by heading home a Horace Brindley centre to secure the points.

City continued to do pretty much as they liked with Causer saving superbly from

Miller and from a 40 yard effort by Gardner before the fourth goal came after 70 minutes.

Wattie Wilson stopped a Glossop attack and "dropped the ball in the centre to Miller who in a twinkling whipped it along the ground well wide of Causer to score"

Despite there still being 20 minutes to play and Lincoln continuing to attack there was no further scoring.

**TEAM:** Fern, Jackson, Wilson, Robson, Gardner, Wield, Manning, McCubbin, Miller, Batty, Brindley,

"City continued to do pretty much as they liked with Causer saving

superbly from Miller and from a 40 yard effort by Gardner"

Immediately after the game the City players, with Barrell travelling as reserve, set off to the Oldham House Hydro in Matlock to prepare for the big FA Cup tie the following week when it was known they would face Wolves who had overcome Watford in their replay by 10-0!

Lincoln supporters were encouraged to purchase train tickets for the match priced at 4s 6d with the train leaving Lincoln at 9.40am and arriving in Wolverhampton at 2.30pm with the return leaving at 6.10pm and arriving back in Lincoln at 10.38pm.

In the event around 200 took up the offer and were present to witness one of the most controversial incidents in the entire history of the Club.
